CITY OF ROCKWALL

ORDINANCE NO. 17-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) BY AMENDING ORDINANCE NO. 11-37 (SUP NO. S-034), SPECIFICALLY TO ALLOW FOR A RESTAURANT IN CONJUNCTION WITH AN ACCESSORY GENERAL RETAIL STORE AND BANQUET FACILITY ON A 0.6849-ACRE PARCEL OF LAND; ZONED PLANNED DEVELOPMENT DISTRICT 50 (PD-50) FOR RESIDENTIAL OFFICE (RO) DISTRICT LAND USES; BEING ADDRESSED AS 506 N. GOLIAD STREET AND IDENTIFIED AS LOT 1, ABATE INJURY REHAB ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Brenda and Stuart Myers for the approval of a Specific Use Permit (SUP) by amending Ordinance No. 11-37 (*SUP No. S-034*) for a *Restaurant with an accessory General Retail* store and *Banquet Facility* for a 0.6849-acre parcel of land identified as Lot 1, Abate Injury Rehab Addition, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 506 N. Goliad Street, City of Rockwall, Rockwall County, Texas, and more specifically depicted in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property*, and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that Ordinance No.'s 06-52 & 11-37 and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the approval of this ordinance shall supersede all requirements stipulated in Ordinance No. 06-52 and 11-37 for the *Subject Property*; and

Section 2. That the Unified Development Code [*Ordinance No. 04*-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-*

DRAFT

In Service] with an accessory General Retail store and *Banquet Facility* within a Planned Development District 50 (PD-50) as stipulated by *Ordinance No. 16-15* and Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*; and

Section 3. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, *Ordinance No. 07-29* and as stipulated by Section 4.2, *Residential Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the following conditions and compliance standards:

3.1 Operational Conditions

The following conditions pertain to the operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* on the *Subject Property*, and conformances to these operational conditions are required for continued operations:

1) The operation of a *Restaurant [Less Than 2,000 SF; Without Drive-Through or Drive-In Service]* shall generally conform to the *Floor Plan – 1st Floor* contained in *Exhibit 'C'* of this ordinance, and incorporated by reference herein;

2) The service area of the restaurant will be limited to a maximum of 2,000 SF;

3) Alteration to the building elevations shall be subject to review and recommendation by the Historic Preservation Advisory Board (*HPAB*);

4) The *General Retail* store use shall be incidental to the *Restaurant,* limited to Lounge Area 2 (*approximately 215 SF*) as depicted on the *Floor Plan – 1st Floor* contained in *Exhibit 'C'* of this ordinance, and may only include products generally found within the restaurant;

5) In the event that the adjacent property located at 504 N. Goliad Street (*i.e. the property to the south of the subject property*) is converted to a non-residential land use that is allowed within PD-50, the dedicated cross access easement on the *Subject Property* shall be paved with concrete to connect the adjacent properties (*i.e. 504 N. Goliad Street and 602 N. Goliad Street*) as depicted in *Exhibit 'A'* of this ordinance. All paving must be constructed within 60 days of the approved site plan for 504 N. Goliad Street and shall be constructed accordance with the standards of Article VI, *Parking and* Loading, of the Unified Development Code;

6) *Banquet Facility (Event Venue*). A banquet facility (or event venue) -- to be located on the 2nd floor of the *Subject Property* shall generally conform to the *Floor Plan –2nd Floor* contained in *Exhibit 'D'* of this ordinance, and incorporated by reference herein -- shall be permitted through the approval of a Certificate of Occupancy (CO); however, such use shall be subject to the following conditions:

   a) *Banquet Facility* (or event venue*)* is defined as a commercial facility that can be rented out for the purpose of hosting private events (*e.g. birthday parties, wedding receptions, meetings, etc*.). These events shall not be open to the general public.

   b) Prior to the approval of a CO for a *Banquet Facility (*or event venue*)*, the *Subject Property* is required to provide additional parking spaces meeting the requirements stipulated by Article VI, Parking and Loading, of the Unified Development Code

DRAFT

[*Ordinance No. 04-38*] and shall be subject to one (1) parking space per 100 SF of floor area and shall generally conform to the *Floor Plan* contained in *Exhibit 'C'* of this ordinance.

3.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (*CO*), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and as outline in the Unified Development Code, the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (*SUP*) in accordance with Section 4, Specific Use Permits (*SUP*), of Article IV, Permissible Uses, of the Unified Development Code (*UDC*).

Section 4. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 7. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 17th DAY OF April, 2017.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 03/28/2017

APPLICANT: Rich Darragh, *Skorburg Company*

AGENDA ITEM: **Z2017-007**; *Gideon Tract II (AG to PD)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Rich Darragh of the Skorburg Company on behalf of the owner Bradley Joe Gideon for the approval of a zoning change from an Agricultural (*AG*) District to a Planned Development District for Single Family 7 (*SF-7*) District land uses, on a 30.36-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (*AG*) District, situated within the 205 By-Pass Corridor Overlay (*205 BY-OV*) District, located at the southwest corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

PURPOSE:

On February 17, 2017, the applicant submitted an application requesting to rezone a 30.36-acre tract of land from an Agricultural (AG) District to a Planned Development District for a residential subdivision that will consist of 84 single-family lots, a ten (10) ft. trail that will meander along John King Blvd -- *within a 50-ft landscape buffer* -- open space areas, and a 2.19-acre neighborhood park. The Planned Development District will utilize the Single-Family 7 (SF-7) District standards. The property, which was annexed into the City on March 16, 1998 by *Ordinance No. 98-10*, is located at the southwest corner of the intersection of E. Quail Run Road and John King Boulevard and is currently vacant agricultural land.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is Planned Development District No. 77 (*PD-77*), which is a residential development consisting of 72 lots on 29.192-acres.

South: Directly south of the subject property is Planned Development District No. 5 (PD-5), which is a residential development consisting of 444 lots and is known as Caruth Lakes Subdivision (*i.e. Phase's 6, 7, & 8*).

East: Directly east of the subject property is a vacant tract of land zoned Agricultural (AG) District.

West: Directly west of the subject property is a vacant tract of land zoned Agricultural (AG) District.

CHARACTERISTICS OF THE REQUEST:

Along with the application, the applicant has submitted a concept plan and development standards for the proposed residential subdivision. The concept plan shows the layout of the

subdivision, which will have access drives on John King Boulevard and E. Quail Run Road. The development will consist of 53, 60' x 120' lots -- *one [1] of which has a depth of less than 120-feet on the south property line* -- and 31, 70' x 120' lots, and have a gross residential density of 2.8 units/acre. The subdivision will incorporate 7.28-acres of open space (~24%) that will be adjacent to John King Boulevard (*50-ft landscape buffer*), E. Quail Run Road (*25-ft landscape buffer*), Old E. Quail Run Road (*10-ft buffer*), and two (2) open space areas (*i.e. 1.77-acres and 2.19-acres*) located within the development and between the houses and adjacent thoroughfares. A summary of the proposed development standards is as follows:

Lot Type (see Concept Plan) ►	*A*	*B*
Minimum Lot Width/Frontage	60'	70'
Minimum Lot Depth	120'	120'
Minimum Lot Area	7,000 SF	8,400 SF
Minimum Front Yard Setback	20'	20'
Minimum Side Yard Setback	5'	5'
Minimum Side Yard Setback (Adjacent to a Street)	10'	10'
Minimum Length of Driveway Pavement	20'	20'
Maximum Height	36'	36'
Minimum Rear Yard Setback	10'	10'
Minimum Area/Dwelling Unit (SF)	1,500 SF	1,500 SF
Maximum Lot Coverage	65%	65%

The applicant has agreed to incorporate the same anti-monotony standards that were incorporated in Planned Development District 77 (PD-77) [*i.e. the Gideon Tract subdivision*] and Planned Development District 70 (PD-70) [*i.e. the Stone Creek subdivision*]. Copies of the proposed PD Concept Plan and PD Development Standards have been provided in the attached packet for the City Council and Planning & Zoning Commission's review.

SUMMARY OF WAIVERS:

It should be noted that the development standards contained within the PD Ordinance deviate from the requirements of the Engineering Department's *Standards of Design and Construction* Manual in the following ways:

1) According to the Engineering Department's *Standards of Design and Construction* Manual, "(t)he City Council may waive the residential alley requirement upon determination by the Council, if it is in the best interest of the City." Currently, the applicant is requesting to allow *J-Swing* and/or *Front Entry* garages that comply with Article VI, *Parking and Loading*, of the Unified Development Code (UDC) in lieu of alleys. This requirement has been waived for other subdivisions throughout the City when the PD Ordinance conforms to the requirements stipulated by the UDC.

CONFORMANCE WITH THE COMPREHENSIVE PLAN AND UDC:

The Future Land Use Map, contained within the Comprehensive Plan, designates the subject property for *Medium Density Residential* land uses. According to the *Comprehensive Plan* and under the *Land Use* element of the plan, the *General Residential* policies refer to "medium density residential" as being defined as "having two (2) to three (3) units per acre"…and "should generally be used where designated on the *Land Use Plan*, where it would be an extension or continuation of an existing medium density development…" The applicant intends to provide additional amenities for the development such as a 2.19-acre neighborhood park and open space as depicted in the Concept Plan. Additionally, the Planned Development District standards contained within the Unified Development Code (UDC) require a minimum of 20% of the gross land area be dedicated to open space. In this case, the concept plan shows a total of

7.28-acres of open space (~24%), which exceeds the amount required for a residential development.

It should also be noted that the applicant has agreed to include a ten (10) foot sidewalk along John King Boulevard per the recommendations of the *John King Boulevard Design Concept Plan* contained within the *Comprehensive Plan*. This 10-ft wide concrete sidewalk will connect to the existing trail systems along John King Blvd as future development occurs along this roadway. Staff has also discussed with the applicant the *John King Blvd Design Concept Plan* guidelines regarding an opportunity to include a Trail Rest Stop. Although this is not a requirement, the applicant is considering the construction of the Trail Rest Stop as a part of the development. This has been included in the proposed Planned Development District ordinance.

If the City Council chooses to grant the applicant's request, no changes to the *Future Land Use Map* would be required, as the proposed density is in conformance with the range designated for the *Medium Density Residential* designation (*i.e. 2.0 to 3.0 units/acre*).

NOTIFICATION:

On March 8, 2017, staff mailed ten (10) notices to property owners and residents within 500-feet of the subject property. Staff also emailed a notice to the *Stoney Hollow* and *Caruth Lakes* Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign at the corner of John King Boulevard and E. Quail Run Road, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to recommend approval of the applicant's request to rezone the subject property from an Agricultural (AG) District to a Planned Development District, then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance; and,

2) Any construction resulting from the approval of this *zoning amendment* shall conform to the requirements set forth by the UDC, the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

SKORBURG
COMPANY

February 17, 2017

City of Rockwall
Attn: Ryan Miller

Skorburg Company
8214 Westchester, Suite 710
Dallas, TX 75225

Dear Ryan,

Skorburg Company is requesting that our project be taken to the March 14th Planning and Zoning Meeting. This project is the development of 30.36 Acres in the S.R. Barnes Survey, Abstract 13 City of Rockwall, Rockwall County, located at the Northwest corner of the intersection of East Quail Run Road and John King Boulevard.

The property is currently zoned AG and we propose a development of Single Family Residential homes on 7,000 - 8,400 square foot lots. This community will provide for a greater variety of housing that the market demands and will still reflect the beautiful aesthetic of the surrounding communities like Stone Creek and Breezy Hill, and the City of Rockwall as a whole.

We look forward to working with the City once again to develop another gorgeous development.

Cordially Yours,

John Arnold
Development Partner

City of Rockwall

PLANNING COMMENTS - DAVID GONZALES - 03.15.2017

All staff comments are to be addressed and resubmitted by Thursday, March 30, 2017. Please provide one large copy [FOLDED] and one PDF version for a subsequent review by staff:

Planning Department General Comments to be addressed are as follows:

• Please review the revised Draft Ordinance prior to the Planning & Zoning public hearing scheduled for March 28, 2017 and return to staff with red line corrections and/or additions you feel are necessary.

• Please make the following corrections/additions to the Concept Plan:

(1) Update legend indicating the following at a minimum:
a. Lot Type 'A' – 60' x 120' – Color Code on Concept Plan **note lot depth change per our conversation**
b. Lot Type 'B' – 70' x 120' – Color Code on Concept Plan **note lot depth change per our conversation**
c. Open Space area's - Color Code on Concept Plan
d. Include 10-ft meandering trail along John King Blvd and label as such.
e. If decided to provide, indicate location of a Trial Rest Stop along John King Blvd -- provide detail: according to the John King Blvd design guidelines.
(2) Remove dimension labels (i.e. width & depth) on lots and provide a color pallet for each lot type.
(3) Will there be amenities (e.g. playground structures, benches, etc.) for the area labeled as "Park?" If so, indicate on concept plan and label.
(4) Provide a street label for the "old" Quail Run Road (southern property boundary).

• The following is a Comprehensive Plan policy that has not been satisfied or could benefit from clarification:

(1) All residential lots that are 16,000 SF or less should be served by an alley. A request to waive this requirement by the City Council may be approved through the PD Ordinance. Will be included in staff's report.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD request. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with thePlanning Department at 972-771-7745.

** Revised Meeting Dates to Attend**

Planning - Public Hearing: March 28, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)

City Council - Pulblic Hearing: April 3, 2017 (6:00 p.m.) [1st Reading of PD Ordinance]

City Council - Action Item: April 17, 2017 (6:00 p.m.) [2nd Reading of PD Ordinance (if approved at 1st reading)]

Hold a public hearing to discuss and consider a request by Rich Darragh of the Skorburg Company on behalf of the owner Bradley Joe Gideon for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) District land uses, on a 30.36-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the southwest corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 02.23.2017

All staff comments are to be addressed and resubmitted by Tuesday, March 6, 2017. Please provide two large copies [FOLDED] and one PDF version for a subsequent review by staff:

Planning Department General Comments to be addressed are as follows:

• On all future submittals please include the Case Number (Z2017-007) in the lower right hand corner.

* Label zoning exhibit as "Concept Plan"

• When provided, please review the Draft Ordinance prior to the Planning & Zoning public hearing scheduled for March 14, 2017 and return to staff with corrections and/or additions you feel are necessary.

• Please make the following corrections/additions to the Concept Plan:

(1) Provide a legend indicating the following at a minimum:
a. Total Acres – #
b. Total Open Space - %
c. Lot Type 'A' – 70' x 120' – # Lots
d. Lot Type 'B' – 60' x 120' – # Lots
e. Total Number of Lots – # Lots
f. Maximum Density - # d.u/acre
(2) Provide % of open space for each separate area on the concept plan (i.e. detention areas, landscape buffers, park area, etc.).
(3) Provide a typical street cross section for the proposed Major (M4D) Collector E. Quail Run Road, as indicated on the City's Thoroughfare Plan.
(4) Provide labels for landscape buffer area's.
(5) Label all streets (e.g. Street A, Street B, etc.)
(6) Provide property owner names and property lines for adjacent properties.

• The following is a Comprehensive Plan (plan) policy that has not been satisfied or could benefit from clarification:

(1) All residential lots that are 16,000 SF or less should be served by an alley. A request to waive this requirement by the City Council may be approved through the PD Ordinance.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD request. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with thePlanning Department at 972-771-7745.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

REVISED NOTICE
The meeting scheduled for March 14, 2017 has been cancelled due to lack of a quorum.

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2017-007: Gideon Tract II (AG to PD)

Hold a public hearing to discuss and consider a request by Rich Darragh of the Skorburg Company on behalf of the owner Bradley Joe Gideon for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) District land uses, on a 30.36-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the southwest corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 3/28/2017 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 4 /3/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by 4**/3/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-XX) FOR SINGLE FAMILY 7 (SF-7) DISTRICT LAND USES ON THE SUBJECT PROPERTY, BEING A 30.36-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 1-01 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Rich Darragh of the Skorburg Company on behalf of the owner of the property, Bradley Joe Gideon, for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) District land uses, on a 30.36-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 4(b) through 4(g) below*), shall be the exclusive procedures applicable to the subdivision and platting of the *Subject Property*.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) Open Space Master Plan
(2) Master Plat
(3) PD Site Plan
(4) Preliminary Plat
(5) Final Plat

(c) *Open Space Master Plan.* An *Open Space Master Plan* for the *Subject Property*, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan*, (*Open Space Master Plan*) shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

(d) *Master Plat.* A *Master Plat* for the *Subject Property* shall be submitted and shall identify the proposed timing of each phase of the proposed development. A *Master Plat* application may be processed by the City concurrently with a *Open Space Master Plan* for the development.

(e) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall identify all site/landscape/hardscape plan(s) for all open space, neighborhood parks, trail systems, street buffers and entry features. A *PD Site Plan* application may be processed by the City concurrently with a *Preliminary Plat* application for the development.

(f) *Preliminary Plat.* A *Preliminary Plat* covering all of the *Subject Property* shall be submitted and shall include a *Treescape Plan*. A *Preliminary Plat* application may be processed by the City concurrently with a *PD Site Plan* application for the development.

(g) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat*, conforming to the *Preliminary Plat*, for all of the *Subject Property* shall be submitted for approval.

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of

DRAFT

the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 7. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 17Th DAY OF APRIL, 2017.

DRAFT

Exhibit 'A':
Legal Description

A tract of land in the S.R. Barnes Survey, Abstract No.13, Rockwall County, Texas, part of that called 80 acres described in a deed to Lonnie L. Gideon recorded in Volume 307, Page 256 of the Deed Records of Rockwall County, Texas, and further described as follows:

Beginning at the intersection of the west line of said 80 acres with the south line of S.H. 205 By-Pass, said point bearing South 01 deg. 23 min. 44 sec. East, 885.84 feet from a 3/8 inch steel rod found at the northwest corner of said 80 acres;

Thence along the line of S.H. 205 By-Pass as follows:

South 72 deg. 05 min. 21sec. East 225.92 feet to a ½ inch steel rod set at a point of curve;

Southeasterly 1274.04 feet along a curve to the right having a radius of 1040.00 feet and a central angle of 70 deg. 11 min. 23 sec. (*Chord bears South 36 deg. 59 min. 40 sec. East, 1195.86 feet*) to a ½ inch steel rod

set; South 01 deg. 53 min. 59 sec. East 243.24 feet to a ½ inch steel rod set;

South 02 deg. 35 min. 02 sec. West 140.71 feet to a ½ inch steel rod set;

South 01 deg. 53 min. 59 sec. East 41.83 feet to a ½ inch steel rod set;

Southeasterly 191.03 feet along a curve to the left having a radius of 1571.00 feet and a central angle of 06 deg. 58 min. 01 sec. (*Chord bears South 05 deg. 22 min. 59 sec. East, 190.91 feet*) to a ½ inch steel rod set;

South 81 deg. 07 min. 40 sec. West 25.65 feet to a point;

South 10 deg. 47 min. 13 sec. East 26.00 feet to a point;

South 79 deg. 12 min. 47 sec. West 17.32 feet to a point;

Southwesterly 131.03 feet along a curve to the right having a radius of 742.50 feet and a central angle of 10 deg. 06 min. 40 sec. (*Chord bears South 84 deg. 16 min. 07 sec. West, 130.86 feet*) to a point;

South 83 deg. 33 min. 59 sec. West 82.52 feet to a point;

South 00 deg. 46 min. 04 sec. East 24.30 feet to a P-K nail set in the pavement of Quail Run Road;

South 89 deg. 22 min. 58 sec. West 664.18 feet along Quail Run Road to a point in the center of same, being the southwest corner of said 80 acres, a ½ inch steel rod set North 01 deg. 23 min. 44 sec. West 30.00 feet for witness;

Thence North 01 deg. 23 min. 44 sec. West 1727.17 feet along the west line of said 80 acres to the point of beginning, containing 30.337 acres of land, more or less.

Exhibit 'B':
Concept Plan

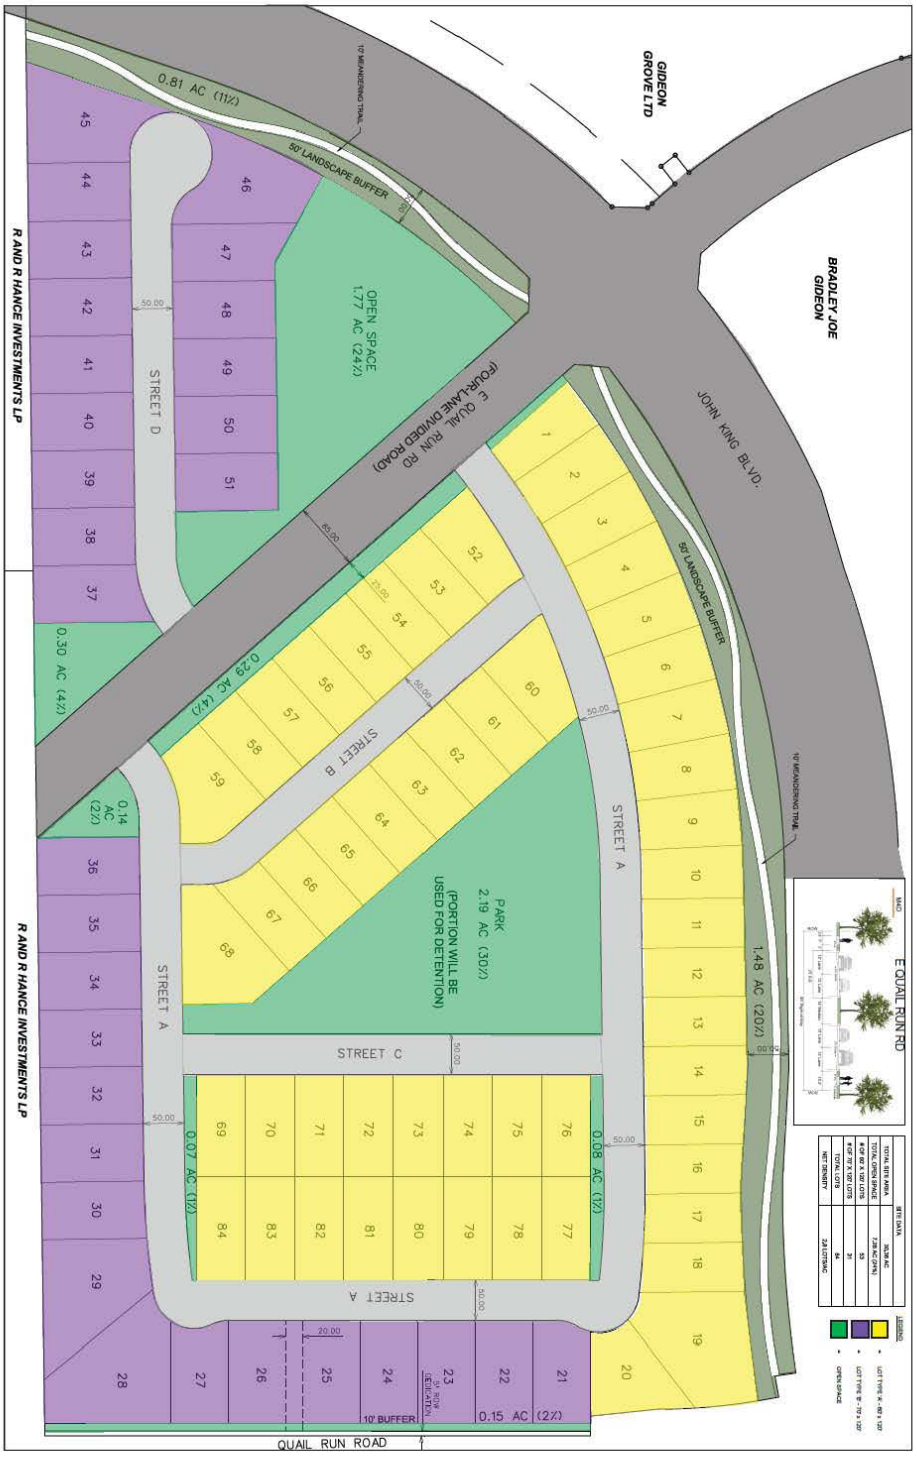

Exhibit 'C':
PD Development Standards

A. GENERAL REQUIREMENTS

Development Standards.

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Single Family 7 (SF-7) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Lot Composition and Layout.* The lot layout and composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1*, which is as follows:

Table 1: Lot Composition

Lot Type	*Minimum Lot Size (FT)*	*Minimum Lot Size (SF)*	*Dwelling Units (#)*	*Dwelling Units (%)*
A	60' x ~~125~~' 120'	7,000 SF	53	63.10%
B	70' x ~~125~~' 120'	8,400 SF	31	36.90%
	Maximum Permitted Units:		*84*	*100.00%*

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Single Family 7 (SF-7) District, as specified by Article V, *District Development Standards*, of the Unified Development Code are applicable to all development on the *Subject Property*. The maximum permissible density for the *Subject Property* shall not exceed ~~*3*~~ *2.80* dwelling units per gross acre of land; however, in no case should the proposed development exceed *84* units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Lot Type (see Concept Plan) ►	***A***	***B***
Minimum Lot Width/Frontage [1]	60'	70'
Minimum Lot Depth	~~125~~' 120'	~~125~~' 120'
Minimum Lot Area	7,000 SF	8,400 SF
Minimum Front Yard Setback [2]	20'	20'
Minimum Side Yard Setback	5'	5'
Minimum Side Yard Setback (Adjacent to a Street)	10'	10'
Minimum Length of Driveway Pavement	20'	20'
Maximum Height	36'	36'
Minimum Rear Yard Setback	10'	10'
Minimum Area/Dwelling Unit (SF)	1,500 SF	1,500 SF
Maximum Lot Coverage	65%	65%

General Notes:

[1]: Lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may have the front lot width reduced by 20% as measured at the front property line provided that the lot width will be met at the front building line. Additionally, the lot depth on lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by up to 10%, but shall meet the minimum lot size for each lot type as referenced within *Table 1*.

[2]: The Director of Planning or his designee may grant a reduction in the required 20-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 20-foot front yard building setback would create an undue hardship on the property.

4. *Building Standards.* All development shall adhere to the following building standards:

(a) *Masonry Requirement.* The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance the masonry requirement

shall be limited to full width brick, natural stone, cast stone, cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*).

(b) Roof Pitch. A minimum of an *8:12* roof pitch is required on all structures with the exception of sunrooms and porches, which shall have a minimum of a *4:12* roof pitch. Rear elevations may have 6:12 roof pitch.

(c) Garage Orientation. Garages shall be oriented in a front entry configuration. If a front entry garage configuration is utilized that garage shall be located at least 20-feet behind the front building façade.

5. *Anti-Monotony Restrictions.* The development shall adhere to the *Anti-Monotony Matrix* depicted in *Table 3* below (*for spacing requirements see the illustration below*).

Table 3 : Anti-Monotony Matrix

Lot Type	*Minimum Lot Size*	*Elevation Features*
A	60' x ~~125'~~ 120'	(1), (2), (3)
B	70' x ~~125'~~ 120'	(1), (2), (3)

(1) Identical brick blends or paint colors may not occur on adjacent (*side-by-side*) properties along any block face without at least four (4) intervening homes of differing materials on the same side of the street beginning with the adjacent property and two (2) intervening homes of differing materials on the opposite side of the street.

(2) Front building elevations shall not repeat along any block face without at least four (4) intervening homes of differing appearance on the same side of the street and two (2) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or on John King Boulevard shall not repeat without at least five (5) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

(a) Number of Stories
(b) Permitted Encroachment Type and Layout
(c) Roof Type and Layout
(d) Articulation of the Front Façade

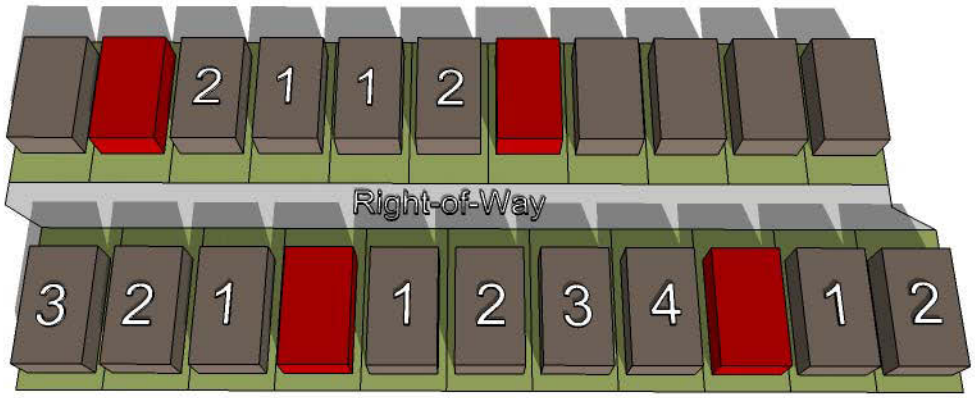
(3) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*).

See the Illustrations 1 & 2 on the following page.

DRAFT

Illustration 1: Properties line up on the opposite side of the street. Where RED are the same.

Illustration 2: Properties do not line up on opposite side of the street. Where RED are the same.



6. *Fencing Standards.* All individual residential fencing and walls shall be architecturally compatible with the design, materials and colors of the primary structure on the same lot, and meet the following standards:

(a) Wood Fences. All wood fences shall be constructed of a standard fencing material (*minimum of ½" thickness or better; spruce fencing will not be allowed*), and use fasteners that are hot dipped galvanized or stainless steel. Generally, the Wood Fences shall be cedar, with a maximum height of 6 feet, with metal posts. Wood fences facing onto a street shall be painted and/or stained and sealed with all pickets being placed on the *public side* facing the street. All wood fences shall be smooth-finished, free of burs and splinters, and be a maximum of six (6) feet in height.

(b) Wrought Iron/Tubular Steel. Lots located along the perimeter of roadways, abutting open spaces, greenbelts and parks shall be required to install a wrought iron or tubular steel fence. Wrought iron/tubular steel fences can be a maximum of six (6) feet in height.

(c) Corner Lots. Corner lots fences (*i.e. adjacent to the street*) shall provide masonry columns at 45-feet off center spacing that begins at the rear of the property line. A maximum of six (6) foot solid *board-on-board panel* fence constructed utilizing cedar fencing shall be allowed between the masonry columns along the side and/or rear lot adjacent to a street. In addition, the fencing shall be setback from the side property line

adjacent to a street a minimum of five (5) feet. The property owner shall be required to maintain both sides of the fence.

(d) Solid Fences (including Wood Fences). All solid fences shall incorporate a decorative top rail or cap detailing into the design of the fence.

7. Landscape and Hardscape Standards.

(1) *Landscape.* Landscaping shall be reviewed and approved with the PD Site Plan. All *Canopy/Shade Trees* planted within this development, unless specifically provided by this PD Ordinance, shall be a minimum of three (3) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of three (3) feet in total height. The following tree species are approved for planting within this subdivision:

(a) Canopy/Shade Trees. Bald Cyprus, Cedar Elm, Texas Red Oak, Homestead Elm, Lace Bark Elm, Alle Elm, Chinese Pistachio, Shumard Oak, Sycamore, and Burr Oak.

(b) Accent/Ornamental/Under-Story Trees. Texas Redbud, Eve's Necklace, Mexican Plum, Downy Hawthorn, Crepe Myrtle, Texas Mountain Laurel, Vitex, and Desert Willow.

(2) *Landscape Buffers.* All landscape buffers and plantings located within the buffers shall be maintained by the Homeowner's Association (HOA).

(a) Landscape Buffer and Sidewalks (John King Boulevard). A minimum of a 50-foot landscape buffer shall be provided along the frontage of John King Boulevard (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, three (3) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage. The developer shall also be responsible for the construction of a ten (10) foot sidewalk situated within the 50-foot landscape buffer adjacent to John King Boulevard.

(b) Landscape Buffer (E. Quail Run Road). A minimum of a 25-foot landscape buffer shall be provided along the frontage of E. Quail Run Road (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, ~~*a built-up* berm~~ and~~/or shrubbery~~ shrubbery ~~or a combination thereof~~ along the entire length of the frontage. ~~Berms and/or shrubbery~~ Shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, at least one (1), three (3) inch canopy tree shall be planted per 50-feet of linear frontage.

(c) Landscape Buffer ("Old" E. Quail Run Road). A minimum of a 10-foot landscape buffer shall be provided along the frontage of "Old" E. Quail Run Road [located along the southern boundary of the development (*outside of and beyond any required right-of-way dedication*)], and shall incorporate ground cover, ~~*a built-up* berm~~ and~~/or shrubbery~~ shrubbery ~~or a combination thereof~~ along the entire length of the frontage. ~~Berms and/or shrubbery~~ Shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, at least one (1), three (3) inch canopy tree shall be planted per 50-feet of linear frontage.

DRAFT

(3) *Streetscape Landscaping.* Prior to the issuance of a Certificate of Occupancy (CO), all residential, single family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by *Section 7(1)* of this ordinance in the following sizes and proportions:

(i) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.

(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two (2), three (3) inch caliper trees shall be planted in the side yard facing the street.

Note: For the purposes of this section only [i.e. Section 7(3)], the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

(4) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association.

(5) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the PD Site Plan.

8. *Street.* All streets (*excluding drives, fire lanes and private parking areas*) shall be built according to City street standards.

9. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

10. *Sidewalks.* At a minimum, all sidewalks located on lay down curb section streets shall begin four (4) feet behind the back of curb and be a minimum of five (5) feet in overall width.

11. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (*i.e. 3-phase lines*), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the *Subject Property*, except along John King Boulevard. The *Developer* shall not be required to re-locate existing overhead power-lines along the perimeter of the *Subject Property*. Temporary power-lines constructed across undeveloped portions of the *Subject Property* to facilitate development phasing and looping may be allowed above ground, but shall not be considered *existing lines* at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the home and the property line.

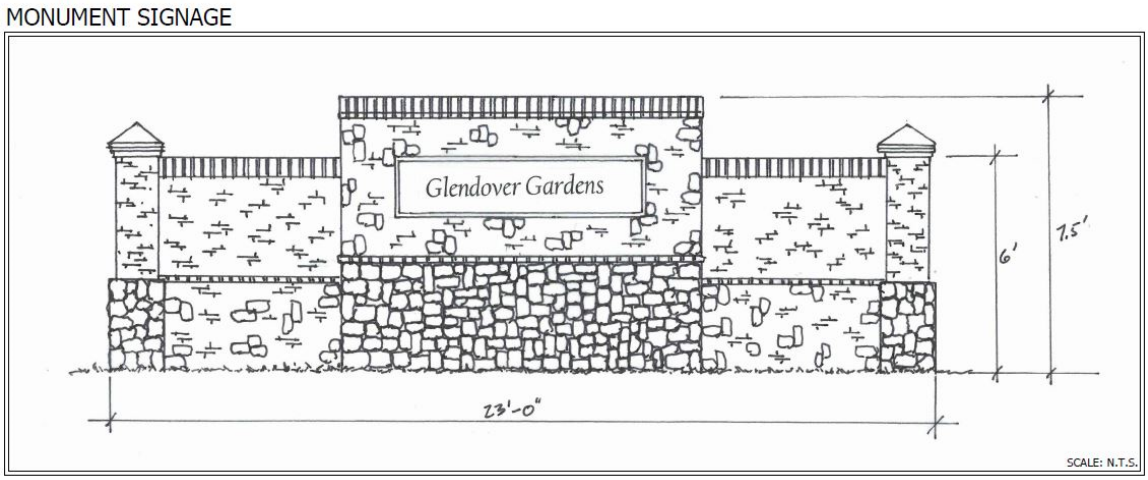
12. *Open Space.* The development shall consist of a minimum of *23.9%* open space (*or 7.28-acres*), and generally conform to the *Open Space Plan* contained in *Exhibit 'B'* of this ordinance. All open space areas shall be maintained by the Homeowner's Association (HOA).

DRAFT

13. *Neighborhood Signage.* Permanent subdivision identification signage shall be permitted at all major entry points for the proposed subdivision and shall generally conform to the signage depicted in *Figure 1* (*below*). Final design and location of any entry features shall be reviewed and approved with the *PD Site Plan*.

See the following illustration [Figure 1] below.

Figure 2: *Example of Subdivision Signage Design Standard*



14. *Homeowner's Association (HOA)*. A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of *Section 38-15* of the *Subdivision Regulations* contained within the *Municipal Code of Ordinances* of the City of Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, amenity centers, screening fences associated with this development.

15. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 03/28/2017

APPLICANT: Raymond Jowers; *Jowers Inc.*

AGENDA ITEM: **Z2017-008**; SUP for Outside Storage

SUMMARY:

Hold a public hearing to discuss and consider a city initiated request on behalf of Raymond Jowers of Jowers, Inc. for the approval of a Specific Use Permit (SUP) rescinding Ordinance No. 08-38 (SUP No. S-056) and allowing outside storage adjacent to IH-30 on a 4.4317-acre tract of land identified as Tract 22-01 of the R. Irvine Survey, Abstract No. 120, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 2260 E. IH-30, and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant is requesting the approval of a Specific Use Permit (SUP) to allow outside storage on a Light Industrial (LI) District property adjacent to IH-30 for a 4.4317-acre tract of land identified as Tract 22-01 of the R. Irvine Survey, Abstract No. 120. This property is currently zoned Light Industrial (LI) District, is situated within the IH-30 Overlay (IH-30 OV) District, and is addressed as 2260 E. IH-30.

On August 4, 2008, the City Council approved an SUP [*Ordinance No. 08-38*] to allow for "Recreational Vehicle (RV) Sales and Service" within a Light Industrial (LI) District. At that time, the ordinance stipulated that the Specific Use Permit (SUP) shall be valid for a maximum of three (3) years from the time of the issuance of the Certificate of Occupancy. Furthermore, the ordinance stated that if an extension was needed, the owner shall petition the City Council at least 90 days prior to the expiration of the SUP. At this time the City Council shall review the SUP and determine if an extension is warranted based on the status of the FM-549/IH 30 overpass construction and/or other development activity in the area. The City Council has approved extensions to the SUP in 2011, 2014, and 2017; however, in 2017, the City Council requested that the applicant amend the SUP to reflect outside storage instead of RV sales and service. The purpose of this action was to account for changes in the use of the property.

The applicant has submitted this request in conformance to the City Council's request; however, granting a Specific Use Permit (SUP) is a discretionary act to the Planning and Zoning Commission and City Council. If approved, this SUP shall supersede all requirements stipulated in Ordinance No. 08-38 (i.e. the existing SUP ordinance). Contained in the attached packet is a copy of the applicant's letter, a concept plan, and draft ordinance.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are all follows:

North: Directly north of the subject property is IH-30. Beyond this is vacant land that is zoned Commercial (C) District. Adjacent to the vacant land is an RV dealership (i.e. Happy Trails USA RV Supercenter) that is not within Rockwall City limits.

South: Directly south of the subject property is vacant land that is zoned Commercial (C) District. Beyond this is vacant land that is zoned Light Industrial (LI) District.

East: Directly east of the subject property is vacant land that is zoned Light Industrial (LI) District. Beyond this is a single-family residential neighborhood that is not within the City limits.

West: Directly west of the subject property is vacant land that is zoned Commercial (C) District. Beyond this is a truck stop (i.e. Love's Travel Stop) and a restaurant (Carl's Jr.).

NOTIFICATION:

On March 8, 2017, staff sent four (4) notices to property owners/residents within 500-feet of the subject property. There are no HOA's/Neighborhood Associations that are within 1,500-feet participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property as required by the Unified Development Code (UDC). At the time this report was drafted, staff had not received any notices returned.

RECOMMENDATIONS:

Should the Planning and Zoning Commission and City Council choose to approve the SUP request, staff would offer the following conditions of approval:

1) The Specific Use Permit (SUP) shall be valid for a period of three (3) years from the date of the approval of this ordinance. If an extension of the SUP is necessary, the owner shall submit a request in writing to staff no less than 90 days prior to the expiration of the SUP. Upon receipt of the request the City Council shall review the SUP and determine if an extension of the SUP is permitted based on the development of FM-549 and the IH-30 overpass construction and/or other development activity in the area.

2) All outside display and outside storage of trailers shall generally conform to the concept plan depicted in Exhibit '*A*' of the attached ordinance, which shall be incorporated herein by reference.

3) The outside display and outside storage of semi-trailers and tractor trailers shall be prohibited.

4) City Council approval of the SUP includes the temporary waiver to certain engineering and fire department standards, including but not limited to, concrete paving requirements and the extension of a 12-inch water line from FM-549. Future development of the subject property will be subject to the engineering and fire department standards in effect at the time of development.

5) In the event that the development expands the existing structure or adds additional buildings, the development will be subject to meet the requirements for fire protection.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) RESCINDING ORDINANCE NO. 08-38 (SUP NO. S-056) AND ALLOWING OUTSIDE STORAGE IN A LIGHT INDUSTRIAL (LI) DISTRICT WITHIN THE IH-30 OVERLAY (IH-30 OV) DISTRICT ON A 4.4317-ACRE TRACT OF LAND BEING IDENTIFIED AS TRACT 22-01 OF THE R. IRVINE SURVEY, ABSTRACT NO. 120, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City has initiated a request on behalf of Raymond Jowers of Jowers Inc. for the approval of a Specific Use Permit (SUP) rescinding *Ordinance No. 08-38 (SUP No. S-056)* and allowing outside storage in a Light (LI) District within the IH-30 Overlay (IH-30 OV) District on a 4.4317-acre tract of land being described as Tract 22-01 of the R. Irvine Survey, Abstract No. 120, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District and addressed as 2260 E. IH-30, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall and Ordinance No. 08-38 should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas;

Section 1. That the approval of this ordinance shall superseded all requirements stipulated in *Ordinance No. 08-38*;

Section 2. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing outside storage within a Light Industrial (LI) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

Section 3. That the Specific Use Permit (SUP) shall be subject to the conditions set forth in *Section 5.3, Light Industrial (LI) District; and Section 6.6, IH-30 Overlay (IH-30 OV) District of Article V, District Development Standards,* Unified Development Code [*Ordinance No. 04-38*] as heretofore amended and as may be amended in the future, and shall be subject to the additional following conditions:

DRAFT ORDINANCE 04.03.17

1) The Specific Use Permit (SUP) shall be valid for a period of three (3) years from the date of the approval of this ordinance. If an extension of the SUP is necessary, the owner shall submit a request in writing to staff no less than 90 days prior to the expiration of the SUP. Upon receipt of the request the City Council shall review the SUP and determine if an extension of the SUP is permitted based on the development of FM-549 and the IH-30 overpass construction and/or other development activity in the area.

2) All outside display and outside storage of trailers shall generally conform to the concept plan depicted in Exhibit '*A*' of this ordinance, which shall be incorporated herein by reference.

3) The outside display and outside storage of semi-trailers and tractor trailers shall be prohibited.

4) City Council approval of the SUP includes the temporary waiver to certain engineering and fire department standards, including but not limited to, concrete paving requirements and the extension of a 12-inch water line from FM-549. Future development of the subject property will be subject to the engineering and fire department standards in effect at the time of development.

5) In the event that the development expands the existing structure or adds additional buildings, the development will be subject to meet the requirements for fire protection.

Section 4. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 7. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3RD DAY OF APRIL, 2017.

DRAFT ORDINANCE 04.03.2017

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: David Gonzales, *Senior Planner*

CC: Ryan Miller, *Director of Planning and Zoning*

DATE: March 28, 2017

SUBJECT: P2017-014 Extension of the Preliminary Plat for the *Saddle Star South Addition*

On March 2, 2017, the Planning and Zoning Department received a written request (attached as *Exhibit 'A'*) from Pat Atkins, Director of Saddle Star Land Development, LLC on behalf of the owner C.D.T.-2017, LLC requesting an extension of a preliminary plat for *Phase I* and *Phase II* of the *Saddle Star South Subdivision*. This proposed master planned community is composed of 138 single-family residential lots on an approximately 55.413-acre tract of land. The subject property is currently zoned Planned Development District 79 (PD-79), and is generally located on the north side of John King Boulevard east of the intersection of Featherstone Drive John King Boulevard.

The City's subdivision regulations specify that a preliminary plat shall be expired after one (1) year if a final plat for the entire area has not been submitted. Generally, if a developer submits a final plat or engineering plans for any portion of the overall tract, and continues to submit subsequent plans for additional *phases* of the development, the City will continue to consider that preliminary plat active. In this case the preliminary plat (depicted in *Exhibit 'B'*) was approved by the City Council on August 15, 2016 under *Case No. P2016-024*; however, the applicant has indicated that he does not intend to submit a final plat for the development prior to the August 15, 2017 deadline, which would effectively expire the preliminary plat. In lieu of letting the Preliminary Plat expire, the applicant is requesting to extend this plat for an additional year from the expiration date. Upon receiving a petition, the Planning and Zoning Commission may approve or deny the request; however, shall not extend the preliminary plat for more than two (2) years from the date of the original approval. Approval of the request effectively extends the master plat for the development. The applicant will be required to submit a PD Site Plan, civil engineering plans, and a final plat before development of the site can begin.

Section 38-8(f), *Lapse and Extension of Preliminary Plat Approval*, of the City's *Subdivision Ordinance* contained in the Municipal Code of Ordinances, lays out the procedure and criteria for considering the extension of a preliminary plat. In this case, the applicant's request is generally in conformance with this criterion. Additionally, the zoning ordinance approved with Planned Development District 79 (PD-79) incorporated a concept plan that provided the general layout of the proposed Phases of the Saddle Star South Subdivision.

This ordinance, having not changed in a manner that would necessitate the creation and submittal of a new preliminary plat, staff would recommend approval of the extension request for a period of two (2) years from the original approval date of August 15, 2016.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: David Gonzales, *Senior Planner*

CC: Ryan Miller, *Director of Planning and Zoning*

DATE: March 28, 2017

SUBJECT: P2017-015 Extension of the Preliminary Plat for the *Saddle Star North Addition*

On March 2, 2017, the Planning and Zoning Department received a written request (attached as *Exhibit 'A'*) from Pat Atkins, Director of Saddle Star Land Development, LLC and on behalf of the owner C.D.G.T.-2016, LLC requesting an extension of a preliminary plat for the *Saddle Star North Subdivision*. This master planned community will be composed of 108 single family residential lots on an approximately 44.56-acre tract of land. The subject property is currently zoned Planned Development District 80 (*PD-80*), and is generally located within the SH-205 By-Pass Overlay (*SH-205 BY-OV*) District, located at the northwest corner of FM-552 and John King Boulevard.

The City's subdivision regulations specify that a preliminary plat shall be expired after one (1) year if a final plat for the entire area has not been submitted. Generally, if a developer submits a final plat or engineering plans for any portion of the overall tract, and continues to submit subsequent plans for additional *phases* of the development, the City will continue to consider that preliminary plat active. In this case the preliminary plat (depicted in *Exhibit 'B'*) was approved by the City Council on April 4, 2016 under *Case No. P2016-010*; however, the applicant has indicated that he does not intend to submit a final plat for the development prior to the April 4, 2017 deadline, which would effectively expire the preliminary plat. In lieu of letting the Preliminary Plat expire, the applicant is requesting to extend this plat for an additional year from the expiration date. Upon receiving a petition, the Planning and Zoning Commission may approve or deny the request; however, shall not extend the preliminary plat for more than two (2) years from the date of the original approval. Approval of the request effectively extends the master plat for the development. The applicant will be required to submit a PD Site Plan, civil engineering plans, and a final plat before development of the site can begin.

Section 38-8(f), *Lapse and Extension of Preliminary Plat Approval*, of the City's *Subdivision Ordinance* contained in the Municipal Code of Ordinances, lays out the procedure and criteria for considering the extension of a preliminary plat. In this case, the applicant's request is generally in conformance with this criterion. Additionally, the zoning ordinance approved with Planned Development District 80 (PD-80) incorporated a concept plan that provided the general layout of the proposed *Saddle Star North Subdivision*.

This ordinance, having not changed in a manner that would necessitate the creation and submittal of a new preliminary plat, staff would recommend approval of the extension request for a period of two (2) years from the original approval date of August 15, 2016.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 03/28/2017

APPLICANT: Ray Crumby; *Ray Crumby Design Group*

AGENDA ITEM: **SP2017-009**; *855 Whitmore Drive*

SUMMARY:

Discuss and consider a request by Ray Crumby Design Group on behalf of Francisco Cardoso for the approval of a site plan for an office building on a 0.45-acre tract of land identified as Lot 10, Block A, Municipal Industrial Park Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 855 Whitmore Drive, and take any action necessary.

PURPOSE AND BACKGROUND:

The applicant is requesting approval of a Site Plan for a 4,400 sq. ft. *office building*. The proposed office building is situated on a 0.45-acre tract of land [*Lot 10, Block A, Municipal Industrial Park Addition*] and is zoned Light Industrial (LI) District. The site is located east of the intersection of Whitmore Drive and TL. Townsend Drive and is addressed as 855 Whitmore Drive.

DENSITY AND DIMENSIONAL REQUIREMENTS:

The proposed *office building* will be approximately 4,400 sq. ft. that will be accessible via an access drive that connects to Lot 11 to the east of the subject property and Lot 9 to the west of the subject property with the portion of the access drive on Lots 9 and 11 connecting to Whitmore Drive. According to Section 1, *Land Use Schedule,* of Article IV, *Permissible Uses*, of the Unified Development Code (UDC), the proposed use *(i.e. an office building*) is a use permitted by right and will not require any additional approvals from the Planning and Zoning Commission. The submitted site plan, landscape plan, photometric plan, and building elevations conform to the technical requirements contained within the UDC for properties located in a Light Industrial (LI) District. A summary of the density and dimensional requirements of the subject property are as follows:

Ordinance Provisions	*Zoning District Standards*	*Conformance to the Standards*
Minimum Lot Area	*12,000 SF*	*X=19,715 SF; In Conformance*
Minimum Lot frontage	*100-Feet*	*~120-Feet; In Conformance*
Minimum Lot Depth	*125-Feet*	*~160-Feet; In Conformance*
Minimum Front Yard Setback	*25-Feet*	*X>25-Feet; In Conformance*
Minimum Rear Yard Setback	*10-Feet*	*X>10-Feet; In Conformance*
Minimum Side Yard Setback	*0-Feet*	*X=1-Foot; In Conformance*
Maximum Building Height	*60-Ft w/o SUP*	*~20; In Conformance*
Max Building/Lot Coverage	*60%*	*X<60%; In Conformance*
Minimum Masonry Requirement	*90%*	*100%; In Conformance*
Minimum Number of Parking Spaces	*15*	*17 Provided; In Conformance*
Minimum Stone Requirement (SH205 OV)	*20% ea facade*	*X>/=20%; In Conformance*
Minimum Landscaping Percentage	*10%*	*10%; In Conformance*

Ordinance Provisions	*Zoning District Standards*	*Conformance to the Standards*
Maximum Impervious Coverage	*90-95%*	*>95%; In Conformance*

RECOMMENDATIONS:

If the Planning & Zoning Commission chooses to approve the applicant's request then staff would recommend the following conditions of approval:

1) All comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

2) Any construction or building necessary to complete this *Site Plan* request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

(2/24/2017 1:31 PM KB)
SP2017-009 855 Whitmore Drive Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request by Ray Crumby Design Group on behalf of Francisco Cardoso for the approval of a site plan for an office building on a 0.45-acre tract of land identified as Lot 10, Block A, Municipal Industrial Park Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 855 Whitmore Drive.
I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
M.3 For reference, include the case number (SP2017-009) in the lower right hand corner of all pages on future submittals.
M.4 This site plan will require variances to vertical and horizontal articulation.
M.5 Please provide the percentage of each materials on building materials. Once we have percentages we will know whether or not a variance for building materials will be needed.
M.6 Symbols are difficult to see on the Landscape Plan.
M.7 Please provide all four building elevations, drawn by an architect, and please provide the height of the building.
I.8 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by March 7, 2017.
M.9 The Planning & Zoning Worksession date for this case will be February 28, 2017. The Planning and Zoning Meeting for this case is March 14, 2017. The City Council Meeting for this site plan is March 20, 2017.
I.10 All meetings will be held at 6:00 p.m. in the Council Chambers at City Hall.

PAVING NOTES:
1. ALL CONCRETE SHALL BE CLASS "C" CONCRETE AND SHALL HAVE A 3600 PSI COMPRESSIVE STRENGTH AT 28 DAYS, UNLESS SPECIFIED OTHERWISE. CONCRETE SHALL BE PLACED WHEN TEMPERATURE IS 35°F RISING, IF THE TEMPERATURE IS 40°F AND FALLING THEN PLACEMENT SHALL BE STOPPED. NO FLY-ASH SHALL BE ALLOWED UNLESS EXCESSIVE HEAT CONDITIONS IN THE CONCRETE MIX.
2. THE CONTRACTOR SHALL BE RESPONSIBLE FOR PLACING TEMPORARY STREET PATCHES INSTALLED ON PUBLIC STREETS WITH PERMANENT REPAIRS WITHIN 21 CALENDAR DAYS OF OPEN CUTTING THE STREET, OR AS DIRECTED BY THE ASSISTANT PUBLIC WORKS DIRECTOR.
3. TRAFFIC LANE MARKINGS SHALL BE INSTALLED WITH APPROVED MARKINGS AS PER THE CITY STANDARDS.
4. PAVEMENT SHALL ACCOMMODATE A MINIMUM OF 65,000 POUNDS AS PER THE FIRE MARSHALL

FIRELANE NOTES
PAVING FOR FIRELANE TO BE 6" 3600 psi CONCRETE w/ #3 BARS @ 12" O.C.E.W. OVER 6" LIME OR CONCRETE TREATED SUB-BASE

FIRELANE SHALL WITHSTAND 75,000 POUNDS PER THE 2006 IFC

SIDEWALK AND/OR PORCH NOTES
SIDEWALKS TO BE 4" 3000 psi CONCRETE w/ #3 BARS @ 12" O.C.E.W & #3 GREASED CAP DOWELS

PARKING AREA NOTES
PARKING AREA PAVING TO BE 6" 3600 psi CONCRETE w/ #3 BARS @ 12" O.C.E.W. OVER 95% COMPACTED BASE

Landscape Requirements Notes

1. For all parcels with less than 250 linear feet of frontage adjacent to a dedicated public right-of-way, at least 10 percent of the street yard shall be permanent landscape area
2. Street Frontage to be provided with trees at 50.0 Linear Feet (Maximum) spacing. A minimum 10.0 foot landscape buffer (interior parkway) adjacent to the public right-of-way of any thoroughfare as designated on the approved Thoroughfare Plan of the City of Rockwall is required
3. Shrubs to be planted at 24 O.. (Maximum).
4. There shall be a landscaped area with at least one tree within sixty feet of every parking space. There shall be a minimum of one tree planted in the parking area for every ten parking spaces within parking lots with more than twenty spaces
5. At least seventy-five percent of the frontage of parking areas, adjacent to a public right-of-way, within the street yard, shall be screened from public streets with evergreen shrubs attaining a minimum height of three feet of a low masonry wall or earthen berm of equal height
6. All required Landscaped Areas shall be completely covered with living plant material
7. Overstory Trees shall be a minimum of three inches in caliper (measured six inches above ground) and seven feet in height at time of planting
8. Vegetation & Irrigation will meet requirements of UDC

Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (SUP) for a Motor Vehicle Dealership, New (Cars and Light Trucks) in a Light Industrial (LI) District for a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1415 & 1501 E. IH-30, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 03.20.2017

All staff comments are to be addressed and resubmitted by Tuesday, April 4, 2017. Please provide two copies and one PDF version for a subsequent review by staff (i necessary):

• On all future plan submittals please include the Case Number (Z2017-009) in the lower right hand corner.

Planning Staff General Comments/Conditions of SUP:

1. The SUP is for the proposed land use only (i.e. "Motor Vehicle Dealership, New").
2. Future site plan submittal and approval shall be required. Since the project is located within the IH-30 OV and the 205 BY-OV districts, a review from the Architectural Review Board is required with their recommendation forwarded to the Planning and Zoning Commission.
3. Any variance to the IH-30 OV District or any other section of the Unified Development Code shall be considered at the time of site plan approval.
4. Submittal and approval of engineering plans and final plat shall be completed prior to the issuance of a building permit. Final Plat shall be filed prior to issuance of a Certificate of Occupancy (CO).
5. Do you have (conceptual) elevations for the new car dealership and parking garage?
6. How many levels will the parking garage be?
7. What is the overall height of the parking garage?
8. If approved, the development shall generally conform the the Concept Plan as depictedin the SUP ordinance.
9. The SUP shall expire if development has not commenced within one (1) year from the approval date of the SUP ordinance.

According to the UDC, Art. IV, Sec. 2.1.8 Auto and Marine Related Uses anrequest for a motor vehicle dealership must meet the following standards:

Motor vehicle dealerships (new and used).

1. Used vehicles may only be sold as an ancillary use to new vehicle sales.

2. All outside display of vehicles must be on an approved concrete, or enhanced concrete surface.

3. All vehicle display areas must meet the landscape standards for parking areas.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the Site Plan. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: March 28, 2017 (6:00p.m.) [applicant to present case to P&Z for discussion].

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks
Planning - Public Hearing: April 11, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)							
City Council - Pulblic Hearing: April 17, 2017 (6:00 p.m.) [1st Reading of SUP Ordinance]							
City Council - Action Item: May 1, 2017 (6:00 p.m.) [2nd Reading of SUP Ordinance (if approved at 1st reading)]

David Gonzales
City of Rockwall
Planning Department
385 S. Goliad St.
Rockwall, TX 75087

Dear Mr. Gonzales,

I am writing this letter to request a Special Use Permit for the property located at 1501 W. I-30. The +/- 4.8 acre property is located on the North side of I-30 along the access road between Industrial Boulevard and Enterprise Drive. This property is currently unused and located in the Light Industrial (LI) zoning district and the I-30 Overlay District.

Randall Noe is proposing a new Subaru car dealership site with an approximate 28,000 square foot show room and servicing area along with a detached parking garage structure that will hold car inventory for the dealership.

We look forward to working with the city through this zoning process and if there are any questions please feel free to call me.

Sincerely,

Cameron Slown, P.E.

March 2017

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: March 28, 2017

SUBJECT: Z2017-010; Amendment to Planned Development District 32 (PD-32)

On September 20, 2010, the City Council adopted *Ordinance No. 10-21*, which established the current development requirements for Planned Development District 32 (PD-32) (*i.e. the Harbor District*). In the *Streetscape Elements* section of *Exhibit 'C'* of this document, the ordinance stipulates specific model numbers for various streetscape elements required in the district. The purpose of requiring the specific product's model number was to ensure that all streetscape elements install throughout the district would be the same, creating continuity within the district; however, this has become an issue since the manufacturer of the required pedestrian scale streetlight (*i.e. the Bega 9701 MH 100W Metal Halide Fixture*) discontinued the light fixture. In response to this issue, the City Council directed staff to proceed with an amendment to the code removing references to specific model numbers on March 6, 2017. Per this direction staff has prepared a text amendment that [1] removes all references to specific model numbers, [2] adds a requirement that applicants submit a *Streetscape Plan* at the time of site plan, and [3] makes general corrections to exhibits reflecting approved changes to other districts (*i.e. changes approved with Case No. Z2017-003 that affected PD-32 & PD-7*). The *Streetscape Plan* as required by the draft ordinance stipulates that applicants submit spec sheets/cut sheets for all proposed streetscape elements to ensure compatibility and continuity within the district. In addition, the requirement would give the Planning and Zoning Commission the discretion to review the submitted products, and determine if they meet the architectural/aesthetic intent of the *PD Ordinance*.

Since this is an amendment to an existing Planned Development District, staff will be notifying all residents and property owners inside the PD boundaries, and within 500-feet of the PD boundaries. In addition, staff will send out notices to all Homeowner's Associations (HOA's) within 1,500-feet of the boundaries of the PD, and post a zoning notice in the Harold Banner as required by the Unified Development Code (UDC) and the *Texas Local Government Code*. Attached to this memorandum is a copy of the draft ordinance with all revisions depicted in *RED*. The public hearing schedule for this zoning amendment is as follows:

Planning and Zoning Commission (*Public Hearing*): April 11, 2017
City Council (*1st Reading; Public Hearing*): April 17, 2017
City Council (*2nd Reading*): May 1, 2017

If the Planning and Zoning Commission have any questions, staff will be available at the work session to discuss.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING PLANNED DEVELOPMENT DISTRICT 32 (PD-32) [*ORDINANCE NO. 10-21*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO FURTHER AMEND *ORDINANCE NO. 10-21* TO CODIFY CHANGES MADE BY *ORDINANCE NO. 16-13* AND APPROVE MINOR CHANGES TO *EXHIBIT 'C'* FOR A ~75.87-ACRE TRACT OF LAND SITUATED WITHIN THE M. J. BARKSDALE SURVEY, ABSTRACT NO. 11; E. TEAL SURVEY, ABSTRACT NO. 207; J. SMITH SURVEY, ABSTRACT NO. 200; AND W. BLEVINS SURVEY, ABSTRACT NO. 9, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (*$2,000.00*) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall has initiated an amendment to Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] for the purpose of codifying *Ordinance No. 16-13* and approving minor changes to *Exhibit 'C'* of *Ordinance No. 10-21* for the purpose of allowing alternative *Streetscape Elements* within a ~75.87-acre tract of land situated within the M. J. Barksdale Survey, Abstract No. 11; E. Teal Survey, Abstract No. 207; J. Smith Survey, Abstract No. 200; and W. Blevins Survey, Abstract No. 9, City of Rockwall, Rockwall County, Texas, identified as Planned Development District 32 (PD-32), and more fully described and depicted in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 32 (PD-32) [*Ordinance No.'s 10-21 & 16-13*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. *Zoning Ordinance Amendments*. That the approval of this ordinance shall supersede all requirements stipulated in *Ordinance No. 10-21* and *Ordinance No. 16-13*;

SECTION 2. *District Boundaries*. That the boundaries of Planned Development District 32 (PD-32) shall be as described and depicted in *Exhibit 'A'* of this ordinance.

SECTION 3. *Concept Plan*. That the *Concept Plan* for Planned Development District 32 (PD-32) shall be as depicted in *Exhibit 'B'* of this ordinance and divided into *Exhibit 'B-1'*, *General Land Use Plan*, and *Exhibit 'B-2'*, *Sub-Districts Plan,* attached hereto and incorporated by reference as *Exhibits 'B-1'* & *'B-2'*, and consist of the following Sub-Districts:

DRAFT ORDINANCE 08.28.2017

(1) Harbor Residential Sub-District
(2) Freeway Frontage Sub-District
(3) Harbor Link Mixed Use Sub-District
(4) Hillside Sub-District
(5) Hillside Mixed Use Sub-District
(6) Summit Office Sub-District
(7) Horizon/Summer Lee Sub-District
(8) Interior Sub-District
(9) Residential Sub-District
(10) Ridge Road Retail Sub-District

SECTION 4. *Master Plan.* That all development within Planned Development District 32 (PD-32) shall conform to the following *Master Plans*:

(1) *Utility Master Plans for Water, Wastewater and Drainage*, as set forth in *Exhibits 'C-1', 'C-2' & 'C-3'*, which are attached hereto and incorporated herein by reference herein;

(2) *Streetscape Plan*, as set forth in *Exhibit 'C-4'*, which is attached hereto and incorporated by reference herein, and as may be more particularly described in individual *Sub-District Plans*;

(3) *Master Grading Plan*, as set forth in *Exhibit 'C-5'*, which is attached hereto and incorporated by reference herein, and as may be more particularly described in individual *Sub-District Plans*;

(4) *Master Tree Planting Plan*, as set forth in *Exhibit 'C-6'*, which is attached hereto and incorporated by reference herein;

SECTION 5. *Land Use*. That use of the property in Planned Development District 32 (PD-32) shall be limited to those uses set forth by Sub-District in the *Land Use Chart* attached hereto as *Exhibit 'D'* and incorporated herein by reference. Uses listed as *'S'* in *Exhibit 'D'* shall require approval of a Specific Use Permit (SUP) by the City Council, following a public hearing, and upon the report of the Planning and Zoning Commission. A *PD Site Plan* shall be required to accompany such use. Unless expressly provided to the contrary, a use granted by SUP shall be subject to all standards within the *Sub-District* in which the use is to be located.

SECTION 6. *Residential Density*. That no more than 1,161 *Urban Residential Units* shall be allowed in Planned Development District 32 (PD-32), which may include condominium and/or townhouse units, in addition to a maximum of 49 single-family zero lot line units (*i.e. patio homes*).

SECTION 7. *Sub-District Development Standards*. That all development within each *Sub-District* shall conform to the standards depicted and set forth in each *Sub-District Plan* for building placement, use of ground and upper floors, height, encroachments and parking standards, as more particularly described in *Exhibits 'E-1'* through *Exhibit 'E-10'* attached hereto and incorporated by reference herein.

SECTION 8. *District-Wide Development Standards*. That the following additional standards and requirements shall apply to development in Planned Development District 32 (PD-32):

(1) *Parking Standards*, as set forth in *Exhibit 'F-1' -- which is attached hereto and incorporated by reference herein* --, shall apply;

(2) *Retaining Wall Standards*, as set forth in *Exhibit 'F-2' -- which is attached hereto and incorporated by reference herein* --, shall apply;

(3) All streetscape elements proposed for a development within Planned Development District 32 (PD-32) shall comply with the requirements set forth in *Exhibit 'C-4" -- which is attached here to and incorporated by reference here in* --, shall be included in a *Streetscape Plan*, and shall be approved by the Planning and Zoning Commission along with the site plan. The required *Streetscape Plan* shall include cut sheets and product specifications sheets indicating the proposed products, and a site plan indicating the location of all products.

DRAFT ORDINANCE 03.28.2017

(4) Prior to the development of any property within Planned Development District 32 (PD-32), adequate access necessary to serve that development in conformance with the streetscape plan for the *Sub-District* or with *Exhibit 'C-4'* shall be constructed;

(5) All development within Planned Development District 32 (PD-32) shall be subject to Architectural Review by the Architectural Review Board (ARB) as prescribed by the Unified Development Code [*Ordinance No. 04-38*];

(6) *Pedestrian Ways* or *Mews* shall be utilized to link the *Freeway Frontage Sub-District* parking areas and block-interiors to the public street frontage. The maximum cross slope within a *Pedestrian Way* or *Mew* shall be two (2) percent;

(7) Parking garages must meet the following standards:

(a) Garages must have guardrail height, precast spandrel panels with enhanced detailing on exposed facades to screen parked cars.

(b) A minimum of 25% of an exposed garage façade must be screened with vines on a *greenscreen* or cable type system.

(c) Exposed slab and cable guardrails are not permitted on exposed garage façades.

(d) Parking garages may contain other permitted uses above the parking level provided the maximum building height of the *Sub-District* is not exceeded.

(8) Unless otherwise provided for by this ordinance, all development within Planned Development District 32 (PD-32) shall be subject to the procedures and standards in Article X, *Planned Development Regulations*, of the Unified Development Code [*Ordinance No. 10-21*], unless such standards or procedures are clearly in conflict with the provisions of this ordinance, in which case the provisions of this ordinance shall prevail.

(9) Open space shall be provided in accordance with Article X, *Planned Development Regulations*, pf the Unified Development Code [*Ordinance No. 10-21*] and the subdivision regulations of the City of Rockwall. The open space configuration shown on the *PD Concept Plan* or *Sub-District Plans* may be reconfigured for a proposed development that otherwise meets the intent of the *PD District* or *Sub-District* and the open space standards for the *District*.

SECTION 9. *Procedures*. That the following additional standards and requirements shall apply to development in Planned Development District 32 (PD-32):

(1) *Development Plans*. A development plan shall be required if a proposed development within any *Sub-District* that does not meet the intent of the *PD Concept Plan* or the *Sub-District Plan*, or requires waivers not provided for in *Section 9.3.* of this ordinance. The Commission, upon the recommendation of the Director of Planning and Zoning, may deny a proposed *PD Site Plan* if it determines that a development plan is required under this section. If a development plan is required it shall be submitted and approved in accordance with Article X, *Planned Development Regulations*, of the Unified Development Code [*Ordinance No. 04-38*].

(2) *Site Plans*. A *PD Site Plan* is mandatory for all uses permitted under *Exhibit 'D'*, and shall be submitted and approved in accordance with Article X, *Planned Development Regulations*, of the Unified Development Code [*Ordinance No. 04-38*], unless the proposed use requires approval by Specific Use Permit (SUP), in which case the *PD Site Plan* shall be decided with the application for the SUP.

DRAFT ORDINANCE 03.28.2017

(3) *Waivers of Design Standards*. In order to provide flexibility and create high quality projects, an applicant for development within the *PD District* may request a waiver of the following *District* or *Sub-District* standards:

(a) Building Placement;
(b) Landscape Standards;
(c) Parking Requirements;
(d) Parking Garage Design Standards; and
(e) Increased Building Height.

All other proposed changes must be processed as an amendment to this ordinance. Requests for waivers shall not be subject to review or decision by the Board of Adjustments (BOA). A waiver request may only be made in conjunction with an application for a *PD Development Plan* or *PD Site Plan*. Waivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission. In order to approve a waiver, the City Council must find that the waiver:

(a) Meets the general intent of *PD District* or *Sub-District* that the property is located; and,
(b) Will result in an improved project which will be an attractive contribution to the *PD District* or *Sub-District*; and
(c) Will not prevent the implementation of the intent of this *PD District*.

The City Council may impose conditions on granting any waiver to mitigate negative impacts to neighboring properties or public streets or open space, or to implement the intent of the *District* or *Sub-District*.

SECTION 10. *Design Guidelines.* That in conjunction with the adoption of this amendatory ordinance, the City shall promulgate a set of design guidelines to be known as the *Harbor District Design Guidelines* [*i.e. Resolution No. 10-40*], which are intended to be used as a guide by the City of Rockwall, developers of individual parcels, and their consultants for use in the design, construction, and maintenance of all developments and properties within the *Harbor District*. These guidelines, which may be adopted and amended from time to time by resolution, may include but are not limited to the following development features: green initiatives, pedestrian ways and mews, site access controls, orientation of buildings, landscaping, outdoor dining, service areas, interior courtyards, pocket parks and open space, parking garages, architectural styles, landmark building locations, signage, construction activities and maintenance.

SECTION 11. *Penalty.* That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars *($2,000.00*) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 12. *Severability.* That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code [*Ordinance No. 04-38*], and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

SECTION 13. *Conflicts.* The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code [*Ordinance No. 04-38*] of any provision of the *City Code*, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code [*Ordinance No. 04-38*] (*including references to the Unified Development Code*), and references to overlay districts, in this ordinance or any of the *Exhibits*

DRAFT ORDINANCE 03.28.17

hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

SECTION 11. *Effective Date.* That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF MAY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

1st Reading: April 17, 2017
2nd Reading: May 1, 2017

DRAFT ORDINANCE 03.28.2017

EXHIBIT 'A':
Legal Description

BEING approximately 75.87 acres of land located in the M.J. Barksdale (Abstract 11) and E. Teal (Abstract 207) Surveys of the City of Rockwall, Rockwall County, Texas to be known as the Amended PD-32 Zoning Boundary and being more particularly described as follows:

BEGINNING at a point in intersection of Horizon Rd and the south service road of Interstate Highway 30 (GPS Coordinates N2589965.033 E7014570.874);

THENCE S45-3-43E along the centerline of Horizon Rd for a distance of 359.75 feet to a point;
THENCE S45-9-15E continuing along said centerline for a distance of 922.798 feet to a point;
THENCE S45-7-2W along the western boundary of the Eckerd Addition for a distance of 338.85 feet to a point;
THENCE S45-31-32E along the southern boundary of the Eckerd Addition for a distance of 339.158 feet to a point;
THENCE S44-34-41W along the southeastern boundary of the Isaac Brown Addition for a distance of 594.34 feet to a point;
THENCE S75-48-35E along the northern boundary of Lakeridge Estates, Lot 26 for a distance of 304.035 feet to a point;
THENCE S34-45-14W for a distance of 85.563 feet to a point;
THENCE S28-45-41W for a distance of 78.959 feet to a point;
THENCE S23-0-35W for a distance of 78.959 feet to a point;
THENCE N75-6-11W along the north boundary of the Willis-Sealock Addition for a distance of 371.56 feet to a point;
THENCE N42-41-6E for a distance of 124.594 feet to a point;
THENCE N43-28-45W along the southwestern boundary of the Isaac Brown Addition for a distance of 228.343 feet to a point;
THENCE N50-43-21W for a distance of 132.929 feet to a point;
THENCE S23-32-21W for a distance of 65.722 feet to a point;
THENCE N64-32-23W for a distance of 69.271 feet to a point;
THENCE S78-40-26W following along the northern boundary of the Lago Vista Addition for a distance of for a distance of 90.8 feet to a point;
THENCE N66-47-33W continuing along said boundary for a distance of 159.22 feet to a point;
THENCE N75-45-16W for a distance of 80.21 feet to a point;
THENCE S72-39-11W for a distance of 143.44 feet to a point;
THENCE N59-46-23W for a distance of 374.78 feet to a point;
THENCE N54-11-40W for a distance of 170.03 feet to a point;
THENCE N54-11-40W a distance of 33.69 feet;
THENCE N44-49-24W a distance of 120.37 feet;

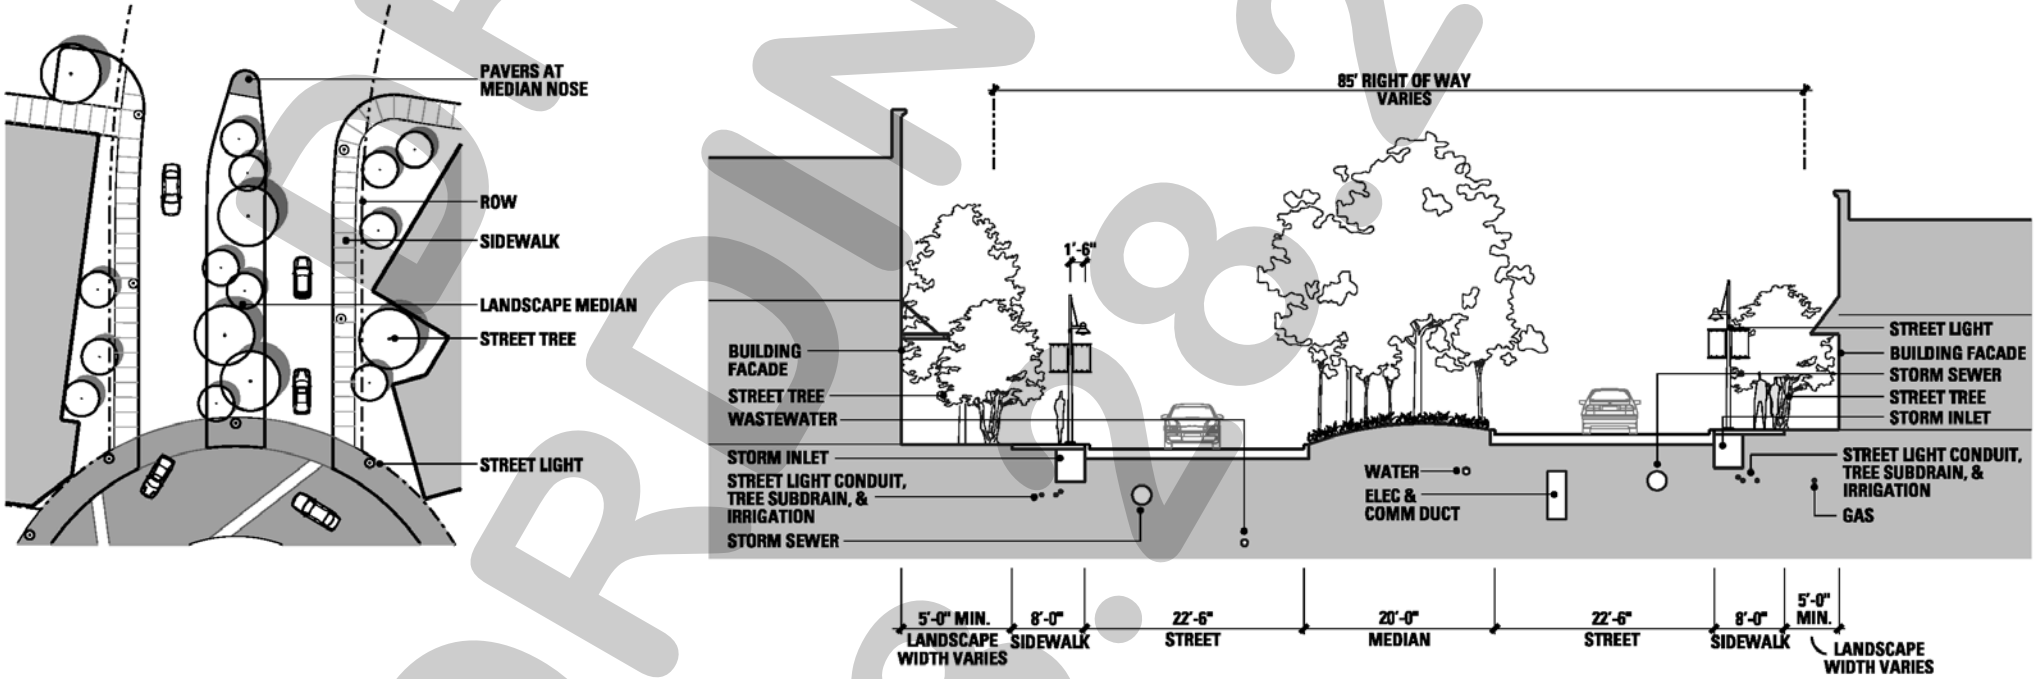
STREET TYPE 'A'

Street Type 'A' serves as a primary entry into the *Harbor District* from the eastbound IH-30 off ramp. The street type consists of two (2) 22-foot wide one-way streets divided by a 20-foot landscape median within a variable width right-of-way. A mix of canopy and ornamental trees are provided in natural groupings within the right-of-way. Sidewalks may be provided at 60-foot OC. Longitudinal slopes on this street type range from one (1) percent to ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

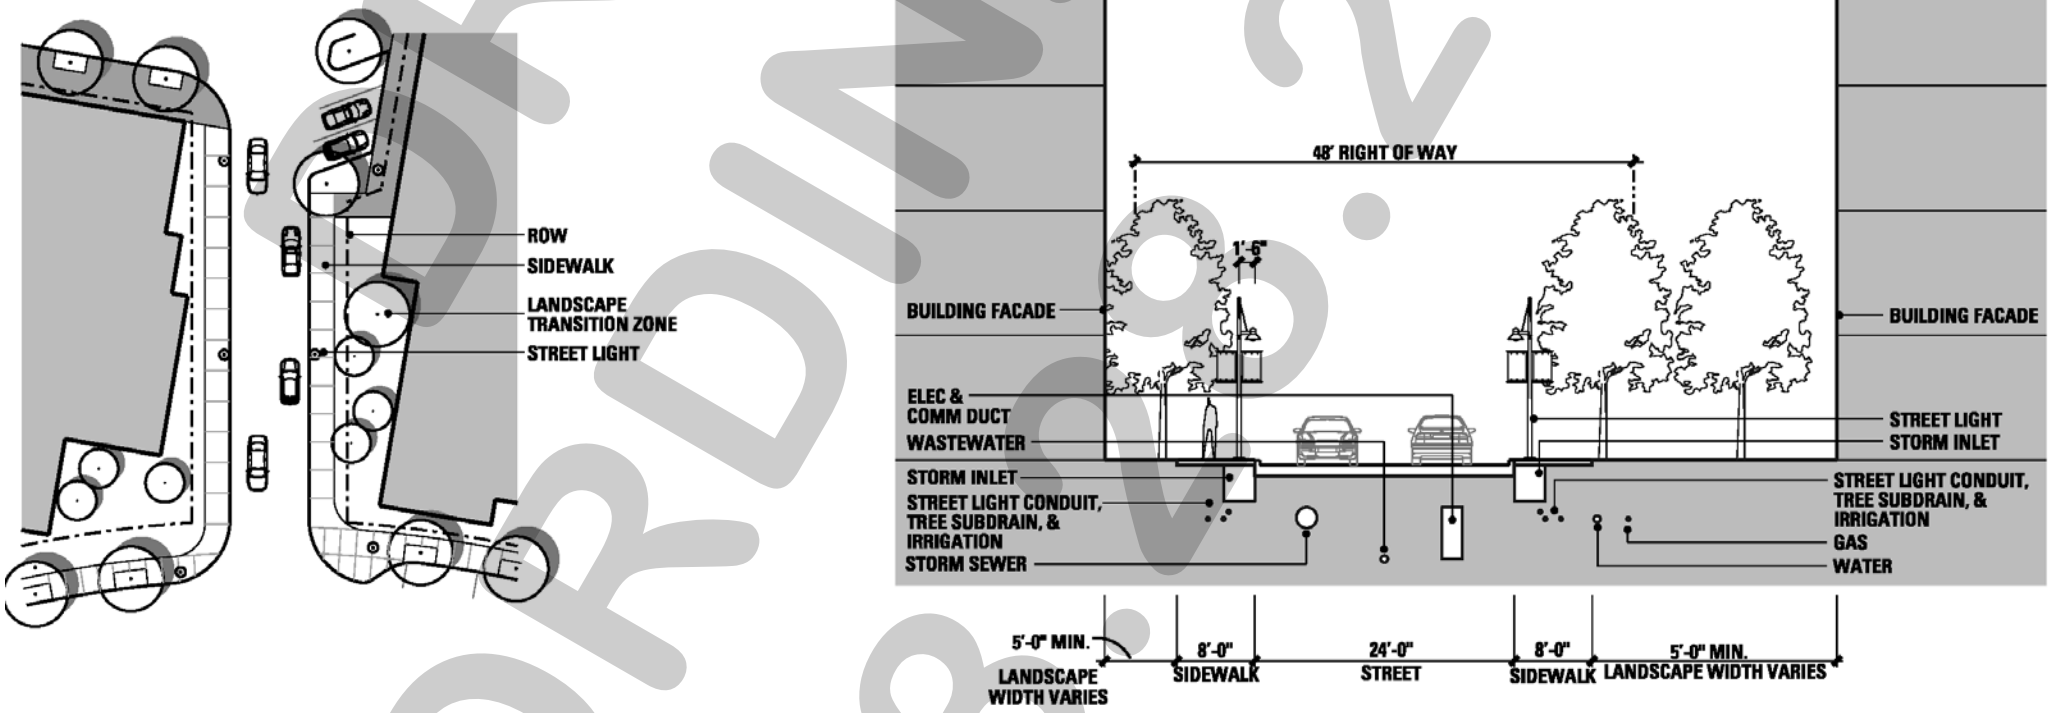


DRAFT ORDINANCE 03.08.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'B'

Street Type 'B' consists of a 24-foot wide street within a 48-foot right-of-way. An eight (8) foot wide sidewalk may be provided on portions of the street. Street trees may be provided in either five (5) foot x ten (10) foot leave outs spaced at 30-foot OC or in natural groupings within the right of way. Pedestrian scale street lights are provided at 60-foot OC. Longitudinal slopes on this street type range from one (1) percent to ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

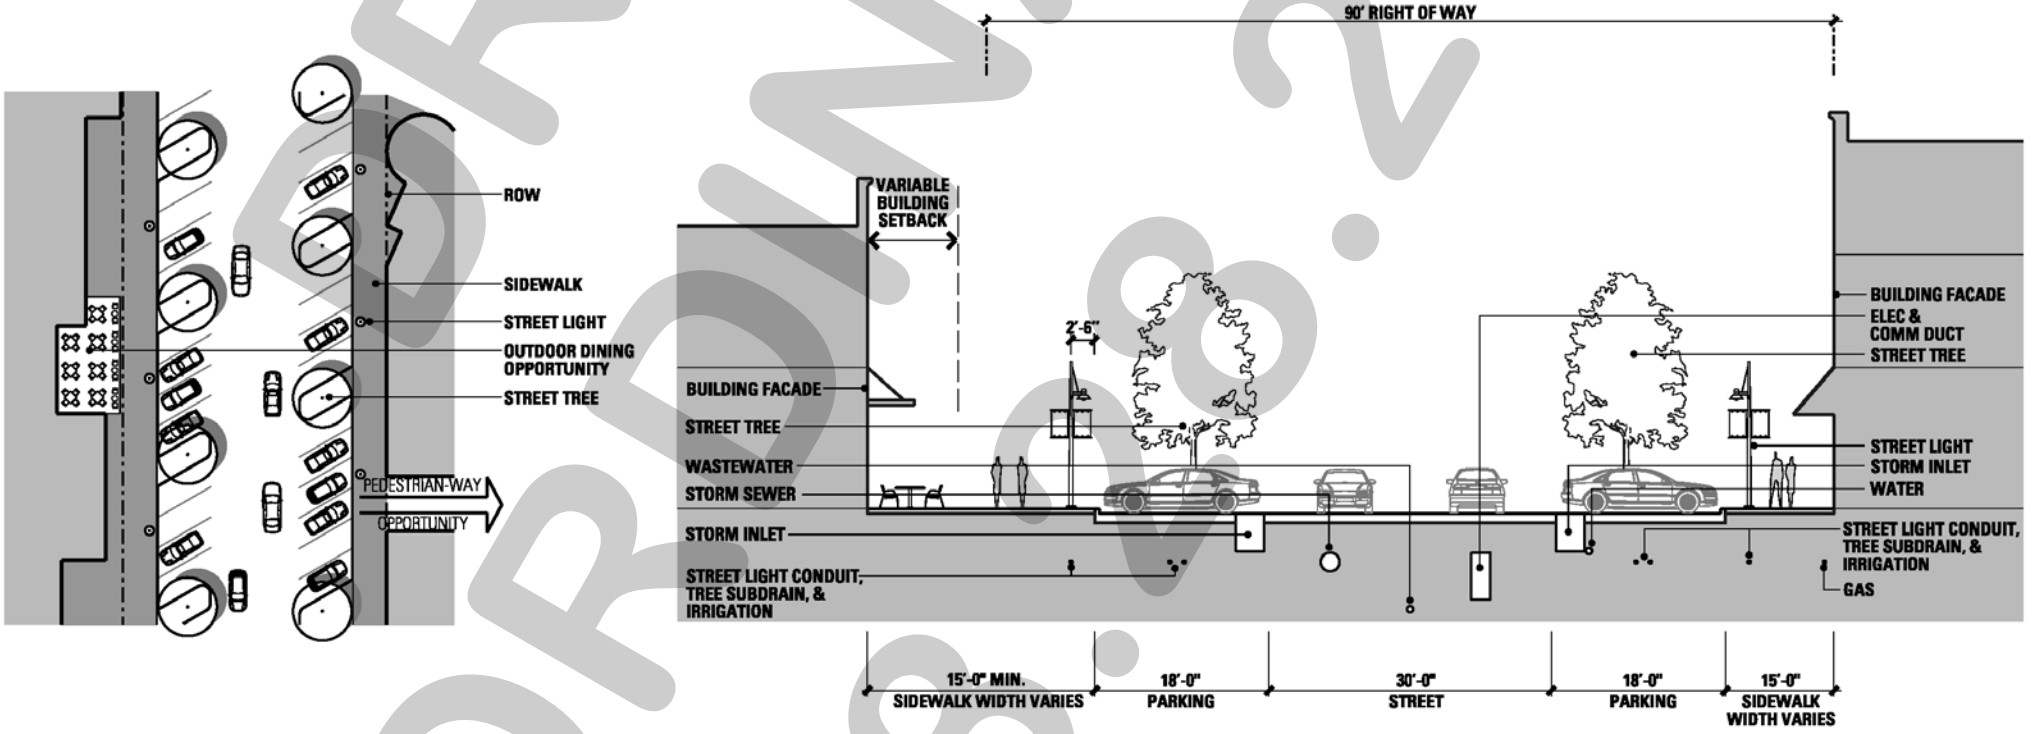


ORDINANCE 03.29.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'C'

Street Type 'C' serves as a primary connector to the existing Harbor development and is a primary street frontage for retail and mixed-use development within adjacent districts. This street type consists of angled head-in parking on both sides of a 30-foot wide street within a 90-foot right-of-way. An 11½-foot wide sidewalk is provided on both sides of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. The pedestrian paving material is concrete pavers. Longitudinal slopes on this street type are between one (1) percent and five (5) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

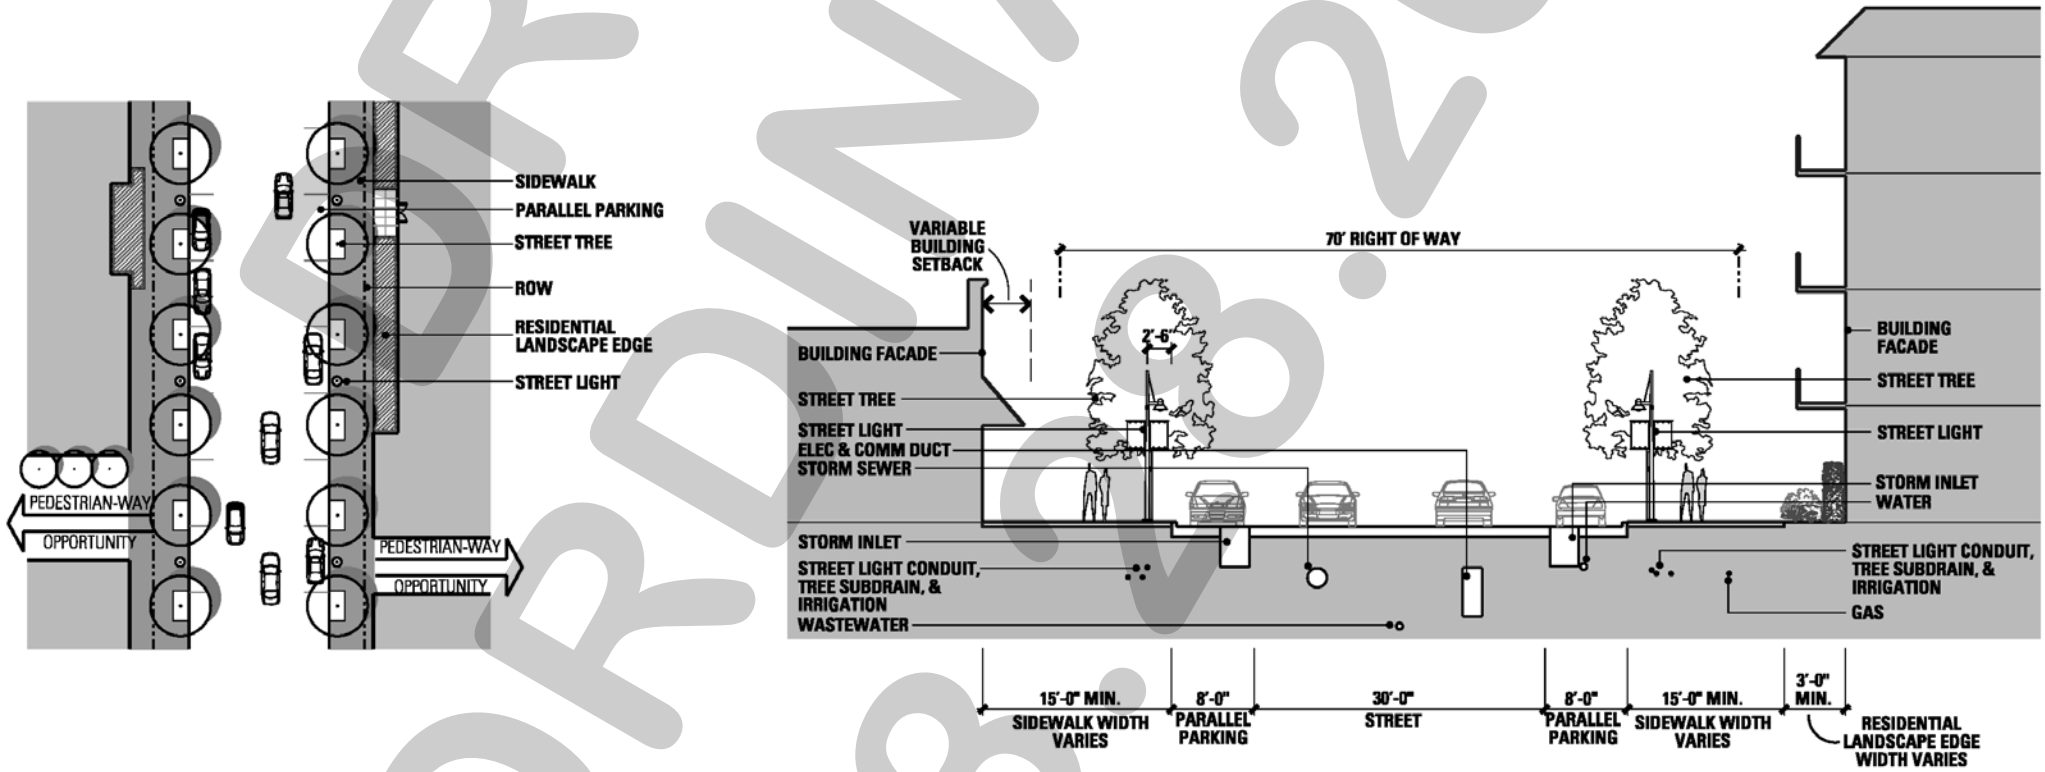


DRAFT ORDINANCE 03.28.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'D'

Street Type 'D' serves as a primary connector to the existing Harbor development and is a primary street frontage for retail, residential, and mixed-use development within adjacent *Sub-Districts*. This street type consists of parallel parking on both sides of a 30-foot wide street within a 70-foot right-of-way. An 11½-foot wide sidewalk is provided on both sides of the street with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street light fixtures spaced at 60-foot OC. The pedestrian paving material is concrete pavers. Longitudinal slopes on this street type are generally ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.



DRAFT ORDINANCE 03.28.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'E'

Street type 'E' serves as a primary street frontage for retail, residential, and mixed-use development within adjacent districts. This street type consists of angled head-in parking on both sides of a 24-foot wide street within a 76-foot right-of-way. A 7½-foot wide sidewalk is provided on both sides of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) percent maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

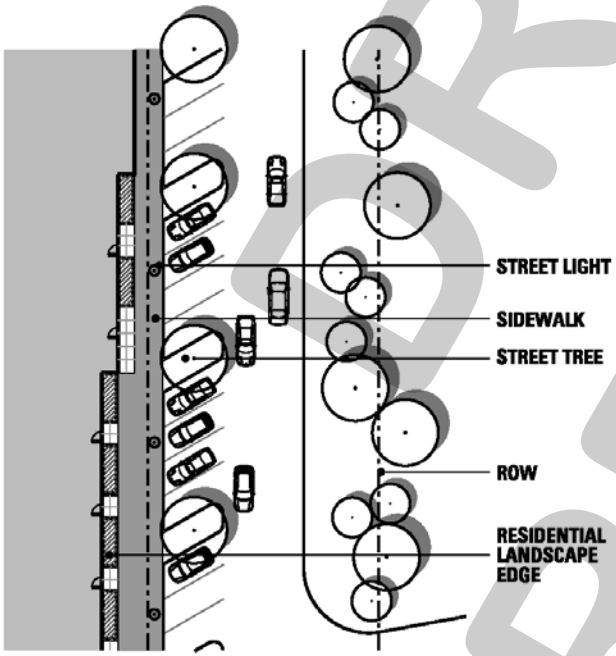
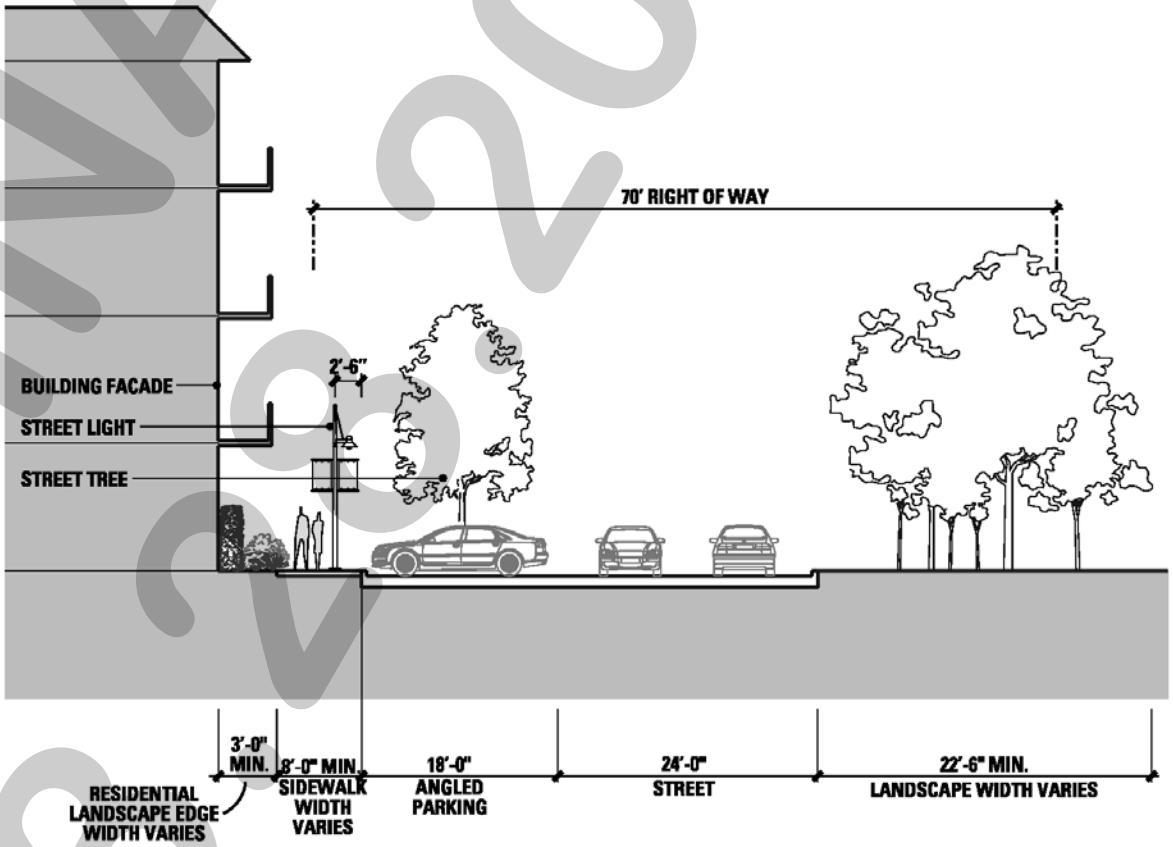
EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'F'

Street type 'F' serves as a primary street frontage for mixed-use development within adjacent districts. This street type consists of angled head-in parking on one side of a 24-foot wide street within a 70-foot right-of-way. A 4½-foot wide sidewalk is provided on one side of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) percent maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.



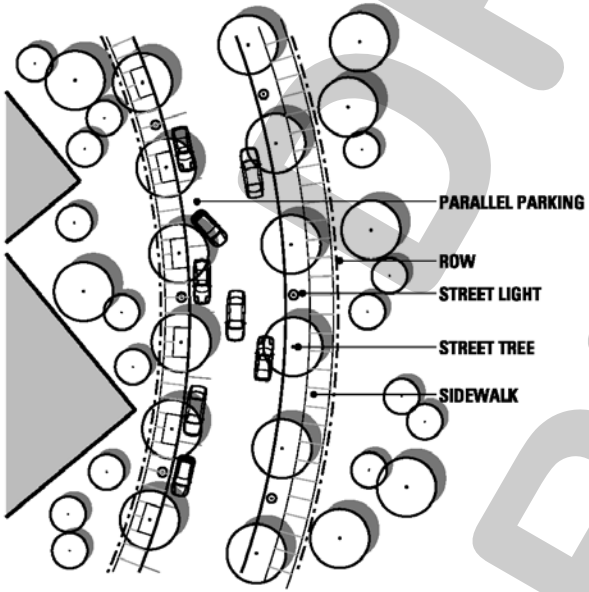


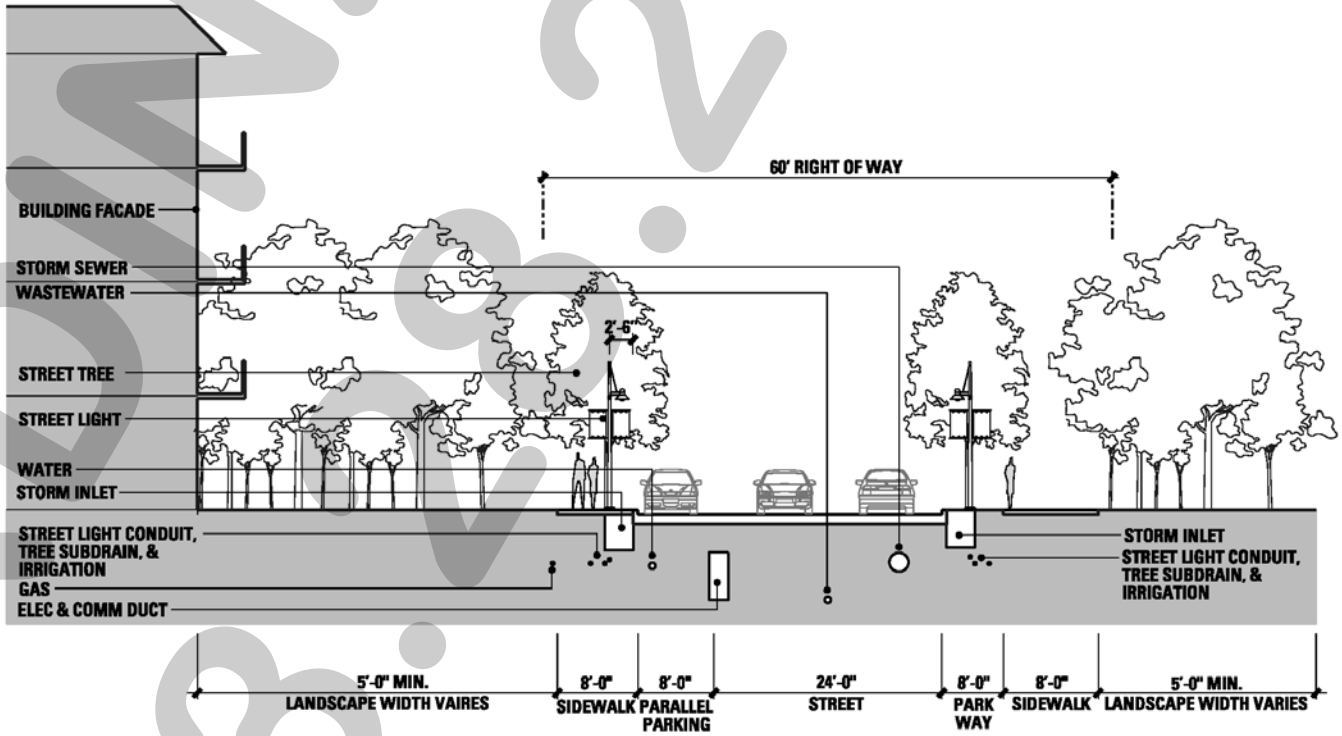
DRAFT ORDINANCE 03-28-2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'G'

Street Type 'G' serves as an edge to the open space *Sub-District*. This street type consists of parallel parking designated on one side of a 24-foot wide street within a 60-foot right-of-way. An eight (8) foot wide concrete sidewalk with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street lights spaced at 60-foot OC is provided on the parallel parking side of the street. An eight (8) foot wide concrete sidewalk is provided on the open space side of the street with street trees spaced at 30-foot OC and pedestrian scale light fixtures spaced at 60-foot OC within an eight (8) foot wide parkway. Existing trees may be preserved within the right of way when possible. Longitudinal slopes on this street type are between one (1) percent and ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

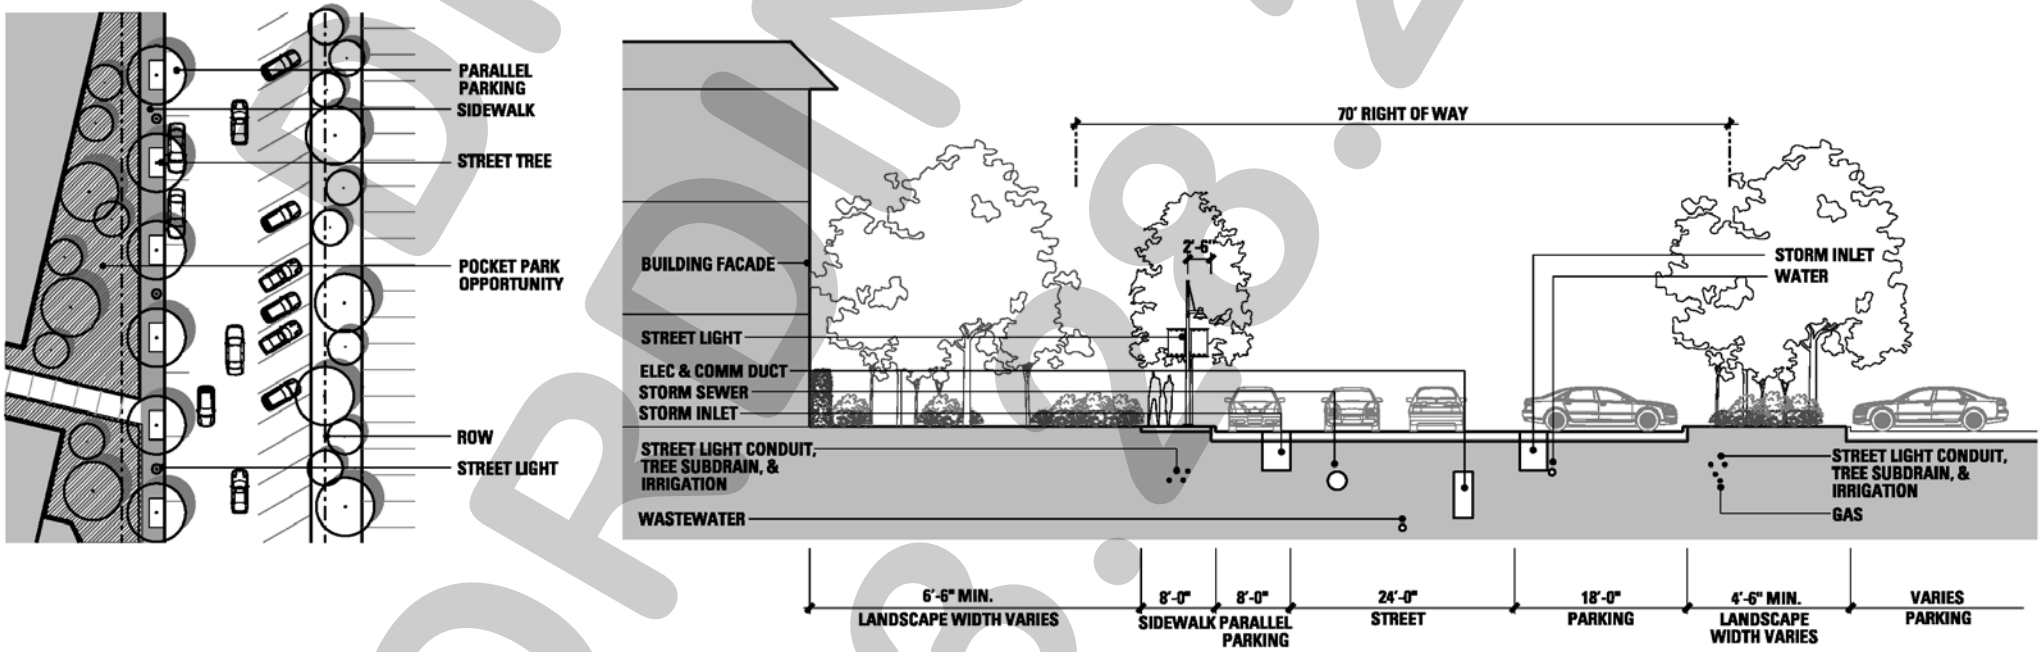




ORDINANCE 03.28.2017

STREET TYPE 'H'

Street Type 'H' serves as a transition between the *Harbor Residential Sub-District* and the *Freeway Frontage Sub-District*. This street type consists of a 24-foot wide street within a 70-foot right-of-way. Parallel parking serves the Harbor Residential side with an eight (8) foot wide concrete sidewalk and street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street lights spaced at 60-foot OC. Angled head-in parking serves the *Freeway Frontage Sub-District* side with canopy and understory trees provided in natural groupings.



ORDINANCE 03.03.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'I'

Street Type 'I' serves as the primary frontage for the *Harbor Residential Sub-District*. This street type consists of parallel parking provided on both sides of a 20' wide one-way street within a 56-foot right-of-way. A 9½-foot wide sidewalk with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC. and pedestrian scale street lights spaced at 60-foot OC is provided on both sides of the street. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) percent maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

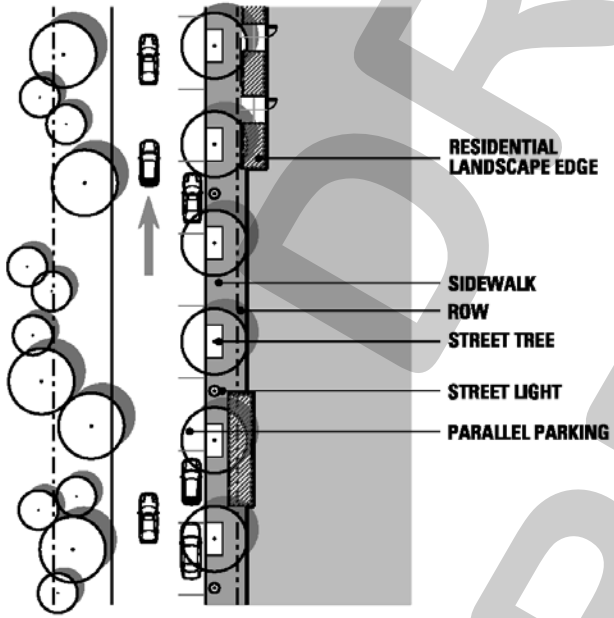
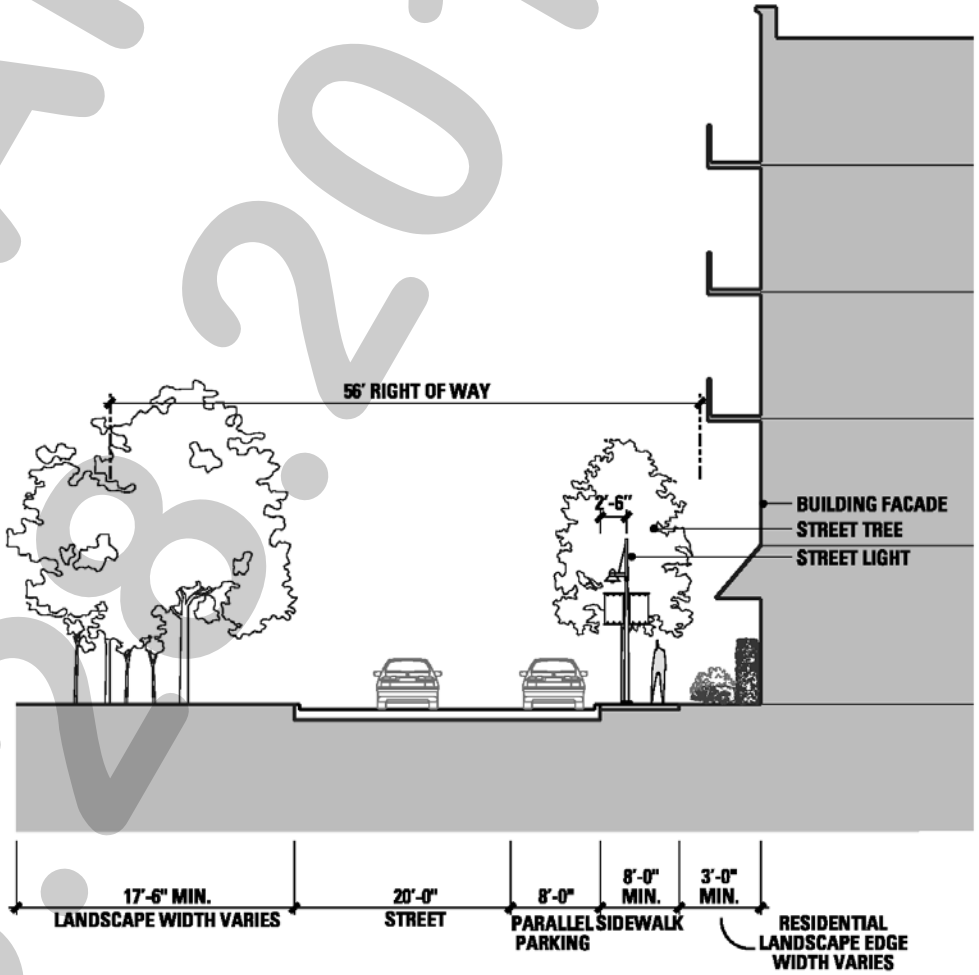
EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'J'

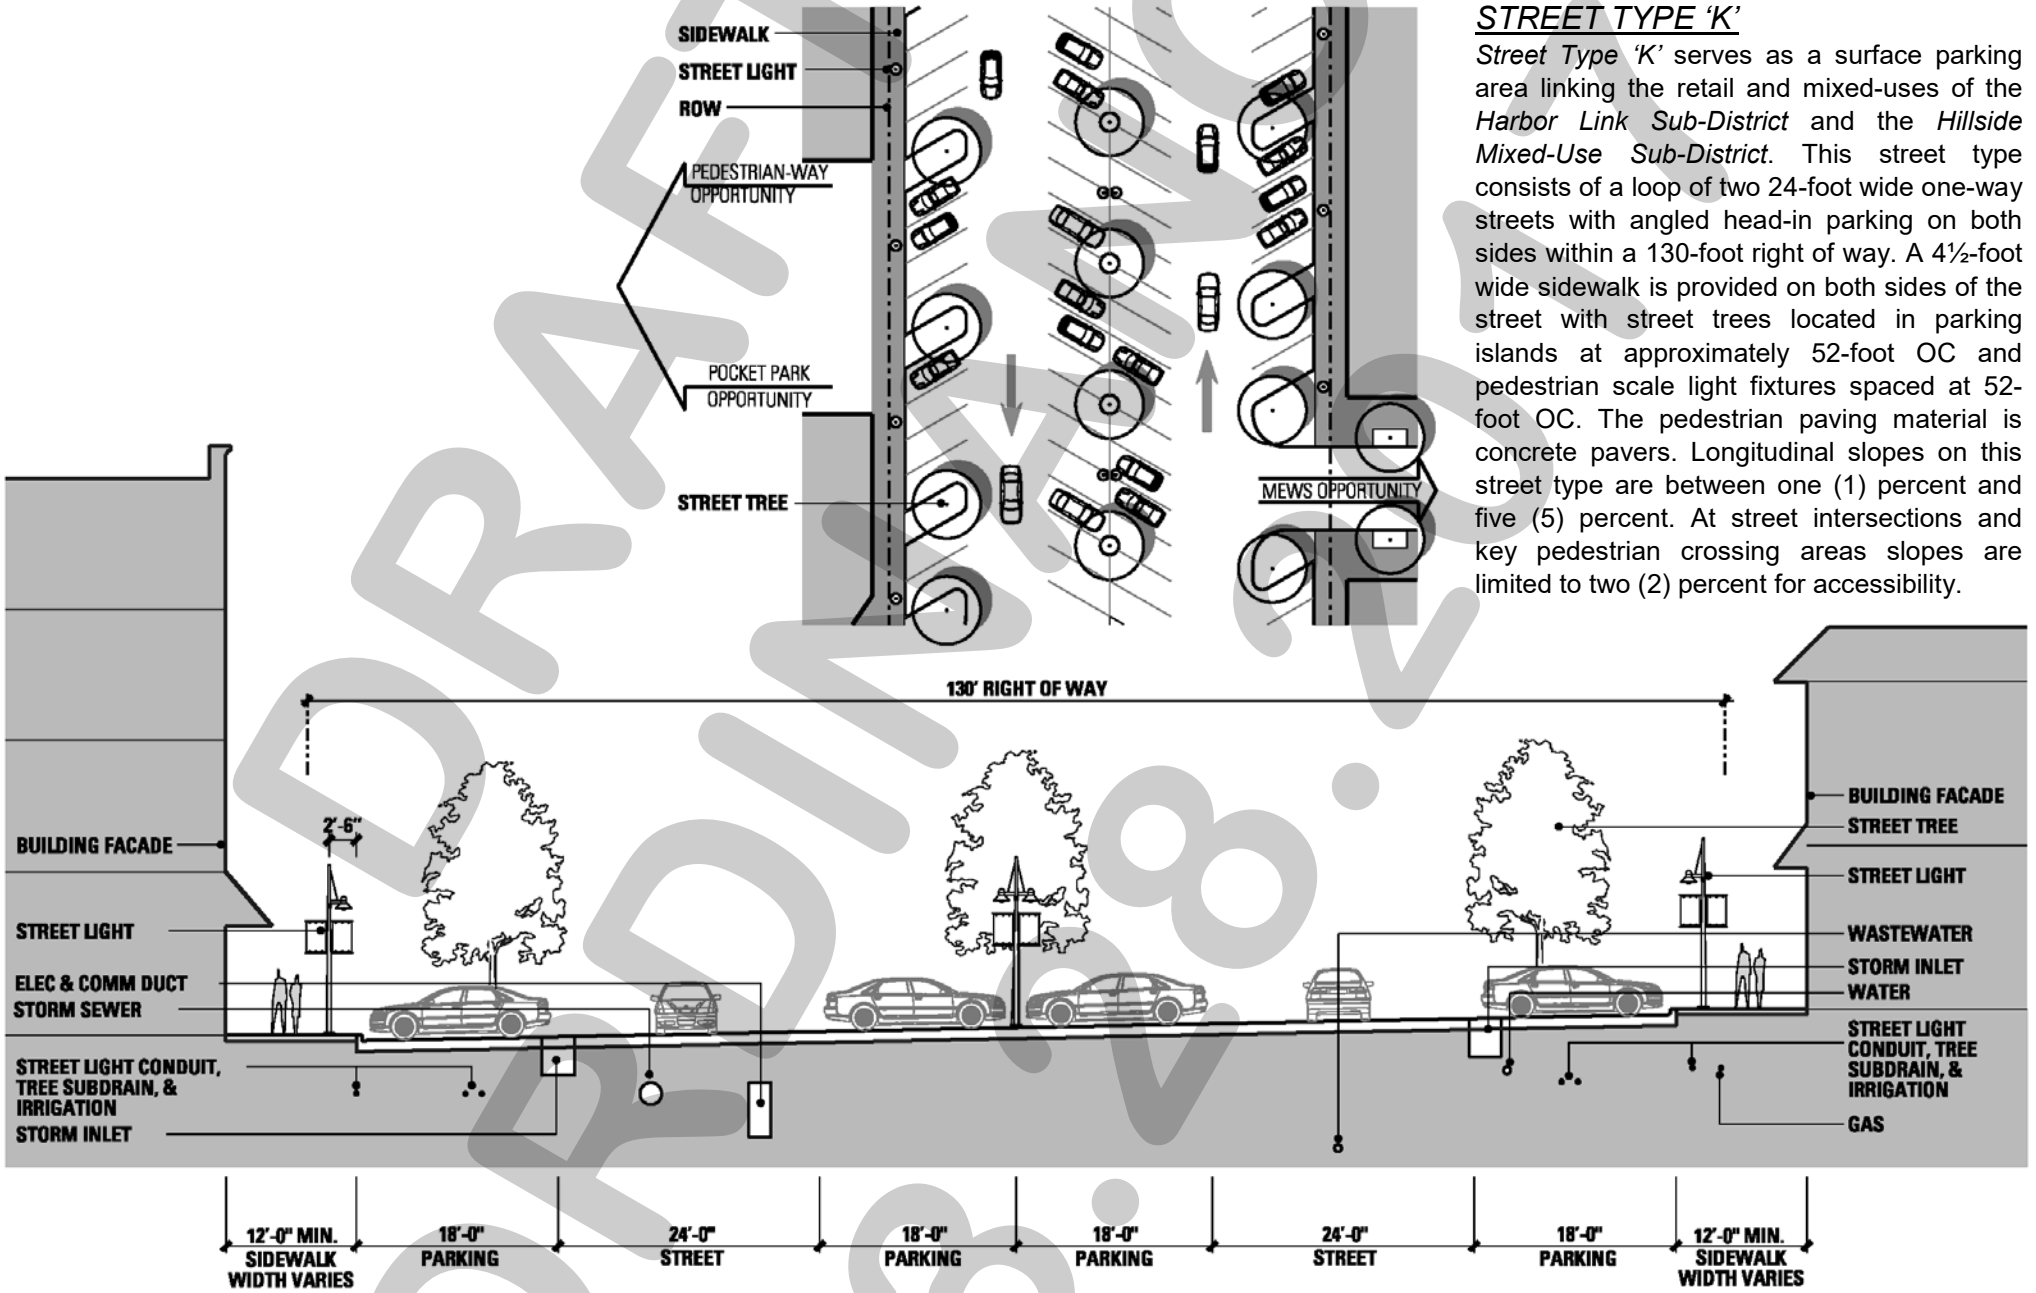
Street Type 'J' serves as the primary frontage for the *Harbor Residential Sub-District*. This street type consists of parallel parking provided on one side of a 20-foot wide one-way street within a 56-foot right-of-way. An eight (8) foot wide sidewalk with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street lights spaced at 60-foot OC is provided on both sides of the street. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) foot maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.





DRAFT ORDINANCE 03.28.2017

EXHIBIT 'C-4':
Streetscape Plan



STREET TYPE 'K'

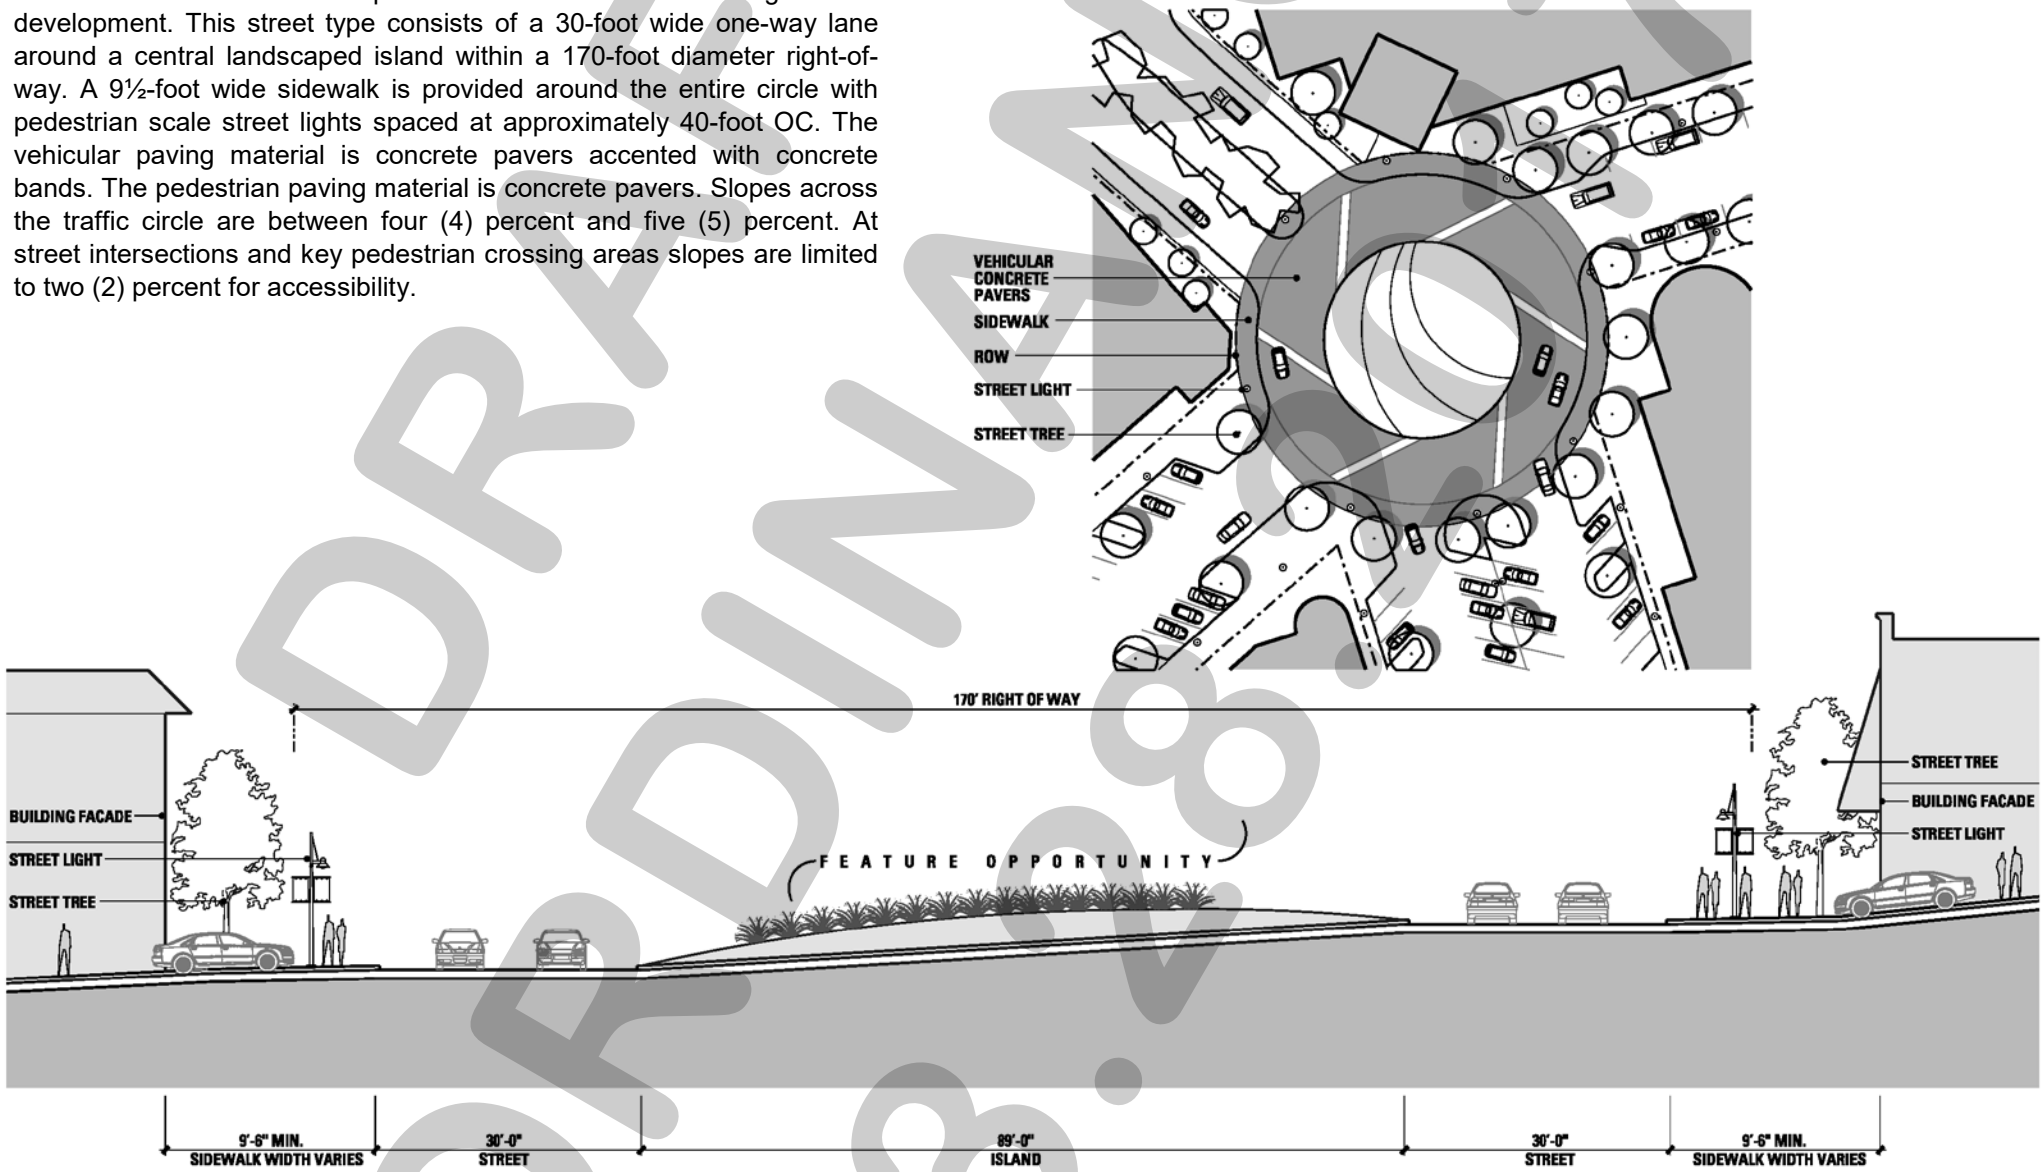
Street Type 'K' serves as a surface parking area linking the retail and mixed-uses of the *Harbor Link Sub-District* and the *Hillside Mixed-Use Sub-District*. This street type consists of a loop of two 24-foot wide one-way streets with angled head-in parking on both sides within a 130-foot right of way. A 4½-foot wide sidewalk is provided on both sides of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. The pedestrian paving material is concrete pavers. Longitudinal slopes on this street type are between one (1) percent and five (5) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

DRAFT ORDINANCE 03.28.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'L'

Street Type 'L' is a traffic circle that serves as a central point of the district. This circle is a midpoint in the link to the existing Harbor development. This street type consists of a 30-foot wide one-way lane around a central landscaped island within a 170-foot diameter right-of-way. A 9½-foot wide sidewalk is provided around the entire circle with pedestrian scale street lights spaced at approximately 40-foot OC. The vehicular paving material is concrete pavers accented with concrete bands. The pedestrian paving material is concrete pavers. Slopes across the traffic circle are between four (4) percent and five (5) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

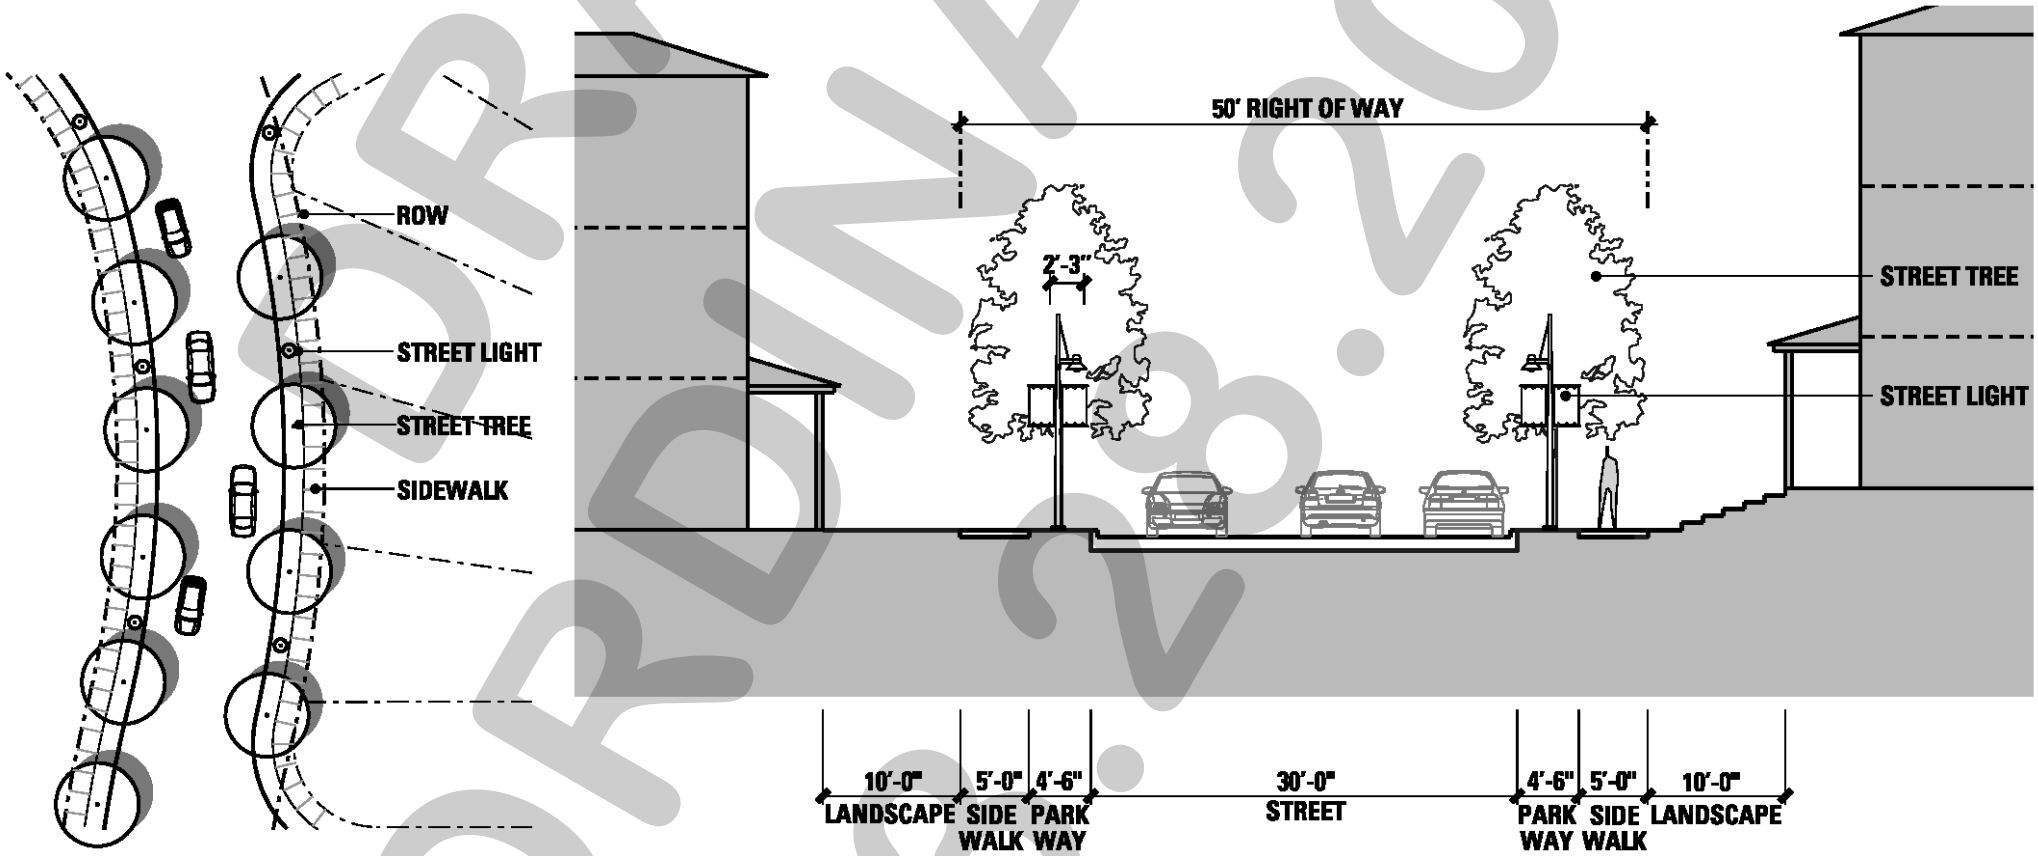


DRAFT ORDINANCE 03.28.17

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'M'

Street Type 'M' serves as the primary single-family residential neighborhood street. This street type consists of a 30-foot wide street within a 50-foot right-of-way. On street parking is permitted on this street type. Street trees are spaced at 30-foot OC within a 4½-foot wide parkway with pedestrian scale street lights spaced at 60-foot OC. A five (5) foot wide concrete sidewalk is provided on both sides of the street. This street type may include features such as eyebrows or landscape islands and medians.

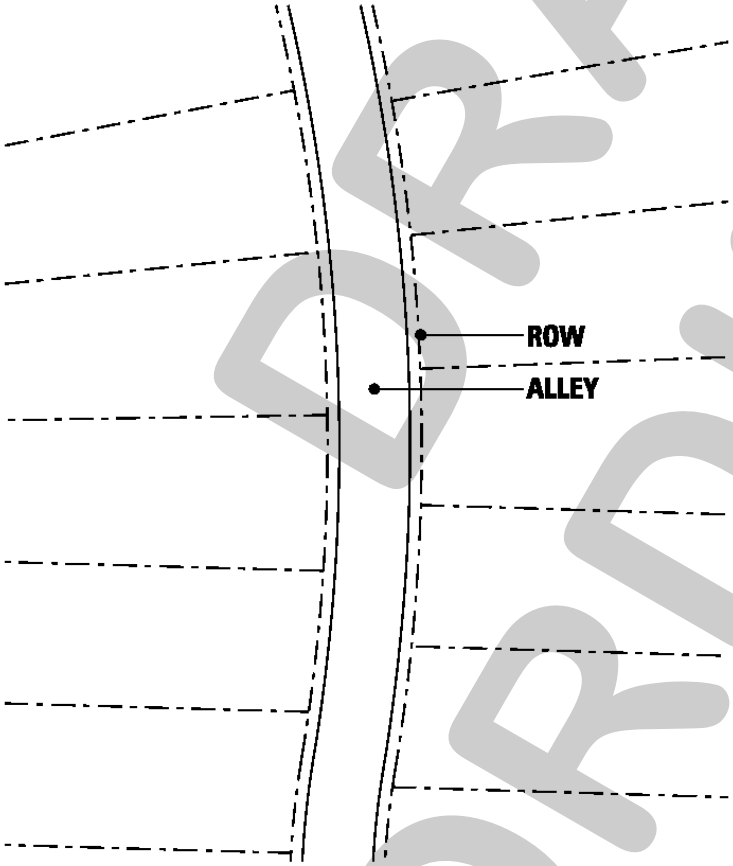


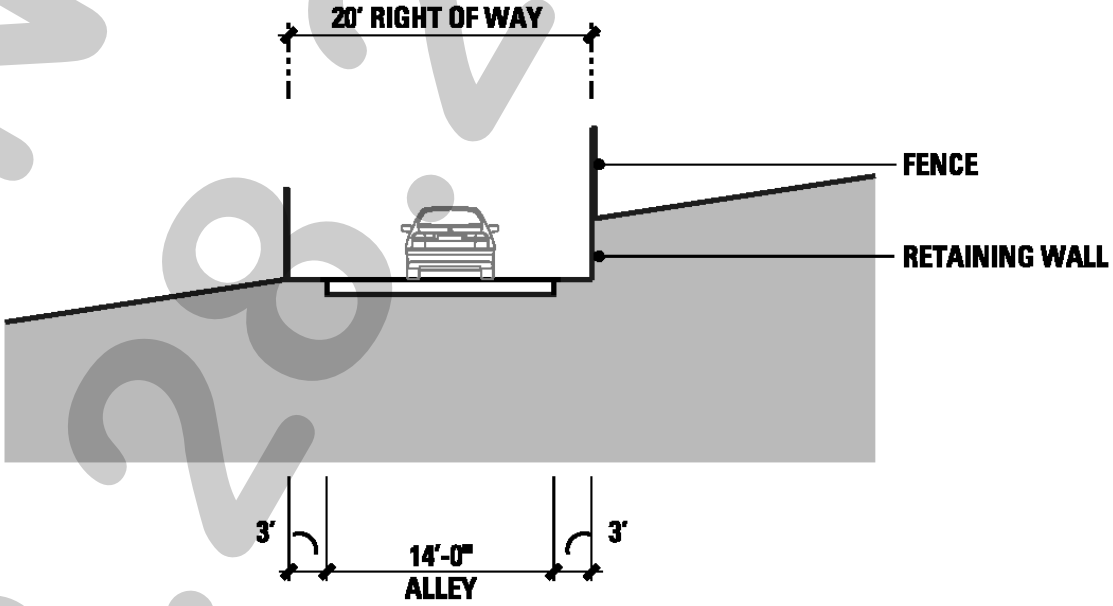
DRAFT ORDINANCE 03.28.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'N'

Street Type 'N' serves as an alley within the single-family residential neighborhood. This street type consists of a 15-foot wide alley within a 20-foot right-of-way. No street trees, light fixtures, or sidewalks are provided in this street type.



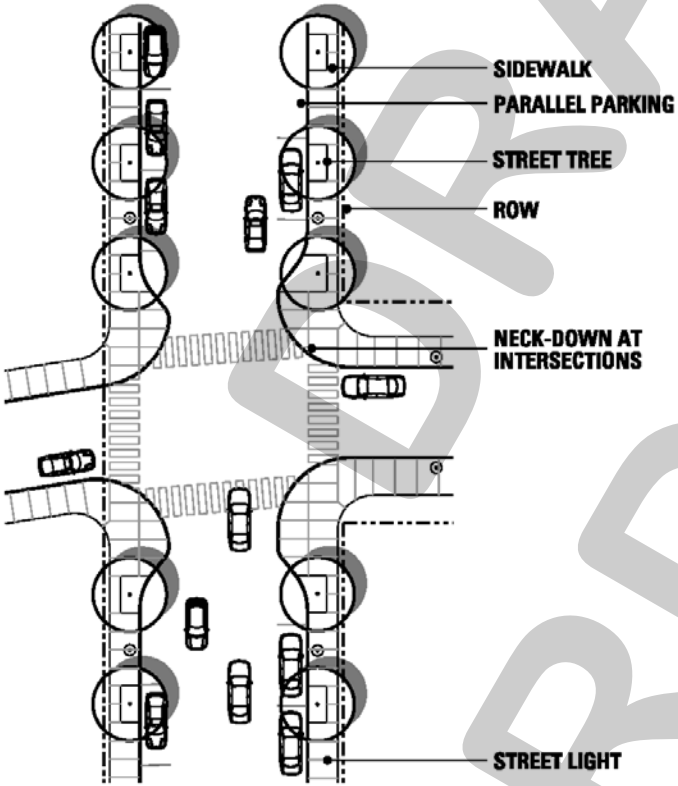


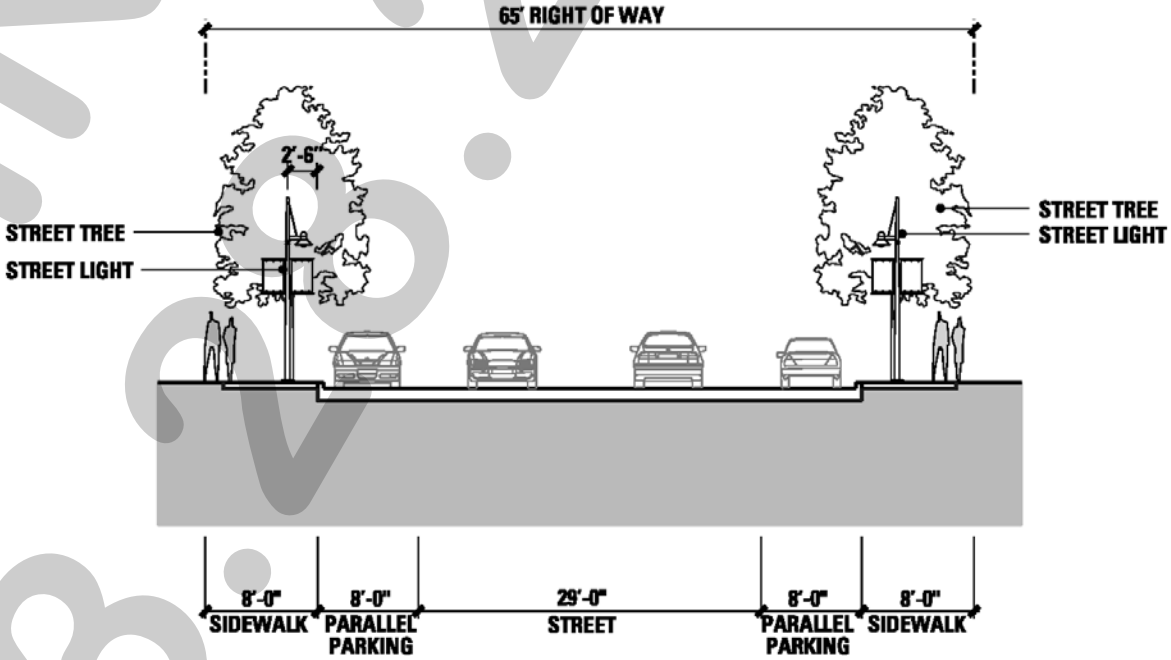
DRAFT ORDINANCE 03.28.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'O' (I.E. SUMMER LEE DRIVE)

Street Type 'O' consists of streetscape improvements and parallel parking dedication on both sides of an existing 29-foot wide street within the existing 65-foot Summer Lee Drive right-of-way. An eight (8) foot wide sidewalk is provided on both sides of the street with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street light fixtures spaced at 60-foot OC. Neck downs are provided at intersections to provide a clearly defined pedestrian space. The pedestrian paving material is concrete sidewalk. Longitudinal slopes on this street type are range from 1½% to seven (7) percent. At street intersections, pedestrian walkway slopes are limited to two (2) percent for accessibility.





DRAFT ORDINANCE 03.20.2017

STREETSCAPE ELEMENTS

PEDESTRIAN PAVING MATERIALS

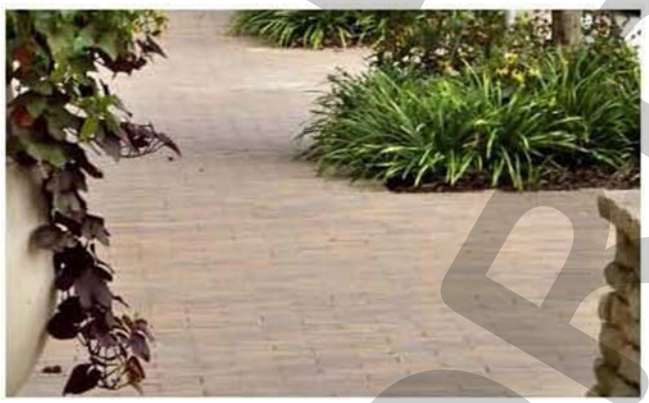
CONCRETE PAVING
All concrete pedestrian walkways shall be an upgraded pedestrian concrete paving with integral color ~~(~~matching Scofield Chromix C-24 Charcoal or C-15 Coachella Sand), light sandblast finish, and sawcut control joints.

CONCRETE PAVERS
Concrete pavers shall be ~~Pavestone concrete pavers,~~ similar to Holland 98 Parkway Provencial, Antique Terra Cotta colored, and six (6) cm thickness. Pavers shall be placed in a running bond pattern perpendicular to the street curb.

VEHICULAR PAVING MATERIALS

CONCRETE PAVING
The standard vehicular paving material shall be concrete in accordance with City of Rockwall standards.

CONCRETE PAVERS
Upgraded vehicular paving shall be concrete pavers. Concrete pavers shall be ~~Pavestone concrete pavers,~~ similar to Holland 98 Parkway Provencial, Antique Terra Cotta colored, eight (8) cm thickness. Pavers shall be placed in a herringbone bond pattern.



STREET FURNISHINGS

BENCH
Benches shall be similar to Landscape Forms: Scarborough backed horizontal strap bench, powdercoat color RAL #7003 Moss Grey.

TRASH RECEPTACLE
Trash receptacles shall be similar to Landscape Forms: Scarborough side opening with vertical straps, powdercoat color RAL #7003 Moss.

BIKE RACK
Bike racks shall be similar to Forms + Surfaces: Trio Bike Rack, powdercoat color RAL #7003 Moss Grey.

BOLLARD
Bollards shall be similar to Hess - Paris 1100 Type 'A' fixed bollard, powdercoat color RAL #7003 Moss Grey.

SEAT WALL
Cast-in-place concrete seat wall with architectural finish.

DRAFT
03.13.2017

STREETSCAPE ELEMENTS

LIGHTING

PEDESTRIAN SCALE STREET LIGHT
Pedestrian scale street lights shall be similar to the Bega 9701 MH 100W Metal Halide fixture on Bega 1108 HR 11'-8" tapered round pole with integral banner arms, powder coat color RAL #7003 Moss Grey.

PARKING LOT LIGHT FIXTURE
Parking lot light fixtures shall be similar to the Gardco Gullwing G18-2-3XL-400MH-XXX-SC on KW RTSP 22.5-6.60-11-LNA-DM2180-BC powder coat color RAL #7003 Moss Grey

Parking lots shall be illuminated to an average sustained level of 1.5 - 2 Foot Candles.

TREE UP-LIGHT
All street trees within the right of way shall be uplight with B-K HP2-PAR2020-TR-59-SAP-11-xxx-AH/CPC or a smilar light fixture.

ORDINANCE
03.28.2017

STREETSCAPE ELEMENTS

LANDSCAPE

TREE LEAVE-OUTS
Paving leave-outs for street trees shall be five (5) feet by ten (10) feet adjacent to the back of the street curb. All street trees in tree leave-outs or in head-in parking islands shall have tree sub-drainage tied to the storm drain system. In addition to the street tree, all leave outs shall contain one of the following:

Option A: A mix of shrub, perennial, ornamental grass, and groundcover planting. Plant materials shall provide a mix of height, color, texture, and evergreen structure.

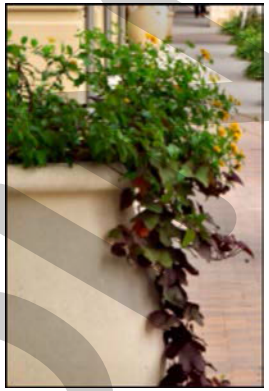
Option B: Mexican Beach Stone pebbles.

A consistent treatment must be provided for a continuous block length.

DECORATIVE POTS
Use decorative pots to accent the streetscape environment. Decorative pots must be compatible with the surrounding architectural styles. Decorative pots must be an appropriate pedestrian scale. All decorative pots shall be irrigated and have drainage tied to the storm drain system.

Recommended decorative pots:

- ☑ Stonewear Zena series, SB 32 Finish
- ☑ Stonewear Grecian series, SB 32 Finish
- ☑ Rectangular Metal Planters



GRADING
The maximum cross slope on all pedestrian walkways shall be two (2) percent. The maximum longitudinal slope on all pedestrian walkways shall be five (5) percent, except where the longitudinal slope of the street exceeds five (5) percent.

DRAFT ORDINANCE 03.27.2017

HARBOR RESIDENTIAL SUB-DISTRICT

The primary intent of the *Harbor Residential Sub-District* is to provide a counter part to the existing Harbor development which will create a vibrant atmosphere surrounding the existing central fountain feature. Ground floor retail spaces are intended to link the Harbor District with the existing Harbor development. The addition of residential units will capitalize on the views and adjacencies to Lake Ray Hubbard. Existing slopes within this *Sub-District* are in the three (3) percent to eight (8) percent range.

BUILDING PLACEMENT

BUILD-TO-LINE (DISTANCE FROM ROW LINE)	
Street Type I	*10'*
Street Type E	*7'*
Street Type J	*5'*

FREEWAY FRONTAGE SUB-DISTRICT

The intent of the *Freeway Frontage Sub-District* is to provide mid-size retail anchors with high visibility that can contribute to the creation of a vibrant, pedestrian oriented character within the Harbor District and the existing Harbor development. Prime views and access from IH-30 combined with storefront presence along the main pedestrian and vehicular corridor within the district make this *Sub-District* an ideal location for retail anchors. Existing slopes within this *Sub-District* are in the three (3) to six (6) percent range.

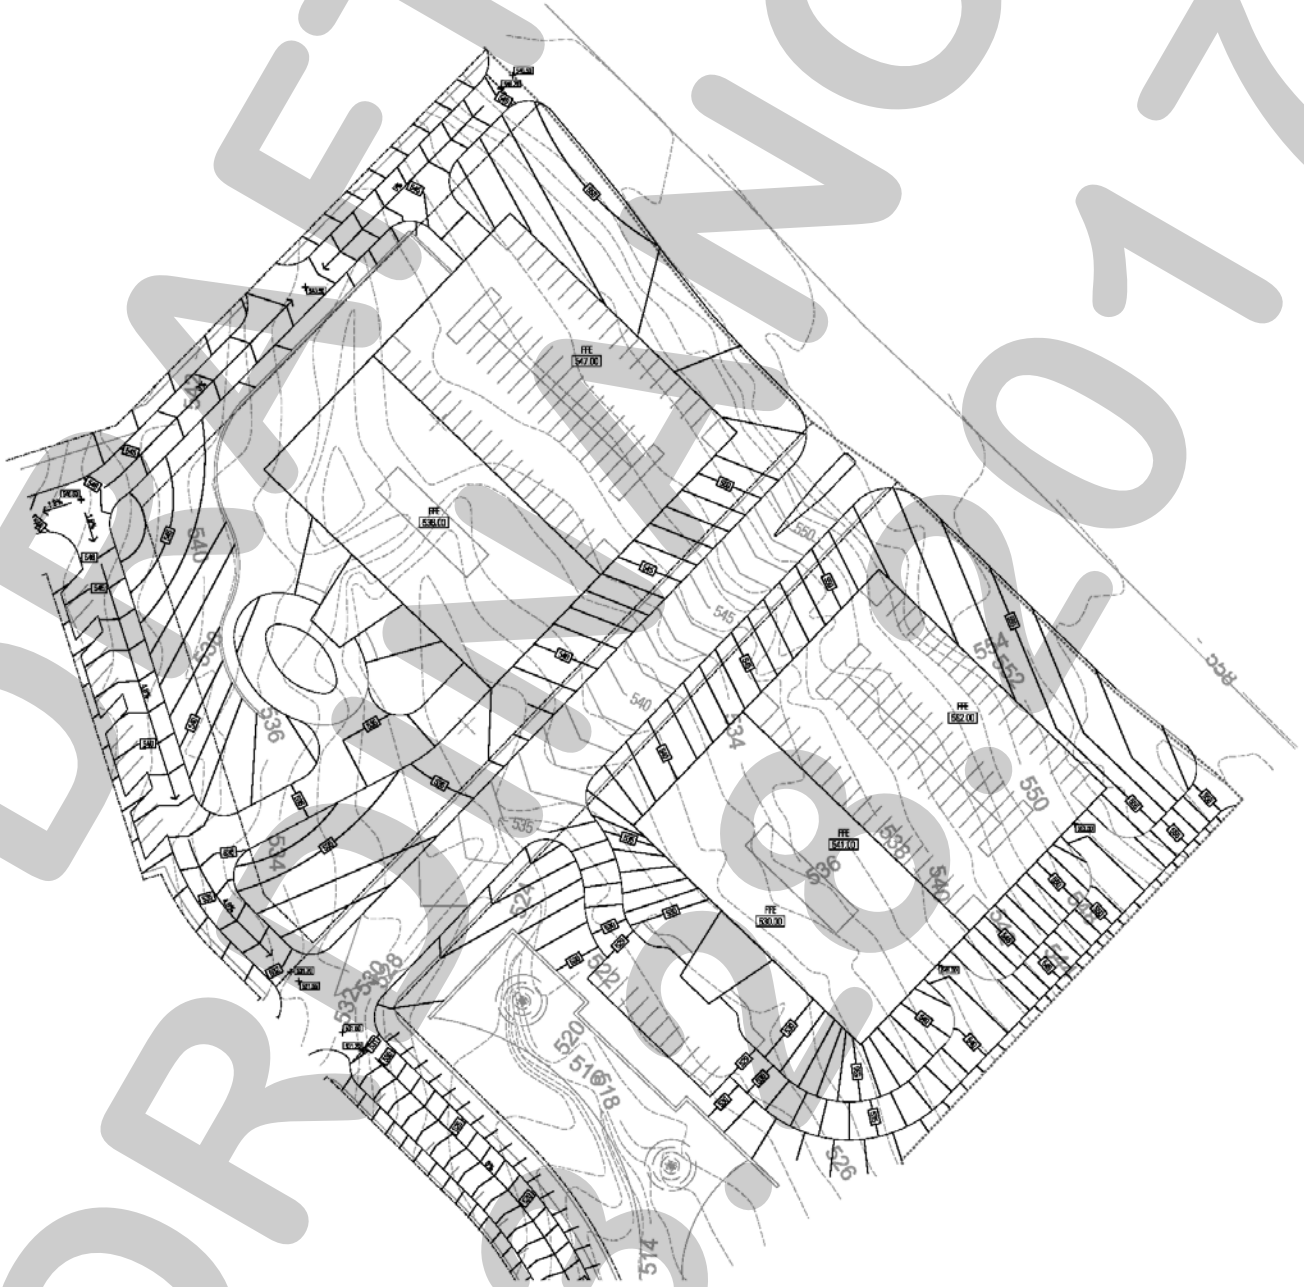
Horizon/Summer Lee Sub-District



DRAFT ORDINANCE 03.06.2017

INTERIOR SUB-DISTRICT

The primary intent of the *Interior Sub-district* is to provide an area that can function as either office, residential, or senior living use. Key characteristics of this *Sub-district* include good views of Lake Ray Hubbard and adjacency to open space. Existing slopes within this *Sub-district* are in the six (6) to ten (10) percent range. Significant massing of existing trees are also present within this *Sub-district* which should be preserved where possible.

BUILDING PLACEMENT

SETBACK (DISTANCE FROM ROW LINE)	
Summer Lee Drive	*10'*
Street Type G	*Minimum: 5'* *Minimum Average: 20'*

BUILDING FORM	
Each building must have a minimum of 30% of the length of its façade fronting on Summer Lee Drive located on the 20' setback line.	
Maximum Lot Coverage	*60%*

NOTE: When an abutting property with an existing building has windows facing to the side, any new building shall provide at least 10 feet of separation.

USE	
Ground Floor	*Office, Senior Living and/or Residential*
Upper Floors	*Office, Senior Living and/or Residential*

HEIGHT	*STORIES*	*HEIGHT*
Maximum Building Height	5	75'
Minimum One (1) Story Commercial Height		15'

ENCROACHMENTS	
Summer Lee Drive	*5'*
Street Type G	*5'*

NOTE: Canopies, awnings, balconies, and roof overhangs may encroach over the setback as shown in the table above.

PARKING

DRAFT ORDINANCE 03.05.2018

RESIDENTIAL SUB-DISTRICT

The *Residential Sub-District* is reserved for zero lot line single-family residential housing. A lower volume of traffic in this area of the Harbor District make this *Sub-District* ideal for single family use. Key characteristics of this *Sub-District* include adjacency to open space and steep slopes that offer views of the surrounding area. Existing slopes within this *Sub-District* are in the six (6) percent to 16% range. This *Sub-District* is predominately vegetated by massing of existing trees that should be preserved when possible.

RESIDENTIAL SUB-DISTRICT

FLOOR PLAN/ELEVATION REPETITION

To avoid repetition and a monotonous look to the *Sub-District* environment, the following guidelines apply regarding the repetition of floor plans and elevations:

CASE 1
When building a house having the same floor plan and the same elevation, whether on the same or opposite side of the street, four (4) full lots must be skipped. Different paint color must be used. *See Figure A.*

CASE 2
When building a house having the same floor plan and a different elevation on the same side of the street, three (3) full lots must be skipped. Different paint color must be used. *See Figure B.*

CASE 3
When building a house having the same floor plan and a different elevation on the opposite side of the street, two (2) full lots must be skipped. Different paint color must be used. *See Figure B.*

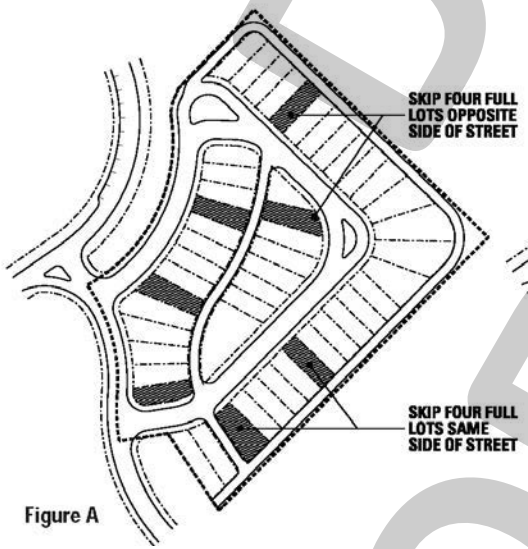

Figure A

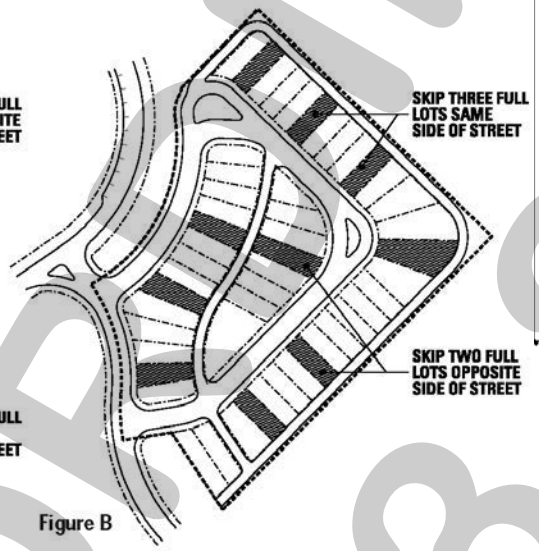

Figure B

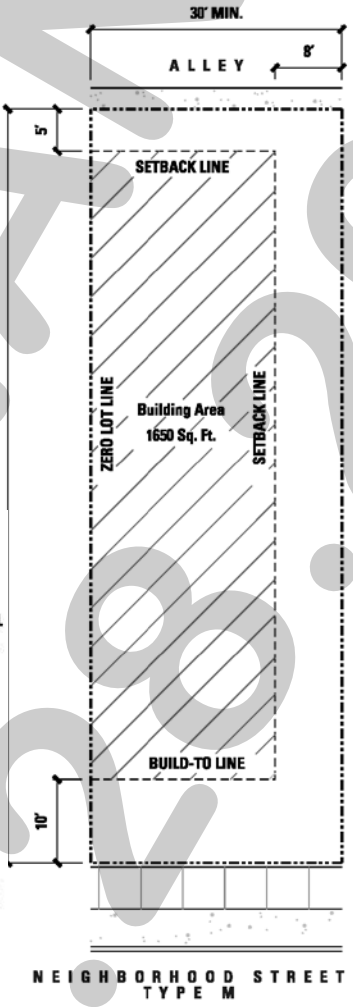

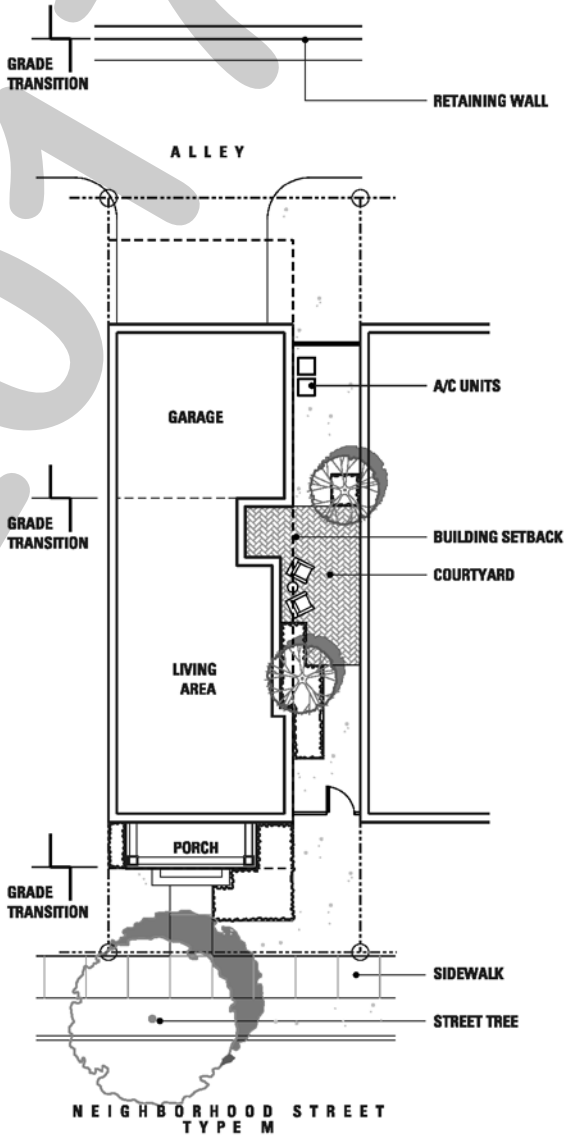

DRAFT ORDINANCE 03.28.2017

RESIDENTIAL SUB-DISTRICT

ARCHITECTURAL GUIDELINES

SITE LAYOUT, GRADING AND DRAINAGE

(1) Runoff onto adjacent properties is prohibited.
(2) Finished floor elevations shall be set in order to provide positive drainage away from all buildings.
(3) Create smooth slope transitions, blending with natural grades, with maximum slopes in lawn areas being 4:1.
(4) Do not run drainage swales from planting areas across paved areas.

LANDSCAPE STRUCTURES

(1) Basketball goals, play structures, swing sets and similar elements may only be located in side or rear yards.
(2) All vertical construction including garages, gazebos, arbors, barbeques and fireplaces must comply with front, side and rear setbacks.
(3) Use materials, forms, styles and colors which match or are complementary to the architectural style and detailing of the house.

POOLS AND WATER FEATURES

(1) Swimming pools, spas and water features must comply with front, side and rear setbacks. Above grade pools or spas are not permitted.
(2) Fencing or design solutions which provide enclosures in accordance with local ordinances and regulations must be provided.
(3) Mechanical equipment for pools and spas must be located so as to not be visible from adjacent properties or the street. Locate or enclose equipment to minimize noise intrusion.

LIGHTING, UTILITIES AND SERVICE

(1) Exterior ornamental and accent lighting may be used in moderation to complement landscape and architectural features. Light fixtures shall have appropriate light cutoff shields to prevent unwanted glare to neighboring properties and streets.
(2) Post mounted light fixtures and bollard lighting are not permitted. Pathway lighting may be used, limited to 18-inches in height.
(3) Colored, fluorescent and neon lighting is prohibited. Obtrusive HID security lighting fixtures are prohibited.
(4) Exposed exterior floodlights or wall packs are not permitted.
(5) All site utilities shall be underground. Transformers, meters and other utility equipment shall be screened by planting or by architectural means. Avoid clipped hedges around utility boxes.

IRRIGATION DESIGN

(1) Irrigation is required for all home sites and shall be an automatic, underground system with rain and freeze sensors.
(2) Design irrigation systems to separately circuit irrigation zones for plant materials having different watering requirements, such as lawns and shrubs.
(3) Prevent overspray onto streets, pedestrian walks, driveways and buildings.

DRIVEWAYS

(1) Driveways shall be paved with concrete, pavers, or integrally colored concrete with charcoal grey color. Chemical staining enhancements are not permitted. Driveways may not be painted with an opaque coating.

GARAGES

(1) Garages must be rear loaded from an alley.
(2) All garages must hold a minimum of one and a maximum of two cars. Guest parking spaces shall be on street.

BUILDING MASSING

(1) The house footprint shall be composed of squares and rectangles placed at right angles to one another. The geometry of each of these shapes shall be uninterrupted by adjacent shapes.
(2) All building footprints shall be at right angles to the property lines. Compose house forms to create exterior space.
(3) Massing may be either symmetrical or asymmetrical. The dominant architectural mass shall be located near the center of the composition.

ROOFS

(1) The individual shapes which compose the house footprint shall each be roofed by a symmetrical gable, hip, or a simple roof form.
(2) The geometry of each roof form shall be uninterrupted by adjacent roof forms. Valleys are discouraged, except for dormers.

WALL MATERIALS

(1) Exterior wall materials shall be any of the following:
   A. Fiber cement board siding and shingles, primed and painted, "Hardie" type boards. Siding shall be installed horizontally only, lapped clap board style with narrow lap exposures preferred over wide exposures.
   B. Portland cement stucco with integral color
   C. Brick masonry
   D. Stone masonry
   E. Cast stone masonry
   F. Fireplace masses and chimneys shall be clad in noncombustible materials to match exterior house materials.
   G. Aluminum, masonite, and vinyl siding are not permitted.

(2) Exterior wall materials may change at a vertical line which delineates a change in building form, or along horizontal lines.

EXTERIOR FINISHES

(1) All wood and composite surfaces shall be finished with paint, applied over an appropriate primer. Opaque and semi-opaque stain may be used.

TRIM

(1) All trim, where used, shall be cement fiber board, cedar, or quality wood products. Trim shall be a minimum ¾-inch thick with flat surfaces. Built up assemblies, shaped profiles, and ornamental embellishments are to be avoided.

DRAFT ORDINANCE 03.28.2017

RESIDENTIAL SUB-DISTRICT

ARCHITECTURAL GUIDELINES

DOORS

(1) All exterior doors shall be wood or metal, hinged, of rail and stile construction, with one (1) to six (6) panels. Dormers above doors are encouraged. Panels shall be glazed or flat wood (not raised panels). Doors shall be painted.

(2) Exterior doors shall be swing type, of solid wood or wood veneer, and shall be painted, or clad in pre-finished metal.

SCREEN DOORS

(1) Screen doors are allowed. Screen doors shall be of wood rail and stile construction, with one (1) to six (6) panels. All panels shall be screened. Screen doors shall be painted.

(2) Storm doors are not permitted at the front door but are allowed at side and rear doors.

GARAGE DOORS

(1) Garage doors shall be overhead roll-up construction with horizontal insulated metal panels.

(2) Garages may have maximum 18-foot wide doors.

EXTERIOR DOOR HARDWARE

(1) Oversize or overly ornamented door hardware or escutcheon trim plates are not permitted on the front door.

WINDOWS

(1) Windows shall be casements, awnings, or double or single hung. Each window shall be glazed by a single panel of insulated glass, or may be divided into no more than four (4) panels. Fake mullions are discouraged.

(2) Windows may be of wood, thermally broken aluminum or aluminum-clad wood construction. Vinyl or vinyl-clad construction is not permitted.

(3) All operable windows shall be equipped with insect screens.

(4) Bay windows shall be glazed a minimum of 80% of their width.

EXTERIOR WINDOW SHUTTERS

(1) Window shutters are permitted provided they are proportioned to fully cover the windows they would protect. Shutters may be wood or synthetic.

AWNINGS

(1) Window awnings are not permitted, with the exception of shutter awnings.

GLAZING

(1) Window and door glazing shall be clear, insulated, double-pane, low-emissivity glass. Applied window films are not permitted.

ROOFS

(1) Roofs may be covered in composite asphalt shingles. Composition shingles must be minimum 25-year dimensional, laminated type. Flat, three (3) tab shingles will not be permitted. An example of approved roof shingle type is Tamko "Heritage 30." Standing seam metal roofing and other metal roof types may be used.

(2) All roof penetrations, other than chimneys, shall be grouped as far from frontages as possible, shall not be visible from the street and shall be painted as needed to match roof. Skylights shall not be visible from the street.

(3) All soffit venting shall be 2-inch continuous venting or perforated "Hardisoffit" panels. No box vents shall be used. No vinyl material may be used.

(4) Dormers shall be appropriately proportioned, hip or gable, with a minimum 6:12 pitch. They shall be glazed a minimum of 90% of their face and must be open to the interior roof area beyond.

(5) Roof ventilation dormers are permitted only on the side and rear elevations and must be vented a minimum of 90% of their face.

(6) Dormers shall have minimum overhangs and eaves. Stucco or "Hardi" Siding or Panels are recommended in dormer gables.

(7) All exposed metal flashing shall be unpainted galvalume, paint-grip or galvanized steel.

(8) Roof attic vents shall be continuous ridge vents such as "Cool Ridge." Powered attic vents are not allowed. Turbine vents may be allowed by variance, but must not be visible from the street.

(9) Satellite dishes and roof antennae shall not be visible from the street.

CHIMNEYS

(1) All chimneys must be fitted with a galvanized metal chimney cap with a 'roof' that is the same size and shape as the chimney it covers. The roof form may be flat or hipped.

(2) The chimney cap must include metal mesh, screen or grid to prevent animals from entering the chimney. ~~Acceptable products include the series of black galvanized chimney caps by Gelco.~~

(3) Acceptable finishes are natural 'paint-grip' galvanized or painted galvanized.

RAIN GUTTERS

(1) Rain gutters and downspouts may be of any profile compatible with the style of the house and roof. Gutters and downspouts shall be located in a way as to not draw attention to themselves.

(2) Gutters and downspouts shall be unpainted galvalume, "paint-grip" steel or zinc finishes, although prefinished metal finishes may be permitted.

(3) Downspouts shall terminate at splash blocks, gravel, brick or concrete.

PAINT

(1) All exterior finish coat paint shall be acrylic latex or latex enamel.

DRAFT ORDINANCE 03.28.2017

RESIDENTIAL SUB-DISTRICT

ARCHITECTURAL GUIDELINES

PORCH CONSTRUCTION

(1) Porch columns shall be wood posts, minimum six (6) inch by six (6) inch, painted and free of ornamentation.
(2) Porches shall have wood railings. Railing details must be included with plan submissions for approval.
(3) Porch floors shall be concrete, stone or brick. Porch construction shall be concrete slab foundation, built as part of the house.
(4) Porches and covered balconies may be screened at the rear of the homes only.

ELEMENTS NOT PERMITTED

The following list of elements are not permitted in the development:

- ☑ Window A/C Units
- ☑ Exterior Fluorescent Lighting
- ☑ Solar Powered Landscape Lighting
- ☑ Soffit/Cornice Lighting Visible from a Public ROW
- ☑ Skylights Visible from a Public ROW
- ☑ Antennas or Satellite Dishes Greater Than 18-inch Diameter
- ☑ Decorative Flags - Properly Displayed American Flags are Allowed
- ☑ Concrete Statuary Visible from Public ROW
- ☑ Plastic Furniture or Artificial Plants Visible from a Public ROW
- ☑ Asphalt or Gravel Drives

EXHIBIT 'F-1':
Parking Lot Requirements

PARKING LOTS

ORIENTATION AND DESIGN OF PARKING LOTS

(1) Parking lot location and design shall minimize conflicts between vehicular and pedestrian circulation. Drive aisles may be oriented either parallel or perpendicular to the face of building. Where drive aisles are parallel to the face of building, provide islands in the parking lots with pedestrian walks linking the parking lot to the main building entry.

(2) To the maximum extent practicable, off-street parking spaces must be located within buildings or behind buildings so that buildings can screen parking areas from public streets.

(3) Parking lot layout shall minimize impact to the site conditions.

(4) Parking lot grades may not exceed three (3) percent slope. All accessible parking spaces and aisles must not exceed two (2) percent slope in any direction. Slope transition driveways linking cells of parking may *have transition slopes no greater than 12%.*

PARKING SPACES REQUIRED BY USE

(1) Parking spaces must be provided for each parcel according to the following table:

Land Use	*Requirement*
Restaurant	*1/100 SF*
Retail	*1/250 SF*
Office	*1/300 SF*
Medical Office	*1/200 SF*
Residential	*1½/Unit*
Senior Living	*1/Unit*

(2) An additional 500 parking spaces must be provided within the Harbor District to serve as overflow parking for the existing Harbor development. The additional spaces must be in excess of the parking required by this code and may be provided as surface or structured parking. Allocation of the additional 500 parking spaces must be divided between the *Harbor Residential*, *Harbor Link Mixed-Use*, and *Hillside Mixed-Use Sub-Districts*, with each of these *Sub-Districts* providing a minimum of 167 spaces towards the additional 500. Additionally, on street parking will be provided along portions of Summer Lee Drive within the Harbor District.

(3) Joint use parking adjustments may be allowed according to Article VI, Parking and Loading, Section 3 'General Provisions', subsection 3.3, B of the City of Rockwall Unified Development Code (*Zoning Ordinance*).

LANDSCAPING REQUIREMENTS

(1) One (1), three (3) inch caliper 65 gallon canopy tree must be provided for every 8 surface parking spaces provided. Canopy trees may be provided in five (5) foot by five (5) foot diamond planters or in island planters.

(2) Island planters provided on ends of a parking row shall consist of a mix of ornamental trees with shrub, perennial, ornamental grass, or ground cover. The plant palette shall consist of Desert Willow, Soft Leaf Yucca, Red Yucca, Autum Sage, Texas Sage, Gulf Muhly, Lindheimer Muhly, Weeping Love Grass or similar plant material.

(3) Parking areas adjacent to public streets shall have a landscape buffer consisting of a mix of canopy and ornamental trees and shrub, perennial, and/or ornamental grasses arranged in natural groupings.

DRAFT ORDINANCE 03.27.17

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: March 28, 2017

SUBJECT: Z2017-011; Amendment to Section 4.8, *Downtown (DT) District*, of Article V

On March 6, 2017, the City Council directed staff to amend Section 4.8, *Downtown (DT) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) for the purpose of allowing the City Council to approve major waivers to certain standards stipulated by the code. This direction came in response to an appointment with Rick Dirkse concerning a proposed development at 301 N. Goliad Street. Specifically, Mr. Dirkse submitted a site plan on February 17, 2017 depicting a ~5,000 SF, single story office building on the subject property. Upon reviewing the site plan, staff identified several major issues relating to the intent of the Downtown (DT) District. Specifically, staff noted that the request did not conform to the requirements of the district with respect to the building placement, building form, architectural style, parking requirements, and landscaping requirements. Several of these issues could be addressed through major or minor waivers as defined in the Downtown (DT) District zoning ordinance; however, issues relating to the building's height and roof color could not be waived by the code as it is currently written. This means that these requirements would be obligatory for any development proposed in the Downtown (DT) District.

Staff has prepared a draft ordinance that would make changes to the Downtown (DT) District zoning ordinance that would allow the City Council the ability to grant a major waiver to any standard in the ordinance with the exception of the items that are specifically stipulated as minor waivers. Minor waivers would be approved administratively with the option to appeal an administrative decision to the Planning and Zoning Commission. A copy of the code with revisions depicted in *RED* and a draft ordinance has been included with this memorandum.

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff is bringing the proposed amendments forward to the Planning and Zoning Commission for a recommendation to the City Council. The schedule for this text amendment is as follows:

Planning and Zoning Work Session: March 28, 2017
Planning and Zoning Commission (*Public Hearing*): April 11, 2017
City Council (*1st Reading; Public Hearing*): April 17, 2017
City Council (*2nd Reading*): May 1, 2017

Staff will send out a 15-day notice to the Rockwall Harold Banner in accordance with all applicable state laws and Section 6.1 of Article II, *Authority and Administrative Procedures*, of the UDC. If the Planning and Zoning Commission have any questions, staff will be available at the work session to discuss.

Article V, *District Development Standards*
Section 4.8. *Downtown (DT) District.*

I. *Purpose, Goals and Intent.*

A. *Purpose.* The purpose of the Downtown District is to implement the adopted recommendations of the comprehensive plan and Downtown Plan by encouraging new development and redevelopment in the Downtown area.

The goals of this zoning district are:

1. To make the downtown area a sustainable "Great Place" within the region that will attract high quality investment and reinvestment over time.

2. To capitalize on the existing historic character of the downtown and provide Rockwall with a thriving downtown center.

3. To provide development and land use flexibility within the framework of a form-based development zoning district.

4. To provide a mix of residential, retail and office uses in a pedestrian-friendly environment.

The intent of this zoning district is:

1. To provide a comfortable and attractive environment for pedestrians which include such things as buildings framing public space, street trees, lighting and awnings that will attract pedestrians.

2. To construct continuous building frontage along block faces except where it is desirable to provide for pedestrian and auto pass-throughs to parking at mid block.

3. To provide shared and consolidated parking both on-street and in the center of blocks that will benefit the entire district.

4. To contribute to the definition and use of public sidewalks, parks and plazas.

5. To design and build an infrastructure of buildings to accommodate a range of uses over time without the need to destroy older buildings and rebuild them for each successive use.

6. To design streets and buildings which will contribute to creating a safe environment.

II. *Definitions.* For the purposes of this section, the following definitions shall apply.

Building facade, primary. Any facade that faces a public street or open space.

Downtown District engineering and landscape standards (district standards). Any approved city standards which govern such items as street, streetscape, drainage, signage and other public improvements in the Downtown District.

Entry, primary. The main entry to a building on a block face. There must be at least one main building entry for each ground floor use, tenant or lobby on each block face which contains the use or tenant. Any additional building entries may be considered a secondary entry.

Feature buildings. Buildings which are located on axis with a terminating street or open space, or at the intersection of streets. Such buildings shall incorporate architectural features which address height and articulation

FEATURE BUILDING EXAMPLES

that emphasize the importance of such a location.

Historic core. See the regulating plan for historic core boundaries which is on file in the city secretary's office.

Parking, long-term. Customer or tenant parking which is intended for the primary use of vehicles parked for a duration of more than two hours and neither priced nor managed to encourage turnover.

Parking, reserved. Parking which is assigned or reserved for tenants or visitors of a building or business.

Parking, shared. Parking which is shared by tenants, visitors and the public. Hours of availability may be further defined in cooperation with the city.

Parking, short-term. Customer or tenant parking which is intended to serve commercial businesses or residential uses that has a regular turnover of two hours or less.

Regulating plan. The plan approved by the city which applies the Downtown District and which identifies certain subdistricts and the location of required retail at grade, among other items.

Stoop. A structure that is located approximately at the level of the first floor of the structure and intended to provide access to a residential unit.

Story. That portion of a building, other than a basement, included between the surface of any floor and the surface of the floor next above it, or if there is no floor above it, then the space between the floor and the ceiling above the floor of such story. This includes any mezzanine or loft which may comprise only a portion of a full floor plate.

Waiver to design standards, major (major waiver). A significant change to both the standards and intent of this zoning district, and involves planning and zoning commission and city council approval.

Waiver to design standards, minor (minor waiver). A minor change to the standards, but not the intent, of this zoning district and involves staff approval.

III. *General District Standards.*

A. Regulating plan.

1. *Authority.* A regulating plan is the coding key for application of this district's provisions to properties, and shall be considered part of this zoning district. It may establish such things as:

    a) Major street types within the district;
    b) Sub-district areas;
    c) Required at-grade retail construction;
    d) Public open space and plazas; and
    e) Regional hike and bike corridors.

2. Zoning of Property.

    a) *Downtown Development Plan Required.* An approved downtown development plan which is consistent with this [Unified Development Code] and the regulating plan shall be required prior to issuance of any building permit.

    b) *Nonconformity.* Uses which are legal and conforming at the time of rezoning to the Downtown District shall continue as legal conforming uses under their current standards until those uses are deemed abandoned, e.g.:

        i. They have been replaced with a conforming use;
        ii. Such building or structure is or hereafter becomes vacant and remains unoccupied or out of use for a continuous period of six months, or the special equipment and furnishings peculiar to the nonconforming use have been removed from the premises and have not been replaced within such six-month period; or
        iii. The intention of the owner to permanently discontinue the use is apparent.

B. *Waivers of Design Standards.* In order to provide flexibility and create high quality projects, ~~certain~~ standards in the Downtown District may receive a waiver from City staff, the Planning and Zoning Commission, and/or the City Council. (See subsection VIII.B, Waivers, below, for applicability, processes and procedures.)

Minor waivers ~~include~~ are limited to the following:

- ☑ Depth or height of required retail space.
- ☑ Requirement to line a parking garage with buildings.
- ☑ Requirement for continuous building frontage.
- ☑ Establishment of build-to line.
- ☑ Encroachment into the build-to line.
- ☑ Residential landscape requirement.
- ☑ Increased building height for "feature" buildings.
- ☑ Design of buildings without tri-partite architecture.
- ☑ Required frequency of building entries along a street edge.
- ☑ Window detailing.
- ☑ Exterior building materials.
- ☑ Exterior building color.
- ☑ Retail at grade design standards.
- ☑ Balcony and patio railing.
- ☑ Landscape standards.
- ☑ Location of bicycle parking.

Major waivers may include -- *but are not limited to* -- the following:

- ☑ Required retail construction.
- ☑ Building height for non-feature buildings.
- ☑ Exceeding the maximum leasable retail area.
- ☑ Required setback of the fourth floor and above.
- ☑ Residential at grade design standards.
- ☑ Parking requirements.
- ☑ Parking garage design standards.

C. *Function/Land Use.*

1. *Land use.*

   a) Retail, personal service, residential and office uses shall be allowed throughout the district. For a specific list of permitted uses, see article IV, Permissible Uses, table 1, Land Use Tables.

   b) Where "required retail construction" is designated on the regulating plan, the ground floor adjacent to the street shall be constructed to retail building standards for a depth of at least 50 feet, however, a smaller depth may be allowed if the retail is serving as a "liner" use which is masking a parking garage by minor waiver.

   c) All access drives shall require a minor waiver.

D. *Block Face.* It is intended that building walls should be continuous along block faces to create a strong edge to the street and contribute to creating an attractive and active pedestrian environment. Contributing to that goal, however, is to allow some limited variation and opportunities for outside dining, pocket parks and special building entry features.

1. *Block length.* The length of new blocks should not be less than 200 feet, nor more than 600 feet.

2. Block faces shall contain continuous building frontage with the exception of a mid-block access to parking which is no greater than 34 feet in width and 16 feet in height.

   "Continuous building frontage" will be considered to be met if

OUTDOOR DINING

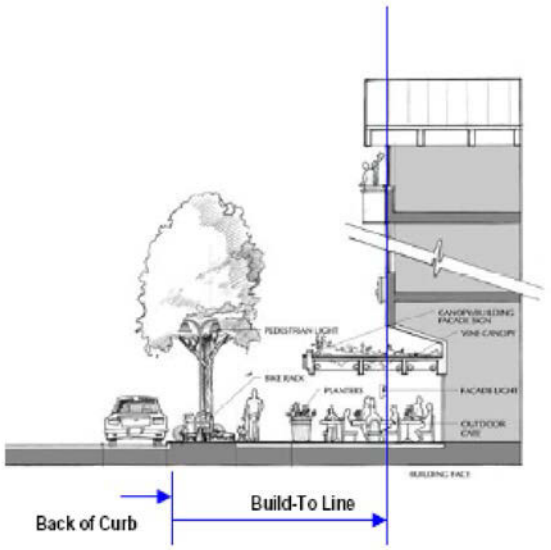
the primary building facade is located within five feet of the build-to line requirement. However, administrative approval of a minor waiver will permit up to 15 percent of the building frontage to be up to 15 feet behind the build-to line provided that it results in an attractive outdoor dining area, building entry feature or other amenity which contributes to the streetscape. A greater increase shall require approval of a major waiver.

3. Facades shall generally be built parallel to the street frontage, except at street intersections, where a corner facade containing a primary building entrance may be curved or angled toward an intersection.

4. *Build-to lines (setbacks).*

a) Build-to lines shall be measured from the planned street back-of-curb, as established on the approved regulating plan for the district and the standards in this [Unified Development Code] (see table 1, Downtown District Standards below), or the city's approved thoroughfare plan. The entire area between the back-of-curb and the primary building facade shall be dedicated as public right-of-way or have a public easement placed upon it.

b) Awnings may encroach above the public sidewalk without limit, provided they leave a minimum clearance of 7.5 feet above the sidewalk, and are set back a minimum of 18 inches from the back of curb and will not impede street tree growth.



E. *Streetscape and Landscape.*

1. Streetscape standards shall be established by the city for sidewalk paving, street trees, tree grates, lighting fixtures, trash receptacles and benches for both residential and nonresidential ground-level frontages.

2. Nonresidential ground floor frontages shall not be required to provide additional landscaping beyond that required in the Downtown District engineering and landscape standards.

3. Residential ground floor frontages shall be required to landscape a minimum of five feet between the edge of sidewalk and the primary building facade, excluding access to sidewalks, stairs, stoops, porches and patios. This area may be landscaped with ground cover, low shrubs, ornamental trees and street trees. In addition, street tree wells may also be landscaped. Landscaping for tree wells is limited to ground cover and low shrubs.

A. *Table 1.* Downtown District Standards

Building Height	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Building Height [1 & 3]	Max. 4 Stories Min. 2 Stories	Max. 2 Stories [1] Min. 2 Stories	Max. 4 Stories Min. 2 Stories

Build-to line [2]	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Goliad Street and Alamo Street [4]	20 feet	20 feet	18 feet
Rusk, Washington and Dennison Streets [5]	20 feet	20 feet	24 feet
All other roads	18 feet	18 feet	18 feet

Pedestrian Walkway Width	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Non-Residential	10 feet	10 feet	10 feet [5]
Residential [6]	6 feet	6 feet	6 feet

Notes:

[1] Maximum of 2 stories when the building is within 200 feet of single-family zoned property.

[2] Build-to lines are measured from the "back of curb" of the planned street as set out in the approved regulating plan for the district. The setback range is established for the block face. (*See Sub-section III.D, Block Face, above.)*

[3] Increased height for feature buildings may be approved as part of site plan approval by minor waiver. Additional height for other buildings shall be considered a major waiver.

[4] Except along Goliad between Washington and Kaufman, where existing building lines will be enforced.

[5] Sidewalk tables may be allowed by the city in retail areas.

[6] Except Rusk between St. Augustine and Alamo Streets where existing historic building lines will be enforced.

IV. *Buildings.*

A. *Intent.* It is the intent of this zoning district to create an attractive and active village style district and the size, disposition, function, and design of buildings, play an important role in achieving that goal.

1. Buildings should directly contribute to the attractiveness, safety and function of the street and other public areas.

2. Buildings that accommodate retail at grade should feature the retail activity over the building's architecture.

3. Buildings should be constructed in a manner, and with materials, that are highly durable and will continue to endure and be attractive over a long time, especially adjacent to public and pedestrian areas.

4. It is intended by this zoning district to encourage a variety of building and design solutions in response to the standards and regulations outlined herein.

RETAIL SHOULD BE EMPHASIZED OVER THE BUILDING ARCHITECTURE WHERE IT IS PRESENT

B. *Building standards.*

1. *Building form.*

a) The maximum retail area allowed for a single user shall be 40,000 square feet. Any lease which exceeds this size shall require approval of a major waiver.

b) All buildings shall be designed and constructed in tri-partite architecture so that they have a distinct base, middle and top.

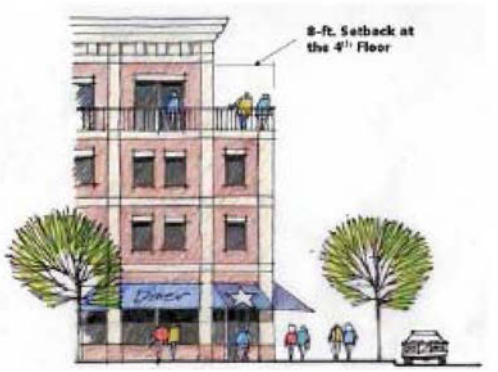
c) Buildings which are located on axis with a terminating street or at the intersection of streets shall be considered a feature building. Such buildings shall be

TRI-PARTITE ARCHITECTURE: BUILDINGS WITH A "BASE," "MIDDLE" AND "TOP"

designed with features which take advantage of that location, such as an accentuated entry and a unique building articulation which is off-set from the front wall planes and goes above the main building eave or parapet line.

2. *Architectural features.*

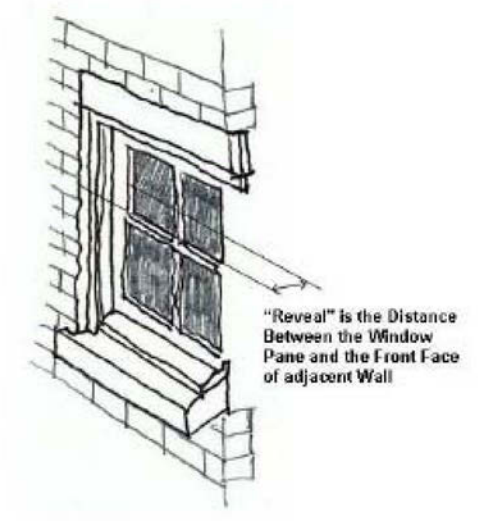
a) Buildings which are greater than three stories in height must be set back at the fourth floor at least eight feet behind the building face of the first three floors along street frontages. Any change to this standard shall be considered a major waiver.



b) Windows shall have at least a four-inch reveal and except for retail at grade, shall be vertical in proportion.

c) No glass curtain wall shall be permitted except by approval of major waiver.

d) Each building and separate lease space at grade along the street edge shall have a functioning primary entry from the sidewalk. Such entries must be inset from the front building plane by at least five feet. Secondary entries may be set back as little as three feet. Functioning entries must be located no greater than 30 feet apart. Corner entries may count as a primary entry for both intersecting street frontages.



e) Architectural elements of the primary building facade may encroach beyond the build-to line by up to five feet provided that pedestrian flow will not be significantly impeded, with a minor waiver. These elements may include stoops, porches, bay windows, eaves, planters and light wells for a belowgrade floor. Balconies, canopies and awnings are not limited in their encroachment, provided that they do not substantially interfere with pedestrian movement and street tree growth. This does not apply to the historic core.

3. *External facade materials.* The following shall apply to all exterior walls of buildings and parking structures which are clearly visible from a public street, walkway or open space:

a) Ground floor exterior walls, excluding windows, doors, and other openings, shall be constructed of 100 percent brick, natural or cast stone on the exterior facade.

b) Overall, a minimum of 85 percent of exterior walls which face on a street right-of-way, plaza or open space, excluding windows, doors, and other openings, shall be constructed of brick, natural or cast stone. Where such a wall turns a corner, the surface materials shall continue around the corner a minimum of eight feet.

c) The remainder may be constructed of noncombustible materials including exterior stucco and class PB exterior insulating and finishing systems (EIFS). Stucco and EIFS shall be used only for walls, architectural features, and embellishments not subject to pedestrian contact. On wholly residential structures, cementitious fiberboard may be used for up to ten percent of the facade provided it is above the ground floor.

d) Unpainted metal, or metal subject to ordinary rusting shall not be used as a building material. Factory finished metal elements as well as metals that develop an attractive oxidized finish, such as copper, galvanized metal, stainless steel or weathering steel, may be used as architectural accents by minor waiver approval.

e) Windows and glazing shall be a minimum of 30 percent up to a maximum of 70 percent of each building elevation. (See 6.b below for special requirements for retail at grade.)

f) A variation of up to 15 percent of the standards above, and the material type may be approved by administrative approval of a minor waiver, provided that the change will result in an improved architectural design without degrading the quality of public areas or increasing the need for maintenance.

4. *Color.*

a) The dominant color of all buildings (including abovegrade parking structures shall be muted shades of warm gray, red, green, beige and/or brown. Black, gold and stark white shall not be used except as an accent color.

There are no restrictions on accent colors which comprise less than 1.0 percent of the building face, except that florescent colors are prohibited.

b) Roof colors shall be a shade of cool gray, warm gray, brown or red.

5. *Residential at grade.*

a) All buildings which are constructed for residential units at grade shall include a primary front door entrance into the unit which may be accessed from the sidewalk. Any change to this standard shall be considered a major waiver.

b) The entry shall be located a minimum of two feet above the sidewalk elevation and include a minimum 24-square-foot stoop. Any change to this standard shall be considered a major waiver.

c) Units must also include windows which provide residents a view of the street and sidewalk area. Any change to this standard shall be considered a major waiver.

d) Lobbies to upper stories may be located at grade level.

e) Balcony and patio railings and fences shall be constructed of wrought iron or metal. Wood fences and railings and chain-link fencing are prohibited. Masonry columns may be used on patios provided that they are used as accents.

6. *Non-Residential at Grade.*

a) The ground floor entry must be located at the approximate elevation of the adjacent sidewalk.

b) Retail uses adjacent to the sidewalk at grade shall:

i. Be constructed to meet fire code separation from any other uses constructed above;
ii. Have a minimum clear height of 16 feet between finished floor and the bottom of the structure above. Mezzanines within the retail space shall be allowed per building code;
iii. Have a canopy which extends at least six feet over the sidewalk for at least 75 percent of the frontage on any portion of a building located on the north, east or west side of a street and public sidewalk; and
iv. Have clear glass windows for at least 60 percent, but no greater than 80 percent, of the ground floor facade.

No outdoor storage is permitted. Outdoor retail display or sales shall require a permit from the city.

V. *Parking.*

A. *Automobile parking.*

1. *Intent.* The following is the intent of the city's parking policies and the Downtown Zoning District:

a) Support the creation of shared parking in order to enable visitors to park once at a convenient location and to access a variety of commercial enterprises in a pedestrian-friendly environment.

b) Manage parking so that it is convenient and efficient, and supports an active and vibrant retail environment.

c) Ensure visibility and ease of access to parking.

d) Maximize on-street parking.

e) Provide flexibility for changes in land uses which have different parking requirements within the district.

f) Provide flexibility for the redevelopment of small sites.

g) Design parking structures so that they do not dominate the public environment by lining the edge of structures with residential or commercial uses.

h) Avoid diffused, inefficient single-purpose reserved parking.

i) Avoid adverse parking impacts on residential neighborhoods.

(Ord. No. 10-14, § 33, 7-6-2010)

2. *Parking requirements. Off-street and on-street facilities shall be provided as required in article VI of [this Unified Development Code].*

a) *Parking reductions.*

i. Properties in the historic core shall receive a credit for the number of parking spaces which would normally be required for retail use on the ground floor of any existing or new structure. To achieve this credit, however, retail or restaurant use must be located on the ground floor.
ii. In the remainder of the district, on-street parking which is directly in front of the development site may be counted toward the parking requirement for the development.

b) Achieving automobile parking.

i. Parking requirements may be met on-site, curb-side, by lease from the city or its designated authority or by payment of cash-in-lieu of parking to the city or its designated authority.
ii. Due to the limited land area within the historic core and the need to provide off-site parking, development shall be eligible to receive a reduction in the cost for the payment to the city for the required cash fee or the lease payments. The amount and the terms of the reduction shall be determined by the city manager or his designee by individual agreements.
iii. The city manager or designee shall annually establish the following:

- ✓ The leasing rates for city-provided parking spaces as a result of the need to provide such spaces for new development; and
- ✓ The cost of construction of a parking space in a parking structure for the purposes of establishing cash-in-lieu payments.

c) *Parking location.* All off-street parking shall be located behind buildings which face on a street or public open space. Any change to this standard shall be considered a major waiver.

d) *At-grade parking.* Any at-grade parking lots fronting roadways which may be approved shall be set back not less than ten feet from the right-of-way line of such roadways, and screened from view as outlined in subsection VII, Landscaping.

e) *Parking garages.* Parking garages that have frontage on public streets shall comply with all setback and build-to standards as established in table 1, Downtown District Standards, and subsection IV.B.3, External Facade Materials. However:

i. Parking garages which are adjacent to a street shall be set back a minimum of 50 feet and lined with buildings containing any permitted use but parking.
ii. All parking garages shall be constructed with flat parking decks for ease in re-use of all or portions of the structure when parking demand wanes, unless otherwise approved by major waiver.
iii. Off-street below grade parking is permitted to the lot lines, but must be designed to allow for utilities and planting of landscape as defined in subsection VII, Landscaping.

f) Shared Parking.

i. Uses may join in establishing shared parking areas if it can be demonstrated that the parking for two or more specific uses occurs at alternating time periods. Required parking shall be determined based on parking demand for the peak parking period, as determined by a parking analysis study approved by the city's director of planning.
ii. Shared parking shall be clearly designated with signs and markings.

B. Bicycle Parking.

1. *Goals.* Bicycle parking is required in order to encourage the use of bicycles by providing safe and convenient places to park bicycles.

2. *Required bicycle parking.* Bicycle parking shall be provided based on at least one space for each ten automobile parking spaces required as part of the base parking requirements above.

3. *Bicycle parking standards.*

a) *Location.*

i. Required bicycle parking must be located within 50 feet of an entrance to the building. With approval of a minor waiver, bicycle parking may be located in the public right-of-way.
ii. Bicycle parking may be provided within a building, but the location must be easily accessible to bicycles.

b) Covered spaces. If covered spaces for motor vehicles are provided on-site, then 50 percent of the bicycle parking shall also be covered, unless otherwise approved by minor waiver.
c) Signs. If the bicycle parking is not visible from the street, then a sign must be posted indicating the location of the bicycle parking facilities.
d) Rack types and required areas. Bicycle racks and the area required for parking and maneuvering must meet the Downtown District engineering and landscape standards or be approved by minor waiver (see below). Bicycle lockers may also be allowed as part of meeting the bicycle parking requirement, but must be approved as to type and location.

4. Standards for bicycle rack types and dimensions.

a) *Rack type.*

i. Bicycle rack types and standards shall be approved by the city.

b) Parking space dimensions.

i. Bicycle parking spaces must be at least six feet long and two feet wide, and in covered situations, the overhead clearance must be at least seven feet.
ii. An aisle for bicycle maneuvering must be provided and maintained beside or between each row of bicycle parking. This aisle must be at least five feet wide.
iii. Each required bicycle parking space must be accessible without moving another bicycle.
iv. Areas set aside for bicycle parking must be clearly marked and reserved for bicycle parking only.

VI. *Streetscape, lighting and mechanical.*

A. *Intent.*

1. It is the intent of this zoning district to provide a level and consistency of lighting that supports pedestrian activity and promotes safety.

2. The entire district shall utilize the basic fixtures and furnishings in the public areas as may be approved by the city for this district.

3. Mechanical equipment shall not be clearly visible from the street or other public area.

B. Standards.

1. For streetscape and lighting specifications, see the Downtown District engineering and landscape standards in section IX.

2. Lighting elements shall be incandescent, metal Halide, or halogen only. No HID or fluorescent lights (except fluorescent bulbs that screw into standard socket fixtures) may be used on the exterior of buildings.

3. All lighting shall be focused downward or narrowly focused on its intended target such as signing, parking and pedestrian walkways. No lighting source from a commercial activity shall be visible by a residential unit.

4. Mechanical and electrical equipment, transformers, meters, garbage containers and loading areas shall be located and screened so that they are not visible from the street or other public area.

a) Mechanical equipment shall be screened from view from all public roadways and located to minimize noise intrusion to adjacent properties. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

b) All roof-mounted mechanical elements must be screened from view from the public right-of-way and neighboring properties. Screening must be architecturally compatible with the building design.

c) Loading, service and trash storage areas shall be screened from all public roadways. Refuse containers must be placed on a designed, reinforced concrete pad and approach. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

5. Any bicycle parking in the public right-of-way shall be located within the band created by street trees and pedestrian street lights; however, it must be placed in a manner that avoids conflicts with pedestrian and vehicular paths.

VII. *Landscape requirements.* Landscaping within the Downtown District shall comply with the provisions in this subsection, the city's streetscape standards and the standards contained in article VIII, Landscaping Standards, of this Unified Development Code. Where conflicts exist between this district and article VIII, the requirements in this district shall be applied.

A. *Street trees.* Street trees shall be large shade tree species having a minimum caliper of four inches, selected in accordance with the city's landscape standards. Street trees shall be planted at least 20 feet on center.

B. *Plant material.* Front yards shall be landscaped adjacent to residential at grade per the diagram in subsection IV.B.5, Residential at Grade, above. Plant materials shall consist of shade trees, ornamental trees, shrubs, evergreen ground covers, vines, and seasonal color.

C. *Paving material.*

1. Paving material shall be warm toned, natural materials such as brick, stone and concrete. Asphalt may be approved as part of a minor waiver.

2. Gravel as a paving material is prohibited.

D. Parking lot landscape.

1. Landscaping of the internal surface parking area shall not be required unless it is planned to serve as long-term parking. In which case, such long-term surface parking areas shall meet the requirements of subsection VII, Landscaping. For the purpose of this subsection, longterm parking shall be determined by the director of planning, and may include parking which has a likelihood of being in place for a period of ten years or more.

2. Surface parking lots shall be screened from all adjacent public streets and neighboring sites. The screen must extend along all edges of the parking lot and must be three feet in height, 80 percent opaque, and may be accomplished through the use of masonry walls, ornamental metal, evergreen plant materials, or a combination thereof. Planting beds for screen planting shall be a minimum of three feet in width.

3. Interior parking lot landscape shall be consistent with article VIII, Landscape Standards of the Unified Development Code.

4. Parking spaces shall not exceed ten spaces in a row without being interrupted by a landscaped island (nine-foot minimum). Islands shall be planted with a minimum of one shade tree for every ten cars.

VIII. *Administration.*

A. *Intent.* It is the intent that a developer or builder who wishes to develop under this zoning district will be processed in an expedited manner with administrative approvals, and may in fact qualify for incentives under other separate city programs. However, if there are substantial major waivers requested, additional approvals shall be required which may delay development progress.

B. *Waivers of design standards.*

1. For the purposes of this district, there shall be two types of waivers of design standards: minor and major. Requests for waivers shall not be subject to review or decision by the zoning board of adjustment. A waiver request may only be made in conjunction with an application for a downtown development plan.

2. Minor waivers are those changes to design standards in the Downtown District identified in subsection III.B. Minor waivers may be approved administratively by the director of planning or his designee in conjunction with a decision on an application for approval of a downtown development plan. All minor waivers must meet the full intent of this zoning district as stated in section I. Appeals to decisions concerning minor waivers may be made to the Planning and Zoning Commission.

(Ord. No. 10-14, § 34, 7-6-2010)

3. Major waivers are major changes to the design standards in the Downtown District~~, including any change not identified in subsection III.C~~. Major waivers may only be approved by the city council, following a recommendation by the planning and zoning commission, in conjunction with a decision on an application for approval of a downtown development plan. ~~In order to approve a major waiver, the city council must find that the waiver:~~ Examples of major waivers are listed in Subsection III.B above; however, the City Council reserves the right to grant a major waiver to any standard not specifically designated as a minor waiver contained in this article pending the City Council finds that the waiver:

a) Meets the general intent of this district in which the property is located;
b) Will result in an improved project which will be an attractive contribution to the district; and
c) Will not prevent the realization of the intent of this district.

4. The city may impose conditions on granting any waiver to mitigate negative impacts neighboring properties or public streets or open space.

C. *Downtown development plan approval.*

1. Prior to obtaining a building permit, a downtown development plan must be approved by the director of planning or his designee, to certify that it meets the purpose, intent and standards contained in this zoning district.

2. Downtown development plans must include the following information:

a) Site plan.
b) Building elevations and sections.
c) Building function/proposed use.
d) Parking standards being met.
e) Landscape plan.
f) Any waivers being requested.

3. Applications for downtown development plan approval shall be reviewed within 30 days of being formally accepted by the city. At such time, the approval, approval with conditions or denial shall be forwarded to the applicant. However, applications including a request for a major waiver shall be scheduled for planning and zoning commission and city council action.

4. Denial of a downtown development plan may be appealed to the planning and zoning commission and city council within 30 days of notification of such denial.

D. Lapse of Approval. If a building permit has not been obtained within two years following approval of the downtown development plan, such plan shall lapse unless the property owner requests an extension prior to the expiration of the two-year period. The request for an extension shall be considered by the planning director, or he may at his discretion refer the decision to the planning and zoning commission and city council in the same manner as for approval of the downtown development plan. The director (or council, upon recommendation by the commission) may grant an extension of the time for expiration of the downtown development plan for a period not to exceed one year from the date of initial approval of the application. Every request for an extension shall include a statement of the reasons why the expiration date should be extended. The decision-maker may grant a request for extension upon demonstration that circumstances beyond the control of the applicant have resulted in the applicant's inability to perform the tasks necessary to prevent the downtown development plan from expiring before the lapse date. The commission or the council also may terminate the downtown development plan or may attach additional conditions to the extension of the plan.

E. Platting in the downtown district. Plats in the Downtown District shall ensure public access easements over sidewalk areas and shared drive access.

IX. *Downtown district engineering and landscape standards.*

A. *Downtown Plan.* The Downtown District Engineering and Landscape Standards shall be in accordance with the approved Rockwall Downtown Plan.

B. *Street Trees.*

1. Trees which may be planted adjacent to sidewalks, alleys and streets are limited to:

a) Cedar Elm.
b) Texas Red Oak.
c) Homestead Elm.
d) Lace Bark Elm.
e) Bald Cypress.
f) Chinese Pistachio.
g) October Glory Maple.
h) Pecan.
i) Texas Ash.
j) Live Oak.
k) Southern Magnolia.

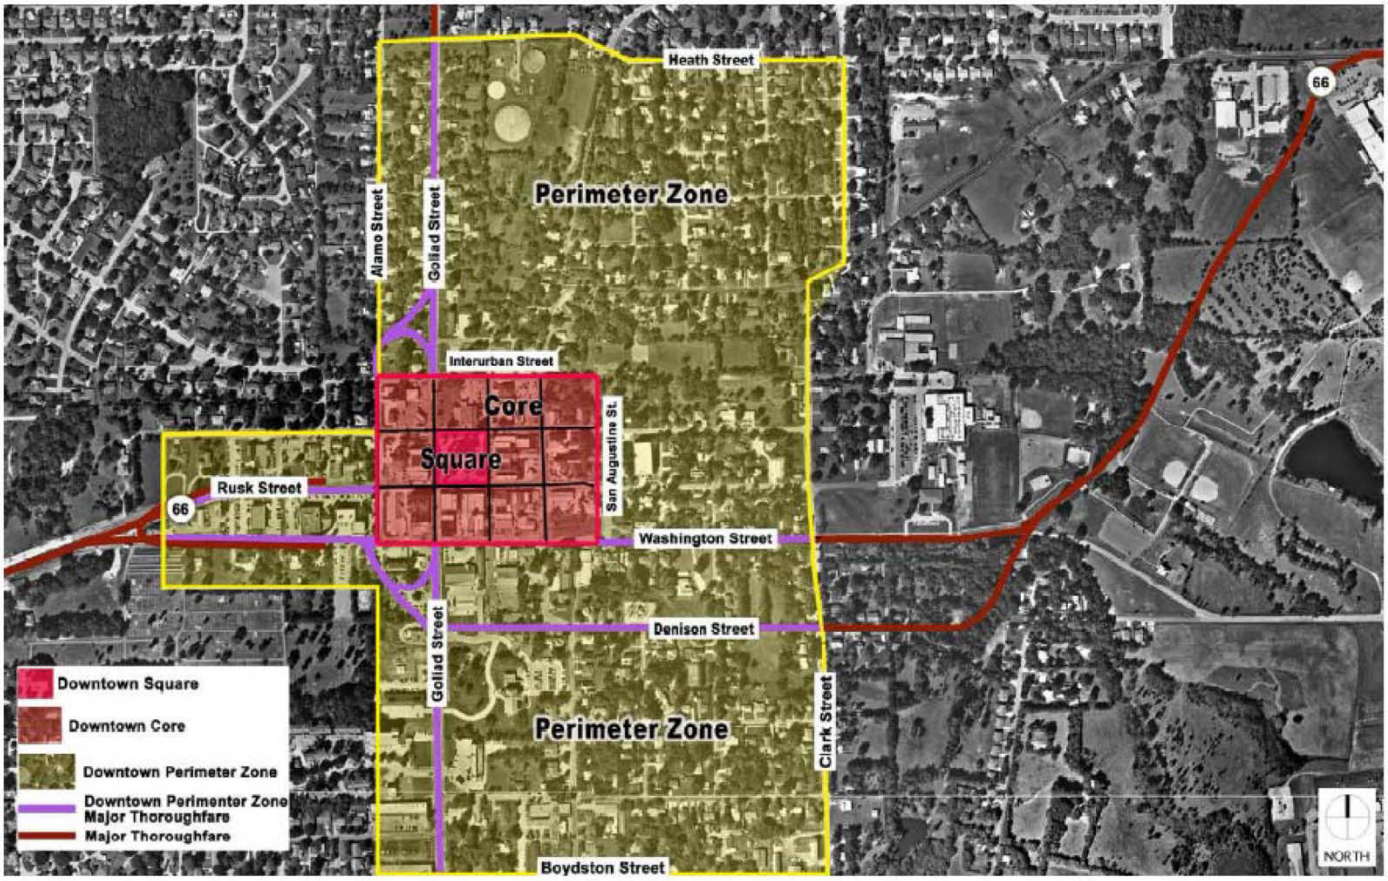
l) Bald Cypress.
m) “Little Gem” Magnolia.
n) Chinquapin Oak.
o) Sycamore.
p) Burr Oak.
q) Eve's Necklace.
r) Eastern Red Cedar.
s) Various native under-story trees such as Texas Redbud, Mexican Plum, Downy Hawthorn, and Wax Myrtle.

2. Shade trees shall be used for all formal street tree planting unless prohibited by the Texas Department of Transportation, in which case smaller ornamental trees may be used.

3. Each street shall be planted with a focus on one species to reinforce street character.

C. *Street Furniture.*

1. The Downtown District shall utilize the following “street furniture” in accordance with the following map:



Streetscape Element	Images	Streetscape Element Symbol/General Location	Catalog Number	Description

Note to Product Specifier: All streetscape elements described here within, are not intended to be the final product specification. The electrical engineer, architect, landscape architect or other professional designer should verify the product color, material and style number, prior to placing the final streetscape element order with manufacturer and supplier. Lighting fixture and traffic signal electrical voltage supply, circuiting, photometrics and final fixture location needs to be specified by a registered electrical engineer, with all fixture footings checked by a registered structural engineer, prior to installation.

l Downtown Square and Core Streets.

1	Light standard		A1 — All commercial streets of the Core	AAL/2-PRMN H3 or H5/150 to 175 watt MH lamp (voltage)/2-TRA5U arms/DB6 base with 4” round 15' ht. pole/PN A50596-1	Architectural Area Lighting (AAL); Promenade Series, Fixture: 2-PRMS Double Pedestrian Light Standard with a H3 or H5 horizontal lamp reflector, 150 watt to 175 watt metal halide lamp, medium base socket for use with E - 17 lamps; (voltage); CHM glass chimney, with brass holder, and DBZ dark bronze color. Arm: # 2-TRA5U Period Arm, one piece cast aluminum, and DBZ dark bronze color. Pole, Base and Pole Cap: DB6 4R16-125, 4” OD round straight aluminum, 15' tall (special) with a DB6 base, 36” ht. × 15” base diameter; P/N A50596-1, Small cast final at pole top, DBZ dark bronze color.
2	Light standard		A2 — Limited to Downtown Square and San Jacinto St. Pedestrian way		Same as A1 above except with the optional BPS - fixture struts are finished in a brass colored powder coating.
3	Traffic signal		D1 — All commercial streets of the Core, if needed		Valmont Traffic Structures. Pole/Base/Pole Sphere Final: Tapered, round standard galvanized steel pole, with an aluminum ball final on the pole top (Ball Top “FCA-BL Series # FCA/BL/A/ (Estimate a 10” diameter ball, verify final size with top diameter range at top of pole/DB, dark bronze); pole base has an ornamental cast nut cover, color of complete traffic structure is a galvanized + powder coated finish, color = dark bronze to match Historic District street sign blades. Arm: Tapered, round standard arm, with an aluminum ball final on the end of the arm (Ball Top “FCA-BL Series # FCA/BL/A/(Estimate a 5” diameter ball, verify final size with top diameter range at the end of the arm after arm length is specified)/DBZ, dark bronze color. Signals: TXDOT standard signal, black color with black silhouettes, mount tightly to signal arm with black connections, so as to eliminate any visible gaps between silhouette and arm. Street Sign: Sign blade to match Historic District colors, font and sign format.
4	Traffic signal with light standard		D2 — All commercial streets of the Core, if needed		Same as D1 traffic signal, except pole is “typical “Standard Combination Structure” with AAL (B2 type) light; Arm is a (Modified) WMA 12 “Sheppard's Crook” contemporary arm modified to accept the Valmont pole, DBZ, dark bronze color.
5	Light standard banner brackets		At selected streets		Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4” O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind. (Verify banner bracket locations and mounting height); DBZ, dark bronze color, polester powder finish.

6	Benches		All commercial streets of the Core	Du Mor Bench # 140 - 60 and # 140-80	Du Mor Site Furnishings. Bench 140 - in 6 ft. and 8 ft. lengths, All welded seat assembly, Seating Surface: 1/4” × 1 1/2” HR steel bar 2-3/8” O.D. Sch 40 steel pipe, cast iron supports, bracing 1 1/16” O.D. steel pipe, stainless steel fasteners, dark bronze color polyester powder finish.
7	Trash receptacles		All commercial streets of the Core	Du Mor Receptacle 84-22DM	Du Mor Site Furnishings. Trash Receptacle 84-22, 22 gallon all steel Receptacle, 150 lbs., top edge: 5/8” diameter steel bar; Vertical straps: 1/4” × 3” steel bar with a 22 gallon plastic liner, cover; Spun 14 gauge steel with vinyl coated cable; and a Dome Top, dark bronze color in a polester powder finish.
8	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
9	Street sign brackets		At non signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
10	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze color to match the Historic District street sign blades.
11	Bollards		Limited to Downtown Square	Sternberg Vintage Lighting, Ornamental Bollard #4501	Sternberg Vintage Lighting. Ornamental Steel Bollard # 4501, 5 1/4” diameter straight tubing (no fluting), 30” high, 8” dia. base, no internal light, DBZ, dark bronze color to match the Historic District street sign blades.

II Downtown Perimeter Zone Streets

1	Light standard		B1 — All neighborhood residential streets		Same as A1 above except as a single headed fixture.

2	Light standard		B2 — Limited to north and south sections of Goliad St. inside the Downtown Zone, and at intersections on Clark, Washington and Denison Streets inside the Downtown Zone.	AAL/PRM2 (H2, H3, H4, H5)/250 watt MH horizontal lamp (Voltage)/ARM: (modified) SLA 4 arm to accept the 5” dia. post/tendon/5” O.D. smooth round aluminum pole/DB 10 base/P/N A50575 Large Cast Finial.	Architectural Area Lighting (AAL). Promenade Series, Fixture: PRM2 - (H2, H3, H4 and H5), 250 watt Metal Halide Horizontal lamp, (Voltage), DBZ dark bronze color, Arm: (Modified) SLA 4 arm (Sheppard's Crook) to accept the 5” dia. post/tendon, DBZ, dark bronze color, polester power finish. Pole, Base and Pole Cap: 5” O.D. diameter, smooth round aluminum pole, with a DB 10 ornamental base that is 48” high with an 18” base diameter, Large Cast Finial # P/N A50575 20” high × 5 1/2” O.D. that fits on top of pole, DBZ dark bronze color, polester powder finish.
3	Light standard		C — Current Standards. All thoroughfares (SH 66, Goliad, Washington and Denison Streets) inside the Downtown Perimeter Zone (existing and new routed thoroughfares)		Existing “Shoe Box” Style Light Standard
4	Light standard banner brackets		At selected streets	AAL — Banner Arm 2-BBD4-18	Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4” O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind., (Verify banner bracket locations and mounting height) DBZ dark bronze color.
5	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
6	Street sign brackets		At non-signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
7	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze to match the Historic District street sign blades.
III	Major Thoroughfares and Parkways				
1	Lighting		C — Current standards		Existing “Shoe Box” Style Light Standard painted dark bronze.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 4.8, *DOWNTOWN (DT) DISTRICT*, OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 4.8, *Downtown (DT) District,* of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That Section 4.8, *Downtown (DT) District,* of Article V, *District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance.

Section 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 3. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 4. That this ordinance shall take effect immediately from and after its passage and

DRAFT ORDINANCE 08.22.17

the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF MAY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

1st Reading: April 17, 2017
2nd Reading: May 1, 2017

DRAFT ORDINANCE 03.28.2017

I. *Purpose, Goals and Intent.*

A. *Purpose.* The purpose of the Downtown District is to implement the adopted recommendations of the comprehensive plan and Downtown Plan by encouraging new development and redevelopment in the Downtown area.

The goals of this zoning district are:

1. To make the downtown area a sustainable "Great Place" within the region that will attract high quality investment and reinvestment over time.

2. To capitalize on the existing historic character of the downtown and provide Rockwall with a thriving downtown center.

3. To provide development and land use flexibility within the framework of a form-based development zoning district.

4. To provide a mix of residential, retail and office uses in a pedestrian-friendly environment.

The intent of this zoning district is:

1. To provide a comfortable and attractive environment for pedestrians which include such things as buildings framing public space, street trees, lighting and awnings that will attract pedestrians.

2. To construct continuous building frontage along block faces except where it is desirable to provide for pedestrian and auto pass-throughs to parking at mid-block.

3. To provide shared and consolidated parking both on-street and in the center of blocks that will benefit the entire district.

4. To contribute to the definition and use of public sidewalks, parks and plazas.

5. To design and build an infrastructure of buildings to accommodate a range of uses over time without the need to destroy older buildings and rebuild them for each successive use.

6. To design streets and buildings which will contribute to creating a safe environment.

II. *Definitions.* For the purposes of this section, the following definitions shall apply.

Building facade, primary. Any facade that faces a public street or open space.

Downtown District engineering and landscape standards (district standards). Any approved city standards which govern such items as street, streetscape, drainage, signage and other public improvements in the Downtown District.

Entry, primary. The main entry to a building on a block face. There must be at least one main building entry for each ground floor use, tenant or lobby on each block face which contains the use or tenant. Any additional building entries may be considered a secondary entry.

Feature buildings. Buildings which are located on axis with a terminating street or open space, or at the intersection of streets. Such buildings shall incorporate architectural features

FEATURE BUILDING EXAMPLES

DRAFT ORDINANCE 08-28-2017

which address height and articulation that emphasize the importance of such a location.

Historic core. See the regulating plan for historic core boundaries which is on file in the city secretary's office.

Parking, long-term. Customer or tenant parking which is intended for the primary use of vehicles parked for a duration of more than two hours and neither priced nor managed to encourage turnover.

Parking, reserved. Parking which is assigned or reserved for tenants or visitors of a building or business.

Parking, shared. Parking which is shared by tenants, visitors and the public. Hours of availability may be further defined in cooperation with the city.

Parking, short-term. Customer or tenant parking which is intended to serve commercial businesses or residential uses that has a regular turnover of two hours or less.

Regulating plan. The plan approved by the city which applies the Downtown District and which identifies certain subdistricts and the location of required retail at grade, among other items.

Stoop. A structure that is located approximately at the level of the first floor of the structure and intended to provide access to a residential unit.

Story. That portion of a building, other than a basement, included between the surface of any floor and the surface of the floor next above it, or if there is no floor above it, then the space between the floor and the ceiling above the floor of such story. This includes any mezzanine or loft which may comprise only a portion of a full floor plate.

Waiver to design standards, major (major waiver). A significant change to both the standards and intent of this zoning district, and involves planning and zoning commission and city council approval.

Waiver to design standards, minor (minor waiver). A minor change to the standards, but not the intent, of this zoning district and involves staff approval.

III. *General District Standards.*

A. Regulating plan.

1. *Authority.* A regulating plan is the coding key for application of this district's provisions to properties, and shall be considered part of this zoning district. It may establish such things as:

    a) Major street types within the district;
    b) Sub-district areas;
    c) Required at-grade retail construction;
    d) Public open space and plazas; and
    e) Regional hike and bike corridors.

2. *Zoning of Property.*

    a) *Downtown Development Plan Required.* An approved downtown development plan which is consistent with this [Unified Development Code] and the regulating plan shall be required prior to issuance of any building permit.

    b) *Nonconformity.* Uses which are legal and conforming at the time of rezoning to the Downtown District shall continue as legal conforming uses under their current standards until those uses are deemed abandoned, e.g.:

        i. They have been replaced with a conforming use;
        ii. Such building or structure is or hereafter becomes vacant and remains unoccupied or out of use for a continuous period of six months, or the special equipment and furnishings peculiar to the nonconforming use have been removed from the premises and have not been replaced within such six-month period; or
        iii. The intention of the owner to permanently discontinue the use is apparent.

DRAFT ORD 03.28.2017

B. *Waivers of Design Standards.* In order to provide flexibility and create high quality projects, standards in the Downtown District may receive a waiver from City staff, the Planning and Zoning Commission, and/or the City Council. (See subsection VIII.B, Waivers, below, for applicability, processes and procedures.)

Minor waivers are limited to the following:

- ☑ Depth or height of required retail space.
- ☑ Requirement to line a parking garage with buildings.
- ☑ Requirement for continuous building frontage.
- ☑ Establishment of build-to line.
- ☑ Encroachment into the build-to line.
- ☑ Residential landscape requirement.
- ☑ Increased building height for "feature" buildings.
- ☑ Design of buildings without tri-partite architecture.
- ☑ Required frequency of building entries along a street edge.
- ☑ Window detailing.
- ☑ Exterior building materials.
- ☑ Exterior building color.
- ☑ Retail at grade design standards.
- ☑ Balcony and patio railing.
- ☑ Landscape standards.
- ☑ Location of bicycle parking.

Major waivers may include -- *but are not limited to* -- the following:

- ☑ Required retail construction.
- ☑ Building height for non-feature buildings.
- ☑ Exceeding the maximum leasable retail area.
- ☑ Required setback of the fourth floor and above.
- ☑ Residential at grade design standards.
- ☑ Parking requirements.
- ☑ Parking garage design standards.

C. *Function/Land Use.*

1. *Land use.*

a) Retail, personal service, residential and office uses shall be allowed throughout the district. For a specific list of permitted uses, see article IV, Permissible Uses, table 1, Land Use Tables.

b) Where "required retail construction" is designated on the regulating plan, the ground floor adjacent to the street shall be constructed to retail building standards for a depth of at least 50 feet, however, a smaller depth may be allowed if the retail is serving as a "liner" use which is masking a parking garage by minor waiver.

c) All access drives shall require a minor waiver.

D. *Block Face.* It is intended that building walls should be continuous along block faces to create a strong edge to the street and contribute to creating an attractive and active pedestrian environment. Contributing to that goal, however, is to allow some limited variation and opportunities for outside dining, pocket parks and special building entry features.

1. *Block length.* The length of new blocks should not be less than 200 feet, nor more than 600 feet.

2. Block faces shall contain continuous building frontage with the exception of a mid-block access to parking which is no greater than 34 feet in width and 16 feet in height.

OUTDOOR DINING

DRAFT ORDINANCE 03.28.2017

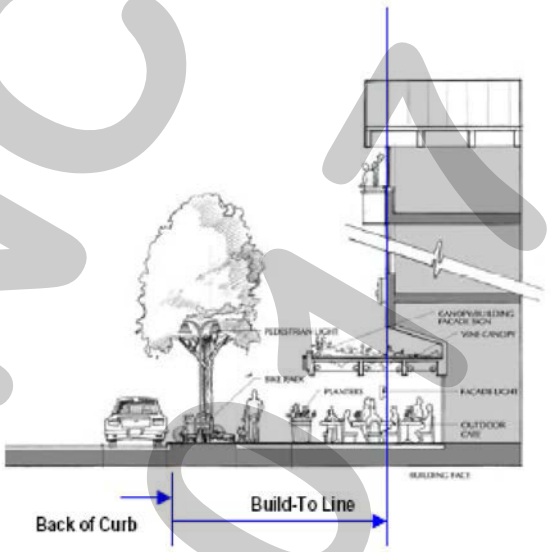
"Continuous building frontage" will be considered to be met if the primary building facade is located within five feet of the build-to line requirement. However, administrative approval of a minor waiver will permit up to 15 percent of the building frontage to be up to 15 feet behind the build-to line provided that it results in an attractive outdoor dining area, building entry feature or other amenity which contributes to the streetscape. A greater increase shall require approval of a major waiver.

3. Facades shall generally be built parallel to the street frontage, except at street intersections, where a corner facade containing a primary building entrance may be curved or angled toward an intersection.

4. *Build-to lines (setbacks).*

a) Build-to lines shall be measured from the planned street back-of-curb, as established on the approved regulating plan for the district and the standards in this [Unified Development Code] (see table 1, Downtown District Standards below), or the city's approved thoroughfare plan. The entire area between the back-of-curb and the primary building facade shall be dedicated as public right-of-way or have a public easement placed upon it.

b) Awnings may encroach above the public sidewalk without limit, provided they leave a minimum clearance of 7.5 feet above the sidewalk, and are set back a minimum of 18 inches from the back of curb and will not impede street tree growth.



E. *Streetscape and Landscape.*

1. Streetscape standards shall be established by the city for sidewalk paving, street trees, tree grates, lighting fixtures, trash receptacles and benches for both residential and nonresidential ground-level frontages.

2. Nonresidential ground floor frontages shall not be required to provide additional landscaping beyond that required in the Downtown District engineering and landscape standards.

3. Residential ground floor frontages shall be required to landscape a minimum of five feet between the edge of sidewalk and the primary building facade, excluding access to sidewalks, stairs, stoops, porches and patios. This area may be landscaped with ground cover, low shrubs, ornamental trees and street trees. In addition, street tree wells may also be landscaped. Landscaping for tree wells is limited to ground cover and low shrubs.

A. *Table 1.* Downtown District Standards

Building Height	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Building Height [1 & 3]	Max. 4 Stories Min. 2 Stories	Max. 2 Stories [1] Min. 2 Stories	Max. 4 Stories Min. 2 Stories

Build-to line [2]	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Goliad Street and Alamo Street [4]	20 feet	20 feet	18 feet
Rusk, Washington and Dennison Streets [5]	20 feet	20 feet	24 feet
All other roads	18 feet	18 feet	18 feet

Pedestrian Walkway Width	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Non-Residential	10 feet	10 feet	10 feet [5]

DRAFT ORDINANCE 03.28.2017

Residential [6]	6 feet	6 feet	6 feet

Notes:

[1] Maximum of 2 stories when the building is within 200 feet of single-family zoned property.

[2] Build-to lines are measured from the "back of curb" of the planned street as set out in the approved regulating plan for the district. The setback range is established for the block face. (*See Sub-section III.D, Block Face, above.)*

[3] Increased height for feature buildings may be approved as part of site plan approval by minor waiver. Additional height for other buildings shall be considered a major waiver.

[4] Except along Goliad between Washington and Kaufman, where existing building lines will be enforced.

[5] Sidewalk tables may be allowed by the city in retail areas.

[6] Except Rusk between St. Augustine and Alamo Streets where existing historic building lines will be enforced.

IV. *Buildings.*

A. *Intent.* It is the intent of this zoning district to create an attractive and active village style district and the size, disposition, function, and design of buildings, play an important role in achieving that goal.

1. Buildings should directly contribute to the attractiveness, safety and function of the street and other public areas.

2. Buildings that accommodate retail at grade should feature the retail activity over the building's architecture.

3. Buildings should be constructed in a manner, and with materials, that are highly durable and will continue to endure and be attractive over a long time, especially adjacent to public and pedestrian areas.

4. It is intended by this zoning district to encourage a variety of building and design solutions in response to the standards and regulations outlined herein.

RETAIL SHOULD BE EMPHASIZED OVER THE BUILDING ARCHITECTURE WHERE IT IS PRESENT

B. *Building standards.*

1. *Building form.*

a) The maximum retail area allowed for a single user shall be 40,000 square feet. Any lease which exceeds this size shall require approval of a major waiver.

b) All buildings shall be designed and constructed in tri-partite architecture so that they have a distinct base, middle and top.

TRI-PARTITE ARCHITECTURE: BUILDINGS WITH A "BASE," "MIDDLE" AND "TOP"

DRAFT ORDINANCE 03-28-17

c) Buildings which are located on axis with a terminating street or at the intersection of streets shall be considered a feature building. Such buildings shall be designed with features which take advantage of that location, such as an accentuated entry and a unique building articulation which is off-set from the front wall planes and goes above the main building eave or parapet line.

2. *Architectural features.*

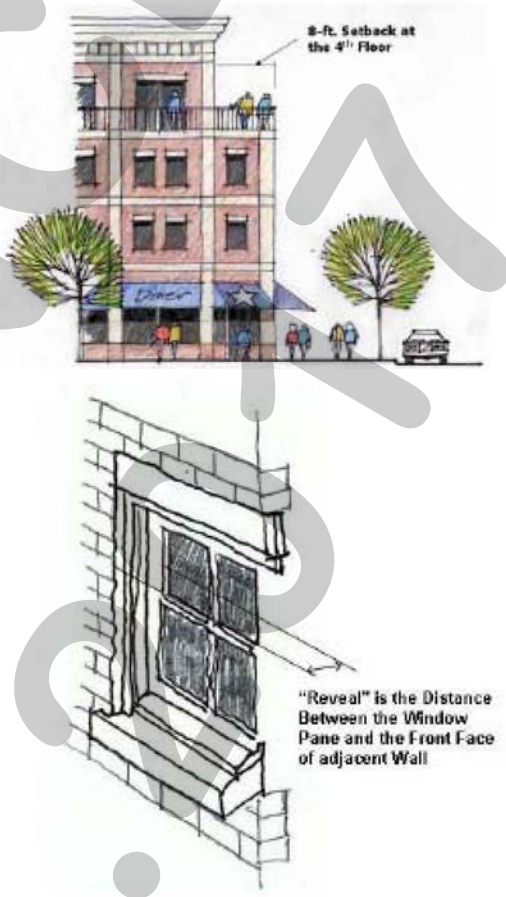
a) Buildings which are greater than three stories in height must be set back at the fourth floor at least eight feet behind the building face of the first three floors along street frontages. Any change to this standard shall be considered a major waiver.

b) Windows shall have at least a four-inch reveal and except for retail at grade, shall be vertical in proportion.

c) No glass curtain wall shall be permitted except by approval of major waiver.

d) Each building and separate lease space at grade along the street edge shall have a functioning primary entry from the sidewalk. Such entries must be inset from the front building plane by at least five feet. Secondary entries may be set back as little as three feet. Functioning entries must be located no greater than 30 feet apart. Corner entries may count as a primary entry for both intersecting street frontages.

e) Architectural elements of the primary building facade may encroach beyond the build-to line by up to five feet provided that pedestrian flow will not be significantly impeded, with a minor waiver. These elements may include stoops, porches, bay windows, eaves, planters and light wells for a belowgrade floor. Balconies, canopies and awnings are not limited in their encroachment, provided that they do not substantially interfere with pedestrian movement and street tree growth. This does not apply to the historic core.



3. *External facade materials.* The following shall apply to all exterior walls of buildings and parking structures which are clearly visible from a public street, walkway or open space:

a) Ground floor exterior walls, excluding windows, doors, and other openings, shall be constructed of 100 percent brick, natural or cast stone on the exterior facade.

b) Overall, a minimum of 85 percent of exterior walls which face on a street right-of-way, plaza or open space, excluding windows, doors, and other openings, shall be constructed of brick, natural or cast stone. Where such a wall turns a corner, the surface materials shall continue around the corner a minimum of eight feet.

c) The remainder may be constructed of noncombustible materials including exterior stucco and class PB exterior insulating and finishing systems (EIFS). Stucco and EIFS shall be used only for walls, architectural features, and embellishments not subject to pedestrian contact. On wholly residential structures, cementitious fiberboard may be used for up to ten percent of the facade provided it is above the ground floor.

d) Unpainted metal, or metal subject to ordinary rusting shall not be used as a building material. Factory finished metal elements as well as metals that develop an attractive oxidized finish, such as copper, galvanized metal, stainless steel or weathering steel, may be used as architectural accents by minor waiver approval.

DRAFT ORDINANCE 03.28.17

e) Windows and glazing shall be a minimum of 30 percent up to a maximum of 70 percent of each building elevation. (See 6.b below for special requirements for retail at grade.)

f) A variation of up to 15 percent of the standards above, and the material type may be approved by administrative approval of a minor waiver, provided that the change will result in an improved architectural design without degrading the quality of public areas or increasing the need for maintenance.

4. Color.

a) The dominant color of all buildings (including abovegrade parking structures shall be muted shades of warm gray, red, green, beige and/or brown. Black, gold and stark white shall not be used except as an accent color.

There are no restrictions on accent colors which comprise less than 1.0 percent of the building face, except that florescent colors are prohibited.

b) Roof colors shall be a shade of cool gray, warm gray, brown or red.

5. Residential at grade.

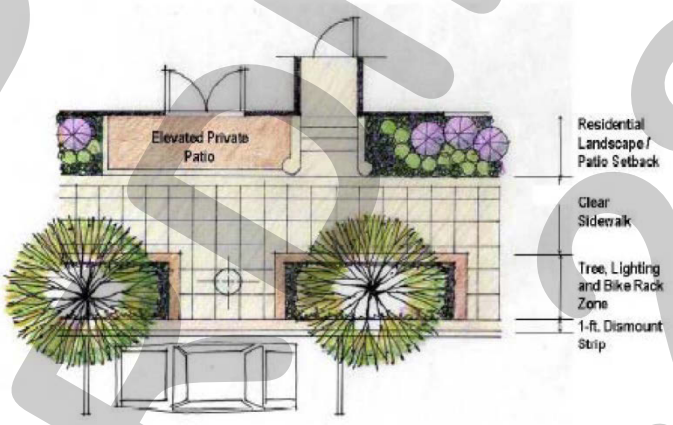
a) All buildings which are constructed for residential units at grade shall include a primary front door entrance into the unit which may be accessed from the sidewalk. Any change to this standard shall be considered a major waiver.

b) The entry shall be located a minimum of two feet above the sidewalk elevation and include a minimum 24-square-foot stoop. Any change to this standard shall be considered a major waiver.

c) Units must also include windows which provide residents a view of the street and sidewalk area. Any change to this standard shall be considered a major waiver.

d) Lobbies to upper stories may be located at grade level.

e) Balcony and patio railings and fences shall be constructed of wrought iron or metal. Wood fences and railings and chain-link fencing are prohibited. Masonry columns may be used on patios provided that they are used as accents.



6. Non-Residential at Grade.

a) The ground floor entry must be located at the approximate elevation of the adjacent sidewalk.

b) Retail uses adjacent to the sidewalk at grade shall:

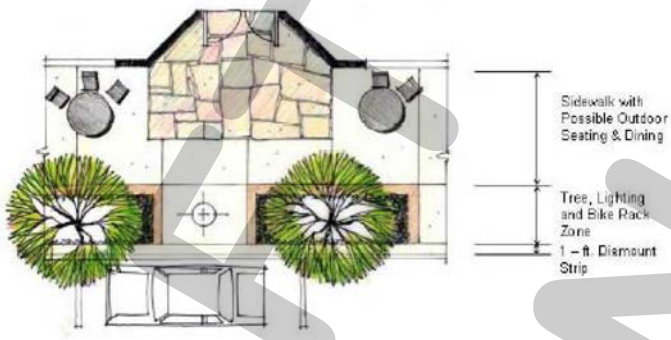
i. Be constructed to meet fire code separation from any other uses constructed above;
ii. Have a minimum clear height of 16 feet between finished floor and the bottom of the structure above. Mezzanines within the retail space shall be allowed per building code;

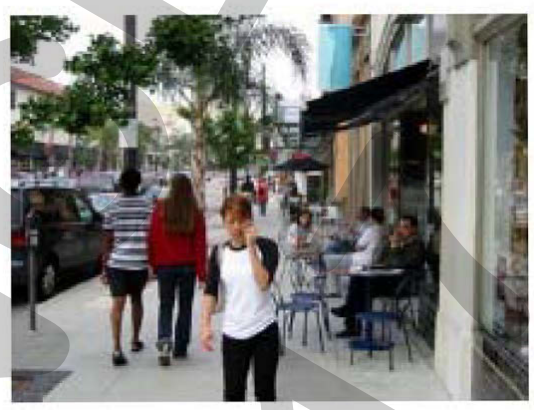
DRAFT ORDINANCE 03.29.2017

iii. Have a canopy which extends at least six feet over the sidewalk for at least 75 percent of the frontage on any portion of a building located on the north, east or west side of a street and public sidewalk; and

iv. Have clear glass windows for at least 60 percent, but no greater than 80 percent, of the ground floor facade.

No outdoor storage is permitted. Outdoor retail display or sales shall require a permit from the city.





V. *Parking.*

A. *Automobile parking.*

1. *Intent.* The following is the intent of the city's parking policies and the Downtown Zoning District:

a) Support the creation of shared parking in order to enable visitors to park once at a convenient location and to access a variety of commercial enterprises in a pedestrian-friendly environment.

b) Manage parking so that it is convenient and efficient, and supports an active and vibrant retail environment.

c) Ensure visibility and ease of access to parking.

d) Maximize on-street parking.

e) Provide flexibility for changes in land uses which have different parking requirements within the district.

f) Provide flexibility for the redevelopment of small sites.

g) Design parking structures so that they do not dominate the public environment by lining the edge of structures with residential or commercial uses.

h) Avoid diffused, inefficient single-purpose reserved parking.

i) Avoid adverse parking impacts on residential neighborhoods.

(Ord. No. 10-14, § 33, 7-6-2010)

2. *Parking requirements. Off-street and on-street facilities shall be provided as required in article VI of [this Unified Development Code].*

a) *Parking reductions.*

i. Properties in the historic core shall receive a credit for the number of parking spaces which would normally be required for retail use on the ground floor of any existing or new structure. To achieve this credit, however, retail or restaurant use must be located on the ground floor.

ii. In the remainder of the district, on-street parking which is directly in front of the development site may be counted toward the parking requirement for the development.

b) Achieving automobile parking.

DRAFT ORDINANCE 03.28.2017

i. Parking requirements may be met on-site, curb-side, by lease from the city or its designated authority or by payment of cash-in-lieu of parking to the city or its designated authority.
ii. Due to the limited land area within the historic core and the need to provide off-site parking, development shall be eligible to receive a reduction in the cost for the payment to the city for the required cash fee or the lease payments. The amount and the terms of the reduction shall be determined by the city manager or his designee by individual agreements.
iii. The city manager or designee shall annually establish the following:

- ✓ The leasing rates for city-provided parking spaces as a result of the need to provide such spaces for new development; and
- ✓ The cost of construction of a parking space in a parking structure for the purposes of establishing cash-in-lieu payments.

c) *Parking location.* All off-street parking shall be located behind buildings which face on a street or public open space. Any change to this standard shall be considered a major waiver.

d) *At-grade parking.* Any at-grade parking lots fronting roadways which may be approved shall be set back not less than ten feet from the right-of-way line of such roadways, and screened from view as outlined in subsection VII, Landscaping.

e) *Parking garages.* Parking garages that have frontage on public streets shall comply with all setback and build-to standards as established in table 1, Downtown District Standards, and subsection IV.B.3, External Facade Materials. However:

i. Parking garages which are adjacent to a street shall be set back a minimum of 50 feet and lined with buildings containing any permitted use but parking.
ii. All parking garages shall be constructed with flat parking decks for ease in re-use of all or portions of the structure when parking demand wanes, unless otherwise approved by major waiver.
iii. Off-street below grade parking is permitted to the lot lines, but must be designed to allow for utilities and planting of landscape as defined in subsection VII, Landscaping.

f) Shared Parking.

i. Uses may join in establishing shared parking areas if it can be demonstrated that the parking for two or more specific uses occurs at alternating time periods. Required parking shall be determined based on parking demand for the peak parking period, as determined by a parking analysis study approved by the city's director of planning.
ii. Shared parking shall be clearly designated with signs and markings.

B. *Bicycle Parking.*

1. *Goals.* Bicycle parking is required in order to encourage the use of bicycles by providing safe and convenient places to park bicycles.

2. *Required bicycle parking.* Bicycle parking shall be provided based on at least one space for each ten automobile parking spaces required as part of the base parking requirements above.

3. *Bicycle parking standards.*

a) *Location.*

i. Required bicycle parking must be located within 50 feet of an entrance to the building. With approval of a minor waiver, bicycle parking may be located in the public right-of-way.
ii. Bicycle parking may be provided within a building, but the location must be easily accessible to bicycles.

b) Covered spaces. If covered spaces for motor vehicles are provided on-site, then 50 percent of the bicycle parking shall also be covered, unless otherwise approved by minor waiver.
c) Signs. If the bicycle parking is not visible from the street, then a sign must be posted indicating the location of the bicycle parking facilities.

DRAFT ORDINANCE 08.28.2017

d) Rack types and required areas. Bicycle racks and the area required for parking and maneuvering must meet the Downtown District engineering and landscape standards or be approved by minor waiver (see below). Bicycle lockers may also be allowed as part of meeting the bicycle parking requirement, but must be approved as to type and location.

4. Standards for bicycle rack types and dimensions.

a) *Rack type.*

i. Bicycle rack types and standards shall be approved by the city.

b) Parking space dimensions.

i. Bicycle parking spaces must be at least six feet long and two feet wide, and in covered situations, the overhead clearance must be at least seven feet.
ii. An aisle for bicycle maneuvering must be provided and maintained beside or between each row of bicycle parking. This aisle must be at least five feet wide.
iii. Each required bicycle parking space must be accessible without moving another bicycle.
iv. Areas set aside for bicycle parking must be clearly marked and reserved for bicycle parking only.

VI. *Streetscape, lighting and mechanical.*

A. *Intent.*

1. It is the intent of this zoning district to provide a level and consistency of lighting that supports pedestrian activity and promotes safety.

2. The entire district shall utilize the basic fixtures and furnishings in the public areas as may be approved by the city for this district.

3. Mechanical equipment shall not be clearly visible from the street or other public area.

B. Standards.

1. For streetscape and lighting specifications, see the Downtown District engineering and landscape standards in section IX.

2. Lighting elements shall be incandescent, metal Halide, or halogen only. No HID or fluorescent lights (except fluorescent bulbs that screw into standard socket fixtures) may be used on the exterior of buildings.

3. All lighting shall be focused downward or narrowly focused on its intended target such as signing, parking and pedestrian walkways. No lighting source from a commercial activity shall be visible by a residential unit.

4. Mechanical and electrical equipment, transformers, meters, garbage containers and loading areas shall be located and screened so that they are not visible from the street or other public area.

a) Mechanical equipment shall be screened from view from all public roadways and located to minimize noise intrusion to adjacent properties. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

b) All roof-mounted mechanical elements must be screened from view from the public right-of-way and neighboring properties. Screening must be architecturally compatible with the building design.

c) Loading, service and trash storage areas shall be screened from all public roadways. Refuse containers must be placed on a designed, reinforced concrete pad and approach. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

5. Any bicycle parking in the public right-of-way shall be located within the band created by street trees and pedestrian street lights; however, it must be placed in a manner that avoids conflicts with pedestrian and vehicular paths.

DRAFT ORDINANCE 03.28.2017

VII. *Landscape requirements.* Landscaping within the Downtown District shall comply with the provisions in this subsection, the city's streetscape standards and the standards contained in article VIII, Landscaping Standards, of this Unified Development Code. Where conflicts exist between this district and article VIII, the requirements in this district shall be applied.

A. *Street trees.* Street trees shall be large shade tree species having a minimum caliper of four inches, selected in accordance with the city's landscape standards. Street trees shall be planted at least 20 feet on center.

B. *Plant material.* Front yards shall be landscaped adjacent to residential at grade per the diagram in subsection IV.B.5, Residential at Grade, above. Plant materials shall consist of shade trees, ornamental trees, shrubs, evergreen ground covers, vines, and seasonal color.

C. *Paving material.*

1. Paving material shall be warm toned, natural materials such as brick, stone and concrete. Asphalt may be approved as part of a minor waiver.

2. Gravel as a paving material is prohibited.

D. Parking lot landscape.

1. Landscaping of the internal surface parking area shall not be required unless it is planned to serve as long-term parking. In which case, such long-term surface parking areas shall meet the requirements of subsection VII, Landscaping. For the purpose of this subsection, longterm parking shall be determined by the director of planning, and may include parking which has a likelihood of being in place for a period of ten years or more.

2. Surface parking lots shall be screened from all adjacent public streets and neighboring sites. The screen must extend along all edges of the parking lot and must be three feet in height, 80 percent opaque, and may be accomplished through the use of masonry walls, ornamental metal, evergreen plant materials, or a combination thereof. Planting beds for screen planting shall be a minimum of three feet in width.

3. Interior parking lot landscape shall be consistent with article VIII, Landscape Standards of the Unified Development Code.

4. Parking spaces shall not exceed ten spaces in a row without being interrupted by a landscaped island (nine-foot minimum). Islands shall be planted with a minimum of one shade tree for every ten cars.

VIII. *Administration.*

A. *Intent.* It is the intent that a developer or builder who wishes to develop under this zoning district will be processed in an expedited manner with administrative approvals, and may in fact qualify for incentives under other separate city programs. However, if there are substantial major waivers requested, additional approvals shall be required which may delay development progress.

B. *Waivers of design standards.*

1. For the purposes of this district, there shall be two types of waivers of design standards: minor and major. Requests for waivers shall not be subject to review or decision by the zoning board of adjustment. A waiver request may only be made in conjunction with an application for a downtown development plan.

2. Minor waivers are those changes to design standards in the Downtown District identified in Subsection III.B. Minor waivers may be approved administratively by the director of planning or his designee in conjunction with a decision on an application for approval of a downtown development plan. All minor waivers must meet the full intent of this zoning district as stated in section I. Appeals to decisions concerning minor waivers may be made to the Planning and Zoning Commission.

(Ord. No. 10-14, § 34, 7-6-2010)

3. Major waivers are major changes to the design standards in the Downtown District. Major waivers may only be approved by the city council, following a recommendation by the planning and zoning commission, in

DRAFT ORDINANCE 08.28.17

conjunction with a decision on an application for approval of a downtown development plan. Examples of major waivers are listed in Subsection III.B above; however, the City Council reserves the right to grant a major waiver to any standard not specifically designated as a minor waiver contained in this article pending the City Council finds that the waiver:

a) Meets the general intent of this district in which the property is located;
b) Will result in an improved project which will be an attractive contribution to the district; and
c) Will not prevent the realization of the intent of this district.

4. The city may impose conditions on granting any waiver to mitigate negative impacts neighboring properties or public streets or open space.

C. *Downtown development plan approval.*

1. Prior to obtaining a building permit, a downtown development plan must be approved by the director of planning or his designee, to certify that it meets the purpose, intent and standards contained in this zoning district.

2. Downtown development plans must include the following information:

a) Site plan.
b) Building elevations and sections.
c) Building function/proposed use.
d) Parking standards being met.
e) Landscape plan.
f) Any waivers being requested.

3. Applications for downtown development plan approval shall be reviewed within 30 days of being formally accepted by the city. At such time, the approval, approval with conditions or denial shall be forwarded to the applicant. However, applications including a request for a major waiver shall be scheduled for planning and zoning commission and city council action.

4. Denial of a downtown development plan may be appealed to the planning and zoning commission and city council within 30 days of notification of such denial.

D. Lapse of Approval. If a building permit has not been obtained within two years following approval of the downtown development plan, such plan shall lapse unless the property owner requests an extension prior to the expiration of the two-year period. The request for an extension shall be considered by the planning director, or he may at his discretion refer the decision to the planning and zoning commission and city council in the same manner as for approval of the downtown development plan. The director (or council, upon recommendation by the commission) may grant an extension of the time for expiration of the downtown development plan for a period not to exceed one year from the date of initial approval of the application. Every request for an extension shall include a statement of the reasons why the expiration date should be extended. The decision-maker may grant a request for extension upon demonstration that circumstances beyond the control of the applicant have resulted in the applicant's inability to perform the tasks necessary to prevent the downtown development plan from expiring before the lapse date. The commission or the council also may terminate the downtown development plan or may attach additional conditions to the extension of the plan.

E. Platting in the downtown district. Plats in the Downtown District shall ensure public access easements over sidewalk areas and shared drive access.

IX. *Downtown district engineering and landscape standards.*

A. *Downtown Plan.* The Downtown District Engineering and Landscape Standards shall be in accordance with the approved Rockwall Downtown Plan.

B. *Street Trees.*

1. Trees which may be planted adjacent to sidewalks, alleys and streets are limited to:

a) Cedar Elm.

DRAFT ORDINANCE 03.20.17

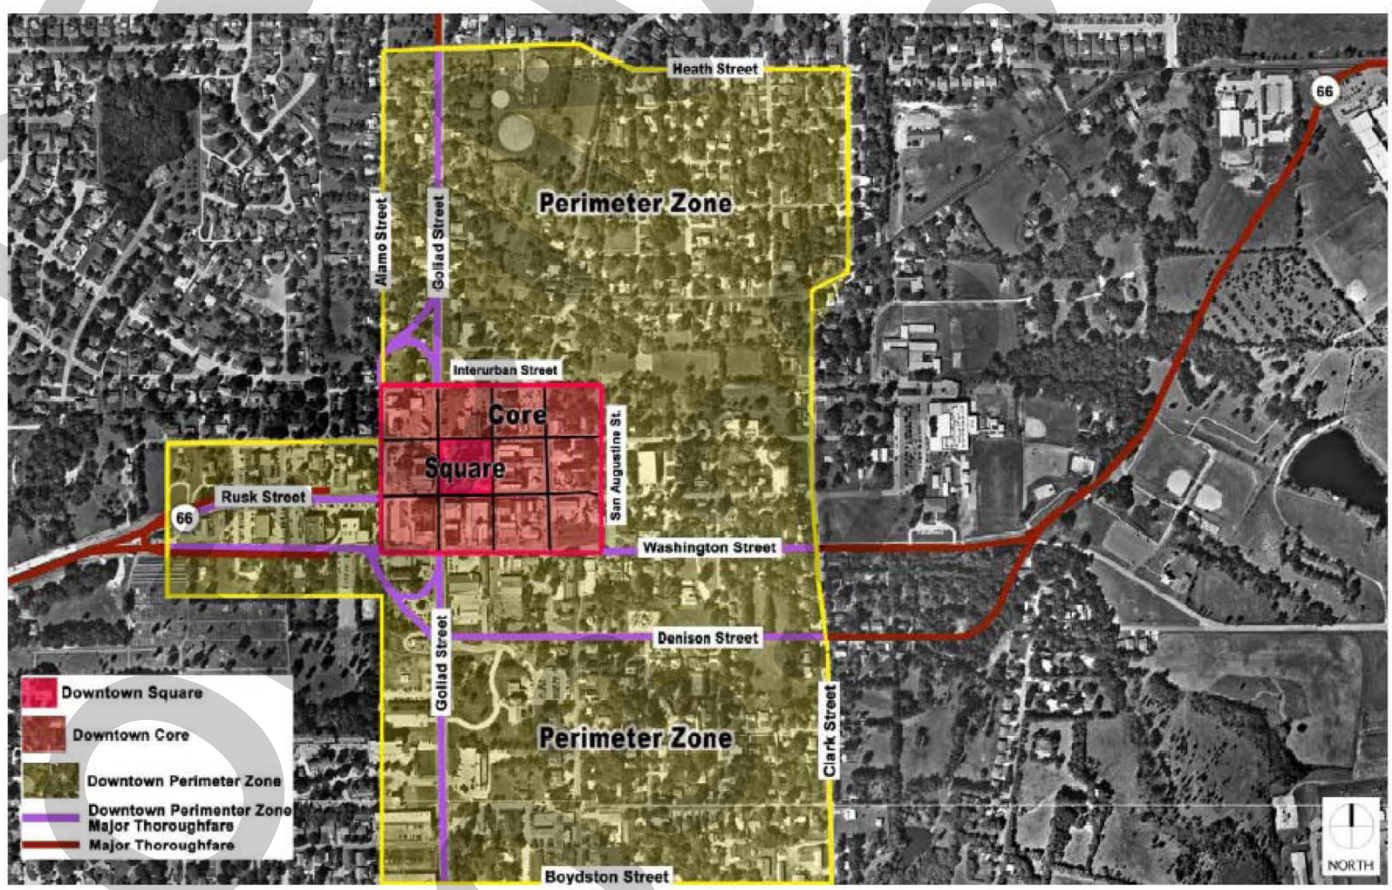
b) Texas Red Oak.
c) Homestead Elm.
d) Lace Bark Elm.
e) Bald Cypress.
f) Chinese Pistachio.
g) October Glory Maple.
h) Pecan.
i) Texas Ash.
j) Live Oak.
k) Southern Magnolia.
l) Bald Cypress.
m) "Little Gem" Magnolia.
n) Chinquapin Oak.
o) Sycamore.
p) Burr Oak.
q) Eve's Necklace.
r) Eastern Red Cedar.
s) Various native under-story trees such as Texas Redbud, Mexican Plum, Downy Hawthorn, and Wax Myrtle.

2. Shade trees shall be used for all formal street tree planting unless prohibited by the Texas Department of Transportation, in which case smaller ornamental trees may be used.

3. Each street shall be planted with a focus on one species to reinforce street character.

C. *Street Furniture.*

1. The Downtown District shall utilize the following "street furniture" in accordance with the following map:



Streetscape	Images	Streetscape Element	Catalog Number	Description

DRAFT ORDINANCE 2017

Element		Symbol/General Location		
Note to Product Specifier: All streetscape elements described here within, are not intended to be the final product specification. The electrical engineer, architect, landscape architect or other professional designer should verify the product color, material and style number, prior to placing the final streetscape element order with manufacturer and supplier. Lighting fixture and traffic signal electrical voltage supply, circuiting, photometrics and final fixture location needs to be specified by a registered electrical engineer, with all fixture footings checked by a registered structural engineer, prior to installation.				
I Downtown Square and Core Streets.				
1	Light standard		A1 — All commercial streets of the Core	AAL/2-PRMN H3 or H5/150 to 175 watt MH lamp (voltage)/2-TRA5U arms/DB6 base with 4" round 15' ht. pole/PN A50596-1	Architectural Area Lighting (AAL); Promenade Series, Fixture: 2-PRMS Double Pedestrian Light Standard with a H3 or H5 horizontal lamp reflector, 150 watt to 175 watt metal halide lamp, medium base socket for use with E - 17 lamps; (voltage); CHM glass chimney, with brass holder, and DBZ dark bronze color. Arm: # 2-TRA5U Period Arm, one piece cast aluminum, and DBZ dark bronze color. Pole, Base and Pole Cap: DB6 4R16-125, 4" OD round straight aluminum, 15' tall (special) with a DB6 base, 36" ht. × 15" base diameter; P/N A50596-1, Small cast final at pole top, DBZ dark bronze color.
2	Light standard		A2 — Limited to Downtown Square and San Jacinto St. Pedestrian way		Same as A1 above except with the optional BPS - fixture struts are finished in a brass colored powder coating.
3	Traffic signal		D1 — All commercial streets of the Core, if needed		Valmont Traffic Structures. Pole/Base/Pole Sphere Final: Tapered, round standard galvanized steel pole, with an aluminum ball final on the pole top (Ball Top "FCA-BL Series # FCA/BL/A/ (Estimate a 10" diameter ball, verify final size with top diameter range at top of pole/DB, dark bronze); pole base has an ornamental cast nut cover, color of complete traffic structure is a galvanized + powder coated finish, color = dark bronze to match Historic District street sign blades. Arm: Tapered, round standard arm, with an aluminum ball final on the end of the arm (Ball Top "FCA-BL Series # FCA/BL/A/(Estimate a 5" diameter ball, verify final size with top diameter range at the end of the arm after arm length is specified)/DBZ, dark bronze color. Signals: TXDOT standard signal, black color with black silhouettes, mount tightly to signal arm with black connections, so as to eliminate any visible gaps between silhouette and arm. Street Sign: Sign blade to match Historic District colors, font and sign format.

DRAFT ORDINANCE 03.28.20

4	Traffic signal with light standard		D2 — All commercial streets of the Core, if needed		Same as D1 traffic signal, except pole is “typical “Standard Combination Structure” with AAL (B2 type) light; Arm is a (Modified) WMA 12 “Sheppard's Crook” contemporary arm modified to accept the Valmont pole, DBZ, dark bronze color.
5	Light standard banner brackets		At selected streets		Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4” O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind. (Verify banner bracket locations and mounting height); DBZ, dark bronze color, polester powder finish.
6	Benches		All commercial streets of the Core	Du Mor Bench # 140 - 60 and # 140-80	Du Mor Site Furnishings. Bench 140 - in 6 ft. and 8 ft. lengths, All welded seat assembly, Seating Surface: 1/4” × 1 1/2” HR steel bar 2-3/8” O.D. Sch 40 steel pipe, cast iron supports, bracing 1 1/16” O.D. steel pipe, stainless steel fasteners, dark bronze color polyester powder finish.
7	Trash receptacles		All commercial streets of the Core	Du Mor Receptacle 84-22DM	Du Mor Site Furnishings. Trash Receptacle 84-22, 22 gallon all steel Receptacle, 150 lbs., top edge: 5/8” diameter steel bar; Vertical straps: 1/4” × 3” steel bar with a 22 gallon plastic liner, cover; Spun 14 gauge steel with vinyl coated cable; and a Dome Top, dark bronze color in a polester powder finish.
8	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
9	Street sign brackets		At non signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
10	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze color to match the Historic District street sign blades.
11	Bollards		Limited to Downtown Square	Sternberg Vintage Lighting, Ornamental Bollard #4501	Sternberg Vintage Lighting. Ornamental Steel Bollard # 4501, 5 1/4” diameter straight tubing (no fluting), 30” high, 8” dia. base, no internal light, DBZ, dark bronze color to match the Historic District street sign blades.

II Downtown Perimeter Zone Streets

DRAFT ORDINANCE 03 28 2017

1	Light standard		B1 — All neighborhood residential streets		Same as A1 above except as a single headed fixture.
2	Light standard		B2 — Limited to north and south sections of Goliad St. inside the Downtown Zone, and at intersections on Clark, Washington and Denison Streets inside the Downtown Zone.	AAL/PRM2 (H2, H3, H4, H5)/250 watt MH horizontal lamp (Voltage)/ARM: (modified) SLA 4 arm to accept the 5" dia. post/tendon/5" O.D. smooth round aluminum pole/DB 10 base/P/N A50575 Large Cast Finial.	Architectural Area Lighting (AAL). Promenade Series, Fixture: PRM2 - (H2, H3, H4 and H5), 250 watt Metal Halide Horizontal lamp, (Voltage), DBZ dark bronze color, Arm: (Modified) SLA 4 arm (Sheppard's Crook) to accept the 5" dia. post/tendon, DBZ, dark bronze color, polester power finish. Pole, Base and Pole Cap: 5" O.D. diameter, smooth round aluminum pole, with a DB 10 ornamental base that is 48" high with an 18" base diameter, Large Cast Finial # P/N A50575 20" high × 5 1/2" O.D. that fits on top of pole, DBZ dark bronze color, polester powder finish.
3	Light standard		C — Current Standards. All thoroughfares (SH 66, Goliad, Washington and Denison Streets) inside the Downtown Perimeter Zone (existing and new routed thoroughfares)		Existing "Shoe Box" Style Light Standard
4	Light standard banner brackets		At selected streets	AAL — Banner Arm 2-BBD4-18	Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4" O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind., (Verify banner bracket locations and mounting height) DBZ dark bronze color.
5	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
6	Street sign brackets		At non-signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
7	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze to match the Historic District street sign blades.

DRAFT ORDINANCE 03.28.2017

III	Major Thoroughfares and Parkways			
1	Lighting		C — Current standards	Existing “Shoe Box” Style Light Standard painted dark bronze.
2	Street signs	No sign/pole illustration		Paint the backs of all sign blades and all poles, dark bronze to match the Historic District street sign blades.

AGENDA
PLANNING AND ZONING COMMISSION PUBLIC HEARING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
April 11, 2017
6:00 P.M.

CALL TO ORDER

CONSENT AGENDA

1. **Approval of Minutes** for the *March 28, 2017* Planning and Zoning Commission meeting.

PUBLIC HEARING ITEMS

2. **Z2017-009** **(David)**
   Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (SUP) for a *Motor Vehicle Dealership, New (Cars and Light Trucks)* in a Light Industrial (LI) District for a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1415 & 1501 E. IH-30, and take any action necessary.

3. **Z2017-010** **(Ryan)**
   Hold a public hearing to discuss and consider a City initiated request for the approval of a zoning amendment to Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] for the purpose of amending the required streetscape elements stipulated by *Exhibit 'C'* of *Ordinance No. 10-21* affecting a ~78.89-acre tract of land identified as the *Harbor District*, being zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) and IH-30 Overlay (IH-30 OV) Districts, located at the southwest corner of Horizon Road [*FM-3097*] and IH-30, and take any action necessary.

4. **Z2017-011** **(Ryan)**
   Hold a public hearing to discuss and consider a City initiated request for the approval of a text amendment to Section 4.8, *Downtown (DT) District*, of Article V, *District Development Standards*, of the Unified Development Code for the purpose of amending the permitted major and minor waivers, and take any action necessary.

5. **Z2017-012** **(Korey)**
   Hold a public hearing to discuss and consider a request by Maria Del Carmen Andrew for the approval of a zoning change from an Agricultural (AG) District to Single-Family Estate 2.0 (SFE-2.0) District on a five (5) acre parcel of land being identified as Lot 2, Block A, Edwards Acres Subdivision, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 3401 FM-549, and take any action necessary.

DISCUSSION ITEMS

6. Director's Report of post Council meeting outcomes of Planning & Zoning cases **(Ryan)**.

   - ✓ P2017-008: Lots 1 & 2, Block A, Wilck Addition [*Approved*]
   - ✓ P2017-012: Lots 1-4, Block A, Lakeshore Commons Addition [*Approved*]
   - ✓ P2017-013: Lot 1, Block A, Rockwall-CCA Addition [*Approved*]
   - ✓ Z2017-005: Amendment to PD-50 (*1st Reading*) [*Approved*]
   - ✓ Z2017-006: SUP for 506 N. Goliad Street (*1st Reading*) [*Approved*]
   - ✓ Z2017-007: Zoning Change for the Gideon Property (AG to PD) (*1st Reading*) [*Approved*]
   - ✓ Z2017-008: SUP for 2260 E. IH-30 (*1st Reading*) [*Approved*]

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator of the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 7th day of April, 2017 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MINUTES

PLANNING AND ZONING COMMISSION WORK SESSION

City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
March 28, 2017
6:00 P.M.

I. CALL TO ORDER

Chairman Lyons called the meeting to order at 6:02 p.m. The Commissioners present at the meeting were, Patrick Trowbridge, Mark Moeller, Tracey Logan, Eric Chodun, and Annie Fishman. Absent was Commissioner Sandra Whitley. Staff members present were Planning Director, Ryan Miller, Senior Planner David Gonzales, Planner, Korey Brooks, Planning Coordinator, Laura Morales, Assistant Engineer Amy Williams and Civil Engineer Jeremy White.

II. CONSENT AGENDA

1. Approval of Minutes for the February 28, 2017 Planning and Zoning Commission meeting.

2. P2017-008
Discuss and consider a request by Lisa Wilck Palomba on behalf of Paul J. Wilck, Jr. for the approval of a final plat of Lots 1 & 2, Block A, Wilck Addition being a 5.192-acre tract of land identified as Tract 8-02 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 2.0 (SFE-2.0) District, addressed as 463 H. Wallace Lane, and take any action necessary.

3. P2017-012
Discuss and consider a request by Worth Williams of Moore Worth Investments, LLC for the approval of a final plat of Lots 1-4, Block A, Lakeshore Commons Addition being a 4.706-acre tract of land identified as Tract 8-4 of the J. H. B. Jones Survey, Abstract No. 124, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 65 (PD-65) for General Retail (GR) District land uses, situated within the North SH-205 Overlay (N. SH-205 OV) District, located at the southwest corner of Quail Run Road and N. Goliad Street [*SH-205*], and take any action necessary.

4. P2017-013
Discuss and consider a request by Robert Howman of Glenn Engineering on behalf of James Watson of the Rockwall Independent School District (RISD) for the approval of a final plat of Lot 1, Block A, Rockwall-CCA Addition being a 27.446-acre portion of a larger 173-acre tract of land identified as Tract 7-1 of the W. H. Baird Survey, Abstract No. 25, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located directly east of the intersection of John King Boulevard and Trail View Drive, and take any action necessary.

5. P2017-016
Discuss and consider a request by Glen and Rosie Cox for the approval of a final plat of Lots 1 & 2, Block A, Cox Acres Addition being a 29.97-acre tract of land identified as Tract 7 of the J. M. Gass Survey, Abstract No. 88, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located on the south side of Quail Run Road east of the intersection of Quail Run and John King Boulevard, and take any action necessary.

6. SP2017-008
Discuss and consider a request by Jay Soun on behalf of the owner STJ Investments, LLC for the approval of a site plan amendment for a hotel (*i.e. La Quinta Inn*) on a 1.25-acre parcel of land identified as Lot 3, Block 1, Miller Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 689 E. IH-30, and take any action necessary.

Chairman Lyons noted that item #5 would be pulled from the consent agenda. Commissioner Moeller made a motion to approve the consent agenda minus #5. Commissioner Logan seconded the motion which passed by a vote of 6-0, with Commissioner Whitley absent.

III. PUBLIC HEARING ITEMS

7. Z2017-005

Hold a public hearing to discuss and consider a request by David Falls for the approval of a zoning amendment to *Ordinance No. 16-15* for the purpose of allowing the *Animal Clinic for Small Animals* land use to be a permitted use through a Specific Use Permit (SUP) for all properties within Planned Development District 50 (PD-50), being 21.266-acres of land in the S.S. McCurry Survey, Abstract No. 146 and B. F. Boydston Survey, Abstract No. 14, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, generally located along N. Goliad Street [*SH-205*] north of Interurban Street, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the request stating that the intent of request is to allow the subject property to operate a small animal clinic. Currently it is not a permitted use within the Planned Development District 50 Ordinance. The applicant is requesting for this use to be added and allowing it through a Specific Use Permit and by doing so it will give the Planning and Zoning Commission and City Council discretion over approving requests such as this one on a case by case basis. Since the case is proposing to modify the Planned Development 50 Ordinance, staff notified all properties within 500 feet of the zoning district itself as well as HOA's within 1500 feet of the subject property. At the time the case memo was drafted staff received seven notices in favor and two notices opposed as well as two emails that were opposed. One more notice was received before the meeting which was in favor of the request.

Mr. Miller stated the applicant was present and staff was available for questions.

Chairman Lyons opened up the public hearing and asked the applicant to come forward to speak.

Paul Wendell
J.A. Greene Construction
786 Mira Mar
Rockwall, TX

Mr. Wendell came forward and stated he was present on behalf of Dr. Josh Cope who would be arriving at the meeting shortly he stated he was available for any questions the Commission may have.

Chairman Lyons asked for questions from the Commission.

Commissioner Chodun asked staff if the request is approved would it then be allowed for the entire PD. Mr. Miller stated that was correct. Commissioner Chodun asked if there was a definition for "small animal's clinic". Mr. Miller stated that the draft ordinance defines it as a place where animals or pets are given medical or surgical treatments and care. It goes on to stat that the accessory use as a kennel shall be limited to short-term boarding and shall be only incidental to the Animal Clinic for Small Animals use and no outdoor pens or kennels shall be permitted. They will be allowed to only have indoor boarding to avoid any noise issues outside kennels may cause to the adjacent properties.

Kristin Cope
513 Merritt Road
Sunnyvale, TX

Mrs. Cope stated that it would only be small animals and added that concerning Commissioner Chodun's question of it opening the use to all of the PD, she stated they are still going to apply for the Specific Use Permit to allow the clinic.

Mr. Miller added that with the SUP it would allow the Commission to set up operational conditions that would be site specific.

Commissioner Fishman asked staff if there was language that defines "small animals". Mr. Miller stated there is language defining small animals in the Municipal Code of Ordinances that defines the difference between small animals and grazing and livestock. Senior Planner, David Gonzales, added that a large animal is considered 500lbs or greater.

Commissioner Trowbridge asked what the intent of Residential Office was when the PD was created and if there is a list of what comprises Residential Office. Mr. Miller stated Residential Office is currently a straight zoning district which means it is regulated through the use chart within the Unified Development Code. This was put into a PD because it was felt this was a unique area and they wanted to limit some of the uses and the Ordinance has special restrictions on certain uses. With it being a PD it also allows flexibility to look consider various uses on a case by case basis.

Mr. Cope came forward and stated he would be the primary veterinarian and stated he was available for any questions the Commission may have.

Chairman Lyons asked anyone who wished to speak to come forward and do so.

Jim Cooper
901 N. Alamo
Rockwall, TX

Mr. Cooper came forward and stated he lives directly across from the subject property and expressed his support for the request and he feels it is a good use for the property. He has reached out to Mr. Cooper and shared some of the concerns he has once they build he would like for the building to reflect the style and character of Old Rockwall.

Mr. Miller added that before construction begins they would have to go through the Historic Preservation Advisory Board.

Bob Wacker
806 Mira Mar Drive
Rockwall, TX

Mr. Wacker came forward and expressed his support for the request.

Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or action.

Commissioner Trowbridge made a motion to approve Z2017-005 with staff recommendations. Commissioner Fishman seconded the motion, which passed by a vote of 6-0 with Commissioner Whitley absent.

8. Z2017-006

Hold a public hearing to discuss and consider a request by Brenda and Stuart Myers for the approval of a Specific Use Permit (SUP) amending *Ordinance No. 11-37 (SUP No. S-034)* to allow a restaurant with an accessory general retail store on a 0.6849-acre parcel of land identified as Lot 1, Abate Injury Rehab Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated in the North Goliad Corridor Overlay (NGC OV) District, addressed as 506 N. Goliad Street, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating the applicants are requesting to amend their existing Specific Use Permit which they were issued in December of 2006 that allowed a restaurant use as well as some office use. In September 2011 they amended the SUP and included additional uses that include hair salon and also a general retail use. In September 2015 the structure caught fire but has now been restored. The restoration included converting the upstairs storage area to allow for the addition of approximately 1,000 SF of office space. The applicants are requesting approval of an amendment to the existing SUP to allow for a Restaurant with an accessory General Retail and Banquet Facility uses. The purpose of the amendment is to increase the square footage of the restaurant and maintain the area designated as general retail, and to establish a banquet facility use. Mr. Gonzales added that a banquet facility use was approved last year. A banquet facility use requires 1 parking space per 100-SF of floor area with the 2nd floor being approximately 1,000-SF, a minimum of 10 parking spaces would be required to be constructed prior to issuance of a Certificate of Occupancy when they open for the banquet use however for now they plan to continue to use the space as general office space. Additionally PD50 requires access drive and the applicants are requesting

to construct the cross access easement within a reasonable period of time once both adjoining properties have develop as non-residential land uses.

Mr. Gonzales went on to state that staff mailed 98 notices to property owners and residents within 500-feet of the subject property. There is no Homeowner's Association (HOA) located within 1,500-feet participating in the notification program. Additionally, staff posted a sign on the subject property. Staff received five responses "in favor of" the applicant's request.

Mr. Gonzales advised the Commission the applicants were present and staff was available for questions.

Chairman Lyons asked for any questions from the Commission for staff.

Commissioner Trowbridge asked concerning the parking associated with the banquet facility. Mr. Gonzales stated the parking is in place for the office use but will increase by ten once the banquet use is in place and they open the banquet facility. Commissioner Trowbridge asked if the hair salon use would be removed from the SUP or would it remain with the SUP. Mr. Gonzales stated the hair salon use would not be included in this SUP. Mr. Miller added that this SUP will supersede the previous SUP.

Chairman Lyons opened up the public hearing and asked the applicant to come forward and speak.

Stuart and Brenda Myers
1614 S. Lakeshore
Rockwall, TX

Mr. Myers came forward and stated he didn't have anything to add from Mr. Gonzales explanation of the request, but he asked concerning the time limitations that were not brought up.

Mr. Gonzales added that the hours of operation in the current SUP limit the time from 6:30 a.m. to 8:00 p.m. The applicants are requesting to do away with the hours of operation in order to have more flexibility with the banquet facility and restaurant use. Time stipulations have not been included in this SUP therefore the time element has been removed. Mr. Miller added that it is similar to what was approved two houses to the south who received an SUP and do not have the time limitations.

Commissioner Logan asked for further clarification on the time limit, is there a citywide time limit that allows for how long a business can stay open. Mr. Gonzales stated that it is primarily PD-50 that has hair salons and those have a time limit established however the City does not have an Ordinance requiring a time limitation on any type of a use. What the applicant is requesting is to allow the operation to open and close as it pleases.

Chairman Lyons asked what the hours were for the SUP that was recently approved. Mr. Miller stated there were no time regulations established for that SUP.

Chairman Lyons asked if there was anyone wishing to speak to come forward and do so, there not being anyone indicating such Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or a motion.

Commissioner Logan made a motion to approve Z2017-006 with staff recommendations Commissioner Chodun seconded the motion. The motion passed with a vote of 6-0 with Commissioner Whitley absent.

Chairman Lyons noted Commissioner Moeller left the meeting at 6:39 p.m.

9. Z2017-007

Hold a public hearing to discuss and consider a request by Rich Darragh of the Skorburg Company on behalf of the owner Bradley Joe Gideon for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) District land uses, on a 30.36-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass

Corridor Overlay (205 BY-OV) District, located at the southwest corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request and stated the applicants are requesting a Planned Development for the subject property which is approximately 30 acres and is currently zoned Agricultural. The Planned Development would be composed of 84 single family lots and what they are requesting will be SF-7 which would be the underlying zoning within the PD. North of the subject property is PD-77, south is PD-5 which are residential properties and east and west are agriculturally zoned lots which will be for future development. Concerning the characteristics of the request, the breakdown of the lot mix will be 53 lots that will be 60x120's, 31 lots will be 70' x 120's for an overall density of 2.8 units per acre that falls within the line of a medium density residential district according to what the Comp Plan states it to be between 2 and 3 units per acre therefore they are well within that. The Comp Plan also calls for minimum 20% open space and the according to their concept plan they are providing about 24% open space including an area about 2.19 acres that will be used for a neighborhood park.

Mr. Gonzales went on to explain that looking at their concept plan there are no alleys and therefore they will require a waiver from the City Council in order to provide for front entry garage orientation for the development. Additionally the applicant will provide a 50 foot landscape buffer and has agreed to include a 10 foot sidewalk along John King Boulevard that is required by the John King Ordinance for the Overlay District, that 10-ft wide concrete sidewalk will be a hike and bike trail and will connect to the existing trail systems along John King Blvd as future development occurs along this roadway. The applicant is also providing a 25 foot landscape buffer along E. Quail Run Drive that is an 85 foot right of way. The idea behind that is to provide some open space for the properties that back up to E. Quail Run Road.

Mr. Gonzales provided a map to show the area and explained that there are three points of access. Looking at the breakdown within the PD Ordinance the masonry requirements will be 90% and concerning the garage orientation although they are front entry the configuration on those will have to be 20 feet behind the front façade of the building to meet the building standards.

Mr. Gonzales went on to state that ten notices were sent out to the property owners that are within 500 feet of the subject property and two notices were received today that are in opposition of the request.

Mr. Gonzales advised the Commission the applicants are present and staff is available for questions.

Chairman Lyons asked the Commission for any questions for staff.

Commissioner Logan asked concerning the buffer along Quail Run Road, who will be maintaining that area. Mr. Gonzales stated any green space or open space would be maintained by the HOA.

Chairman Lyons noted that the lots will be about a third of an acre why go with the front entry garage over the j-swing or a mix; why is the request for all front entry.

Chairman Lyons opened the public hearing and asked the applicant to come forward.

Noah Flabiano
8214 Westchester Suite 710
Dallas, TX

Mr. Flabiano came forward and provided a power presentation of the request which showed other developments they have built and in detail the concept plan that they are proposing which will be called Gideon Grove Addition. He spoke of how the plan they are bringing forward agrees with the Comprehensive Plan and is in line with other developments that they have done on the north side of Rockwall. Additionally the Future Land Use map calls for this area to be medium density residential.

The presentation Mr. Flabiano provided talked of the concept plan and the landscaping, open space they will provide along John King as well as the garage orientation they wish to incorporate which is 50% front entry.

Mr. Miller added that the draft Ordinance that the Commission was provided does not have the garage orientation in it, the actual garage orientation in the PD has a different standard therefore if the Commission makes a recommendation it would need to be addressed in the motion.

Commissioner Trowbridge asked concerning the language of the 50% was taken from which community. Mr. Flabiano stated it was the 40 lots of 60's that was approved from the Breezy Hill subdivision late last year.

Commissioner Logan asked concerning the continuation of Quail Run Road and asked if Old Quail Run would remain or would it be abandoned. Mr. Flabiano stated that road would remain because there are homes there. Commissioner Logan expressed concern with the areas of landscape that are not accessible to home owners to maintain. Mr. Flabiano stated that the HOA would maintain those areas and the HOA is perpetual.

Chairman Lyons asked if anyone would like to speak to come forward and do so.

Nicholas Grant
1569 Quail Run Road
Rockwall, TX

Mr. Grant came forward and stated he is in opposition of the request for several reasons one being that this PD is part of the continued development in the Upper East Fork Lateral Watershed which is part of the City of Rockwall and the request should be delayed until a full impact study on the status of the SC-SCW Site 4A and 4B flood control structures and the requirement for assessing the developer impact fees for the rehabilitation of the structures as part of the PD are completed and incorporated. He spoke of floodwater retarding structures and breaches these may cause. Additionally he is opposed to the request because of the traffic impact it will cause. He believes the PD results in a significant traffic flow and pattern change on John King Boulevard/SH 205. This PD request should be delayed until a detailed traffic study by both the City and TXDOT is completed and changes and costs incorporated into this PD. He also would like there to be additional traffic lights. He strongly urged the Commission to vote against the request.

Chairman Lyons asked Assistant City Engineer Amy Williams if she could address any of Mr. Grant's concerns. Ms. Williams stated concerning the drainage concerns the lakes Mr. Grant referred to belong to the County and any repair or breach would need to go through the County. Anything that is in the City Squabble Creek basin is required to be detained and no additional flow is allowed to come in to any of the off- site properties into the lakes that haven't been detained or haven't been accounted for. Ms. Williams also addressed the traffic concerns. Mr. Miller added that the City's Fire and Police Department are part of the review process for all cases.

Chairman Lyons asked for anyone else who wished to speak to come forward.

Steve Curtis
2130 FM 1141
Rockwall, TX

Mr. Curtis came forward and stated he owns one of the lakes that back up to John King and stated his opposition to the request. He stated they get a significant amount of runoff from the surrounding AG land. His concern is the runoff that developments cause and what that will cause to the wildlife of the lakes. His other concern is the trespassing on his property with people going fishing on their property. He asked the Commission to vote against the request.

Bob Wacker
806 Mira Mar Drive
Rockwall, TX

Mr. Wacker came forward and stated a his concern is with the flight entry garages, he lives on Mira Mar drive that has flight entry garages and in retrospect he does not favor them because there is only 20 feet of driveway which cause a lot of parking over the sidewalk when there are two to three cars per house. He favors the j-swing entry which would allow more space with it being 40 feet. He believes it is a safety issue that cars park almost on the street and block the sidewalk for people that walk along the sidewalks. He would like to see Quail Run widened all the way across because that will be a main thoroughfare. Mr. Wacker also spoke of his concern with the HOA he does not want the new development added to the existing HOA at Stone Creek. He added that he feels confident Skorburg will do a good job as they are a good developer that has already shown they can build a great product.

Bruce Foith
1087 Shady Lane
Rockwall, TX

Mr. Foith came forward and generally expressed not being in favor of the request he does not favor the 20 feet front entry drives because of the congestion of cars along the street that it creates. He also would like to see 10 foot berms to protect the home owners that will be along John King.

Chairman Lyons asked if there was anyone else that wished to speak to come forward, there being no one indicating such Chairman Lyons asked the applicant to come forward to offer any rebuttal.

Adam Buczek
8214 Westchester
Dallas, TX

Mr. Buzcek came forward and stated that in regards to the drainage he clarified that at this time the request that is before the Commission is for the zoning land use not for platting but at the time of platting they will be addressing all of the issues staff requires of them with the drainage and any other requirements that must be addressed during the platting process. Concerning the HOA he stated that they will retain control of the HOA until the last lot is sold and once that happens there will be a perpetual document that will be on the plat. With respect to the garages these are bigger lots 60's and 70's and therefore a different streetscape. They are asking for what they requested and were approved for in the small "panhandle" part of Breezy Hill. The language they would be adding to the PD would state that no two houses adjacent could be front entry to have that anti-monotony.

Commissioner Trowbridge asked concerning the 50%of front entry, if in the Saddle Star development allow up to 50%. Mr. Gonzales stated that was correct they were approved 50% front entry. Commissioner Trowbridge asked if they would be the developer or would it be a third party developer. Mr. Buzcek stated that is there intent.

Commissioner Trowbridge asked concerning the Home Owner's Association. Mr. Buzcek stated they would retain the HOA until the development is complete and after that it will be perpetual.

Commissioner Logan asked concerning the j-swing that also has a front entry. Mr. Fabiano stated it would be considered a j-swing because it sits 20 feet back from the front facade.

Chairman Lyons asked if anything is done as far as sound barrier for the properties along John King Blvd. Mr. Buzcek stated the builder will take extra measure to ensure that is addressed.

Commissioner Fishman asked concerning the question of sharing an amenity center. Mr. Buzcek stated this subdivision would have its own HOA. Commissioner Fishman asked concerning price points. Mr. Buzcek stated for the 60's it would be in the $400's for the 70's in the high $400's.

Chairman Lyons spoke of favoring the j-swing product.

Commissioner Trowbridge expressed concern in allowing the 50% and feels allowing 35% instead.

Commissioner Chodun expressed concern with the front entry and would be in favor of the 35% that Commissioner Trowbridge suggested.

Mr. Buzcek asked the Commission if it would be well received by the Commission if they increased the front setback by five foot on the lots that are front entry because there is 125 feet in those lots if the concern is the cars blocking the sidewalk the extra five feet would alleviate that.

Commissioner Fishman noted that there was a previous case that was approved with 50% allocated to front entry garages.

General discussion took place between the Commission and the applicant concerning the garage orientation, depth of the driveway and the percentage that should be allotted and approved.

Chairman Lyons closed the public hearing and brought the item back to the Commission for additional discussion or motions.

Commissioner Trowbridge made a motion to approve the zoning change from AG to PD with the same language referring to type 'E' Lots' garage orientation contained in Phase X of the Breezy Hill Addition (PD-74) along with staff recommendations. Chairman Lyons seconded the motion which passed by a vote of 4-1 with Commissioner Logan dissenting, and Commissioners Whitley and Moeller absent. Additionally, the motion included a change to the Draft PD Ordinance regarding the garage orientation to allow for a maximum of 35% of the lots to have a flat front entry and the remainder of the lots being in a "j-swing" configuration.

10. Z2017-008
Hold a public hearing to discuss and consider a city initiated request on behalf of Raymond Jowers of Jowers, Inc. for the approval of a Specific Use Permit (SUP) rescinding *Ordinance No. 08-38* (*SUP No. S-056*) and allowing outside storage adjacent to IH-30 on a 4.4317-acre tract of land identified as Tract 22-01 of the R. Irvine Survey, Abstract No. 120, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 2260 E. IH-30, and take any action necessary.
Planner Korey Brooks gave a brief explanation of the request stating the applicant is requesting approval of a Specific Use Permit

Planner, Korey Brooks, gave a brief explanation of the request and some background stating that the applicant is requesting an SUP to allow for outside storage on the subject property. In 2008 the City Council approved an SUP to allow for RV's sales and storage at that time the SUP stipulated that the SUP would be valid for a maximum of 3 years and it also stated that if an extension was needed the applicant would need to come before the City Council at least 90 days prior to the expiration of the SUP and at that time City Council would look at the development in the area as well as the status of FM 549 and IH-30 construction and either grant or deny the request. The City Council has approved extensions to the SUP in 2011, 2014, and 2017; however, in 2017, the City Council requested that the applicant amend the SUP to reflect outside storage instead of RV sales and service and the purpose of that was to account for changes in the use of the property that went from RV sales to now trailer sales.

Mr. Brooks went on to state that the applicant has submitted this request in conformance to the City Council's request; however, granting a Specific Use Permit is discretionary to the Planning and Zoning Commission and City Council and if approved, this SUP will supersede all requirements stipulated in the existing SUP ordinance.

Mr. Brooks added that staff On March 8, 2017, staff sent four notices to property owners/residents within 500-feet of the subject property and there are no HOA's/Neighborhood Associations that are within 1,500-feet participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property and staff did not receive any notices returned in favor or against the request.

Mr. Brooks advised the Commission the applicant was present and staff is available for questions.

Chairman Lyons asked the applicant to come forward and speak.

Raymond Jowers
3290 Anna Cade Circle
Rockwall, TX

Mr. Jowers came forward and stated that that Big Tex has been at the location for almost a decade and he feels they have done a good job at keeping their property well maintained. He feels there is no better use for the property than what it is being use for now.

Chairman Lyons opened up the public hearing and asked anyone who wished to speak to come forward and do so, there being no one indicating such Chairman Lyons closed the public hearing.

Chairman Lyons brought the item back to the Commission for discussion or action.

Chairman Lyons made a motion to approve the item with staff recommendations. Commissioner Trowbridge seconded the motion which passed by a vote of 5-0 with Commissioners Whitley and Moeller absent.

Chairman Lyons called a recess at 8:04 p.m.

Chairman Lyons called the meeting back to order at 8:15 p.m.

IV. ACTION ITEMS

11. P2017-014
Discuss and consider a request by Pat Atkins of the Saddle Star Land Development, LLC for the approval of an extension of the preliminary plat for the Saddle Star South Subdivision in accordance with *Section 38-8(f)* of the *Subdivision Ordinance* contained in the *Municipal Code of Ordinances*, and being a 55.413-acre tract of land identified as Tracts 1, 1-5 & 2-03 of the P. B. Harrison Survey, Abstract No. 97, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 79 (PD-79) for Single-Family 8.4 (SF-8.4) District land uses, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located on the north side of John King Boulevard east of the intersection of Featherstone Drive John King Boulevard, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating the applicant is requesting to extend the preliminary plat for the Saddle Star South Addition. It will be coming in in two phases of 138 single family homes that are going to be associated with this development; however, the applicant has indicated that he does not intend to submit a final plat for the development prior to the August 15, 2017 deadline, which would effectively expire the preliminary plat. The subdivision ordinance allows for the applicant to extend for an additional year per the Planning and Zoning Commissions approval.

Mr. Gonzales advised the Commission that the applicant was present and staff is available for questions.

Chairman Lyons asked the applicant to come forward and speak.

Pat Atkins
Saddle Star Development
3076 Hays Road
Rockwall, TX

Mr. Atkins came forward and stated they are currently in the engineering process and he anticipates submittal of those documents in the next couple of months and therefore they need an extension of the preliminary plat.

No discussion took place concerning this agenda item.

Chairman Lyons made a motion to approve with staff recommendations. Commissioner Chodun seconded the motion which passed by a vote of 5-0, with Commissioners Whitley and Moeller absent.

12. P2017-015

Discuss and consider a request by Pat Atkins of the Saddle Star Land Development, LLC for the approval of a extension of the preliminary plat for the Saddle Star North Subdivision in accordance with *Section 38-8(f)* of the *Subdivision Ordinance* contained in the *Municipal Code of Ordinances*, and being a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 80 (PD-80) for Single Family 8.4 (SF-8.4) District land uses, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary.

Senior Planner, David Gonzales, stated this request is the same as the previous agenda item with the exception of the expiration date which is April 4, 2017 and the applicant is requesting a one year extension.

Chairman Lyons asked the applicant to come forward and speak.

Pat Atkins
Saddle Star Development
3076 Hays Road
Rockwall, TX

Mr. Atkins came forward and stated he is requesting the extension because he is currently working on the engineering process.

No discussion took place concerning this agenda item.

Commissioner Trowbridge made a motion to approve with staff recommendations. Commissioner Chodun seconded the motion which passed by a vote of 5-0, with Commissioners Whitley and Moeller absent.

13. SP2017-009

Discuss and consider a request by Ray Crumby Design Group on behalf of Francisco Cardoso for the approval of a site plan for an office building on a 0.45-acre tract of land identified as Lot 10, Block A, Municipal Industrial Park Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 855 Whitmore Drive, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating the applicant is requesting approval of a site plan for a proposed office building approximately 4,400 square feet hat will be accessible via an access drive that connects to Lot 11 to the east of the subject property and Lot 9 to the west of the subject property with the portion of the access drive on Lots 9 and 11 connecting to Whitmore Drive. According to the Unified Development Code the proposed use is a use permitted by right and will not require any additional approvals from the Planning and Zoning Commission. The submitted site plan, landscape plan, photometric plan, and building elevations conform to the technical requirements contained within the UDC for properties located in a Light Industrial District.

Mr. Brooks advised the Commission the applicant was present and staff is available for questions.

Chairman Lyons asked the Commission for any questions for staff.

Commissioner Chodun asked which lot the building would be located at and if the other applicant owned the other two lots as well. Mr. Brooks stated it would be located on lot 10 and stated the applicant did not own the other two lots.

Chairman Lyons asked the applicant to come forward.

Francisco Cardoso
2848 Tangleglen
Rockwall, TX

Mr. Cardoso came forward and stated he has lived in Rockwall for 14 years and owns his own a flooring installation business and has been working on building this building for the last two

years and is respectfully asking the Commission for approval to allow him to move forward with his plans.

Ray Crumby
Ray Crumby Design Group
602 North Park Avenue
Terrell, TX

Mr. Crumby came forward and stated they have had discussions with the owner of the other two lots and he will be helping with putting in the access drive.

Chairman Lyons brought the item back to the Commission for questions or action.

Commissioner Fishman made a motion to approve SP2017-009. Commissioner Chodun seconded the motion which passed by a vote of 5-0, with Commissioner Whitley and Moeller absent.

V. DISCUSSION ITEMS

14. Z2017-009
Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (SUP) for a *Motor Vehicle Dealership, New (Cars and Light Trucks)* in a Light Industrial (LI) District for a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1415 & 1501 E. IH-30, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating the subject property is located east of the Industrial area and is zoned Light Industrial and with a request for a new car dealership it requires a Specific Use Permit.

Mr. Gonzales advised the Commission the applicants were present and staff is available for questions.

Chairman Lyons asked the applicant to come forward.

Chris Cunny
FC Cunny Corporation
#2 Horizon Court, Suite 500
Heath, TX 75032

Mr. Cunny came forward and stated he is representing Mr. Randall Noe who has an opportunity to get a franchise Subaru dealership which would be a new car dealership. The site is somewhat challenging because there are some floodplain issues, they have done a flood study but in order to get the parking count that they need they are looking at doing a 2 to 3 story parking garage. The height of it would be 20 to 30 feet if they do a 3 story the idea being that it would serve for inventory and the height of the parking garage would not exceed the height of the dealership. Mr. Cunny provided a rendering of the concept plan of a prototypical Subaru dealership and added that they plan on adding some natural screening similar to the Trend Tower of which they were the engineers and architects for that parking garage. Mr. Cunny went on to state that they have received comments from staff that they will address.

Chairman Lyons asked the Commission for questions for the applicant or staff.

Commissioner Trowbridge asked if Mr. Noe currently had any other dealerships along IH-30. Mr. Cunny stated he does not.
Commissioner Trowbridge asked staff if car dealerships are regulated and taxed on a State level. Mr. Gonzales stated that the tax on the sale of a new vehicle does go to the State but the tax on parts and service goes local.

Commissioner Trowbridge asked how many car dealerships are currently in Rockwall. Mr. Miller stated staff can provide that number to the Commission at the next meeting when the request comes forward for action.

Commissioner Logan asked for clarification with the zoning being Light Industrial would it still require the SU and also if the SUP would include the repair shop. Mr. Gonzales stated it would include the service center and although it is zoned Light Industrial an SUP is still required.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

15. Z2017-010

Hold a public hearing to discuss and consider a City initiated request for the approval of a zoning amendment to Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] for the purpose of amending the required streetscape elements stipulated by *Exhibit 'C'* of *Ordinance No. 10-21* affecting a ~78.89-acre tract of land identified as the *Harbor District*, being zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) and IH-30 Overlay (IH-30 OV) Districts, located at the southwest corner of Horizon Road [*FM-3097*] and IH-30, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the request stating what the amendment will do is remove the specific references to specific products in the Ordinance. The reason is because when you call out specific products eventually those products will be discontinued and that is what is being encountered currently. Several of the light fixtures have been discontinued and it is difficult to find any spare parts for maintenance and things of that nature. Therefor what is trying to be done is to take those products out and just put a requirement that they use similar products and the way that was structured is as part of site plans in PD-32 the Commission would look at and make recommendations or approve the product. Mr. Miller went on to state that staff has re-written PD-32 but have only removed references to specific products and put in a section that requires the streetscape plan along with the site plan.

Chairman Lyons asked the Commission for any questions for staff.

Chairman Lyons asked if the company that manufactures those lights go out of business or what the reason was. Mr. Miller stated the product was simply discontinued.

There being no further questions or discussion Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

16. Z2017-011

Hold a public hearing to discuss and consider a City initiated request for the approval of a text amendment to Section 4.8, *Downtown (DT) District*, of Article V, *District Development Standards*, of the Unified Development Code for the purpose of amending the permitted major and minor waivers, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the request stating that this request relates to a case that the Commission recently heard for a site plan in the downtown area. That applicant went to City Council with a request to change the Ordinance to allow flexibility for their project. Council did look over the appeal and at the Ordinance and directed staff to draft an amendment. What the amendment will do is not necessarily change the major and minor waivers in the Ordinance but rather gives City Council the ability to grant a major waiver to anything that is not identified as a minor waiver. Minor waivers would be approved administratively with the option to appeal an administrative decision to the Planning and Zoning Commission.

Mr. Miller advised the Commission staff was available for questions.

Commissioner Chodun asked if before this proposed amendment were minor waivers not appealable. Mr. Miller stated it didn't explicitly give any appeal process for minor waivers and it didn't address anything beyond the staff level approval.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

17. Z2017-012

Hold a public hearing to discuss and consider a request by Maria Del Carmen Andrew for the approval of a zoning change from an Agricultural (AG) District to Single-Family Estate 2.0 (SFE-2.0) District on a five (5) acre parcel of land being identified as Lot 2, Block A, Edwards Acres Subdivision, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 3401 FM-549, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating that the applicant is requesting to rezone the subject property from AG to SFE-2.0 for the purpose of building a single family home. In order to build a home on an agricultural property it must be 10 acres or greater, with the subject property being less than 10 acres the applicant is required to rezone it to ab appropriate residential district. The request does conform to the Future Land Use Map.

Chairman Lyons asked the Commission for any questions for staff.

Commissioner Chodun asked if there are currently any structures on the property. Mr. Brooks stated there is currently a garage on the property and it will remain on the property.

Commissioner Trowbridge asked if it would be the primary residence of the applicant. Mr. Brooks stated the applicant has indicated it will be.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

18. Director's Report of post Council meeting outcomes of Planning & Zoning cases.

- ✓ P2017-009: Lot 1, Block A, Rockwall Grace Clinic Addition [*Approved*]
- ✓ P2017-010: Lot 1, Block A, Dobbs Elementary Addition [*Approved*]

Laura Morales, Planning Coordinator

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

CC: Ryan Miller, *Director of Planning and Zoning*

FROM: David Gonzales, *Senior Planner*

DATE: April 11, 2017

SUBJECT: Z2017-009; SUP for 1501 E I-30 (*Motor Vehicle Dealership, New*)

The applicant, Cameron Slown of F C Cuny Corporation, has submitted a letter requesting to postpone the public hearing scheduled for April 11, 2017 to the April 25, 2017 Planning and Zoning Commission meeting (*see Exhibit 'A').* The purpose of this request is to allow the applicant time to address site issues prior to proceeding with the SUP request.

According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code (UDC), a public hearing may be postponed by announcing the postponement at the public hearing and indicating the time and place the new hearing is scheduled to begin; however, the date and time of the postponed public hearing cannot be greater than 60 days from the original public hearing date. This means that the projected Planning and Zoning Commission public hearing would need to be held no later than May 30, 2017. The announcement of a postponement shall be sufficient notice and no additional notice shall be required.

email: crc@fccuny.com

April 7, 2017

David Gonzales
City of Rockwall
Planning Department
385 S. Goliad St.
Rockwall, TX 75087

Dear Mr. Gonzales,

I am writing this letter to request that our SUP be postponed until the next Planning and Zoning work session held on April 25th.

Thank you very much for your time and consideration in this matter.

Sincerely,

Cameron Slown, P.E.

FC Cuny Corporation

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: April 11, 2017

SUBJECT: Z2017-010; Amendment to Planned Development District 32 (PD-32)

On September 20, 2010, the City Council adopted *Ordinance No. 10-21*, which established the current development requirements for Planned Development District 32 (PD-32) (*i.e. the Harbor District*). In the *Streetscape Elements* section of *Exhibit 'C'* of this document, the ordinance stipulates specific model numbers for various streetscape elements required in the district. The purpose of requiring the specific product model numbers was to ensure that all streetscape elements installed throughout the district would be the same, creating continuity within the district; however, this has become an issue since the manufacturer of the required pedestrian scale streetlight (*i.e. the Bega 9701 MH 100W Metal Halide Fixture*) discontinued the light fixture. In response to this issue, the City Council directed staff to proceed with an amendment to the code removing references to specific model numbers on March 6, 2017. Per this direction staff has prepared a text amendment that [1] removes all references to specific model numbers, [2] adds a requirement that applicants submit a *Streetscape Plan* at the time of site plan, and [3] makes general corrections to exhibits reflecting approved changes to other districts (*i.e. changes approved with Case No. Z2017-003 that affected PD-32 & PD-7*). The *Streetscape Plan* as required by the draft ordinance stipulates that applicants submit specification sheets/cut sheets for all proposed streetscape elements to ensure compatibility and continuity within the district. In addition, the requirement would give the Planning and Zoning Commission the discretion to review the submitted products, and determine if they meet the architectural/aesthetic intent of the *PD Ordinance*.

Since this is an amendment to an existing Planned Development District, staff has notified all residents and property owners inside the PD boundaries, and within 500-feet of the PD boundaries. Of the 137 notices mailed to property owners and residents on March 29, 2017, staff has received no replies in favor or opposed to the request. In addition, staff emailed notices to the Lago Vista, Lakeside Village, Water's Edge, Signal Ridge, Chandler's Landing and Fox Chase Homeowner's Associations (HOA's), which are the only HOA's within 1,500-feet of the boundaries of the PD. Staff also posted a zoning notice in the Harold Banner as required by the Unified Development Code (UDC) and the *Texas Local Government Code*. Attached to this memorandum is a copy of the draft ordinance with all revisions depicted in *RED*. The public hearing schedule for this zoning amendment is as follows:

Planning and Zoning Commission (*Public Hearing*): April 11, 2017
City Council (*1st Reading; Public Hearing*): April 17, 2017
City Council (*2nd Reading*): May 1, 2017

If the Planning and Zoning Commission have any questions, staff will be available to discuss.

Subject: Neighborhood Noification Program: Notice of zoning request
Attachments: PUBLIC NOTICE.pdf

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that will also be published in the Rockwall Herald Banner on ***March 24, 2017***. The Planning and Zoning Commission will hold a public hearing on ***Tuesday, 4/11/2017 at 6:00 p.m.***, and the City Council will hold a public hearing on ***Monday, 4/17/2017 at 6:00 p.m***. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at https://sites.google.com/site/rockwallplanning/development-cases

> **Z2017-010- Hold a public hearing to discuss and consider a City initiated request for the approval of a zoning amendment to Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] for the purpose of amending the required streetscape elements stipulated by *Exhibit 'C'* of *Ordinance No. 10-21* affecting a ~78.89-acre tract of land identified as the *Harbor District*, being zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) and IH-30 Overlay (IH-30 OV) Districts, located at the southwest corner of Horizon Road [*FM-3097*] and IH-30, and take any action necessary.**

If this email is reaching you in error, please forward it to your HOA or neighborhood group representative and update the contact information at http://www.rockwall.com/planning/hoa.asp.

BEING approximately 75.87 acres of land located in the M.J. Barksdale (Abstract 11) and E. Teal (Abstract 207) Surveys of the City of Rockwall, Rockwall County, Texas to be known as the Amended PD-32 Zoning Boundary and being more particularly described as follows:

BEGINNING at a point in intersection of Horizon Rd and the south service road of Interstate Highway 30 (GPS Coordinates N2589965.033 E7014570.874);

THENCE S45-3-43E along the centerline of Horizon Rd for a distance of 359.75 feet to a point;
THENCE S45-9-15E continuing along said centerline for a distance of 922.798 feet to a point;
THENCE S45-7-2W along the western boundary of the Eckerd Addition for a distance of 338.85 feet to a point;
THENCE S45-31-32E along the southern boundary of the Eckerd Addition for a distance of 339.158 feet to a point;
THENCE S44-34-41W along the southeastern boundary of the Isaac Brown Addition for a distance of 594.34 feet to a point;
THENCE S75-48-35E along the northern boundary of Lakeridge Estates, Lot 26 for a distance of 304.035 feet to a point;
THENCE S34-45-14W for a distance of 85.563 feet to a point;
THENCE S28-45-41W for a distance of 78.959 feet to a point;
THENCE S23-0-35W for a distance of 78.959 feet to a point;
THENCE N75-6-11W along the north boundary of the Willis-Sealock Addition for a distance of 371.56 feet to a point;
THENCE N42-41-6E for a distance of 124.594 feet to a point;
THENCE N43-28-45W along the southwestern boundary of the Isaac Brown Addition for a distance of 228.343 feet to a point;
THENCE N50-43-21W for a distance of 132.929 feet to a point;
THENCE S23-32-21W for a distance of 65.722 feet to a point;
THENCE N64-32-23W for a distance of 69.271 feet to a point;
THENCE S78-40-26W following along the northern boundary of the Lago Vista Addition for a distance of for a distance of 90.8 feet to a point;
THENCE N66-47-33W continuing along said boundary for a distance of 159.22 feet to a point;
THENCE N75-45-16W for a distance of 80.21 feet to a point;
THENCE S72-39-11W for a distance of 143.44 feet to a point;
THENCE N59-46-23W for a distance of 374.78 feet to a point;
THENCE N54-11-40W for a distance of 170.03 feet to a point;
THENCE N54-11-40W a distance of 33.69 feet;
THENCE N44-49-24W a distance of 120.37 feet;
THENCE N45-30-58W a distance of 88.12 feet;
THENCE N45-30-59W a distance of 9.98 feet;
THENCE S47-07-33W a distance of 28.04 feet;
THENCE S47-07-32W a distance of 28.41 feet;
THENCE S47-07-33W a distance of 19.73 feet;
THENCE S53-29-07W a distance of 12.42 feet;
THENCE S53-28-50W a distance of 0.35 feet;
THENCE S53-29-08W a distance of 27.65 feet;

THENCE S51-37-56W a distance of 40.58 feet;
THENCE N89-03-25W a distance of 49.53 feet;
THENCE continue westerly along northern parcel line, Lot 5 of The Harbor Rockwall Addition, a distance of 135.00 feet;
THENCE S71-33-50W a distance of 5.49 feet;
THENCE N22-05-15E a distance of 32.32 feet;
THENCE N62-42-00W a distance of 30.28 feet;
THENCE N22-08-08E a distance of 27.65 feet;
THENCE N67-01-29W a distance of 102.30 feet;
THENCE S23-31-05W a distance of 102.24 feet;
THENCE N85-54-51W a distance of 12.18 feet;
THENCE S71-52-41W a distance of 25.12 feet;
THENCE S33-18-38W a distance of 5.52 feet;
THENCE N84-59-27W a distance of 1.42 feet;
THENCE S70-10-05W a distance of 24.56 feet;
THENCE S35-56-32W a distance of 18.71 feet;
THENCE N43-41-21W a distance of 53.11 feet;

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING PLANNED DEVELOPMENT DISTRICT 32 (PD-32) [*ORDINANCE NO. 10-21*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO FURTHER AMEND *ORDINANCE NO. 10-21* TO CODIFY CHANGES MADE BY *ORDINANCE NO. 16-13* AND APPROVE MINOR CHANGES TO *EXHIBIT 'C'* FOR A ~75.87-ACRE TRACT OF LAND SITUATED WITHIN THE M. J. BARKSDALE SURVEY, ABSTRACT NO. 11; E. TEAL SURVEY, ABSTRACT NO. 207; J. SMITH SURVEY, ABSTRACT NO. 200; AND W. BLEVINS SURVEY, ABSTRACT NO. 9, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (*$2,000.00*) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall has initiated an amendment to Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] for the purpose of codifying *Ordinance No. 16-13* and approving minor changes to *Exhibit 'C'* of *Ordinance No. 10-21* for the purpose of allowing alternative *Streetscape Elements* within a ~75.87-acre tract of land situated within the M. J. Barksdale Survey, Abstract No. 11; E. Teal Survey, Abstract No. 207; J. Smith Survey, Abstract No. 200; and W. Blevins Survey, Abstract No. 9, City of Rockwall, Rockwall County, Texas, identified as Planned Development District 32 (PD-32), and more fully described and depicted in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 32 (PD-32) [*Ordinance No.'s 10-21 & 16-13*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. *Zoning Ordinance Amendments*. That the approval of this ordinance shall supersede all requirements stipulated in *Ordinance No. 10-21* and *Ordinance No. 16-13*;

SECTION 2. *District Boundaries*. That the boundaries of Planned Development District 32 (PD-32) shall be as described and depicted in *Exhibit 'A'* of this ordinance.

SECTION 3. *Concept Plan*. That the *Concept Plan* for Planned Development District 32 (PD-32) shall be as depicted in *Exhibit 'B'* of this ordinance and divided into *Exhibit 'B-1'*, *General Land Use Plan*, and *Exhibit 'B-2'*, *Sub-Districts Plan,* attached hereto and incorporated by reference as *Exhibits 'B-1' & 'B-2'*, and consist of the following Sub-Districts:

DRAFT ORDINANCE 04.20.17

(1) Harbor Residential Sub-District
(2) Freeway Frontage Sub-District
(3) Harbor Link Mixed Use Sub-District
(4) Hillside Sub-District
(5) Hillside Mixed Use Sub-District
(6) Summit Office Sub-District
(7) Horizon/Summer Lee Sub-District
(8) Interior Sub-District
(9) Residential Sub-District
(10) Ridge Road Retail Sub-District

SECTION 4. *Master Plan.* That all development within Planned Development District 32 (PD-32) shall conform to the following *Master Plans*:

(1) *Utility Master Plans for Water, Wastewater and Drainage*, as set forth in *Exhibits 'C-1', 'C-2' & 'C-3'*, which are attached hereto and incorporated herein by reference herein;

(2) *Streetscape Plan*, as set forth in *Exhibit 'C-4'*, which is attached hereto and incorporated by reference herein, and as may be more particularly described in individual *Sub-District Plans*;

(3) *Master Grading Plan*, as set forth in *Exhibit 'C-5'*, which is attached hereto and incorporated by reference herein, and as may be more particularly described in individual *Sub-District Plans*;

(4) *Master Tree Planting Plan*, as set forth in *Exhibit 'C-6'*, which is attached hereto and incorporated by reference herein;

SECTION 5. *Land Use*. That use of the property in Planned Development District 32 (PD-32) shall be limited to those uses set forth by Sub-District in the *Land Use Chart* attached hereto as *Exhibit 'D'* and incorporated herein by reference. Uses listed as *'S'* in *Exhibit 'D'* shall require approval of a Specific Use Permit (SUP) by the City Council, following a public hearing, and upon the report of the Planning and Zoning Commission. A *PD Site Plan* shall be required to accompany such use. Unless expressly provided to the contrary, a use granted by SUP shall be subject to all standards within the *Sub-District* in which the use is to be located.

SECTION 6. *Residential Density*. That no more than 1,161 *Urban Residential Units* shall be allowed in Planned Development District 32 (PD-32), which may include condominium and/or townhouse units, in addition to a maximum of 49 single-family zero lot line units (*i.e. patio homes*).

SECTION 7. *Sub-District Development Standards*. That all development within each *Sub-District* shall conform to the standards depicted and set forth in each *Sub-District Plan* for building placement, use of ground and upper floors, height, encroachments and parking standards, as more particularly described in *Exhibits 'E-1'* through *Exhibit 'E-10'* attached hereto and incorporated by reference herein.

SECTION 8. *District-Wide Development Standards*. That the following additional standards and requirements shall apply to development in Planned Development District 32 (PD-32):

(1) *Parking Standards*, as set forth in *Exhibit 'F-1' -- which is attached hereto and incorporated by reference herein* --, shall apply;

(2) *Retaining Wall Standards*, as set forth in *Exhibit 'F-2' -- which is attached hereto and incorporated by reference herein* --, shall apply;

(3) All streetscape elements proposed for a development within Planned Development District 32 (PD-32) shall comply with the requirements set forth in *Exhibit 'C-4'' -- which is attached here to and incorporated by reference here in* --, shall be included in a *Streetscape Plan*, and shall be approved by the Planning and Zoning Commission along with the site plan. The required *Streetscape Plan* shall include cut sheets and product specifications sheets indicating the proposed products, and a site plan indicating the location of all products.

DRAFT ORDINANCE 17-XX

(4) Prior to the development of any property within Planned Development District 32 (PD-32), adequate access necessary to serve that development in conformance with the streetscape plan for the *Sub-District* or with *Exhibit 'C-4'* shall be constructed;

(5) All development within Planned Development District 32 (PD-32) shall be subject to Architectural Review by the Architectural Review Board (ARB) as prescribed by the Unified Development Code [*Ordinance No. 04-38*];

(6) *Pedestrian Ways* or *Mews* shall be utilized to link the *Freeway Frontage Sub-District* parking areas and block-interiors to the public street frontage. The maximum cross slope within a *Pedestrian Way* or *Mew* shall be two (2) percent;

(7) Parking garages must meet the following standards:

(a) Garages must have guardrail height, precast spandrel panels with enhanced detailing on exposed facades to screen parked cars.

(b) A minimum of 25% of an exposed garage façade must be screened with vines on a *greenscreen* or cable type system.

(c) Exposed slab and cable guardrails are not permitted on exposed garage façades.

(d) Parking garages may contain other permitted uses above the parking level provided the maximum building height of the *Sub-District* is not exceeded.

(8) Unless otherwise provided for by this ordinance, all development within Planned Development District 32 (PD-32) shall be subject to the procedures and standards in Article X, *Planned Development Regulations*, of the Unified Development Code [*Ordinance No. 10-21*], unless such standards or procedures are clearly in conflict with the provisions of this ordinance, in which case the provisions of this ordinance shall prevail.

(9) Open space shall be provided in accordance with Article X, *Planned Development Regulations*, pf the Unified Development Code [*Ordinance No. 10-21*] and the subdivision regulations of the City of Rockwall. The open space configuration shown on the *PD Concept Plan* or *Sub-District Plans* may be reconfigured for a proposed development that otherwise meets the intent of the *PD District* or *Sub-District* and the open space standards for the *District*.

SECTION 9. *Procedures*. That the following additional standards and requirements shall apply to development in Planned Development District 32 (PD-32):

(1) *Development Plans*. A development plan shall be required if a proposed development within any *Sub-District* that does not meet the intent of the *PD Concept Plan* or the *Sub-District Plan*, or requires waivers not provided for in *Section 9.3.* of this ordinance. The Commission, upon the recommendation of the Director of Planning and Zoning, may deny a proposed *PD Site Plan* if it determines that a development plan is required under this section. If a development plan is required it shall be submitted and approved in accordance with Article X, *Planned Development Regulations*, of the Unified Development Code [*Ordinance No. 04-38*].

(2) *Site Plans*. A *PD Site Plan* is mandatory for all uses permitted under *Exhibit 'D'*, and shall be submitted and approved in accordance with Article X, *Planned Development Regulations*, of the Unified Development Code [*Ordinance No. 04-38*], unless the proposed use requires approval by Specific Use Permit (SUP), in which case the *PD Site Plan* shall be decided with the application for the SUP.

DRAFT ORDINANCE 04-17

(3) *Waivers of Design Standards*. In order to provide flexibility and create high quality projects, an applicant for development within the *PD District* may request a waiver of the following *District* or *Sub-District* standards:

(a) Building Placement;
(b) Landscape Standards;
(c) Parking Requirements;
(d) Parking Garage Design Standards; and
(e) Increased Building Height.

All other proposed changes must be processed as an amendment to this ordinance. Requests for waivers shall not be subject to review or decision by the Board of Adjustments (BOA). A waiver request may only be made in conjunction with an application for a *PD Development Plan* or *PD Site Plan*. Waivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission. In order to approve a waiver, the City Council must find that the waiver:

(a) Meets the general intent of *PD District* or *Sub-District* that the property is located; and,
(b) Will result in an improved project which will be an attractive contribution to the *PD District* or *Sub-District*; and
(c) Will not prevent the implementation of the intent of this *PD District*.

The City Council may impose conditions on granting any waiver to mitigate negative impacts to neighboring properties or public streets or open space, or to implement the intent of the *District* or *Sub-District*.

SECTION 10. *Design Guidelines.* That in conjunction with the adoption of this amendatory ordinance, the City shall promulgate a set of design guidelines to be known as the *Harbor District Design Guidelines* [*i.e. Resolution No. 10-40*], which are intended to be used as a guide by the City of Rockwall, developers of individual parcels, and their consultants for use in the design, construction, and maintenance of all developments and properties within the *Harbor District*. These guidelines, which may be adopted and amended from time to time by resolution, may include but are not limited to the following development features: green initiatives, pedestrian ways and mews, site access controls, orientation of buildings, landscaping, outdoor dining, service areas, interior courtyards, pocket parks and open space, parking garages, architectural styles, landmark building locations, signage, construction activities and maintenance.

SECTION 11. *Penalty.* That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars *($2,000.00*) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

SECTION 12. *Severability.* That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code [*Ordinance No. 04-38*], and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

SECTION 13. *Conflicts.* The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code [*Ordinance No. 04-38*] of any provision of the *City Code*, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code [*Ordinance No. 04-38*] (*including references to the Unified Development Code*), and references to overlay districts, in this ordinance or any of the *Exhibits*

hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

SECTION 11. *Effective Date.* That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF MAY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

Streetscape Plan

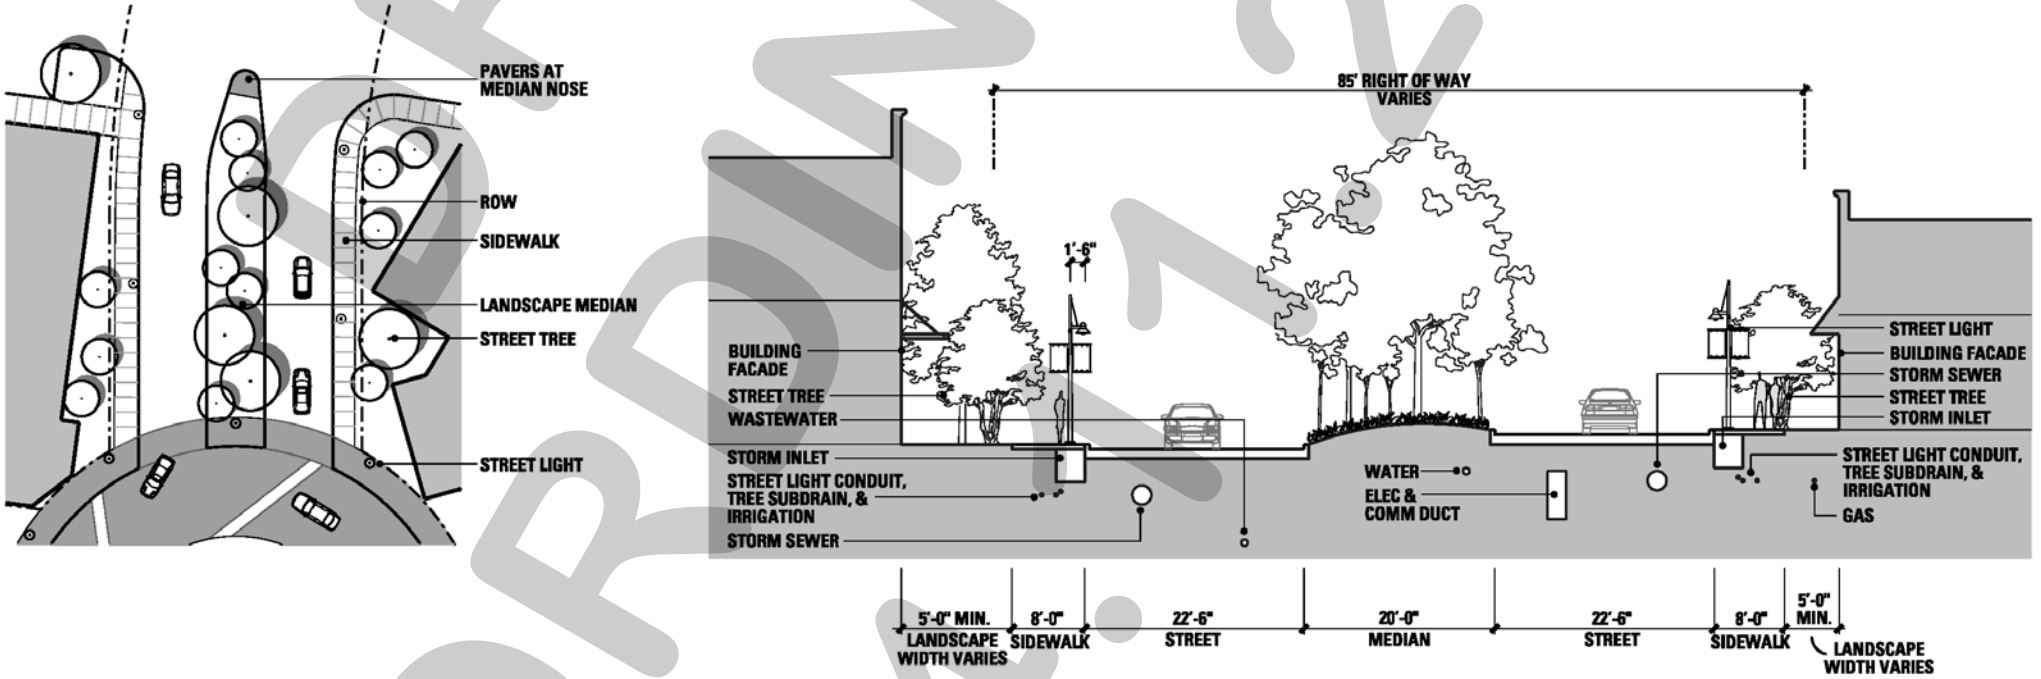
STREET TYPE 'A'

Street Type 'A' serves as a primary entry into the *Harbor District* from the eastbound IH-30 off ramp. The street type consists of two (2) 22-foot wide one-way streets divided by a 20-foot landscape median within a variable width right-of-way. A mix of canopy and ornamental trees are provided in natural groupings within the right-of-way. Sidewalks may be provided at 60-foot OC. Longitudinal slopes on this street type range from one (1) percent to ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

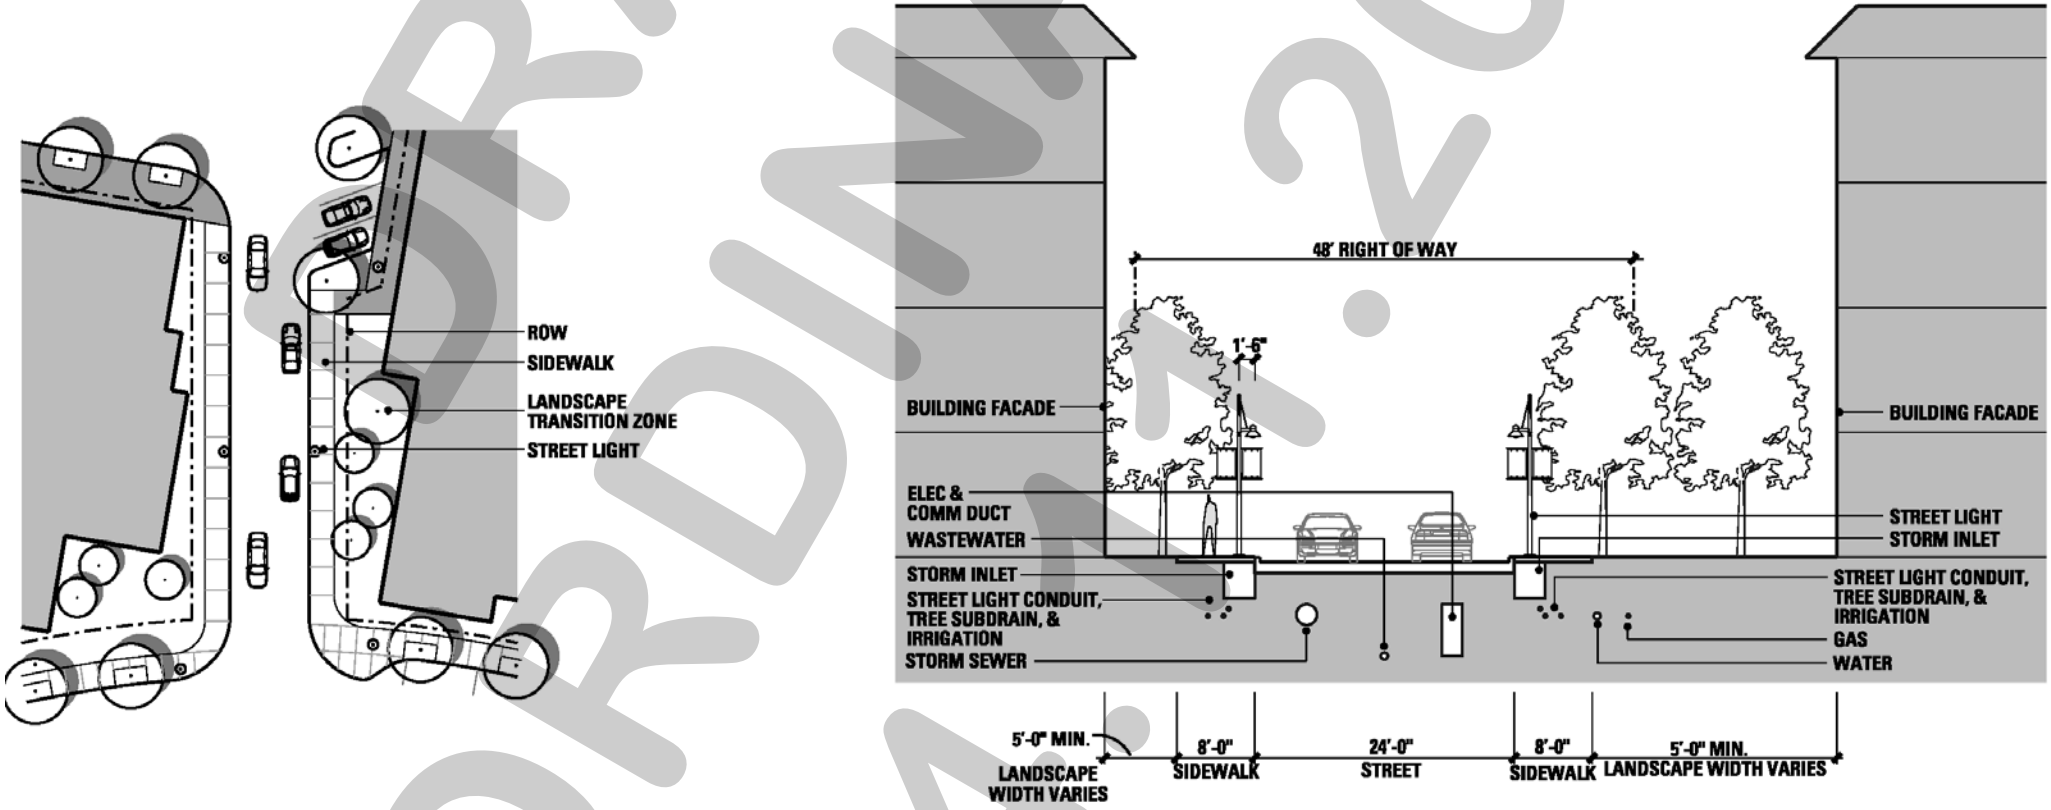


DRAFT ORDINANCE 04.17.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'B'

Street Type 'B' consists of a 24-foot wide street within a 48-foot right-of-way. An eight (8) foot wide sidewalk may be provided on portions of the street. Street trees may be provided in either five (5) foot x ten (10) foot leave outs spaced at 30-foot OC or in natural groupings within the right of way. Pedestrian scale street lights are provided at 60-foot OC. Longitudinal slopes on this street type range from one (1) percent to ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

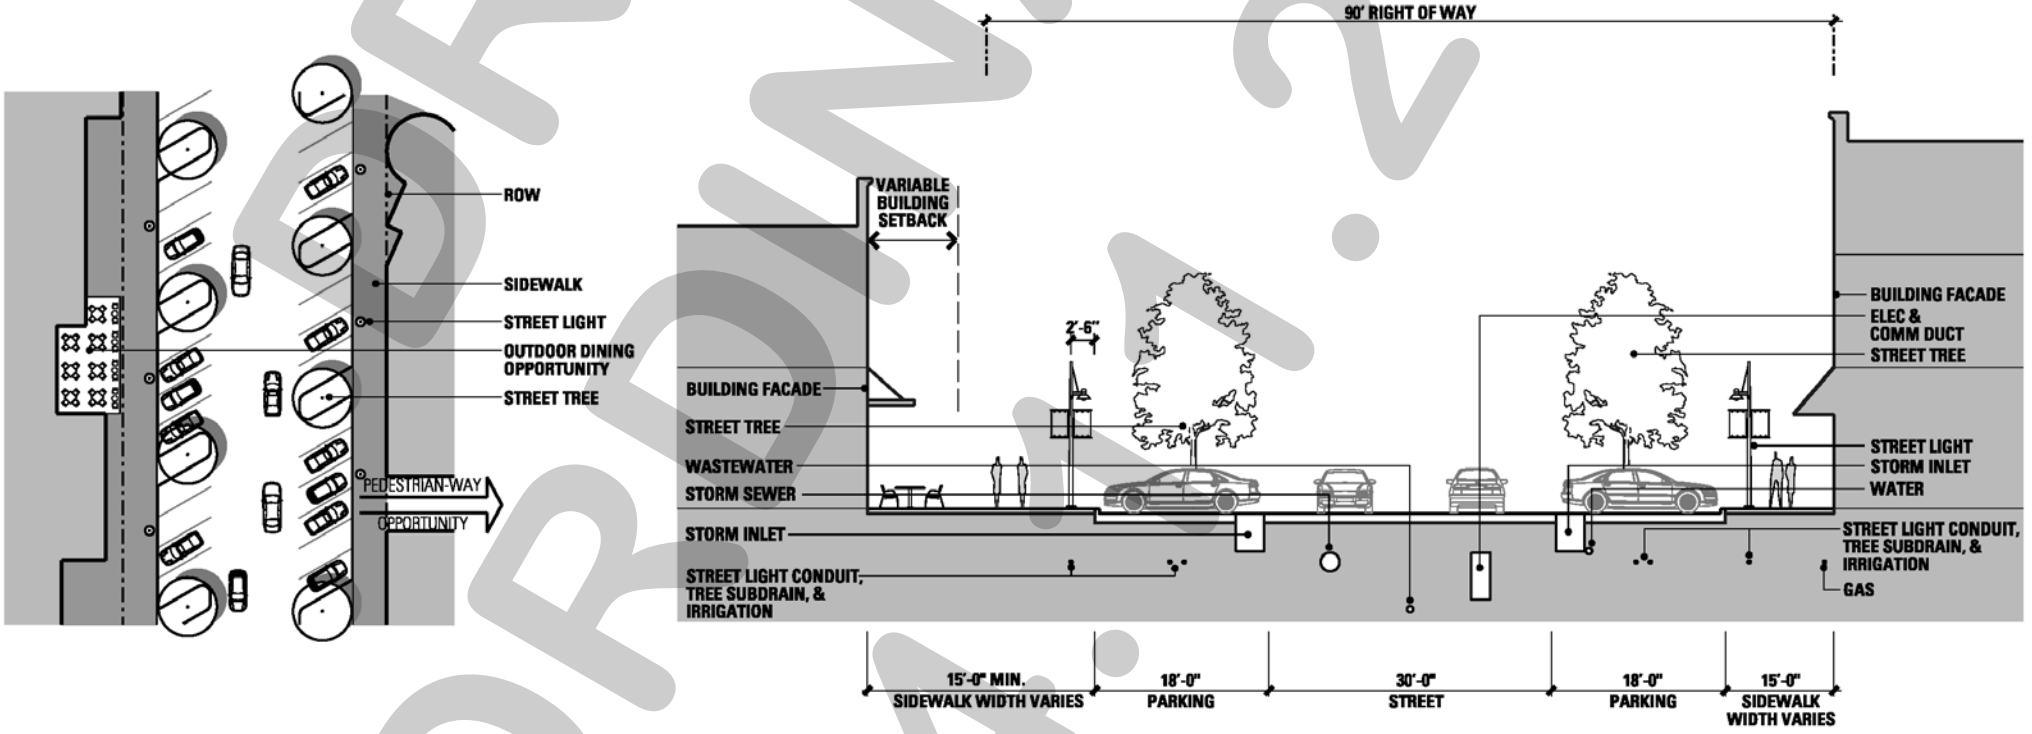


ORDINANCE 04-17

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'C'

Street Type 'C' serves as a primary connector to the existing Harbor development and is a primary street frontage for retail and mixed-use development within adjacent districts. This street type consists of angled head-in parking on both sides of a 30-foot wide street within a 90-foot right-of-way. An 11½-foot wide sidewalk is provided on both sides of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. The pedestrian paving material is concrete pavers. Longitudinal slopes on this street type are between one (1) percent and five (5) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

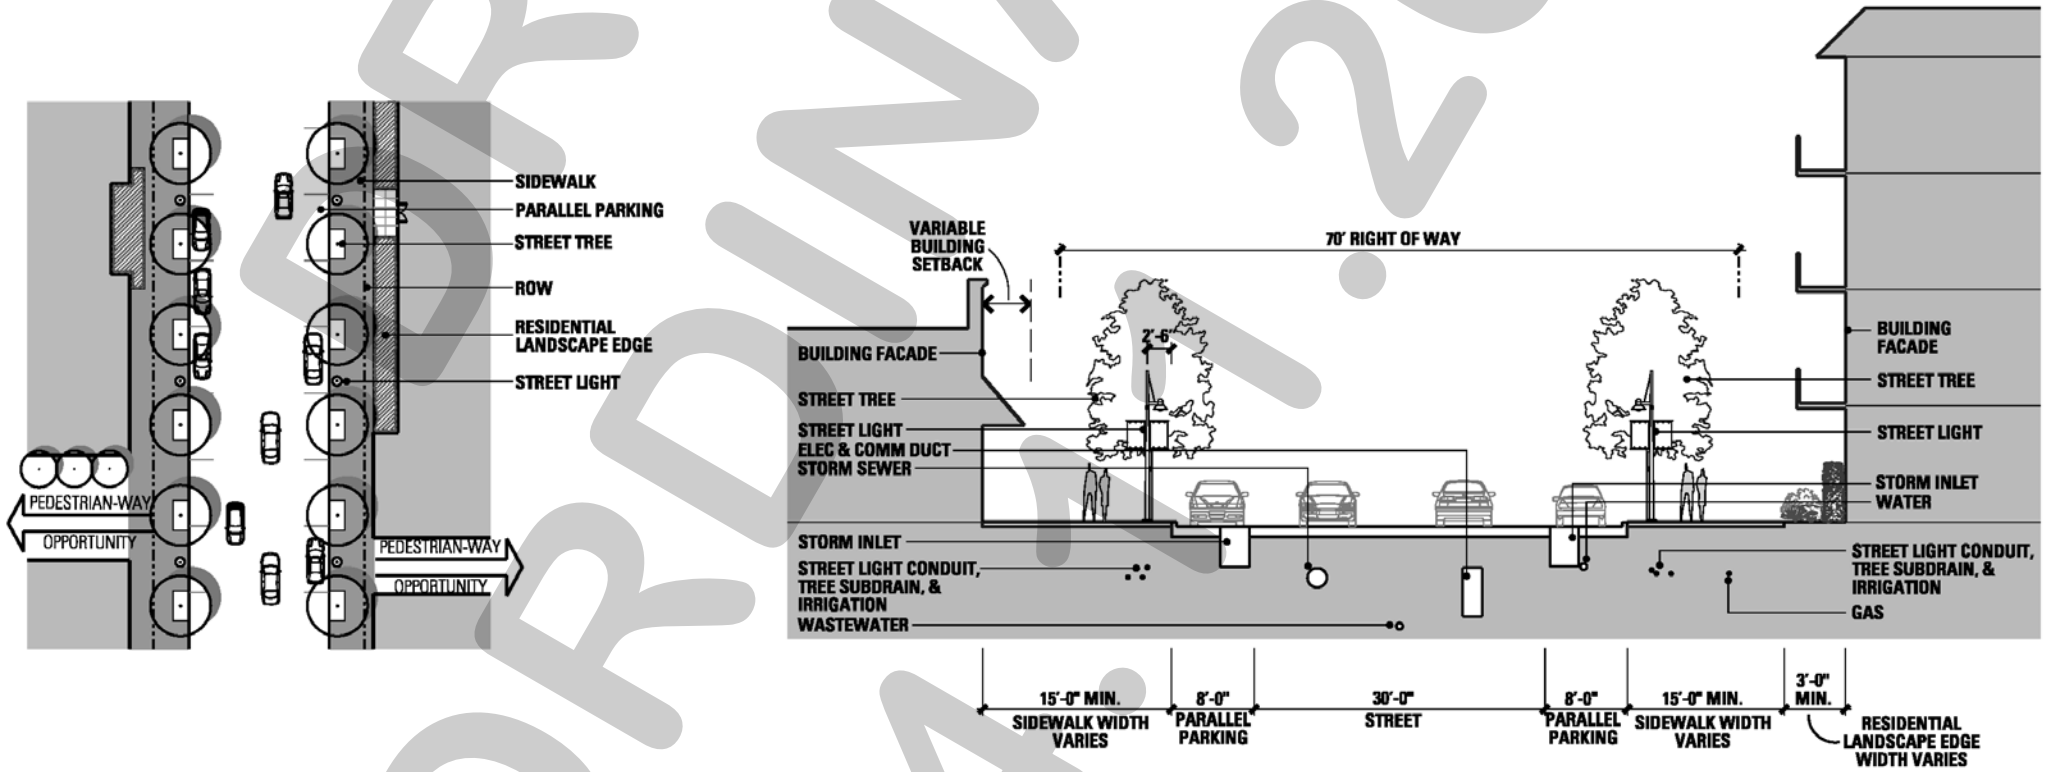


DRAFT ORDINANCE 04.04.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'D'

Street Type 'D' serves as a primary connector to the existing Harbor development and is a primary street frontage for retail, residential, and mixed-use development within adjacent *Sub-Districts*. This street type consists of parallel parking on both sides of a 30-foot wide street within a 70-foot right-of-way. An 11½-foot wide sidewalk is provided on both sides of the street with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street light fixtures spaced at 60-foot OC. The pedestrian paving material is concrete pavers. Longitudinal slopes on this street type are generally ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

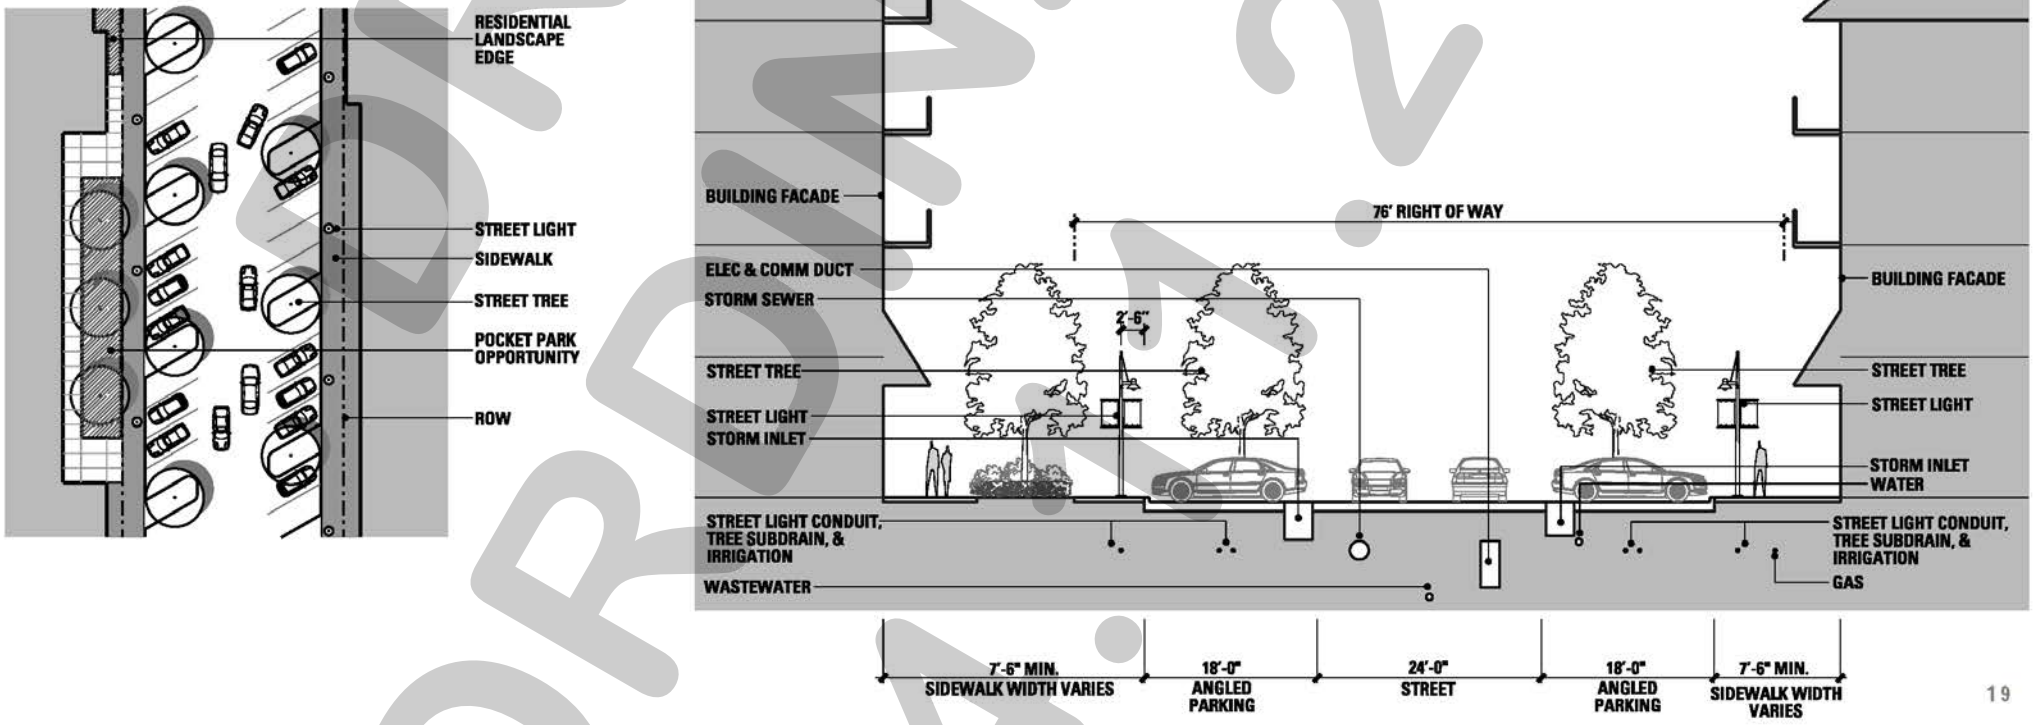


DRAFT ORDINANCE 04.17.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'E'

Street type 'E' serves as a primary street frontage for retail, residential, and mixed-use development within adjacent districts. This street type consists of angled head-in parking on both sides of a 24-foot wide street within a 76-foot right-of-way. A 7½-foot wide sidewalk is provided on both sides of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) percent maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.



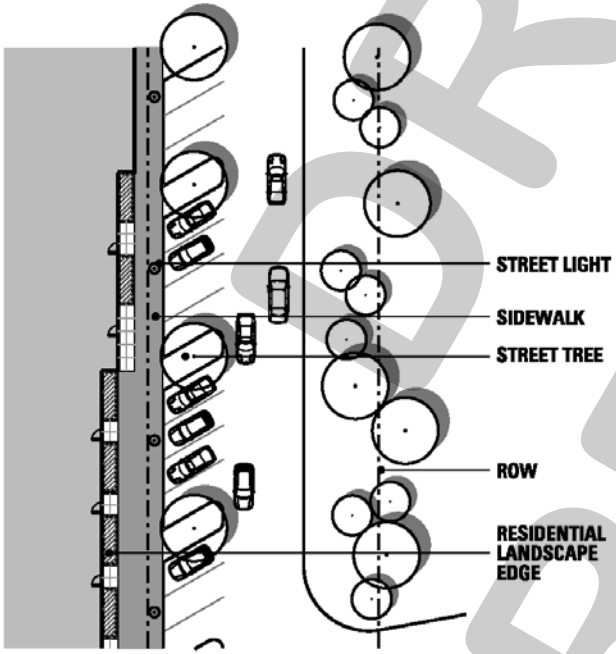
19

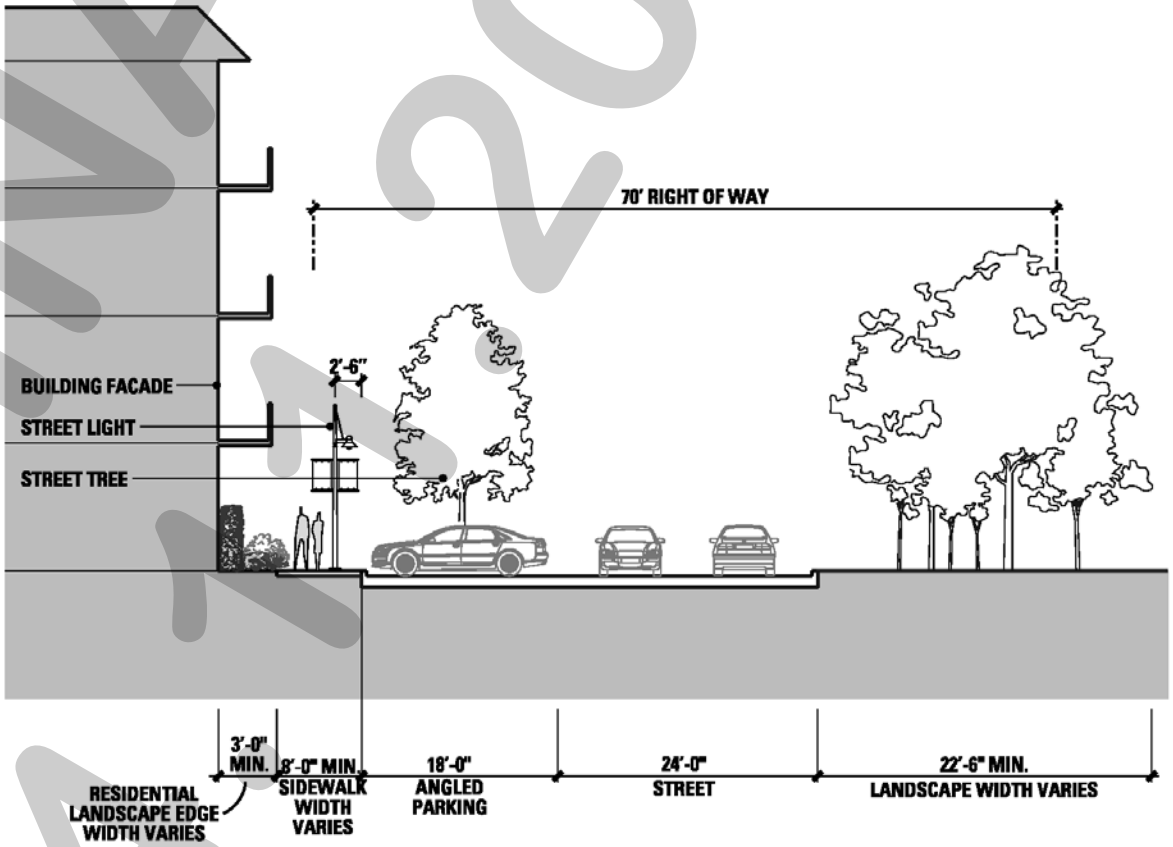
DRAFT ORDINANCE 04.04.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'F'

Street type 'F' serves as a primary street frontage for mixed-use development within adjacent districts. This street type consists of angled head-in parking on one side of a 24-foot wide street within a 70-foot right-of-way. A 4½-foot wide sidewalk is provided on one side of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) percent maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.



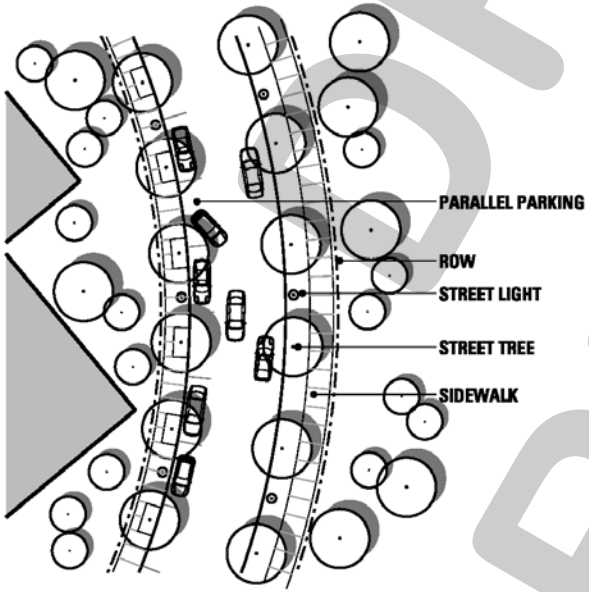


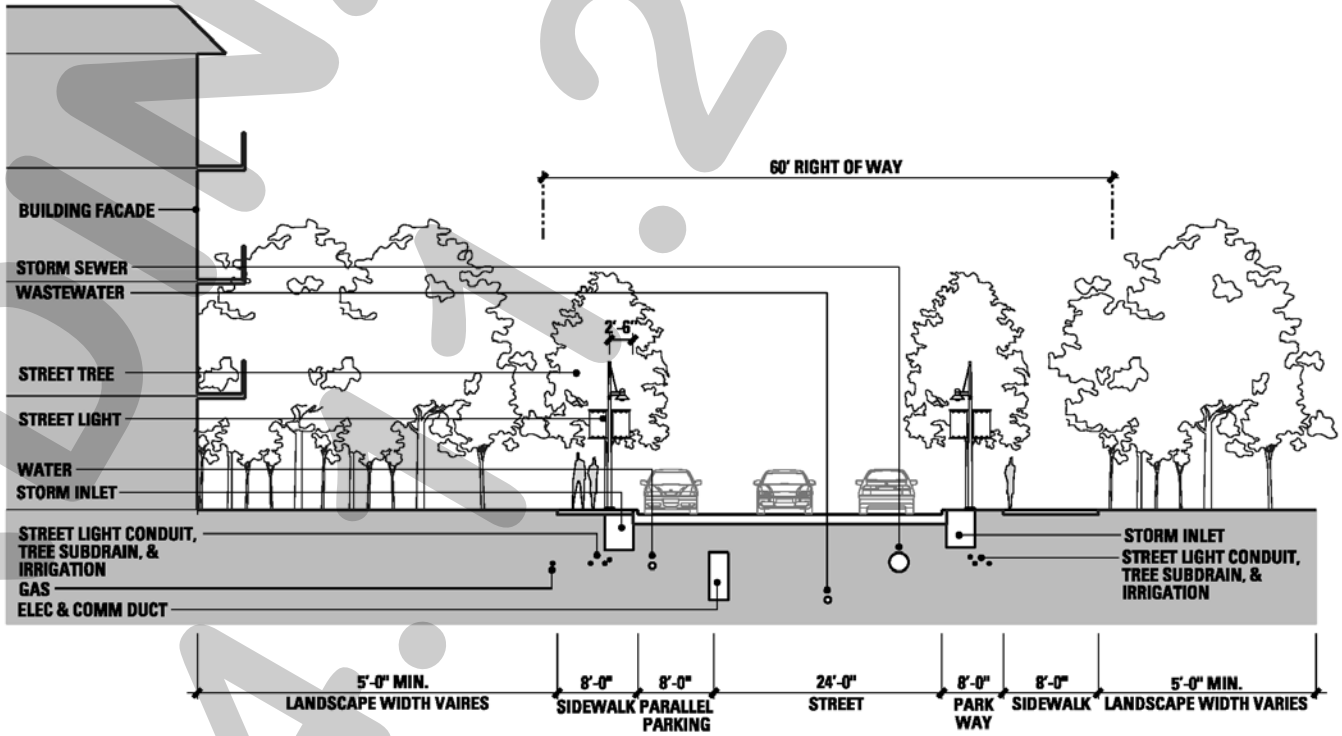
DRAFT ORDINANCE 04-17-2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'G'

Street Type 'G' serves as an edge to the open space *Sub-District*. This street type consists of parallel parking designated on one side of a 24-foot wide street within a 60-foot right-of-way. An eight (8) foot wide concrete sidewalk with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street lights spaced at 60-foot OC is provided on the parallel parking side of the street. An eight (8) foot wide concrete sidewalk is provided on the open space side of the street with street trees spaced at 30-foot OC and pedestrian scale light fixtures spaced at 60-foot OC within an eight (8) foot wide parkway. Existing trees may be preserved within the right of way when possible. Longitudinal slopes on this street type are between one (1) percent and ten (10) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.



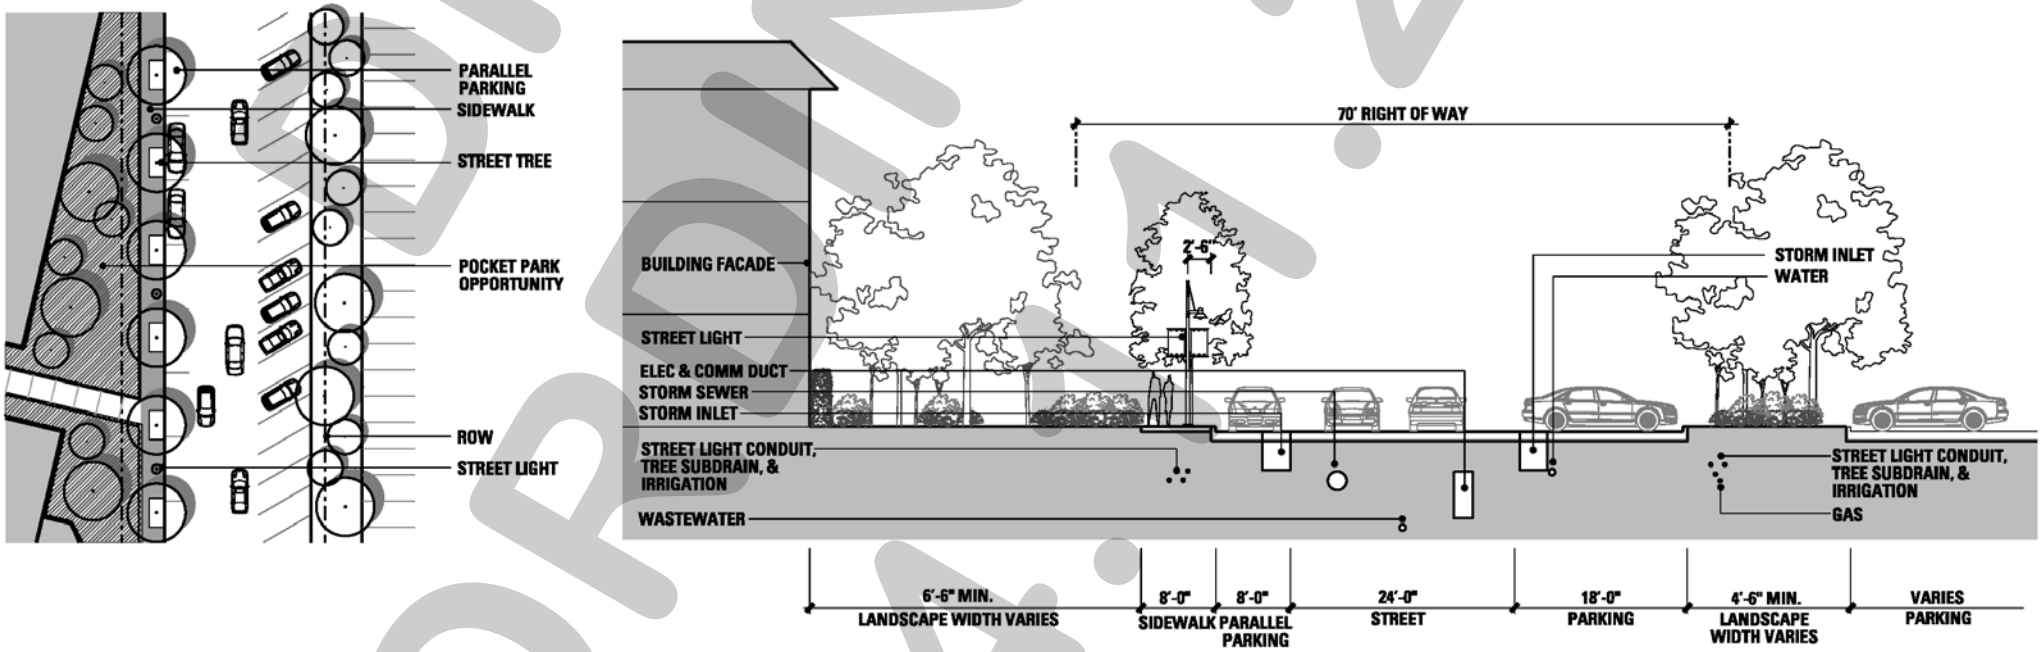


ORDINANCE 04-A: 2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'H'

Street Type 'H' serves as a transition between the *Harbor Residential Sub-District* and the *Freeway Frontage Sub-District*. This street type consists of a 24-foot wide street within a 70-foot right-of-way. Parallel parking serves the Harbor Residential side with an eight (8) foot wide concrete sidewalk and street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street lights spaced at 60-foot OC. Angled head-in parking serves the *Freeway Frontage Sub-District* side with canopy and understory trees provided in natural groupings.

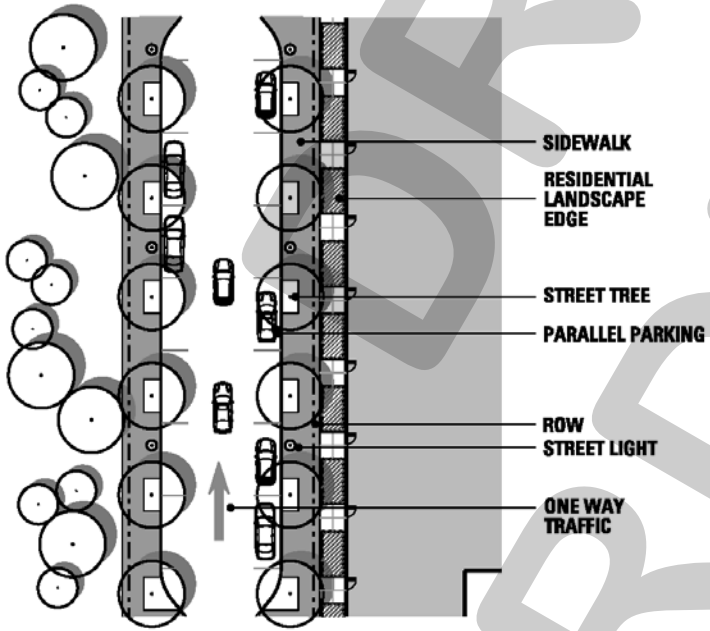


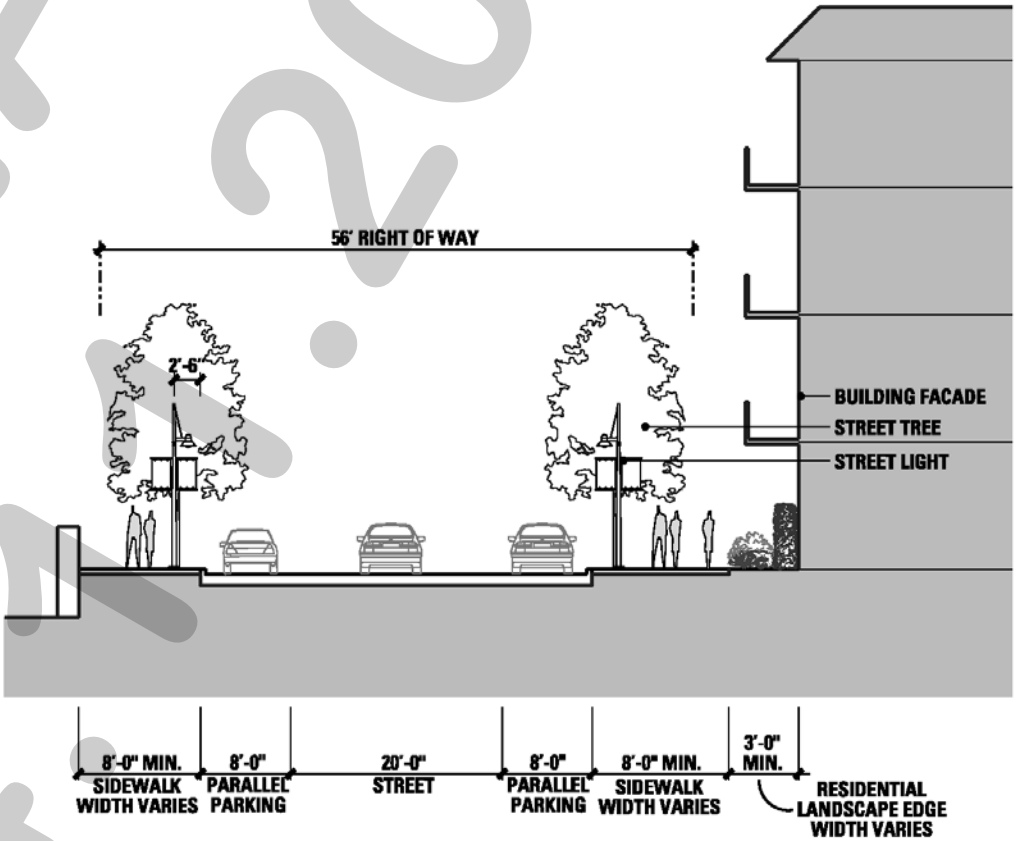
ORDINANCE 04.17.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'I'

Street Type 'I' serves as the primary frontage for the *Harbor Residential Sub-District*. This street type consists of parallel parking provided on both sides of a 20' wide one-way street within a 56-foot right-of-way. A 9½-foot wide sidewalk with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC. and pedestrian scale street lights spaced at 60-foot OC is provided on both sides of the street. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) percent maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

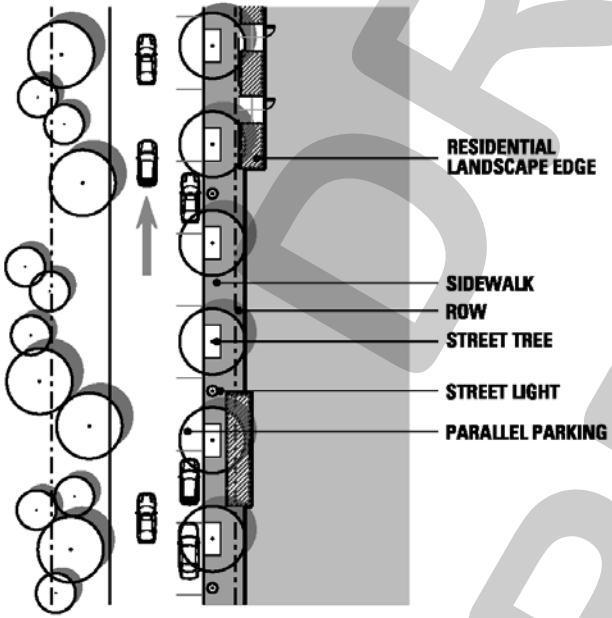


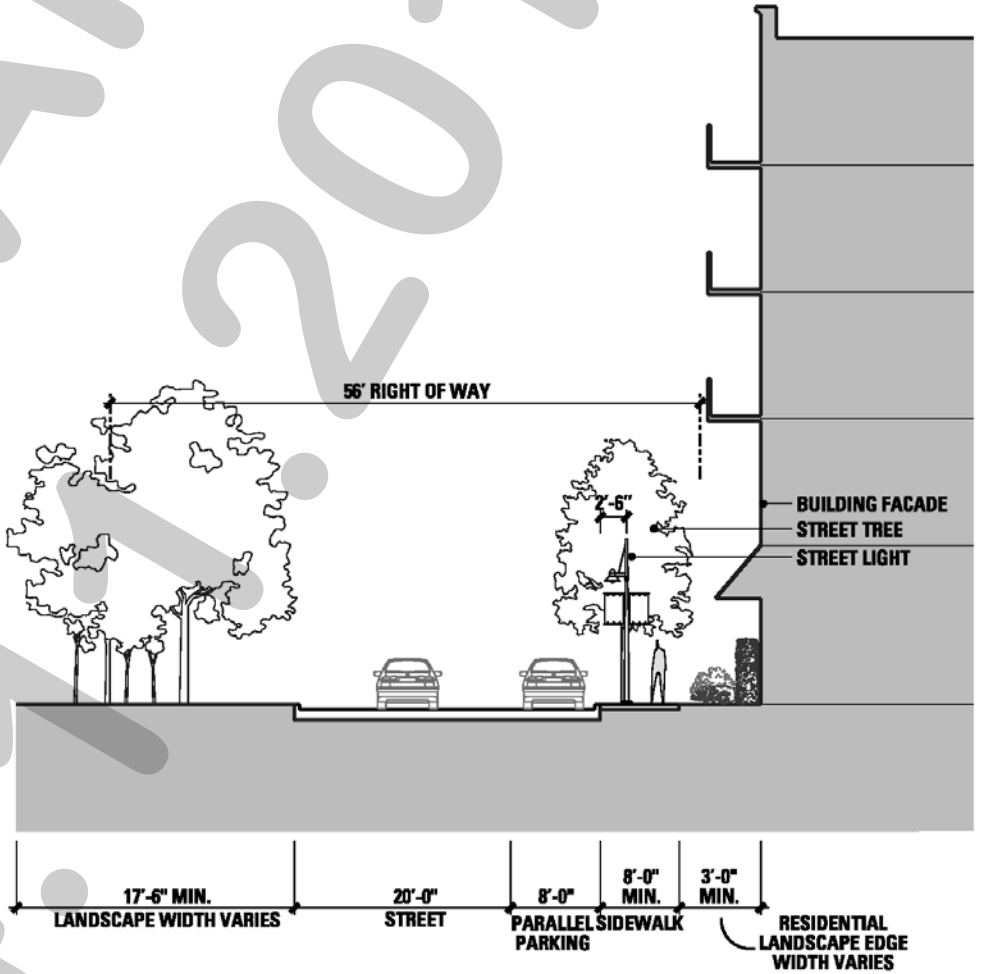


DRAFT ORDINANCE 04.17.2017

STREET TYPE 'J'

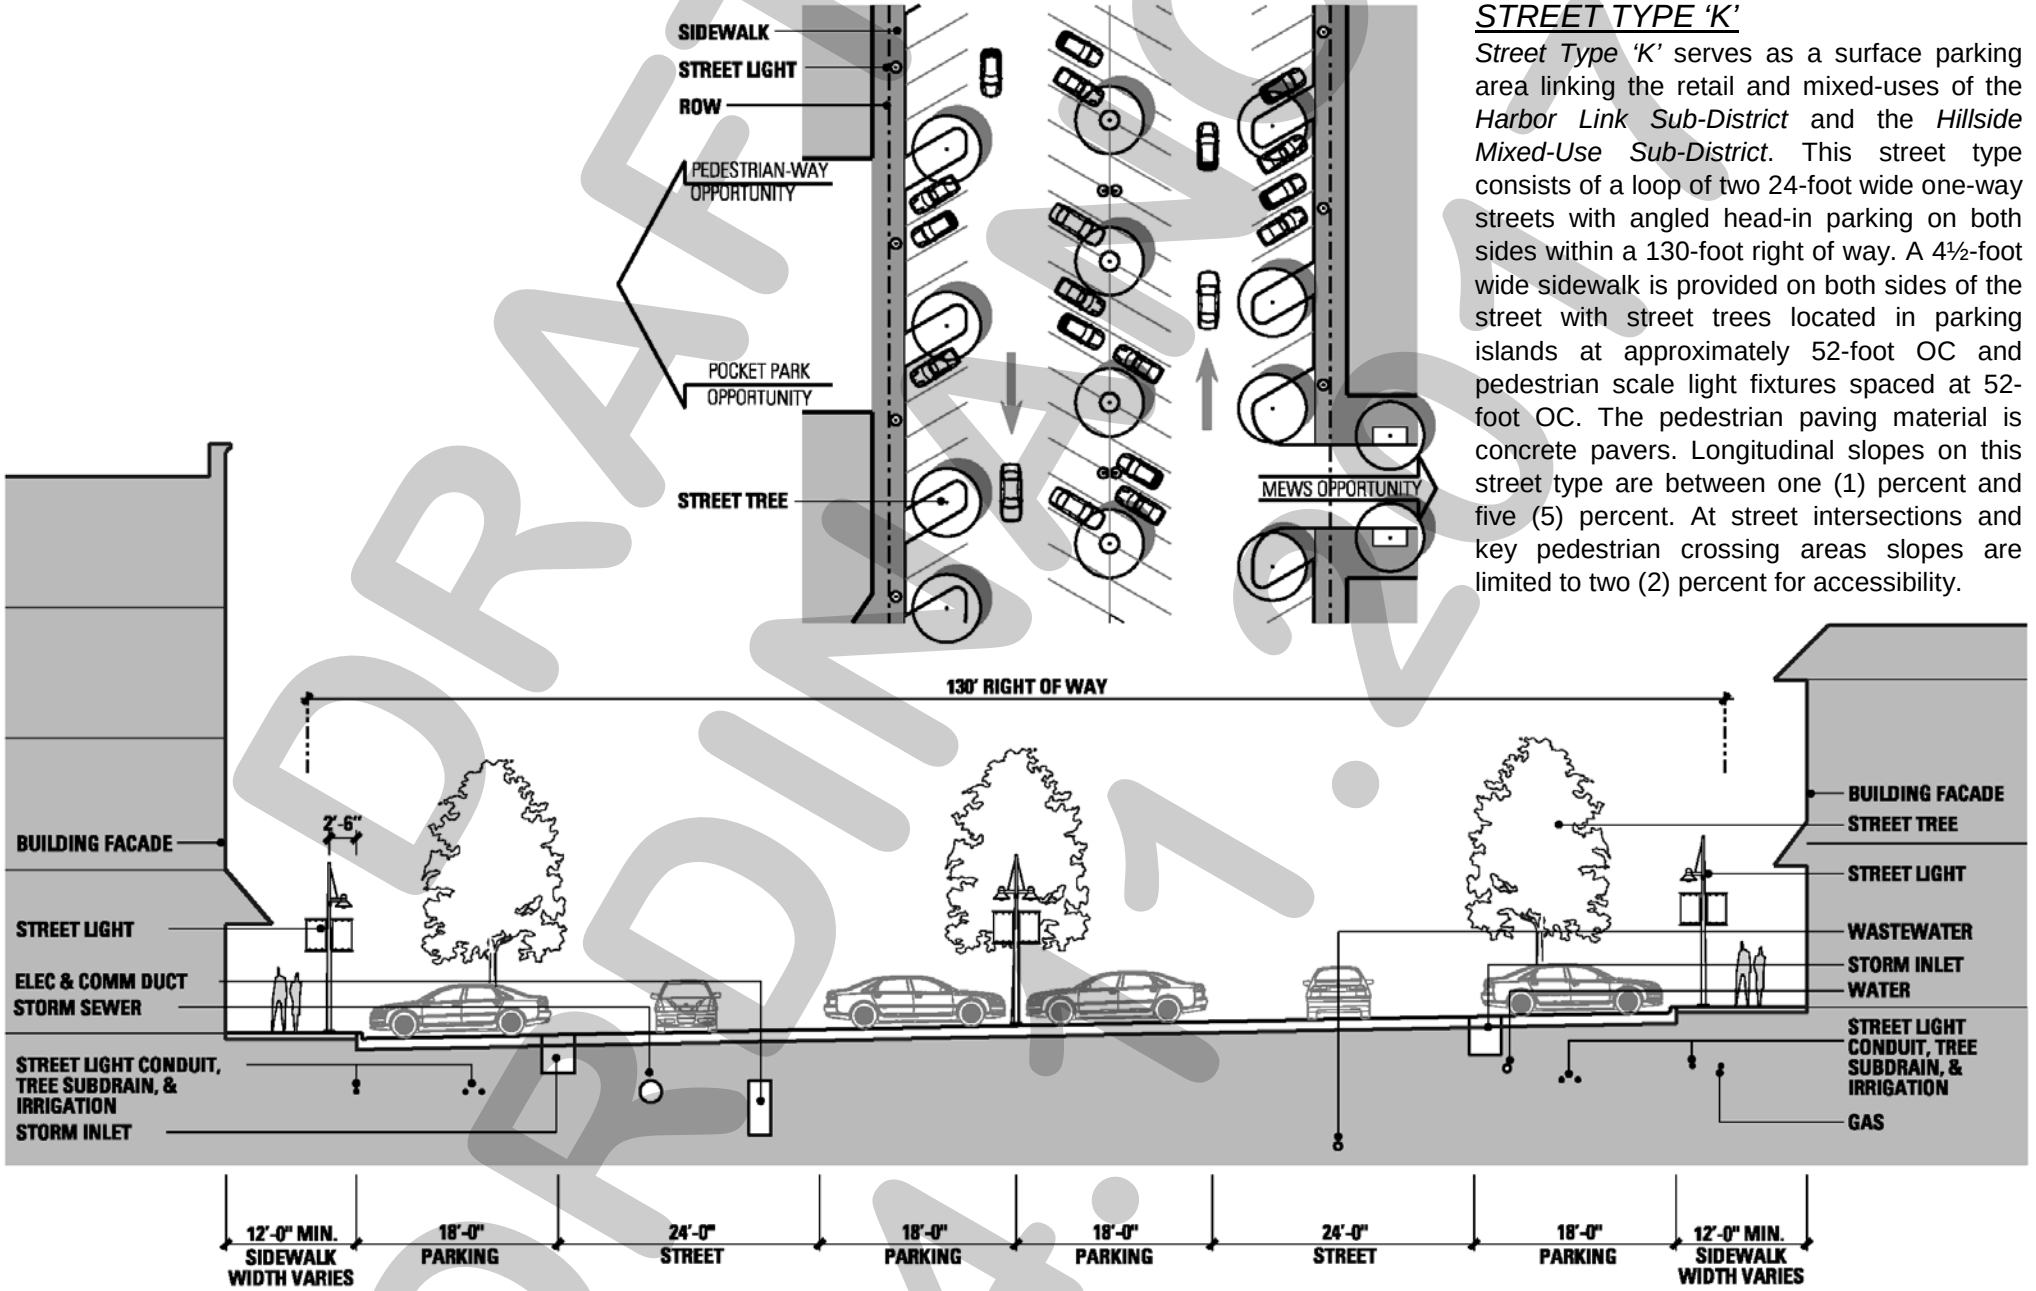
Street Type 'J' serves as the primary frontage for the *Harbor Residential Sub-District*. This street type consists of parallel parking provided on one side of a 20-foot wide one-way street within a 56-foot right-of-way. An eight (8) foot wide sidewalk with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street lights spaced at 60-foot OC is provided on both sides of the street. Pedestrian paving materials may be a mix of concrete pavers and concrete. Longitudinal slopes on this street type are limited to five (5) foot maximum. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.





DRAFT ORDINANCE 04.11.2017

EXHIBIT 'C-4':
Streetscape Plan



STREET TYPE 'K'

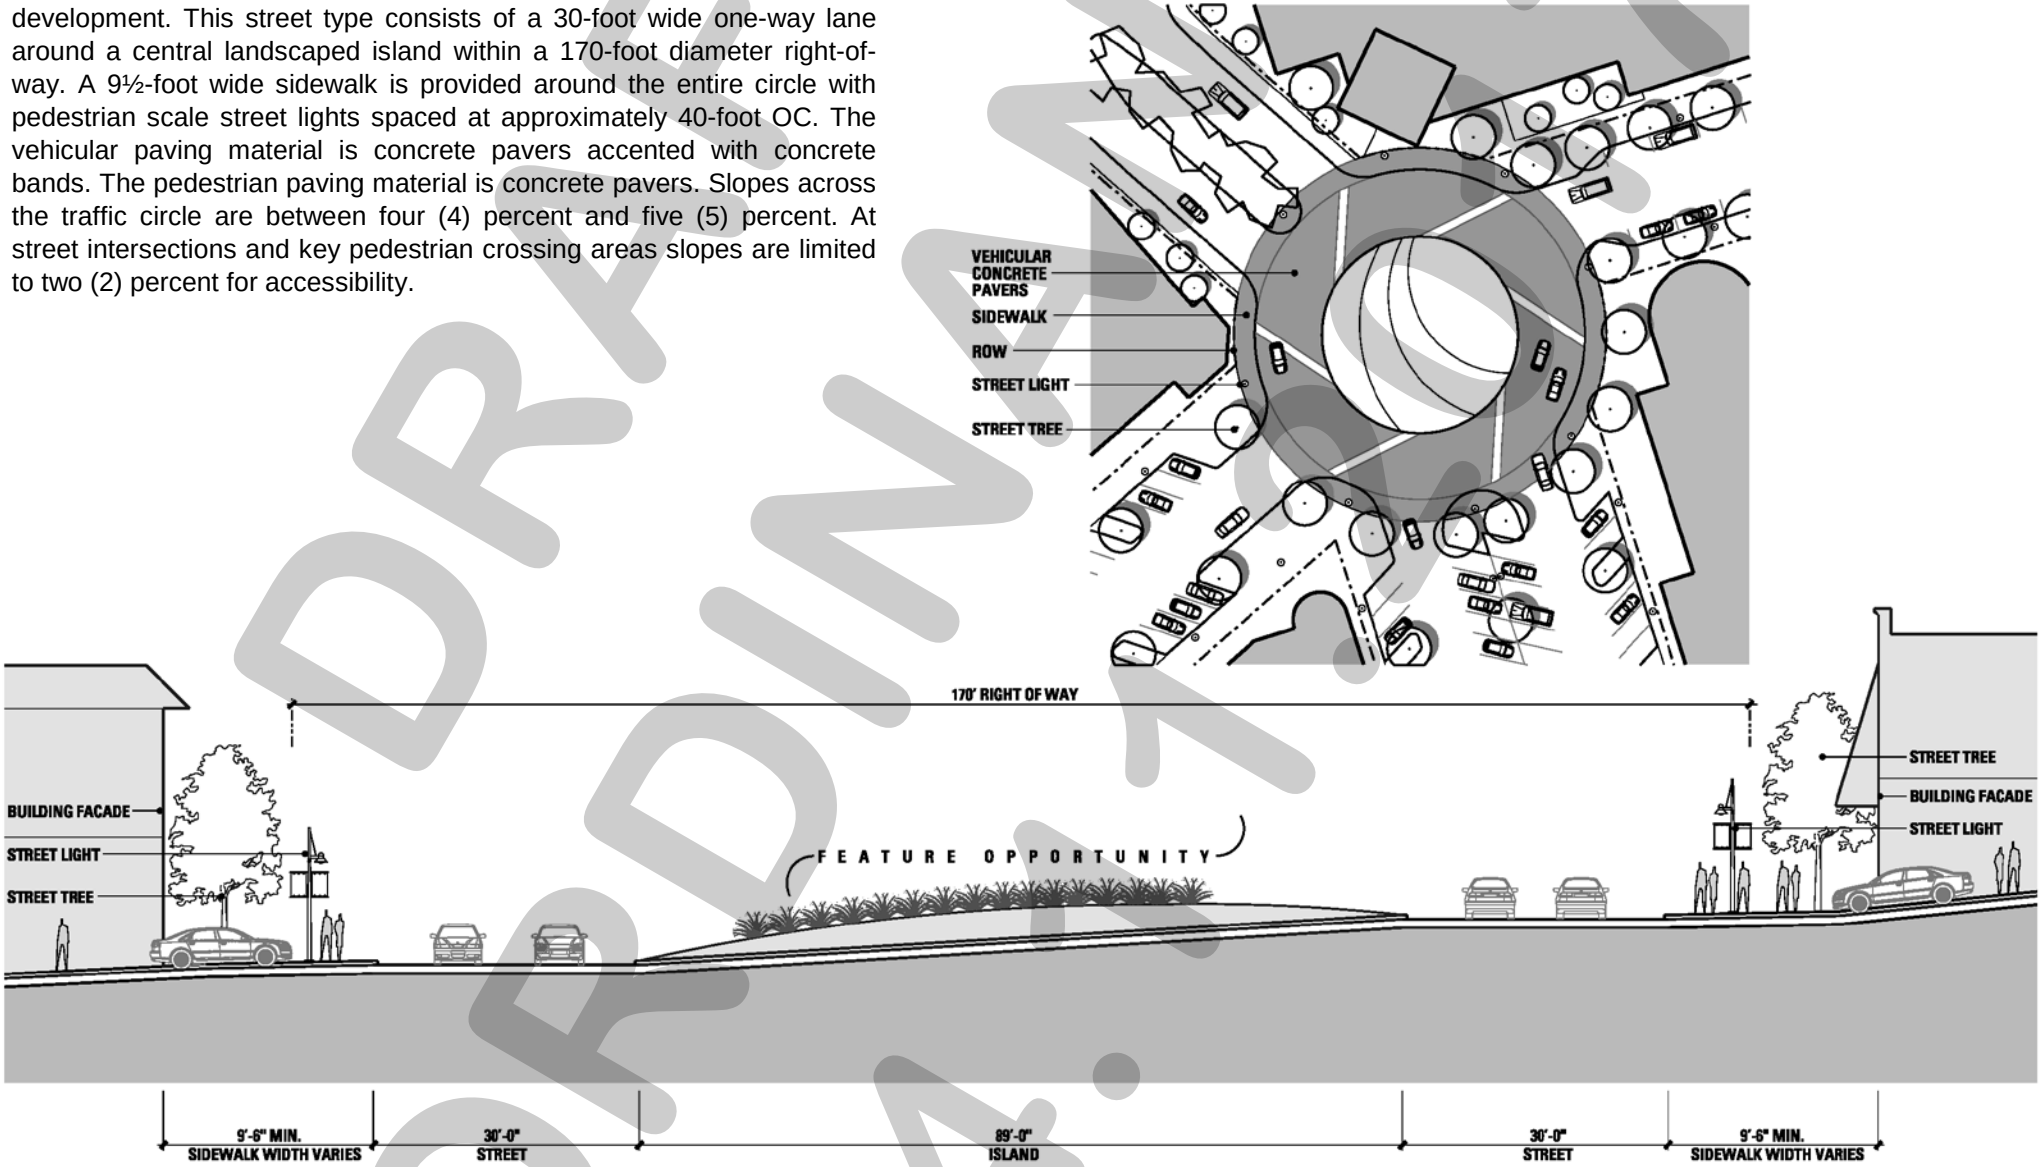
Street Type 'K' serves as a surface parking area linking the retail and mixed-uses of the *Harbor Link Sub-District* and the *Hillside Mixed-Use Sub-District*. This street type consists of a loop of two 24-foot wide one-way streets with angled head-in parking on both sides within a 130-foot right of way. A 4½-foot wide sidewalk is provided on both sides of the street with street trees located in parking islands at approximately 52-foot OC and pedestrian scale light fixtures spaced at 52-foot OC. The pedestrian paving material is concrete pavers. Longitudinal slopes on this street type are between one (1) percent and five (5) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

DRAFT ORDINANCE 04.17.17

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'L'

Street Type 'L' is a traffic circle that serves as a central point of the district. This circle is a midpoint in the link to the existing Harbor development. This street type consists of a 30-foot wide one-way lane around a central landscaped island within a 170-foot diameter right-of-way. A 9½-foot wide sidewalk is provided around the entire circle with pedestrian scale street lights spaced at approximately 40-foot OC. The vehicular paving material is concrete pavers accented with concrete bands. The pedestrian paving material is concrete pavers. Slopes across the traffic circle are between four (4) percent and five (5) percent. At street intersections and key pedestrian crossing areas slopes are limited to two (2) percent for accessibility.

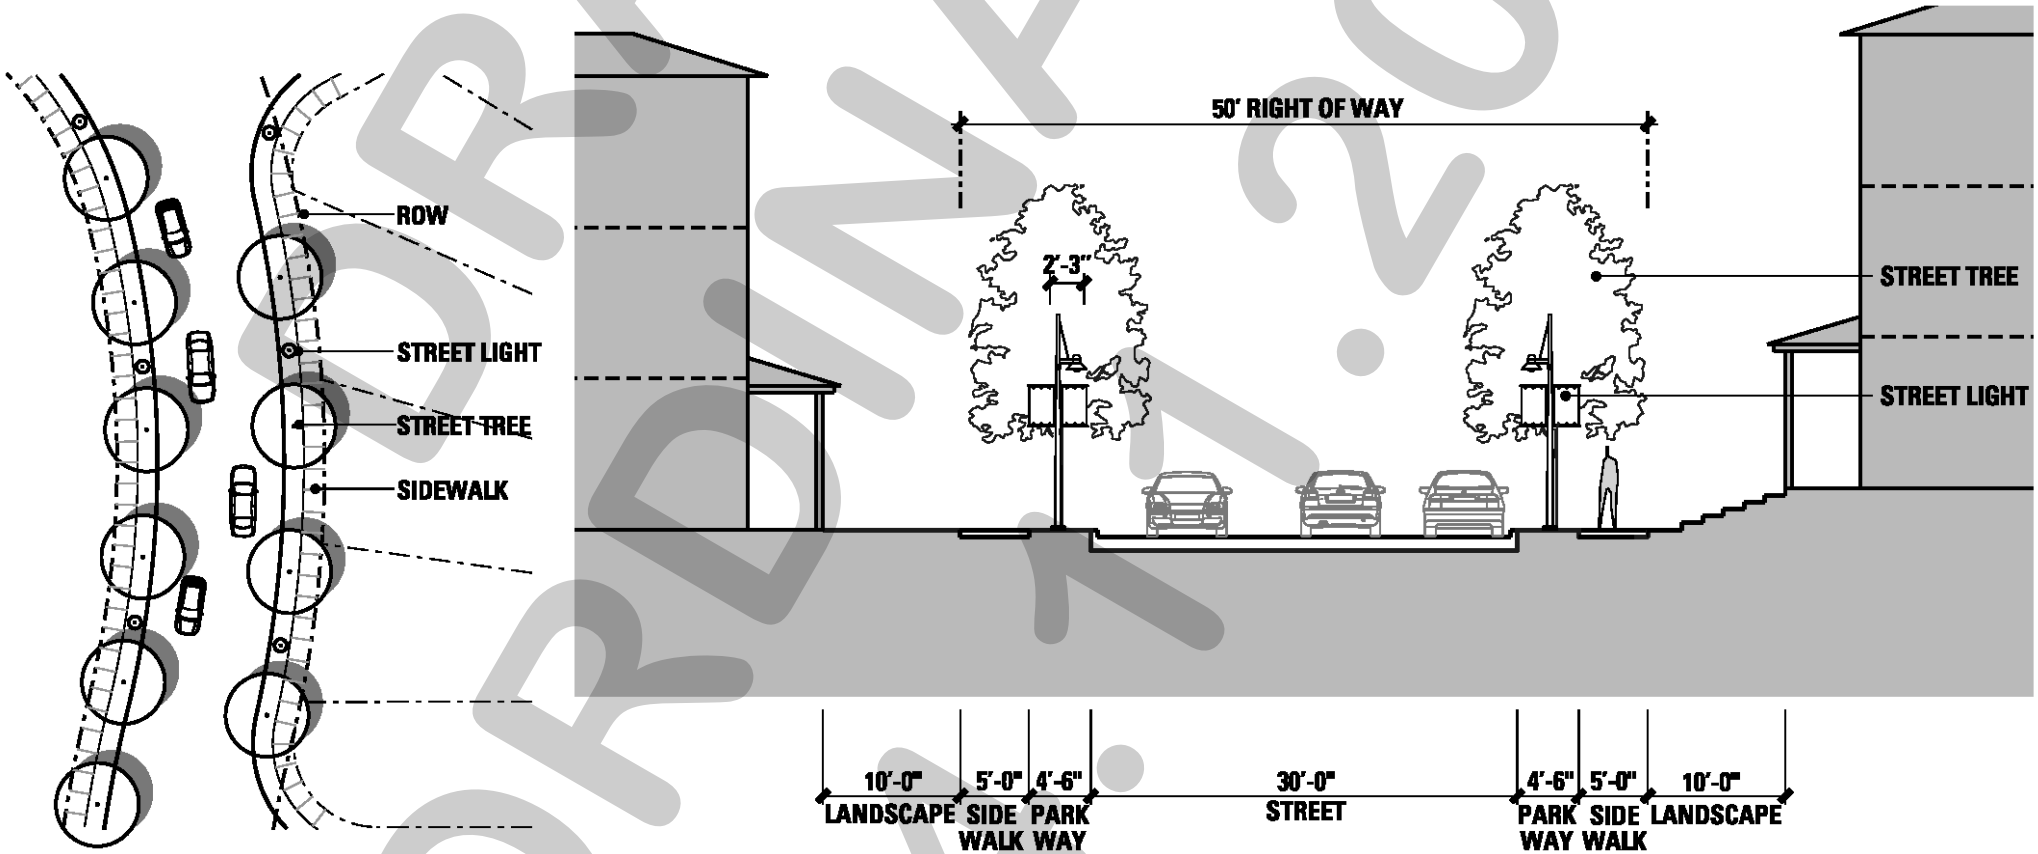


DRAFT ORDINANCE 04.17

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'M'

Street Type 'M' serves as the primary single-family residential neighborhood street. This street type consists of a 30-foot wide street within a 50-foot right-of-way. On street parking is permitted on this street type. Street trees are spaced at 30-foot OC within a 4½-foot wide parkway with pedestrian scale street lights spaced at 60-foot OC. A five (5) foot wide concrete sidewalk is provided on both sides of the street. This street type may include features such as eyebrows or landscape islands and medians.

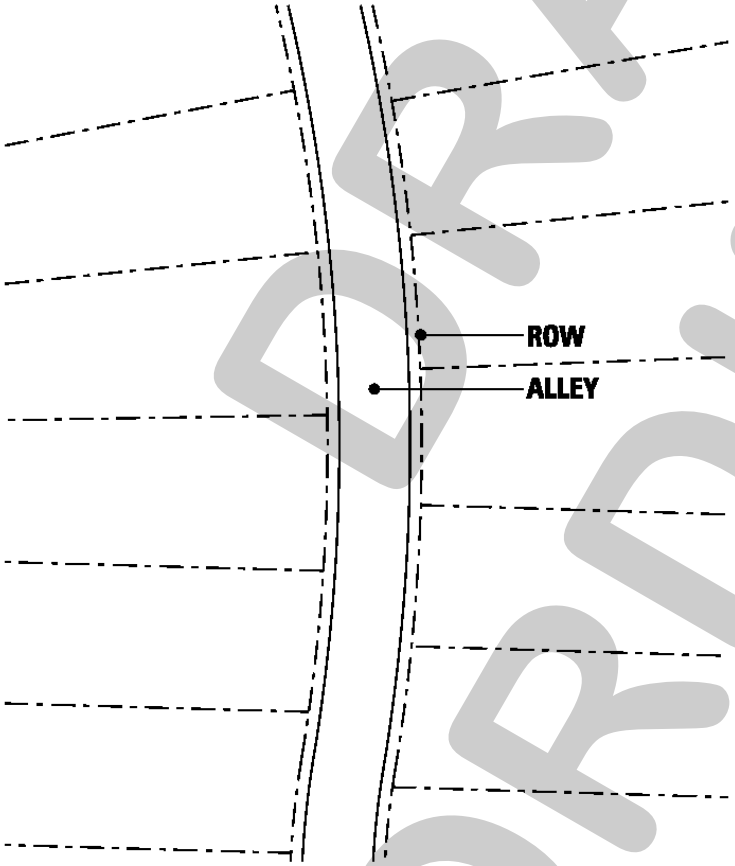


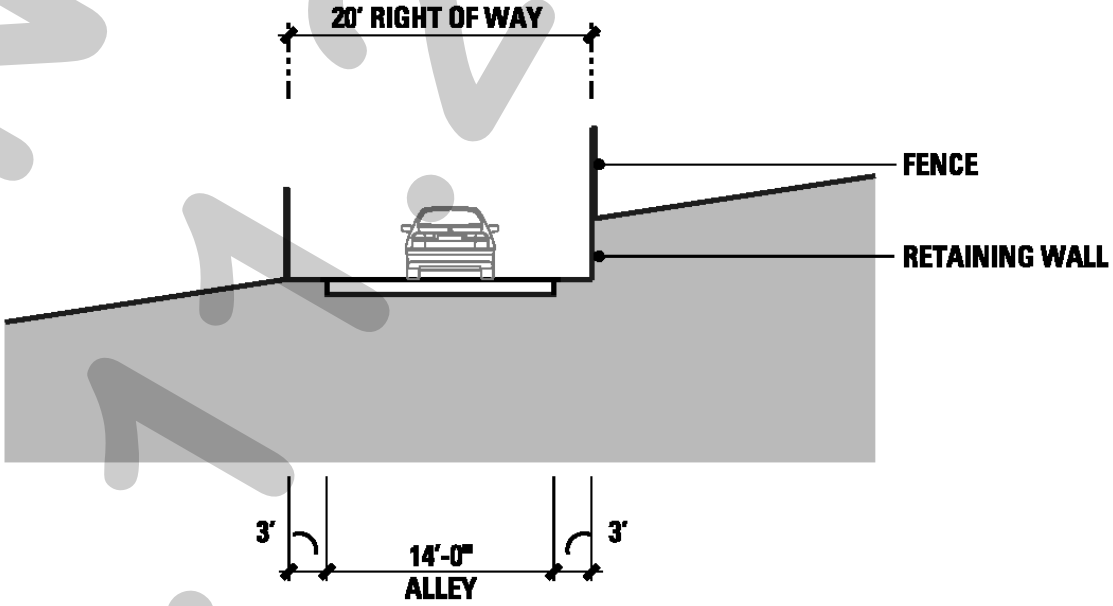
DRAFT ORDINANCE 04.17.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'N'

Street Type 'N' serves as an alley within the single-family residential neighborhood. This street type consists of a 15-foot wide alley within a 20-foot right-of-way. No street trees, light fixtures, or sidewalks are provided in this street type.



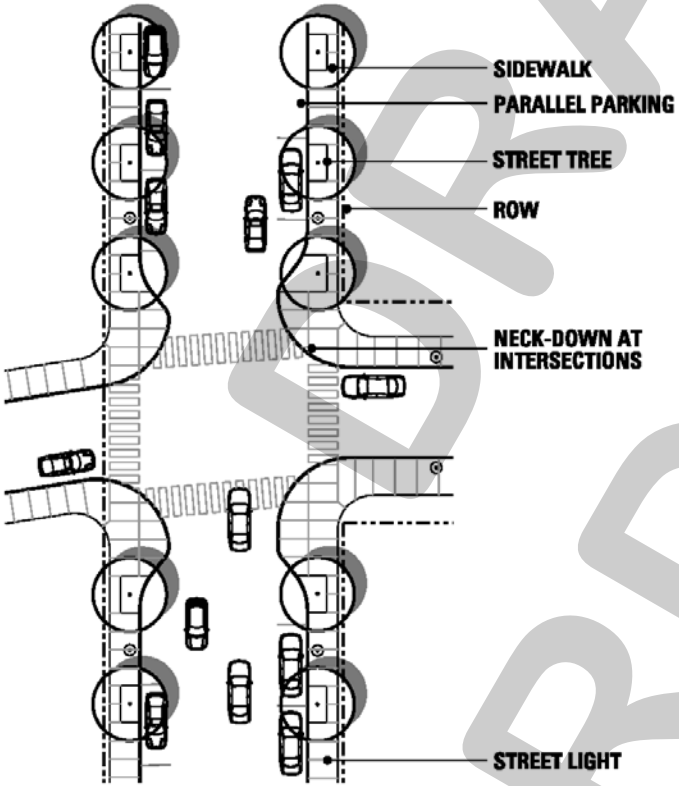


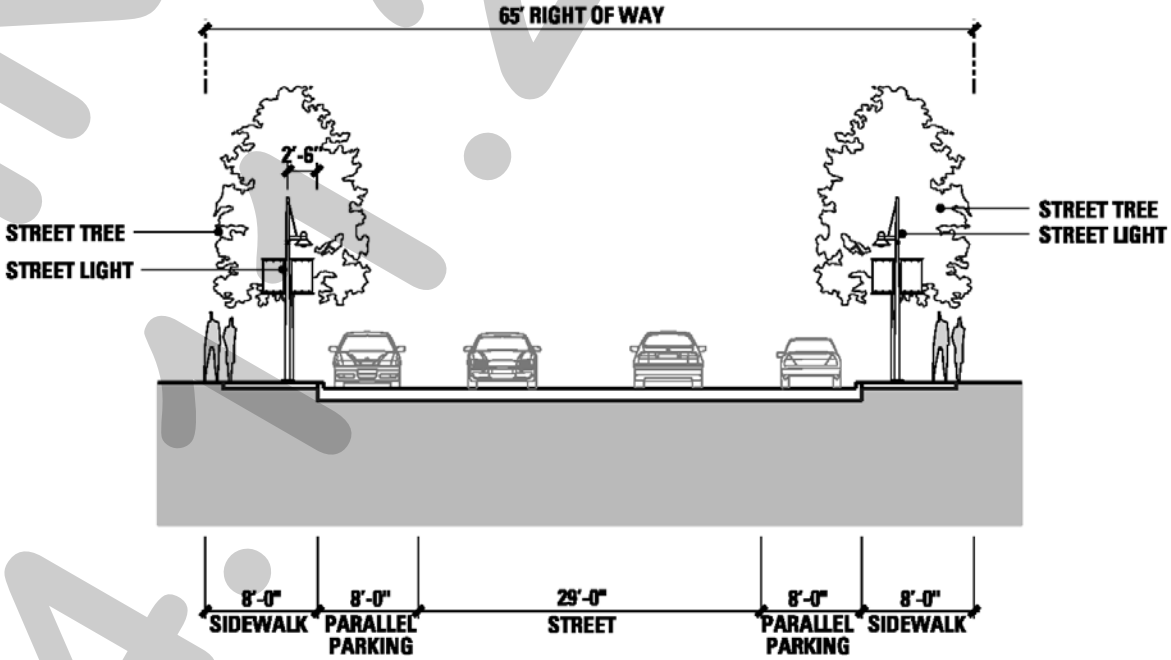
DRAFT ORDINANCE 04.17.2017

EXHIBIT 'C-4':
Streetscape Plan

STREET TYPE 'O' (I.E. SUMMER LEE DRIVE)

Street Type 'O' consists of streetscape improvements and parallel parking dedication on both sides of an existing 29-foot wide street within the existing 65-foot Summer Lee Drive right-of-way. An eight (8) foot wide sidewalk is provided on both sides of the street with street trees in five (5) foot x ten (10) foot leave outs spaced at 30-foot OC and pedestrian scale street light fixtures spaced at 60-foot OC. Neck downs are provided at intersections to provide a clearly defined pedestrian space. The pedestrian paving material is concrete sidewalk. Longitudinal slopes on this street type are range from 1½% to seven (7) percent. At street intersections, pedestrian walkway slopes are limited to two (2) percent for accessibility.





DRAFT ORDINANCE: 04.17.2017

EXHIBIT 'C-4':
Streetscape Plan

STREETSCAPE ELEMENTS

PEDESTRIAN PAVING MATERIALS

CONCRETE PAVING
All concrete pedestrian walkways shall be an upgraded pedestrian concrete paving with integral color ~~(~~matching Scofield Chromix C-24 Charcoal or C-15 Coachella Sand), light sandblast finish, and sawcut control joints.

CONCRETE PAVERS
Concrete pavers shall be ~~Pavestone concrete pavers,~~ similar to Holland 98 Parkway Provencial, Antique Terra Cotta colored, and six (6) cm thickness. Pavers shall be placed in a running bond pattern perpendicular to the street curb.

VEHICULAR PAVING MATERIALS

CONCRETE PAVING
The standard vehicular paving material shall be concrete in accordance with City of Rockwall standards.

CONCRETE PAVERS
Upgraded vehicular paving shall be concrete pavers. Concrete pavers shall be ~~Pavestone concrete pavers,~~ similar to Holland 98 Parkway Provencial, Antique Terra Cotta colored, eight (8) cm thickness. Pavers shall be placed in a herringbone bond pattern.

STREET FURNISHINGS

BENCH
Benches shall be similar to Landscape Forms: Scarborough backed horizontal strap bench, powdercoat color RAL #7003 Moss Grey.

TRASH RECEPTACLE
Trash receptacles shall be similar to Landscape Forms: Scarborough side opening with vertical straps, powdercoat color RAL #7003 Moss.

BIKE RACK
Bike racks shall be similar to Forms + Surfaces: Trio Bike Rack, powdercoat color RAL #7003 Moss Grey.

BOLLARD
Bollards shall be similar to Hess - Paris 1100 Type 'A' fixed bollard, powdercoat color RAL #7003 Moss Grey.

SEAT WALL
Cast-in-place concrete seat wall with architectural finish.

DRAFT ORDINANCE 2017-04

STREETSCAPE ELEMENTS

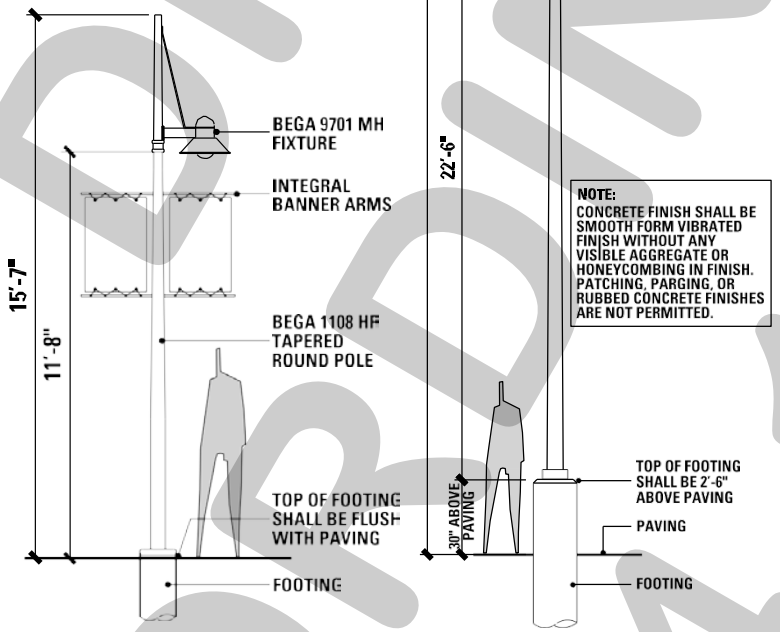
LIGHTING

PEDESTRIAN SCALE STREET LIGHT
Pedestrian scale street lights shall be similar to the Bega 9701 MH 100W Metal Halide fixture on Bega 1108 HR 11'-8" tapered round pole with integral banner arms, powder coat color RAL #7003 Moss Grey.

PARKING LOT LIGHT FIXTURE
Parking lot light fixtures shall be similar to the Gardco Gullwing G18-2-3XL-400MH-XXX-SC on KW RTSP 22.5-6.60-11-LNA-DM2180-BC powder coat color RAL #7003 Moss Grey

Parking lots shall be illuminated to an average sustained level of 1.5 - 2 Foot Candles.

TREE UP-LIGHT
All street trees within the right of way shall be uplight with B-K HP2-PAR2020-TR-59-SAP-11-xxx-AH/CPC or a smilar light fixture.



DRAFT ORDINANCE 04.17.17

STREETSCAPE ELEMENTS

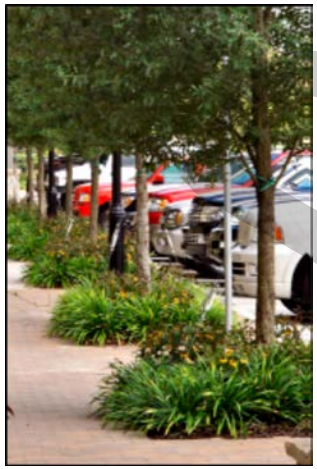
LANDSCAPE

TREE LEAVE-OUTS
Paving leave-outs for street trees shall be five (5) feet by ten (10) feet adjacent to the back of the street curb. All street trees in tree leave-outs or in head-in parking islands shall have tree sub-drainage tied to the storm drain system. In addition to the street tree, all leave outs shall contain one of the following:

Option A: A mix of shrub, perennial, ornamental grass, and groundcover planting. Plant materials shall provide a mix of height, color, texture, and evergreen structure.

Option B: Mexican Beach Stone pebbles.

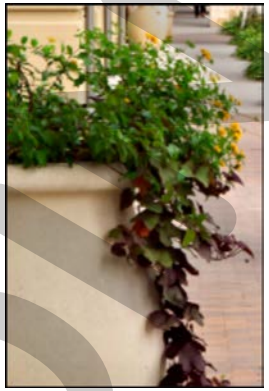
A consistent treatment must be provided for a continuous block length.

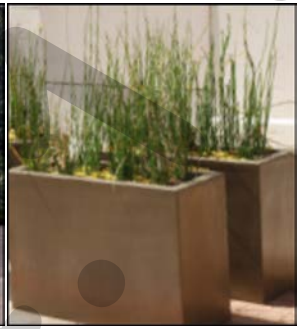


DECORATIVE POTS
Use decorative pots to accent the streetscape environment. Decorative pots must be compatible with the surrounding architectural styles. Decorative pots must be an appropriate pedestrian scale. All decorative pots shall be irrigated and have drainage tied to the storm drain system.

Recommended decorative pots:

- ☑ Stonewear Zena series, SB 32 Finish
- ☑ Stonewear Grecian series, SB 32 Finish
- ☑ Rectangular Metal Planters





GRADING
The maximum cross slope on all pedestrian walkways shall be two (2) percent. The maximum longitudinal slope on all pedestrian walkways shall be five (5) percent, except where the longitudinal slope of the street exceeds five (5) percent.

DRAFT ORDINANCE 04.17

EXHIBIT 'C-5':
Master Grading Plan

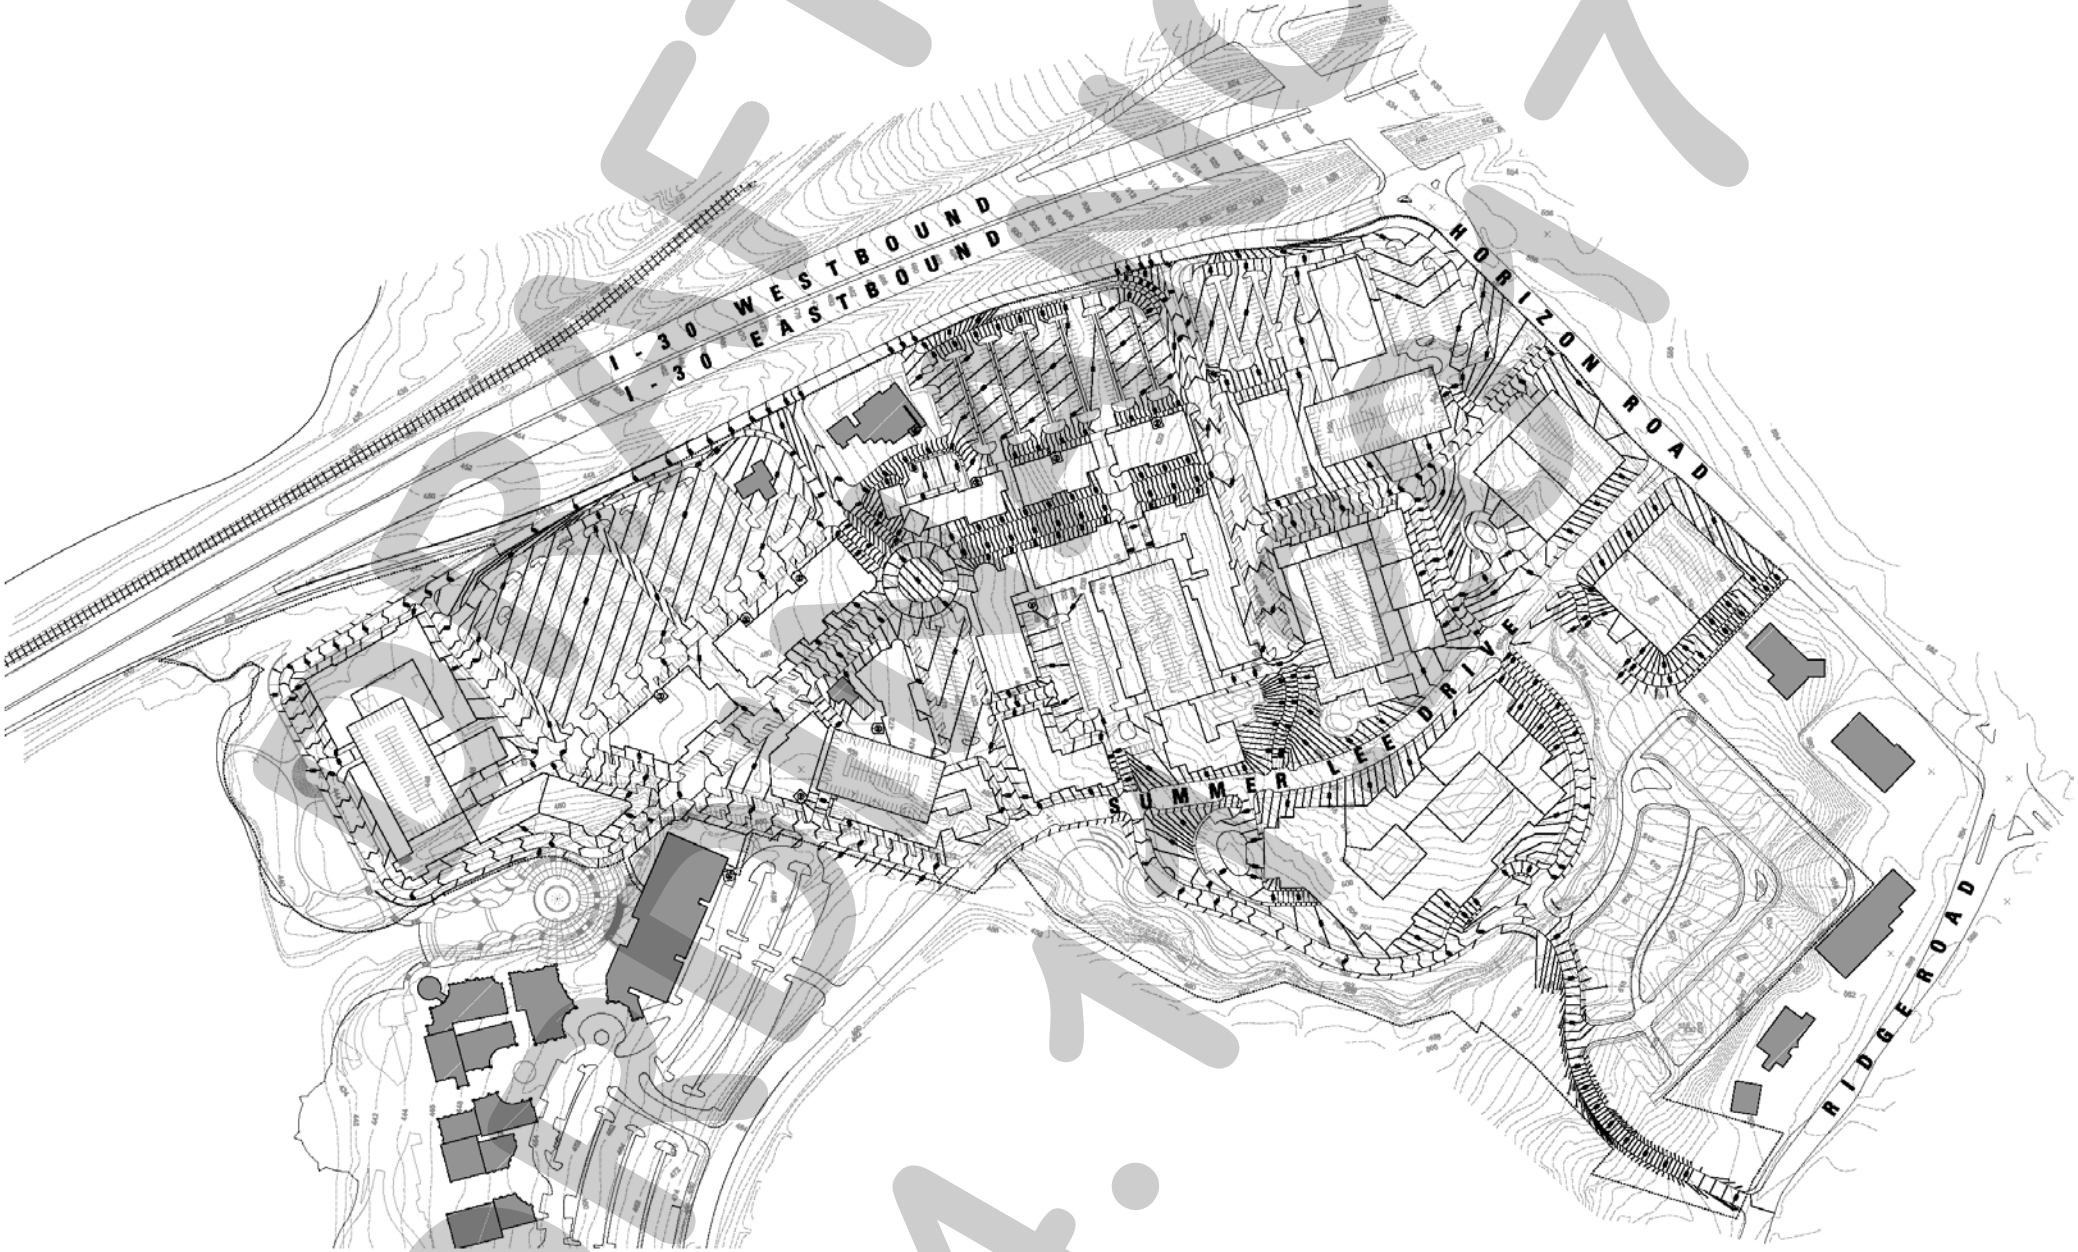


EXHIBIT 'C-6':
Master Tree Planting Plan

A Master Tree Planting plan has been established for the Harbor District to ensure unifying street tree planting within the right of way and unifying tree planting within private development parcels. The following species of trees must be planted as the dominant street or parking lot tree according to the master tree planting plan. Additional landscaping and accent trees may also be used within each *Sub-District.* All street trees in tree leave-outs or in head-in parking islands, shall have tree sub-drainage tied to the storm drain system.

Street trees within the right of way shall be the following sizes:

(1) Street trees in tree wells at 30-foot OC shall be four (4) inch caliper, 100 gallon
(2) Street trees in parking islands at 52-feet OC shall be eight (8) inches caliper

LEGEND

= Cedar Elms

= Bald Cypress

= A mix of any of the following canopy and ornamental trees in natural groupings. Live Oak, Cedar Elm, Red Oak, Burr Oak, Chinquapin Oak, Bald Cypress, Pond Cypress, Mexican Plum, Desert Willow, Chinese Pistache, Yaupon Holly, Red Bud, Crape Myrtle, Vitex, Eve's Necklace

= Live Oak

= Red Oak

Tennis Courts (Not Accessory to a Public or Private Club)
Transit Passenger Facility
TV Broadcasting & Other Communication Service
Utilities Holding a Franchise Agreement from the City of Rockwall
Utility Installation (Other Than Listed)
Utility/Transmission Lines
Wireless Communication Tower

DRAFT ORDINANCE 04.17.2017

HARBOR RESIDENTIAL SUB-DISTRICT

The primary intent of the *Harbor Residential Sub-District* is to provide a counter part to the existing Harbor development which will create a vibrant atmosphere surrounding the existing central fountain feature. Ground floor retail spaces are intended to link the Harbor District with the existing Harbor development. The addition of residential units will capitalize on the views and adjacencies to Lake Ray Hubbard. Existing slopes within this *Sub-District* are in the three (3) percent to eight (8) percent range.

BUILDING PLACEMENT

BUILD-TO-LINE (DISTANCE FROM ROW LINE)	
Street Type I	*10'*
Street Type E	*7'*
Street Type J	*5'*
Street Type H	*0'*

BUILDING FORM	
Each block face must have a minimum of 80% of its length defined by a building façade.	
Street Type I Min. Façade Built to BTL	*45%*
Street Type E Min. Façade Built to BTL	*45%*
Street Type J Min. Façade Built to BTL	*45%*
Street Type H Min. Façade Built to BTL	*45%*
Remaining façade must be no less than two (2) feet and no greater than 12' from the BTL.	
Maximum Lot Coverage	*80%*

NOTE: When abutting property with an existing building that has windows facing to the side, any new building shall provide at least ten (10) feet of separation.

USE

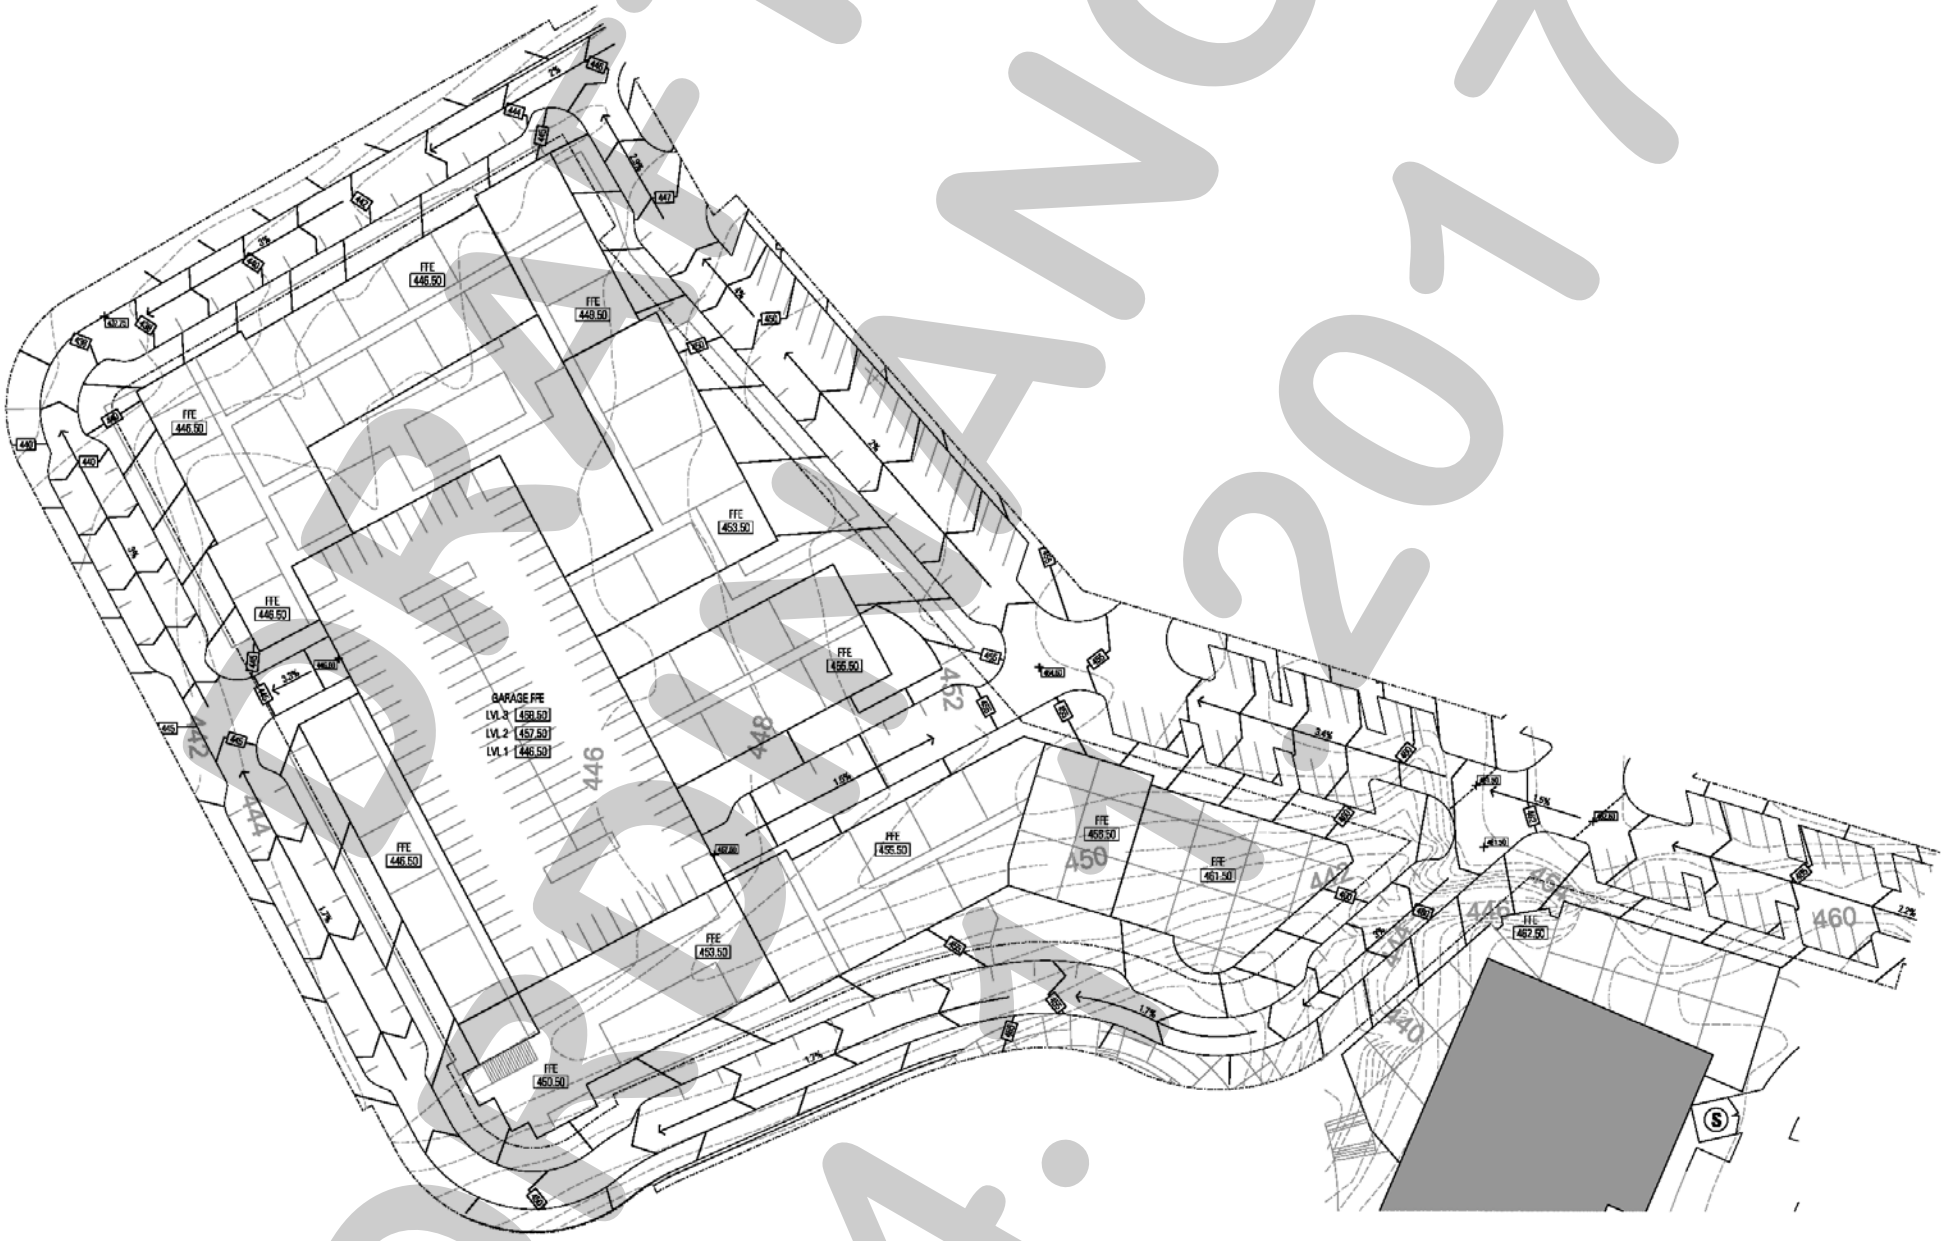
EXHIBIT 'E-1':
Harbor Residential Sub-District



DRAFT ORDINANCE 04.17.2017

FREEWAY FRONTAGE SUB-DISTRICT

The intent of the *Freeway Frontage Sub-District* is to provide mid-size retail anchors with high visibility that can contribute to the creation of a vibrant, pedestrian oriented character within the Harbor District and the existing Harbor development. Prime views and access from IH-30 combined with storefront presence along the main pedestrian and vehicular corridor within the district make this *Sub-District* an ideal location for retail anchors. Existing slopes within this *Sub-District* are in the three (3) to six (6) percent range.

RESIDENTIAL SUB-DISTRICT

FLOOR PLAN/ELEVATION REPETITION

To avoid repetition and a monotonous look to the *Sub-District* environment, the following guidelines apply regarding the repetition of floor plans and elevations:

CASE 1
When building a house having the same floor plan and the same elevation, whether on the same or opposite side of the street, four (4) full lots must be skipped. Different paint color must be used. *See Figure A.*

CASE 2
When building a house having the same floor plan and a different elevation on the same side of the street, three (3) full lots must be skipped. Different paint color must be used. *See Figure B.*

CASE 3
When building a house having the same floor plan and a different elevation on the opposite side of the street, two (2) full lots must be skipped. Different paint color must be used. *See Figure B.*

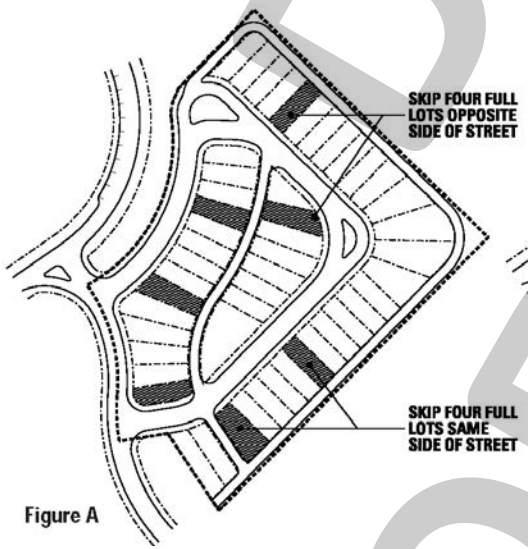

Figure A

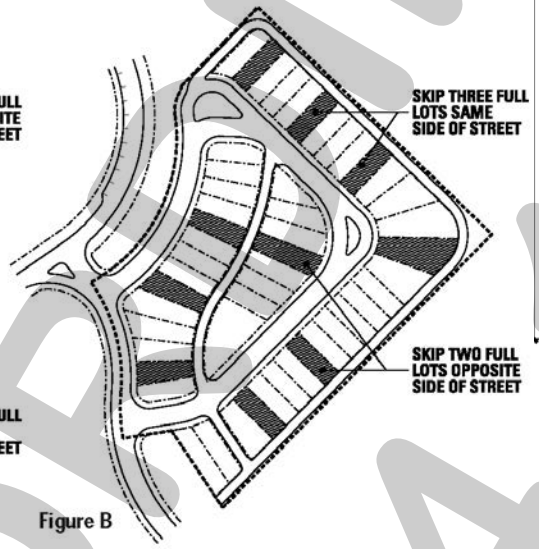

Figure B

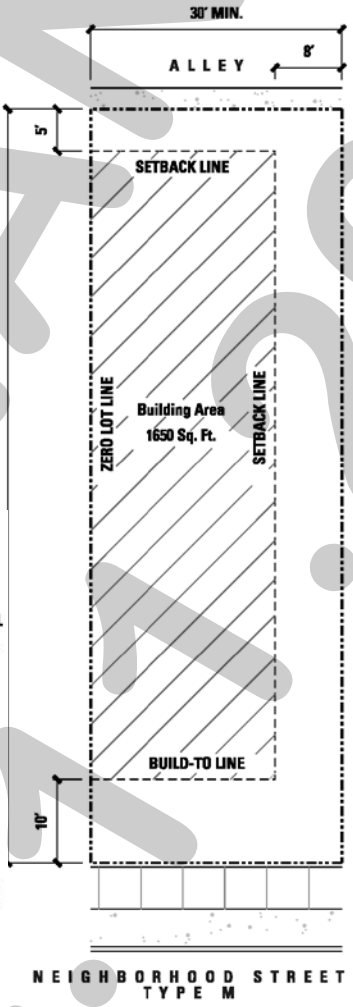

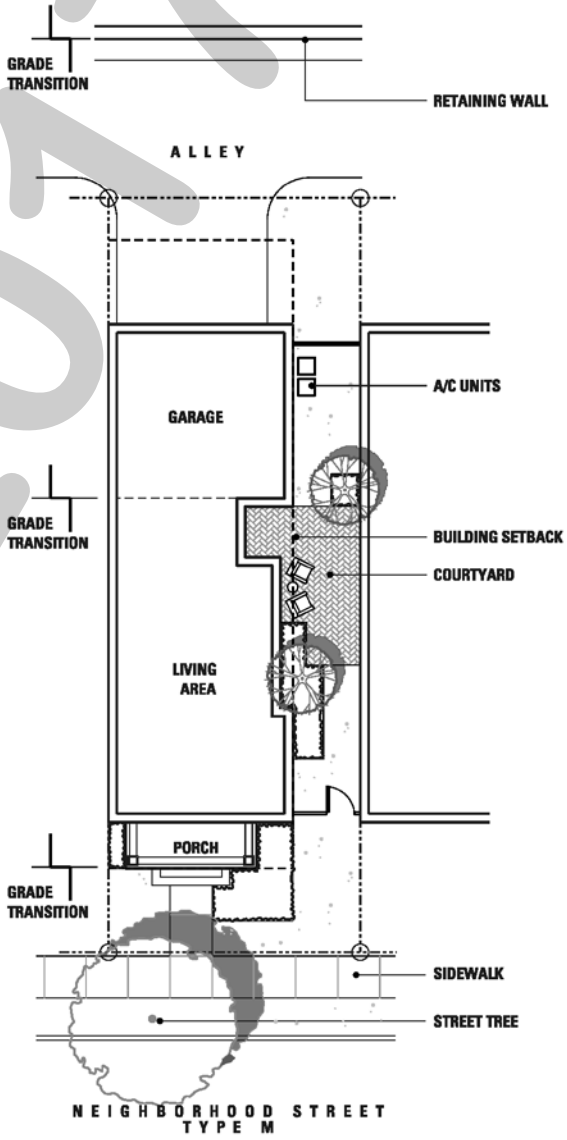

DRAFT ORDINANCE 04.17.2017

RESIDENTIAL SUB-DISTRICT

ARCHITECTURAL GUIDELINES

SITE LAYOUT, GRADING AND DRAINAGE

(1) Runoff onto adjacent properties is prohibited.
(2) Finished floor elevations shall be set in order to provide positive drainage away from all buildings.
(3) Create smooth slope transitions, blending with natural grades, with maximum slopes in lawn areas being 4:1.
(4) Do not run drainage swales from planting areas across paved areas.

LANDSCAPE STRUCTURES

(1) Basketball goals, play structures, swing sets and similar elements may only be located in side or rear yards.
(2) All vertical construction including garages, gazebos, arbors, barbeques and fireplaces must comply with front, side and rear setbacks.
(3) Use materials, forms, styles and colors which match or are complementary to the architectural style and detailing of the house.

POOLS AND WATER FEATURES

(1) Swimming pools, spas and water features must comply with front, side and rear setbacks. Above grade pools or spas are not permitted.
(2) Fencing or design solutions which provide enclosures in accordance with local ordinances and regulations must be provided.
(3) Mechanical equipment for pools and spas must be located so as to not be visible from adjacent properties or the street. Locate or enclose equipment to minimize noise intrusion.

LIGHTING, UTILITIES AND SERVICE

(1) Exterior ornamental and accent lighting may be used in moderation to complement landscape and architectural features. Light fixtures shall have appropriate light cutoff shields to prevent unwanted glare to neighboring properties and streets.
(2) Post mounted light fixtures and bollard lighting are not permitted. Pathway lighting may be used, limited to 18-inches in height.
(3) Colored, fluorescent and neon lighting is prohibited. Obtrusive HID security lighting fixtures are prohibited.
(4) Exposed exterior floodlights or wall packs are not permitted.
(5) All site utilities shall be underground. Transformers, meters and other utility equipment shall be screened by planting or by architectural means. Avoid clipped hedges around utility boxes.

IRRIGATION DESIGN

(1) Irrigation is required for all home sites and shall be an automatic, underground system with rain and freeze sensors.
(2) Design irrigation systems to separately circuit irrigation zones for plant materials having different watering requirements, such as lawns and shrubs.
(3) Prevent overspray onto streets, pedestrian walks, driveways and buildings.

DRIVEWAYS

(1) Driveways shall be paved with concrete, pavers, or integrally colored concrete with charcoal grey color. Chemical staining enhancements are not permitted. Driveways may not be painted with an opaque coating.

GARAGES

(1) Garages must be rear loaded from an alley.
(2) All garages must hold a minimum of one and a maximum of two cars. Guest parking spaces shall be on street.

BUILDING MASSING

(1) The house footprint shall be composed of squares and rectangles placed at right angles to one another. The geometry of each of these shapes shall be uninterrupted by adjacent shapes.
(2) All building footprints shall be at right angles to the property lines. Compose house forms to create exterior space.
(3) Massing may be either symmetrical or asymmetrical. The dominant architectural mass shall be located near the center of the composition.

ROOFS

(1) The individual shapes which compose the house footprint shall each be roofed by a symmetrical gable, hip, or a simple roof form.
(2) The geometry of each roof form shall be uninterrupted by adjacent roof forms. Valleys are discouraged, except for dormers.

WALL MATERIALS

(1) Exterior wall materials shall be any of the following:
    A. Fiber cement board siding and shingles, primed and painted, "Hardie" type boards. Siding shall be installed horizontally only, lapped clap board style with narrow lap exposures preferred over wide exposures.
    B. Portland cement stucco with integral color
    C. Brick masonry
    D. Stone masonry
    E. Cast stone masonry
    F. Fireplace masses and chimneys shall be clad in noncombustible materials to match exterior house materials.
    G. Aluminum, masonite, and vinyl siding are not permitted.
(2) Exterior wall materials may change at a vertical line which delineates a change in building form, or along horizontal lines.

EXTERIOR FINISHES

(1) All wood and composite surfaces shall be finished with paint, applied over an appropriate primer. Opaque and semi-opaque stain may be used.

TRIM

(1) All trim, where used, shall be cement fiber board, cedar, or quality wood products. Trim shall be a minimum ¾-inch thick with flat surfaces. Built up assemblies, shaped profiles, and ornamental embellishments are to be avoided.

DRAFT ORDINANCE 04-17

RESIDENTIAL SUB-DISTRICT

ARCHITECTURAL GUIDELINES

DOORS

(1) All exterior doors shall be wood or metal, hinged, of rail and stile construction, with one (1) to six (6) panels. Dormers above doors are encouraged. Panels shall be glazed or flat wood (not raised panels). Doors shall be painted.

(2) Exterior doors shall be swing type, of solid wood or wood veneer, and shall be painted, or clad in pre-finished metal.

SCREEN DOORS

(1) Screen doors are allowed. Screen doors shall be of wood rail and stile construction, with one (1) to six (6) panels. All panels shall be screened. Screen doors shall be painted.

(2) Storm doors are not permitted at the front door but are allowed at side and rear doors.

GARAGE DOORS

(1) Garage doors shall be overhead roll-up construction with horizontal insulated metal panels.

(2) Garages may have maximum 18-foot wide doors.

EXTERIOR DOOR HARDWARE

(1) Oversize or overly ornamented door hardware or escutcheon trim plates are not permitted on the front door.

WINDOWS

(1) Windows shall be casements, awnings, or double or single hung. Each window shall be glazed by a single panel of insulated glass, or may be divided into no more than four (4) panels. Fake mullions are discouraged.

(2) Windows may be of wood, thermally broken aluminum or aluminum-clad wood construction. Vinyl or vinyl-clad construction is not permitted.

(3) All operable windows shall be equipped with insect screens.

(4) Bay windows shall be glazed a minimum of 80% of their width.

EXTERIOR WINDOW SHUTTERS

(1) Window shutters are permitted provided they are proportioned to fully cover the windows they would protect. Shutters may be wood or synthetic.

AWNINGS

(1) Window awnings are not permitted, with the exception of shutter awnings.

GLAZING

(1) Window and door glazing shall be clear, insulated, double-pane, low-emissivity glass. Applied window films are not permitted.

ROOFS

(1) Roofs may be covered in composite asphalt shingles. Composition shingles must be minimum 25-year dimensional, laminated type. Flat, three (3) tab shingles will not be permitted. An example of approved roof shingle type is Tamko "Heritage 30." Standing seam metal roofing and other metal roof types may be used.

(2) All roof penetrations, other than chimneys, shall be grouped as far from frontages as possible, shall not be visible from the street and shall be painted as needed to match roof. Skylights shall not be visible from the street.

(3) All soffit venting shall be 2-inch continuous venting or perforated "Hardisoffit" panels. No box vents shall be used. No vinyl material may be used.

(4) Dormers shall be appropriately proportioned, hip or gable, with a minimum 6:12 pitch. They shall be glazed a minimum of 90% of their face and must be open to the interior roof area beyond.

(5) Roof ventilation dormers are permitted only on the side and rear elevations and must be vented a minimum of 90% of their face.

(6) Dormers shall have minimum overhangs and eaves. Stucco or "Hardi" Siding or Panels are recommended in dormer gables.

(7) All exposed metal flashing shall be unpainted galvalume, paint-grip or galvanized steel.

(8) Roof attic vents shall be continuous ridge vents such as "Cool Ridge." Powered attic vents are not allowed. Turbine vents may be allowed by variance, but must not be visible from the street.

(9) Satellite dishes and roof antennae shall not be visible from the street.

CHIMNEYS

(1) All chimneys must be fitted with a galvanized metal chimney cap with a 'roof' that is the same size and shape as the chimney it covers. The roof form may be flat or hipped.

(2) The chimney cap must include metal mesh, screen or grid to prevent animals from entering the chimney. ~~Acceptable products include the series of black galvanized chimney caps by Gelco.~~

(3) Acceptable finishes are natural 'paint-grip' galvanized or painted galvanized.

RAIN GUTTERS

(1) Rain gutters and downspouts may be of any profile compatible with the style of the house and roof. Gutters and downspouts shall be located in a way as to not draw attention to themselves.

(2) Gutters and downspouts shall be unpainted galvalume, "paint-grip" steel or zinc finishes, although prefinished metal finishes may be permitted.

(3) Downspouts shall terminate at splash blocks, gravel, brick or concrete.

PAINT

(1) All exterior finish coat paint shall be acrylic latex or latex enamel.

DRAFT ORDINANCE 04.17.2017

RESIDENTIAL SUB-DISTRICT

ARCHITECTURAL GUIDELINES

PORCH CONSTRUCTION

(1) Porch columns shall be wood posts, minimum six (6) inch by six (6) inch, painted and free of ornamentation.
(2) Porches shall have wood railings. Railing details must be included with plan submissions for approval.
(3) Porch floors shall be concrete, stone or brick. Porch construction shall be concrete slab foundation, built as part of the house.
(4) Porches and covered balconies may be screened at the rear of the homes only.

ELEMENTS NOT PERMITTED

The following list of elements are not permitted in the development:

- ☑ Window A/C Units
- ☑ Exterior Fluorescent Lighting
- ☑ Solar Powered Landscape Lighting
- ☑ Soffit/Cornice Lighting Visible from a Public ROW
- ☑ Skylights Visible from a Public ROW
- ☑ Antennas or Satellite Dishes Greater Than 18-inch Diameter
- ☑ Decorative Flags - Properly Displayed American Flags are Allowed
- ☑ Concrete Statuary Visible from Public ROW
- ☑ Plastic Furniture or Artificial Plants Visible from a Public ROW
- ☑ Asphalt or Gravel Drives

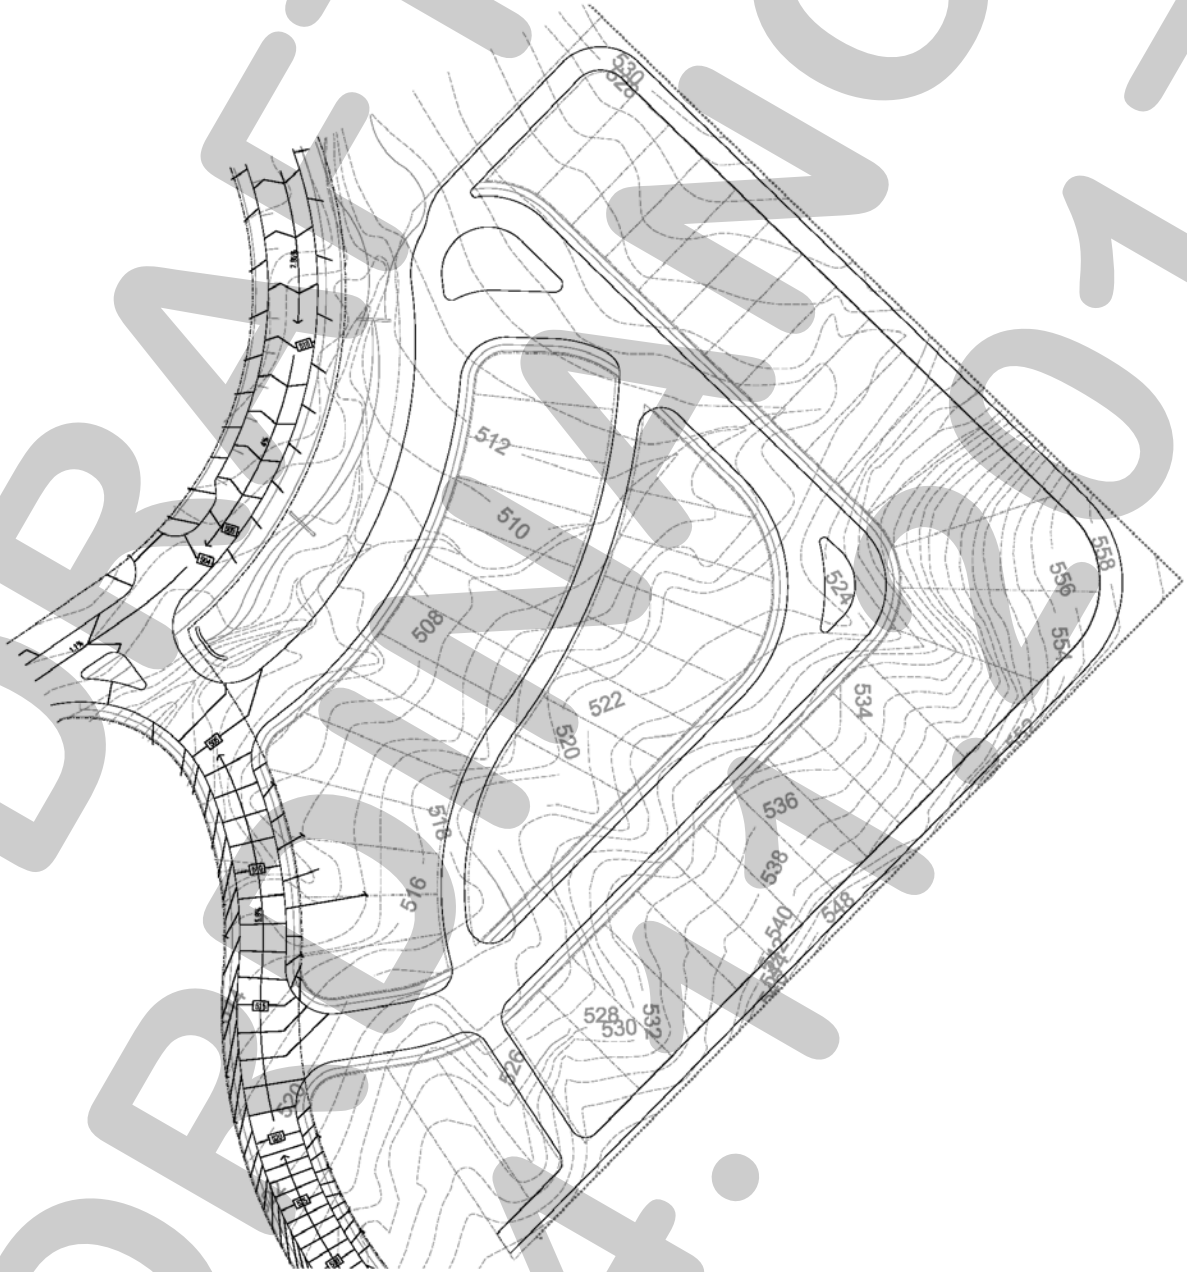
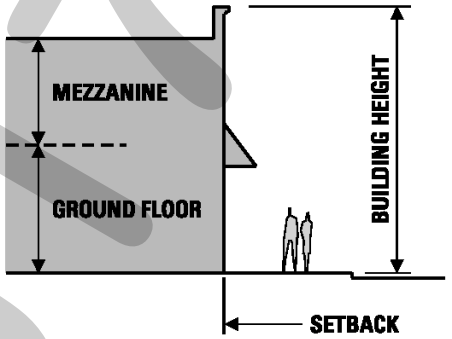
Residential Sub-District



DRAFT ORDINANCE 04.17.2017

RIDGE ROAD RETAIL SUB-DISTRICT

The intent of the *Ridge Road Retail Sub-district* is to provide retail or restaurant use with Ridge Rd frontage. Key characteristics of this *Sub-district* include high visibility and frontage on Ridge Road. Existing slopes within this *Sub-district* are in the three (3) percent to 16% range. This *Sub-district* contains massing of existing trees which should be preserved when possible.



1 Story Commercial Building

BUILDING PLACEMENT

SETBACK (DISTANCE FROM ROW LINE)	
Street Type M	*10'*
Side	*5'*
Rear	*25'*
Ridge Road Frontage	*15'*

BUILDING FORM	
Maximum Lot Coverage	*40%*

NOTE: When an abutting property with an existing building has windows facing to the side, any new building shall provide at least 10 feet of separation.

USE

DRAFT ORDINANCE 04.11.2017

EXHIBIT 'F-1':
Parking Lot Requirements

PARKING LOTS

ORIENTATION AND DESIGN OF PARKING LOTS

(1) Parking lot location and design shall minimize conflicts between vehicular and pedestrian circulation. Drive aisles may be oriented either parallel or perpendicular to the face of building. Where drive aisles are parallel to the face of building, provide islands in the parking lots with pedestrian walks linking the parking lot to the main building entry.

(2) To the maximum extent practicable, off-street parking spaces must be located within buildings or behind buildings so that buildings can screen parking areas from public streets.

(3) Parking lot layout shall minimize impact to the site conditions.

(4) Parking lot grades may not exceed three (3) percent slope. All accessible parking spaces and aisles must not exceed two (2) percent slope in any direction. Slope transition driveways linking cells of parking may *have transition slopes no greater than 12%.*

PARKING SPACES REQUIRED BY USE

(1) Parking spaces must be provided for each parcel according to the following table:

Land Use	*Requirement*
Restaurant	*1/100 SF*
Retail	*1/250 SF*
Office	*1/300 SF*
Medical Office	*1/200 SF*
Residential	*1½/Unit*
Senior Living	*1/Unit*

(2) An additional 500 parking spaces must be provided within the Harbor District to serve as overflow parking for the existing Harbor development. The additional spaces must be in excess of the parking required by this code and may be provided as surface or structured parking. Allocation of the additional 500 parking spaces must be divided between the *Harbor Residential*, *Harbor Link Mixed-Use*, and *Hillside Mixed-Use Sub-Districts*, with each of these *Sub-Districts* providing a minimum of 167 spaces towards the additional 500. Additionally, on street parking will be provided along portions of Summer Lee Drive within the Harbor District.

(3) Joint use parking adjustments may be allowed according to Article VI, Parking and Loading, Section 3 'General Provisions', subsection 3.3, B of the City of Rockwall Unified Development Code (*Zoning Ordinance*).

LANDSCAPING REQUIREMENTS

(1) One (1), three (3) inch caliper 65 gallon canopy tree must be provided for every 8 surface parking spaces provided. Canopy trees may be provided in five (5) foot by five (5) foot diamond planters or in island planters.

(2) Island planters provided on ends of a parking row shall consist of a mix of ornamental trees with shrub, perennial, ornamental grass, or ground cover. The plant palette shall consist of Desert Willow, Soft Leaf Yucca, Red Yucca, Autum Sage, Texas Sage, Gulf Muhly, Lindheimer Muhly, Weeping Love Grass or similar plant material.

(3) Parking areas adjacent to public streets shall have a landscape buffer consisting of a mix of canopy and ornamental trees and shrub, perennial, and/or ornamental grasses arranged in natural groupings.

DRAFT ORDINANCE 04.17

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: April 11, 2017

SUBJECT: Z2017-011; Amendment to Section 4.8, *Downtown (DT) District*, of Article V

On March 6, 2017, the City Council directed staff to amend Section 4.8, *Downtown (DT) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) for the purpose of allowing the City Council to approve major waivers to certain standards stipulated by the code. This direction came in response to an appointment with Rick Dirkse concerning a proposed development at 301 N. Goliad Street. Specifically, Mr. Dirkse submitted a site plan on February 17, 2017 depicting a ~5,000 SF, single story office building on the subject property. Upon reviewing the site plan, staff identified several major issues relating to the intent of the Downtown (DT) District. Specifically, staff noted that the request did not conform to the requirements of the district with respect to the building placement, building form, architectural style, parking requirements, and landscaping requirements. Several of these issues could be addressed through major or minor waivers as defined in the Downtown (DT) District zoning ordinance; however, issues relating to the building's height and roof color could not be waived by the code as it is currently written. This means that these requirements would be obligatory for any development proposed in the Downtown (DT) District.

Staff has prepared a draft ordinance that would make changes to the Downtown (DT) District zoning ordinance that would allow the City Council the ability to grant a major waiver to any standard in the ordinance with the exception of the items that are specifically stipulated as minor waivers. Minor waivers would be approved administratively with the option to appeal an administrative decision to the Planning and Zoning Commission. A copy of the code with revisions depicted in *RED* and a draft ordinance has been included with this memorandum.

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff is bringing the proposed amendments forward to the Planning and Zoning Commission for a recommendation to the City Council. The schedule for this text amendment is as follows:

Planning and Zoning Commission (*Public Hearing*): April 11, 2017
City Council (*1st Reading; Public Hearing*): April 17, 2017
City Council (*2nd Reading*): May 1, 2017

Staff has sent out a 15-day notice to the Rockwall Harold Banner in accordance with all applicable state laws and Section 6.1 of Article II, *Authority and Administrative Procedures*, of the UDC. If the Planning and Zoning Commission have any questions, staff will be available to discuss.

Article V, *District Development Standards*
Section 4.8. *Downtown (DT) District.*

I. *Purpose, Goals and Intent.*

A. *Purpose.* The purpose of the Downtown District is to implement the adopted recommendations of the comprehensive plan and Downtown Plan by encouraging new development and redevelopment in the Downtown area.

The goals of this zoning district are:

1. To make the downtown area a sustainable "Great Place" within the region that will attract high quality investment and reinvestment over time.

2. To capitalize on the existing historic character of the downtown and provide Rockwall with a thriving downtown center.

3. To provide development and land use flexibility within the framework of a form-based development zoning district.

4. To provide a mix of residential, retail and office uses in a pedestrian-friendly environment.

The intent of this zoning district is:

1. To provide a comfortable and attractive environment for pedestrians which include such things as buildings framing public space, street trees, lighting and awnings that will attract pedestrians.

2. To construct continuous building frontage along block faces except where it is desirable to provide for pedestrian and auto pass-throughs to parking at mid block.

3. To provide shared and consolidated parking both on-street and in the center of blocks that will benefit the entire district.

4. To contribute to the definition and use of public sidewalks, parks and plazas.

5. To design and build an infrastructure of buildings to accommodate a range of uses over time without the need to destroy older buildings and rebuild them for each successive use.

6. To design streets and buildings which will contribute to creating a safe environment.

II. *Definitions.* For the purposes of this section, the following definitions shall apply.

Building facade, primary. Any facade that faces a public street or open space.

Downtown District engineering and landscape standards (district standards). Any approved city standards which govern such items as street, streetscape, drainage, signage and other public improvements in the Downtown District.

Entry, primary. The main entry to a building on a block face. There must be at least one main building entry for each ground floor use, tenant or lobby on each block face which contains the use or tenant. Any additional building entries may be considered a secondary entry.

Feature buildings. Buildings which are located on axis with a terminating street or open space, or at the intersection of streets. Such buildings shall incorporate architectural features which address height and articulation

FEATURE BUILDING EXAMPLES

that emphasize the importance of such a location.

Historic core. See the regulating plan for historic core boundaries which is on file in the city secretary's office.

Parking, long-term. Customer or tenant parking which is intended for the primary use of vehicles parked for a duration of more than two hours and neither priced nor managed to encourage turnover.

Parking, reserved. Parking which is assigned or reserved for tenants or visitors of a building or business.

Parking, shared. Parking which is shared by tenants, visitors and the public. Hours of availability may be further defined in cooperation with the city.

Parking, short-term. Customer or tenant parking which is intended to serve commercial businesses or residential uses that has a regular turnover of two hours or less.

Regulating plan. The plan approved by the city which applies the Downtown District and which identifies certain subdistricts and the location of required retail at grade, among other items.

Stoop. A structure that is located approximately at the level of the first floor of the structure and intended to provide access to a residential unit.

Story. That portion of a building, other than a basement, included between the surface of any floor and the surface of the floor next above it, or if there is no floor above it, then the space between the floor and the ceiling above the floor of such story. This includes any mezzanine or loft which may comprise only a portion of a full floor plate.

Waiver to design standards, major (major waiver). A significant change to both the standards and intent of this zoning district, and involves planning and zoning commission and city council approval.

Waiver to design standards, minor (minor waiver). A minor change to the standards, but not the intent, of this zoning district and involves staff approval.

III. *General District Standards.*

A. Regulating plan.

1. *Authority.* A regulating plan is the coding key for application of this district's provisions to properties, and shall be considered part of this zoning district. It may establish such things as:

    a) Major street types within the district;
    b) Sub-district areas;
    c) Required at-grade retail construction;
    d) Public open space and plazas; and
    e) Regional hike and bike corridors.

2. Zoning of Property.

    a) *Downtown Development Plan Required.* An approved downtown development plan which is consistent with this [Unified Development Code] and the regulating plan shall be required prior to issuance of any building permit.

    b) *Nonconformity.* Uses which are legal and conforming at the time of rezoning to the Downtown District shall continue as legal conforming uses under their current standards until those uses are deemed abandoned, e.g.:

        i. They have been replaced with a conforming use;
        ii. Such building or structure is or hereafter becomes vacant and remains unoccupied or out of use for a continuous period of six months, or the special equipment and furnishings peculiar to the nonconforming use have been removed from the premises and have not been replaced within such six-month period; or
        iii. The intention of the owner to permanently discontinue the use is apparent.

B. *Waivers of Design Standards.* In order to provide flexibility and create high quality projects, ~~certain~~ standards in the Downtown District may receive a waiver from City staff, the Planning and Zoning Commission, and/or the City Council. (See subsection VIII.B, Waivers, below, for applicability, processes and procedures.)

Minor waivers ~~include~~ are limited to the following:

- ☑ Depth or height of required retail space.
- ☑ Requirement to line a parking garage with buildings.
- ☑ Requirement for continuous building frontage.
- ☑ Establishment of build-to line.
- ☑ Encroachment into the build-to line.
- ☑ Residential landscape requirement.
- ☑ Increased building height for "feature" buildings.
- ☑ Design of buildings without tri-partite architecture.
- ☑ Required frequency of building entries along a street edge.
- ☑ Window detailing.
- ☑ Exterior building materials.
- ☑ Exterior building color.
- ☑ Retail at grade design standards.
- ☑ Balcony and patio railing.
- ☑ Landscape standards.
- ☑ Location of bicycle parking.

Major waivers may include -- *but are not limited to* -- the following:

- ☑ Required retail construction.
- ☑ Building height for non-feature buildings.
- ☑ Exceeding the maximum leasable retail area.
- ☑ Required setback of the fourth floor and above.
- ☑ Residential at grade design standards.
- ☑ Parking requirements.
- ☑ Parking garage design standards.

C. *Function/Land Use.*

1. *Land use.*

   a) Retail, personal service, residential and office uses shall be allowed throughout the district. For a specific list of permitted uses, see article IV, Permissible Uses, table 1, Land Use Tables.

   b) Where "required retail construction" is designated on the regulating plan, the ground floor adjacent to the street shall be constructed to retail building standards for a depth of at least 50 feet, however, a smaller depth may be allowed if the retail is serving as a "liner" use which is masking a parking garage by minor waiver.

   c) All access drives shall require a minor waiver.

D. *Block Face.* It is intended that building walls should be continuous along block faces to create a strong edge to the street and contribute to creating an attractive and active pedestrian environment. Contributing to that goal, however, is to allow some limited variation and opportunities for outside dining, pocket parks and special building entry features.

OUTDOOR DINING

1. *Block length.* The length of new blocks should not be less than 200 feet, nor more than 600 feet.

2. Block faces shall contain continuous building frontage with the exception of a mid-block access to parking which is no greater than 34 feet in width and 16 feet in height.

   "Continuous building frontage" will be considered to be met if

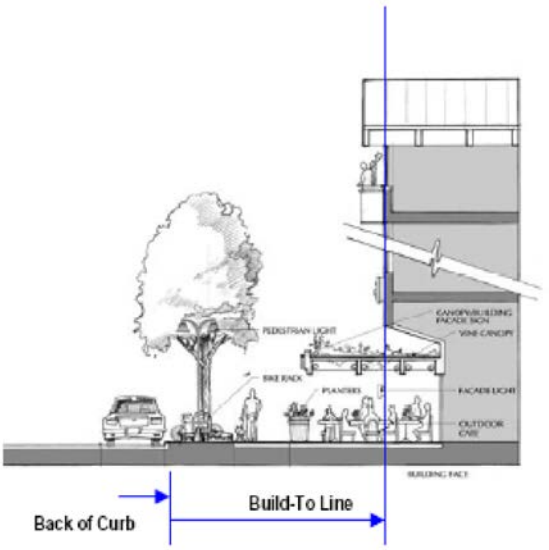
the primary building facade is located within five feet of the build-to line requirement. However, administrative approval of a minor waiver will permit up to 15 percent of the building frontage to be up to 15 feet behind the build-to line provided that it results in an attractive outdoor dining area, building entry feature or other amenity which contributes to the streetscape. A greater increase shall require approval of a major waiver.

3. Facades shall generally be built parallel to the street frontage, except at street intersections, where a corner facade containing a primary building entrance may be curved or angled toward an intersection.

4. *Build-to lines (setbacks).*

a) Build-to lines shall be measured from the planned street back-of-curb, as established on the approved regulating plan for the district and the standards in this [Unified Development Code] (see table 1, Downtown District Standards below), or the city's approved thoroughfare plan. The entire area between the back-of-curb and the primary building facade shall be dedicated as public right-of-way or have a public easement placed upon it.

b) Awnings may encroach above the public sidewalk without limit, provided they leave a minimum clearance of 7.5 feet above the sidewalk, and are set back a minimum of 18 inches from the back of curb and will not impede street tree growth.



E. *Streetscape and Landscape.*

1. Streetscape standards shall be established by the city for sidewalk paving, street trees, tree grates, lighting fixtures, trash receptacles and benches for both residential and nonresidential ground-level frontages.

2. Nonresidential ground floor frontages shall not be required to provide additional landscaping beyond that required in the Downtown District engineering and landscape standards.

3. Residential ground floor frontages shall be required to landscape a minimum of five feet between the edge of sidewalk and the primary building facade, excluding access to sidewalks, stairs, stoops, porches and patios. This area may be landscaped with ground cover, low shrubs, ornamental trees and street trees. In addition, street tree wells may also be landscaped. Landscaping for tree wells is limited to ground cover and low shrubs.

A. *Table 1.* Downtown District Standards

Building Height	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Building Height [1 & 3]	Max. 4 Stories Min. 2 Stories	Max. 2 Stories [1] Min. 2 Stories	Max. 4 Stories Min. 2 Stories

Build-to line [2]	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Goliad Street and Alamo Street [4]	20 feet	20 feet	18 feet
Rusk, Washington and Dennison Streets [5]	20 feet	20 feet	24 feet
All other roads	18 feet	18 feet	18 feet

Pedestrian Walkway Width	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Non-Residential	10 feet	10 feet	10 feet [5]
Residential [6]	6 feet	6 feet	6 feet

Notes:

[1] Maximum of 2 stories when the building is within 200 feet of single-family zoned property.

[2] Build-to lines are measured from the "back of curb" of the planned street as set out in the approved regulating plan for the district. The setback range is established for the block face. (*See Sub-section III.D, Block Face, above.)*

[3] Increased height for feature buildings may be approved as part of site plan approval by minor waiver. Additional height for other buildings shall be considered a major waiver.

[4] Except along Goliad between Washington and Kaufman, where existing building lines will be enforced.

[5] Sidewalk tables may be allowed by the city in retail areas.

[6] Except Rusk between St. Augustine and Alamo Streets where existing historic building lines will be enforced.

IV. *Buildings.*

A. *Intent.* It is the intent of this zoning district to create an attractive and active village style district and the size, disposition, function, and design of buildings, play an important role in achieving that goal.

1. Buildings should directly contribute to the attractiveness, safety and function of the street and other public areas.

2. Buildings that accommodate retail at grade should feature the retail activity over the building's architecture.

3. Buildings should be constructed in a manner, and with materials, that are highly durable and will continue to endure and be attractive over a long time, especially adjacent to public and pedestrian areas.

4. It is intended by this zoning district to encourage a variety of building and design solutions in response to the standards and regulations outlined herein.

RETAIL SHOULD BE EMPHASIZED OVER THE BUILDING ARCHITECTURE WHERE IT IS PRESENT

B. *Building standards.*

1. *Building form.*

a) The maximum retail area allowed for a single user shall be 40,000 square feet. Any lease which exceeds this size shall require approval of a major waiver.

b) All buildings shall be designed and constructed in tri-partite architecture so that they have a distinct base, middle and top.

c) Buildings which are located on axis with a terminating street or at the intersection of streets shall be considered a feature building. Such buildings shall be

TRI-PARTITE ARCHITECTURE: BUILDINGS WITH A "BASE," "MIDDLE" AND "TOP"

designed with features which take advantage of that location, such as an accentuated entry and a unique building articulation which is off-set from the front wall planes and goes above the main building eave or parapet line.

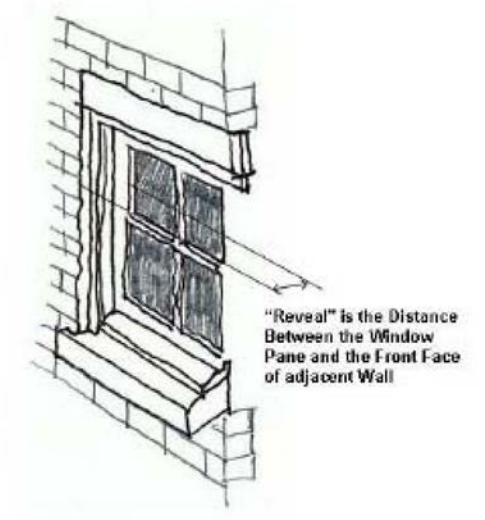
2. *Architectural features.*

a) Buildings which are greater than three stories in height must be set back at the fourth floor at least eight feet behind the building face of the first three floors along street frontages. Any change to this standard shall be considered a major waiver.

b) Windows shall have at least a four-inch reveal and except for retail at grade, shall be vertical in proportion.

c) No glass curtain wall shall be permitted except by approval of major waiver.

d) Each building and separate lease space at grade along the street edge shall have a functioning primary entry from the sidewalk. Such entries must be inset from the front building plane by at least five feet. Secondary entries may be set back as little as three feet. Functioning entries must be located no greater than 30 feet apart. Corner entries may count as a primary entry for both intersecting street frontages.



e) Architectural elements of the primary building facade may encroach beyond the build-to line by up to five feet provided that pedestrian flow will not be significantly impeded, with a minor waiver. These elements may include stoops, porches, bay windows, eaves, planters and light wells for a belowgrade floor. Balconies, canopies and awnings are not limited in their encroachment, provided that they do not substantially interfere with pedestrian movement and street tree growth. This does not apply to the historic core.

3. *External facade materials.* The following shall apply to all exterior walls of buildings and parking structures which are clearly visible from a public street, walkway or open space:

a) Ground floor exterior walls, excluding windows, doors, and other openings, shall be constructed of 100 percent brick, natural or cast stone on the exterior facade.

b) Overall, a minimum of 85 percent of exterior walls which face on a street right-of-way, plaza or open space, excluding windows, doors, and other openings, shall be constructed of brick, natural or cast stone. Where such a wall turns a corner, the surface materials shall continue around the corner a minimum of eight feet.

c) The remainder may be constructed of noncombustible materials including exterior stucco and class PB exterior insulating and finishing systems (EIFS). Stucco and EIFS shall be used only for walls, architectural features, and embellishments not subject to pedestrian contact. On wholly residential structures, cementitious fiberboard may be used for up to ten percent of the facade provided it is above the ground floor.

d) Unpainted metal, or metal subject to ordinary rusting shall not be used as a building material. Factory finished metal elements as well as metals that develop an attractive oxidized finish, such as copper, galvanized metal, stainless steel or weathering steel, may be used as architectural accents by minor waiver approval.

e) Windows and glazing shall be a minimum of 30 percent up to a maximum of 70 percent of each building elevation. (See 6.b below for special requirements for retail at grade.)

f) A variation of up to 15 percent of the standards above, and the material type may be approved by administrative approval of a minor waiver, provided that the change will result in an improved architectural design without degrading the quality of public areas or increasing the need for maintenance.

4. Color.

a) The dominant color of all buildings (including abovegrade parking structures shall be muted shades of warm gray, red, green, beige and/or brown. Black, gold and stark white shall not be used except as an accent color.

There are no restrictions on accent colors which comprise less than 1.0 percent of the building face, except that florescent colors are prohibited.

b) Roof colors shall be a shade of cool gray, warm gray, brown or red.

5. Residential at grade.

a) All buildings which are constructed for residential units at grade shall include a primary front door entrance into the unit which may be accessed from the sidewalk. Any change to this standard shall be considered a major waiver.

b) The entry shall be located a minimum of two feet above the sidewalk elevation and include a minimum 24-square-foot stoop. Any change to this standard shall be considered a major waiver.

c) Units must also include windows which provide residents a view of the street and sidewalk area. Any change to this standard shall be considered a major waiver.

d) Lobbies to upper stories may be located at grade level.

e) Balcony and patio railings and fences shall be constructed of wrought iron or metal. Wood fences and railings and chain-link fencing are prohibited. Masonry columns may be used on patios provided that they are used as accents.

6. Non-Residential at Grade.

a) The ground floor entry must be located at the approximate elevation of the adjacent sidewalk.

b) Retail uses adjacent to the sidewalk at grade shall:

i. Be constructed to meet fire code separation from any other uses constructed above;
ii. Have a minimum clear height of 16 feet between finished floor and the bottom of the structure above. Mezzanines within the retail space shall be allowed per building code;
iii. Have a canopy which extends at least six feet over the sidewalk for at least 75 percent of the frontage on any portion of a building located on the north, east or west side of a street and public sidewalk; and
iv. Have clear glass windows for at least 60 percent, but no greater than 80 percent, of the ground floor facade.

No outdoor storage is permitted. Outdoor retail display or sales shall require a permit from the city.

V. *Parking.*

A. *Automobile parking.*

1. *Intent.* The following is the intent of the city's parking policies and the Downtown Zoning District:

a) Support the creation of shared parking in order to enable visitors to park once at a convenient location and to access a variety of commercial enterprises in a pedestrian-friendly environment.

b) Manage parking so that it is convenient and efficient, and supports an active and vibrant retail environment.

c) Ensure visibility and ease of access to parking.

d) Maximize on-street parking.

e) Provide flexibility for changes in land uses which have different parking requirements within the district.

f) Provide flexibility for the redevelopment of small sites.

g) Design parking structures so that they do not dominate the public environment by lining the edge of structures with residential or commercial uses.

h) Avoid diffused, inefficient single-purpose reserved parking.

i) Avoid adverse parking impacts on residential neighborhoods.

(Ord. No. 10-14, § 33, 7-6-2010)

2. Parking requirements. Off-street and on-street facilities shall be provided as required in article VI of [this Unified Development Code].

a) *Parking reductions.*

i. Properties in the historic core shall receive a credit for the number of parking spaces which would normally be required for retail use on the ground floor of any existing or new structure. To achieve this credit, however, retail or restaurant use must be located on the ground floor.
ii. In the remainder of the district, on-street parking which is directly in front of the development site may be counted toward the parking requirement for the development.

b) Achieving automobile parking.

i. Parking requirements may be met on-site, curb-side, by lease from the city or its designated authority or by payment of cash-in-lieu of parking to the city or its designated authority.
ii. Due to the limited land area within the historic core and the need to provide off-site parking, development shall be eligible to receive a reduction in the cost for the payment to the city for the required cash fee or the lease payments. The amount and the terms of the reduction shall be determined by the city manager or his designee by individual agreements.
iii. The city manager or designee shall annually establish the following:

- ✓ The leasing rates for city-provided parking spaces as a result of the need to provide such spaces for new development; and
- ✓ The cost of construction of a parking space in a parking structure for the purposes of establishing cash-in-lieu payments.

c) *Parking location.* All off-street parking shall be located behind buildings which face on a street or public open space. Any change to this standard shall be considered a major waiver.

d) *At-grade parking.* Any at-grade parking lots fronting roadways which may be approved shall be set back not less than ten feet from the right-of-way line of such roadways, and screened from view as outlined in subsection VII, Landscaping.

e) *Parking garages.* Parking garages that have frontage on public streets shall comply with all setback and build-to standards as established in table 1, Downtown District Standards, and subsection IV.B.3, External Facade Materials. However:

i. Parking garages which are adjacent to a street shall be set back a minimum of 50 feet and lined with buildings containing any permitted use but parking.
ii. All parking garages shall be constructed with flat parking decks for ease in re-use of all or portions of the structure when parking demand wanes, unless otherwise approved by major waiver.
iii. Off-street below grade parking is permitted to the lot lines, but must be designed to allow for utilities and planting of landscape as defined in subsection VII, Landscaping.

f) Shared Parking.

i. Uses may join in establishing shared parking areas if it can be demonstrated that the parking for two or more specific uses occurs at alternating time periods. Required parking shall be determined based on parking demand for the peak parking period, as determined by a parking analysis study approved by the city's director of planning.
ii. Shared parking shall be clearly designated with signs and markings.

B. Bicycle Parking.

1. *Goals.* Bicycle parking is required in order to encourage the use of bicycles by providing safe and convenient places to park bicycles.

2. *Required bicycle parking.* Bicycle parking shall be provided based on at least one space for each ten automobile parking spaces required as part of the base parking requirements above.

3. *Bicycle parking standards.*

a) *Location.*

i. Required bicycle parking must be located within 50 feet of an entrance to the building. With approval of a minor waiver, bicycle parking may be located in the public right-of-way.
ii. Bicycle parking may be provided within a building, but the location must be easily accessible to bicycles.

b) Covered spaces. If covered spaces for motor vehicles are provided on-site, then 50 percent of the bicycle parking shall also be covered, unless otherwise approved by minor waiver.
c) Signs. If the bicycle parking is not visible from the street, then a sign must be posted indicating the location of the bicycle parking facilities.
d) Rack types and required areas. Bicycle racks and the area required for parking and maneuvering must meet the Downtown District engineering and landscape standards or be approved by minor waiver (see below). Bicycle lockers may also be allowed as part of meeting the bicycle parking requirement, but must be approved as to type and location.

4. Standards for bicycle rack types and dimensions.

a) *Rack type.*

i. Bicycle rack types and standards shall be approved by the city.

b) Parking space dimensions.

i. Bicycle parking spaces must be at least six feet long and two feet wide, and in covered situations, the overhead clearance must be at least seven feet.
ii. An aisle for bicycle maneuvering must be provided and maintained beside or between each row of bicycle parking. This aisle must be at least five feet wide.
iii. Each required bicycle parking space must be accessible without moving another bicycle.
iv. Areas set aside for bicycle parking must be clearly marked and reserved for bicycle parking only.

VI. *Streetscape, lighting and mechanical.*

A. *Intent.*

1. It is the intent of this zoning district to provide a level and consistency of lighting that supports pedestrian activity and promotes safety.

2. The entire district shall utilize the basic fixtures and furnishings in the public areas as may be approved by the city for this district.

3. Mechanical equipment shall not be clearly visible from the street or other public area.

B. Standards.

1. For streetscape and lighting specifications, see the Downtown District engineering and landscape standards in section IX.

2. Lighting elements shall be incandescent, metal Halide, or halogen only. No HID or fluorescent lights (except fluorescent bulbs that screw into standard socket fixtures) may be used on the exterior of buildings.

3. All lighting shall be focused downward or narrowly focused on its intended target such as signing, parking and pedestrian walkways. No lighting source from a commercial activity shall be visible by a residential unit.

4. Mechanical and electrical equipment, transformers, meters, garbage containers and loading areas shall be located and screened so that they are not visible from the street or other public area.

a) Mechanical equipment shall be screened from view from all public roadways and located to minimize noise intrusion to adjacent properties. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

b) All roof-mounted mechanical elements must be screened from view from the public right-of-way and neighboring properties. Screening must be architecturally compatible with the building design.

c) Loading, service and trash storage areas shall be screened from all public roadways. Refuse containers must be placed on a designed, reinforced concrete pad and approach. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

5. Any bicycle parking in the public right-of-way shall be located within the band created by street trees and pedestrian street lights; however, it must be placed in a manner that avoids conflicts with pedestrian and vehicular paths.

VII. *Landscape requirements.* Landscaping within the Downtown District shall comply with the provisions in this subsection, the city's streetscape standards and the standards contained in article VIII, Landscaping Standards, of this Unified Development Code. Where conflicts exist between this district and article VIII, the requirements in this district shall be applied.

A. *Street trees.* Street trees shall be large shade tree species having a minimum caliper of four inches, selected in accordance with the city's landscape standards. Street trees shall be planted at least 20 feet on center.

B. *Plant material.* Front yards shall be landscaped adjacent to residential at grade per the diagram in subsection IV.B.5, Residential at Grade, above. Plant materials shall consist of shade trees, ornamental trees, shrubs, evergreen ground covers, vines, and seasonal color.

C. *Paving material.*

1. Paving material shall be warm toned, natural materials such as brick, stone and concrete. Asphalt may be approved as part of a minor waiver.

2. Gravel as a paving material is prohibited.

D. Parking lot landscape.

1. Landscaping of the internal surface parking area shall not be required unless it is planned to serve as long-term parking. In which case, such long-term surface parking areas shall meet the requirements of subsection VII, Landscaping. For the purpose of this subsection, longterm parking shall be determined by the director of planning, and may include parking which has a likelihood of being in place for a period of ten years or more.

2. Surface parking lots shall be screened from all adjacent public streets and neighboring sites. The screen must extend along all edges of the parking lot and must be three feet in height, 80 percent opaque, and may be accomplished through the use of masonry walls, ornamental metal, evergreen plant materials, or a combination thereof. Planting beds for screen planting shall be a minimum of three feet in width.

3. Interior parking lot landscape shall be consistent with article VIII, Landscape Standards of the Unified Development Code.

4. Parking spaces shall not exceed ten spaces in a row without being interrupted by a landscaped island (nine-foot minimum). Islands shall be planted with a minimum of one shade tree for every ten cars.

VIII.*Administration.*

A. *Intent.* It is the intent that a developer or builder who wishes to develop under this zoning district will be processed in an expedited manner with administrative approvals, and may in fact qualify for incentives under other separate city programs. However, if there are substantial major waivers requested, additional approvals shall be required which may delay development progress.

B. *Waivers of design standards.*

1. For the purposes of this district, there shall be two types of waivers of design standards: minor and major. Requests for waivers shall not be subject to review or decision by the zoning board of adjustment. A waiver request may only be made in conjunction with an application for a downtown development plan.

2. Minor waivers are those changes to design standards in the Downtown District identified in subsection III.B. Minor waivers may be approved administratively by the director of planning or his designee in conjunction with a decision on an application for approval of a downtown development plan. All minor waivers must meet the full intent of this zoning district as stated in section I. Appeals to decisions concerning minor waivers may be made to the Planning and Zoning Commission.

(Ord. No. 10-14, § 34, 7-6-2010)

3. Major waivers are major changes to the design standards in the Downtown District~~, including any change not identified in subsection III.C~~. Major waivers may only be approved by the city council, following a recommendation by the planning and zoning commission, in conjunction with a decision on an application for approval of a downtown development plan. ~~In order to approve a major waiver, the city council must find that the waiver:~~ Examples of major waivers are listed in Subsection III.B above; however, the City Council reserves the right to grant a major waiver to any standard not specifically designated as a minor waiver contained in this article pending the City Council finds that the waiver:

a) Meets the general intent of this district in which the property is located;
b) Will result in an improved project which will be an attractive contribution to the district; and
c) Will not prevent the realization of the intent of this district.

4. The city may impose conditions on granting any waiver to mitigate negative impacts neighboring properties or public streets or open space.

C. *Downtown development plan approval.*

1. Prior to obtaining a building permit, a downtown development plan must be approved by the director of planning or his designee, to certify that it meets the purpose, intent and standards contained in this zoning district.

2. Downtown development plans must include the following information:

a) Site plan.
b) Building elevations and sections.
c) Building function/proposed use.
d) Parking standards being met.
e) Landscape plan.
f) Any waivers being requested.

3. Applications for downtown development plan approval shall be reviewed within 30 days of being formally accepted by the city. At such time, the approval, approval with conditions or denial shall be forwarded to the applicant. However, applications including a request for a major waiver shall be scheduled for planning and zoning commission and city council action.

4. Denial of a downtown development plan may be appealed to the planning and zoning commission and city council within 30 days of notification of such denial.

D. Lapse of Approval. If a building permit has not been obtained within two years following approval of the downtown development plan, such plan shall lapse unless the property owner requests an extension prior to the expiration of the two-year period. The request for an extension shall be considered by the planning director, or he may at his discretion refer the decision to the planning and zoning commission and city council in the same manner as for approval of the downtown development plan. The director (or council, upon recommendation by the commission) may grant an extension of the time for expiration of the downtown development plan for a period not to exceed one year from the date of initial approval of the application. Every request for an extension shall include a statement of the reasons why the expiration date should be extended. The decision-maker may grant a request for extension upon demonstration that circumstances beyond the control of the applicant have resulted in the applicant's inability to perform the tasks necessary to prevent the downtown development plan from expiring before the lapse date. The commission or the council also may terminate the downtown development plan or may attach additional conditions to the extension of the plan.

E. Platting in the downtown district. Plats in the Downtown District shall ensure public access easements over sidewalk areas and shared drive access.

IX. *Downtown district engineering and landscape standards.*

A. *Downtown Plan.* The Downtown District Engineering and Landscape Standards shall be in accordance with the approved Rockwall Downtown Plan.

B. *Street Trees.*

1. Trees which may be planted adjacent to sidewalks, alleys and streets are limited to:

a) Cedar Elm.
b) Texas Red Oak.
c) Homestead Elm.
d) Lace Bark Elm.
e) Bald Cypress.
f) Chinese Pistachio.
g) October Glory Maple.
h) Pecan.
i) Texas Ash.
j) Live Oak.
k) Southern Magnolia.

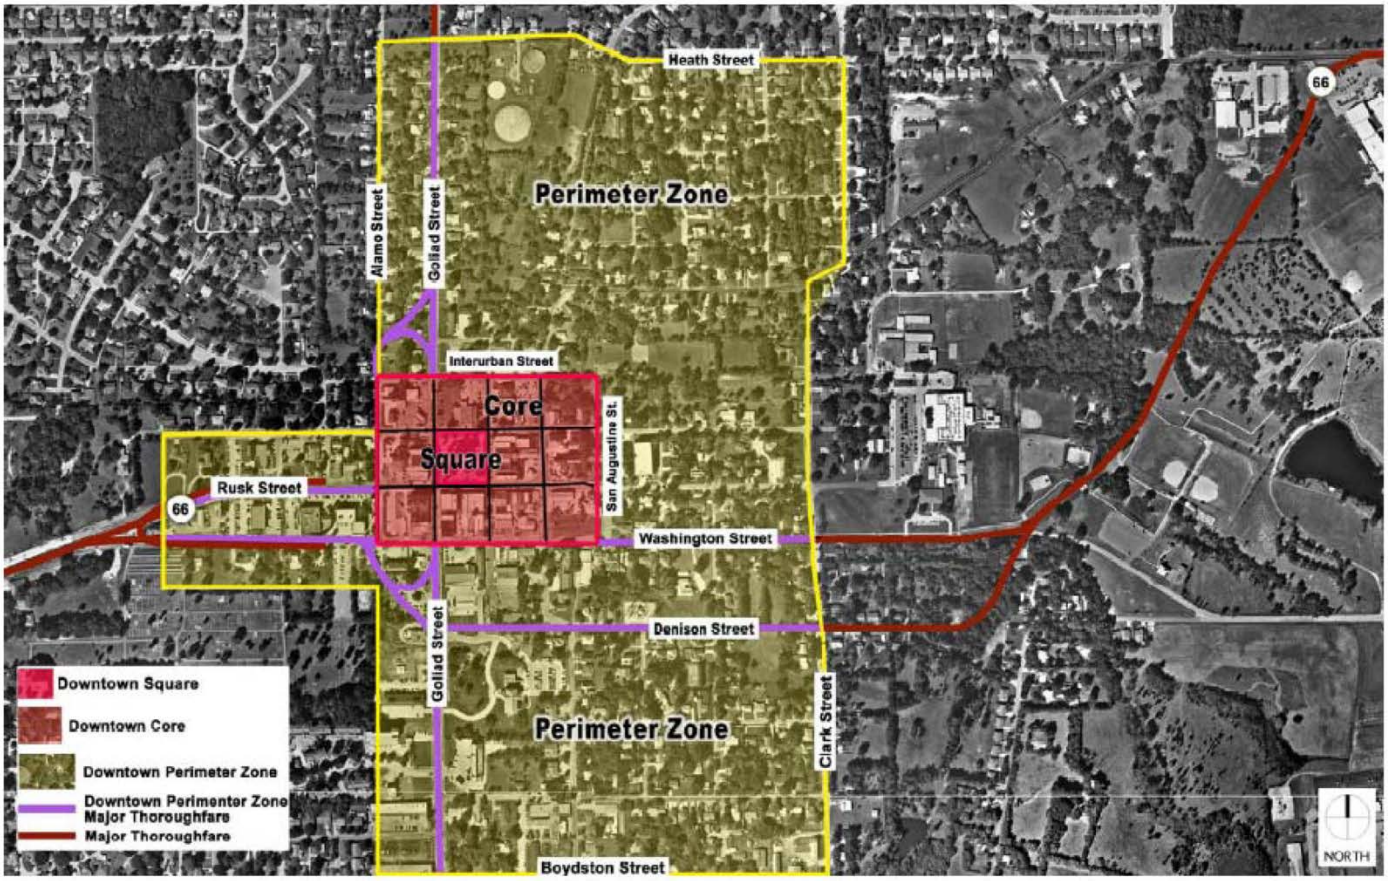
l) Bald Cypress.
m) “Little Gem” Magnolia.
n) Chinquapin Oak.
o) Sycamore.
p) Burr Oak.
q) Eve's Necklace.
r) Eastern Red Cedar.
s) Various native under-story trees such as Texas Redbud, Mexican Plum, Downy Hawthorn, and Wax Myrtle.

2. Shade trees shall be used for all formal street tree planting unless prohibited by the Texas Department of Transportation, in which case smaller ornamental trees may be used.

3. Each street shall be planted with a focus on one species to reinforce street character.

C. *Street Furniture.*

1. The Downtown District shall utilize the following “street furniture” in accordance with the following map:



Streetscape Element	Images	Streetscape Element Symbol/General Location	Catalog Number	Description

Note to Product Specifier: All streetscape elements described here within, are not intended to be the final product specification. The electrical engineer, architect, landscape architect or other professional designer should verify the product color, material and style number, prior to placing the final streetscape element order with manufacturer and supplier. Lighting fixture and traffic signal electrical voltage supply, circuiting, photometrics and final fixture location needs to be specified by a registered electrical engineer, with all fixture footings checked by a registered structural engineer, prior to installation.

I Downtown Square and Core Streets.				

1	Light standard		A1 — All commercial streets of the Core	AAL/2-PRMN H3 or H5/150 to 175 watt MH lamp (voltage)/2-TRA5U arms/DB6 base with 4” round 15' ht. pole/PN A50596-1	Architectural Area Lighting (AAL); Promenade Series, Fixture: 2-PRMS Double Pedestrian Light Standard with a H3 or H5 horizontal lamp reflector, 150 watt to 175 watt metal halide lamp, medium base socket for use with E - 17 lamps; (voltage); CHM glass chimney, with brass holder, and DBZ dark bronze color. Arm: # 2-TRA5U Period Arm, one piece cast aluminum, and DBZ dark bronze color. Pole, Base and Pole Cap: DB6 4R16-125, 4” OD round straight aluminum, 15' tall (special) with a DB6 base, 36” ht. × 15” base diameter; P/N A50596-1, Small cast final at pole top, DBZ dark bronze color.
2	Light standard		A2 — Limited to Downtown Square and San Jacinto St. Pedestrian way		Same as A1 above except with the optional BPS - fixture struts are finished in a brass colored powder coating.
3	Traffic signal		D1 — All commercial streets of the Core, if needed		Valmont Traffic Structures. Pole/Base/Pole Sphere Final: Tapered, round standard galvanized steel pole, with an aluminum ball final on the pole top (Ball Top “FCA-BL Series # FCA/BL/A/ (Estimate a 10” diameter ball, verify final size with top diameter range at top of pole/DB, dark bronze); pole base has an ornamental cast nut cover, color of complete traffic structure is a galvanized + powder coated finish, color = dark bronze to match Historic District street sign blades. Arm: Tapered, round standard arm, with an aluminum ball final on the end of the arm (Ball Top “FCA-BL Series # FCA/BL/A/(Estimate a 5” diameter ball, verify final size with top diameter range at the end of the arm after arm length is specified)/DBZ, dark bronze color. Signals: TXDOT standard signal, black color with black silhouettes, mount tightly to signal arm with black connections, so as to eliminate any visible gaps between silhouette and arm. Street Sign: Sign blade to match Historic District colors, font and sign format.
4	Traffic signal with light standard		D2 — All commercial streets of the Core, if needed		Same as D1 traffic signal, except pole is “typical “Standard Combination Structure” with AAL (B2 type) light; Arm is a (Modified) WMA 12 “Sheppard's Crook” contemporary arm modified to accept the Valmont pole, DBZ, dark bronze color.
5	Light standard banner brackets		At selected streets		Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4” O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind. (Verify banner bracket locations and mounting height); DBZ, dark bronze color, polester powder finish.

6	Benches		All commercial streets of the Core	Du Mor Bench # 140 - 60 and # 140-80	Du Mor Site Furnishings. Bench 140 - in 6 ft. and 8 ft. lengths, All welded seat assembly, Seating Surface: 1/4" × 1 1/2" HR steel bar 2-3/8" O.D. Sch 40 steel pipe, cast iron supports, bracing 1 1/16" O.D. steel pipe, stainless steel fasteners, dark bronze color polyester powder finish.
7	Trash receptacles		All commercial streets of the Core	Du Mor Receptacle 84-22DM	Du Mor Site Furnishings. Trash Receptacle 84-22, 22 gallon all steel Receptacle, 150 lbs., top edge: 5/8" diameter steel bar; Vertical straps: 1/4" × 3" steel bar with a 22 gallon plastic liner, cover; Spun 14 gauge steel with vinyl coated cable; and a Dome Top, dark bronze color in a polester powder finish.
8	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
9	Street sign brackets		At non signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
10	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze color to match the Historic District street sign blades.
11	Bollards		Limited to Downtown Square	Sternberg Vintage Lighting, Ornamental Bollard #4501	Sternberg Vintage Lighting. Ornamental Steel Bollard # 4501, 5 1/4" diameter straight tubing (no fluting), 30" high, 8" dia. base, no internal light, DBZ, dark bronze color to match the Historic District street sign blades.

II Downtown Perimeter Zone Streets

1	Light standard		B1 — All neighborhood residential streets		Same as A1 above except as a single headed fixture.

2	Light standard		B2 — Limited to north and south sections of Goliad St. inside the Downtown Zone, and at intersections on Clark, Washington and Denison Streets inside the Downtown Zone.	AAL/PRM2 (H2, H3, H4, H5)/250 watt MH horizontal lamp (Voltage)/ARM: (modified) SLA 4 arm to accept the 5” dia. post/tendon/5” O.D. smooth round aluminum pole/DB 10 base/P/N A50575 Large Cast Finial.	Architectural Area Lighting (AAL). Promenade Series, Fixture: PRM2 - (H2, H3, H4 and H5), 250 watt Metal Halide Horizontal lamp, (Voltage), DBZ dark bronze color, Arm: (Modified) SLA 4 arm (Sheppard's Crook) to accept the 5” dia. post/tendon, DBZ, dark bronze color, polester power finish. Pole, Base and Pole Cap: 5” O.D. diameter, smooth round aluminum pole, with a DB 10 ornamental base that is 48” high with an 18” base diameter, Large Cast Finial # P/N A50575 20” high × 5 1/2” O.D. that fits on top of pole, DBZ dark bronze color, polester powder finish.
3	Light standard		C — Current Standards. All thoroughfares (SH 66, Goliad, Washington and Denison Streets) inside the Downtown Perimeter Zone (existing and new routed thoroughfares)		Existing “Shoe Box” Style Light Standard
4	Light standard banner brackets		At selected streets	AAL — Banner Arm 2-BBD4-18	Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4” O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind., (Verify banner bracket locations and mounting height) DBZ dark bronze color.
5	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
6	Street sign brackets		At non-signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
7	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze to match the Historic District street sign blades.
III	Major Thoroughfares and Parkways				
1	Lighting		C — Current standards		Existing “Shoe Box” Style Light Standard painted dark bronze.
2	Street signs	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze to match the Historic District street sign blades.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 4.8, *DOWNTOWN (DT) DISTRICT*, OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 4.8, *Downtown (DT) District,* of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That Section 4.8, *Downtown (DT) District,* of Article V, *District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance.

Section 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 3. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 4. That this ordinance shall take effect immediately from and after its passage and

DRAFT ORDINANCE 04.17

the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF MAY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

1st Reading: April 17, 2017
2nd Reading: May 1, 2017

DRAFT ORDINANCE 04.11.2017

I. *Purpose, Goals and Intent.*

A. *Purpose.* The purpose of the Downtown District is to implement the adopted recommendations of the comprehensive plan and Downtown Plan by encouraging new development and redevelopment in the Downtown area.

The goals of this zoning district are:

1. To make the downtown area a sustainable "Great Place" within the region that will attract high quality investment and reinvestment over time.

2. To capitalize on the existing historic character of the downtown and provide Rockwall with a thriving downtown center.

3. To provide development and land use flexibility within the framework of a form-based development zoning district.

4. To provide a mix of residential, retail and office uses in a pedestrian-friendly environment.

The intent of this zoning district is:

1. To provide a comfortable and attractive environment for pedestrians which include such things as buildings framing public space, street trees, lighting and awnings that will attract pedestrians.

2. To construct continuous building frontage along block faces except where it is desirable to provide for pedestrian and auto pass-throughs to parking at mid-block.

3. To provide shared and consolidated parking both on-street and in the center of blocks that will benefit the entire district.

4. To contribute to the definition and use of public sidewalks, parks and plazas.

5. To design and build an infrastructure of buildings to accommodate a range of uses over time without the need to destroy older buildings and rebuild them for each successive use.

6. To design streets and buildings which will contribute to creating a safe environment.

II. *Definitions.* For the purposes of this section, the following definitions shall apply.

Building facade, primary. Any facade that faces a public street or open space.

Downtown District engineering and landscape standards (district standards). Any approved city standards which govern such items as street, streetscape, drainage, signage and other public improvements in the Downtown District.

Entry, primary. The main entry to a building on a block face. There must be at least one main building entry for each ground floor use, tenant or lobby on each block face which contains the use or tenant. Any additional building entries may be considered a secondary entry.

Feature buildings. Buildings which are located on axis with a terminating street or open space, or at the intersection of streets. Such buildings shall incorporate architectural features

FEATURE BUILDING EXAMPLES

DRAFT ORDINANCE 04-17

which address height and articulation that emphasize the importance of such a location.

Historic core. See the regulating plan for historic core boundaries which is on file in the city secretary's office.

Parking, long-term. Customer or tenant parking which is intended for the primary use of vehicles parked for a duration of more than two hours and neither priced nor managed to encourage turnover.

Parking, reserved. Parking which is assigned or reserved for tenants or visitors of a building or business.

Parking, shared. Parking which is shared by tenants, visitors and the public. Hours of availability may be further defined in cooperation with the city.

Parking, short-term. Customer or tenant parking which is intended to serve commercial businesses or residential uses that has a regular turnover of two hours or less.

Regulating plan. The plan approved by the city which applies the Downtown District and which identifies certain subdistricts and the location of required retail at grade, among other items.

Stoop. A structure that is located approximately at the level of the first floor of the structure and intended to provide access to a residential unit.

Story. That portion of a building, other than a basement, included between the surface of any floor and the surface of the floor next above it, or if there is no floor above it, then the space between the floor and the ceiling above the floor of such story. This includes any mezzanine or loft which may comprise only a portion of a full floor plate.

Waiver to design standards, major (major waiver). A significant change to both the standards and intent of this zoning district, and involves planning and zoning commission and city council approval.

Waiver to design standards, minor (minor waiver). A minor change to the standards, but not the intent, of this zoning district and involves staff approval.

III. *General District Standards.*

A. Regulating plan.

1. *Authority.* A regulating plan is the coding key for application of this district's provisions to properties, and shall be considered part of this zoning district. It may establish such things as:

    a) Major street types within the district;
    b) Sub-district areas;
    c) Required at-grade retail construction;
    d) Public open space and plazas; and
    e) Regional hike and bike corridors.

2. *Zoning of Property.*

    a) *Downtown Development Plan Required.* An approved downtown development plan which is consistent with this [Unified Development Code] and the regulating plan shall be required prior to issuance of any building permit.

    b) *Nonconformity.* Uses which are legal and conforming at the time of rezoning to the Downtown District shall continue as legal conforming uses under their current standards until those uses are deemed abandoned, e.g.:

        i. They have been replaced with a conforming use;
        ii. Such building or structure is or hereafter becomes vacant and remains unoccupied or out of use for a continuous period of six months, or the special equipment and furnishings peculiar to the nonconforming use have been removed from the premises and have not been replaced within such six-month period; or
        iii. The intention of the owner to permanently discontinue the use is apparent.

DRAFT ORDINANCE 04.11.2017

B. *Waivers of Design Standards.* In order to provide flexibility and create high quality projects, standards in the Downtown District may receive a waiver from City staff, the Planning and Zoning Commission, and/or the City Council. (See subsection VIII.B, Waivers, below, for applicability, processes and procedures.)

Minor waivers are limited to the following:

- ☑ Depth or height of required retail space.
- ☑ Requirement to line a parking garage with buildings.
- ☑ Requirement for continuous building frontage.
- ☑ Establishment of build-to line.
- ☑ Encroachment into the build-to line.
- ☑ Residential landscape requirement.
- ☑ Increased building height for "feature" buildings.
- ☑ Design of buildings without tri-partite architecture.
- ☑ Required frequency of building entries along a street edge.
- ☑ Window detailing.
- ☑ Exterior building materials.
- ☑ Exterior building color.
- ☑ Retail at grade design standards.
- ☑ Balcony and patio railing.
- ☑ Landscape standards.
- ☑ Location of bicycle parking.

Major waivers may include -- *but are not limited to* -- the following:

- ☑ Required retail construction.
- ☑ Building height for non-feature buildings.
- ☑ Exceeding the maximum leasable retail area.
- ☑ Required setback of the fourth floor and above.
- ☑ Residential at grade design standards.
- ☑ Parking requirements.
- ☑ Parking garage design standards.

C. *Function/Land Use.*

1. *Land use.*

a) Retail, personal service, residential and office uses shall be allowed throughout the district. For a specific list of permitted uses, see article IV, Permissible Uses, table 1, Land Use Tables.

b) Where "required retail construction" is designated on the regulating plan, the ground floor adjacent to the street shall be constructed to retail building standards for a depth of at least 50 feet, however, a smaller depth may be allowed if the retail is serving as a "liner" use which is masking a parking garage by minor waiver.

c) All access drives shall require a minor waiver.

D. *Block Face.* It is intended that building walls should be continuous along block faces to create a strong edge to the street and contribute to creating an attractive and active pedestrian environment. Contributing to that goal, however, is to allow some limited variation and opportunities for outside dining, pocket parks and special building entry features.

1. *Block length.* The length of new blocks should not be less than 200 feet, nor more than 600 feet.

2. Block faces shall contain continuous building frontage with the exception of a mid-block access to parking which is no greater than 34 feet in width and 16 feet in height.

OUTDOOR DINING

DRAFT ORDINANCE 04.11.2017

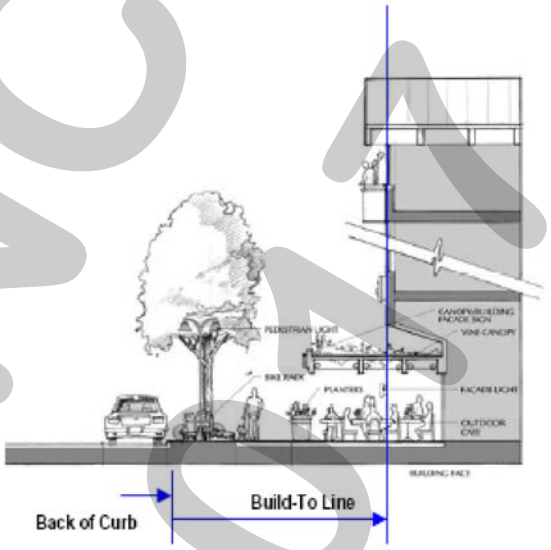
"Continuous building frontage" will be considered to be met if the primary building facade is located within five feet of the build-to line requirement. However, administrative approval of a minor waiver will permit up to 15 percent of the building frontage to be up to 15 feet behind the build-to line provided that it results in an attractive outdoor dining area, building entry feature or other amenity which contributes to the streetscape. A greater increase shall require approval of a major waiver.

3. Facades shall generally be built parallel to the street frontage, except at street intersections, where a corner facade containing a primary building entrance may be curved or angled toward an intersection.

4. *Build-to lines (setbacks).*

a) Build-to lines shall be measured from the planned street back-of-curb, as established on the approved regulating plan for the district and the standards in this [Unified Development Code] (see table 1, Downtown District Standards below), or the city's approved thoroughfare plan. The entire area between the back-of-curb and the primary building facade shall be dedicated as public right-of-way or have a public easement placed upon it.

b) Awnings may encroach above the public sidewalk without limit, provided they leave a minimum clearance of 7.5 feet above the sidewalk, and are set back a minimum of 18 inches from the back of curb and will not impede street tree growth.



E. *Streetscape and Landscape.*

1. Streetscape standards shall be established by the city for sidewalk paving, street trees, tree grates, lighting fixtures, trash receptacles and benches for both residential and nonresidential ground-level frontages.

2. Nonresidential ground floor frontages shall not be required to provide additional landscaping beyond that required in the Downtown District engineering and landscape standards.

3. Residential ground floor frontages shall be required to landscape a minimum of five feet between the edge of sidewalk and the primary building facade, excluding access to sidewalks, stairs, stoops, porches and patios. This area may be landscaped with ground cover, low shrubs, ornamental trees and street trees. In addition, street tree wells may also be landscaped. Landscaping for tree wells is limited to ground cover and low shrubs.

A. *Table 1.* Downtown District Standards

Building Height	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Building Height [1 & 3]	Max. 4 Stories Min. 2 Stories	Max. 2 Stories [1] Min. 2 Stories	Max. 4 Stories Min. 2 Stories

Build-to line [2]	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Goliad Street and Alamo Street [4]	20 feet	20 feet	18 feet
Rusk, Washington and Dennison Streets [5]	20 feet	20 feet	24 feet
All other roads	18 feet	18 feet	18 feet

Pedestrian Walkway Width	Blocks Facing the Square	Blocks Facing Single-Family Zoning	All Other Blocks
Non-Residential	10 feet	10 feet	10 feet [5]

DRAFT ORDINANCE 04.17.2017

Residential [6]	6 feet	6 feet	6 feet

Notes:

1 Maximum of 2 stories when the building is within 200 feet of single-family zoned property.

2 Build-to lines are measured from the "back of curb" of the planned street as set out in the approved regulating plan for the district. The setback range is established for the block face. (*See Sub-section III.D, Block Face, above.)*

3 Increased height for feature buildings may be approved as part of site plan approval by minor waiver. Additional height for other buildings shall be considered a major waiver.

4 Except along Goliad between Washington and Kaufman, where existing building lines will be enforced.

5 Sidewalk tables may be allowed by the city in retail areas.

6 Except Rusk between St. Augustine and Alamo Streets where existing historic building lines will be enforced.

IV. *Buildings.*

A. *Intent.* It is the intent of this zoning district to create an attractive and active village style district and the size, disposition, function, and design of buildings, play an important role in achieving that goal.

1. Buildings should directly contribute to the attractiveness, safety and function of the street and other public areas.

2. Buildings that accommodate retail at grade should feature the retail activity over the building's architecture.

3. Buildings should be constructed in a manner, and with materials, that are highly durable and will continue to endure and be attractive over a long time, especially adjacent to public and pedestrian areas.

4. It is intended by this zoning district to encourage a variety of building and design solutions in response to the standards and regulations outlined herein.

RETAIL SHOULD BE EMPHASIZED OVER THE BUILDING ARCHITECTURE WHERE IT IS PRESENT

B. *Building standards.*

1. *Building form.*

a) The maximum retail area allowed for a single user shall be 40,000 square feet. Any lease which exceeds this size shall require approval of a major waiver.

b) All buildings shall be designed and constructed in tri-partite architecture so that they have a distinct base, middle and top.

TRI-PARTITE ARCHITECTURE: BUILDINGS WITH A "BASE," "MIDDLE" AND "TOP"

DRAFT ORDINANCE 04.17

c) Buildings which are located on axis with a terminating street or at the intersection of streets shall be considered a feature building. Such buildings shall be designed with features which take advantage of that location, such as an accentuated entry and a unique building articulation which is off-set from the front wall planes and goes above the main building eave or parapet line.

2. *Architectural features.*

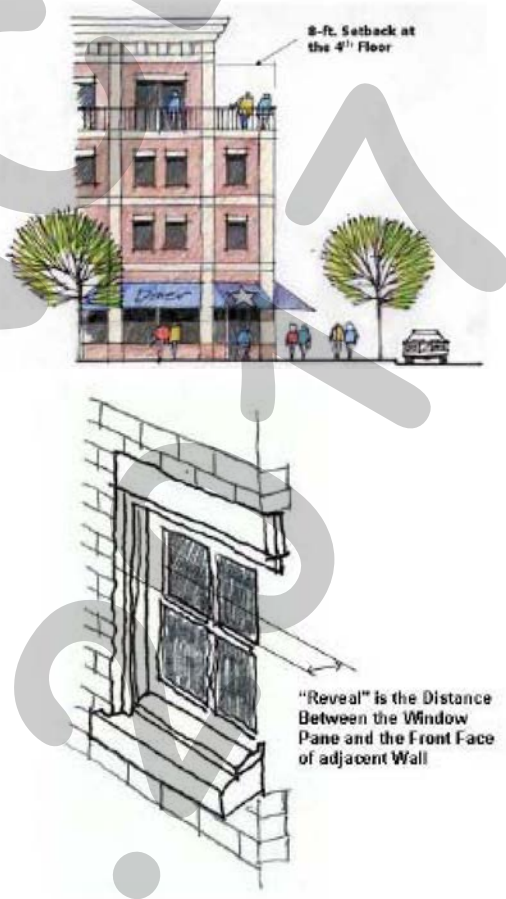
a) Buildings which are greater than three stories in height must be set back at the fourth floor at least eight feet behind the building face of the first three floors along street frontages. Any change to this standard shall be considered a major waiver.

b) Windows shall have at least a four-inch reveal and except for retail at grade, shall be vertical in proportion.

c) No glass curtain wall shall be permitted except by approval of major waiver.

d) Each building and separate lease space at grade along the street edge shall have a functioning primary entry from the sidewalk. Such entries must be inset from the front building plane by at least five feet. Secondary entries may be set back as little as three feet. Functioning entries must be located no greater than 30 feet apart. Corner entries may count as a primary entry for both intersecting street frontages.

e) Architectural elements of the primary building facade may encroach beyond the build-to line by up to five feet provided that pedestrian flow will not be significantly impeded, with a minor waiver. These elements may include stoops, porches, bay windows, eaves, planters and light wells for a belowgrade floor. Balconies, canopies and awnings are not limited in their encroachment, provided that they do not substantially interfere with pedestrian movement and street tree growth. This does not apply to the historic core.



3. *External facade materials.* The following shall apply to all exterior walls of buildings and parking structures which are clearly visible from a public street, walkway or open space:

a) Ground floor exterior walls, excluding windows, doors, and other openings, shall be constructed of 100 percent brick, natural or cast stone on the exterior facade.

b) Overall, a minimum of 85 percent of exterior walls which face on a street right-of-way, plaza or open space, excluding windows, doors, and other openings, shall be constructed of brick, natural or cast stone. Where such a wall turns a corner, the surface materials shall continue around the corner a minimum of eight feet.

c) The remainder may be constructed of noncombustible materials including exterior stucco and class PB exterior insulating and finishing systems (EIFS). Stucco and EIFS shall be used only for walls, architectural features, and embellishments not subject to pedestrian contact. On wholly residential structures, cementitious fiberboard may be used for up to ten percent of the facade provided it is above the ground floor.

d) Unpainted metal, or metal subject to ordinary rusting shall not be used as a building material. Factory finished metal elements as well as metals that develop an attractive oxidized finish, such as copper, galvanized metal, stainless steel or weathering steel, may be used as architectural accents by minor waiver approval.

DRAFT ORDINANCE

e) Windows and glazing shall be a minimum of 30 percent up to a maximum of 70 percent of each building elevation. (See 6.b below for special requirements for retail at grade.)

f) A variation of up to 15 percent of the standards above, and the material type may be approved by administrative approval of a minor waiver, provided that the change will result in an improved architectural design without degrading the quality of public areas or increasing the need for maintenance.

4. Color.

a) The dominant color of all buildings (including abovegrade parking structures shall be muted shades of warm gray, red, green, beige and/or brown. Black, gold and stark white shall not be used except as an accent color.

There are no restrictions on accent colors which comprise less than 1.0 percent of the building face, except that florescent colors are prohibited.

b) Roof colors shall be a shade of cool gray, warm gray, brown or red.

5. Residential at grade.

a) All buildings which are constructed for residential units at grade shall include a primary front door entrance into the unit which may be accessed from the sidewalk. Any change to this standard shall be considered a major waiver.

b) The entry shall be located a minimum of two feet above the sidewalk elevation and include a minimum 24-square-foot stoop. Any change to this standard shall be considered a major waiver.

c) Units must also include windows which provide residents a view of the street and sidewalk area. Any change to this standard shall be considered a major waiver.

d) Lobbies to upper stories may be located at grade level.

e) Balcony and patio railings and fences shall be constructed of wrought iron or metal. Wood fences and railings and chain-link fencing are prohibited. Masonry columns may be used on patios provided that they are used as accents.

6. Non-Residential at Grade.

a) The ground floor entry must be located at the approximate elevation of the adjacent sidewalk.

b) Retail uses adjacent to the sidewalk at grade shall:

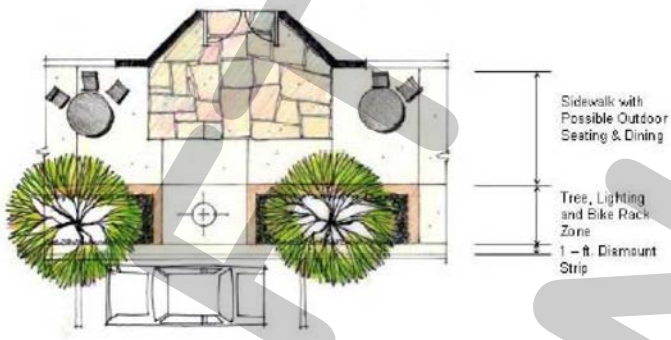
i. Be constructed to meet fire code separation from any other uses constructed above;
ii. Have a minimum clear height of 16 feet between finished floor and the bottom of the structure above. Mezzanines within the retail space shall be allowed per building code;

DRAFT ORDINANCE 04.17.2017

iii. Have a canopy which extends at least six feet over the sidewalk for at least 75 percent of the frontage on any portion of a building located on the north, east or west side of a street and public sidewalk; and

iv. Have clear glass windows for at least 60 percent, but no greater than 80 percent, of the ground floor facade.

No outdoor storage is permitted. Outdoor retail display or sales shall require a permit from the city.



V. *Parking.*

A. *Automobile parking.*

1. *Intent.* The following is the intent of the city's parking policies and the Downtown Zoning District:

a) Support the creation of shared parking in order to enable visitors to park once at a convenient location and to access a variety of commercial enterprises in a pedestrian-friendly environment.

b) Manage parking so that it is convenient and efficient, and supports an active and vibrant retail environment.

c) Ensure visibility and ease of access to parking.

d) Maximize on-street parking.

e) Provide flexibility for changes in land uses which have different parking requirements within the district.

f) Provide flexibility for the redevelopment of small sites.

g) Design parking structures so that they do not dominate the public environment by lining the edge of structures with residential or commercial uses.

h) Avoid diffused, inefficient single-purpose reserved parking.

i) Avoid adverse parking impacts on residential neighborhoods.

(Ord. No. 10-14, § 33, 7-6-2010)

2. *Parking requirements. Off-street and on-street facilities shall be provided as required in article VI of [this Unified Development Code].*

a) *Parking reductions.*

i. Properties in the historic core shall receive a credit for the number of parking spaces which would normally be required for retail use on the ground floor of any existing or new structure. To achieve this credit, however, retail or restaurant use must be located on the ground floor.

ii. In the remainder of the district, on-street parking which is directly in front of the development site may be counted toward the parking requirement for the development.

b) Achieving automobile parking.

DRAFT ORDINANCE 04.11.2017

i. Parking requirements may be met on-site, curb-side, by lease from the city or its designated authority or by payment of cash-in-lieu of parking to the city or its designated authority.
ii. Due to the limited land area within the historic core and the need to provide off-site parking, development shall be eligible to receive a reduction in the cost for the payment to the city for the required cash fee or the lease payments. The amount and the terms of the reduction shall be determined by the city manager or his designee by individual agreements.
iii. The city manager or designee shall annually establish the following:

- ✓ The leasing rates for city-provided parking spaces as a result of the need to provide such spaces for new development; and
- ✓ The cost of construction of a parking space in a parking structure for the purposes of establishing cash-in-lieu payments.

c) *Parking location.* All off-street parking shall be located behind buildings which face on a street or public open space. Any change to this standard shall be considered a major waiver.

d) *At-grade parking.* Any at-grade parking lots fronting roadways which may be approved shall be set back not less than ten feet from the right-of-way line of such roadways, and screened from view as outlined in subsection VII, Landscaping.

e) *Parking garages.* Parking garages that have frontage on public streets shall comply with all setback and build-to standards as established in table 1, Downtown District Standards, and subsection IV.B.3, External Facade Materials. However:

i. Parking garages which are adjacent to a street shall be set back a minimum of 50 feet and lined with buildings containing any permitted use but parking.
ii. All parking garages shall be constructed with flat parking decks for ease in re-use of all or portions of the structure when parking demand wanes, unless otherwise approved by major waiver.
iii. Off-street below grade parking is permitted to the lot lines, but must be designed to allow for utilities and planting of landscape as defined in subsection VII, Landscaping.

f) Shared Parking.

i. Uses may join in establishing shared parking areas if it can be demonstrated that the parking for two or more specific uses occurs at alternating time periods. Required parking shall be determined based on parking demand for the peak parking period, as determined by a parking analysis study approved by the city's director of planning.
ii. Shared parking shall be clearly designated with signs and markings.

B. Bicycle Parking.

1. *Goals.* Bicycle parking is required in order to encourage the use of bicycles by providing safe and convenient places to park bicycles.

2. *Required bicycle parking.* Bicycle parking shall be provided based on at least one space for each ten automobile parking spaces required as part of the base parking requirements above.

3. *Bicycle parking standards.*

a) *Location.*

i. Required bicycle parking must be located within 50 feet of an entrance to the building. With approval of a minor waiver, bicycle parking may be located in the public right-of-way.
ii. Bicycle parking may be provided within a building, but the location must be easily accessible to bicycles.

b) Covered spaces. If covered spaces for motor vehicles are provided on-site, then 50 percent of the bicycle parking shall also be covered, unless otherwise approved by minor waiver.
c) Signs. If the bicycle parking is not visible from the street, then a sign must be posted indicating the location of the bicycle parking facilities.

d) Rack types and required areas. Bicycle racks and the area required for parking and maneuvering must meet the Downtown District engineering and landscape standards or be approved by minor waiver (see below). Bicycle lockers may also be allowed as part of meeting the bicycle parking requirement, but must be approved as to type and location.

4. Standards for bicycle rack types and dimensions.

a) *Rack type.*

i. Bicycle rack types and standards shall be approved by the city.

b) Parking space dimensions.

i. Bicycle parking spaces must be at least six feet long and two feet wide, and in covered situations, the overhead clearance must be at least seven feet.
ii. An aisle for bicycle maneuvering must be provided and maintained beside or between each row of bicycle parking. This aisle must be at least five feet wide.
iii. Each required bicycle parking space must be accessible without moving another bicycle.
iv. Areas set aside for bicycle parking must be clearly marked and reserved for bicycle parking only.

VI. *Streetscape, lighting and mechanical.*

A. *Intent.*

1. It is the intent of this zoning district to provide a level and consistency of lighting that supports pedestrian activity and promotes safety.

2. The entire district shall utilize the basic fixtures and furnishings in the public areas as may be approved by the city for this district.

3. Mechanical equipment shall not be clearly visible from the street or other public area.

B. Standards.

1. For streetscape and lighting specifications, see the Downtown District engineering and landscape standards in section IX.

2. Lighting elements shall be incandescent, metal Halide, or halogen only. No HID or fluorescent lights (except fluorescent bulbs that screw into standard socket fixtures) may be used on the exterior of buildings.

3. All lighting shall be focused downward or narrowly focused on its intended target such as signing, parking and pedestrian walkways. No lighting source from a commercial activity shall be visible by a residential unit.

4. Mechanical and electrical equipment, transformers, meters, garbage containers and loading areas shall be located and screened so that they are not visible from the street or other public area.

a) Mechanical equipment shall be screened from view from all public roadways and located to minimize noise intrusion to adjacent properties. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

b) All roof-mounted mechanical elements must be screened from view from the public right-of-way and neighboring properties. Screening must be architecturally compatible with the building design.

c) Loading, service and trash storage areas shall be screened from all public roadways. Refuse containers must be placed on a designed, reinforced concrete pad and approach. The required screening must be composed of the same exterior materials as the buildings on the lot, or through the use of masonry walls, ornamental fence (80 percent opaque), evergreen landscape material, or combination thereof.

5. Any bicycle parking in the public right-of-way shall be located within the band created by street trees and pedestrian street lights; however, it must be placed in a manner that avoids conflicts with pedestrian and vehicular paths.

DRAFT ORDINANCE 2017

VII. *Landscape requirements.* Landscaping within the Downtown District shall comply with the provisions in this subsection, the city's streetscape standards and the standards contained in article VIII, Landscaping Standards, of this Unified Development Code. Where conflicts exist between this district and article VIII, the requirements in this district shall be applied.

A. *Street trees.* Street trees shall be large shade tree species having a minimum caliper of four inches, selected in accordance with the city's landscape standards. Street trees shall be planted at least 20 feet on center.

B. *Plant material.* Front yards shall be landscaped adjacent to residential at grade per the diagram in subsection IV.B.5, Residential at Grade, above. Plant materials shall consist of shade trees, ornamental trees, shrubs, evergreen ground covers, vines, and seasonal color.

C. *Paving material.*

1. Paving material shall be warm toned, natural materials such as brick, stone and concrete. Asphalt may be approved as part of a minor waiver.

2. Gravel as a paving material is prohibited.

D. Parking lot landscape.

1. Landscaping of the internal surface parking area shall not be required unless it is planned to serve as long-term parking. In which case, such long-term surface parking areas shall meet the requirements of subsection VII, Landscaping. For the purpose of this subsection, longterm parking shall be determined by the director of planning, and may include parking which has a likelihood of being in place for a period of ten years or more.

2. Surface parking lots shall be screened from all adjacent public streets and neighboring sites. The screen must extend along all edges of the parking lot and must be three feet in height, 80 percent opaque, and may be accomplished through the use of masonry walls, ornamental metal, evergreen plant materials, or a combination thereof. Planting beds for screen planting shall be a minimum of three feet in width.

3. Interior parking lot landscape shall be consistent with article VIII, Landscape Standards of the Unified Development Code.

4. Parking spaces shall not exceed ten spaces in a row without being interrupted by a landscaped island (nine-foot minimum). Islands shall be planted with a minimum of one shade tree for every ten cars.

VIII. *Administration.*

A. *Intent.* It is the intent that a developer or builder who wishes to develop under this zoning district will be processed in an expedited manner with administrative approvals, and may in fact qualify for incentives under other separate city programs. However, if there are substantial major waivers requested, additional approvals shall be required which may delay development progress.

B. *Waivers of design standards.*

1. For the purposes of this district, there shall be two types of waivers of design standards: minor and major. Requests for waivers shall not be subject to review or decision by the zoning board of adjustment. A waiver request may only be made in conjunction with an application for a downtown development plan.

2. Minor waivers are those changes to design standards in the Downtown District identified in Subsection III.B. Minor waivers may be approved administratively by the director of planning or his designee in conjunction with a decision on an application for approval of a downtown development plan. All minor waivers must meet the full intent of this zoning district as stated in section I. Appeals to decisions concerning minor waivers may be made to the Planning and Zoning Commission.

(Ord. No. 10-14, § 34, 7-6-2010)

3. Major waivers are major changes to the design standards in the Downtown District. Major waivers may only be approved by the city council, following a recommendation by the planning and zoning commission, in

DRAFT ORDINANCE 04-17

conjunction with a decision on an application for approval of a downtown development plan. Examples of major waivers are listed in Subsection III.B above; however, the City Council reserves the right to grant a major waiver to any standard not specifically designated as a minor waiver contained in this article pending the City Council finds that the waiver:

a) Meets the general intent of this district in which the property is located;
b) Will result in an improved project which will be an attractive contribution to the district; and
c) Will not prevent the realization of the intent of this district.

4. The city may impose conditions on granting any waiver to mitigate negative impacts neighboring properties or public streets or open space.

C. *Downtown development plan approval.*

1. Prior to obtaining a building permit, a downtown development plan must be approved by the director of planning or his designee, to certify that it meets the purpose, intent and standards contained in this zoning district.

2. Downtown development plans must include the following information:

a) Site plan.
b) Building elevations and sections.
c) Building function/proposed use.
d) Parking standards being met.
e) Landscape plan.
f) Any waivers being requested.

3. Applications for downtown development plan approval shall be reviewed within 30 days of being formally accepted by the city. At such time, the approval, approval with conditions or denial shall be forwarded to the applicant. However, applications including a request for a major waiver shall be scheduled for planning and zoning commission and city council action.

4. Denial of a downtown development plan may be appealed to the planning and zoning commission and city council within 30 days of notification of such denial.

D. Lapse of Approval. If a building permit has not been obtained within two years following approval of the downtown development plan, such plan shall lapse unless the property owner requests an extension prior to the expiration of the two-year period. The request for an extension shall be considered by the planning director, or he may at his discretion refer the decision to the planning and zoning commission and city council in the same manner as for approval of the downtown development plan. The director (or council, upon recommendation by the commission) may grant an extension of the time for expiration of the downtown development plan for a period not to exceed one year from the date of initial approval of the application. Every request for an extension shall include a statement of the reasons why the expiration date should be extended. The decision-maker may grant a request for extension upon demonstration that circumstances beyond the control of the applicant have resulted in the applicant's inability to perform the tasks necessary to prevent the downtown development plan from expiring before the lapse date. The commission or the council also may terminate the downtown development plan or may attach additional conditions to the extension of the plan.

E. Platting in the downtown district. Plats in the Downtown District shall ensure public access easements over sidewalk areas and shared drive access.

IX. *Downtown district engineering and landscape standards.*

A. *Downtown Plan.* The Downtown District Engineering and Landscape Standards shall be in accordance with the approved Rockwall Downtown Plan.

B. *Street Trees.*

1. Trees which may be planted adjacent to sidewalks, alleys and streets are limited to:

a) Cedar Elm.

DRAFT ORDINANCE 04-2017

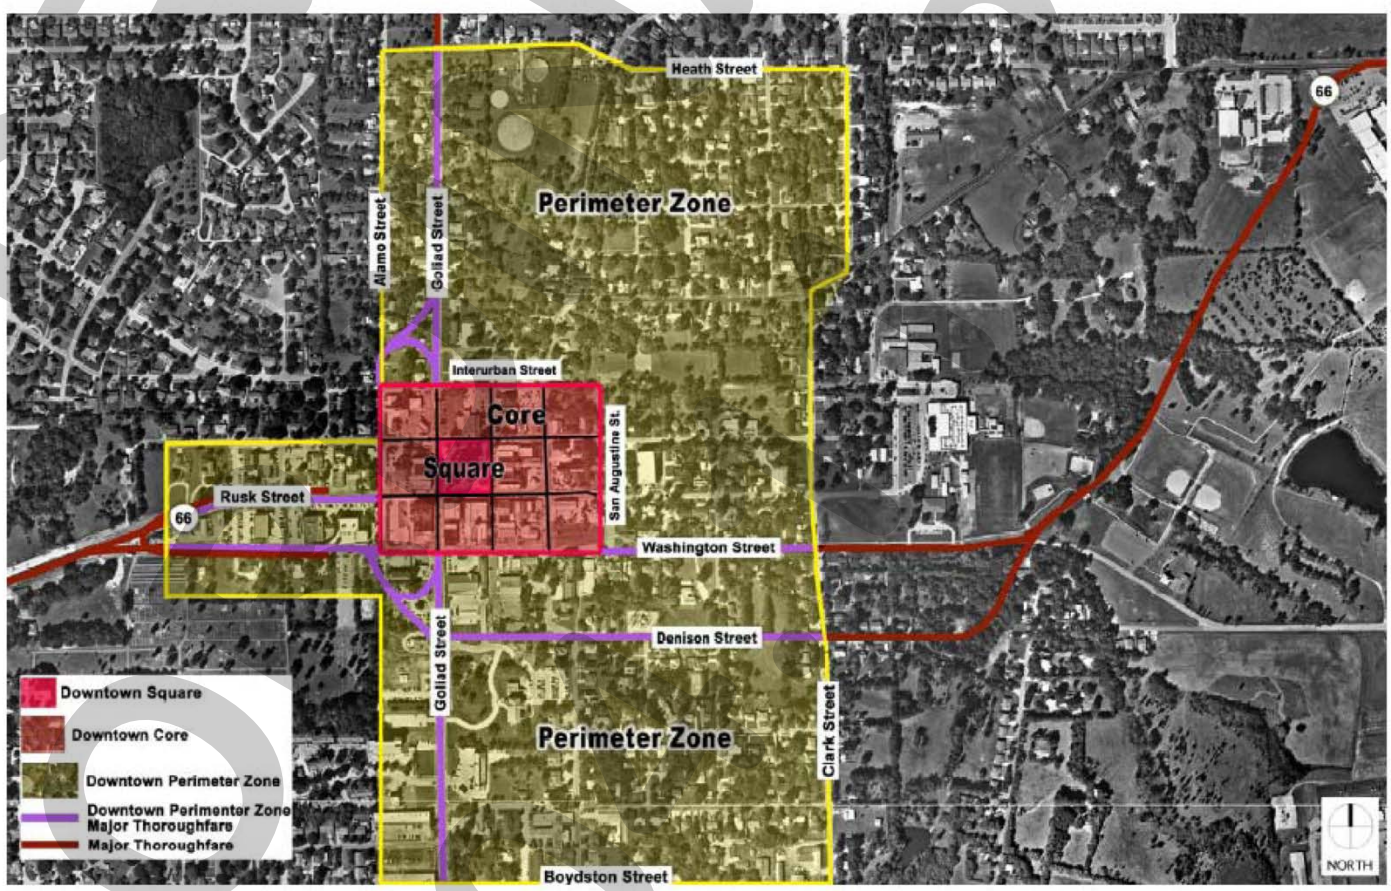
b) Texas Red Oak.
c) Homestead Elm.
d) Lace Bark Elm.
e) Bald Cypress.
f) Chinese Pistachio.
g) October Glory Maple.
h) Pecan.
i) Texas Ash.
j) Live Oak.
k) Southern Magnolia.
l) Bald Cypress.
m) "Little Gem" Magnolia.
n) Chinquapin Oak.
o) Sycamore.
p) Burr Oak.
q) Eve's Necklace.
r) Eastern Red Cedar.
s) Various native under-story trees such as Texas Redbud, Mexican Plum, Downy Hawthorn, and Wax Myrtle.

2. Shade trees shall be used for all formal street tree planting unless prohibited by the Texas Department of Transportation, in which case smaller ornamental trees may be used.

3. Each street shall be planted with a focus on one species to reinforce street character.

C. *Street Furniture.*

1. The Downtown District shall utilize the following "street furniture" in accordance with the following map:



Streetscape	Images	Streetscape Element	Catalog Number	Description

DRAFT ORDINANCE 2017

Element		Symbol/General Location		
Note to Product Specifier: All streetscape elements described here within, are not intended to be the final product specification. The electrical engineer, architect, landscape architect or other professional designer should verify the product color, material and style number, prior to placing the final streetscape element order with manufacturer and supplier. Lighting fixture and traffic signal electrical voltage supply, circuiting, photometrics and final fixture location needs to be specified by a registered electrical engineer, with all fixture footings checked by a registered structural engineer, prior to installation.				
I Downtown Square and Core Streets.				
1	Light standard		A1 — All commercial streets of the Core	AAL/2-PRMN H3 or H5/150 to 175 watt MH lamp (voltage)/2-TRA5U arms/DB6 base with 4" round 15' ht. pole/PN A50596-1	Architectural Area Lighting (AAL); Promenade Series, Fixture: 2-PRMS Double Pedestrian Light Standard with a H3 or H5 horizontal lamp reflector, 150 watt to 175 watt metal halide lamp, medium base socket for use with E - 17 lamps; (voltage); CHM glass chimney, with brass holder, and DBZ dark bronze color. Arm: # 2-TRA5U Period Arm, one piece cast aluminum, and DBZ dark bronze color. Pole, Base and Pole Cap: DB6 4R16-125, 4" OD round straight aluminum, 15' tall (special) with a DB6 base, 36" ht. × 15" base diameter; P/N A50596-1, Small cast final at pole top, DBZ dark bronze color.
2	Light standard		A2 — Limited to Downtown Square and San Jacinto St. Pedestrian way		Same as A1 above except with the optional BPS - fixture struts are finished in a brass colored powder coating.
3	Traffic signal		D1 — All commercial streets of the Core, if needed		Valmont Traffic Structures. Pole/Base/Pole Sphere Final: Tapered, round standard galvanized steel pole, with an aluminum ball final on the pole top (Ball Top "FCA-BL Series # FCA/BL/A/ (Estimate a 10" diameter ball, verify final size with top diameter range at top of pole/DB, dark bronze); pole base has an ornamental cast nut cover, color of complete traffic structure is a galvanized + powder coated finish, color = dark bronze to match Historic District street sign blades. Arm: Tapered, round standard arm, with an aluminum ball final on the end of the arm (Ball Top "FCA-BL Series # FCA/BL/A/(Estimate a 5" diameter ball, verify final size with top diameter range at the end of the arm after arm length is specified)/DBZ, dark bronze color. Signals: TXDOT standard signal, black color with black silhouettes, mount tightly to signal arm with black connections, so as to eliminate any visible gaps between silhouette and arm. Street Sign: Sign blade to match Historic District colors, font and sign format.

DRAFT ORDINANCE 04.17.20

4	Traffic signal with light standard		D2 — All commercial streets of the Core, if needed		Same as D1 traffic signal, except pole is "typical "Standard Combination Structure" with AAL (B2 type) light; Arm is a (Modified) WMA 12 "Sheppard's Crook" contemporary arm modified to accept the Valmont pole, DBZ, dark bronze color.
5	Light standard banner brackets		At selected streets		Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4" O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind. (Verify banner bracket locations and mounting height); DBZ, dark bronze color, polester powder finish.
6	Benches		All commercial streets of the Core	Du Mor Bench # 140 - 60 and # 140-80	Du Mor Site Furnishings. Bench 140 - in 6 ft. and 8 ft. lengths, All welded seat assembly, Seating Surface: 1/4" × 1 1/2" HR steel bar 2-3/8" O.D. Sch 40 steel pipe, cast iron supports, bracing 1 1/16" O.D. steel pipe, stainless steel fasteners, dark bronze color polyester powder finish.
7	Trash receptacles		All commercial streets of the Core	Du Mor Receptacle 84-22DM	Du Mor Site Furnishings. Trash Receptacle 84-22, 22 gallon all steel Receptacle, 150 lbs., top edge: 5/8" diameter steel bar; Vertical straps: 1/4" × 3" steel bar with a 22 gallon plastic liner, cover; Spun 14 gauge steel with vinyl coated cable; and a Dome Top, dark bronze color in a polester powder finish.
8	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
9	Street sign brackets		At non signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
10	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze color to match the Historic District street sign blades.
11	Bollards		Limited to Downtown Square	Sternberg Vintage Lighting, Ornamental Bollard #4501	Sternberg Vintage Lighting. Ornamental Steel Bollard # 4501, 5 1/4" diameter straight tubing (no fluting), 30" high, 8" dia. base, no internal light, DBZ, dark bronze color to match the Historic District street sign blades.

II Downtown Perimeter Zone Streets

ORDINANCE 04-11-28

1	Light standard		B1 — All neighborhood residential streets		Same as A1 above except as a single headed fixture.
2	Light standard		B2 — Limited to north and south sections of Goliad St. inside the Downtown Zone, and at intersections on Clark, Washington and Denison Streets inside the Downtown Zone.	AAL/PRM2 (H2, H3, H4, H5)/250 watt MH horizontal lamp (Voltage)/ARM: (modified) SLA 4 arm to accept the 5" dia. post/tendon/5" O.D. smooth round aluminum pole/DB 10 base/P/N A50575 Large Cast Finial.	Architectural Area Lighting (AAL). Promenade Series, Fixture: PRM2 - (H2, H3, H4 and H5), 250 watt Metal Halide Horizontal lamp, (Voltage), DBZ dark bronze color, Arm: (Modified) SLA 4 arm (Sheppard's Crook) to accept the 5" dia. post/tendon, DBZ, dark bronze color, polester power finish. Pole, Base and Pole Cap: 5" O.D. diameter, smooth round aluminum pole, with a DB 10 ornamental base that is 48" high with an 18" base diameter, Large Cast Finial # P/N A50575 20" high × 5 1/2" O.D. that fits on top of pole, DBZ dark bronze color, polester powder finish.
3	Light standard		C — Current Standards. All thoroughfares (SH 66, Goliad, Washington and Denison Streets) inside the Downtown Perimeter Zone (existing and new routed thoroughfares)		Existing "Shoe Box" Style Light Standard
4	Light standard banner brackets		At selected streets	AAL — Banner Arm 2-BBD4-18	Architectural Area Lighting (AAL). Breakaway banner arm 2-BBD4-18, clamps onto a 4" O.D. pole and adjustable to desired position. (Banner size should not exceed 5 sq/ft. - Maximum 70 MPH Wind., (Verify banner bracket locations and mounting height) DBZ dark bronze color.
5	Street sign blades				Match Historic District street sign blades (dark bronze color with white lettering)
6	Street sign brackets		At non-signalized intersections, street signs can be mounted to light standard poles.		Architectural Area Lighting (AAL). (Special) Each bracket is bolted to pole, dark bronze color to match fixture in polyester powder finish. (Verify bracket size with sign blade used as well as sign mounting height)
7	Street regulatory signs and poles	No sign/pole illustration			Paint the backs of all sign blades and all poles, dark bronze to match the Historic District street sign blades.

DRAFT ORDINANCE 04.17.2017

III	Major Thoroughfares and Parkways			
1	Lighting		C — Current standards	Existing “Shoe Box” Style Light Standard painted dark bronze.
2	Street signs	No sign/pole illustration		Paint the backs of all sign blades and all poles, dark bronze to match the Historic District street sign blades.

DRAFT ORDINANCE 04.11.2017

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 04/11/2017

APPLICANT: Maria Del Carmen Andrew

AGENDA ITEM: **Z2017-012**; *3401 S. FM-549 (AG to SFE-2.0)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Maria Del Carmen Andrew for the approval of a zoning change from an Agricultural (AG) District to Single-Family Estate 2.0 (SFE-2.0) District on a five (5) acre parcel of land being identified as Lot 2, Block A, Edwards Acres Subdivision, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 3401 FM-549, and take any action necessary.

PURPOSE:

The subject property is a five (5) acre tract of land identified as Lot 2, Block A, Edwards Acres Subdivision, City of Rockwall, Rockwall County, Texas. The applicant is requesting to rezone the property from an Agricultural (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District for the purpose of building a single-family home. Currently, there is an existing garage situated on the subject property. According to Section 2.1, *Agriculture (AG) District,* of Article V, *District Development Standards*, of the Unified Development Code (UDC), a single-family dwelling is allowed on an Agriculture (AG) District zoned property that is more than ten (10) acres. Since the subject property is less than ten (10) acres, the tract will need to be rezoned.

ADJACENT PROPERTIES ZONING DISTRICTS:

The zoning adjacent to the subject property is as follows:

North: North of the subject property is Planned Development District (PD-63) [*i.e. Somerset Park*], which is a single-family residential subdivision currently in the beginning phases of construction. Beyond this is vacant land that is zoned Agriculture (AG) District. The Future Land Use Map designates this area as Low Density Residential

South: South of the subject property is FM-549, which is identified as a *Minor Collector* on the Master Thoroughfare Plan. It should be noted that the Master Thoroughfare Plan shows a re-alignment of FM-549 beginning just east of the subject property and connecting to FM-549 on the west at the intersection of FM-549 and SH 205 [S. Goliad Street]. Beyond FM-549 is a vacant tract of land that is zoned Commercial (C) District.

East: East of the subject property is a single-family residential neighborhood that is zoned Single-Family Estates 2.0 (SFE-2.0) District. Beyond this is a large vacant tract of land that is zoned Agriculture (AG) District. The Future Land Use Map designates this area as Low Density Residential.

West: West of the subject property is Planned Development District (PD-63) [i.e. Somerset Park]. Beyond this is SH-205 [S. Goliad Street], which is identified as a TxDOT Highway on the Master Thoroughfare Plan. Beyond this is a large tract of vacant

land, which is zoned Agriculture (AG) District. The Future Land Use Map designates this area as Low Density Residential.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses, which is defined as less than two (2) single-family units per acre. This designation is in conformance with the applicant's request to rezone the subject property to a Single-Family Estates (SFE-2.0) District.

NOTIFICATION:

On March 29, 2017, staff mailed eleven (11) notices to property owners within 500-feet of the subject property. Staff also notified the Oaks of Buffalo Way HOA, which is the only HOA within 1,500-feet of the subject property and participating in the notification program. Additionally, staff posted a sign on the property as required by the Unified Development Code (UDC). At the time this report was drafted, staff had not received any notices returned.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A FIVE (5) ACRE TRACT OF LAND IDENTIFIED AS LOT 2, BLOCK A, EDWARDS ACRES SUBDIVISION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT *'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Maria Del Carmen Andrew for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agricultural (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District for a five (5) acre tract of land identified as Lot 2, Block A, Edwards Acres Subdivision, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District; and

Section 2. That the *Subject Property* shall be used and developed only in the manner and for the purposes provided for a *Single-Family Estate 2.0 (SFE-2.0) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses", Section 3.2, "General Residential District Standards"* and *Section 3.2, "Single-Family Estate 2.0 (SFE-2.0) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

DRAFT ORDINANCE 05.01.17

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE ____ DAY OF MAY, 2017.

AGENDA
PLANNING AND ZONING COMMISSION WORK SESSION
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
April 25, 2017
6:00 P.M.

CALL TO ORDER

CONSENT AGENDA

1. **Approval of Minutes** for the *April 11, 2017* Planning and Zoning Commission meeting.

2. **P2017-019** **(Korey)**
   Discuss and consider a request by Drew Cunningham of Mountainprize, Inc. for the approval of a replat for Lots 3 & 4, Block A, Woods at Rockwall Addition being a 4.47-acre tract of land currently identified as Lots 1R & 2R, Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southeast corner of the intersection of Ridge Road and Yellow Jacket Lane, and take any action necessary.

3. **P2017-024** **(Korey)**
   Discuss and consider a request by Greg T. Helsel of Spiars Engineering on behalf of Will Shaddock of Master Developers – SNB, LLC for the approval of a replat for Lots 26 & 27, Block E, The Preserve, Phase 1 Addition, being a 0.736-acre tract of land currently identified as Lots 20 & 21, Block E, The Preserve, Phase 1 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 41 (PD-41), located northwest of the terminus of Wildwood Lane and Cooper Court, and take any action necessary.

4. **SP2017-015** **(Ryan)**
   Discuss and consider a request by Susan Gamez for the approval of a site plan for a *Massage Therapist* [*EveryBody Massage*] on a 0.478-acre tract of land identified as Tract 7 of the D. Atkins Survey, Abstract No. 1, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the Scenic Overlay (SOV) District, addressed as 2001 Ridge Road, and take any action necessary.

APPOINTMENTS

5. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

PUBLIC HEARING

6. **Z2017-009** **(David)**
   Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (SUP) for a *Motor Vehicle Dealership, New (Cars and Light Trucks)* in a Light Industrial (LI) District for a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1415 & 1501 E. IH-30, and take any action necessary.

DISCUSSION ITEMS

7. **Z2017-013** **(Korey)**
   Hold a public hearing to discuss and consider a request by Andrew Spearman for the approval of a Specific Use Permit (SUP) to allow for an accessory building that does not meet the minimum requirements as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code for a 3.128-acre tract of land identified as Tract 25 of the E. M. Elliott Survey, Abstract No. 77, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 1.5 (SFE-1.5) District, situated within the FM-549 Overlay (FM-549 OV) District, addressed as 2180 Airport Road, and take any action necessary.

8. **Z2017-014** **(Ryan)**
   Hold a public hearing to discuss and consider a request by Dr. Josh Cope of Premiere Vet Care Animal Clinic on behalf of David Falls for the approval of a Specific Use Permit (SUP) for an *Animal Clinic for Small Animals* in Planned Development District 50 (PD-50) for a one (1) acre parcel of land identified as Block 26

of the Gardner Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 901 N. Goliad Street [*SH-205*], and take any action necessary.

9. Z2017-015 **(David)**
Hold a public hearing to discuss and consider a request by Matt King on behalf of Archie Underwood for the approval of a Specific Use Permit (SUP) for a *Hotel* in a Commercial (C) District for a 1.345-acre parcel of land identified as Lakeside Batting Park Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 801B E. IH-30, and take any action necessary.

10. Z2017-016 **(David)**
Hold a public hearing to discuss and consider a request by Dan Claassen of Business Parks of America II, LLC on behalf of the owner Randall Noe of Rockwall Rental Properties, LP for the approval of a zoning change from a Commercial (C) District to a Light Industrial (LI) District for 3.287-acre tract of land identified as Tract 3-01 [*2.182-acres*] & Tract 3-2 [*1.087-acres*] of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the northwest corner of the intersection of Enterprise Drive and the IH-30 Frontage Road, and take any action necessary.

11. Z2017-017 **(Ryan)**
Hold a public hearing to discuss and consider the *Revocation* of *Ordinance No. 15-05* (*i.e. SUP No. S-131*) under Section 4.4 of Article IV, *Permissible Uses*, of the Unified Development Code for failing to meet the terms of *S-131*, which would have allowed outside storage and a new motor vehicle dealership on a ten (10) acre tract of land identified as Tract 4-02 and Tract 4 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Corridor Overlay (IH-30 OV) District, addressed as 1530 E. IH-30, and take any action necessary.

12. Z2017-018 **(Korey)**
Hold a public hearing to discuss and consider a request by Cesar Sagovia of Rogue Architects on behalf of Starbucks Coffee Company for the approval of a Specific Use Permit (SUP) amending *Ordinance No. 12-29* (*S-099*) to allow for an expansion to the existing restaurant on a 0.182-acre portion of a larger 25.927-acre parcel of land identified as Lot 6, Block A, Wal-Mart Supercenter Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District and within the IH-30 (IH-30 OV) Overlay District, addressed as 778 E. IH-30, and take any action necessary.

13. P2017-017 **(David)**
Discuss and consider a request by Jason Lentz of Atticus Harbor Village for the approval of a replat for Lot 1, Block A and Lot 1, Block B, Harbor Village Addition being a 6.904-acre tract of land identified as Lots 3A, 4A & 5A, Isaac Brown Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) District, located adjacent to Summer Lee Drive southwest of the intersection of Horizon Road [*FM-3097*] and Summer Lee Drive, and take any action necessary.

14. P2017-020 **(Korey)**
Discuss and consider a request by William and Sandie Wood for the approval of a final plat of Lot 1, Block A, Wood Estates Addition being a 3.58-acre tract of land identified as Tract 60-01 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, generally located east of the intersection of S. Clark Street and Washington Street, and take any action necessary.

15. P2017-021 **(David)**
Discuss and consider a request by Cameron Slown of F. C. Cuny Corporation on behalf of Robert S. Whittle for the approval of a preliminary plat for the Highlands Subdivision containing 53 single-family residential lots on a 13.376-acre tract of land identified as Tract 2 of the M. B. Jones Survey, Abstract No. 122, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for Zero Lot Line (ZL-5) District land uses, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located at the northwest corner of the intersection of SH-66 and FM-1141, and take any action necessary.

16. P2017-022 **(Korey)**
Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH Phase VI SF, LTD. for the approval of a final plat for Breezy Hill, Phase VI containing 79 single-family residential lots on a 32.022-acre portion of a larger 61.528-acre tract of land identified as Tract 7 of the J.

Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, generally located northeast of the intersection of N. John King Boulevard and Life Springs Drive, and take any action necessary.

17. P2017-023 (David)

Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of Stone Creek Phase 8, LTD. for the approval of a final plat for Stone Creek, Phase VIII containing 102 single-family residential lots on a 28.655-acre tract of land identified as Tract 3 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 70 (PD-70) for Single Family-10 (SF-10) District land uses, generally located at the northwest corner of the intersection of Hay Road and E. Quail Run Road, and take any action necessary.

18. SP2017-012 (David)

Discuss and consider a request by Curtis Behrens of Greenberg Farrow on behalf of Doug Druen of Texas Roadhouse Holdings, LLC for the approval of a site plan for a restaurant [*Texas Roadhouse*] on a 2.07-acre portion of a larger 8.613-acre tract of land identified as Tract 4 of the J. D. McFarland Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, IH-30 Overlay (IH-30 OV) District, generally located east of the intersection of Greencrest Boulevard and the IH-30 Frontage Road, and take any action necessary.

19. SP2017-014 (Korey)

Discuss and consider a request by Kevin Patel, P. E. on behalf of William Shaddock of Master Developers-SNB, LLC for the approval of an amended site plan for a daycare facility on a 2.960-acre tract of land identified as Lot 1, Block S, Preserve, Phase 3 Addition and Tract 12 [*1.4376-acres*], A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 41 (PD-41) and Single Family 10 (SF-10) District, addressed as 1450 East Fork Drive, and take any action necessary.

20. Director's Report of post Council meeting outcomes of Planning & Zoning cases **(Ryan)**.

- ✓ Z2017-005: Amendment to Planned Development District 50 (PD-50) (*2nd Reading*) [*Approved*]
- ✓ Z2017-006: SUP for 506 N. Goliad Street (*2nd Reading*) [*Approved*]
- ✓ Z2017-007: Zoning Change for Gideon Tract II (AG to PD) (*1st Reading*) [*Approved*]
- ✓ Z2017-008: SUP for 2260 E. IH-30 (*2nd Reading*) [*Approved*]
- ✓ Z2017-009: SUP for 1501 E. IH-30 [*Postponed*]
- ✓ Z2017-010: Amendment to Planned Development District 32 (PD-32) (*1st Reading*) [*Approved*]
- ✓ Z2017-011: Amendment to Section 4.8, Downtown District Art. V; UDC (*1st Reading*) [*Approved*]
- ✓ Z2017-012: Zoning Change for 3401 S. FM-549 (AG to SFE-2.0) (*1st Reading*) [*Approved*]

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator of the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 21st day of April, 2017 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

AGENDA
ARCHITECTURAL REVIEW BOARD MEETING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers Conference Room
April 25, 2017
4:30 P.M.

CONSENT AGENDA

1. SP2017-015 **(Korey)**
Discuss and consider a request by Susan Gamez for the approval of a site plan for a *Massage Therapist* [*EveryBody Massage*] on a 0.478-acre tract of land identified as Tract 7 of the D. Atkins Survey, Abstract No. 1, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the Scenic Overlay (SOV) District, addressed as 2001 Ridge Road, and take any action necessary.

5. Z2017-018 **(Ryan)**
Hold a public hearing to discuss and consider a request by Cesar Sagovia of Rogue Architects on behalf of Starbucks Coffee Company for the approval of a Specific Use Permit (SUP) amending *Ordinance No. 12-29* (*S-099*) to allow for an expansion to the existing restaurant on a 0.182-acre portion of a larger 25.927-acre parcel of land identified as Lot 6, Block A, Wal-Mart Supercenter Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District and within the IH-30 (IH-30 OV) Overlay District, addressed as 778 E. IH-30, and take any action necessary.

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 21st day of April, 2017, by 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MINUTES

PLANNING AND ZONING COMMISSION PUBLIC HEARING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
April 11, 2017
6:00 P.M.

I. CALL TO ORDER

Chairman Lyons called the meeting to order at 6:01 p.m. The Commissioners present at the meeting were, Patrick Trowbridge, Tracey Logan, Eric Chodun, and Annie Fishman. Absent were Commissioner Mark Moeller and one vacant seat. Staff members present were Planning Director, Ryan Miller, Senior Planner David Gonzales, Planner, Korey Brooks, Planning Coordinator, Laura Morales, and Assistant Engineer Amy Williams.

II. CONSENT AGENDA

1. Approval of Minutes for the March 28, 2017 Planning and Zoning Commission meeting.

Commissioner Fishman made a motion to approve the consent agenda. Commissioner Chodun seconded the motion which passed by a vote of 5-0 with Commissioner Moeller absent and one vacant seat.

III. PUBLIC HEARING ITEMS

2. Z2017-009

Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (SUP) for a *Motor Vehicle Dealership, New (Cars and Light Trucks)* in a Light Industrial (LI) District for a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1415 & 1501 E. IH-30, and take any action necessary.

Chairman Lyons noted that this agenda item was postponed to the next scheduled Planning and Zoning meeting.

3. Z2017-010

Hold a public hearing to discuss and consider a City initiated request for the approval of a zoning amendment to Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] for the purpose of amending the required streetscape elements stipulated by *Exhibit 'C'* of *Ordinance No. 10-21* affecting a ~78.89-acre tract of land identified as the *Harbor District*, being zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) and IH-30 Overlay (IH-30 OV) Districts, located at the southwest corner of Horizon Road [*FM-3097*] and IH-30, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the request stating that the request is City initiated and the subject property is all of Planned Development 32 and when Planned Development 32 was originally approved very specific model numbers for very specific streetscape elements were incorporated which include pedestrian scale lighting, park benches, and pavers. The issue that has come up now however is that some of the products have been discontinued and as more development has come into that area those products have become unavailable. In order to alleviate that problem, staff is going through and changing zoning to allow some flexibility and that is being done in two ways. First, it will be required for a streetscape plan to be submitted which will come before the Planning and Zoning Commission as part of the site plan submittal and as part of that the applicant would have to provide cut sheets that could be compared to the cut sheets elements that were originally approved. In addition the Commission would be able to look at the pictures and decide if they are visually similar. Also, the streetscape section in the Ordinance has been changed to say "visually similar to" and staff would still list the product number in certain cases.

Mr. Miller added that staff mailed 137 notices to property owners and residents that are within 500 feet of the PD District itself and in addition staff notified the Lago Vista, Lakeside Village, Waters Edge, Signal Ridge, Chandlers Landing and Fox Chase HOA's which are within 1500 feet of the subject property and also posted notice in the Herald Banner. No notices were received back however staff did receive several phone calls.

Chairman Lyons asked for any questions from the Commission for staff.

Commissioner Trowbridge asked if the cut sheets were the side by side comparison of the specifics of lights. Mr. Miller stated a cut sheet is a specification sheet that details the products specifications.

Commissioner Fishman asked what the phone calls that staff received were in regards to. Mr. Miller stated they were calls asking for further detail to the notice's wording.

Chairman Lyons opened up the public hearing and asked anyone who wished to speak to come forward and do so.

Marvin McKinney
2738 Mira Vista
Rockwall, TX

Mr. McKinney came forward and asked if what is being changed would affect his property. Mr. Miller explained that it does not necessarily affect any properties, it only affects future development in Planned Development 32 which is the Harbor, but because it will be changing the zoning, State law requires notifications be sent to property owners and residents within 200 feet of the subject property and there is also a local amendment that expands that out to 500 feet. Therefore staff was required to notify everyone within 500 feet of the Planned Development District of the change that is being proposed. Mr. Miller explained to Mr. McKinney that it would not affect his particular property and the only thing that is changing is the one aspect that deals with the streetscape elements.

Chairman Lyons asked if there was anyone else who wished to speak to come forward and do so, there being no one indicating such Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or a motion.

Commissioner Logan made a motion to approve Z2017-010. Commissioner Fishman seconded the vote which passed by a vote of 5-0 with Commissioner Moeller absent and one vacant seat.

4. Z2017-011

Hold a public hearing to discuss and consider a City initiated request for the approval of a text amendment to Section 4.8, *Downtown (DT) District*, of Article V, *District Development Standards*, of the Unified Development Code for the purpose of amending the permitted major and minor waivers, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the request stating that recently a case came forward to develop in the Downtown District and some issues were identified by the applicant and he went before the City Council and asked that they amend certain sections of the Downtown District and Council then did direct staff to do so. The amendment will specifically make two changes to the Downtown District Ordinance. The first will allow Council the ability to approve major waivers to all standards not specified as minor waivers. Previously it listed out specific major waivers that could be approved, however it excluded several things. For example Council could not grant a variance to the height of a building, which meant a four story building could be built but not a one story and other elements along those lines. Now Council will have the ability to review those on a case by case basis. The second thing is, currently the Ordinance grants City staff the ability to grant minor waivers but does not detail any kind of appeal process. The amendment will allow Planning and Zoning to review and staff could also pass minor waivers to the Planning and Zoning Commission if staff was not comfortable making that decision. Minor waivers are listed in the Ordinance already and staff did not change any of those but only added the ability for the applicant to appeal staffs decision.

Mr. Miller went on to state that those were the only two changes that were made in the Ordinance, however with it being a text amendment staff was required to bring it before the Commission for recommendation to the City Council.

Chairman Lyons asked for any questions for staff from the Commission.

Commissioner Chodun asked if for major waivers, since they're appealable to the City Council but are subject to the Commissions prior review and recommendation, under what authority would the Commission have to review because in a sense it would already be in an appeal. Mr. Miller stated it is the same sort of process as a variances, the Commission provides a recommendation to the City Council based on the variances because it deals typically with technical requirements in the same way the Commission would review even if it is in the appeal process and forward their recommendation to Council and Council has the ability to agree or override the recommendation.

Chairman Lyons asked for clarification if that was only for the major waivers, not the minor waivers. Mr. Miller stated that for the minor waivers the Commission would be the appeal Board essentially for staff's decisions or in cases where staff sent those waivers forward the Commission would be the approving body.

Commissioner Logan asked if not all of the minor waivers would be sent forward to the Commission. Mr. Miller stated it would depend, in certain circumstances where it makes logical sense to approve it at a staff level, staff may do so if it is something small where staff feels they are meeting the intent of the Ordinance, however if there is any question it would be sent forward to the Planning and Zoning Commission.

Chairman Lyons opened up the public hearing and asked anyone who wished to speak to come forward and do so, there being no one indicating such Chairman Lyons brought the item back to the Commission for discussion or a motion.

Commissioner Fishman made a motion to approve Z2017-011. Commissioner Chodun seconded the motion which passed with a vote of 5-0 with Commissioner Moeller absent and one vacant seat.

5. Z2017-012

Hold a public hearing to discuss and consider a request by Maria Del Carmen Andrew for the approval of a zoning change from an Agricultural (AG) District to Single-Family Estate 2.0 (SFE-2.0) District on a five (5) acre parcel of land being identified as Lot 2, Block A, Edwards Acres Subdivision, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 3401 FM-549, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating that the applicant is requesting to rezone the subject property from AG to SFE-2.0 for the purpose of constructing a single family home and there is currently a garage on the property. The Unified Development Code states that a single family home is allowed on a Agriculturally zoned property if it is ten acres or more however because the subject property is five acres the applicant is required to rezone to a residential zoning designation.

Mr. Brooks went on to state that the adjacent use were; to the North is PD-63 which is Somerset Park who are in the beginning process of construction currently and also to the West is Somerset Park. To the east there is another tract of land that is zoned Agricultural as well as more Single Family Home Estates 2.0 properties. To the South is FM-549 which is identified as a Minor Collector and beyond that there is a Commercial tract. In addition the Master Thoroughfare Plan shows a re-alignment of FM-549 beginning just east of the subject property and connecting to FM-549 on the west at the intersection of FM-549 and SH 205.

Mr. Brooks went on to state that while the request is discretionary to City Council and the Planning and Zoning Commission, it does conform to the Future Land Use Map which designates the subject property for Low Density Residential land uses, which is defined as less than two single-family units per acre.

Mr. Brooks further stated that on March 29, 2017, staff mailed eleven notices to property owners within 500-feet of the subject property and also notified the Oaks of Buffalo Way HOA, which is

the only HOA within 1,500-feet of the subject property and staff has not received any notices returned. Mr. Brooks advised that both the applicant and staff are available for questions.

Chairman Lyons asked for questions from the Commission for staff.

Commissioner Trowbridge asked if the property to the south would be Commercial. Mr. Brooks stated that was correct. Commissioner Trowbridge asked what the land to the East of the SFE-2.0 was. Mr. Miller stated that was Phase II of the Somerset Park subdivision.

Commissioner Trowbridge asked concerning a manmade dam that is holding water north of the site and general discussion took place with reference to that question.

Commissioner Logan asked if they are re-aligning FM549 to line up with 549 on the southwest side of SH-205. Mr. Brooks stated that was correct. Commissioner Logan asked if the old intersection would be abandoned, Mr. Brooks stated it would not be abandoned because there are currently homes along the road.

Chairman Lyons opened up the public hearing and asked if anyone wished to speak to come forward and do so, there being no one indicating such Chairman Lyons closed the public hearing and brought the item back before the Commission for discussion or a motion.

Chairman Lyons made a motion to approve Z2017-012 with staff recommendations. Commissioner Chodun seconded the motion which passed by a vote of 5-0, with Commissioner Moeller absent and one vacant seat.

IV. DISCUSSION ITEMS

6. Director's Report of post Council meeting outcomes of Planning & Zoning cases.

- ✓ P2017-008: Lots 1 & 2, Block A, Wilck Addition [*Approved*]
- ✓ P2017-012: Lots 1-4, Block A, Lakeshore Commons Addition [*Approved*]
- ✓ P2017-013: Lot 1, Block A, Rockwall-CCA Addition [*Approved*]
- ✓ Z2017-005: Amendment to PD-50 (*1st Reading*) [*Approved*]
- ✓ Z2017-006: SUP for 506 N. Goliad Street (*1st Reading*) [*Approved*]
- ✓ Z2017-007: Zoning Change for the Gideon Property (AG to PD) (*1st Reading*) [*Approved*]
- ✓ Z2017-008: SUP for 2260 E. IH-30 (*1st Reading*) [*Approved*]

Planning Director, Ryan Miller, provided a brief update about the outcome of the above referenced case at the City Council meeting. Mr. Miller noted there was a typo on the agenda pertaining to the Gideon Property (Z2017-007) that agenda item was tabled by the City Council in order to give the applicant time to address Council's comments and that item is scheduled to come back to Council at the April 17th meeting. Mr. Miller also advised the Commission that there would be an Open House meeting for the work that has been done with the IH-30 Corridor study and welcomed the Commission to attend.

V. ADJOURNMENT

Chairman Lyons adjourned the meeting at 6:33 p.m.

PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF ROCKWALL, Texas, this _____ day of _____, 2017.

_____
Johnny Lyons, Chairman

Attest:

_____
Laura Morales, Planning Coordinator

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 04/25/2017

APPLICANT: Drew Cunningham; *Mountainprize, Inc*.

AGENDA ITEM: **P2017-019;** *Lots 3 & 4, Block A, Woods at Rockwall Addition*

SUMMARY:

Discuss and consider a request by Drew Cunningham of Mountainprize, Inc. for the approval of a replat for Lots 3 & 4, Block A, Woods at Rockwall Addition being a 4.47-acre tract of land currently identified as Lots 1R & 2R, Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southeast corner of the intersection of Ridge Road and Yellow Jacket Lane, and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of the request is to replat two (2) parcels of land *[Lots 1R & 2R of the Woods at Rockwall Addition*] for the purpose of abandoning and establishing the necessary firelane and drainage, public access, and utility easements for the development of a retail store with gasoline sales.

- ☑ On April 15, 2013, the City Council approved a Specific Use Permit (SUP) to allow for a retail store with gasoline sales. With the SUP application, the applicant also submitted a Traffic Impact Analysis (TIA). On April 30, 2013, the Planning and Zoning Commission approved a site plan [*SP2013-002*] for a convenience store and fuel center on the subject property. On December 8, 2015, the Planning and Zoning Commission approved an amended site plan [*SP2018-018*] changing the building elevations. On December 21, 2015, the City Council approved a variance to the secondary material requirements.

- ☑ On May 6, 2013, the City Council approved an Alternative Plan for Tree Mitigation requiring the applicant to pat $225,000 to the City's Tree Fund. This amount will be collected at the time this final plat is submitted for filing.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to approve the *replat* for *Lots 3 and 4, Block A, Woods at Rockwall Addition,* staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL
CITY OF ROCKWALL

That, Mountainprize, Inc. and Russell Frank, do hereby adopt this plat designating the hereinabove described property as **REPLAT WOODS AT ROCKWALL ADDITION, LOT 3 AND LOT 4, BLOCK A**, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown for the purposes and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the REPLAT WOODS AT ROCKWALL ADDITION, LOT 1R, BLOCK A, subdivision have been notified and sighed this plat.

I understand and do hereby reserve the easements strips shown on this plat for the purposes stated and for the mutual use accommodation of all utilities desiring to use or using same. I also understand the following:

1. No buildings shall be constructed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any building, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance, or efficiency of their respective system on any of these easement strips, and any public utility shall at all times have the right to ingress or egress to, from and upon the said easement strips for the purpose of construction, reconstructing, inspecting, patrolling, maintaining, and either adding to or removing all or part of the respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bears total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall;
7. The property owner is responsible for maintenance, repair, and replacement of all detention and drainage system.

Until an escrow deposit sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the developer and/or owner as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence or work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; Our successors and assigns hereby waive any claim, damage, or cause of action the We may have as a result of the dedication of exactions made herein.

REVISED 04/11/2017

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 04/25/2017

APPLICANT: Greg T. Halsel; *Spiars Engineering*

AGENDA ITEM: **P2017-024;** *Lots 26 & 27, Block E, The Preserve Phase 1 Addition*

SUMMARY:

Discuss and consider a request by Greg T. Helsel of Spiars Engineering on behalf of Will Shaddock of Master Developers – SNB, LLC for the approval of a replat for Lots 26 & 27, Block E, The Preserve, Phase 1 Addition, being a 0.736-acre tract of land currently identified as Lots 20 & 21, Block E, The Preserve, Phase 1 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 41 (PD-41), located northwest of the terminus of Wildwood Lane and Cooper Court, and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of the request is to replat two (2) parcels of land *[Lots 20 & 21, Block E, The Preserve Phase 1 Addition*] for the purpose of establishing the necessary easements and the FEMA Floodplain line per *LOMR Case No. 17-06-0142P*.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to approve the *replat* for *Lots 26 & 27, Block E, The Preserve, Phase 1 Addition,* staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

P2017-024 The Preserve, Phase I Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Greg T. Helsel of Spiars Engineering on behalf of Will Shaddock of Master Developers – SNB, LLC for the approval of a replat for Lots 26 & 27, Block E, The Preserve, Phase 1 Addition, being a 0.736-acre tract of land currently identified as Lots 20 & 21, Block E, The Preserve, Phase 1 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 41 (PD-41), located northwest of the terminus of Wildwood Lane and Cooper Court, and take any action necessary.
I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
M.3 For reference, include the case number (P2017-024) in the lower right hand corner of all pages on future submittals.
M.4 Please show 25-foot setback on both lots
M.5 Please change Lot 20R and Lot 21R to Lot 26 and Lot 27 respectively.
M.6. Please indicate number of lots in the title block
M.7 Please check the legal description. It doesn't seem to follow the curve table.
M.8. Please use the Standard Plat Wording as depicted in the Development Application.
I.9 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by May 2, 2017. The Planning & Zoning date for this case will be April 25, 2017.
I.10 The projected City Council meeting date and subsequent approval for this plat is May 1, 2017

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 04/25/2017

APPLICANT: Susan Gamez; *EveryBody Massage*

AGENDA ITEM: **SP2017-015**; *Site Plan for 2001 Ridge Road*

SUMMARY:

Discuss and consider a request by Susan Gamez for the approval of a site plan for a Massage Therapist [*EveryBody Massage*] on a 0.478-acre tract of land identified as Tract 7 of the D. Atkins Survey, Abstract No. 1, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the Scenic Overlay (SOV) District, addressed as 2001 Ridge Road, and take any action necessary.

BACKGROUND AND PURPOSE:

The subject property is a 0.478-acre tract of land identified as 2001 Ridge Road, which is accessible off Ridge Road via Old County Road. The subject property was annexed into the City on September 26, 1960 by *Case No. A1960-004* (*Ordinance No. 60-04*), and was rezoned from an Agricultural (AG) District to a Residential Office (RO) District on October 3, 2016 by *Case No. Z2016-028* (*Ordinance No. 16-55*). Currently, an existing single-family home is situated on the subject property. The applicant is requesting to change the use of the existing single-family home to a *Massage Therapist* office (*i.e. EveryBody Massage*).

DENSITY AND DIMENSIONAL REQUIREMENTS:

The proposed *Massage Therapist* office will be situated within the existing 1,775 SF single-family home. In addition to the single-family home, the property also has an existing 484 SF attached garage and a 180 SF covered porch. The proposed land use, *Massage Therapist*, is a permitted *by-right* land use in the Residential-Office (RO) District and does not require any additional approvals by the Planning and Zoning Commission or City Council. According to Article VI, *Parking and Loading*, of the Unified Development Code, the proposed land use requires a minimum of one (1) parking space per 300 SF of building area. In this case, this translates to six (6) parking spaces (*i.e. 1,775 SF/300 SF = 5.9167 Parking Spaces*). The applicant's site plan currently indicates 12 parking spaces will be provided. In addition, the site plan shows a 24-foot cross access easement will be provided to service the properties north of the subject property. Staff has requested an updated site plan with the parking areas drawn to scale; however, the site plan does appear to meet all the technical requirements of the UDC.

ARCHITECTURAL REVIEW BOARD (ARB):

This property, being in the Scenic Overlay (SOV) District, technically requires a review by the Architectural Review Board (ARB) prior to consideration by the Planning and Zoning Commission. With this being said, the applicant is not proposing any changes to the exterior of the building, and as a result staff has placed this on the ARB's consent agenda for the April 25, 2017.

RECOMMENDATIONS:

If the Planning & Zoning Commission chooses to approve the applicant's request then staff would recommend the following conditions of approval:

1) All comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit; and,

2) Any construction or building necessary to complete the *Site Plan* request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

SP2017-015 (Site Plan for 2001 Ridge Road): Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 This is a request for the approval of a site plan for a Massage Therapist [EveryBody Massage] on a 0.478-acre tract of land identified as Tract 7 of the D. Atkins Survey, Abstract No. 1, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the Scenic Overlay (SOV) District, and addressed as 2001 Ridge Road.
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (SP2017-015) in the lower right hand corner of all pages on future submittals.
I.4 This property will be required to be replated prior to the issuance of a Certificate of Occupancy (CO).
M.5 The site plan will need to be redrawn showing the parking areas drawn to scale. This will need to be resubmitted prior to approving a Certificate of Occupancy (CO).
I.6 The Architectural Review Board (ARB) meeting for this case will be held on April 25, 2017; however, it will be on the consent agenda and will not require a representative to be at the meeting.
I.7 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested as soon as possible to give staff ample time to review the case prior to the April 25, 2017 Planning & Zoning Meeting.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 04/25/2017

APPLICANT: Cameron Slown, *FC Cuny Corporation*

AGENDA ITEM: **Z2017-009**; SUP for *New Car Dealership*

SUMMARY:

Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (SUP) for a *Motor Vehicle Dealership, New (Cars and Light Trucks)* in a Light Industrial (LI) District for a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1415 & 1501 E. IH-30, and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant is requesting the approval of a Specific Use Permit (SUP) to allow for a *Motor Vehicle Dealership, New* in a Light Industrial (LI) District on a 4.86-acre tract of land adjacent to IH-30 and located at 1415 & 1501 E. IH-30. This site is located within the IH-30 Overlay (IH-30 OV), which includes additional standards for architecture and landscaping. The applicant has provided a concept site plan indicating the building and parking layouts for the proposed development, and a conceptual perspective of the building elevations. In addition, the applicant has provided a concept plan for the proposed parking deck. The *New Car Dealership* proposed for the 4.86-acre subject property will be a Subaru franchise. The dealership will include an approximately 28,000 square foot showroom facility and service area.

At the Planning and Zoning work session held on March 28th the applicant had submitted a previous plan proposing to place a parking garage on the site. This was due to the floodplain located along the western portion of the site. To alleviate this constraint, the applicant is proposing to incorporate a parking deck that will be anchored and suspended over the flood plain (*see attached cross section*). The ability to provide the parking deck over the floodplain will require approval from the Engineering Department and must meet all federal standards and requirements prior to building the structure. If approved the project requires a full site plan review, which will include building elevation, landscape, treescape, and photometric plans. Since the property is located within the IH-30 Overlay (OV) District, the Architectural Review Board will review the building elevations with the site plan.

Provided in your packet is a letter from the applicant requesting the SUP, a legal description, an exhibit depicting the proposed boundary and layout of the development, a conceptual plan for the proposed parking deck, color building perspectives and a rendering.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 37.487-acre vacant tract of land zoned Light Industrial (LI) District.

South: Directly south of and adjacent the subject property is IH-30. Across from IH-30 is the Bodin Industrial Addition which contains several industrial users and is zoned Light Industrial (LI) District.

East: Directly east of the subject property are two (2) vacant tracts of land zoned Light Industrial (LI) District. East of this is a 1.4742-acre tract of land currently occupied by North Texas Appliance and is zoned Light Industrial (LI) District.

West: Directly west of the subject property is a 1.643-acre tract of land zoned Commercial (C) District and occupied by the Church of Christ.

NOTIFICATION:

On March 29, 2017, staff mailed 28 notices to property owners and residents within 500-feet of the subject property. There are no HOA's/Neighborhood Associations that are within 1,500-feet of the *subject property* participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the *subject property*, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted staff has received three (3) responses in favor of the applicant's request.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to recommend approval of the applicant's request for a Specific Use Permit (SUP) to allow a *Motor Vehicle Dealership, New* on the *subject property* then staff would offer the following conditions of approval. Based on the submittal this request will be subject to the following:

1) Used vehicles may only be sold as an ancillary use to new vehicle sales.

2) All outside display of vehicles must be on an approved concrete, or enhanced concrete surface.

3) All vehicle display areas must meet the landscape standards for parking areas.

4) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

IH-30, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 03.20.2017

All staff comments are to be addressed and resubmitted by Tuesday, April 4, 2017. Please provide two copies and one PDF version for a subsequent review by staff (i necessary):

• On all future plan submittals please include the Case Number (Z2017-009) in the lower right hand corner.

Planning Staff General Comments/Conditions of SUP:

1. The SUP is for the proposed land use only (i.e. "Motor Vehicle Dealership, New").
2. Future site plan submittal and approval shall be required. Since the project is located within the IH-30 OV and the 205 BY-OV districts, a review from the Architectural Review Board is required with their recommendation forwarded to the Planning and Zoning Commission.
3. Any variance to the IH-30 OV District or any other section of the Unified Development Code shall be considered at the time of site plan approval.
4. Submittal and approval of engineering plans and final plat shall be completed prior to the issuance of a building permit. Final Plat shall be filed prior to issuance of a Certificate of Occupancy (CO).
5. Do you have (conceptual) elevations for the new car dealership and parking garage?
6. How many levels will the parking garage be?
7. What is the overall height of the parking garage?
8. If approved, the development shall generally conform the the Concept Plan as depictedin the SUP ordinance.
9. The SUP shall expire if development has not commenced within one (1) year from the approval date of the SUP ordinance.

According to the UDC, Art. IV, Sec. 2.1.8 Auto and Marine Related Uses anrequest for a motor vehicle dealership must meet the following standards:

Motor vehicle dealerships (new and used).

1. Used vehicles may only be sold as an ancillary use to new vehicle sales.

2. All outside display of vehicles must be on an approved concrete, or enhanced concrete surface.

3. All vehicle display areas must meet the landscape standards for parking areas.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the Site Plan. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: March 28, 2017 (6:00p.m.) [applicant to present case to P&Z for discussion].

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks
Planning - Public Hearing: April 11, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)							
City Council - Pulblic Hearing: April 17, 2017 (6:00 p.m.) [1st Reading of SUP Ordinance]							
City Council - Action Item: May 1, 2017 (6:00 p.m.) [2nd Reading of SUP Ordinance (if approved at 1st reading)]

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2017-009: SUP for Car Dealership

Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (SUP) for a Motor Vehicle Dealership, New (Cars and Light Trucks) in a Light Industrial (LI) District for a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 1415 & 1501 E. IH-30, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 4/11/2017 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 4/17/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **4/17/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

SPECIFIC USE PERMIT NO. S-1XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A *MOTOR VEHICLE DEALERSHIP, NEW* (*CARS AND LIGHT TRUCKS*) ON A PROPERTY ZONED LIGHT INDUSTRICAL (LI) DISTRICT, AND WITHIN THE IH-30 OVERLAY (IH-30 OV) DISTRICT, FOR A 4.86-ACRE TRACT OF LAND IDENTIFIED AS TRACT 5 OF THE N. M. BALLARD SURVEY, ABSTRACT NO. 99, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE, PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Cameron Slown of FC Cuny Corporation on behalf of Randall Noe of Rockwall Rental Properties, LP for the approval of a Specific Use Permit (*SUP*) to allow for a *Motor Vehicle Dealership, New* (*Cars and Light Trucks*) on a 4.86-acre tract of land identified as Tract 5 of the N. M. Ballard Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the *IH-30 Overlay* (*IH-30 OV*) *District*, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Motor Vehicle Dealership, New* (C*ars and Light Trucks*) within the *Light Industrial (LI) District* as stipulated by Section 2.1.8, *Auto and Marine-Related Use Conditions* for a *Motor Vehicle Dealership, New,* of Article IV*, Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (*SUP*) ordinance, and as stipulated by Section 5.1, *General Industrial District Standards*, Section 5.3, *Light Industrial (LI) District*, of Article V, *District Development Standards*, and Section 2.1.8, *Auto and Marine-Related Use Conditions* for a *Motor Vehicle Dealership, New,* of Article IV*, Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*]

as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a *Motor Vehicle Dealership, New (Cars and Light Trucks*) on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) That the development of this property shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance; and,

2) That used vehicles may only be sold as an ancillary use to the *Motor Vehicle Dealership, New (Cars and Light Trucks*) as established in this ordinance; and,

3) All outside display of vehicles must be on an approved concrete, or enhanced concrete surface; and,

4) All vehicle display areas must meet the landscape standards for parking areas.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

SECTION 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 15TH DAY OF MAY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Ashberry, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

Z2017-013 SUP for 2180 Airport Road Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Hold a public hearing to discuss and consider a request by Andrew Spearman for the approval of a Specific Use Permit (SUP) to allow for an accessory building that does not meet the minimum requirements as stipulated by Article IV, Permissible Uses, of the Unified Development Code for a 3.128-acre tract of land identified as Tract 25 of the E. M. Elliott Survey, Abstract No. 77, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 1.5 (SFE-1.5) District, situated within the FM-549 Overlay (FM-549 OV) District, addressed as 2180 Airport Road, and take any action necessary.I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
M.2 For reference, include the case number (Z2017-013) in the lower right hand corner of all pages on future submittals.
I.3 The Planning & Zoning Worksession date for this case will be April 25, 2017. The Planning and Zoning Meeting will be May 9, 2017
I.10 The projected City Council meeting date and subsequent approval for this SUP is May 15, 2017 [First Reading] and June 5, 2017 [Second Reading.]

DESCRIPTION

All that certain lot, tract or parcel of land situated in the E.M. ELLIOTT SURVEY, ABSTRACT NO. 77, City of Rockwall, Rockwall County, Texas, and being a part of a 3.51 acres tract of land as described in a Warranty deed from John Stanley Springer to Mahlon A. Spearman and Shelly R. Spearman, dated April 29, 2002 and being recorded in Volume 2514, Page 23 of the Real Property Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner in the south right-of-way line Airport Road at its intersection with the west right-of-way line of F.M. Highway 3549, said point being at the southeast corner of a 0.382 acres tract of land as described in a Warranty deed to the City of Rockwall, Texas, as recorded in Volume 6311, Page 176 of the Official Public Records of Rockwall County, Texas, and being in the east boundary of said 3.51 acres tract;

THENCE S. 00 deg. 57 min. 08 sec. E. along said right-of-way line, a distance of 330.32 feet to a 1/2" iron rod found for corner in the north right-of-way line of M.K. & T. Railroad;

THENCE S. 88 deg. 28 min. 46 sec. W. along said north right-of-way line of M.K. & T. Railroad, a distance of 484.42 feet to a 1/2" iron rod found for corner;

THENCE N. 00 deg. 55 min. 47 sec. E. a distance of 34.67 feet to a 1/2" iron rod found for corner;

THENCE N. 86 deg. 13 min. 01 sec. E. a distance of 114.17 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner;

THENCE N. 00 deg. 19 min. 52 sec. W. a distance of 327.91 feet to a 1/2" iron rod found for corner in the south right-of-way line of Airport Road;

THENCE along the south right-of-way line of Airport Road the following:

N. 89 deg. 26 min. 31 sec. E. a distance of 231.13 feet to a 1/2" iron rod found for corner;

In an easterly direction along a curve to the right having a central angle of 10 deg. 00 min. 36 sec., a radius of 165.00 feet, a tangent of 14.45 feet, a chord of S. 85 deg. 51 min. 42 sec. E., 28.79 feet, and an arc distance of 28.83 feet to a 1/2" iron rod found for corner;

In an easterly direction along a curve to the left having a central angle of 09 deg. 42 min. 51 sec., a radius of 185.00 feet, a tangent of 15.72 feet, a chord of S. 84 deg. 43 min. 27 sec. E., 31.33 feet, and an arc distance of 31.37 feet to a 1/2" iron rod found for corner;

N. 89 deg. 26 min. 31 sec. E. a distance of 49.69 feet to a 1/2" iron rod found for corner;

S. 45 deg. 47 min. 56 sec. E. a distance of 35.50 feet to the POINT OF BEGINNING and containing 3.15 acres of land.

NOTES

1) According to F.E.M.A. Flood Insurance Rate Map, Community Panel No. 48397C0045 L dated Sept. 26, 2008, this property lies in Zone X. This property does not appear to lie within a 100-year flood plain.

2) BEARING SOURCE: RECORDED DEED IN VOL. 2514, PG. 23, R.P.R.R.C.T.

3) ALL 1/2" IRS ARE CAPPED WITH YELLOW PLASTIC CAPS "R.S.C.I. RPLS 5034."

SURVEYOR'S CERTIFICATE

I, Harold D. Fetty, III, Registered Professional Land Surveyor No. 5034, do hereby certify that the above plat of the property surveyed for RANGER TITLE COMPANY, TITLE RESOURCES GUARANTY COMPANY, ALLIANCE BANK, ANDREW SPEARMAN and SHELLY SPEARMAN at 2180 AIRPORT ROAD, Rockwall, Rockwall County,Texas, is the result of a careful collection of the best evidence available to me and my opinion is based on the facts as found at the time of survey. This survey meets the requirements of the Minimum Standards of Practice as approved and published by the Texas Board of Professional Land Surveying, effective September 1, 1992 and subsequent revisions, and the same was surveyed under my supervision on the ground this the 23rd day of December, 2015.

Legal Description

All that certain lot, tract or parcel of land situated in the E.M. ELLIOTT SURVEY. ABSTRACT NO. 77, City of Rockwall, Rockwall County, Texas, and being a part of a 3.51 acres tract of land as described in a Warranty deed from John Stanley Springer to Mahlon A Spearman and Shelly R. Spearman, dated April 29, 2002 and being recorded in Volume 2514, Page 23 of the Real Property Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner In the south right-of-way line Airport Road at Its intersection with the west right-of-way line of F.M. Highway 3549, said point being at the southeast corner of a 0.382 acres tract of land as described In a Warranty deed to the City of Rockwall, Texas, as recorded in Volume 6311, Page 176 of the Official Public Records of Rockwall County. Texas, and being in the east boundary of said 3.51 acres tract;

THENCE S. 00 deg. 57 min. 08 sec. E. along said right-of-way line, a distance of 330.32 feet to a 1/2" iron rod found for corner in the north right-of-way line of M.K. & T. Railroad;

THENCE S. 88 deg. 28 min. 46 sec. W. along said north right-of-way line of M.K. & T. Railroad, a distance of 484.42 feet to a 1/2" iron rod found for corner;

THENCE N. 00 deg. 55 min. 47 sec. E. a distance of 34 67 feet to a 1/2" iron rod found for corner;

THENCE N. 86 deg. 13 min. 01 sec. E. a distance of 114.17 feet to a 1/2" Iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner;

THENCE N. 00 deg. 19 min. 52 sec. W. a distance of 327.91 feet to a 1/2" iron rod found for corner in the south right-of-way line of Airport Road;

THENCE along the south right-of-way line of Airport Road the following:

N. 89 deg. 26 min. 31 sec. E. a distance of 231 .13 feet to a 1/2" iron rod found for corner;

In an easterly direction along a curve to the right having a central angle of 10 deg. 00 min. 36 sec., a radius of 165.00 feet, a tangent of 14.45 feet, a chord of S. 85 deg. 51 min. 42 sec. E., 28.79 feet, and an arc distance of 28.83 feet to a 1/2" iron rod found for corner;

In an easterly direction along a curve to the left having a central angle of 09 deg. 42 min. 51 sec., a radius of 185.00 feet, a tangent of 15.72 feet, a chord of S. 84 deg. 43 min. 27 sec. E., 31.33 feet, and an arc distance of 31 .37 feet to a 1/2" Iron rod found for corner;

N. 89 deg. 26 min. 31 sec. E. a distance of 49.69 feet to a 1/2" iron rod found for corner;

S. 45 deg. 47 min. 56 sec. E. a distance of 35.50 feet to the POINT OF BEGINNING and containing 3.15 acres of land.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR AN ACCESSORY BUILDING THAT DOES NOT MEET THE MINIMUM REQUIREMENTS ON A 3.128-ACRE TRACT OF LAND ZONED SINGLE FAMILY ESTATE 1.5 (SFE-1.5) AND IDENTIFIED AS TRACT 25 OF THE E.M. ELLIOTT SURVEY, ABSTRACT NO 77, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Andrew Spearman for the approval for a Specific Use Permit (SUP) for the purpose constructing an accessory building that does not meet the minimum masonry requirements and exceed the maximum size requirements as stipulated in the Unified Development Code (UDC), situated on 3.128-acre tract of land, zoned Single Family Estate 1.5 (SFE-1.5) District, and being identified as Tract 25 of the E.M. Elliott Survey Abstract No. 77, City of Rockwall, Rockwall County, Texas, addressed as 2180 Airport Road, and being more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for the establishment of a metal accessory building that does not conform to the minimum masonry requirements and maximum size requirements for accessory buildings in a Single Family Estate 1.5 (SFE-1.5) District as stipulated by *Section 2.1* of *Article IV, Permissible Uses,* and *Section 3.2* of *Article V, District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as specifically set forth in *Section 3.2, Single-Family Estate (SFE 1.5) District,* of *Article V, District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by the granting of this zoning change, and as my be amended in the future, and

EXHIBIT A ORDINANCE 05.08.17

shall be subject to the additional following conditions:

1) The accessory building shall generally conform to the approved site plan depicted in *Exhibit 'B'* of this ordinance.

2) The accessory building shall not exceed a maximum size of 1,800 square feet.

3) The accessory building shall not exceed a maximum overall height of 15-feet.

4) The subject property shall have no more than two (2) accessory buildings.

5) The accessory building is subject to administrative review in the event that the *Subject Property* is sold, conveyed or altered in any manner.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* (*$2,000.00*) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 5th DAY OF JUNE, 2017.

_____
Jim Pruitt, *Mayor*

Z2017-014 (SUP for 901 N. Goliad Street): Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 This is a request for the approval of a Specific Use Permit (SUP) for an Animal Clinic for Small Animals in Planned Development District 50 (PD-50) for a one (1) acre parcel of land identified as Block 26 of the Gardner Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, and addressed as 901 N. Goliad Street [SH-205].
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (Z2017-014) in the lower right hand corner of all pages on future submittals.
I.4 Please review the attached Draft Ordinance prior to the April 25, 2017 Planning and Zoning Commission work session.
I.5 This property will require a site plan that shall be reviewed by the City's Historic Preservation Advisory Board (HPAB) and Architectural Review Board (ARB) prior to consideration by the Planning and Zoning Commission.
I.6 This property will be required to be replated prior to the issuance of a Building Permit.
I.7 A cross access easement extending from Heath Street to the property directly northeast of the subject property shall be required in accordance with the requirements of Planned Development District 50 (PD-50) and the North Goliad Access Plan. This should be depicted on the site plan with the site plan submittal.
I.8 Screening of the parking areas from the properties along Alamo Street shall be required. This will be shown on the Landscape Plan at the time of site plan submittal.
I.9 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on May 2, 2017; however, it is encouraged for applicants to submit revisions as soon as possible to give staff ample time to review the case prior to the May 9, 2017 Planning & Zoning Meeting.
I.10 The projected City Council meeting dates for this case will be May 15, 2017 [1st Reading] & June 5, 2017 [2nd Reading].

Letter of Intent for Special Use Permit (SUP): 901 North Goliad Rockwall, TX 75087

To whom it may concern:

J. A. Greene Construction Services, is submitting this Letter of Intent for a Special Use Permit (SUP) on behalf of the owner, and of a potential buyer, of 901 N. Goliad, with the intent to have the lot be considered for approval of a SUP.

901 N. Goliad (Garner, Block ALL 26) at the cross streets of N. Goliad (Hwy 205) and Heath St. is a 1.0 acre (43,560 square foot) vacant lot. This lot is currently located in PD-50 and approved for rezoning to allow the use of small animal clinics. We are seeking approval for a SUP to develop a 4,000-square foot veterinary clinic. The clinic will serve small animals only (domestic pets, not large livestock), will have no outside kennels, and will not provide boarding except related to medical care.

Please let us know if you would like any more information or have questions about the application.

Sincerely,

Paul Wendel

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

SPECIFIC USE PERMIT NO. S-1XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS HERETOFORE AMENDED, SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A SPECIFIC USE PERMIT (SUP) FOR AN *ANIMAL CLINIC FOR SMALL ANIMALS* IN PLANNED DEVELOPMENT DISTRICT 50 (PD-50) ON A ONE (1) ACRE PARCEL OF LAND, ADDRESSED AS 901 N. GOLIAD STREET, AND DESCRIBED AS BLOCK 26 OF THE GARDNER ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Dr. Josh Cope of *Premiere Vet Care Animal Clinic* on behalf of the owner, David Falls, for a Specific Use Permit (SUP) allowing an *Animal Clinic for Small Animals* on a one (1) acre parcel of land zoned Planned Development District 50 (PD-50), situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 901 N. Goliad Street [*SH-205*] and identified as Block 26 of the Gardner Addition, City of Rockwall, Rockwall County, Texas and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that Planned Development District 50 (PD-50) [*Ordinance No. 17-19*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing an *Animal Clinic for Small Animals* within a Planned Development District 50 (PD-50) as stipulated by *Ordinance No. 17-19*, and Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as set forth in Planned Development District 50 (PD-50) [*Ordinance No. 16-15*] and Sections 4.2, *Residential*

PRELIMINARY DRAFT 04.25.2017

Office (RO) District, and 6.2-1, *North Goliad Corridor Overlay (NGC OV) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of an *Animal Clinic for Small Animals* with outside storage of automobiles on the subject property at 901 N. Goliad Street [*SH-205*] and conformance to these stipulations are required for continued operations:

1) All development must generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance, which shall be incorporated herein by reference.

2) The site plan for the subject property shall be subject to review by the City's Historic Preservation Advisory Board (HPAB) and Architectural Review Board (ARB) prior to consideration for approval by the Planning and Zoning Commission.

3) All parking will need to be screened from the residential properties along Alamo Street.

4) The operation of this site shall conform to all federal, state and local standards and comply with the requirements of Section 2.2, *Compliance Standards*, of this ordinance.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

SECTION 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or

DRAFT ORDINANCE 04.25.17

circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 5TH DAY OF JUNE, 2017.

Jim Pruitt, *Mayor*

Hold a public hearing to discuss and consider a request by Matt King on behalf of Archie Underwood for the approval of a Specific Use Permit (SUP) for a Motel in a Commercial (C) District for a 1.345-acre parcel of land identified as Lakeside Batting Park Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 801B E. IH-30, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 04.19.2017

All staff comments are to be addressed and resubmitted by Tuesday, May 2, 2017. Please provide two copies and one PDF version for a subsequent review by staff (if necessary):

• On all future plan submittals please include the Case Number (Z2017-0015) in the lower right hand corner.

Planning Staff General Comments/Conditions of SUP:

1. The SUP is for the proposed land use as a Hotel.
2. Future site plan submittal and approval shall be required if the SUP is granted. Since the project is located within the IH-30 OV district, the development is required to meet the standards as established and a review by the Architectural Review Board is required with their recommendation forwarded to the Planning and Zoning Commission.
3. Any variance to the IH-30 OV District or any other section of the Unified Development Code shall be considered at the time of site plan approval.
4. Submittal and approval of engineering plans and final plat shall be completed prior to the issuance of a building permit. Final Plat shall be filed prior to issuance of a Certificate of Occupancy (CO).
5. Will any of the units be used as an extended stay room(s) (i.e. have kitchen type facilities, external doorways, etc.)?
6. Remove the label and arrow "To I-30" on the concept plan. Not platted as an access easement.
7. Primary frontage along Ralph Hall Court - provide label for street frontage.
8. New address to be assisgned based on proximity to Ralph Hall Court and public safey.
9. If approved, the development shall generally conform the the Concept Plan as depicted in the SUP ordinance.
10. The SUP shall expire if development has not commenced within one (1) year from the approval date of the SUP ordinance.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the SUP. All meeting will be held in the City's Council Chambers and begin at 6:00 p.m. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: April 25, 2017 (6:00p.m.) [Applicant to present case to P&Z for discussion].

Planning - Public Hearing: May 9, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, or deny)

City Council - Pulblic Hearing: May 15, 2017 (6:00 p.m.) [1st Reading of SUP Ordinance]

City Council - Action Item: June 5, 2017 (6:00 p.m.) [2nd Reading of SUP Ordinance (if approved at 1st reading)]

Hold a public hearing to discuss and consider a request by Dan Claassen of Business Parks of America II, LLC on behalf of the owner Randall Noe of Rockwall Rental Properties, LP for the approval of a zoning change from a Commercial (C) District to a Light Industrial (LI) District for 3.287-acre tract of land identified as Tract 3-01 [2.182-acres] & Tract 3-2 [1.087-acres] of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the northwest corner of the intersection of Enterprise Drive and the IH-30 Frontage Road, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 04.19.2017

All staff comments are to be addressed and resubmitted by Tuesday, May 2, 2017. Please provide two copies and one PDF version for a subsequent review by staff (if necessary):

• On all future plan submittals please include the Case Number (Z2017-0016 in the lower right hand corner.

* The Future Land Use Map contained within the Comprehensive Plan currently identifies this property as being designated for Commercial land uses. The proposed use requires the City Council to amend the Future Land Use Map to reflect a Technology/Light Industrial land use designation. This will be a condition of approval.

Planning Staff General Comments for zoning change request:

1. The Future Land Use Map contained within the Comprehensive Plan currently identifies this property as being designated for Commercial land uses. The proposed use requires the City Council to amend the Future Land Use Map to reflect a Technology/Light Industrial land use designation. This will be a condition of approval.
2. If approved, future site plan submittal and approval shall be required.
3. Any variance(s) to the IH-30 OV District or any other section of the Unified Development Code (UDC) shall be considered at the time of site plan approval.
4. Submittal and approval of engineering plans and a final plat shall be completed prior to the issuance of a building permit.
5. A final Plat shall be filed with Rockwall County prior to issuance of a Certificate of Occupancy (CO).

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the SUP. All meeting will be held in the City's Council Chambers and begin at 6:00 p.m. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: April 25, 2017

SUBJECT: Z2017-017; *Revocation of Ordinance No. 15-05 (SUP #131)*

On March 2, 2015, the City Council approved *Case No. Z2015-006* allowing a *New Motor Vehicle Dealership* and/or *Outside Storage* on a ten (10) acre tract of land addressed as 1530 E. IH-30. Approved with this request was the flexibility for the then owner -- *Young Hyundai* -- to pursue other brands for the purpose of establishing a *New Motor Vehicle Dealership* while continuing to use the property for the outside storage of motor vehicles in conjunction with the Hyundai Dealership at 1540 E. IH-30. As part of this request, the then applicant submitted a letter laying out the planned improvements for the property over a three (3) year period. These improvements and timelines are as follows:

1) *Phase One (12 Months).* Submit and receive approval for all civil drawings (*e.g. paving, drainage, utilities, and etcetera*). Complete all storm water/drainage and detention pond improvements.
2) *Phase Two (12 - 24 Months).* Complete all concrete paving improvements (*these improvements are shaded on the attached Concept Site Plan in the Ordinance 15-05*).
3) *Phase Three (24 - 36 Months).* Remodel the existing building façade (*the changes to the building façade are depicted in the attached Concept Building Elevations in Ordinance 15-05*).

In response to the phased approach taken by the applicant, staff prepared a Specific Use Permit (SUP) ordinance that set a review period of three (3) years from the approval date; however, an operational condition stating that the redevelopment of the subject property should generally be in conformance with the timelines established by the applicant (*as stated above*) was included in the ordinance. The ordinance was approved on March 2, 2015, giving the applicant until March 2, 2016 to complete *Phase One* of the project, which included all civil plans being submitted and the storm water/drainage and detention pond improvements fully constructed. While the civil plans were submitted on April 20, 2015 in compliance with the timeline, the detention pond was not completed until November 17, 2016 and the storm line was not completed until November 23, 2016. In addition, *Phase Two* improvements were to be completed on March 2, 2017. This included the completion of all concrete paving improvements on the property; however, no concrete paving improvements have commenced on the property.

The Rockwall Central Appraisal District (RCAD) shows that the subject property changed owners on March 27, 2017, and is currently owned by *1540 East IH-30 Rockwall, LLC*. Staff met with a representative of the new owner -- *Ed Hicks with Clay Cooley* -- on April 13, 2017, and conveyed to Mr. Hicks that the property was out of compliance. Mr. Hicks stated that he was unaware that the property was under a SUP, and that it would take 90 to 120 days to provide the paving required by the SUP. In addition, Mr. Hicks stated that he was looking at other brands for the property, but that they were more than 24 months away from identifying a brand. This information was conveyed to the City Council at the executive session meeting on

April 17, 2017, and staff received direction to proceed with the revocation of *Ordinance No. 15-05* under Section 4.4(3), *Revocation*, of Article IV, *Permissible Uses*, of the Unified Development Code (UDC). This section states the following:

> *Revocation. The City Council reserves the right to revoke or rescind any SUP in which the business, property or property owner operating under the guidelines of the SUP ordinance fails to meet the minimum operation requirements set forth in the SUP ordinance and/or outlined in the UDC or the Rockwall Municipal Code of Ordinances. The procedure for revocation or rescinding a SUP shall be the same procedure for requesting a new SUP.*

This section gives the City Council discretion with regard to the revocation of any SUP ordinance (*i.e. the authority to approve or deny the revocation of any SUP ordinance*). The process and dates for the revocation of this SUP ordinance is as follows:

> Planning and Zoning Commission (*Work Session*): April 25, 2017
> Planning and Zoning Commission (*Public Hearing*): May 9, 2017
> City Council (*Public Hearing/1st Reading*): May 15, 2017
> City Council (*2nd Reading*): June 5, 2017

Staff should note that if the City Council chooses to revoke the ordinance it will not prevent the applicant from resubmitting a SUP request for the subject property in the future. In the attached packet staff has included a full timeline of events concerning the subject property and a copy of the current SUP ordinance (i.e. *Ordinance No. 15-05*).

On April 20, 2017, the City Attorney sent a certified letter to the dealership at 1540 E. IH-30, which is the current ownership of the subject property according to RCAD. Staff has included a copy of this letter in the attached packet. Another copy of the letter was sent to the owner's address, which was listed on the Certificate of Occupancy (CO) application that was submitted on March 20, 2017. In addition, staff will send out notices to all property owners and residents within 500-feet of the subject property and notify all Homeowner Associations (HOA) and neighborhood groups within 1,500-feet of the subject property in accordance with the requirements of the UDC. Finally, staff will post a notice of the public hearings in the Rockwall Herald Banner in accordance with state and local law. Should the Planning and Zoning Commission have any questions concerning this case staff will be available to answer at the work session.

Exhibit 'A': Timeline

- ☑ *June 3, 2013:* Ordinance No. 13-13 (S-107) was approved by the City Council and allowed the outside storage of motor vehicles.

- ☑ *March 2, 2015:* Ordinance No. 15-05 (S-131) was approved by the City Council and allowed a *New Motor Vehicle Dealership* and/or *Outside Storage*. This ordinance also rescinded Ordinance No. 13-13 (S-107).

- ☑ *April 20, 2015:* Engineering plans were submitted to the Engineering Department. These plans were reviewed and the applicant was called to pick up the revisions on April 29, 2015. The applicant picked up the plans on April 29, 2015.

- ☑ *June 1, 2015:* The second set of engineering plans were submitted to the Engineering Department. These plans were reviewed and the applicant was called to pick up the revisions on June 12, 2015. The applicant picked up the plans on June 15, 2015.

- ☑ *March 1, 2016:* The third set of engineering plans were submitted to the Engineering Department. These plans were reviewed and the applicant was called to pick up the revisions on March 9, 2016. The applicant picked up the plans on March 10, 2016.

- ☑ *March 2, 2016: Phase One* to be completed. This included all stormwater/drainage and detention pond improvements. These improvements were not completed and the property was out of compliance with the SUP ordinance.

- ☑ *March 18, 2016:* The fourth set of engineering plans were submitted to the Engineering Department. These plans were reviewed and the applicant was called to pick up the revisions on March 21, 2016. The applicant picked up the plans on March 21, 2016.

- ☑ *April 1, 2016:* Conditional approval was granted until the off-site easements and TXDOT permit were approved.

- ☑ *June 5, 2016:* The TXDOT permit was approved.

- ☑ *June 8, 2016:* All off-site easements were filed.

- ☑ *July 8, 2016:* City staff held the pre-construction meeting with the applicant's general contractor.

- ☑ *July 18, 2016:* Work on the detention pond construction commenced.

- ☑ *November 17, 2016:* Detention pond construction finished and stormwater line construction commenced.

- ☑ *November 23, 2016:* Stormwater line construction finished.

- ☑ *December 5, 2016:* The removal and relocation of the driveway approach commenced.

- ☑ *January 19, 2017:* The removal and relocation of the driveway approach finished.

- ☑ *March 2, 2017: Phase Two* to be complete. This included all concrete paving improvements for the site. These improvements were not completed and the property remained out of compliance with the SUP ordinance.

- ☑ *March 20, 2017:* A Certificate of Occupancy (CO) was requested by Clay Cooley for 1540 E. IH-30.

- ☑ *March 27, 2017:* Rockwall Central Appraisal District (RCAD) shows a change of deed for the property from Gordon Rockwall Investments, LLC to 1540 East IH-30 Rockwall, LLC.

- ☑ *April 6, 2017:* Staff approved and released a 60 day temporary Certificate of Occupancy (CO) until the issues with the property at 1530 E. IH-30 had been resolved.

Re: CITY OF ROCKWALL ORDINANCE NO. 15-05 (SUP #131)

Dear Mr. Cooley:

This letter is to notify you that the City of Rockwall is commencing the process to revoke the Specific Use Permit (SUP) that was approved by the City of Rockwall on March 2, 2015 through Ordinance 15-05. The approved SUP had certain Operational Conditions with timelines that you were required to meet, and as of the date to the letter, you have failed to meet the timeline. Specifically, under Section 3.2 #5 of the SUP, the redevelopment was required to be generally in conformance with the timeline established in the applicant's letter, which states that the "concrete paving improvements will be completed within 24-months of receiving Council approved SUP." The date of approval of the SUP was March 2, 2015. While you did receive a permit in July 2016 for the paving, as of the date of this letter you have failed to complete the paving improvements.

The City outlines the process for revoking the SUP. Specifically, Article IV, Section 4.4 (3) of the Unified Development Code states:

> (3) **Revocation**. The City Council reserves the right to revoke or rescind any SUP in which the business, property or property owner operating under the guidelines of the SUP ordinance fails to meet the minimum operation requirements set forth in the Specific Use Permit (SUP) ordinance and/or outlined in the Unified Development Code or the Rockwall Municipal Code of Ordinances. **The procedure for revocation or rescinding a SUP shall be the same procedure for requesting a new SUP.** (Emphasis added).

Therefore, since the City must follow the same procedure for revocation of the SUP as for approval of a SUP, the City has the following tentative timeline for the revocation process:

P&Z Public Hearing: **May 9, 2017**
City Council Public Hearing & First Reading: **May 15, 2017**
City Council Second Reading: **June 5, 2017**

You have the right to attend the above meetings to state your position with regards to the revocation of the SUP. If you have any questions, please contact Ryan Miller or me at your convenience.

Sincerely,

Frank J. Garza
City Attorney

Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 15-05

SPECIFIC USE PERMIT NO. S-131

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT NO. S-107 TO ALLOW FOR A NEW MOTOR VEHICLE DEALERSHIP ON A TEN (10) ACRE TRACT OF LAND IDENTIFIED AS TRACTS 4 & 4-02 OF THE N. M. BALLARD SURVEY, ABSTRACT NO. 24, AND THE A. HANNA SURVEY, ABSTRACT NO. 99, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Zack Amick of Gordon Rockwall Investments, LLC on behalf of Keith Young for the purpose of amending Specific Use Permit No. 107 to allow a *New Motor Vehicle Dealership* on a ten (10) acre tract of land identified as Tracts 4 & 4-02 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located within the IH-30 Overlay (IH-30 OV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the enactment of this Specific Use Permit (SUP) Ordinance shall supersede all requirements stipulated in *Ordinance No. 13-13*;

SECTION 2. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the establishment of a *New Motor Vehicle Dealership* within a Light Industrial (LI) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*;

SECTION 3. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as stipulated by Section 2.1.10, *Distribution and Storage,* of Article IV, *Permissible* Uses; Section 5.1, *General Industrial District Standards*; Section 5.3, *Light Industrial (LI) District*, of Article IV, *District Development Standards*; Section 6.6, *IH-30 Overlay (IH-30 OV) District* of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following operational conditions and compliance standards:

3.1 COMPLIANCE STANDARDS

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following standards:

1) This Specific Use Permit (SUP) shall be subject to review by Planning Department staff and/or the Planning and Zoning Commission and City Council within three (3) years of the effective date of the ordinance. At the time of review, Planning Department staff shall be required to review the completeness of the improvements outline in the applicant's letter contained in *Exhibit 'B'* of this ordinance and listed as follows:

   (i) *Phase 1.* Engineering plans addressing paving, drainage, and etcetera shall be approved by the Engineering Department. The storm water/drainage and detention pond shall be permitted and accepted by the City.
   (ii) *Phase 2.* All concrete paving depicted on the *Concept Plan* in *Exhibit 'C'* of this ordinance shall be permitted and accepted by the City.
   (iii) *Phase 3.* Remodel of existing building façade in conformance with the *Building Elevations* contained in *Exhibit 'D'* of this ordinance shall be permitted and accepted by the City.

   Should the improvements be complete staff shall provide a report to the Planning and Zoning Commission and City Council indicating conformance to the requirements of this ordinance, and operation of the *New Motor Vehicle Dealership* shall be permitted to continue under the requirements of this ordinance and the Unified Development Code (UDC). Should the improvements be incomplete this SUP ordinance shall automatically expire.

2) Should the *Subject Property* continued to be operated as an outside storage/outside display lot for new vehicles in conjunction with the adjacent *New Motor Vehicle Dealership* (*i.e. S-094*) then no Certificate of Occupancy (CO) shall be required. Upon changing the use to a standalone *New Motor Vehicle Dealership*, a Certificate of Occupancy (CO) shall be required for the change of use.

3) Should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may -- *after proper notice* -- initiate proceedings before the City Council to revoke this SUP ordinance.

3.2 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a *New Motor Vehicle Dealership* on the *Subject Property*, and conformance to these operational conditions is required for continued operation:

1) All development on the *Subject Property* shall be in conformance to the *Concept Plan* depicted in *Exhibit 'C'* of this ordinance;

2) The rehabilitation of the existing structure on the *Subject Property* shall conform to the *Concept Building Elevations* depicted in *Exhibit 'D'* of this ordinance;

3) Should the use of the subject property become independent of the adjacent *New Motor Vehicle Dealership* [*Young Hyundai*] (*i.e. any event that would require a separate Certificate of Occupancy [CO] to be issued*) and development not conforming to *Exhibits 'C'* and *'D'* of this ordinance is proposed, a new site plan submittal shall be required to be submitted, reviewed and approved by the Planning and Zoning Commission and/or City Council in accordance with the requirements of the Unified Development Code;

4) All motor vehicles shall be required to be parked on an all-weather surface (*i.e. concrete or asphalt*) upon the completion of the three (3) year time period established in *Section 3.1* of this SUP ordinance.;

5) The redevelopment of the *Subject Property* shall generally be in conformance with the timeline established by the applicant's letter contained in *Exhibit 'B'* of this ordinance, and shall be reviewed by staff for compliance upon receipt of an application for renewal; and,

6) The operation of the *Subject Property* shall conform to all federal, state and local standards.

SECTION 4. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 7. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 2ND DAY OF MARCH, 2015.

Jim Pruitt, Mayor

ATTEST:

Kristy Ashberry, City Secretary

CITY OF ROCKWALL TEXAS
SEAL

APPROVED AS TO FORM:

Frank J. Garza, City Attorney

1st Reading: 02-16-2015

2nd Reading: 03-02-2015

BEING a 10.000 acre tract or parcel of land lying and being situated in the N. M. BALLARD SURVEY, Abstract 24, and the A. HANNA SURVEY, Abstract 99, in the City of Rockwall, Rockwall County, Texas and being that certain tract described in Special Warranty Deed to Gordon Rockwall Investments, LLC, recorded in Volume 6959, Page 100, Deed Records, Rockwall County, Texas (D.R.R.C.T.) and a portion of that certain tract described in deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T.; and being more particularly described by metes and bounds as follows:

BEGINNING at an aluminum TxDOT monument at the southern end of a corner clip located at the intersection of the southerly right-of-way line of Interstate Highway 30 (a variable width right-of-way) and the west right-of-way line of Commerce Street (a 60-foot wide right-of-way per Cabinet F, Slide 379, Map Records, Rockwall County, Texas);

THENCE South 00 degrees 40 minutes 20 seconds East, along the east line of said Gordon Rockwall tract and said west right-of-way line, a distance of 707.36 feet to a *3/8* inch iron rod found for the southeast corner of said Gordon Rockwall tract and the southwest corner of said right-of-way of Commerce Street; said found iron rod also being located at an angle point in the north line of said Thomas Real Estate tract;

THENCE South 00 degrees 35 minutes 03 seconds East, crossing said Thomas Real Estate tract, a distance of 469.11 feet to a point for corner;

THENCE South 89 degrees 24 minutes 57 seconds West, continuing to cross said Thomas Real Estate tract, a distance of 472.60 feet to a point on the west line of said Thomas Real Estate tract;

THENCE North 00 degrees 21 minutes 13 seconds West, along the west line of said Thomas Real Estate tract, a distance of 468.78 feet to a 112 inch iron rod found for the northwest corner of said Thomas Real Estate tract and the southwest corner of that certain tract described in General Warranty Deed to Rockwall Credit Services, L.C., recorded in Volume 4314, Page 34, D.R.R.C.T;

THENCE North 89 degrees 22 minutes 30 seconds East along the common line of the said Thomas Real Estate tract and said Rockwall Credit Services, L.C. tract, a distance of 153.71 feet to a point for corner; said point being the southeast corner of the Rockwall Credit Services, L.C. tract and the southwest corner of the Gordon Rockwall tract;

THENCE North 00 degrees 41 minutes 38 seconds West, continuing along the common line of said Rockwall Credit tract and Gordon Rockwall tract, a distance of 629.40 feet to a point for corner in the south right-of-way line of the aforementioned Interstate Highway 30, same point being the northeast corner of said Rockwall Credit tract and the northwest corner of said Gordon Rockwall tract;

THENCE North 72 degrees 46 minutes 00 seconds East, continuing along said south right-of-way line and along the north line of said Gordon Rockwall tract, a distance of 308.48 feet to a point for the northern end of the aforementioned corner clip;

THENCE South 65 degrees 17 minutes 09 seconds East, along said comer clip, a distance of 23.86 feet to the Point of Beginning and containing 10.000 Acres (435,600 Square Feet) of land.

NOTE: The Basis of Bearings for this description is the deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T. This description is based upon a compilation of public records.

January 23, 2015

Robert LaCroix, AICP
Director of Planning
Planning and Zoning
City of Rockwall
385 South Goliad Street
Rockwall, TX 75087

Subject: 1530 IH-30 East, Rockwall, Texas Special Use Permit

Dear Mr. LaCroix,

The purpose of this letter is to request a change to our existing Specific Use Permit. As you know, this property currently has an SUP that was approved by City Council on 06/03/2013 allowing outside storage and display of motor vehicles. This SUP has a time limitation of 3 years. Our business is growing and we would like to expand.

The capital investment required to improve the property for our use is significant and we respectfully request a Specific Use Permit allowing for a "Motor Vehicle Dealership, New" on the subject 10.00-acre tract of land with existing buildings located at 1530 Interstate Highway 30 East, Rockwall, Texas.

Listed below is an outline of planned improvements for the property. We intend to complete the work in 3 phases over a 3 year period of time.

Phase 1: Engage a civil engineer to provide plans meeting city approval for phased development that address paving, drainage, utilities etc. Complete storm drainage and detention pond within 12 months of receiving counsel approved SUP.
Phase 2: Concrete paving improvements will be completed within 24 months of receiving counsel approved SUP.
Phase 3: Within 36 months of receiving counsel approved SUP. Remodel the existing building façade with new exterior elevations that includes masonry, storefront glazing and other items that would be similar to our existing dealership.

Sincerely,

Zack Amick

Discuss and consider a request by Jason Lentz of Atticus Harbor Village for the approval of a replat for Lot 1, Block A and Lot 1, Block B, Harbor Village Addition being a 6.904-acre tract of land identified as Lots 3A, 4A & 5A, Isaac Brown Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) District, located adjacent to Summer Lee Drive southwest of the intersection of Horizon Road [FM-3097] and Summer Lee Drive, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 04.20.2017

The following staff comments are to be addressed and resubmitted no later than Tuesday, May 2, 2017. Please provide two FOLDED large copies [18" X 24"] and one PDF version for a subsequent review by staff:

1. Adherence to all Engineering and Fire Department standards shall be required.

2. Provide a label indicating "Case No. P2017-017" on the lower right corner on all pages of the revised submittal.

3. Plat mylars are to be filed prior to issuance of a Building Permit.

4. Correct Title Block to read as follows:
Final Plat
Harbor Village Addition
Lot 1 & Lot 2, Block A
2 Lots 6.904-acres
Being a Replat of
Isaac Brown Addition
Lots 3A, 4A, & 5A
City or Rockwall, Rockwall County, Texas

5. Provide the following labels within the platted lot area:
a) In bold lettering - Title Block (i.e. Harbor Village Addition) and distinguish each lot: Lot 1, Block A, & Lot 2, Block A
b) In light gray scale - Old lot information (i.e. Isaac Brown Addition) and acres for each lot: 3A, 4A, & 5A
c) Provide the street name (Glen Hill Way on the site plan) for the street bisecting the property
d) Delineate & label the width of the boundary for the proposed drainage easement

6. Provide the property owner information for each adjacent property.

7. Provide a label & acres for the hatched areas along Summer Lee Drive (Quit Claim Deed Information?).

8. Delineate and labelthe right-of-way for Summer Lee Drive.

9. Enlarge the Standard City Signature Block to create additional space for signatures.

10. The total tree mitigation balance of 2,529 caliper inches is required to be satisfied in accordance with Section 7 and/or Section 11 of Article IX, Tree Preservation, of the Unified Development Code prior to the release of building permits.

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks

11. The development shall conform to the recommendations made by the Parks Board at the December 14, 2016 Parks Board meeting including Park fees for Park District No. 17 as follows: Condo Development: cash in lieu of land = $36,015 & prorata equipment fees = $95,795. Townhome Development: cash in lieu of land = $5,292 & prorata equip. fees = $14,076. Total fees will be due at final plat approval.

** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions resubmitted and approved (by staff) prior to plat submittal on mylar for filing purposes. **

Meeting Dates to Attend - it is not necessary for you to attend; however, staff would recommend that someone be present for the meetings. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: April 25, 2017 (6:00p.m.) [Applicant to present case to P&Z for discussion].

Planning - Action/Consent Agenda: May 9, 2017 (6:00p.m.)

City Council - Action/Consent : May 15, 2017 (6:00 p.m.)

Owner's Certification

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS ATTICUS HARBOR VILLAGE, LLC, BEING THE OWNER OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING situated in the Edward Teal Survey, Abstract Number 207, Rockwall County, Texas and being a portion of Lots 3A, 4A and 5A of Isaac Brown's Land Partitioned to His Heirs, an addition to the City of Rockwall according to the plat thereof recorded in Cabinet A, Slide 57, Plat Records, Rockwall County, Texas and being more particularly described by metes and bounds as follows:

BEGINNING at a 1/2 inch iron rod with cap stamped "RSCI" found at the southerly corner of said Lot 5A, said iron rod also being the easterly corner of Lot 6A of said Land Partitioned, and being in the northwest line of Murphy Plaza No. 2, an addition to the City of Rockwall according to the plat thereof recorded in Cabinet G, Slide 255, Plat Records, Rockwall County, Texas;

THENCE North 45 degrees 23 minutes 09 seconds West, 803.96 feet along the southwest line of said Lot 5A and the northeast line of said Lot 6A to a 1/2 inch iron rod with cap found at the southernmost corner of that certain tract of land described in Resolution No. 16-19, executed by the City Council of Rockwall, Texas;

THENCE North 45 degrees 23 minutes 09 seconds West, 46.09 feet along the southwest line of said Resolution tract to a 5/8 inch iron rod with cap stamped "REALSEARCH" set in the south right-of-way line of Summer Lee Drive (Variable Width Right-of-Way) and being the beginning of a non-tangent curve to the left;

THENCE 122.34 feet along said southeast right-of-way line of Summer Lee Drive and with said non-tangent curve to the left, having a radius of 532.50 feet, through a central angle of 13 degrees 09 minutes 49 seconds, whose long chord bears North 51 degrees 54 minutes 11 seconds East, 122.07 feet to a point in the northeast line of said Lot 5A and the southeast line of said Lot 4A and being the beginning of a compound curve to the left;

THENCE 13.78 feet, continuing along said southeast right-of-way line of Summer Lee Drive and with said compound curve to the left, having a radius of 532.50 feet, through a central angle of 01 degrees 28 minutes 57 seconds, whose long chord bears North 44 degrees 34 minutes 48 seconds East, 13.78 feet to a 1/2 inch iron rod with cap stamped "RDS" found;

THENCE North 43 degrees 50 minutes 20 seconds East, 225.87 feet, continuing along said southeast right-of-way line of Summer Lee Drive to a 1/2 inch iron rod with cap found in the northeast line of said Lot 3A, said iron rod also being in the southwest line of Lot 2A of said Land Partitioned;

THENCE South 45 degrees 18 minutes 32 seconds East, 832.95 feet along said northeast line of Lot 3A and said southwest line of Lot 2A to a 1/2 inch iron rod with cap stamped "RSCI" found at the eastern corner of said Lot 3A, said iron rod also being the southern corner of said Lot 2A and being in the northwest line of Hammer Addition, an addition to the City of Rockwall according to the plat thereof recorded in Cabinet D, Slide 210, Plat Records, Rockwall County, Texas;

THENCE South 43 degrees 52 minutes 08 seconds West, 359.62 feet along the southeast lines of said Lots 3A, 4A and 5A and along the northwest line of said Hammer Addition and the northwest line of Murphy Plaza, an addition the City of Rockwall according to the plat thereof recorded in Cabinet C, Slide 79, Plat Records, Rockwall County, Texas and the northwest line of said Muphy Plaza No. 2 to the POINT OF BEGINNING and containing 300,721 square feet or 6.904 acres of land, more or less.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I (we) the undersigned owner(s) of the land shown on this plat, and designated herein as the ATTICUS HARBOR VILLAGE, LLC subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I (we) further certify that all other parties who have a mortgage or lien interest in the ATTICUS HARBOR VILLAGE, LLC subdivision have been notified and signed this plat. I (we) understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I (we) also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Owner's Certification

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I (we) further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I (we), my (our) successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

By: Atticus Harbor Village, LLC

Surveyor's Certification

NOW, THEREFORE KNOW ALL MEN BY THESE PRESENTS:

THAT I, JEREMY LUKE DEAL, do hereby certify that I prepared this plat from an actual and accurate survey of the land, and that the corner monuments shown thereon were properly placed under my personal supervision.

Executed this the _____ day of _____, in the year of our Lord 2017.

_____
Jeremy Luke Deal
Registered Professional Land Surveyor
Texas Registration No. 5696

PRELIMINARY

This document shall not be recorded for any purpose and shall not be used or viewed or relied upon as a final survey document

Notes

1. Basis of Bearings is the Texas State Plane Coordinate System, North American Datum of 1983, Texas North Central Zone.

2. It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54.

Flood Statement

According to Community Panel Number 48397C0040L, dated September 26, 2008, of the Federal Emergency Management Agency, National Flood Insurance Program Map, this property lies within Zone "X" which is not a Special Flood Hazard Area. If this site is not within a Special Flood Hazard Area, this statement does not imply that the property and/or the structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man made or natural causes. This statement shall not create liability on the part of the Surveyor.

(4/21/2017 12:03 PM KB)
SP2017-013 Starbucks Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Cesar Sagovia of Rogue Architects on behalf of Starbucks Coffee Company for the approval of an amended site plan for a restaurant with a drive-through located on an 0.182-acre portion of a larger 25.927-acre parcel of land identified as Lot 6, Block A, Wal-Mart Supercenter Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District and within the IH-30 (IH-30 OV) Overlay District, addressed as 778 E. IH-30, and take any action necessary.
I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
M.3 For reference, include the case number (SP2017-013) in the lower right hand.
M.4 Please provide the sq footage of the existing building and the proposed expansion to ensure there is adequate parking.
M.5 The subject Property has an SUP (SUP No. 12-29). The SUP limits the size of the building to 550 sq. ft. The SUP will need to be amended. We will take your SUP case forward this Tuesday and have ARB review the building elevations. While the SUP is going though the process, we will approved your site plan administratively. Therefore, not costing any time.
I.6 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by May 2, 2017.
M.7 The Planning & Zoning Worksession date for this case will be April 25, 2017. The Planning and Zoning Meeting for this case is May 9 2017. The City Council Meeting for this site plan is May 15, 2017
M.8 This site plan is required to go to Architectural Review Board—held at 5:00 p.m. on April 27 and May 9. You may or may not have to attend the May 9th ARB meeting.
I.9 All meetings will be held at 6:00 p.m. in the Council Chambers at City Hall.

P2017-020 Lot 1, Block A, Woods Estates Addition Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by William and Sandie Wood for the approval of a final plat of Lot 1, Block A, Wood Estates Addition being a 3.58-acre tract of land identified as Tract 60-01 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, generally locatec east of the intersection of S. Clark Street and Washington Street, and take any action necessary.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (P2017-020) in the lower right hand corner of all pages on future submittals.

M.4 Please include lot and block designation in title block

I.5 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by May 2, 2017. The Park Board Meeting for this case is May 2, 2017. The Planning & Zoning date for this case will be May 9, 2017

I.6 The projected City Council meeting date and subsequent approval for this plat is May 15, 2017

THENCE N. 87 deg. 53 min. 30 sec. W. a distance of 184.08 feet to a 1/2" iron rod found for corner in the east right-of-way line of Nash Street;

THENCE N. 00 deg. 38 min. 16 sec. W. along said right-of-way line, a distance of 87.64 feet to a 1/2" iron rod with yellow plastic cap stamped "RPLS 5034" set for corner;

THENCE N. 07 deg. 36 min. 59 sec. W. along said right-of-way line, a distance of 185.29 feet to the POINT OF BEGINNING and containing 155,991 square feet or 3.58 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as WOOD ESTATES, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or
Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I , my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

Discuss and consider a request by Cameron Slown of F. C. Cuny Corporation on behalf of Robert S. Whittle for the approval of a preliminary plat for the Highlands Subdivision containing 53 single-family residential lots on a 13.376-acre tract of land identified as Tract 2 of the M. B. Jones Survey, Abstract No. 122, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for Zero Lot Line (ZL-5) District land uses, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located at the northwest corner of the intersection of SH-66 and FM-1141, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 04.19.2017

The following staff comments are to be addressed and resubmitted no later than Tuesday, May 2, 2017. Please provide two FOLDED large copies [18" X 24"] and one PDF version for a subsequent review by staff:

1. The preliminary plat shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments.

2. In conformance with Planned Development District 5 (PD-5) [Ordinance No. 96-25]; A) provide a concept plan identifying the location of any amenities, a detailed street layout, and location of neghborhood entry features and B) comply with requrements of the Zero-Lot Line (ZL-5) District.

3. Indicate and label minimum 5-ft maintenence easement on the non-zero lot line side of each lot on the preliminary plat.

4. A treescape plan for the entire development shall be submitted and approved prior to the issuance of any grading permits. Approval of a final treescape plan will be required at final plat.

5. The preliminary plat shall conform to Park District No. 9 requirements and the recommendations made by the Parks Board.

6. Provide a label indicating "Case No. P2017-021" on the lower right corner on all pages of the revised submittal.

7. Submittal and approval of civil engineering plans prior to submittal of final plat.

Although not requried staff would recommend that someone be present for the meetings. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

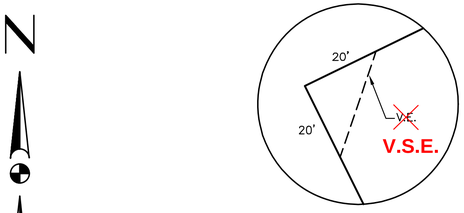
Meeting Dates to Attend:

Planning - Work Session: April 25, 2017 (6:00p.m.) [Applicant to present case to P&Z for discussion].

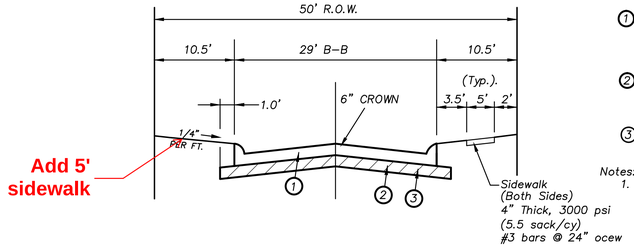
Parks Board - Meeting: May 2, 2017 (6:00p.m.)

Planning - Action/Consent Agenda: May 9, 2017 (6:00p.m.)

City Council - Action/Consent : May 15, 2017 (6:00 p.m.)



VISIBILITY AND SIDEWALK EASEMENT DETAIL



TYPICAL PAVING SECTION

1. 6"-3600 psi Class "C" concrete pavement with No. 3 bars 24" on centers both ways.
   Min. 6 Sack for Machine Placed
   Min. 6 1/2 Sack for Hand Placed
2. Where the Plasticity index of the natural soil is equal to or exceeds 15, lime stabilization shall be required. A minimum of 6% by weight of lime to a depth of 6" shall be required.
3. Subgrade shall be 6" thick and compacted to a density not less than 95% at 0%-4% of optimum moisture content.

Notes:
1. All construction joints & rebar to be in conformance with the City of Rockwall Specifications and Standards.

P2017-22 Breezy Hill Phase VI Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH Phase VI SF, LTD. for the approval of a final plat for Breezy Hill, Phase VI containing 79 single-family residential lots on a 32.022-acre portion of a larger 61.528-acre tract of land identified as Tract 7 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, generally located northeast of the intersection of N. John King Boulevard and Life Springs Drive, and take any action necessary.I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (P2017-022) in the lower right hand corner of all pages on future submittals.

M.4 Please check the bearing as shown in markup. It seems to be missing.

I.5 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by May 2, 2017. The Planning & Zoning Worksession date for this case will be April 25, 2017. The Planning and Zoning Meeting for this case is May 9, 2017. The Park Board Meeting for this case is May 2, 2017.

I.6 The projected City Council meeting date and subsequent approval for this plat is May 15, 2017

LEGAL DESCRIPTION

WHEREAS, BH PHASE VI, SF, LTD., a tract of land situated in the J. Strickland Survey, Abstract No. 187 in the City of Rockwall, Rockwall County, Texas, being out of Tract 1, as described in Clerks File No. 20130000498889 in the Deed Records of Rockwall County, Texas and a 39.298 acre tract, as described in Clerks File No. 20130000498882 in said Deed Records and being more particularly described as follows:

BEGINNING, at an "x" cut set at the northwest corner of Breezy Hill Phase 4, an addition to the City of Rockwall, Texas, as described in Cab. I, Pgs. 155-156, in the plat records of Rockwall County, Texas, also being in the east line of a 31.012 acre tract, as described in Vol. 6934, Pg. 206, in said Deed Records, same being in the west line of said Tract 1;

THENCE, North 00° 06'14" East, along the west line of said Tract 1 and the east line of said 31.012 acre tract, for a distance 1109.66 feet, to a ⅝ inch iron rod found at the northwest corner of said Tract 1 and the northeast corner of said 31.012 acre tract;

THENCE, South 88° 00'26" East, along the north line of said Tract 1, for a distance of 755.13 feet, to a ½ inch iron rod found;

THENCE, South 89° 39'37" East, continuing along said north line, for a distance of 274.64 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 00° 20'10" West, departing said north line, for a distance of 125.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 89° 39'50" East, for a distance of 1.14 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 00° 20'10" West, for a distance of 175.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 89° 39'50" East, for a distance of 642.40 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 00° 20'10" West, for a distance of 553.78 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", being at a tangent curve to the right, having a radius of 1550.00 feet, a central angle of 02° 04'43" and a tangent of 28.12 feet;

THENCE, along said curve at 8.10 feet, passing the northwest corner of a 6.705 acre tract, as described in Clerks File No. 20150000004156, in said Deed Records, for an total arc distance of 56.23 feet Chord Bearing South 01° 22'31" West - 56.22 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", at the most westerly southwest corner of said 6.705 acre tract;

THENCE, South 89° 39'50" East, along the south line of said 6.705 acre tract, for a distance of 34.47 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", on a non-tangent curve to the right, having a radius of 400.00 feet, a central angle of 12° 48'03", and a tangent of 44.87 feet;

THENCE, continuing along said curve and said south line for an arc distance of 89.37 feet (Chord Bearing South 72° 16'09" East - 89.18 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 24° 07'53" West, departing said south line, at 17.70 feet, passing a point in the north line of said 39.298 acre tract and continuing for a distance of 125.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", on a non-tangent curve the right, having a radius of 275.00 feet, a central angle of 04° 19'35", and a tangent of 10.39 feet;

THENCE, continuing along said curve to the right for an arc distance of 20.77 feet (Chord Bearing South 63° 42'20" East - 20.76 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", at the point of compound curvature of a curve to the right, having a radius of 1016.00 feet, a central angle of 02° 27'58", and a tangent of 21.87 feet;

THENCE, along said curve to the right for an arc distance of 43.73 feet (Chord Bearing South 60° 18'33" East - 43.73 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 30° 55'26" West, for a distance of 191.00 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", in the north line of a 25.598 acre tract, as described in Clerk File No. 20150000004838, in said Deed Records and being in the south line of said 39.298 acre tract, being on a non-tangent curve to the left, having a radius of 825.00 feet, a central angle of 05° 25'40", and a tangent of 39.11 feet;

THENCE, continuing along the north of said 25.598 acre tract and the south line of said 39.298 acre tract and with said curve to the left for an arc distance of 78.15 feet (Chord Bearing North 61° 47'24" West - 78.12 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, North 13° 09'52" East, continuing along said north and south lines, for a distance of 23.66 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, North 77° 16'23" West, continuing along said north and south lines, for a distance of 181.76 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", at the northwest corner of said 25.598 acre tract also being in the west line of said 39.298 acre tract same being in the east line of a 10.758 acre tract, as described in Clerks File No. 20150000004156, in said Deed Records;

THENCE, North 09° 26'51" East, along the east line of said 10.758 acre tract, for a distance of 235.35 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, South 89° 39'50" East, continuing along said east line and at 1.36 feet, passing the northwest corner of said 39.298 acre tract, for a total distance of 125.11 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", on a non-tangent curve to the left, having a radius of 1500.00 feet, a central angle of 00° 57'20", and a tangent of 12.51 feet;

THENCE, departing the north line of said 39.298 acre tract and continuing along said east line and with said curve to the left for an arc distance of 25.01 feet (Chord Bearing North 02° 11'51" East - 25.01 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", at the northeast corner of said 10.758 acre tract;

THENCE, North 89° 39'50" West, along the north line of said 10.758 acre tract, for a distance of 788.48 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, North 00° 20'10" East, continuing along said north line of said 10.758 acre tract, for a distance of 126.71 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", on a non-tangent curve to the right, having a radius of 275.00 feet, a central angle of 60° 02'01", and a tangent of 158.88 feet;

THENCE, continuing along said north line and with said curve to the right for an arc distance of 288.14 feet (Chord Bearing North 53° 15'32" West - 275.14 feet), to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, North 89° 39'50" West, continuing along said north line , for a distance of 161.39 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", at the northwest corner of said 10.758 acre tract;

THENCE, South 00° 13'32" West, along the west line of said 10.758 acre tract, for a distance of 546.82 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.", in the north line of said Breezy Hill Phase 4, being on a curve to the left, having a radius of 1252.00 feet, a central angle of 09° 07'03", and a tangent of 99.83 feet;

THENCE, along the north line of said Breezy Hill Phase 4 and with said curve to the left for an arc distance of 199.23 feet (Chord Bearing North 82° 57'10" West - 199.02 feet), to a ½ inch iron found with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, North 00° 06'14" East, continuing along said north line, for a distance of 36.78 feet, to a ½ inch iron rod set with a yellow cap stamped "Corwin Eng. Inc.";

THENCE, North 89° 53'46" West, continuing along said north line, for a distance of 250.00 feet, to the POINT OF BEGINNING and containing 32.020 acres of land.

SURVEYOR CERTIFICATE

I, WARREN L. CORWIN, do hereby certify that the plat shown hereon accurately represents the results of an on-the-ground survey made under my direction and supervision and all corners are as shown thereon and there are no encroachments, conflicts, protrusions or visible utilities on the ground except as shown and said plat has been prepared in accordance with the platting rules and regulations of the City Plan Commission of the City of Rockwall, Texas.

DATED the this_____day of _____, 2017.

WARREN L. CORWIN
R.P.L.S. No. 4621

THE STATE OF TEXAS
COUNTY OF COLLIN

BEFORE ME, the undersigned, a Notary Public in and for the State of Texas, on this day personally appeared WARREN L. CORWIN, known to me to be the person whose name is subscribed to the foregoing instrument and acknowledged to me that he executed the same in the capacity therein stated and for the purposes and considerations therein expressed.

WITNESS MY HAND AND SEAL OF OFFICE, this the_____day of _____, 2017.

Notary Public in and for the State of Texas

OWNER'S CERTIFICATE

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL
We the undersigned owner"s" of the land shown on this plat, and designated herein as the BREEZY HILL PHASE VI, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the BREEZY HILL PHASE VI, subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

Discuss and consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of Stone Creek Phase 8, LTD. for the approval of a final plat for Stone Creek, Phase VIII containing 102 single-family residential lots on a 28.655-acre tract of land identified as Tract 3 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 70 (PD-70) for Single Family-10 (SF-10) District land uses, generally located at the northwest corner of the intersection of Hay Road and E. Quail Run Road, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 04.19.2017

The following staff comments are to be addressed and resubmitted no later than Tuesday, May 2, 2017. Please provide two FOLDED large copies [18" X 24"] and one PDF version for a subsequent review by staff:

1. Adherence to all Engineering and Fire Department standards shall be required.
2. Provide a label indicating "Case No. P2017-023" on the lower right corner on all pages of the revised submittal.
3. Plat mylars are to be filed prior to issuance of a building permit.
4. Tie at least two (2) corners to City monumentation (X & Y coordinates).
5. Notary certificate is not necessary when plat is stamped by the surveyor.

** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions resubmitted and approved (by staff) prior to plat submittal on mylar for filing purposes. **

Although not required, staff would recommend that a representative be present for the meetings as listed below. If you have any quesitons regarding this case, pleas feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: April 25, 2017 (6:00p.m.) [Applicant to present case to P&Z for discussion].

Planning - Action/Consent Agenda: May 9, 2017 (6:00p.m.)City Council - Action/Consent : May 15, 2017 (6:00 p.m.)

SHEET 1 OF 2

OWNER'S CERTIFICATE

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL
We the undersigned owners of the land shown on this plat, and designated herein as the STONE CREEK PHASE VIII, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the STONE CREEK PHASE VIII, subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. The detention drainage system is to be maintained, repaired and owend by the subdivision.

7. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

Mayor, City of Rockwall City Secretary City Engineer

LEGAL DESCRIPTION

WHEREAS, STONE CREEK PHASE 8, LTD., a tract of land situated in the S. King Survey, Abstract No. 131 in the City of Rockwall, Rockwall County, Texas, being part of a tract of land as described in Stone Creek Balance LTD., Clerks File No. 2007-00375394 in the Deed Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING, at a "X" cut found at the most southeast corner of Stone Creek Phase VII, an addition to the City of Rockwall, as described in Cabinet I, Pages 392-394, in the Plat Records of Rockwall County, Texas;

THENCE, North 00° 35'35" West, along the east line of said Stone Creek Phase VII, for a distance of 1080.02 feet, to a ½ inch iron rod found, on a non-tangent curve to the right, having a radius of 655.00 feet, a central angle of 04° 22'44", and a tangent of 25.04 feet;

THENCE, continuing along said east line and with said curve to the right for an arc distance of 50.06 feet (Chord Bearing North 88° 06'43" West - 50.05 feet), to a ½ inch iron rod found;

THENCE, North 00° 35'35" West, continuing along said east line at 60.22 feet, passing a ½ inch iron rod found at the northeast corner of said Stone Creek Phase VII, and continuing for a total distance of 191.20 feet, to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.";

THENCE, North 03° 34'06" East, for a distance of 50.00 feet, to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.", on a non-tangent curve to the left, having a radius of 800.00 feet, a central angle of 01° 08'34", and a tangent of 7.98 feet;

THENCE, along said curve to the left for an arc distance of 15.95 feet (Chord Bearing South 87° 00'11" East - 15.95 feet), to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.";

THENCE, North 02° 25'32" East, for a distance of 120.00 feet, to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.", on a curve to the left, having a radius of 680.00 feet, a central angle of 14° 11'44", and a tangent of 84.67 feet;

THENCE, along said curve to the left for an arc distance of 168.48 feet (Chord Bearing North 85° 19'40" East - 168.05 feet), to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.", at the point of reverse curvature of a curve to the right, having a radius of 1270.00 feet, a central angle of 11° 10'37", and a tangent of 124.27 feet;

THENCE, along said curve to the right for an arc distance of 247.74 feet (Chord Bearing North 83° 49'06" East - 247.35 feet), to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.", at the point of tangency;

THENCE, North 89° 24'25" East, for a distance of 448.33 feet, to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.", in the east line of said Stone Creek Balance tract being in Hayes Road (Variable R.O.W);

THENCE, South 00° 35'35" East, along the east line of said Stone Creek Balance tract and with said Hayes Road, for a distance of 1480.61 feet, to a ½ inch iron rod set with a yellow cap stamped with "Corwin Eng. Inc.", being the southeast corner of said Stone Creek Balance tract and being the approximate centerline of said Hayes Road and Quail Run Road (Variable R.O.W.);

THENCE, South 89° 34'36" West, along the south line of said Stone Creek Balance tract and with said Quail Run Road, at 417.06, passing the northeast corner of Quail Run Valley No. 2, an addition to the City of Rockwall, as described in Cab. E, Pg. 185, in said Plat Records, and continuing along the north line of said Quail Run Valley No. 2, for a total distance of 838.00 feet, to the POINT OF BEGINNING and containing 28.655 acres of land.

SURVEYOR CERTIFICATE

I, WARREN L. CORWIN, do hereby certify that the plat shown hereon accurately represents the results of an on-the-ground survey made under my direction and supervision and all corners are as shown thereon and there are no encroachments, conflicts, protrusions or visible utilities on the ground except as shown and said plat has been prepared in accordance with the platting rules and regulations of the City Plan Commission of the City of Rockwall, Texas.

DATED the this_____day of_____, 2017.

Discuss and consider a request by Curtis Behrens of Greenberg Farrow on behalf of Doug Druen of Texas Roadhouse Holdings, LLC for the approval of a site plan for a restaurant [Texas Roadhouse] on a 2.07-acre portion of a larger 8.613-acre tract of land identified as Tract 4 of the J. D. McFarland Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, IH-30 Overlay (IH-30 OV) District, generally located east of the intersection of Greencrest Boulevard and the IH-30 Frontage Road, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 04.20.2017

All staff comments are to be addressed and resubmitted by Tuesday, May 2, 2017. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

Planning Department General Comments to be addressed are as follows:

1. Adherence to Engineering and Fire Department standards shall be required.
2. Re-label revised site plan documents with "Case No. SP2017-012" at the lower right corner of each plan.
3. All exterior signage requires submittal and approval of a separate building permit through the building inspections department.

VARIANCE AND EXCEPTIONS FOR CITY COUNCIL TO CONSIDER:

1. The IH-30 OV district requires each exterior wall to be constructed of 90% masonry materials (i.e. brick, stone, etc.) including a minimum of 20% natural or quarried stone when visible from a public street or open space. The applicant is proposing to increase the secondary materials (i.e. wood siding) for the following elevations - Southeast (32%), Southwest (20%, and Northeast (27%). In accordance with Section 6.6.C.1.b, Architectural Standards, of Article V, District Development Standards, of the UDC, a variance to allow for exceeding the maximum secondary material standards requires a ¾ majority vote by the City Council for approval.

Please address the following Planning Comments for each plan submitted:

Site Plan:
1. Provide label as "24-ft Firelane, Public Access, & Utility Easement" where appropriate.
2. Remove label indicating "dirt road" adjacent to IH-30.
3. Provide owner information for the lot adjacent to the northeast portion of the site plan (Rooms to Go site).
4. Label and provide a self latching mechanism for the dumpster enclosure at rear of building.

Landscape Plan:
1. Correct Plant Schedule for Shrubs and indicate as 30" minimum height for Dwaft Yaupon along IH-30.
2. Other than comment No. 1, the landscape plan as submitted meets the intent of the IH-30 OV and the UDC.

Photometric Plan:
1. Provide cut sheets for all exterior lighting fixtures (e.g. pole lights, wall packs, etc.)
2. All exterior lighting sources are to be directed down and sheilded with a full cut-off or partial cut-off source and a maximum 1 inch reveal in order to control glare.
3. Maximum lighting intensity at the property line is not to exceed 0.2-FC. Resubmit photometric plan and indicate readings to at all property lines (excluding IH-30) in compliance with UDC (i.e. 0.2-FC).

Building Elevations:

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks

1. Approval of the variance for secondary materials as requested above for the IH-30 OV district.
2. Is the stone depicted on the elevations a cultured stone? If so, the Planning Commission can consider the use of this material when meeting the standards established in Section 6.6.C.1.a, Architectural Standards, of Article V, District Development Standards, of the UDC. Please provide a manufacturers cut sheet and sample of the stone material.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD Site Plan. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with thePlanning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board: April 25, 2017 (5:00 p.m.) [Applicant to receive recommendations from ARB]

Planning - Work Session: April 25,2017 (6:00p.m.) [Applicant to present/discuss project to P&Z]

Planning - Action: May 9, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)]

City Council - Action: May 15, 2017 (6:00 p.m.) [FOR VARIANCE REQUEST ONLY]

GENERAL SITE NOTES:

1. CONTRACTOR SHALL OBTAIN ALL NECESSARY PERMITS PRIOR TO COMMENCEMENT OF CONSTRUCTION.
2. CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING SAFE AND ADEQUATE WORKING CONDITIONS THROUGHOUT THE DURATION OF CONSTRUCTION OF THE PROPOSED SITE IMPROVEMENTS.
3. CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFICATION OF ALL SITE SETBACKS, EASEMENTS AND DIMENSIONS PRIOR TO COMMENCEMENT OF CONSTRUCTION.
4. ALL CONSTRUCTION MATERIALS AND WORKMANSHIP SHALL BE IN ACCORDANCE WITH THE LATEST STATE AND LOCAL GOVERNMENT CONSTRUCTION STANDARDS AND SPECIFICATIONS.
5. ALL HANDICAP ACCESSIBLE SITE IMPROVEMENTS SHALL BE CONSTRUCTED IN ACCORDANCE WITH ALL FEDERAL, STATE AND LOCAL CODES AND REQUIREMENTS.
6. IF DURING THE COURSE OF CONSTRUCTION THE CONTRACTOR FINDS ANY DISCREPANCIES OR CONFLICTS BETWEEN THE PROPOSED SITE IMPROVEMENTS INDICATED ON THE PLANS AND THE PHYSICAL CONDITIONS OF THE SITE, OR ANY ERRORS OR OMISSIONS WITHIN THE PLANS OR IN THE SITE LAYOUT AS PROVIDED BY THE ENGINEER, IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO IMMEDIATELY NOTIFY THE ENGINEER. UNTIL AUTHORIZED TO PROCEED, ANY WORK PERFORMED BY THE CONTRACTOR AFTER SUCH A DISCOVERY WILL BE AT THE CONTRACTOR'S SOLE RISK AND EXPENSE.
7. CONTRACTOR SHALL COORDINATE ALL SITE IMPROVEMENTS WITH ARCHITECTURAL PLANS. ARCHITECTURAL PLANS SHALL BE USED FOR BUILDING STAKEOUT.
8. CONTRACTOR SHALL COORDINATE ALL LANDSCAPE IMPROVEMENTS, INCLUDING NEW PLANTINGS AND TURF AREA RESTORATION REQUIREMENTS, WITH LANDSCAPE PLANS.
9. CONSTRUCTION SURVEY AND STAKEOUT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR.
10. ALL DIMENSIONS SHOWN ARE MEASURED FROM FACE OF CURB TO FACE OF CURB OR EDGE OF PAVEMENT TO EDGE OF PAVEMENT UNLESS OTHERWISE NOTED.
11. ALL CURB RADII ARE MEASURED AT THE FACE OF CURB UNLESS OTHERWISE NOTED.
12. ALL NEW ASPHALT AND/OR CONCRETE PAVING SHALL MATCH EXISTING PAVEMENTS FLUSH.
13. CONTRACTOR SHALL RESTORE ALL DISTURBED AREAS OUTSIDE OF CONSTRUCTION LIMITS TO ORIGINAL CONDITION OR BETTER.
14. CONTRACTOR SHALL REPAIR AT HIS EXPENSE ANY DAMAGE TO EXISTING ASPHALT, CONCRETE, CURBS, SIDEWALKS, ETC. RESULTING FROM CONSTRUCTION TRAFFIC AND/OR OPERATIONS. REPAIRS SHALL BE MADE TO THE SATISFACTION OF THE OWNER AND/OR ENGINEER.
15. ALL FIRE ACCESS LANES WITHIN THE PROJECT AREA SHALL REMAIN IN SERVICE, CLEAN OF DEBRIS, AND ACCESSIBLE FOR USE BY EMERGENCY VEHICLES.
16. SEE GENERAL NOTES SHEET FOR ADDITIONAL INFORMATION AND REQUIREMENTS.

GENERAL NOTES:

1. GRAPHIC SYMBOLS TAKE PRECEDENCE OVER WRITTEN QUANTITIES AND KEYS ON PLAN.
2. CONTRACTOR TO REPAIR AND REPLACE ANY PLANT MATERIAL DAMAGED BY THIS CONSTRUCTION OUTSIDE PROJECT LIMITS. ANY EXISTING PLANT MATERIAL DAMAGED BY CONTRACTOR DURING CONSTRUCTION SHALL BE REPLACED WITH LIKE MATERIAL OF SIMILAR SPECIES AND SIZE AT THE CONTRACTOR'S EXPENSE WITH NO ADDITIONAL COST TO OWNER OR TENANT.
3. TWO WEEKS PRIOR TO PLANTING, THE CONTRACTOR SHALL SUBMIT TO THE OWNER / OWNER'S REPRESENTATIVE A PLANT PHOTO SUBMITTAL FOR APPROVAL. IF REQUESTED, BY THE OWNER, THE LANDSCAPE ARCHITECT WILL TAG THE MATERIAL.
4. EACH PHOTO SHALL CLEARLY SHOW THE SIZE, FORM, AND BRANCHING STRUCTURE AND QUALITY OF THE PLANT.
5. EACH PHOTO SHALL HAVE THE PLANT NAME, SIZE AND SPECIFICATIONS LABELED ON THE PHOTO.
6. ANY PHOTO SHOWING A GROUP OF PLANTS CLOSE TOGETHER WILL NOT BE ACCEPTED.
7. NO PARTIAL OR INCOMPLETE SUBMITTAL WILL BE ACCEPTED FOR REVIEW. ANY REJECTED SPECIES WILL BE SUBJECT TO RESUBMITTAL.
8. SAMPLES OF RIVER ROCK COBBLESTONE ARE TO BE PROVIDED TO OWNER/TENANT FOR REVIEW AND APPROVAL TWO (2) WEEKS PRIOR TO CONSTRUCTION. NO COBBLESTONE IS TO BE INSTALLED WITHOUT PRIOR APPROVAL FROM TEXAS ROADHOUSE.
9. CONTRACTOR TO PROVIDE SITE IRRIGATION FOR ALL LANDSCAPE AREAS. IRRIGATION FOR THESE AREAS TO PROVIDE 100% COVERAGE OF ALL PLANTED AREAS. SHRUB BEDS TO BE WATERED WITH SUBSURFACE IRRIGATION. LAWN AREAS TO BE KEPT ON SEPARATE ZONES FROM SHRUB BEDS, DO NOT SPRAY ONTO BUILDING. IRRIGATION SYSTEM TO BE DESIGNED INSTALLED PER ALL LOCAL, STATE AND FEDERAL CODES.

MAINTENANCE OF LANDSCAPING:

THE OWNER, TENANT, OR AGENT, IF ANY, SHALL BE RESPONSIBLE FOR PROVIDING, PROTECTING AND MAINTAINING ALL LANDSCAPING IN HEALTHY GROWING CONDITIONS, REPLACING IT WHEN NECESSARY TO ENSURE CONTINUOUS CONFORMANCE WITH THESE GUIDELINES AND KEEPING IT FREE FROM REFUSE AND DEBRIS. MAINTENANCE SHALL INCLUDE THE REPLACEMENT OF ALL DEAD PLANT MATERIAL WITHIN THE GUARANTEED CONTRACT PERIOD.

Memorandum

April 10, 2017

To	Board of Adjustment City of Rockwall	Project	Texas Roadhouse – Rockwall, TX
		Project #	20151291.0
		From	Paula Hubert
		Re	Board of Adjustment Review - Variance Request
		Copies	

Dear Planning Staff & Board Members-

On behalf of our client, Texas Roadhouse, please consider this letter in conjunction with the Variance application documents provided for your review. We offer the following supporting evidence with respect to the variance request to Section 6.6, IH-30 Overlay District, of the Unified Development Code, C. 1. Masonry Requirements as well as C 1. b. Secondary materials. Please see below for the applicable section of the ordinance and key points addressing the reason for the variance request:

City of Rockwall , Texas - Unified Development Code:

C. Architectural standards.
1. Masonry requirements. Each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, as defined in article XII, Definitions, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, including a minimum of 20 percent natural or quarried stone.

Texas Roadhouse relies on the design elements of it's building, including the colors and materials, to attract and retain customers, which contributes to the long term success of their restaurants. The proposed design is aesthetically pleasing with varied high quality materials such as brick, stone, metal and clear stained cedar. The body of the building is primarily comprised of stone wainscot and brick, with stone piers adding architectural relief. In addition, the restaurant entry is defined by a roof overhang, clear stained cedar posts, stone wainscot, stone pilasters and accented with architectural lighting at the entry door. The architectural details are continued on all four building elevations, for a cohesive architectural expression of the unique design that defines the Texas Roadhouse restaurant. Strict adherence to the applicable development code creates a hardship since the design elements that Texas Roadhouse relies on as an integral part of the long term success of the restaurant would be altered.

C. Architectural standards.
b. Secondary materials used on the facade of a building are those that comprise less than ten percent of an elevation area. Permitted secondary materials are all primary materials, aluminum or other metal, EIFS, cast stone, cultured stone or other materials as approved by the director of planning or his designee.

As detailed in the color elevations, material board and key points noted above, the Texas Roadhouse design is in keeping with the intent of the ordinance and the overlay standards. The design utilizes high quality building materials and will be harmonious with other developments along the I-30 frontage. In addition, the use of wood as a secondary material is an important design feature for the Texas Roadhouse restaurant and conveying the brand design to the customers and ensuring the success of the restaurant. *Strict adherence to the applicable development code creates a hardship since the design elements that Texas Roadhouse relies on as an integral part of the long term success of the restaurant would be altered.*

Thank you for your consideration of our submittal and the above points. I look forward to receiving your input and approval.

Please feel free to contact me if any additional information or explanation is required at this time, I can be reached at (224)310-5072 or at phubert@greenbergfarrow.com.

Thank you

- [W] PROPOSED TAPPING SLEEVE AND VALVE

GENERAL SITE NOTES:

1. CONTRACTOR SHALL OBTAIN ALL NECESSARY PERMITS PRIOR TO COMMENCEMENT OF CONSTRUCTION.
2. CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING SAFE AND ADEQUATE WORKING CONDITIONS THROUGHOUT THE DURATION OF CONSTRUCTION OF THE PROPOSED SITE IMPROVEMENTS.
3. CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFICATION OF ALL SITE SETBACKS, EASEMENTS AND DIMENSIONS PRIOR TO COMMENCEMENT OF CONSTRUCTION.
4. ALL CONSTRUCTION MATERIALS AND WORKMANSHIP SHALL BE IN ACCORDANCE WITH THE LATEST STATE AND LOCAL GOVERNMENT CONSTRUCTION STANDARDS AND SPECIFICATIONS.
5. ALL HANDICAP ACCESSIBLE SITE IMPROVEMENTS SHALL BE CONSTRUCTED IN ACCORDANCE WITH ALL FEDERAL, STATE AND LOCAL CODES AND REQUIREMENTS.
6. IF DURING THE COURSE OF CONSTRUCTION THE CONTRACTOR FINDS ANY DISCREPANCIES OR CONFLICTS BETWEEN THE PROPOSED SITE IMPROVEMENTS INDICATED ON THE PLANS AND THE PHYSICAL CONDITIONS OF THE SITE, OR ANY ERRORS OR OMISSIONS WITHIN THE PLANS OR IN THE SITE LAYOUT AS PROVIDED BY THE ENGINEER, IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO IMMEDIATELY NOTIFY THE ENGINEER. UNTIL AUTHORIZED TO PROCEED, ANY WORK PERFORMED BY THE CONTRACTOR AFTER SUCH A DISCOVERY WILL BE AT THE CONTRACTOR'S SOLE RISK AND EXPENSE.
7. CONTRACTOR SHALL COORDINATE ALL SITE IMPROVEMENTS WITH ARCHITECTURAL PLANS. ARCHITECTURAL PLANS SHALL BE USED FOR BUILDING STAKEOUT.
8. CONTRACTOR SHALL COORDINATE ALL LANDSCAPE IMPROVEMENTS, INCLUDING NEW PLANTINGS AND TURF AREA RESTORATION REQUIREMENTS, WITH LANDSCAPE PLANS.
9. CONSTRUCTION SURVEY AND STAKEOUT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR.
10. ALL DIMENSIONS SHOWN ARE MEASURED FROM FACE OF CURB TO FACE OF CURB OR EDGE OF PAVEMENT TO EDGE OF PAVEMENT UNLESS OTHERWISE NOTED.
11. ALL CURB RADII ARE MEASURED AT THE FACE OF CURB UNLESS OTHERWISE NOTED.
12. ALL NEW ASPHALT AND/OR CONCRETE PAVING SHALL MATCH EXISTING PAVEMENTS FLUSH.
13. CONTRACTOR SHALL RESTORE ALL DISTURBED AREAS OUTSIDE OF CONSTRUCTION LIMITS TO ORIGINAL CONDITION OR BETTER.
14. CONTRACTOR SHALL REPAIR AT HIS EXPENSE ANY DAMAGE TO EXISTING ASPHALT, CONCRETE, CURBS, SIDEWALKS, ETC. RESULTING FROM CONSTRUCTION TRAFFIC AND/OR OPERATIONS. REPAIRS SHALL BE MADE TO THE SATISFACTION OF THE OWNER AND/OR ENGINEER.
15. ALL FIRE ACCESS LANES WITHIN THE PROJECT AREA SHALL REMAIN IN SERVICE, CLEAN OF DEBRIS, AND ACCESSIBLE FOR USE BY EMERGENCY VEHICLES.
16. SEE GENERAL NOTES SHEET FOR ADDITIONAL INFORMATION AND REQUIREMENTS.

GENERAL NOTES:

1. GRAPHIC SYMBOLS TAKE PRECEDENCE OVER WRITTEN QUANTITIES AND KEYS ON PLAN.
2. CONTRACTOR TO REPAIR AND REPLACE ANY PLANT MATERIAL DAMAGED BY THIS CONSTRUCTION OUTSIDE PROJECT LIMITS. ANY EXISTING PLANT MATERIAL DAMAGED BY CONTRACTOR DURING CONSTRUCTION SHALL BE REPLACED WITH LIKE MATERIAL OF SIMILAR SPECIES AND SIZE AT THE CONTRACTOR'S EXPENSE WITH NO ADDITIONAL COST TO OWNER OR TENANT.
3. TWO WEEKS PRIOR TO PLANTING, THE CONTRACTOR SHALL SUBMIT TO THE OWNER / OWNER'S REPRESENTATIVE A PLANT PHOTO SUBMITTAL FOR APPROVAL. IF REQUESTED, BY THE OWNER, THE LANDSCAPE ARCHITECT WILL TAG THE MATERIAL.
4. EACH PHOTO SHALL CLEARLY SHOW THE SIZE, FORM, AND BRANCHING STRUCTURE AND QUALITY OF THE PLANT.
5. EACH PHOTO SHALL HAVE THE PLANT NAME, SIZE AND SPECIFICATIONS LABELED ON THE PHOTO.
6. ANY PHOTO SHOWING A GROUP OF PLANTS CLOSE TOGETHER WILL NOT BE ACCEPTED.
7. NO PARTIAL OR INCOMPLETE SUBMITTAL WILL BE ACCEPTED FOR REVIEW. ANY REJECTED SPECIES WILL BE SUBJECT TO RESUBMITTAL.
8. SAMPLES OF RIVER ROCK COBBLESTONE ARE TO BE PROVIDED TO OWNER/TENANT FOR REVIEW AND APPROVAL TWO (2) WEEKS PRIOR TO CONSTRUCTION. NO COBBLESTONE IS TO BE INSTALLED WITHOUT PRIOR APPROVAL FROM TEXAS ROADHOUSE.
9. CONTRACTOR TO PROVIDE SITE IRRIGATION FOR ALL LANDSCAPE AREAS. IRRIGATION FOR THESE AREAS TO PROVIDE 100% COVERAGE OF ALL PLANTED AREAS. SHRUB BEDS TO BE WATERED WITH SUBSURFACE IRRIGATION. LAWN AREAS TO BE KEPT ON SEPARATE ZONES FROM SHRUB BEDS, DO NOT SPRAY ONTO BUILDING. IRRIGATION SYSTEM TO BE DESIGNED INSTALLED PER ALL LOCAL, STATE AND FEDERAL CODES.

MAINTENANCE OF LANDSCAPING:

THE OWNER, TENANT, OR AGENT, IF ANY, SHALL BE RESPONSIBLE FOR PROVIDING, PROTECTING AND MAINTAINING ALL LANDSCAPING IN HEALTHY GROWING CONDITIONS, REPLACING IT WHEN NECESSARY TO ENSURE CONTINUOUS CONFORMANCE WITH THESE GUIDELINES AND KEEPING IT FREE FROM REFUSE AND DEBRIS. MAINTENANCE SHALL INCLUDE THE REPLACEMENT OF ALL DEAD PLANT MATERIAL WITHIN
THE GUARANTEED CONTRACT PERIOD.

(4/21/2017 12:38 PM KB)

SP2017-04 Dunkin Academy Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Kevin Patel, P. E. on behalf of William Shaddock of Master Developers-SNB, LLC for the approval of an amended site plan for a daycare facility on a 2.960-acre tract of land identified as Lot 1, Block S, Preserve, Phase 3 Addition and Tract 12 [1.4376-acres], A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 41 (PD-41) and Single Family 10 (SF-10) District, addressed as 1450 East Fork Drive, and take any action necessary.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (SP2017-014) in the lower right hand.

M.4 This site plan will require variances as submitted. The North and East elevations do not have stone. The requirement is 20% stone on each façade. You have the option to add the stone or request the variance.

M.5 The playground equipment needs to go behind the building—per SUP ordinance.

I.6 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by May 2, 2017.

M.7 The Planning & Zoning Worksession date for this case will be April 25, 2017. The Planning and Zoning Meeting for this case is May 9 2017. The City Council Meeting for this site plan is May 15, 2017

M.8 This site plan is required to go to Architectural Review Board—held at 5:00 p.m. on April 27 and May 9. You may or may not have to attend the May 9th ARB meeting.

I.9 All meetings will be held at 6:00 p.m. in the Council Chambers at City Hall

GENERAL NOTES

1. ALL CONSTRUCTION SHALL BE IN STRICT ACCORDANCE WITH THE STANDARDS OF THE CITY OF ROCKWALL.

2. A PERMIT IS REQUIRED TO CUT A CITY STREET OR WORK WITHIN THE RIGHT-OF-WAY. THE PERMIT IS ISSUED BY THE PUBLIC WORKS DEPARTMENT.

3. THE LOCATION OF UNDERGROUND UTILITIES INDICATED ON THE PLANS IS TAKEN FROM PUBLIC RECORDS. IT IS THE CONTRACTOR'S RESPONSIBILITY TO MAKE ARRANGEMENTS WITH THE OWNERS OF SUCH UNDERGROUND UTILITIES PRIOR TO WORKING IN THE AREA TO CONFIRM THEIR EXACT LOCATION AND TO DETERMINE WHETHER ANY ADDITIONAL UTILITIES OTHER THAN THOSE SHOWN ON THE PLANS MAY BE PRESENT. THE CONTRACTOR SHALL PRESERVE AND PROTECT ALL UNDERGROUND UTILITIES. IF EXISTING UNDERGROUND UTILITIES ARE DAMAGED, THE CONTRACTOR WILL BE RESPONSIBLE FOR THE COST OF REPAIRING THE UTILITY.

4. WHERE EXISTING UTILITIES OR SERVICE LINES ARE CUT, BROKEN OR DAMAGED, THE CONTRACTOR SHALL REPLACE OR REPAIR THE UTILITIES OR SERVICE LINES WITH THE SAME TYPE OF ORIGINAL MATERIAL AND CONSTRUCTION, OR BETTER, UNLESS OTHERWISE SHOWN OR NOTED ON THE PLANS, AT HIS OWN COST AND EXPENSE. THE CONTRACTOR SHALL IMMEDIATELY NOTIFY THE ENGINEER AT ONCE OF ANY CONFLICTS IN GRADES AND ALIGNMENT.

5. ALL EXCAVATIONS, TRENCHING AND SHORING OPERATIONS SHALL COMPLY WITH THE REQUIREMENTS OF THE U. S. DEPARTMENT OF LABOR, OSHA, "CONST. SAFETY AND HEALTH REGULATIONS.", VOL. 29, SUBPART P. PG. 128 - 137, AND ANY AMENDMENTS THERETO.

6. ADEQUATE MEASURES SHALL BE TAKEN TO PREVENT EROSION. IN THE EVENT THAT SIGNIFICANT EROSION OCCURS AS A RESULT OF CONSTRUCTION THE CONTRACTOR SHALL RESTORE THE ERODED AREA TO ORIGINAL CONDITION OR BETTER.

7. THE CONTRACTOR SHALL RESTORE ALL AREAS DISTURBED BY CONSTRUCTION TO ORIGINAL CONDITION OR BETTER. RESTORED AREAS INCLUDE, BUT ARE NOT LIMITED TO TRENCH BACKFILL, SIDE SLOPES, FENCES, CULVERT PIPES, DRAINAGE DITCHES, DRIVEWAYS, PRIVATE YARDS AND ROADWAYS.

8. ANY CHANGES NEEDED AFTER CONSTRUCTION PLANS HAVE BEEN RELEASED, SHALL BE APPROVED BY THE CITY ENGINEER. THESE CHANGES MUST BE RECEIVED IN WRITING FROM THE FROM THE DESIGN ENGINEER. THE DIRECTOR OF PUBLIC WORKS SHALL APPROVE ANY DEVIATIONS FROM STATE REGULATIONS.

9. THE CONTRACTOR SHALL PROVIDE "RED LINED" MARKED PRINTS TO THE ENGINEER PRIOR TO FINAL INSPECTION INDICATING ALL CONSTRUCTION WHICH DEVIATED FROM THE PLANS OR WAS CONSTRUCTED IN ADDITION TO THAT INDICATED ON THE PLANS.

256 CALIPER INCHES OF TREES REQUIRED TO BE MITIGATED ON SITE.
232 CALIPER INCHES OF TREES TO BE PLANTED ON SITE-REFER TO SHEET L.2 FOR PROPOSED TREE LOCATIONS
24 TREE CREDITS TO BE PAID TO THE CITY OF ROCKWALL TREE REFORESTATION FUND (24 X 125= $3,000.00)

EXISTING TREE NOTES

1. *Existing trees to remain shall be protected during construction from tree structure damage and compaction of soil under and around dripline (canopy) of tree.*
2. *If any root structure is damaged during adjacent excavation/construction, notify the Architect immediately. It is recommended that a licensed Arborist be secured for the treatment of any possible tree wounds.*
3. *No disturbance of the soil greater than 4" shall be located closer to the tree trunk than 1/2 the distance of the drip line to the tree trunk. A minimum of 75% of the drip line and root zone shall be preserved at natural grade.*
4. *Any fine grading done within the critical root zones of the protected trees must be done with light machinery such as a bobcat or light tractor. No earth moving equipment with tracks is allowed within the critical root zone of the trees.*
5. *Material Storage: No materials intended for use in construction or waste materials accumulated due to excavation or demolition shall be placed within the limits of the dripline of any tree.*
6. *Equipment Cleaning/Liquid Disposal: No equipment may be cleaned, toxic solutions, or other liquid chemicals shall be deposited within the limits of the dripline of a tree. This would include but not be limited to paint, oil, solvents, asphalt, concrete, mortar, primers, etc.*
7. *Tree Attachments: No signs, wires or other attachments, other than those of a protective nature shall be attached to any tree.*
8. *Vehicular Traffic: No vehicular and construction equipment traffic or parking is allowed within the limits of the dripline of trees.*
9. *Boring of Utilities: May be permitted under protected trees in certain circumstances. The minimum length of the bore shall be the width of the tree's canopy and shall be a minimum depth of forty-eight (48") inches.*
10. *Trenching: Any irrigation trenching which must be done within the critical root zone of a tree shall be dug by hand and enter the area in a radial manner.*
11. *Tree Flagging: All trees to be removed from the site shall be flagged by the Contractor with bright red vinyl tape (3" width) wrapped around the main trunk at a height of four (4') feet above grade. Flagging shall be approved by Landscape Architect prior to any tree removal. Contractor shall contact Landscape Architect with 72 hour notice to schedule on-site meeting.*
12. *Protective Fencing: All trees to remain, as noted on drawings, shall have protective fencing located at the tree's dripline. The protective fencing may be comprised of snow fencing, orange vinyl construction fencing, chain link fence or other similar fencing with a four (4') foot approximate height. The protective fencing will be located as indicated on the Tree Protection Detail(s).*
13. *Bark Protection: In situations where a tree remains in the immediate area of intended construction, the tree shall be protected by enclosing the entire circumference of the tree's trunk with lumber encircled with wire or other means that does not damage the tree. Refer to Tree Protection Detail(s).*
14. *Construction Pruning: In a case where a low hanging limb is broken during the course of construction, the Contractor shall notify the Landscape Architect immediately. In no instance shall the Contractor prune any portion of the damaged tree without the prior approval by the Landscape Architect.*

Specifications

EPA:	1.2 ft² (0.11 m²)
Length:	17-1/2" (44.5 cm)
Width:	17-1/2" (44.5 cm)
Height:	7-1/8" (18.1 cm)
Weight (max):	36 lbs. (16.4 kg)

Introduction

The Contour® Series luminaires offer traditional square dayforms with softened edges for a versatile look that complements many applications. The KAD LED combines the latest in LED technology with the familiar aesthetic of the Contour® Series for stylish, high-performance illumination that lasts. It is ideal for replacing 100–400W metal halide in area lighting applications with typical energy savings of 65% and expected service life of over 100,000 hours.

* For round pole mounting (RPD only) | Requires 3" or 4" arm.

NOTES
1 MVOLT driver operates on any line voltage from 120-277V (50/60 Hz). Single fuse (SF) requires 120, 277 or 347 voltage option. Double fuse (DF) requires 208, 240 or 480 voltage option.
2 Available as a separate combination accessory: PUMBAK (finish) (‡).
3 Specifies a RCAM4® enabled luminaire with 0-10V dimming capability; PER option required. Additional hardware and services required for RCAM4® deployment; must be purchased separately. Call 1-800-442-6745 or contact your representative for more info. RCAM4® is FCC Part 15.
4 PIR specifies the SensorSwitch SBOR-11-DDP control; PIRH specifies the SensorSwitch SBOR-6-DDP control; see Motion Sensor Guide for details. Not available with BL30 or BL50.
5 Requires an additional switched circuit with same phase as main luminaire power.
6 Dimming driver standard. MVOLT only.
7 Also available as a separate accessory; see Accessories information at left.
8 Requires luminaire to be specified with PER option. Ordered and shipped as a separate line item.

Performance Data

Lumen Ambient Temperature (LAT) Multipliers

Use these factors to determine relative lumen output for average ambient temperatures from 0-40°C (32-104°F).

Ambient	Lumen Multiplier
0°C	32°F	1.02
10°C	50°F	1.01
20°C	68°F	1.00
25°C	77°F	1.00
30°C	86°F	1.00
40°C	104°F	0.99

Projected LED Lumen Maintenance

Data references the extrapolated performance projections for the **KAD LED** platform in a **25°C ambient**, based on 10,000 hours of LED testing (tested per IESNA LM-80-08 and projected per IESNA TM-21-11).

To calculate LLF, use the lumen maintenance factor that corresponds to the desired number of operating hours below. For other lumen maintenance values, contact factory.

Operating Hours	0	25,000	50,000	100,000
Lumen Maintenance Factor	KAD LED 40C 1000			
	1.0	0.91	0.86	0.76
	KAD LED 40C 1000			
	1.0	0.93	0.88	0.79
	KAD LED 60C 700			
	1.0	0.96	0.92	0.84

FEATURES & SPECIFICATIONS

INTENDED USE
The energy savings and long life of the KAD LED area luminaire make it a reliable choice for illuminating streets, walkways, parking lots, and surrounding areas.

CONSTRUCTION
Single-piece die-cast aluminum housing with contoured edges has a 0.12" nominal wall thickness. Integral heat sink design. Lens has an impact-resistant, tempered glass lens that is fully gasketed with one piece hinged door.

FINISH
Exterior parts are protected by a zinc-infused Super Durable TGIC thermoset powder coat finish that provides superior resistance to corrosion and weathering. A tightly controlled multi-stage process ensures a minimum 3-mils thickness for a finish that can withstand extreme climate changes without cracking or peeling.

OPTICS
Precision-molded refractive acrylic lenses are available in four distributions. Light engines are available in standard 4000K, 3000K or 5000K (70 CRI) configurations.

ELECTRICAL
Light engine consists of high-efficacy LEDs mounted to a metal-core circuit board and aluminum heat sink, ensuring optimal thermal management and long life. Class 1 electronic driver has a power factor >90%, THD <20%, and operates from 120-277V (50/60 Hz) or 347-480V (50/60 Hz). Comes standard with a 10kV surge protection device meets a minimum Category C Low (per ANSI/IEEE C62.41.2).

INSTALLATION
Included universal mounting block and extruded aluminum arm facilitate quick and easy installation using nearly any existing drilling pattern. Stainless steel bolts fasten the luminaire to the mounting block. Luminaire is rated for use in 3G vibration load rating per ANSI C136.31, and 5 G vibration load rating per ANSI C136.31. The KAD LED also utilizes the standard K-Series (Template #5) for pole drilling.

LISTINGS
CSA certified to U.S. and Canadian standards. Luminaire is IP65 rated. Rated for -40°C minimum ambient. DesignLights Consortium® (DLC) qualified product. Not all versions of this product may be DLC qualified. Please check the DLC Qualified Products List at www.designlights.org to confirm which versions are qualified.

WARRANTY
Five year limited warranty. Full warranty terms located at www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx.

Note: Specifications subject to change without notice.

© 2012-2014 Acuity Brands Lighting, Inc. All rights reserved.

Performance Data

Lumen Output

Lumen values are from photometric tests performed in accordance with IESNA LM-79-08. Data is considered to be representative of the configurations shown, within the tolerances allowed by Lighting Facts. Actual performance may differ as a result of end-user environment and application. Actual wattage may differ by +/- 10% when operating between 120-480V +/-10%. Contact factory for performance data on any configurations not shown here.

AGENDA
PLANNING AND ZONING COMMISSION PUBLIC HEARING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
May 9, 2017
6:00 P.M.

CALL TO ORDER

CONSENT AGENDA

1. **Approval of Minutes** for the *April 25, 2017* Planning and Zoning Commission meeting.

2. **P2017-017** (David)
Consider a request by Jason Lentz of Atticus Harbor Village for the approval of a replat for Lot 1, Block A and Lot 1, Block B, Harbor Village Addition being a 6.904-acre tract of land identified as Lots 3A, 4A & 5A, Isaac Brown Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) District, located adjacent to Summer Lee Drive southwest of the intersection of Horizon Road [*FM-3097*] and Summer Lee Drive, and take any action necessary.

3. **P2017-020** (Korey)
Consider a request by William and Sandie Wood for the approval of a final plat of Lot 1, Block A, Wood Estates Addition being a 3.58-acre tract of land identified as Tract 60-01 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, generally located east of the intersection of S. Clark Street and Washington Street, and take any action necessary.

4. **P2017-021** (David)
Consider a request by Cameron Slown of F. C. Cuny Corporation on behalf of Robert S. Whittle for the approval of a preliminary plat for the Highlands Subdivision containing 53 single-family residential lots on a 13.376-acre tract of land identified as Tract 2 of the M. B. Jones Survey, Abstract No. 122, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for Zero Lot Line (ZL-5) District land uses, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located at the northwest corner of the intersection of SH-66 and FM-1141, and take any action necessary.

5. **P2017-022** (Korey)
Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH Phase VI SF, LTD. for the approval of a final plat for Breezy Hill, Phase VI containing 79 single-family residential lots on a 32.022-acre portion of a larger 61.528-acre tract of land identified as Tract 7 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, generally located northeast of the intersection of N. John King Boulevard and Life Springs Drive, and take any action necessary.

6. **P2017-023** (David)
Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of Stone Creek Phase 8, LTD. for the approval of a final plat for Stone Creek, Phase VIII containing 102 single-family residential lots on a 28.655-acre tract of land identified as Tract 3 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 70 (PD-70) for Single Family-10 (SF-10) District land uses, generally located at the northwest corner of the intersection of Hay Road and E. Quail Run Road, and take any action necessary.

7. **MIS2017-005** (Korey)
Consider a request by Maria Bonilla of Winklemann & Associates on behalf of Jim Ziegler of PegasusAblon for the approval of an amended *Treescape Plan* for a 12.6747-acre tract of land identified as Lot 5, Block A, The Harbor-Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 7 (PD-7), located at the southwest corner of the intersection of Summer Lee Drive and Lakefront Trail, and take any action necessary.

PUBLIC HEARING ITEMS

8. **Z2017-013** (Korey)
Hold a public hearing to discuss and consider a request by Andrew Spearman for the approval of a Specific Use Permit (SUP) to allow for an accessory building that does not meet the minimum requirements as

stipulated by Article IV, *Permissible Uses*, of the Unified Development Code for a 3.128-acre tract of land identified as Tract 25 of the E. M. Elliott Survey, Abstract No. 77, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 1.5 (SFE-1.5) District, situated within the FM-549 Overlay (FM-549 OV) District, addressed as 2180 Airport Road, and take any action necessary.

9. **Z2017-014** (Ryan)
   Hold a public hearing to discuss and consider a request by Dr. Josh Cope of Premiere Vet Care Animal Clinic on behalf of David Falls for the approval of a Specific Use Permit (SUP) for an *Animal Clinic for Small Animals* in Planned Development District 50 (PD-50) for a one (1) acre parcel of land identified as Block 26 of the Gardner Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 901 N. Goliad Street [*SH-205*], and take any action necessary.

10. **Z2017-015** (David)
    Hold a public hearing to discuss and consider a request by Matt King on behalf of Archie Underwood for the approval of a Specific Use Permit (SUP) for a *Hotel* in a Commercial (C) District for a 1.345-acre parcel of land identified as Lakeside Batting Park Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 801B E. IH-30, and take any action necessary.

11. **Z2017-016** (David)
    Hold a public hearing to discuss and consider a request by Dan Claassen of Business Parks of America II, LLC on behalf of the owner Randall Noe of Rockwall Rental Properties, LP for the approval of a zoning change from a Commercial (C) District to a Light Industrial (LI) District for 3.287-acre tract of land identified as Tract 3-01 [*2.182-acres*] & Tract 3-2 [*1.087-acres*] of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the northwest corner of the intersection of Enterprise Drive and the IH-30 Frontage Road, and take any action necessary.

12. **Z2017-017** (Ryan)
    Hold a public hearing to discuss and consider the *Revocation* of *Ordinance No. 15-05* (*i.e. SUP No. S-131*) under Section 4.4 of Article IV, *Permissible Uses*, of the Unified Development Code for failing to meet the terms of *S-131*, which would have allowed outside storage and a new motor vehicle dealership on a ten (10) acre tract of land identified as Tract 4-02 and Tract 4 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Corridor Overlay (IH-30 OV) District, addressed as 1530 E. IH-30, and take any action necessary.

13. **Z2017-018** (Korey)
    Hold a public hearing to discuss and consider a request by Cesar Sagovia of Rogue Architects on behalf of Starbucks Coffee Company for the approval of a Specific Use Permit (SUP) amending *Ordinance No. 12-29* (*S-099*) to allow for an expansion to the existing restaurant on a 0.182-acre portion of a larger 25.927-acre parcel of land identified as Lot 6, Block A, Wal-Mart Supercenter Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District and within the IH-30 (IH-30 OV) Overlay District, addressed as 778 E. IH-30, and take any action necessary.

ACTION ITEMS

14. **SP2017-010** (David)
    Discuss and consider a request by Rick Dirkse on behalf of Rockwall Trinity Real Estate, LLC for the approval of a downtown development plan and site plan for an office building on a 0.63-acre tract of land identified as Lots 1-6, Block B, Rockwall Old Towne Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, situated within the SH-66 Overlay (SH-66 OV) District, addressed as 301 & 303 N. Goliad Street [*SH-205*], and take any action necessary.

15. **SP2017-012** (David)
    Discuss and consider a request by Curtis Behrens of Greenberg Farrow on behalf of Doug Druen of Texas Roadhouse Holdings, LLC for the approval of a site plan for a restaurant [*Texas Roadhouse*] on a 2.07-acre portion of a larger 8.613-acre tract of land identified as Tract 4 of the J. D. McFarland Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, IH-30 Overlay (IH-30 OV) District, generally located east of the intersection of Greencrest Boulevard and the IH-30 Frontage Road, and take any action necessary.

16. **SP2017-014** (Korey)

Discuss and consider a request by Kevin Patel, P. E. on behalf of William Shaddock of Master Developers-SNB, LLC for the approval of an amended site plan for a daycare facility on a 2.960-acre tract of land identified as Lot 1, Block S, Preserve, Phase 3 Addition and Tract 12 [*1.4376-acres*], A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 41 (PD-41) and Single Family 10 (SF-10) District, addressed as 1450 East Fork Drive, and take any action necessary.

DISCUSSION ITEMS

17. Director's Report of post Council meeting outcomes of Planning & Zoning cases (Ryan).

- ✓ P2017-019: Lots 3 & 4, Block A, Woods at Rockwall Addition [*Approved*]
- ✓ P2017-024: Lots 26 & 27, Block E, The Preserve, Phase I Addition [*Approved*]
- ✓ Z2017-007: Zoning Change for the Gideon Property (AG to PD) (*2nd Reading*) [*Approved*]
- ✓ Z2017-009: SUP for 1415 & 1501 E. IH-30 (*1st Reading*) [*Approved*]
- ✓ Z2017-010: Amendment to PD-32 (*2nd Reading*) [*Approved*]
- ✓ Z2017-011: Text Amendment for Section 4.8, *Downtown (DT) District* (*2nd Reading*) [*Approved*]
- ✓ Z2017-012: Zoning Change (AG to SFE-2.0) for 3401 FM-549 (*2nd Reading*) [*Approved*]

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator of the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 5th day of May, 2017 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

AGENDA
PLANNING AND ZONING COMMISSION WORK SESSION
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
May 30, 2017
6:00 P.M.

CALL TO ORDER

CONSENT AGENDA

1. **P2017-016** **(Korey)**
   Discuss and consider a request by Glen and Rosie Cox for the approval of a final plat of Lots 1 & 2, Block A, Cox Acres Addition being a 29.97-acre tract of land identified as Tract 7 of the J. M. Gass Survey, Abstract No. 88, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located on the south side of Quail Run Road east of the intersection of Quail Run and John King Boulevard, and take any action necessary.

2. **P2017-025** **(David)**
   Discuss and consider a request by Stephen Coslik of Rockwall Crossing, LTD for the approval of a replat for Lots 12 & 13, Block A, Rockwall Crossing Addition being a 22.246-acre parcel of land currently identified as Lot 9, Block A, Rockwall Crossing Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the south side of the IH-30 Frontage Road east Mims Road, and take any action necessary.

3. **P2017-026** **(Korey)**
   Discuss and consider a request by Jerry Monk of Monk Consulting on behalf of Dr. Steve Arze of Zaph & Ath Properties, LLC for the approval of a final plat for Lots 1-3, Block A, Landing Point Addition being a 4.88-acre tract of land identified as Tract 4-01 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located north of the intersection of Industrial Boulevard and Airport Road, and take any action necessary.

4. **P2017-027** **(Korey)**
   Discuss and consider a request by Randal Currington of Fontanna Ranch Phase II, LP for the approval of an amending plat for Phase II of the Fontanna Ranch Subdivision containing 49 single-family residential lots on a 19.167-acre tract of land identified as Tract 5 of the J. A. Ramsey Survey, Abstract No. 186, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 64 (PD-64) for Single Family 16 (SF-16) land uses, generally located east of FM-549 and south of SH-276, and take any action necessary.

5. **P2017-028** **(David)**
   Discuss and consider a request by Mushtak Khatri of T. Rockwall Phase 2, LLC for the approval of a replat for Lot 5, Block A, Rockwall Commons Addition being a 3.802-acre parcel of land currently identified as Lot 6, Block A, Rockwall Commons Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 1 (PD-1) for mixed use development, generally located on Ridge Road [*FM-740*] south of Summit Ridge Drive, and take any action necessary.

APPOINTMENTS

6. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

ACTION ITEMS

7. **MIS2017-006** **(Korey)**
   Discuss and consider a request by Lance Tyler for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, *General Residential District Standards*, of Article V, *District Development Standards*, of the Unified Development Code, for a 12.0-acre portion of a larger 29.97-acre tract of land identified as Tract 7 of the J. M. Glass Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located east of the intersection of John King Boulevard and E. Quail Run Road, and take any action necessary.

DISCUSSION ITEMS

8. **Z2017-019** **(David)**
   Hold a public hearing to discuss and consider a request by Clarence L. Jorif of *The Compound at Rockwall* on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

9. **Z2017-020** **(David)**
   Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

10. **Z2017-021** **(Korey)**
    Hold a public hearing to discuss and consider a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a zoning change from Residential-Office (RO) District to General Retail (GR) District for a 2.35-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, addressed as 4031 N. Goliad Street, and take any action necessary.

11. **Z2017-022** **(Ryan)**
    Hold a public hearing to discuss and consider a City initiated request for the approval of a text amendment to Section 6.8, *205 By-Pass Corridor Overlay (205 BY-OV) District*, of Article V, *District Development Standards*, and Section F.3, *District Landscaping Requirements*, of *Appendix 'F'*, *Landscaping Requirements and Guidelines*, of the Unified Development Code for the purpose of amending the residential frontage requirements and clarifying certain sections of the code, and take any action necessary.

12. **SP2017-016** **(David)**
    Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

13. **SP2017-017** **(Korey)**
    Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [*Presbyterian Hospital*] on a 18.871-acre portion of a larger 8.867-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

14. **H2017-007** **(David)**
    Hold a public hearing to discuss and consider a City initiated request for the purpose of *rescinding* the *Local Landmark Designation* (*i.e. Ordinance No. 08-15*) for the *Spafford House* being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

15. Director's Report of post Council meeting outcomes of Planning & Zoning cases **(Ryan)**.

- ✓ P2017-017: Lot 1, Block B, Harbor Village Addition [*Approved*]
- ✓ P2017-020: Lot 1, Block A, Wood Estates Addition [*Approved*]

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator of the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 26th day of May, 2017 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

AGENDA
ARCHITECTURAL REVIEW BOARD MEETING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers Conference Room
May 30, 2017
5:00 PM

CONSENT AGENDA

1. **SP2017-017** **(Korey)**
   Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [*Presbyterian Hospital*] on a 18.871-acre portion of a larger 8.867-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

ACTION ITEMS

2. **SP2017-016** **(David)**
   Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 26th day of May, 2017, by 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 05/30/2017

APPLICANT: Glen and Rosie Cox

AGENDA ITEM: **P2017-016;** *Lots 1 & 2, Block A, Cox Acres Addition*

SUMMARY:

Discuss and consider a request by Glen and Rosie Cox for the approval of a final plat of Lots 1 & 2, Block A, Cox Acres Addition being a 29.97-acre tract of land identified as Tract 7 of the J. M. Gass Survey, Abstract No. 88, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located on the south side of Quail Run Road east of the intersection of Quail Run and John King Boulevard, and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of this request is to final plat two (2) parcels of land [*Lots 1 & 2, Block A, Cox Acres Addition*] for the purpose of establishing the necessary easements and provide for the required 25-foot right-of-way dedication adjacent to Quail Run Road for the construction of two (2) single-family residential homes.

- ☑ On May 11, 2017, the Board of Adjustments approved a request for a variance [*Order No. BOA 2017-4-V*] reducing the lot frontage requirement from 100-feet to 60-feet for Lot 2.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to approve the *final plat* for *Lots 1 & 2, Block A, Cox Acres Addition,* staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

P2017-16 Lots 1 & 2, Block A, Cox Acres Addition Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Glen and Rosie Cox for the approval of a final plat of Lots 1 & 2, Block A, Cox Acres Addition being a 29.97-acre tract of land identified as Tract 7 of the J. M. Gass Survey, Abstract No. 88, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located on the south side of Quail Run Road east of the intersection of Quail Run and John King Boulevard, and take any action necessary.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (P2017-016) in the lower right hand corner of all pages on future submittals.

M.4 Please check the first bearing on the plat. It just says “North 1655.87”

M.5 Please show the 40-foot front yard setbacks on both lots.

I.6 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 6, 2017. The Planning and Zoning Meeting for this case is May 30, 2017.

I.7 The projected City Council meeting date and subsequent approval for this plat is June 5, 2017

STATE OF TEXAS
COUNTY OF ROCKWALL

OWNER'S CERTIFICATE
(Public Dedication)

WHEREAS, GLEN COX and ROSIE COX, BEING the Owners of a tract of land in the County of Rockwall, State of Texas, said tract being described as follows:

All that certain lot, tract or parcel of land situated in the J.M. GASS SURVEY ABSTRACT NO. 88, City of Rockwall, Rockwall County, Texas, and being all of a tract of land as described in a Trustee's Deed to Sharon Van Fosson, dated March 14, 2016 and being recorded in Document no. 20160000002423 of the Official Public Records of Rockwall County, Texas, and being the same tract of land as described as Tract 2 in a Deed to Joe W. Gideon and Katherine Gideon, as recorded in Volume 35, Page 591 of the Deed Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner at the southwest corner of said Van Fosson tract and the southwest corner of said Gass Survey;

THENCE NORTH along the west line of said tract, at 1630.87 feet pass a 1/2" iron rod found for witness and continuing for a total distance of 1655.87 feet to a P-K nail found in pavement in the center of Quail Run Road;

THENCE S. 89 deg. 33 min. 17 sec. E. along the center of Quail Run Road, a distance of 788.87 feet to a P-K nail found in pavement for corner;

THENCE S. 00 deg. 06 min. 26 sec. W. a distance of 1660.11 feet to a 1/2" iron rod found for corner at the southwest corner of SADDLEBROOK ESTATES SECTION 2, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet B, Slide 238 of the Plat Records of Rockwall County, Texas;

THENCE N. 89 deg. 14 min. 37 sec. W. a distance of 785.80 feet to the POINT OF BEGINNING and containing 29.97 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as COX ACRES, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

CASE NO. P2017-

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 05/30/2017

APPLICANT: Stephen Coslik of *Rockwall Crossing, LTD*

AGENDA ITEM: **P2017-025;** *Lots 12 & 13, Block A, Rockwall Crossing Addition*

SUMMARY:

Discuss and consider a request by Stephen Coslik of Rockwall Crossing, LTD for the approval of a replat for Lots 12 & 13, Block A, Rockwall Crossing Addition being a 22.246-acre parcel of land currently identified as Lot 9, Block A, Rockwall Crossing Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the south side of the IH-30 Frontage Road east Mims Road, and take any action necessary.

COMMENTS:

☑ The applicant is requesting approval of a final plat for the purpose of re-platting Lot 9 of the *Rockwall Crossing Addition* and creating an additional lot (*i.e. Lot 13*) for future development. The 0.764-acre irregular shaped lot fronts Ralph Hall Parkway, is adjacent to and east of the TXDOT construction/storage site, and south of Cotton Patch restaurant. The *subject property* is zoned Commercial (C) District, is situated within the IH-30 Overlay (IH-30 OV) District, and is subject to the standards of these districts when developed. It should be noted that the replat does not necessitate any additional easements for the development of Lot 13.

☑ The surveyor has completed the majority of the technical revisions requested by staff, and this final plat, conforming to the requirements for plats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the *Recommendations* section below.

☑ With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the replat for *Lots 12 &13, Block A*, *Rockwall Crossing Addition*, staff would recommend the following conditions of approval:

1) All staff comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit.

2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Discuss and consider a request by Stephen Coslik of Rockwall Crossing, LTD for the approval of a replat for Lots 12 & 13, Block A, Rockwall Crossing Addition being a 22.246-acre parcel of land currently identified as Lot 9, Block A, Rockwall Crossing Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the south side of the IH-30 Frontage Road east Mims Road, and take any action necessary

PLANNING COMMENTS - DAVID GONZALES - 05.16.2017

The following staff comments are to be addressed and resubmitted no later than Tuesday, June 6, 2017. Please provide two FOLDED large copies [18" X 24"] and one PDF version for a subsequent review by staff:

1. Adherence to all Engineering and Fire Department standards shall be required.
2. Provide a label indicating "Case No. P2017-025" on the lower right corner on all pages of the revised submittal.
3. Plat mylars are to be filed prior to issuance of a building permit.
4. Tie at least two (2) corners to City monumentation (X & Y coordinates).
5. Change Title Block to read "Final Plat" rather than 'replat' at top of title block. Language indicates "being a replat of"

** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions resubmitted and approved (by staff) prior to plat submittal on mylar for filing purposes. **

Meeting Dates to Attend - Due to the plat being on Consent Agenda, it is not necessary for you to attend; however, staff would recommend that someone be present for the meetings. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Action/Consent Agenda: May 30, 2017 (6:00p.m.)

City Council - Action/Consent : June 5, 2017 (6:00 p.m.)

VICINITY MAP
NOT TO SCALE
ROCKWALL, TEXAS

GENERAL NOTES:

1. According to surveyor's interpretation of information shown on the National Flood Insurance Program (NFIP) "Flood Insurance Rate Map" (FIRM), Community Panel No. 48397C0040 L, dated September 26, 2008. The property appears to lie within Zone "X" and the entire property lies within a "Areas determined to be outside the 0.2% annual chance floodplain" zone as defined by the U.S. Department of Housing and Urban Development, Federal Insurance Administration, or the Federal Emergency Management Agency.

2. The above referenced "FIRM" map is for use in administering the "NFIP"; it does not necessarily show all areas subject to flooding, particularly from local sources of small size, which could be flooded by severe, concentrated rainfall coupled with inadequate local drainage systems. There may be other streams, creeks, low areas, drainage systems or other surface or subsurface conditions existing on or near the subject property which are not studied or addressed as a part of the "NFIP".

3. All iron rods set (IRS) are 5/8-inch with a plastic cap stamped "RPLS 4838". All found monuments shown hereon are deemed to be controlling monuments.

4. All bearings shown herein are Texas State Plane Coordinate System, NAD83 (CORS), Texas North Central Zone (4202). All distances shown herein are surface distances.

5. Easements shown hereon are based on the recorded plat of ROCKWALL CROSSING, as recorded in Cabinet G, Slide 83, Plat Records, Rockwall County, Texas.

6. The Surveyor does not guarantee that all easements, rights, or other encumbrances which may affect the subject property are shown hereon.

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS **ROCKWALL CROSSING, LTD.**, BEING THE OWNER OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING 22.246 acres (969,073 square feet) of land in the John D. McFarland Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas; said 22.246 acres (969,073 square feet) of land being a all of that certain described Lot 9, Block A, ROCKWALL CROSSING (hereinafter referred to as Lot 9), an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet G, Slide 83, Plat Records, Rockwall County, Texas (P.R.R.C.T.); said Lot 9 being more particularly described, by metes and bounds, as follows:

BEGINNING at a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for a Northwesterly corner of said Lot 9, same being the Westerly corner of that certain tract of land described as Lot 10, Block A of said ROCKWALL CROSSING (hereinafter referred to as Lot 10), same also being the existing Southeasterly right-of-way line of Interstate Highway 30, (variable width right-of-way);

THENCE with the common line between said Lot 9 and said Lot 10 for the following **5** courses:

1. South 46 degrees 19 minutes 47 seconds East, departing the existing Southeasterly right-of-way line of said Interstate Highway 30, a distance of 252.37 feet to an "X" cut in concrete pavement set for an inner-ell corner of said Lot 9, same being the Southerly corner of said Lot 10;

2. North 43 degrees 26 minutes 23 seconds East, a distance of 154.72 feet to an "X" cut in concrete pavement set for corner;

3. North 71 degrees 35 minutes 12 seconds East, a distance of 42.35 feet to an "X" cut in concrete pavement set for corner;

4. North 45 degrees 22 minutes 04 seconds East, a distance of 17.01 feet to an "X" cut in concrete pavement set for corner, same being the Easterly corner of said Lot 10;

5. North 46 degrees 33 minutes 37 seconds West, a distance of 267.54 feet to a one-half inch iron rod with plastic cap stamped "DAI" found for an angle point in the Northwesterly line of said Lot 9, same being the northerly corner of said Lot 10, same being the existing Southeasterly right-of-way line of said Interstate Highway 30, same also being the beginning of a non-tangent curve to the left, whose long chord bears North 39 degrees 24 minutes 17 seconds East, a distance of 555.92 feet;

THENCE Northeasterly with the common line between said Lot 9 and the existing Southeasterly right-of-way line of said Interstate Highway 30 and with said non-tangent curve to the left having a radius of 3970.90 feet, through a central angle of 8 degrees 01 minute 41 seconds, for an arc distance of 556.38 feet to a five-eighths inch iron rod with plastic cap stamped "WALLACE" found for corner;

THENCE North 35 degrees 12 minutes 58 seconds East, continue with the common line between said Lot 9 and the existing Southeasterly right-of-way line of said Interstate Highway 30, a distance of 31.79 feet to a five-eighths inch iron rod with plastic cap stamped "WALLACE" found for a Northerly corner of said Lot 9, same being the Westerly corner of that certain tract of land described as Lot 11, Block A, ROCKWALL CROSSING (hereinafter referred to as Lot 11), an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet H, Slide 145, P.R.R.C.T.;

THENCE South 46 degrees 33 minutes 37 seconds East, departing the existing Southeasterly right-of-way line of said Interstate Highway 30 and with the common line between said Lot 9 and said Lot 11,a distance of 318.00 feet to an "X" cut in concrete pavement found for an inner-ell corner of said Lot 9, same being the Southerly corner of said Lot 11;

THENCE North 29 degrees 09 minutes 35 seconds East, continue with the common line between said Lot 9 and said Lot 11, a distance of 206.38 feet to an "X" cut in concrete pavement found for an angle point in the Northwesterly line of said Lot 9, same being the Easterly corner of said Lot 11, same also being the Southerly corner of that certain tract of land described as Lot 8, Block A, ROCKWALL CROSSING (hereinafter referred to as Lot 8), an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet G, Slide 19, P.R.R.C.T.;

THENCE North 44 degrees 09 minutes 24 seconds East with the common line between said Lot 9 and said Lot 8, a distance of 196.17 feet to a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for a Northerly corner of said Lot 9, same being the Easterly corner of said Lot 8, same also being the Southwesterly line of that certain tract of land described as Lot 6, ROCKWALL BUSINESS PARK EAST SUBDIVISION (hereinafter referred to as Lot 6), an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet G, Slide 231, P.R.R.C.T.;

THENCE South 45 degrees 50 minutes 36 seconds East with the common line between said Lot 9 and said Lot 6, a distance of 883.65 feet to a five-eighths inch iron rod with plastic cap stamped "WALLACE" found for the Easterly corner of said Lot 9, same being the Southerly corner of said Lot 6, same also being the existing Northwesterly right-of-way line of Ralph Hall Parkway (85' right-of-way), as recorded in Volume 2311, Page 285, Deed Records, Rockwall County, Texas (D.R.R.C.T.);

THENCE South 62 degrees 30 minutes 30 seconds West with the common line between said Lot 9 and the existing Northwesterly right-of-way line of said Ralph Hall Parkway, a distance of 847.44 feet to a five-eighths inch iron rod with plastic cap stamped "WALLACE" found for the beginning of a curve to the left, whose long chord bears South 53 degrees 25 minutes 22 seconds West, a distance of 392.26 feet;

THENCE Southwesterly, with the common line between said Lot 9 and the existing Northwesterly right-of-way line of said Ralph Hall Parkway and with said curve to the left having a radius of 1242.00 feet, through a central angle of 18 degrees 10 minutes 18 seconds, fro an arc distance of 393.91 feet to an "X" cut in concrete pavement for for the Southerly corner of said Lot 9, same being the Easterly corner of that certain tract of land described in a deed to State of Texas (hereinafter referred to as Texas Department of Transportation tract), as recorded in Volume 65, Page 591, D.R.R.C.T.;

THENCE North 46 degrees 19 minutes 47 seconds West, departing the existing Northwesterly right-of-way line of said Ralph Hall Parkway and with the common line between said Lot 9 and said Texas Department of Transportation tract, a distance of 667.33 feet to a four-inch metal fence post found for corner, same being the Northerly corner of said Texas Department of Transportation tract;

Continued:

THENCE South 43 degrees 31 minutes 18 seconds West, continue with the common line between said Lot 9 and said Texas Department of Transportation tract, a distance of 167.53 feet to a five-eighths inch iron rod with plastic cap stamped "WALLACE" found for a Southerly corner of said Lot 9, same being the Easterly corner of that certain tract of land described in a deed to City of Rockwall (hereinafter referred to as City of Rockwall tract), as recorded in Volume 3746, Page 116, D.R.R.C.T.;

THENCE North 46 degrees 34 minutes 00 seconds West, departing the Northwesterly line of said Texas Department of Transportation tract and with the common line between said Lot 9 and said City of Rockwall tract, a distance of 115.22 feet to a five-eighths inch iron rod with plastic cap stamped "WALLACE" found for a Westerly corner of said Lot 9, same being the Northerly corner of said City of Rockwall tract, same being the existing Southeasterly right-of-way line of the aforesaid Interstate Highway 30, same alos being the beginning of a non-tangent curve to the left, whose long chord bears North 47 degrees 40 minutes 24 seconds East, a distance of 173.43 feet;

THENCE Northeasterly with the common line between said Lot 9 and the existing Southeasterly right-of-way line of said Interstate Highway 30 and with said non-tangent curve to the left having a radius of 3970.90 feet, through a central angle of 2 degrees 30 minutes 10 seconds, fro an arc distance of 173.45 feet to the **PLACE OF BEGINNING**, and containing a calculated area of 22.246 acres (969,073 square feet) of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as the **ROCKWALL CROSSING** subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the **ROCKWALL CROSSING** subdivision have been notified and signed this plat. We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be
used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or
Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 05/30/2017

APPLICANT: Jerry Monk; *Monk Consulting*

AGENDA ITEM: **P2017-026**; *Lots 1-3, Block A, Landing Point Addition*

SUMMARY:

Discuss and consider a request by Jerry Monk of Monk Consulting on behalf of Dr. Steve Arze of Zaph & Ath Properties, LLC for the approval of a final plat for Lots 1-3, Block A, Landing Point Addition being a 4.88-acre tract of land identified as Tract 4-01 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located north of the intersection of Industrial Boulevard and Airport Road, and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of this request is to final plat a 4.88-acre tract of land [*i.e. Tract 44-01 of the N. Butler Survey, Abstract No. 20*] into three (3) parcels of land [*i.e. Lots 1-3, Block A, Landing Point Addition*] for the purpose of establishing the necessary fire lane, utility, public access, detention, and drainage easements for the proposed three (3) lots. The site is located north of the intersection of Industrial Boulevard and Airport Road and is zoned Commercial (C) District.

- ☑ On August 8, 2016, the Planning and Zoning Commission approved a site plan [*SP2016-015*] for a 12,500 sq. ft. indoor recreation facility (*i.e. Adventure Sports*).

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this final plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to approve the *final plat* for *Lots 1-3, Block A, Landing Point Addition,* staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

P2017-26 Lots 1-3, Block A, Landing Point Addition Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Jerry Monk of Monk Consulting on behalf of Dr. Steve Arze of Zaph & Ath Properties, LLC for the approval of a preliminary plat for Lots 1-3, Block A, Landing Point Addition being a 4.88-acre tract of land identified as Tract 4-01 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located north of the intersection of Industrial Boulevard and Airport Road, and take any action necessary.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (P2017-026) in the lower right hand corner of all pages on future submittals.

M.4 Please check the graphic scale. It seems to be off—as if were enlarged.

I.5 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 6, 2017. The Planning and Zoning Meeting for this case is May 30, 2017.

I.6 The projected City Council meeting date and subsequent approval for this plat is June 5, 2017

OWNER'S CERTIFICATE
(Public Dedication)

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS ZAPH & ATH PROPERTIES, LLC, BEING THE OWNER OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

All that certain lot, tract or parcel of land situated in the N. BUTLER SURVEY, ABSTRACT NO. 20, City of Rockwall, Rockwall County, Texas, and being all of that tract of land as described in a Warranty deed from Brewer Properties, LP to Rockwall Property Corporation, dated July 7, 2006 and being recorded in Volume 4667, Page 101 of the Official Public Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner at the northwest corner of the above cited tract of land;

THENCE S. 89 deg. 16 min. 03 sec. E. along the north line of said tract, a distance of 325.00 feet to a 1/2" iron rod found for corner at the northwest corner of Lot 4, Block A, of COLUMBIA PARK ADDITION, BLOCK A, LOT 4, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet H, Slide 329 of the Plat Records of Rockwall County, Texas;

THENCE S. 00 deg. 22 min. 33 sec. W. along the west boundary line of Lot 4, Block A, a distance of 654.25 feet to a 1/2" iron rod found for corner in the north right-of-way line of Airport Road;

THENCE N. 89 deg. 07 min. 07 sec. W. along said right-of-way line, a distance of 325.01 feet to a 1/2" iron rod found for corner in the west boudnary line of said Rockwall Property Corporation tract;

THENCE N. 00 deg. 22 min. 33 sec. E. along the west boundary line of said tract, a distance of 653.41 feet to the POINT OF BEGINNING and containing 212,491 square feet or 4.88 acres of land.
NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as LANDING POINT ADDITION, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I , my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

CITY CASE NO P2017-

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 05/30/2017

APPLICANT: Randal Currington, *Fontanna Ranch Phase II*

AGENDA ITEM: **P2017-027**; *Amended Plat for Fontanna Ranch Phase II*

SUMMARY:

Discuss and consider a request by Randal Currington of Fontanna Ranch Phase II, LP for the approval of an amending plat for Phase II of the Fontanna Ranch Subdivision containing 49 single-family residential lots on a 19.167-acre tract of land identified as Tract 5 of the J. A. Ramsey Survey, Abstract No. 186, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 64 (PD-64) for Single Family 16 (SF-16) District land uses, generally located east of FM-549 and south of SH-276, and take any action necessary.

COMMENTS:

- ☑ The objective of this request is to amend the approved *final plat* [*P2016-020*] by correcting the bearing and distance on the common lot line between Lots 5 and 6, Block H and convert the 15' drainage easement on the common lot line between Lots 13 and 14, Block D to a 15' sanitary sewer easement. The property is zoned Planned Development District 64 (PD-64) with an underlying zoning of Single-Family Residential 16 (SF-16) District for residential uses and is generally located east of FM-549 and south of SH-276.

- ☑ On June 20, 2016, the City Council approved a *final plat* [P2016-020] for the purpose of establishing 49 single-family residential lots for Phase II of the Fontanna Ranch Subdivision.

- ☑ Since the 15' drainage easement is being converted to a 15' sanitary sewer easement, City Council approval is required and the amending plat could not be approved administratively.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the Recommendations section below.

- ☑ With the exception of the items listed in the Recommendation section of this case memo, this amending plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for the amending plat for *Fontanna Ranch, Phase II,* staff would recommend the following conditions of approval:

1) All the technical comments from the Planning, Engineering, and Fire Departments shall be addressed prior to the filing of this amended plat;

2) Any construction resulting from the approval of this amended plat shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

(5/24/2017 1:40 PM KB)
P2017-27 Fontanna Ranch Phase II Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Randal Currington of Fontanna Ranch Phase II, LP for the approval of an amending plat for Phase II of the Fontanna Ranch Subdivision containing 49 single-family residential lots on a 19.167-acre tract of land identified as Tract 5 of the J. A. Ramsey Survey, Abstract No. 186, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 64 (PD-64) for Single Family 16 (SF-16) land uses, generally located east of FM-549 and south of SH-276, and take any action necessary.
I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
M.3 For reference, include the case number (P2017-027) in the lower right hand corner of all pages on future submittals.
M.4 Please add the public improvements statement "It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54." under "Notes" on Page 1
M.5 Please provide street name for the street between Block E and Block G.
M.6 Please provide the sq. footage in parenthesis the next to the acres within the title block.
M.7 On page 2, please remove "Amended Plat of" in the two places that it occurs under the Owners Dedication. It should just say "Fontanna Ranch Phase II"
M.8 Please use the standard title block sincethis plat is not being handled administratively.
I.9 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 6, 2017. The Planning and Zoning Meeting for this case is May 30, 2017.
I.10 The projected City Council meeting date and subsequent approval for this plat is June 5, 2017

OWNERS DEDICATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

I the undersigned owner of the land shown on this plat, and designated herein as AMENDED PLAT OF FONTANNA RANCH PHASE II, to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in AMENDED PLAT OF FONTANNA RANCH PHASE II, addition have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwalls West regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

OWNERS CERTIFICATE

STATE OF TEXAS}
COUNTY OF ROCKWALL}

WHEREAS Fontanna Ranch Phase II, L.P. and Fontanna Ranch L.P. are the owner's of a tract of land located in the John A. Ramsey Survey, Abstract No. 186, situated in Rockwall County, Texas, and embracing all of a tract of land to Fontanna Ranch Phase II, L.P. as recorded in Instrument Number 20150000018857 of the Official Public Records of Rockwall County, Texas, and a portion of a tract of land to Fontanna Ranch L.P. as recorded in Volume 4713, Page 76 of the Deed Records of Rockwall County, Texas, and being more particularly described by metes and bounds as follows;

BEGINNING at a 1/2 inch iron rod found for the north corner of said Fontanna Ranch Phase II, L.P. tract and for the east corner of Lot 6, Block G, of Fontanna Ranch, an addition to The City of Rockwall as recorded in Cabinet G, Slide 189 of the Plat Records of Rockwall County, Texas, said point also lying on the southwest line of a tract of land to IHEARTMEDIA TOWER CO. I(AM), LLC as recorded in Instrument Number 20150000005151 Official Public Records Rockwall County, Texas;

THENCE South 47 degrees 36 minutes 39 seconds East along the common line of said Fontanna Ranch Phase II, L.P. tract and said IHEARTMEDIA tract a distance of 223.51 feet to a 1/2 inch iron rod with cap stamped "POWELL" found for the south corner of said IHEARTMEDIA tract and a west corner of a tract of land to McLendon Company as recorded in Volume 1163, Page 281 of the Deed Records of Rockwall County, Texas;

THENCE South 00 degrees 40 minutes 34 seconds West along the common line of said McLendon Company tract and said Fontanna Ranch Phase II, L.P. tract a distance of 18.39 feet to a 1/2 inch iron rod with cap stamped "POWELL" found for corner;

THENCE South 89 degrees 24 minutes 02 seconds East continuing along the common line of said McLendon Company tract and said Fontanna Ranch Phase II, L.P. tract a distance of 447.17 feet to a 3/8 inch iron rod found for the northeast corner of said Fontanna Ranch Phase II, L.P. tract;

THENCE South 00 degrees 36 minutes 54 seconds West along the east line of said Fontanna Ranch Phase II, L.P. tract a distance of 900.63 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" set for the southeast corner of said Fontanna Ranch Phase II, L.P. tract same being the northeast corner of said Fontanna Ranch L.P. tract,

THENCE North 89 degrees 29 minutes 00 seconds West along the common line of said Fontanna Ranch Phase II, L.P. tract and said Fontanna Ranch L.P. tract, a distance of 119.97 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" set for corner;

THENCE South 00 degrees 35 minutes 00 seconds West departing said common line and through the interior of said Fontanna Ranch L.P. tract, a distance of 138.04 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" set for corner;

THENCE North 89 degrees 29 minutes 00 seconds West continuing through the interior of said Fontanna Ranch L.P. tract, a distance of 50.00 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" set for corner;

THENCE North 00 degrees 35 minutes 00 seconds East continuing through the interior of said Fontanna Ranch L.P. tract, a distance of 138.04 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" set for corner lying on the aforementioned common line of said Fontanna Ranch Phase II, L.P. tract and said Fontanna Ranch L.P. tract;

THENCE North 89 degrees 29 minutes 00 seconds West along the common line of said Fontanna Ranch Phase II, L.P. tract and said Fontanna Ranch L.P. tract a distance of 760.00 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for the southeast corner of Lot 11, Block D of said Fontanna Ranch Addition, same being the southwest corner of said Fontanna Ranch Phase II, L.P. tract;

THENCE along the common line of said Fontanna Ranch Addition and said Fontanna Ranch Phase II, L.P. tract the following courses and distances;

North 00 degrees 19 minutes 18 seconds East a distance of 120.00 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

North 32 degrees 55 minutes 03 seconds East a distance of 14.49 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

North 03 degrees 17 minutes 13 seconds West a distance of 39.51 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

South 86 degrees 38 minutes 40 seconds West a distance of 10.17 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

North 00 degrees 30 minutes 04 seconds East a distance of 72.84 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner at the beginning of a curve to the right;

With said curve to the right having a radius of 564.08 feet, a central angle of 13 degrees 13 minutes 44 seconds, an arc length of 130.24 feet, a chord bearing of North 07 degrees 06 minutes 56 seconds East a distance of 129.95 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner at the beginning of compound curve to the right;

With said compound curve continuing to the right having a radius of 425.00 feet, a central angle of 28 degrees 37 minutes 42 seconds, an arc length of 212.35 feet, a chord bearing of North 28 degrees 02 minutes 09 seconds East a distance of 210.15 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

North 42 degrees 21 minutes 00 seconds East a distance of 103.15 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

North 47 degrees 39 minutes 00 seconds West a distance of 50.00 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

South 42 degrees 21 minutes 00 seconds West a distance of 97.70 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner at the beginning of a curve to the right;

With said curve to the right having a radius of 20.00 feet, a central angle of 86 degrees 06 minutes 39 seconds, an arc length of 30.06 feet, a chord bearing of South 85 degrees 24 minutes 20 seconds West a distance of 27.31 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

North 51 degrees 32 minutes 21 seconds West a distance of 32.70 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner at the beginning of a curve to the right;

With said curve to the right having a radius of 400.00 feet, a central angle of 11 degrees 38 minutes 47 seconds, an arc length of 81.31 feet, a chord bearing of North 45 degrees 42 minutes 57 seconds West a distance of 81.17 feet to a 5/8 inch iron rod with cap stamped "R.P.L.S. 5430" found for corner;

North 42 degrees 21 minutes 00 seconds East a distance of 534.64 feet to the POINT OF BEGINNING containing 841,809 square Feet, or 19.325 acres of land.

SURVEYORS CERTIFICATE

I, HEREBY CERTIFY, THAT I PREPARED THIS SURVEY PLAT SHOWN HEREON FROM AN ACTUAL SURVEY ON THE GROUND BY ME AND THAT ALL CORNERS ARE MARKED, AND THAT ALL DIMENSIONS SHOWN THEREON ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE AND BELIEF, AND FURTHERMORE THERE ARE NO ENCROACHMENTS, PROTRUSIONS, IMPROVEMENTS, EASEMENTS, RIGHT-OF- WAY, OR 100 YEAR FLOOD PLAIN AFFECTING THE PROPERTY EXCEPT AS SHOWN THEREON.

WITNESS UNDER MY HAND THIS THE _____ DAY OF _____, 2017.

_____
BRIAN J. MADDOX, R.P.L.S. NO. 5430

APPROVED

I hereby certify that the above and foregoing plat of an addition to the City of Rockwall, Texas, was approved by the City Planning Director of the City of Rockwall on the _____ day of _____, 20____.

This approval shall be invalid unless the approved plat for such addition is recorded in the office of the County Clerk of Rockwall, County, Texas, within one hundred eighty (180) days from said date of final approval.

Said addition shall be subject to all the requirements of the Subdivision Regulations of the City of Rockwall.

_____ *Director of Planning*

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 05/30/2017

APPLICANT: Mushtak Khatri of *T. Rockwall Village Phase 2, LLC*

AGENDA ITEM: **P2017-028;** *Lot 6, Block A, Rockwall Commons Addition*

SUMMARY:

Discuss and consider a request by Mushtak Khatri of T. Rockwall Phase 2, LLC for the approval of a replat for Lot 5, Block A, Rockwall Commons Addition being a 3.802-acre parcel of land currently identified as Lot 6, Block A, Rockwall Commons Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 1 (PD-1) for mixed use development, generally located on Ridge Road [*FM-740*] south of Summit Ridge Drive, and take any action necessary.

COMMENTS:

☑ The applicant is requesting approval of a final plat for the purpose abandoning a portion of the fire lane & public access easement and a utility easement (*as indicated on the plat*) in order to realign the access for the site. The relocated fire lane & public access easement and utility easement will be dedicated by this plat. The *subject property* is zoned Planned Development District (PD-1), is within the Scenic Overlay (SOV) District, and generally located on Ridge Road [FM-740] south of Summit Ridge Drive.

☑ The surveyor has completed the majority of the technical revisions requested by staff, and this final plat, conforming to the requirements for plats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the *Recommendations* section below.

☑ With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the replat for *Lots 6, Block A*, *Rockwall Commons Addition*, staff would recommend the following conditions of approval:

1) All staff comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit.

2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING COMMENTS - DAVID GONZALES - 05.18.2017

The following staff comments are to be addressed and resubmitted no later than Tuesday, June 6, 2017. Please provide two FOLDED large copies [18" X 24"] and one PDF version for a subsequent review by staff:

1. Adherence to all Engineering and Fire Department standards shall be required.
2. Provide a label indicating "Case No. P2017-028" on the lower right corner on all pages of the revised submittal.
3. Plat mylars are to be filed prior to issuance of a building permit.
4. Tie at least two (2) corners to City monumentation (X & Y coordinates).
5. Notary certificate is not necessary with plat is stamped by the Surveyor.
6. Change Title Block to read:

Final Plat
Rockwall Commons
Lot 6, Block A
Being a Replat of
Lot 5, Block A
Rockwall Commons
1 Lot, 3.802 Acres
in the B.J.T. Lewis Survey, Abstract No. 255
and the D. Atkins Survey, Abstract No. 1
City of Rockwall, Rockwall County, Texas

** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions resubmitted and approved (by staff) prior to plat submittal on mylar for filing purposes. **

Meeting Dates to Attend - Due to the plat being on Consent Agenda, it is not necessary for you to attend; however, staff would recommend that someone be present for the meetings. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Action/Consent Agenda: May 30, 2017 (6:00p.m.)

City Council - Action/Consent : June 5, 2017 (6:00 p.m.)

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 05/30/2016

APPLICANT: Lance Tyler

AGENDA ITEM: **MIS2017-006**; *Masonry Exception (Lot 2, Block A, Cox Acres Addn)*

SUMMARY:

Discuss and consider a request by Lance Tyler for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code, for a 12.0-acre portion of a larger 29.97-acre tract of land identified as Tract 7 of the J. M. Glass Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located east of the intersection of John King Boulevard and E. Quail Run Road, and take any action necessary.

CHARACTERISTICS OF REQUEST:

The applicant is requesting a masonry exception for the purpose of constructing a single-family home on a vacant 12-acre tract of land currently identified as Tract 7 of the J. M. Glass Addition. Currently, a final plat [*P2017-016*] for this property is in the process of being approved and will identify this tract of land as Lot 2, Block A, Cox Acres Addition. The subject property is located east of the intersection of John King Boulevard and E. Quail Run Road and is zoned Agriculture (AG) District. The applicant is proposing to construct the single-family home of approximately 69% Hardy Board, 4% stone, and 4% IPE/Stained Wood. According to Section 3.1, *General Residential District Standards*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) the minimum masonry (*i.e. brick, stone -- natural, cast or cultured -- glass block, tile and/or CMU*) requirement for exterior walls on structures that are 120 square feet or greater is 80%; with a maximum of 50% of this masonry requirement being permitted to be Hardy Plank®, stucco or a similar cementaceous material. Additionally, the code states that, "(e)xceptions to these requirements … may be permitted on a case-by-case basis by the City Council upon submission and approval of elevation drawings of the subject structure, and materials samples." Since the proposed exterior building materials do not meet the minimum masonry requirements as stipulated in the UDC, the applicant is requesting a masonry exception. The applicant has submitted a letter along with a rendering. Staff should note the property to the west of the subject property is constructed of 100% vinyl/ Hardy Plank®. Additionally the home will have no visibility from John King Boulevard or E. Quail Run Road due to the location existing trees.

RECOMMENDATIONS:

If the Planning and Zoning Commission and City Council choose to approve the applicant's request staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

MIS2017-006 Masonry Exception (Lot 2, Block A, Cox Acres Addition Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Discuss and consider a request by Lance Tyler for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code, for a 12.0-acre portion of a larger 29.97-acre tract of land identified as Tract 7 of the J. M. Glass Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located east of the intersection of John King Boulevard and E. Quail Run Road, and take any action necessary.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (MIS2017-006) in the lower right hand corner of all pages on future submittals.

I.4 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 6, 2017.

I.5 The Planning and Zoning Meeting will be May 30, 2017. The City Council meeting date is June 5, 2017.

I.6 All meetings will be held at 6:00 p.m. in the Council Chambers at City Hall.

RE: Request for Masonry Variance

Please find included in this packet the following documents to support this request:

Conceptual Floor Plans
Conceptual 3D Renderings
Conceptual Site Plan
Conceptual Replat

This variance involves the following items:

Total Exterior Wall Surface Area: 7,166 sq. ft.

4,912 sq . ft. Hardie Board & Batten – 68.5%

310 sq. ft. Stone – 4.3%

300 sq. ft. IPE/Stained Wood – 4.2%

1,644 sq. ft. Exterior Doors & Windows – 23%

Thank you for your consideration and approval of this Variance. Our plans will provide an appealing Modern Farmhouse that can be a source of pride for the City of Rockwall.

Sincerely,

Lance Tyler

Hold a public hearing to discuss and consider a request by Clarence L. Jorif of The Compound at Rockwall on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 05.17.2017

1. The Future Land Use Map contained within the Comprehensive Plan currently identifies this property as being designated for Technology/Light Industrial land uses which may include technology, research and development, office, and LI uses (e.g. light manufacturing & light assembly).
2. If approved, future site plan submittal and approval shall be required.
3. Any variance(s) to the SH-276 Overlay (SH-276 OV) District or any other section of the Unified Development Code (UDC) shall be considered at the time of site plan approval.
4. If approved, submittal and approval of engineering plans and a final plat shall be completed prior to the issuance of a building permit.
5. If approved, a final Plat shall be filed with Rockwall County prior to issuance of a Certificate of Occupancy (CO).
6. If approved, the development shall generally conform the the Concept Plan as depicted in the SUP ordinance.
7. Relabel "Preliminary Site Plan" to "Conceptual Site Plan."
8. Can you provide a larger scaled depiction of the site (i.e. buildings, parking area, etc.) that does not include that vacant portion of the property?
9. Provide a label on the lower right corner indicating "Case No. Z2017-019"
10. Once a draft ordinance has been provided to you, please red line any changes you feel may be necessary and return to me for review/updates as required.

The following are scheduled meetingdates that you and/or your representative(s) should attend regarding the zoning change request. All meeting will be held in the City's Council Chambers and begin at 6:00 p.m. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: May 30, 2017 (6:00p.m.) [Applicant to present case to P&Z for discussion].

Planning - Public Hearing: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, ordeny)

City Council - Pulblic Hearing: June 19, 2017 (6:00 p.m.) [1st Reading of SUP Ordinance]

City Council - Consent/Action Item: July 3, 2017 (6:00 p.m.) [2nd Reading of SUP Ordinance (if approved at 1st reading)]

- Detention is required
-Parking is 20'x9'
-No dead end parking allowed without a turn around
- Letter from Rockwall County stating that the existing septic system is sufficient to handle the proposed use
- Must design/build to Rockwall Engineering Standards
-ROW dedication equal to 60' from centerline of SH 276 and reserve 15' for future right-of-way

THE COMPOUND AT ROCKWALL

May 12, 2017

City of Rockwall
Planning and Zoning Department
385 S. Goliad Street
Rockwall, Texas 75087

To Whom It May Concern:

Respectfully request that the tract located at 4827 SH 276, Rockwall, TX, further identified by the legal description as being located at A0034, JH Bailey, Tract 5 be rezoned for Commercial / Light Industrial usage.

The intended use of the tract is to build "The Compound at Rockwall", which will be an elite tactical training facility utilized to conduct trainings for civilians that empower them to take control of their personal safety and the safety of their families. The facility is also designed to provide developmental training for law enforcement agencies at the local, state, federal and military levels to enhance their skill set in order to better protect themselves, their colleagues, and most importantly the people that they are entrusted to serve and protect - us.

The estimated size of the facility is 60,000 square feet and is designed as an indoor, climate controlled, noise abated venue that utilizes next generation technology to provide tactical training skills that are in high demand by the general public, firearms enthusiasts, surrounding law enforcement agencies and other agencies nationwide.

This elite tactical training facility will feature a 4,000 square foot retail area, café, an Executive conference room, six (6) advanced immersive firearms training simulator (TACSIM) theaters, next technology training classrooms, tactical indoor climate controlled next generation ranges (25 yd and 101 yd), and a specialized gym for self defense and martial arts training.

Please feel free to contact me at (469) 608-0431 if you have any questions regarding this project.

Thank you in advance for your consideration regarding this matter.

Sincerely,

Clarence L. Jorif
President / CEO

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2017-019: The Compound at Rockwall

Hold a public hearing to discuss and consider a request by Clarence L. Jorif of The Compound at Rockwall on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/13/2017 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/19/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/19/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 05.22.2017

All staff comments are to be addressed and resubmitted by Tuesday, June 6, 2017. Please provide two large copies [FOLDED] and one PDF version for a subsequent review by staff:

Planning Department General Comments to be addressed are as follows:

• On all future submittals please include the Case Number (Z2017-020) in the lower right hand corner.

• All exterior signage requires submittal and approval of a separate building permit and does not confer approval based on the submitted plan or statements.

• Any detached garage or carport beyeond the front facade of the building and/or visible from T.L. Townsend Drive must be screened (with landscaping).

• When provided, please review the Draft Ordinance prior to the Planning & Zoning public hearing scheduled for June 13, 2017 and return to staff with red lined corrections and/or additions you feel may be necessary.

• Regarding the proposed PD Development Standards: Additional Engineering comments to be addressed:
a) No. 11 - Trash receptacles and recycling receptacles - Required to drain to an oil/water separator.
b) No. 13(b) - Post-Development (i) 0.75 - Required for the entire lot.

• Architectural Standards - the proposed written standards do not meet the City's minimum standards.

Please make the following corrections/additions to the Concept Plan:

(1) Provide a legend indicating the following at a minimum:
a. Total Acres – #
b. Total Open Space - %
c. Total Number of Dwelling Units (per gross acre)
d. Maximum Density - # d.u/acre (gross)
e. Number of Bedrooms (# of 1 bedroom; # of 2 bedrooms, etc.)
f. Average Unit Size = XXX sq. ft. (include break-out of each unit type's square footage)

(2) Provide % of open space and label for each separate area on the concept plan (i.e. detention areas, landscape buffers, park area, etc.).
(3) Provide labels for all landscaped buffer area's (TL Townsend, North & West Property lines).
(4) Re-label access drive as "24-ft Firelane, Public Access, Drainage & Utility Easement" as appropriate.
(5) Remove the zoning labels from theConcept Plan [e.g. commercial, agricultural, light industrial, etc.] for all properties.
(6) Remove the labels indentifyingeach tree on the western portion of the property. These will be identified during the treescape plan process.

(7) Are the "Permitted Uses" under B. Land Uses Allowed, 2. Permitted accessory uses, of the proposed PD Development Standards within the facility? Will these be open to the general public? or are these the significant facilities and services identified in B, 1, iv?
(8) If masonry is defined as 60%, what are the other materials are being used on the structure? Provide exterior material calculations for each facade on building elevations. City standards require a minimum of 90% masonry materials. Provide a materials sample board for review.
(9) Parking Required:
a) Revise Handicap parking to be a minimum of 7 spaces (not 2%) per Art. VI, Sec. 5.4.A.
b) Provide % of total parking for attached garages, detached garages, and carports.

** Planning Staff additional comments:

** 1. The Future Land Use Map contained within the Comprehensive Plan currently identifes this property as being designed for Commercial land uses. The proposec use requries the City Council to amend the Future LandUse Map to relect a High Density Residential land use designation. This will be listed as a condition of approval.

** 2. The following is a Comprehensive Plan (plan) policy that has not been satisfied or could benefit from clarification:

(a) The Comprehensive Plan stipulates that "(r)etail areas should be pedestrian-oriented and easily accessible to adjacent residential and commercial neighborhoods." In this case, trials and sidewalks could be used to allow pedestrian trafic to circulate to the adjacent restaurants west/southwest of the subject property. A request to waive this requirement by the City Council may be approved through the PD Ordinance.

**3. The property is within Park District No. 32. Parks fees for cash in lieu land and pro-rata equipement fees will be due at the time of final plat (fees are subject to change).

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD request. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with thePlanning Department at 972-771-7745.

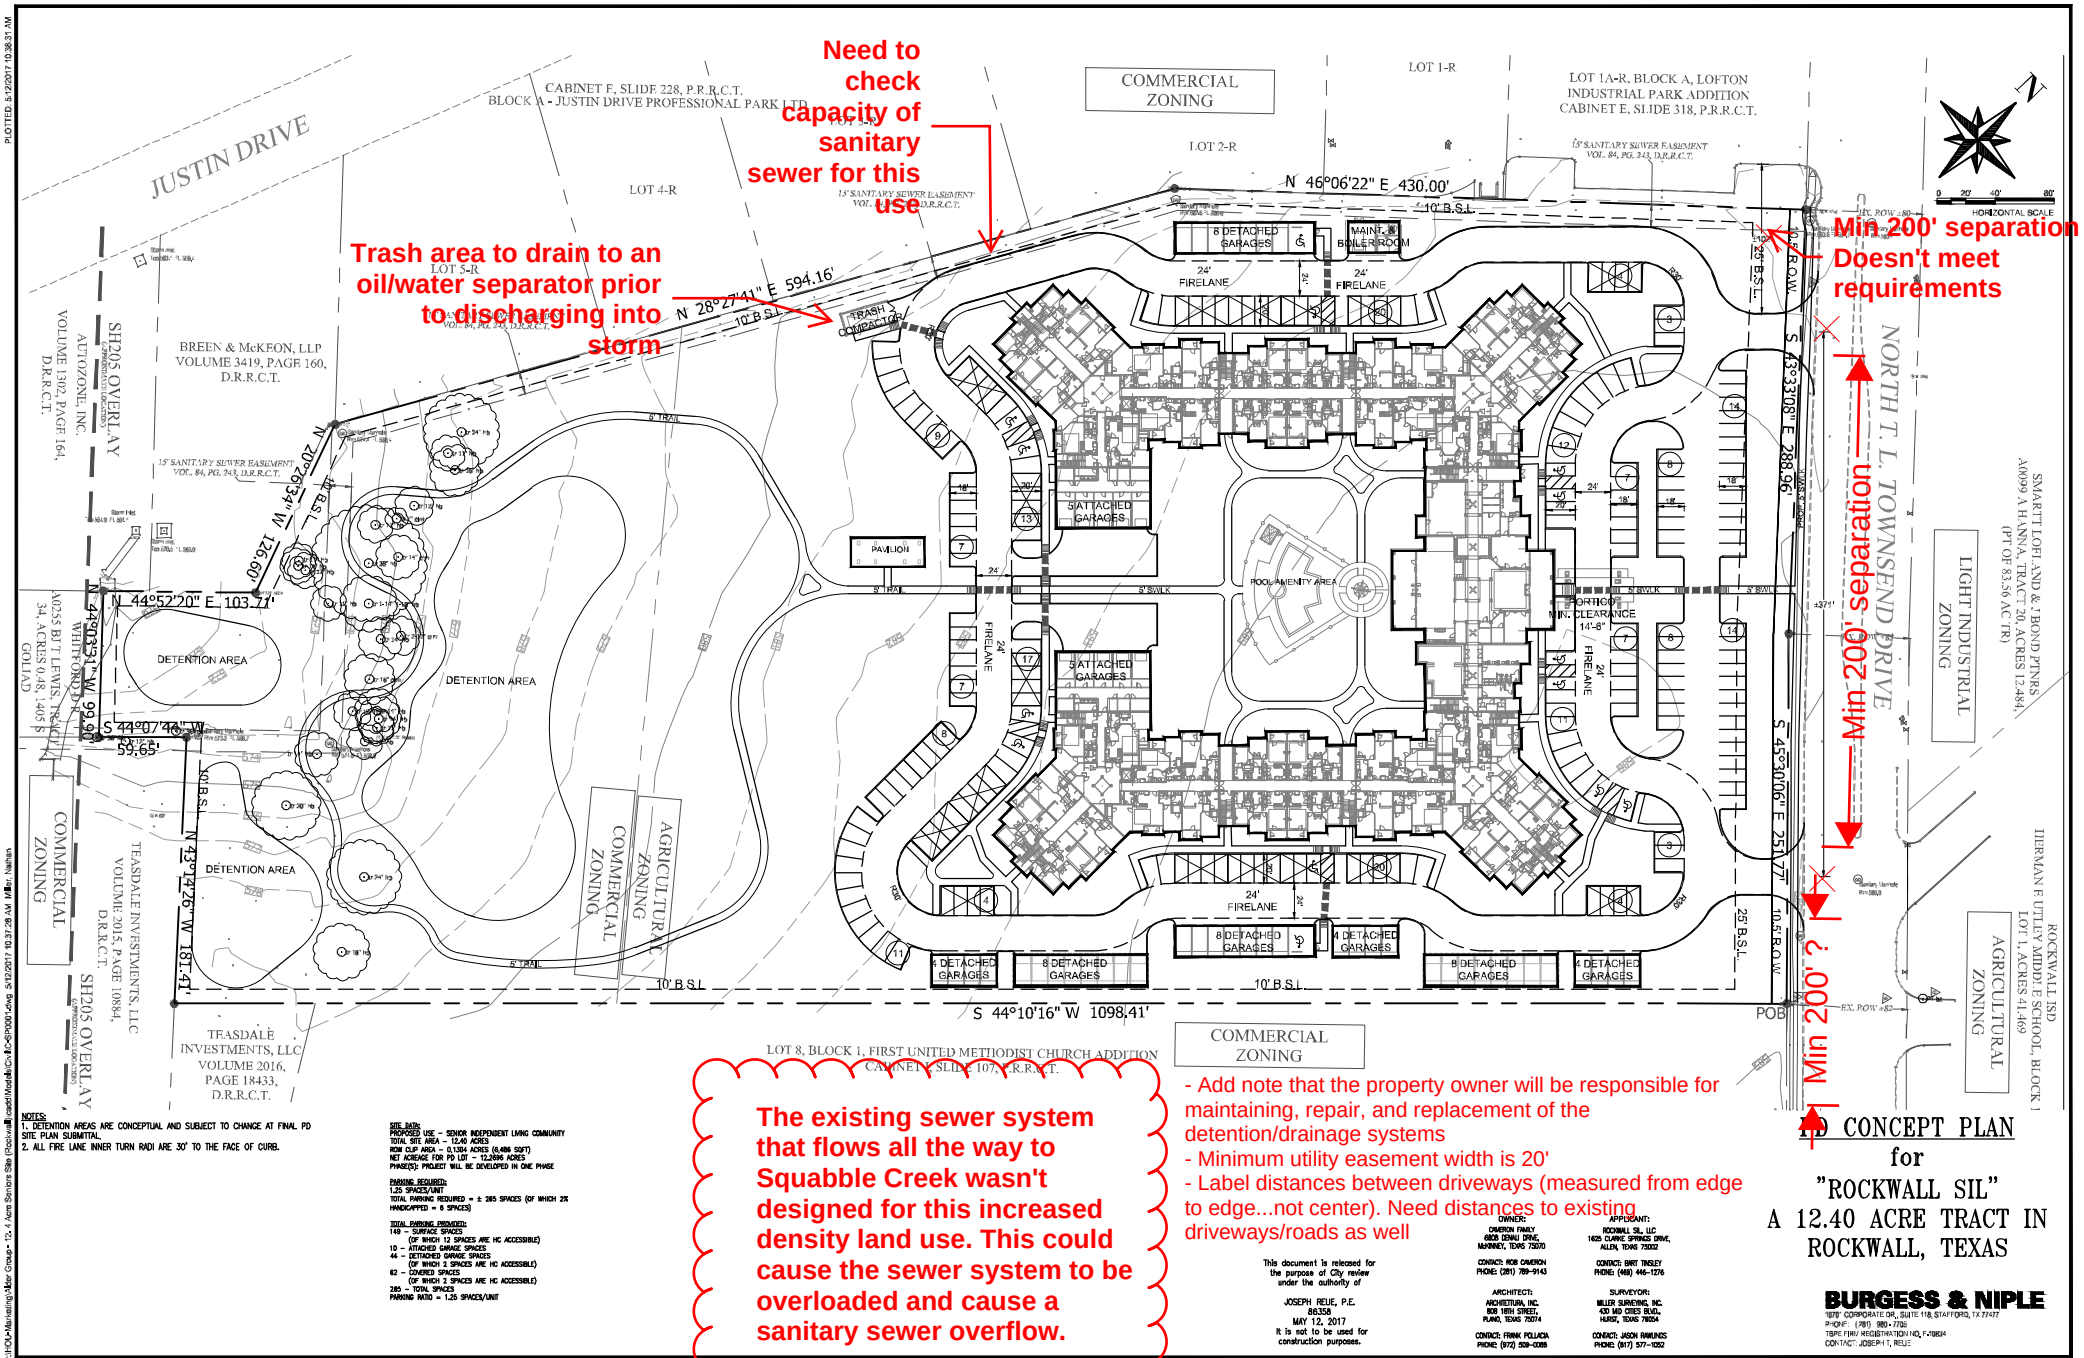
Meeting Dates to Attend:

Planning - Work Session: May 30, 2017 (6:00p.m.) [applicant to present case to P&Z for discussion].

Planning - Public Hearing: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)

City Council - Pulblic Hearing: June 19, 2017(6:00 p.m.) [1st Reading of PD Ordinance]

City Council - Concent/Action Item: July 3, 2017 (6:00 p.m.) [2nd Reading of PD Ordinance (if approved at 1st reading)]



Need to check capacity of sanitary sewer for this use
Trash area to drain to an oil/water separator prior to discharging into storm
Min 200' separation Doesn't meet requirements
Min 200' separation
Min 200' ?
The existing sewer system that flows all the way to Squabble Creek wasn't designed for this increased density land use. This could cause the sewer system to be overloaded and cause a sanitary sewer overflow.
- Add note that the property owner will be responsible for maintaining, repair, and replacement of the detention/drainage systems
- Minimum utility easement width is 20'
- Label distances between driveways (measured from edge to edge...not center). Need distances to existing driveways/roads as well

Re: Letter of Intent – Planned Development for Rockwall SIL on North T. L. Townsend Drive
(4-story Senior Independent Living Community containing 212 units)

To Planning and Zoning Department:

Our Client, Rockwall SIL, LLC, would like to submit a zoning change application for a 12.4 acre planned development (PD) that would allow development of a 4-story senior independent living community with 212 units in the City of Rockwall. The subject property is bounded by North T.L. Townsend Drive to the northeast, office/commercial uses to the northwest, an Auto Zone and commercial uses to the southwest, and vacant land to the southeast owned by the First United Methodist Church.

The southwest portion of the site is currently zoned Commercial (C). The remainder is zoned Agricultural (AG). We are requesting that the site be re-zoned as a Planned Development for use as a senior independent living community (age restricted to 55 years of age or older). The proposed PD will be developed in one (1) phase and consist of 4-story building(s) with 212 total units. There will also be some attached garages and detached garages and covered parking available for the residents. The west portion of the site will be maintained as a private open space area to preserve existing quality trees, provide onsite storm water detention and provide the residents' an active functional recreational area. The private open space shall include 5' meandering walking trails around the detention pond areas and through the existing stand of native trees. Other amenities within the site will include, but not limited to, a swimming pool, a pavilion, putting green and indoor recreation area.

Attached with this letter are the following: (1) Completed Development Application for zoning change, (2) Check for $386 for zoning change application fee, (3) PD Concept Plan, (4) PD Development Standards, (5) Property Description of PD area, (6) Location Map with aerial photograph and PD Boundary Overlay, and (7) Typical Building Elevations for city review and comment. Should you have any questions, please feel free to contact me at 281.980.7705, extension 6301.

Respectfully submitted,
Burgess & Niple, Inc.

Case No. Z2017-020: Rockwall SIL (AG to PD)

Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.59-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/13/2017 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/19/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/19/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-XX) TO ALLOW AN AGE RESTRICTED MULTI-FAMILY APARTMENT COMPLEX ON THE SUBJECT PROPERTY, BEING A 12.40-ACRE TRACT OF LAND IDENTIFIED AS TRACT 8 OF THE B. J. T. LEWIS SURVEY, ABSTRACT NO. 255, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Rockwall SIL, LLC on behalf of Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for an age restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of

DRAFT ORDINANCE 05.30.2017

approval of the amended zoning classification for the *Subject Property*;

Section 4. That development of the *Subject Property* shall generally be in accordance with the *Concept Building Elevations*, contained in *Exhibit 'D'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'D'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 5. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City Council, as amended by this ordinance (*including Subsections 5(b) through 5(e) below*), shall be the exclusive procedures applicable to the subdivision and platting of the *Subject Property*.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) PD Site Plan
(2) Open Space/Amenity Plan
(3) Final Plat

(c) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall include a *Site Plan*, *Building Elevations*, *Treescape Plan*, *Landscape Plan* and a *Photometric Plan*. A *PD Site Plan* application may be processed by the City concurrently with an *Open Space/Amenity Plan* for the development.

(d) *Open Space/Amenity Plan.* An *Open Space/Amenity Plan* covering all of the *Subject Property* shall be submitted and shall include a detailed depiction of all proposed public and private amenities. An *Open Space/Amenity Plan* may be processed by the City concurrently with a *PD Site Plan Application* for the development.

(e) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat* for the *Subject Property* shall be submitted for approval.

Section 6. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 7. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 8. The standards in this ordinance shall control in the event of a conflict between

DRAFT ORDINANCE 05.30.2017

this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 9. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3RD DAY OF JULY, 2017.

DRAFT ORDINANCE 05.30.2017

Exhibit 'A':
Legal Description

LEGAL DESCRIPTION: Being a tract of land out of the B. J. Lewis Survey, Abstract No. 225 and situated in the City of Rockwall, Rockwall County, Texas, and surveyed by Miller Surveying, Inc. of Hurst, Texas, in March 2017, said tract being the same tract of land described in the deed to BCR Family Land Trust recorded in Document No. 2012-00480248, of the Official Public Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a ½ inch capped steel rod found for the most easterly corner of said Cameron tract, said rod being in the southwesterly right-of-way line of North T. L. Townsend Drive, and being the most northerly corner of Lot 8, Block 1, First United Methodist Church Addition, an addition to the City of Rockwall, Rockwall County, Texas, recorded in Cabinet I, Slide 107, of the Plat Records of Rockwall County, Texas;

THENCE South 44 degrees 10 minutes 16 seconds West with the northwesterly boundary line of said Lot 8, a distance of 1098.41 feet to a ½ inch capped "MILLER 5665" steel rod set for the most westerly corner thereof, and also being in the northeasterly boundary line of the same tract of land described in the deed to Teasdale Investments, LLC., recorded in Volume 2015, Page 10884, of the Deed Records of Rockwall County, Texas;

THENCE North 43 degrees 14 minutes 26 seconds West with the northeasterly boundary line of said Teasdale tract a distance of 181.41 feet to a ½ inch capped steel rod found for the most northerly corner of the said Teasdale tract;

THENCE South 44 degrees 07 minutes 44 seconds West a distance of 59.65 feet to a ½ inch capped steel rod found;

THENCE North 44 degrees 03 minutes 31 seconds West a distance of 99.90 feet to a cross in concrete set;

THENCE North 44 degrees 52 minutes 20 seconds East a distance of 103.71 feet to a ½ inch capped steel rod found;

THENCE North 20 degrees 26 minutes 34 seconds West a distance of 126.60 feet to a ½ inch capped steel rod found for the most southerly corner of Lot 5-R, Block A, Justin Drive Professional Park, LTD, an addition to the City of Rockwall, Rockwall County, Texas recorded in Cabinet E, Slide 228 of the Plat Records of Rockwall County, Texas;

THENCE North 28 degrees 27 minutes 41 seconds East with the southeasterly boundary line of said Block A a distance of 594.16 feet to a cross in concrete found for an angle point therein;

THENCE North 46 degrees 06 minutes 22 seconds East continuing with said southeasterly boundary line a distance of 430.00 feet to a ½ inch capped "MILLER 5665" steel rod set for the most easterly corner of Lot 1A-R, Block A, Lofton Industrial Park Addition, an addition to the City of Rockwall, Rockwall County, Texas recorded in Cabinet E, Slide 318 of the Plat Records of Rockwall County, Texas, said rod being in the said southwesterly right-of-way line of North T. L. Townsend Drive;

THENCE South 43 degrees 33 minutes 08 seconds East with said southwesterly right-of-way line a distance of 288.96 feet to a ½ inch capped "MILLER 5665" steel rod set;

THENCE South 45 degrees 30 minutes 06 seconds East continuing with said southwesterly right-of-way line a distance of 251.77 feet to the point of beginning and containing 12.400 acres of land more or less.

DRAFT
ORDINANCE
03.30.2017

Exhibit 'C':
Development Standards

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Multi-Family 14 (MF-14) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*; however, the subject property shall only be used as an *Age Restricted, Independent Senior Housing Facility* allowing for the units being occupied by at least one (1) person who is fifty-five (55) years of age or older, or handicapped and with the following permitted accessory uses:

    - ☑ Barber and Beauty Shop
    - ☑ Cafeteria/Common dining facilities
    - ☑ Chapel
    - ☑ Community Center
    - ☑ Drug Store / Pharmacy
    - ☑ Exercise Room
    - ☑ Game Court / Gaming Room
    - ☑ Greenhouse
    - ☑ Handcrafted art work studio
    - ☑ Health Studio
    - ☑ Instructional Art Studio
    - ☑ Medical Treatment Services (such as a medical clinic, physical therapy services, inhalation therapy, and other related uses)
    - ☑ Office
    - ☑ Private recreation club or area
    - ☑ Retail Store (food and other goods)
    - ☑ Snack Bar
    - ☑ Swimming pool

    NOTE: Accessory uses are intended to be used by the residents of the proposed Age Restricted, Independent Senior Housing Facility and shall not be utilized by the general public.

2. *Unit Composition.* The unit composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1* below; however, in no case should the minimum size unit be less than 700 square feet and the average net unit area decrease below 800 square feet.

Table 1: Unit Composition

Unit Name	Unit Type	Minimum Net Unit Area (SF) [1]	Number of Units (#)	Total Area (SF)	Units as Percentage (%)
A1	1 Bedroom/1 Bathroom	576 SF	27	15,552 SF	12.68%
A2	1 Bedroom/1 Bathroom	680 SF	31	21,080 SF	14.55%
A3	1 Bedroom/1 Bathroom	740 SF	33	24,420 SF	15.49%
A4	1 Bedroom/1 Bathroom	772 SF	21	16,212 SF	9.86%
A5	1 Bedroom/1 Bathroom	773 SF	6	4,638 SF	2.82%
B1	2 Bedroom/2 Bathroom	1,029 SF	26	26,754 SF	12.21%
B2	2 Bedroom/2 Bathroom	1,156 SF	30	34,680 SF	14.08%
B3	2 Bedroom/2 Bathroom	1,196 SF	21	25,116 SF	9.86%
C1	3 Bedroom/3 Bathroom	1,321 SF	18	23,778 SF	8.45%
		Average Net Unit Area:		*800 SF*	
		Maximum Permitted Units:	*212*		*100.00%*

General Notes:
[1]: The net square footage includes only air-condition space and is exclusive of patios, balconies and exterior storage areas.

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Multi-Family 14 (MF-14) District and the SH-205 Overlay (Sh-205 OV) District, as specified by Article V, *District*

DRAFT ORDINANCE 08.30.2017

Exhibit 'C':
Development Standards

Development Standards, of the Unified Development Code are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed 17.10 dwelling units per gross acre of land; however, in no case should the proposed development exceed *212* dwelling units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Minimum Lot Width	60'
Minimum Lot Depth	100'
Minimum Lot Area	10,000 SF
Minimum Lot Area/Unit	2,000 SF
Minimum Front Yard Building Setback	25'
Minimum Side Yard Building Setback	10'
Minimum Rear Yard Building Setback	10'
Minimum Front Yard Carport/Parking Setback	15'
Minimum Side Yard Carport/Parking Setback	10'
Minimum Rear Yard Carport/Parking Setback	10'
Minimum Separation Between Main Buildings [1]	20'
Minimum Separation Between a Main Structure to an Accessory Structure	10'
Maximum Height [2]	62'
Maximum Lot Coverage	45%
Minimum Landscape	20%
Minimum Open Space [3]	20%

General Notes:

[1]: The minimum separation between two (2) buildings without doors or windows on facing walls shall be a minimum of 15-feet.

[2]: The height of the building shall be measured from the average elevation of the finished grade along the front of the building to the highest point of the roof, roof element, or parapet of the building if it is a flat, mansard or shed roof; or to the midpoint of the roof if it is gable, hip or gambrel roof. Maximum height shall not exceed *4-stories* or *62-feet* overall height.

[3]: The minimum open space area will be calculated based on the gross area of the lot, and will include both active and passive recreational areas.

4. *Parking and Loading Standards.* The parking and loading requirements shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'*, and equal 1.25 parking spaces per residential unit. % OF COVERED % OF GARAGE

5. *Building Standards.* The building elevations shall generally conform to the *Concept Building Elevations* depicted in *Exhibit* 'D'; however, all development shall adhere to the following building standards:

(a) Masonry Requirements. The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*) may be used for up to 50% of the exterior of the building; however, stucco may not be used within the first four (4) feet above grade on a façade visible from a public street or open space. A minimum of 20% natural stone is required on all building façades.

(b) Roof Design Requirements. All buildings shall be designed such that no roof mounted mechanical equipment (*i.e. HVAC, satellite, vents, etc.*) shall be visible from any direction. *Note: Screening of mechanical equipment is necessary for all equipment regardless of location (i.e. roof mounted, ground mounted, or otherwise attached to the building and/or located on the site).*

Screening of roof mounted mechanical equipment and/or other rooftop appurtenances shall be accomplished through the construction of an architectural feature, which is

DRAFT 05-30-2017

integral to the building's design and ensures that such equipment is not visible from adjacent public rights-of-way.

(c) Architectural Requirements. All buildings shall be architecturally finished on all four (4) sides with the same materials, detailing and features. In addition, all buildings shall be subject to the architectural requirements of the SH-205 Overlay (SH-205 OV) District contained in Section 6, *Overlay Districts*, of Article V, *District Development Standards*, of the Unified Development Code.

6. Landscaping and Hardscaping Standards.

(a) Landscape Requirements. Landscaping shall be reviewed and approved with the *PD Site Plan*. All *Canopy/Shade Trees* planted within this development shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in height at the time of planting. The following tree species are approved for planting within this development:

i) *Canopy/Shade Trees*. Afghan Pine, Bald Cypress, Bur Oak, Cedar Elm, Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia, Live Oak, October Glory Maple, Red Oak, Texas Ash, Texas Red Oak.

ii) *Accent/Ornamental/Under-Story Trees*. Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.

(b) Landscape Buffers. A minimum of a fifteen (15) foot landscape buffer shall be provided along the frontage of T. L. Townsend Drive and a minimum of a ten (10) foot landscape buffer along the perimeter of the north and west property boundaries. Each landscape buffer shall incorporate a minimum of one (1) canopy tree per 50-feet linear feet of buffer area. The developer shall also be responsible for the construction of sidewalks and trails required along T. L. Townsend Drive.

(c) Parking Lot Landscaping. All parking lot landscaping shall conform to the requirements of Article VII, *Landscape Standards*, of the Unified Development Code with the exception of the following:

i) One (1) canopy tree per ten (10) parking spaces shall be provided. Trees shall be planted within the required parking islands or within 20-feet of a parking space.

ii) Parking island shall be provided at a spacing not exceed a maximum distance of 20 parking spaces.

iii) No tree may be planted closer than 2 ½ feet to the pavement.

(d) Irrigation Requirements. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect.

(e) Hardscape. Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the *PD Site Plan* and/or *Opens Space/Amenity Plan*.

7. Trash Receptacles. Trash and recycling receptacles shall be four (4) sided, with eight (8) foot walls constructed and cladded with materials matching the primary structures, and have a self-latching gate. All trash and recycling receptacles shall be internal to the site and not be situated within any established building setbacks or landscape buffers.

DRAFT ORDINANCE 05.30.17

8. *Fence Standards*. Fences located along the perimeter of roadways, abutting open spaces, greenbelts and parks shall be required to be wrought iron or a tubular steel fence. Wrought iron/tubular steel fences can be a maximum of eight (8) feet in height.

9. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

Z2017-21 Zoning Change (RO to GR) Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 Hold a public hearing to discuss and consider a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a zoning change from Residential-Office (RO) District to General Retail (GR) District for a 2.35-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, addressed as 4031 N. Goliad Street, and take any action necessary
I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
M.3 For reference, include the case number (Z2017-021) in the lower right hand corner of all pages on future submittals.
I.4 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by June 6, 2017. The Planning & Zoning Worksession for this case is May 30th. The Planning and Zoning Meeting date for this case is June 13, 2017.
I.4 The projected City Council meeting dates for this are June 19, 2017 and July 3, 2017.

LETTER OF INTENT

May 9, 2017

Planning & Zoning Department
City of Rockwall
385 S. Goliad Street
Rockwall, TX 75087

Re: Rezoning Application for 4031 N. Goliad Street

Please accept this Letter of Intent on behalf of Pinnacle Montessori Franchise to rezone the 4031 N. Goliad Street 2.38 acre tract of land from R-O zoning district to GR zoning district. This letter will confirm Pinnacle's intent to develop the subject tract with a 10,970 square foot Montessori school for approximately 180 children, and a accompanying 7,000 square foot retail building for ancillary type uses where clientele are primarily, but not limited to children of all ages, such as karate academy, dance academy, music school, math/educational classes, computer classes STEM classes, etc. And, approximately 5,000 square feet will be provided for outdoor play areas.

Parking for 67 vehicles is provided for, including a drive through porte cohere capable of stacking 5 vehicles at the front of the Montessori school, all in conformance with zoning standards. The site will be accessed by two driveways at either end of the property's frontage along Goliad Street, connected with a continuous access/firelane drive for the parking spaces. Cross access to the adajcent property to the north for future development is also provided.

In summary, Pinnacle Montessori Franchise asks for the approval of the rezoning request.

Respectfully submitted,

Roland Foerster, PE

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A RESIDENTIAL OFFICE (RO) DISTRICT TO A GENERAL RETAIL (GR) DISTRICT FOR A 2.35-ACRE TRACT OF LAND IDENTIFIED AS TRACT 6 OF THE J. STRICKLAND SURVEY, ABSTRACT NO. 187, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT *'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Alex Freeman of Pinnacle Montessori Franchise Co. for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from a Residential Office (RO) District to a General Retail (GR) District for a 2.35-acre tract of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, and more specifically depicted in *Exhibit 'A'* and described as *Exhibit 'B*' this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from a Residential Office (RO) District to a General Retail (GR) District; and

Section 2. That the *Subject Property* shall be used and developed only in the manner and for the purposes provided for a *General Retail* (GR) District in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses", Section 4.1, "General Commercial District Standards"* and *Section 4.4, "General Retail (GR) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

DRAFT ORDINANCE 05.30.17

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE ____ DAY OF JULY, 2017.

DRAFT ORDINANCE 07.03.17

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: May 30, 2017

SUBJECT: Changes to 205 By-Pass Overlay (205 BY-OV) District

On May 15, 2017, the City Council directed staff to bring forward changes to Section 6.10, *205 By-Pass Corridor Overlay (205 BY-OV) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) for the purpose of changing the residential lot layouts for properties that have direct frontage on John King Boulevard. This direction was the result of a work session that was held on May 1, 2017. At this work session, the City Council directed staff to prepare several options intended to mitigate the visibility and sound of traffic along John King Boulevard for future residential properties fronting onto the thoroughfare. As a result of this direction, staff has prepared the attached text amendment, which creates four (4) options -- *that can be combined with the already required 50-foot landscape buffer* -- that will increase the separation between John King Boulevard and any residential structure to a minimum of 100-feet. These options are: [*1*] increased landscape buffer of 100-feet, [*2*] increased rear yard building setback of 50-feet for properties backing to John King Boulevard, [*3*] the incorporation of a slip street with minimum of 50-feet of right-of-way, and [*4*] the incorporation of an eyebrow street with a 30-foot landscape buffer and 25-foot front yard building setback. In addition, staff has added language that lays out the purpose of the required berm, and creates a stipulation that requires additional screening in the landscape buffer if the berm is deemed insufficient to screen traffic along John King Boulevard. The Planning and Zoning Commission will be required to make a determination if the screening is sufficient at the time of site plan. Finally, staff has made miscellaneous changes to the document for the purpose of clarifying certain sections, and carried the changes over to Appendix 'F', *Landscaping Requirements and Guidelines*, of the UDC for continuity purposes. A copy of the code with revisions depicted in *RED* and a draft ordinance has been included with this memorandum.

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff is bringing the proposed amendments forward to the Planning and Zoning Commission for a recommendation to the City Council. The schedule for this text amendment is as follows:

Planning and Zoning Commission [Work Session]: May 30, 2017
Planning and Zoning Commission [Public Hearing]: June 13, 2017
City Council [Public Hearing/1st Reading of the Ordinance]: June 19, 2017
City Council [2nd Reading of the Ordinance]: July 3, 2017

Staff will send out a 15-day notice to the Rockwall Harold Banner in accordance with all applicable state laws and Section 6.1 of Article II, *Authority and Administrative Procedures*, of the UDC. If the Planning and Zoning Commission have any questions, staff will be available at the work session to discuss.

Sec. 6.10. 205 By-Pass Corridor Overlay (205 BY-OV) District.

A. *Purpose.* The intent of the 205 Bypass Corridor Overlay District is to provide for consistent development of office, retail and commercial areas in concert with the most efficient and aesthetically pleasing appearance of the frontage which serves as the initial impression to those visiting, as well as to those passing through, the City of Rockwall area. In order to ensure that the visual impact of development does not detrimentally affect the area in which it is proposed, landscaping plans, building elevations and site plans are required. Architectural compatibility and plan review shall be conducted through an architectural review committee. These development requirements shall apply to nonresidential and multi-family uses only. All other residential uses shall be excluded from these standards except has otherwise stated.

B. *Application and boundaries.* The 205 Bypass Corridor Overlay District includes the entirety of all properties which adjoin or are located within 500 feet of the current and future right-of-way of John King Blvd. The 205 Bypass Corridor Overlay Zone extends along the current and future right-of-way of John King Blvd. to the existing city limits. The standards and regulations set forth in the 205 Bypass Corridor Overlay District are superimposed and shall supersede the standards and regulations of any underlying zoning district which are in conflict.

C. *Architectural standards.*

1. Masonry requirements. Each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, as defined in article XIII, Definitions, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, including a minimum of 20 percent natural or quarried stone.

   (a) Primary exterior materials shall include natural or quarried stone, brick, glass block or glass, tile, cast metal and custom concrete masonry units. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the building's exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality and durability. However, stucco may not be located in the first four feet above grade on a facade visible from a street or public area. Each elevation's masonry requirement shall incorporate accent bricks or stones. As the term is used, an "accent brick or stone" is one that provides a contrast by color, shape, size, and/or texture to the field of primary bricks or stones in an elevation. Additionally, the Planning and Zoning Commission may consider the use of high quality manufactured or cultured stone if the following standards of manufacturing and warranty apply to the product;

      - ☑ That the manufacturing molds should be made from actual stones and each piece should complement each other having the right shape, texture, size and detail of natural stone;
      - ☑ That the overtones of color should be integrated into the stone during the molding process, while the base color of the stone is blended entirely throughout;
      - ☑ That highly skilled artisans should be utilized to hand paint each piece in order to give each stone depth and variation of color;
      - ☑ That the use of the highest quality synthetic mineral oxides should be used to infuse the surface with rich, authentic tones; and
      - ☑ That the manufactured stone product shall have a minimum warranty of 75 years.

   (b) Secondary materials used on the facade of a building are those that comprise less than ten percent of an elevation area. Permitted secondary materials are all primary materials, aluminum or other metal, EIFS, cast stone, cultured stone or other materials as approved by the director of planning or his designee.

2. Roof design standards. Rooftop mechanical equipment and other appurtenances must be properly screened. All structures having a footprint of 6,000 square feet or less shall be constructed with a pitched roof system. Those structures having a footprint greater than 6,000 square feet shall be constructed with either a pitched, parapet, or mansard roof system (enclosed

on all sides). Standing seam metal roofs shall be constructed of a factory-finish. Metal roofs with lapped seam construction, bituminous built-up roofs, and flat, membrane-type roofs which are visible from adjacent public right-of-way shall be prohibited.

3. Mechanical equipment screening. All buildings must be designed such that no mechanical equipment, HVAC, or satellite dishes shall be visible from any direction. This shall include equipment located on the roof, on the ground, or otherwise attached to the building or located on the site.

   Screening of rooftop mechanical equipment and/or other rooftop appurtenances screening shall be accomplished by either:

   (a) The construction of the roof systems described in subsection C.2 above; or
   (b) An architectural feature which is integral to the building's design and ensures that such equipment is not visible from adjacent public right-of-way.

   The fencing or enclosing of individual mechanical units shall not be permitted except as described above.

   All rooftop mechanical equipment or architectural features described herein shall be shown on the required building elevations and submitted along with the site plan for approval.

4. All buildings shall be designed to incorporate no less than four of the architectural elements listed below. Buildings over 50,000 square feet must include a minimum of six of the referenced architectural elements. Buildings over 100,000 square feet must include a minimum of seven of the referenced architectural elements:

   ☑ Canopies, awnings, or porticos;
   ☑ Recesses/projections;
   ☑ Arcades;
   ☑ Peaked roof forms;
   ☑ Arches;
   ☑ Outdoor patios;
   ☑ Display windows;
   ☑ Architectural details (such as tile work and moldings) integrated into the building facade;
   ☑ Articulated ground floor levels or base;
   ☑ Articulated cornice line;
   ☑ Integrated planters or wing walls that incorporate landscape and sitting areas;
   ☑ Offsets, reveals or projecting rib used to express architectural or structural bays;
   ☑ Varied roof heights; or
   ☑ Other architectural features approved by the director of planning or his designee.

5. All retail/commercial buildings shall be architecturally finished on all four sides with the same materials, detailing, and features with one row of trees planted on the perimeter behind the building.

6. Windows shall have a maximum exterior visible reflectivity of 20 percent. Color of glass shall be reviewed and approved by the director of planning or his designee.

7. All buildings within a common retail/commercial development, as shown on a concept plan or site plan, shall have similar architectural styles, materials, and colors.

   (a) Conceptual facade plans and sample boards shall be submitted with the site plan application for all nonresidential uses. The purpose of the conceptual facade plan is to ensure consistency and compatibility for all buildings within a single development. Facade plans will be used only to ensure minimum standards are met.

8. Corporate identities that conflict with the building design criteria shall be reviewed as a variance as defined in this section and reviewed on a case-by-case basis by the planning and zoning commission and approved by the city council.

D. Site design standards.

1. *Building setback.* All lots within the 205 Bypass Corridor Overlay District shall maintain the following minimum front yard building setbacks:

~~Residential.~~
~~SH 205 (South) to SH 276: 25 feet.~~
~~SH 276 to I-30: 25 feet.~~
~~I-30 to Quail Run Road: 25 feet.~~
~~Quail Run Road to SH 205 (North): 30 feet.~~

Retail/Commercial~~.~~: 15-Feet
~~SH 205 (South) to SH 276: 15 feet.~~
~~SH 276 to I-30: 15 feet.~~
~~I-30 to Quail Run Road: 15 feet.~~
~~Quail Run Road to SH 205 (North): 15 feet.~~

Industrial/Office/Technology~~.~~: 50-Feet
~~SH 205 (South) to SH 276: 50 feet.~~
~~SH 276 to I-30: 50 feet.~~
~~I-30 to Quail Run Road: 50 feet.~~
~~Quail Run Road to SH 205 (North): 50 feet.~~

All other building setback regulations shall be the same as set forth in the underlying zoning district except as otherwise noted herein.

2. *Parking area restrictions.* No more than two rows of parking, approximately 60 feet in width, shall be allowed between the primary building and the John King Blvd. right-of-way.

3. *Access/ingress/egress.* To minimize potential vehicular and pedestrian conflicts particular attention must be given to the location of median breaks along major thoroughfares, number and location of entry/exit drives, design of entry/exit drives in relationship to the parking areas, and sight distances. In addition:

(a) Driveways should typically be spaced a minimum of 100 feet from the intersection of a major thoroughfare or as per the Texas Department of Transportation on state maintained roads;
(b) The ingress and egress drives shall have a minimum radius of 30 feet;
(c) Driveways should maintain an appropriate sight distance triangle at all perimeter entrances and exits;
(d) Main entrance drives should generally be located at median breaks providing left turn access to and from the site;
(e) Main entrance drives should connect to a "straightaway" aisle that does not dead end or require an immediate turn to approach the main building;
(f) Aisles intersecting with entrance drives should be spaced at a minimum of 20 feet from the property line to provide for smooth turning movements.

4. *Cross access.* Cross access easements may be required by the city council at the time of the site plan approval to ensure access to future median breaks and to reduce the number of needed curb cuts.

5. *Shared parking.* In master planned retail centers, cross access and shared parking agreements are required for final platting.

6. *Loading and service areas.* Loading and service areas shall be located on the rear and side of buildings whenever possible. In the event that a loading or service area faces John King Blvd., additional screening of the area may be required. A minimum ten-foot solid screening wall shall

be required to screen views of loading docks and loading spaces intended for tractor/semitrailer delivery from any public right-of-way. This ten-foot wall must screen the entire loading dock or space. Screening materials shall utilize similar masonry materials to the front facade. The accommodation of adequate access for service delivery trucks may be evaluated to determine the extent of screening required.

7. *Trash receptacles and recycling receptacles.* Trash and recycling receptacles shall be four-sided with a gate and located outside buffer-strips, and to the side or rear of the primary building. The receptacles shall be screened by a minimum eight-foot solid masonry screen and shall utilize similar masonry materials to the principal structure. Every effort shall be made in order to screen trash/recycling receptacles from John King Blvd.

8. *Play structures.* Play structures shall not be placed between the primary building and any adjacent public right-of-way.

9. *Plan review.* In addition to other factors set out in this Unified Development Code, any concept plans, development plans, and site plans shall be reviewed for:

   (a) Meeting the intent of the landscape ordinance: article VIII, Landscape Standards, as amended, and the screening provisions herein.
   (b) Achieving the intent of the architectural standards and site design standards.
   (c) Proper site entry identification and cross access circulation to avoid congestion at ingress and egress points.

E. Landscape standards. All sites shall, as a minimum, meet the following standards and the standards set out in the landscape ordinance: article VIII, Landscape Standards. Where the following standards conflict with the landscape ordinance, these requirements shall prevail:

1. *Landscape Buffer.* ~~[Required width and height.]~~ The buffer-strip shall be a minimum of ~~15~~ 25 ~~-~~feet wide for retail/commercial uses; ~~25~~ 50 ~~-~~feet wide for residential uses ~~with the exception of a 30-foot-wide buffer from Quail Run Road to SH 205 North~~; and 50 feet wide for office, research-technology and industrial uses, and include a ~~"~~*built-up*~~"~~ berm and~~/or~~ shrubbery ~~or a combination of both~~ along the entire length of the subject property's frontage along the John King Boulvard~~.~~ right-of-way. The minimum required height of the aforementioned berm ~~and/or shrubbery or a combination thereof~~ is ~~30 inches and shall not exceed a maximum height of~~ 48 ~~-~~inches.

2. *Buffer-strip plantings*. Two (2) canopy trees, along with four (4) accent trees shall be required per 100-feet of the John King Boulvard~~.~~ right-of-way. Canopy tree~~s~~, accent tree~~s~~, and shrub~~s as defined, along with~~ sizes and types are included in ~~subsections E(3) and (4)~~*Appendix 'F', Landscaping Requirements and Guidelines*, of the Unified Development Code. ~~The area of John King Blvd. from Quail Run Road to SH 205 North shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.~~In addition, all shrubs shall be a minimum of two (2) gallons in size and 15-inches in height (*i.e. deciduous or evergreen*).

~~3. Plant material sizes. The following size requirements shall be required:~~

~~Canopy trees: four-inch caliper.~~
~~Accent trees: four-foot height.~~
~~Shrubs:~~
~~Deciduous: 15 inches; two-gallon minimum.~~
~~Evergreen: 12 inches; two-gallon minimum.~~

~~4. Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:~~

~~Canopy trees: Afghan Pine, Bald Cypress, Bur Oak, Cedar Elm, Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia, Live Oak, October Glory Maple, Red Oak, Texas Ash, Texas Red Oak.~~

~~Accent trees: Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.~~

3. *Erosion control/retaining walls.* Any slope embankments or retaining walls within the public right-of-way or within the required buffer-strip must be terraced every four feet in height (maximum) with a minimum of a two-foot planting area provided between each vertical plane. Materials used for the vertical elements shall be natural stone or any masonry material, which matches the masonry material used on the front facade of the primary building. The planting area must contain plant materials other than grass.

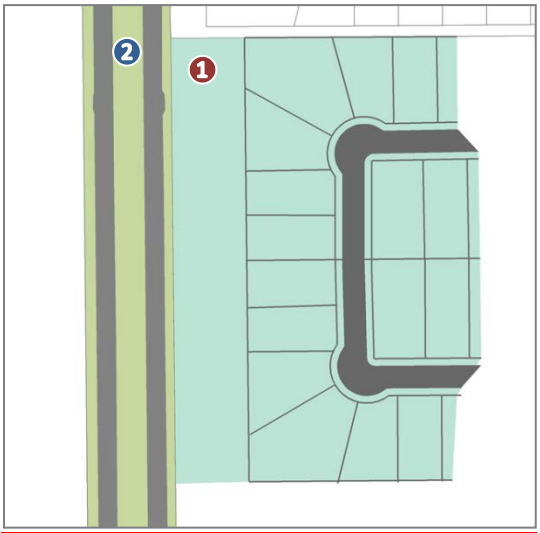
F. Sign standards. All permanent freestanding signs located in the 205 Bypass Corridor Overlay District shall be monument signs (except at the intersection with Interstate 30) adhering to the City of Rockwall sign ordinance as heretofore amended and as may be amended in future. Building materials and colors utilized for construction of the monument base shall be the same as the primary building materials and colors found on the main building, unless otherwise approved by the city council. Approval of any variance to the sign ordinance for property included in the 205 By-Pass Corridor Overlay District shall require city council approval by a three-quarter majority vote.

G. Lighting standards. In addition to the requirements of the outdoor lighting requirements no light pole, pole base or combination thereof shall exceed 20 feet in the 205 Bypass Overlay District. All lighting fixtures shall focus light downward and be contained on the site.

H. Utility placement. All overhead utilities within the 205 Bypass Corridor Overlay District shall be placed underground.

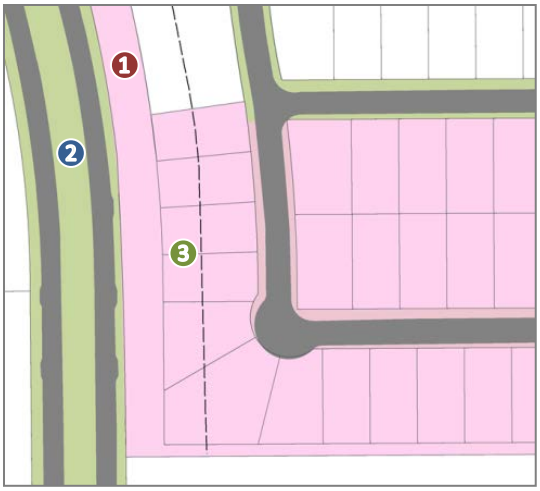
I. *Residential Frontage Requirements.* To ensure proper separation of residential land uses from John King Boulevard all residential developments that have direct frontage on John King Boulevard shall utilize one (1) or a combination of the following design alternatives along the entire frontage of John King Boulevard:

(1) *Increased Landscape Buffer.* A minimum of 100-foot landscape buffer maybe substituted for the required landscape buffer.



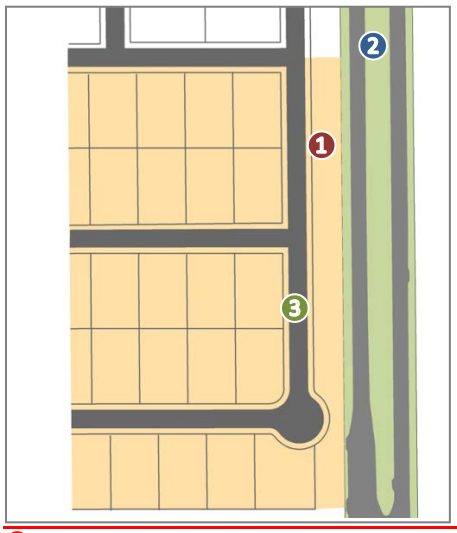
❶: 100-Foot Landscape Buffer
❷: John King Boulevard

(2) *Increased Rear Yard Building Setback.* A minimum of 50-foot rear yard building setback may be incorporated adjacent to the required landscape buffer.

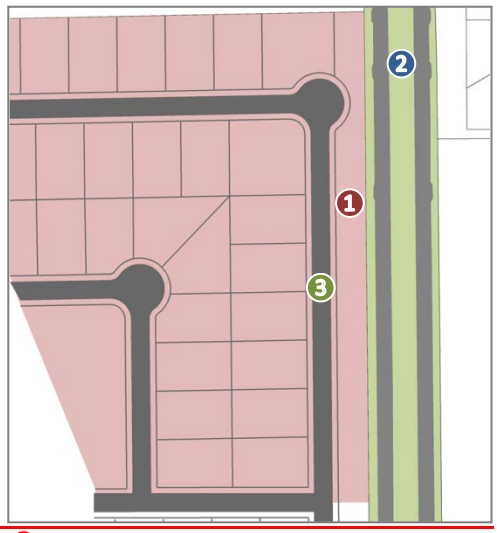


❶: 50-Foot Landscape Buffer
❷: John King Boulevard
❸: 50-Foot Rear Yard Building Setback

(3) *Incorporation of a Slip Street.* A slip street meeting the Engineering Department's requirements for right-of-way and design may be incorporated adjacent to and running parallel with the required landscape buffer. Homes are permitted to front or side to the slip street.



❶: 50-Foot Landscape Buffer
❷: John King Boulevard
❸: Slip Street



❶: 50-Foot Landscape Buffer
❷: John King Boulevard
❸: Slip Street

(4) *Incorporation of an Eyebrow.* An eyebrow street meeting the -- *Engineering Department's requirements for right-of-way and design* -- with a minimum cluster of five (5) homes and a maximum cluster of 12 homes can be incorporated with a 30-foot landscape buffer. All homes should front onto the eyebrow street and have a minimum of a 25-foot front yard building setback.

❶: 30-Foot Landscape Buffer
❷: John King Boulevard
❸: Eyebrow Street
❹: 25-Foot Front Yard Building Setback

Homes that back to a required landscape buffer should be built in such a manner where the required berm visually impairs visibility to John King Boulevard. In cases where a berm proves to be ineffective at screening traffic from John King Boulevard (*due to topography, height, etc.*) the developer shall be responsible for incorporating additional landscaping to provide sufficient screening in the required landscape buffer. This will be reviewed by the Planning and Zoning Commission at the time of site plan.

PICTURE TO BE ADDED PRIOR TO PUBLIC HEARING

~~I.~~J. *Residential Subdivision Fence Standards.* No screening walls shall be erected adjacent to the John King Blvd. right-of-way in conjunction with any residential development. ~~Eyebrow drives with clusters of lots (5—12 homes) shall be utilized along the John King Blvd. right-of-way for residential development or a 50-foot landscape buffer can be used as an alternative to the eyebrow drive design.~~ Farm fencing, including wood rail type and metal pipe and cable fencing, is allowed within the 50-foot landscape buffer.

~~J.~~K. *Variance.* The city council may, upon request from the applicant, grant a variance to any provision of this section where unique or extraordinary conditions exist or where strict adherence to the provisions of this section would create a hardship. Approval of any variance to any provision of this section shall require city council approval by a three-quarter majority vote of those city council members present with a minimum of four affirmative votes.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 6.10, *205 BY-PASS CORRIDOR OVERLAY (205 BY-OV) DISTRICT*, OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS AND SECTION F.3, DISTRICT LANDSCAPING REQUIREMENTS, OF APPENDIX 'F', LANDSCAPING REQUIREMENTS AND GUIDELINES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 6.10, *205 By-Pass Corridor Overlay (205 BY-OV) District,* of Article V, *District Development Standards*, and Section F.3, *District Landscaping Requirements,* of *Appendix 'F'*, *Landscaping Requirements and Guidelines,* of the Unified Development Code [*Ordinance No. 04-38*] and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That Section 6.10, *205 By-Pass Corridor Overlay (205 BY-OV) District,* of Article V, *District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance.

Section 2. That Section F.3, *District Landscaping Requirements,* of *Appendix 'F'*, *Landscaping Requirements and Guidelines,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'B'* of this ordinance.

Section 3. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

DRAFT
05/02/17

Section 4. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 5. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3RD DAY OF JULY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

1st Reading: June 19, 2017

2nd Reading: July 3, 2017

DRAFT ORDINANCE 05.30.2017

A. *Purpose.* The intent of the 205 Bypass Corridor Overlay District is to provide for consistent development of office, retail and commercial areas in concert with the most efficient and aesthetically pleasing appearance of the frontage which serves as the initial impression to those visiting, as well as to those passing through, the City of Rockwall area. In order to ensure that the visual impact of development does not detrimentally affect the area in which it is proposed, landscaping plans, building elevations and site plans are required. Architectural compatibility and plan review shall be conducted through an architectural review committee. These development requirements shall apply to nonresidential and multi-family uses only. All other residential uses shall be excluded from these standards except has otherwise stated.

B. *Application and boundaries.* The 205 Bypass Corridor Overlay District includes the entirety of all properties which adjoin or are located within 500 feet of the current and future right-of-way of John King Blvd. The 205 Bypass Corridor Overlay Zone extends along the current and future right-of-way of John King Blvd. to the existing city limits. The standards and regulations set forth in the 205 Bypass Corridor Overlay District are superimposed and shall supersede the standards and regulations of any underlying zoning district which are in conflict.

C. *Architectural standards.*

1. Masonry requirements. Each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, as defined in article XIII, Definitions, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, including a minimum of 20 percent natural or quarried stone.

   (a) Primary exterior materials shall include natural or quarried stone, brick, glass block or glass, tile, cast metal and custom concrete masonry units. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the building's exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality and durability. However, stucco may not be located in the first four feet above grade on a facade visible from a street or public area. Each elevation's masonry requirement shall incorporate accent bricks or stones. As the term is used, an "accent brick or stone" is one that provides a contrast by color, shape, size, and/or texture to the field of primary bricks or stones in an elevation. Additionally, the Planning and Zoning Commission may consider the use of high quality manufactured or cultured stone if the following standards of manufacturing and warranty apply to the product;

   - ☑ That the manufacturing molds should be made from actual stones and each piece should complement each other having the right shape, texture, size and detail of natural stone;
   - ☑ That the overtones of color should be integrated into the stone during the molding process, while the base color of the stone is blended entirely throughout;
   - ☑ That highly skilled artisans should be utilized to hand paint each piece in order to give each stone depth and variation of color;
   - ☑ That the use of the highest quality synthetic mineral oxides should be used to infuse the surface with rich, authentic tones; and
   - ☑ That the manufactured stone product shall have a minimum warranty of 75 years.

   (b) Secondary materials used on the facade of a building are those that comprise less than ten percent of an elevation area. Permitted secondary materials are all primary materials, aluminum or other metal, EIFS, cast stone, cultured stone or other materials as approved by the director of planning or his designee.

2. Roof design standards. Rooftop mechanical equipment and other appurtenances must be properly screened. All structures having a footprint of 6,000 square feet or less shall be constructed with a pitched roof system. Those structures having a footprint greater than 6,000 square feet shall be constructed with either a pitched, parapet, or mansard roof system (enclosed on all sides). Standing seam metal roofs shall be constructed of a factory-finish. Metal roofs with lapped seam construction, bituminous built-up roofs, and flat, membrane-type roofs which are visible from adjacent public right-of-way shall be prohibited.

3. Mechanical equipment screening. All buildings must be designed such that no mechanical equipment, HVAC, or satellite dishes shall be visible from any direction. This shall include equipment located on the roof, on the ground, or otherwise attached to the building or located on the site.

DRAFT ORDINANCE 03.30.17

Screening of rooftop mechanical equipment and/or other rooftop appurtenances screening shall be accomplished by either:

(a) The construction of the roof systems described in subsection C.2 above; or
(b) An architectural feature which is integral to the building's design and ensures that such equipment is not visible from adjacent public right-of-way.

The fencing or enclosing of individual mechanical units shall not be permitted except as described above.

All rooftop mechanical equipment or architectural features described herein shall be shown on the required building elevations and submitted along with the site plan for approval.

4. All buildings shall be designed to incorporate no less than four of the architectural elements listed below. Buildings over 50,000 square feet must include a minimum of six of the referenced architectural elements. Buildings over 100,000 square feet must include a minimum of seven of the referenced architectural elements:

☑ Canopies, awnings, or porticos;
☑ Recesses/projections;
☑ Arcades;
☑ Peaked roof forms;
☑ Arches;
☑ Outdoor patios;
☑ Display windows;
☑ Architectural details (such as tile work and moldings) integrated into the building facade;
☑ Articulated ground floor levels or base;
☑ Articulated cornice line;
☑ Integrated planters or wing walls that incorporate landscape and sitting areas;
☑ Offsets, reveals or projecting rib used to express architectural or structural bays;
☑ Varied roof heights; or
☑ Other architectural features approved by the director of planning or his designee.

5. All retail/commercial buildings shall be architecturally finished on all four sides with the same materials, detailing, and features with one row of trees planted on the perimeter behind the building.

6. Windows shall have a maximum exterior visible reflectivity of 20 percent. Color of glass shall be reviewed and approved by the director of planning or his designee.

7. All buildings within a common retail/commercial development, as shown on a concept plan or site plan, shall have similar architectural styles, materials, and colors.

(a) Conceptual facade plans and sample boards shall be submitted with the site plan application for all nonresidential uses. The purpose of the conceptual facade plan is to ensure consistency and compatibility for all buildings within a single development. Facade plans will be used only to ensure minimum standards are met.

8. Corporate identities that conflict with the building design criteria shall be reviewed as a variance as defined in this section and reviewed on a case-by-case basis by the planning and zoning commission and approved by the city council.

D. Site design standards.

1. *Building setback.* All lots within the 205 Bypass Corridor Overlay District shall maintain the following minimum front yard building setbacks:

DRAFT ORDINANCE 05.30.17

Retail/Commercial: 15-Feet
Industrial/Office/Technology: 50-Feet

All other building setback regulations shall be the same as set forth in the underlying zoning district except as otherwise noted herein.

2. *Parking area restrictions.* No more than two rows of parking, approximately 60 feet in width, shall be allowed between the primary building and the John King Blvd. right-of-way.

3. *Access/ingress/egress.* To minimize potential vehicular and pedestrian conflicts particular attention must be given to the location of median breaks along major thoroughfares, number and location of entry/exit drives, design of entry/exit drives in relationship to the parking areas, and sight distances. In addition:

   (a) Driveways should typically be spaced a minimum of 100 feet from the intersection of a major thoroughfare or as per the Texas Department of Transportation on state maintained roads;
   (b) The ingress and egress drives shall have a minimum radius of 30 feet;
   (c) Driveways should maintain an appropriate sight distance triangle at all perimeter entrances and exits;
   (d) Main entrance drives should generally be located at median breaks providing left turn access to and from the site;
   (e) Main entrance drives should connect to a "straightaway" aisle that does not dead end or require an immediate turn to approach the main building;
   (f) Aisles intersecting with entrance drives should be spaced at a minimum of 20 feet from the property line to provide for smooth turning movements.

4. *Cross access.* Cross access easements may be required by the city council at the time of the site plan approval to ensure access to future median breaks and to reduce the number of needed curb cuts.

5. *Shared parking.* In master planned retail centers, cross access and shared parking agreements are required for final platting.

6. *Loading and service areas.* Loading and service areas shall be located on the rear and side of buildings whenever possible. In the event that a loading or service area faces John King Blvd., additional screening of the area may be required. A minimum ten-foot solid screening wall shall be required to screen views of loading docks and loading spaces intended for tractor/semitrailer delivery from any public right-of-way. This ten-foot wall must screen the entire loading dock or space. Screening materials shall utilize similar masonry materials to the front facade. The accommodation of adequate access for service delivery trucks may be evaluated to determine the extent of screening required.

7. *Trash receptacles and recycling receptacles.* Trash and recycling receptacles shall be four-sided with a gate and located outside buffer-strips, and to the side or rear of the primary building. The receptacles shall be screened by a minimum eight-foot solid masonry screen and shall utilize similar masonry materials to the principal structure. Every effort shall be made in order to screen trash/recycling receptacles from John King Blvd.

8. *Play structures.* Play structures shall not be placed between the primary building and any adjacent public right-of-way.

9. *Plan review.* In addition to other factors set out in this Unified Development Code, any concept plans, development plans, and site plans shall be reviewed for:

   (a) Meeting the intent of the landscape ordinance: article VIII, Landscape Standards, as amended, and the screening provisions herein.
   (b) Achieving the intent of the architectural standards and site design standards.
   (c) Proper site entry identification and cross access circulation to avoid congestion at ingress and egress points.

DRAFT ORDINANCE 05.2017

E. Landscape standards. All sites shall, as a minimum, meet the following standards and the standards set out in the landscape ordinance: article VIII, Landscape Standards. Where the following standards conflict with the landscape ordinance, these requirements shall prevail:

1. *Landscape Buffer.* The buffer-strip shall be a minimum of 25-feet wide for retail/commercial uses; 50-feet wide for residential uses; and 50 feet wide for office, research-technology and industrial uses, and include a *built-up* berm and shrubbery along the entire length of the subject property's frontage along the John King Boulevard right-of-way. The minimum required height of the aforementioned berm is 48-inches.

2. *Buffer-Strip Plantings*. Two (2) canopy trees, along with four (4) accent trees shall be required per 100-feet of the John King Boulevard right-of-way. Canopy tree, accent tree, and shrub sizes and types are included in *Appendix 'F'*, *Landscaping Requirements and Guidelines*, of the Unified Development Code. In addition, all shrubs shall be a minimum of two (2) gallons in size and 15-inches in height (*i.e. deciduous or evergreen*).

3. *Erosion Control/Retaining Walls.* Any slope embankments or retaining walls within the public right-of-way or within the required buffer-strip must be terraced every four feet in height (maximum) with a minimum of a two-foot planting area provided between each vertical plane. Materials used for the vertical elements shall be natural stone or any masonry material, which matches the masonry material used on the front facade of the primary building. The planting area must contain plant materials other than grass.

F. Sign standards. All permanent freestanding signs located in the 205 Bypass Corridor Overlay District shall be monument signs (except at the intersection with Interstate 30) adhering to the City of Rockwall sign ordinance as heretofore amended and as may be amended in future. Building materials and colors utilized for construction of the monument base shall be the same as the primary building materials and colors found on the main building, unless otherwise approved by the city council. Approval of any variance to the sign ordinance for property included in the 205 By-Pass Corridor Overlay District shall require city council approval by a three-quarter majority vote.

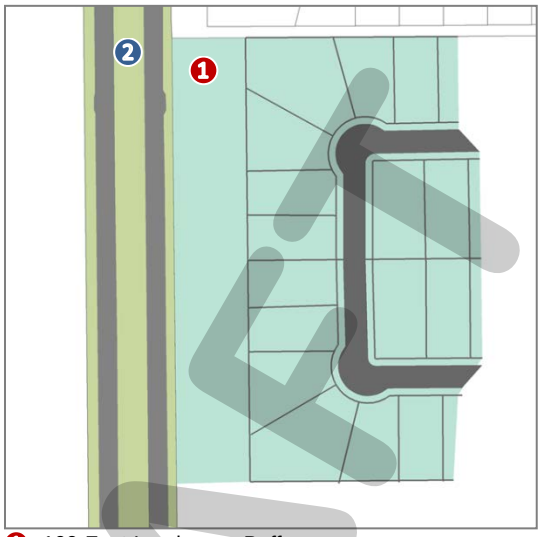
G. Lighting standards. In addition to the requirements of the outdoor lighting requirements no light pole, pole base or combination thereof shall exceed 20 feet in the 205 Bypass Overlay District. All lighting fixtures shall focus light downward and be contained on the site.

H. Utility placement. All overhead utilities within the 205 Bypass Corridor Overlay District shall be placed underground.

I. *Residential Frontage Requirements.* To ensure proper separation of residential land uses from John King Boulevard all residential developments that have direct frontage on John King Boulevard shall utilize one (1) or a combination of the following design alternatives along the entire frontage of John King Boulevard:

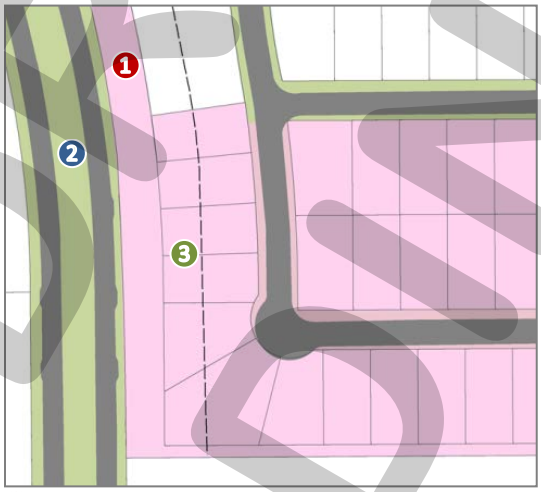
(1) *Increased Landscape Buffer.* A minimum of 100-foot landscape buffer maybe substituted for the required landscape buffer.

PRELIMINARY
ORDINANCE
05.30.17



1: 100-Foot Landscape Buffer
2: John King Boulevard

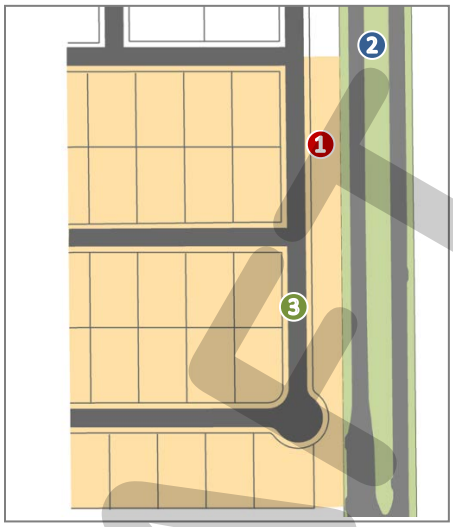
(2) *Increased Rear Yard Building Setback.* A minimum of 50-foot rear yard building setback may be incorporated adjacent to the required landscape buffer.



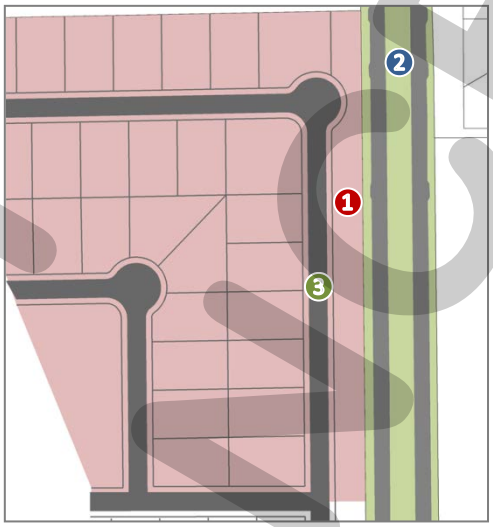
1: 50-Foot Landscape Buffer
2: John King Boulevard
3: 50-Foot Rear Yard Building Setback

(3) *Incorporation of a Slip Street.* A slip street meeting the Engineering Department's requirements for right-of-way and design may be incorporated adjacent to and running parallel with the required landscape buffer. Homes are permitted to front or side to the slip street.

DRAFT ORDINANCE 05.30.2017



1: 50-Foot Landscape Buffer
2: John King Boulevard
3: Slip Street



1: 50-Foot Landscape Buffer
2: John King Boulevard
3: Slip Street

(4) *Incorporation of an Eyebrow.* An eyebrow street meeting the -- *Engineering Department's requirements for right-of-way and design* -- with a minimum cluster of five (5) homes and a maximum cluster of 12 homes can be incorporated with a 30-foot landscape buffer. All homes should front onto the eyebrow street and have a minimum of a 25-foot front yard building setback.

1: 30-Foot Landscape Buffer
2: John King Boulevard
3: Eyebrow Street
4: 25-Foot Front Yard Building Setback

Homes that back to a required landscape buffer should be built in such a manner where the required berm visually impairs visibility to John King Boulevard. In cases where a berm proves to be ineffective at screening traffic from John King Boulevard (*due to topography, height, etc.*) the developer shall be responsible for incorporating additional landscaping to provide sufficient screening in the required landscape buffer. This will be reviewed by the Planning and Zoning Commission at the time of site plan.

PICTURE TO BE ADDED PRIOR TO PUBLIC HEARING

DRAFT 04.30.2017

J. Residential Subdivision Fence Standards. No screening walls shall be erected adjacent to the John King Blvd. right-of-way in conjunction with any residential development. Farm fencing, including wood rail type and metal pipe and cable fencing, is allowed within the 50-foot landscape buffer.

K. Variance. The city council may, upon request from the applicant, grant a variance to any provision of this section where unique or extraordinary conditions exist or where strict adherence to the provisions of this section would create a hardship. Approval of any variance to any provision of this section shall require city council approval by a three-quarter majority vote of those city council members present with a minimum of four affirmative votes.

(Ord. No. 05-49, 9-19-2005; Ord. No. 06-14, 4-17-2006; Ord. No. 10-14, §§ 40—44, 7-6-2010; Ord. No. 15-23, § 2, 8-3-2015; Ord. No. 15-32, § 1, 12-7-2015)

Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 05.16.2017

All staff comments are to be addressed and resubmitted by Tuesday, June 6, 2017. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

Planning Department General Comments to be addressed are as follows:

1. Adherence to Engineering and Fire Department standards shall be required.
2. Re-label revised site plan documents with "Case No. SP2017-016" at the lower right corner of each plan.
3. All exterior signage requires submittal and approval of a separate building permit through the building inspections department. Approval of this site plan does not confer approval of the signage depicted on the plans.

VARIANCE FOR THE CITY COUNCIL TO CONSIDER:

1. The IH-30 OV district requires each exterior wall to be constructed of 90% masonry materials (i.e. brick, stone, etc.) including a minimum of 20% natural or quarried stone when visible from a public street or open space -- provide calculation for each facade, excluding doors and windows to determine compliance. (See exceptions below for use of cultured stone)

If the Planning and Zoning Commission does not approve the use of cultured stone and in accordance with Section 6.6.C.1.a, Architectural Standards, of Article V, District Development Standards, of the UDC, a variance to allow for not meeting the minimum masonry standards requires a ¾ majority vote by the City Council for approval.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION & CITY COUNCIL TO CONSIDER"

1. Horizontal and vertical articulation required for the east and west elevations.
2. Outside sales and display area's (ice machine & propane tanks) require a recommendation from the Planning and Zoning Commission and approval of the City Council.
3. The Planning Commission may considerthe use of high quality manufactured or cultered stone meeting the standards as listed in Sec. 6.6, C. 1. a. of the UDC. (Eldorado Stone)

Please address the following Planning Comments for each plan submitted:

Site Plan:
1. Provide a darker shade of gray for existing access drive (label accordingly) and parking spaces on site.
2. Remove construction notation from this site plan. These notes are appropriate for separate building permit:
a) General Site Notes - table
b) Temporary Traffic barrels
c) Remove statement above the temporary traffic barrels stating "all existing curb/gutter striping and pavement damagaed...original state."

d) Temporary Access Drive Notes table.
e) Remove construction fence from site plan (e.g. CFP & CF) and related items in legend.
f) Change language in Site Notes for No.'s 16A & 21K by removing "per approved elevation" and insert "requires submittal and approval of a separate permit prior to installation."
g) Remove No. 14J - required at building permit.
h) Remove No. 70A - required at building permit.
i) Site Details - See Detail Sheets: remove No. 2F Construction Safety Fence - building permit item.
3. What exterior material are you using for the propane enclosure wall? This should match the primary building materials.
4. Provide adjacent property owner information for the north, south, and west boundaries.
5. Delineate and label 20-ft landscape buffer.

Landscape Plan:
1. Delineate and label 20-ft landscape buffer.
2. Remove from Legend all labels that do not apply for a landscape plan.
3. Provide labels for "STM" and "DOM".

Photometric Plan:
1. All exterior lighting sources are to be directed down and sheilded with a full cut-off or partial cut-off source and a maximum 1 inch reveal in order to control glare.
2. Maximum lighting intensity at the property line is not to exceed 0.2-FC. Resubmit photometric plan and indicate readings at all property lines (excluding IH-30) in compliance with UDC (i.e. > or = to 0.2-FC).
3. ATM machine requires a 50-ft radius meeting the lighting standards estalblished by the State of Texas. Indicate and label as required.

Building Elevations:
1. Approval of the variance/exception for the use of a cultured stone as requested above for the IH-30 OV district.
2. Is the stone depicted on the elevations a cultured stone (i.e. Eldorado Stone)? If so, the Planning Commission can consider the use of this material when meeting the standards established in Section 6.6.C.1.a, Architectural Standards, of Article V, District Development Standards, of the UDC. Please provide a manufacturers cut sheet and sample of the stone material for consideration.
3. Label and provide a self latching gate mechanism for the dumpster enclosure.
4. Remove Sign information table at lower right corner - All exterior signage requries submittal and approval of a separate sign permit from the building inspections department. Approval of this site plan does not confer approval of a sign permit.
5. Provide calculations for all exterior building materials - broken out for each facade.
6. Variance to the horizontal and vertical articulation standards requried for the IH-30 OV as indicated above under variances.

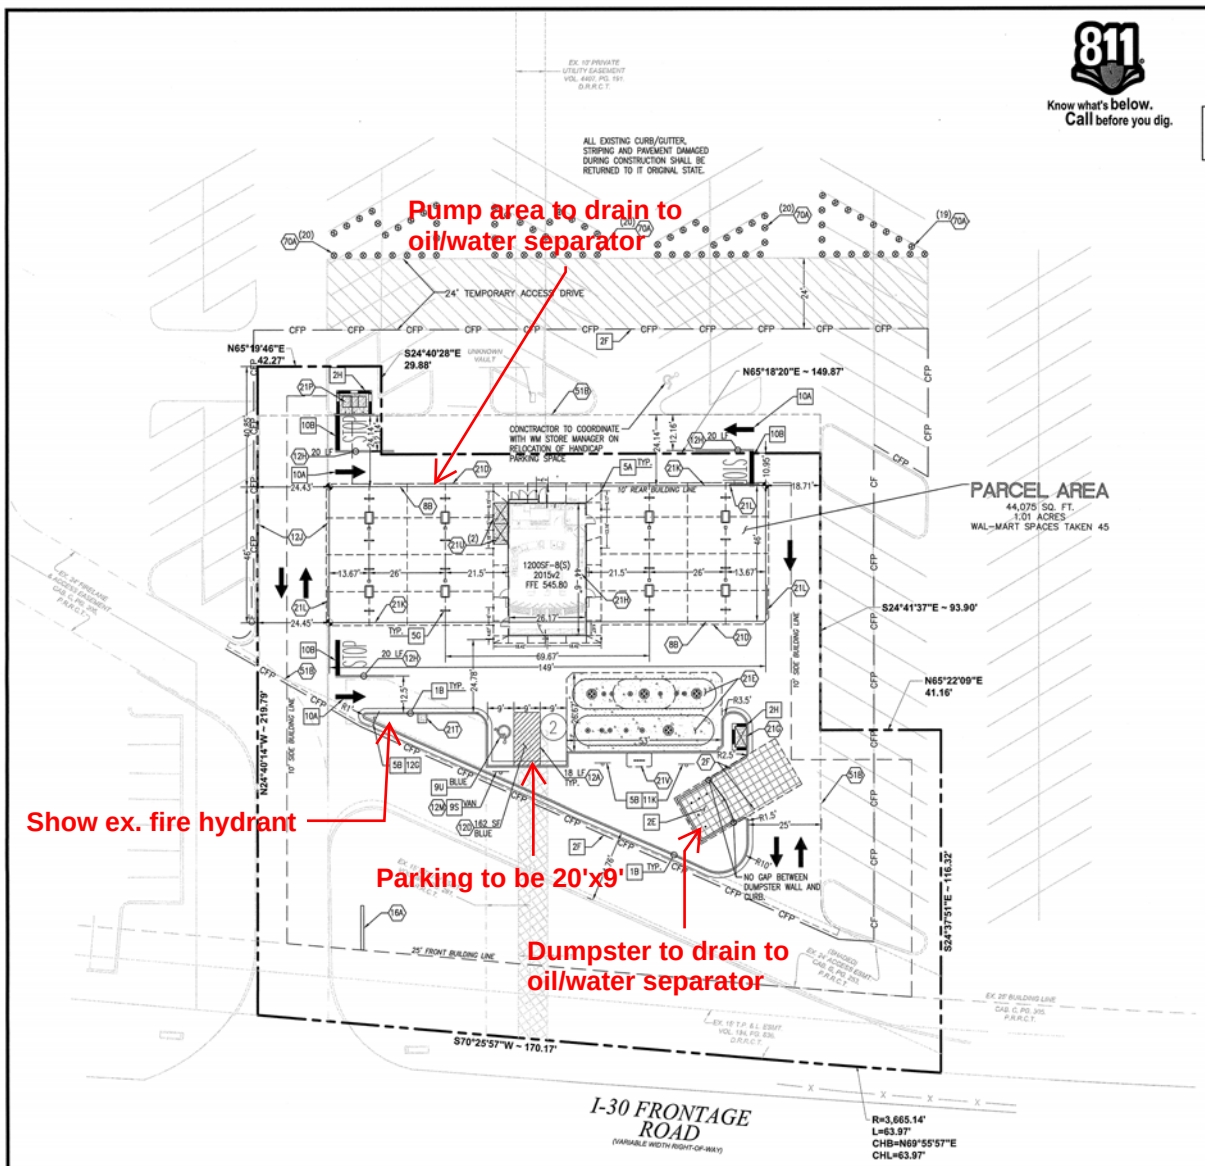
The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD Site Plan. If you have any quesitons regarding this case, please feel free to contact DavidGonzales, AICP with thePlanning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board: May 30, 2017 (5:00 p.m.) [Applicant to receive recommendations from ARB]

Planning - Work Session: May 30, 2017 (6:00p.m.) [Applicant to present/discuss project to P&Z]

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks
Planning - Action: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)]							
City Council - Action: June 19, 2017 (6:00 p.m.) [FOR VARIANCE REQUEST ONLY]							



Know what's below. Call before you dig.

TEMPORARY ACCESS DRIVE NOTES

1. INSTALL TEMPORARY ACCESS DRIVE AS SHOWN.
2. TEMPORARY ACCESS DRIVE SHALL REMAIN OPEN UNTIL PERMANENT ACCESS DRIVE IS COMPLETE.
3. THE PERMANENT ACCESS DRIVE SHALL BE COMPLETE WITHIN THREE (3) WEEKS.
4. TEMPORARY TRAFFIC BARRELS SHALL BE CONSTRUCTED OF LIGHTWEIGHT, DEFORMABLE MATERIALS. THEY SHALL BE A MINIMUM OF 36 INCHES IN HEIGHT AND HAVE AT LEAST AN 18-INCH MINIMUM WIDTH REGARDLESS OF ORIENTATION. METAL DRUMS SHALL NOT BE USED. THE MARKINGS ON DRUMS SHALL BE HORIZONTAL, CIRCUMFERENTIAL, ALTERNATING ORANGE AND WHITE RETROREFLECTIVE STRIPES 4 TO 6 INCHES WIDE. EACH BARREL/DRUM SHALL HAVE A MINIMUM OF TWO ORANGE AND TWO WHITE STRIPES WITH THE TOP STRIPE BEING ORANGE. ANY NON-RETROREFLECTORIZED SPACES BETWEEN THE HORIZONTAL ORANGE AND WHITE STRIPES SHALL NOT EXCEED 3 INCHES WIDE. DRUMS SHALL HAVE CLOSED TOPS THAT WILL NOT ALLOW COLLECTION OF CONSTRUCTION DEBRIS OR OTHER DEBRIS.
5. CONTRACTOR TO INSTALL TEMPORARY TRAFFIC SIGNAGE FOR TEMPORARY ACCESS DRIVE.
6. CONTRACTOR SHALL PROPERLY SEQUENCE PERIMETER EROSION CONTROL MEASURES WITH ALL TEMPORARY ACCESS DRIVES AND/OR DETOURS. CONTRACTOR SHALL PROTECT ALL POINTS OF CONSTRUCTION INGRESS AND EGRESS AND ENSURE PERIMETER CONTROLS ARE PHASED ACCORDINGLY.
7. CONSTRUCTION FENCE ADJACENT TO TEMPORARY ACCESS DRIVE TO BE INSTALLED DURING CONSTRUCTION AND REMOVED/RELOCATED AFTER COMPLETION OF PERMANENT ACCESS DRIVE.

1. THE MURPHY STATION WILL NOT DROP THE WAL-MART GREEN SPACE BELOW CITY REQUIREMENTS.
2. ALL PERMANENT TURF AREAS MUST BE SODDED.
3. GC TO ENSURE THAT TRAFFIC THROUGH MAIN WAL-MART DRIVES IS NOT INTERRUPTED AT ANY TIME DUE TO CONSTRUCTION ACTIVITIES. ENSURE A MINIMUM TEMPORARY LANE WIDTH OF 10' (EACH DIRECTION) IS AVAILABLE AT ALL TIMES, FREE OF OBSTRUCTIONS TO VEHICLES. AT NO TIME SHALL THE CONSTRUCTION FENCE EXTEND INTO THE DRIVE MORE THAN 2' FROM THE FACE OF THE CURB OR DRIVE.
4. IF DEMOLITION OR CONSTRUCTION ON SITE WILL INTERFERE WITH THE WAL-MART TRAFFIC FLOW OR ADJACENT PROPERTY OWNER'S TRAFFIC FLOW, THE CONTRACTOR SHALL COORDINATE WITH THE WAL-MART CONSTRUCTION/STORE MANAGER AND/OR ADJACENT PROPERTY OWNERS, TO MINIMIZE THE IMPACT ON TRAFFIC FLOW. TEMPORARY RE-ROUTING OF TRAFFIC IS TO BE ACCOMPLISHED BY USING DOT APPROVED TRAFFIC BARRICADES, BARRELS, AND/OR CONES. TEMPORARY SIGNAGE AND FLAGMEN MAY BE ALSO NECESSARY.
5. ALL WAL-MART PROPERTY DAMAGED DUE TO CONSTRUCTION ACTIVITIES MUST BE REPLACED/RESTORED TO MATCH THE EXISTING TYPE AND QUALITY OF WORK AND MATERIALS, AND IS SUBJECT TO WAL-MART APPROVAL.
6. UTILITY WORK DONE ON WAL-MART PARCEL, WHETHER BY THE GC, CITY OR THE UTILITY COMPANIES, SHALL BE REPAIRED BACK TO EXISTING CONDITIONS.
7. EROSION CONTROL MEASURES IMPLEMENTED INSIDE THE WAL-MART DRIVE ISLES AND PARKING LOT SHALL INCLUDE ONLY SILT SAKS (OR WAL-MART PRE-APPROVED EQUAL) TO ENSURE TRAFFIC CIRCULATION IS NOT IMPEDED. GRAVEL INLET PROTECTION DEVICES SHALL NOT BE ALLOWED INSIDE THE WAL-MART DRIVE ISLES OR PARKING LOT.
8. GC SHALL UTILIZE DIRECTIONAL BORING OR JACK AND BORE METHODS TO INSTALL ALL UTILITIES THROUGH THE WAL-MART PARKING LOT, ANY PAVED AREAS OR DRIVE ISLES.

GENERAL SITE NOTES

A. ALL DIMENSIONS SHOWN ARE TO THE FACE OF CURB UNLESS OTHERWISE NOTED.

B. ALL CURB RETURN RADII SHALL BE 5', AS SHOWN TYPICAL ON THIS PLAN, UNLESS OTHERWISE NOTED.

C. UNLESS OTHERWISE SHOWN, CALLED OUT OR SPECIFIED HEREON:
ALL CURB AND GUTTER ADJACENT TO CONCRETE PAVING SHALL BE INSTALLED PER DETAIL 1B.
PAVEMENT SHALL BE INSTALLED IN ACCORDANCE WITH THE PAVING PLAN OVER THE ENTIRE PARKING LOT AREA AND ALL APPROACH DRIVES.
SEE ASSOCIATED PLANS FOR CANOPY, COLUMN, PUMP ISLAND DETAILS AND LAYOUT.

D. CONTRACTOR SHALL BEGIN CONSTRUCTION OF ANY LIGHT POLE BASES FOR RELOCATED LIGHT FIXTURES AND RELOCATION OF ELECTRICAL SYSTEM AS SOON AS DEMOLITION BEGINS. CONTRACTOR SHALL BE AWARE THAT INTERRUPTION OF POWER TO ANY LIGHT POLES OR SIGNS SHALL NOT EXCEED 24 HOURS.

E. IF DEMOLITION OR CONSTRUCTION ON SITE WILL INTERFERE WITH THE WAL-MART TRAFFIC FLOW OR ADJACENT PROPERTY OWNER'S TRAFFIC FLOW, THE CONTRACTOR SHALL COORDINATE WITH THE WAL-MART CONSTRUCTION/STORE MANAGER AND/OR ADJACENT PROPERTY OWNER, TO MINIMIZE THE IMPACT ON TRAFFIC FLOW. TEMPORARY RE-ROUTING OF TRAFFIC IS TO BE ACCOMPLISHED BY USING DOT APPROVED TRAFFIC BARRICADES, BARRELS, AND/OR CONES. TEMPORARY SIGNAGE AND FLAGMEN MAY BE ALSO NECESSARY.

F. ALL WAL-MART PROPERTY DAMAGED DUE TO CONSTRUCTION ACTIVITIES MUST BE REPLACED/RESTORED TO MATCH THE EXISTING TYPE AND QUALITY OF WORK AND MATERIALS, AND IS SUBJECT TO WAL-MART APPROVAL.

G. CONTRACTOR TO PROTECT EXISTING LANDSCAPE/IRRIGATION MATERIAL.

H. ALL SLOPES AND AREAS DISTURBED BY CONSTRUCTION SHALL BE GRADED SMOOTH AND FOUR INCHES OF TOPSOIL APPLIED. IF ADEQUATE TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL, APPROVED BY THE OWNER, AS NEEDED. THE AREA SHALL THEN BE SEEDED/SODDED, FERTILIZED, MULCHED, WATERED AND MAINTAINED UNTIL HARDY GRASS GROWTH IS ESTABLISHED IN ALL AREAS. ANY AREAS DISTURBED FOR ANY REASON PRIOR TO FINAL ACCEPTANCE OF THE PROJECT SHALL BE CORRECTED BY THE CONTRACTOR AT NO ADDITIONAL COST TO THE OWNER.

I. THE MURPHY STATION WILL NOT DROP THE WAL-MART GREEN SPACE BELOW CITY REQUIREMENTS.

J. CONTRACTOR IS TO VERIFY LOCATION OF WAL-MART IRRIGATION SYSTEM, VALVE BOXES, CONTROL BOXES, BACKFLOW PREVENTION DEVICES AND OTHER ITEMS WHICH ARE PART OF THE SYSTEM. IF DAMAGES THEY MUST BE REPAIRED AT CONTRACTOR'S COST.

K. THE LOCATION OF THE CONSTRUCTION FENCE ON THE DRAWINGS IS FOR GRAPHICAL REPRESENTATION ONLY. THE CONTRACTOR IS TO ENSURE THAT THE CONSTRUCTION FENCE ENCOMPASSES THE ENTIRE WORK AREA.

L. CONTRACTOR SHALL PURCHASE AND INSTALL A MAILBOX, AND SHALL COORDINATE LOCATION OF MAILBOX WITH MURPHY CONSTRUCTION MANAGER AND/OR ON-SITE REPRESENTATIVE AND LOCAL POSTMASTER.

M. ALL PROPOSED PAVEMENT STRIPING OR MARKINGS SHALL FOLLOW THE SPECIFICATIONS FOR PAINT INCLUDED IN DETAIL 10A.

GENERAL LANDSCAPE NOTES

A. LOCATE ALL UTILITIES AND SITE LIGHTING CONDUITS BEFORE LANDSCAPE CONSTRUCTION BEGINS.

B. NOTIFY LANDSCAPE ARCHITECT OR DESIGNATED REPRESENTATIVE OF ANY LAYOUT DISCREPANCIES PRIOR TO ANY PLANTING.

C. ALL LANDSCAPE MATERIALS SHALL BE IN COMPLIANCE WITH THE AMERICAN STANDARD FOR NURSERY STOCK. (ANSI-Z60.1-1986)

D. ALL WAL-MART PROPERTY DAMAGED DUE TO CONSTRUCTION ACTIVITIES MUST BE REPLACED/RESTORED TO MATCH THE EXISTING TYPE AND QUALITY OF WORK AND MATERIALS, AND IS SUBJECT TO WAL-MART APPROVAL.

E. ALL SLOPES AND AREAS DISTURBED BY CONSTRUCTION SHALL BE GRADED SMOOTH AND FOUR INCHES OF TOPSOIL APPLIED. IF ADEQUATE TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL, APPROVED BY THE OWNER, AS NEEDED. THE AREA SHALL THEN BE SODDED, FERTILIZED, MULCHED, WATERED AND MAINTAINED UNTIL HARDY GRASS GROWTH IS ESTABLISHED IN ALL AREAS. ANY RELOCATED TREES SHALL BE MAINTAINED UNTIL SUCH POINT AS TREE IS RE-ESTABLISHED. ANY AREAS DISTURBED SHALL ANY REASON PRIOR TO FINAL ACCEPTANCE OF THE PROJECT SHALL BE CORRECTED BY THE CONTRACTOR AT NO ADDITIONAL COST TO THE OWNER.

F. THE MURPHY STATION WILL NOT DROP WAL-MART'S GREEN SPACE BELOW CITY'S REQUIREMENTS.

G. CONTRACTOR IS TO VERIFY LOCATION OF WAL-MART IRRIGATION SYSTEM, VALVE BOXES, CONTROL BOXES, BACKFLOW PREVENTION DEVICES AND OTHER ITEMS WHICH ARE PART OF THE SYSTEM. IF DAMAGED THEY MUST BE REPAIRED AT CONTRACTOR'S COST.

H. CONTRACTOR IS TO PROTECT EXISTING LANDSCAPING/IRRIGATION MATERIALS.

I. ACCEPTANCE OF GRADING AND SEEDING SHALL BE BY LANDSCAPE ARCHITECT AND/OR OWNER. THE CONTRACTOR SHALL ASSUME MAINTENANCE RESPONSIBILITIES FOR A MINIMUM OF ONE (1) YEAR OR UNTIL SECOND CUTTING, WHICHEVER IS LONGER. MAINTENANCE SHALL INCLUDE WATERING, WEEDING, RESEEDING, AND OTHER OPERATIONS NECESSARY TO KEEP ALL LAWN AREAS IN A THRIVING CONDITIONS. UPON FINAL ACCEPTANCE, OWNER SHALL ASSUME ALL MAINTENANCE RESPONSIBILITIES. AFTER LAWN AREA HAVE GERMINATED, AREAS WHICH FAIL TO SHOW A UNIFORM STAND OF GRASS FOR ANY REASON WHATSOEVER SHALL BE RE-SEEDED REPEATEDLY UNTIL ALL AREAS ARE COVERED WITH A SATISFACTORY STAND OF GRASS. MINIMUM ACCEPTANCE OF SEEDED LAWN AREAS MAY INCLUDE SCATTERED BARE SPOTS, NONE OF WHICH ARE LARGER THAN 1 SQUARE FOOT, AND WHEN COMBINED DO NOT EXCEED 2% OF TOTAL SEEDED LAWN AREA.

J. THE LANDSCAPE CONTRACTOR SHALL VERIFY ALL QUANTITIES SHOWN ON THESE PLANS, BEFORE PRICING THE WORK.

K. QUANTITIES ON THE PLANT SCHEDULE ARE PROVIDED FOR CONVENIENCE. THE CONTRACTOR SHALL BE RESPONSIBLE FOR HIS/HER OWN QUANTITY CALCULATIONS. IN THE EVENT OF A DISCREPANCY BETWEEN THE LANDSCAPE PLANS AND THE PLANT SCHEDULE, THE LANDSCAPE PLAN WILL TAKE PRECEDENCE. THE CONTRACTOR SHALL INFORM THE LANDSCAPE ARCHITECT IMMEDIATELY UPON DISCOVERING ANY QUANTITY DISCREPANCIES.

L. METAL LANDSCAPE EDGING IS TO BE INSTALLED BETWEEN SOD AND LANDSCAPE PLANTING BED.

(IN FEET)
1 inch = 20 ft

TEMPORARY ACCESS DRIVE NOTES

1. INSTALL TEMPORARY ACCESS DRIVE AS SHOWN.
2. TEMPORARY ACCESS DRIVE SHALL REMAIN OPEN UNTIL PERMANENT ACCESS DRIVE IS COMPLETE.
3. THE PERMANENT ACCESS DRIVE SHALL BE COMPLETE WITHIN THREE (3) WEEKS.
4. TEMPORARY TRAFFIC BARRELS SHALL BE CONSTRUCTED OF LIGHTWEIGHT, DEFORMABLE MATERIALS. THEY SHALL BE A MINIMUM OF 36 INCHES IN HEIGHT AND HAVE AT LEAST AN 18-INCH MINIMUM WIDTH REGARDLESS OF ORIENTATION. METAL DRUMS SHALL NOT BE USED. THE MARKINGS ON DRUMS SHALL BE HORIZONTAL, CIRCUMFERENTIAL, ALTERNATING ORANGE AND WHITE RETROREFLECTIVE STRIPES 4 TO 6 INCHES WIDE. EACH BARREL/DRUM SHALL HAVE A MINIMUM OF TWO ORANGE AND TWO WHITE STRIPES WITH THE TOP STRIPE BEING ORANGE. ANY NON-RETRoREFLECTORIZED SPACES BETWEEN THE HORIZONTAL ORANGE AND WHITE STRIPES SHALL NOT EXCEED 3 INCHES WIDE. DRUMS SHALL HAVE CLOSED TOPS THAT WILL NOT ALLOW COLLECTION OF CONSTRUCTION DEBRIS OR OTHER DEBRIS.
5. CONTRACTOR TO INSTALL TEMPORARY TRAFFIC SIGNAGE FOR TEMPORARY ACCESS DRIVE.
6. CONTRACTOR SHALL PROPERLY SEQUENCE PERIMETER EROSION CONTROL MEASURES WITH ALL TEMPORARY ACCESS DRIVES AND/OR DETOURS. CONTRACTOR SHALL PROTECT ALL POINTS OF CONSTRUCTION INGRESS AND EGRESS AND ENSURE PERIMETER CONTROLS ARE PHASED ACCORDINGLY.
7. CONSTRUCTION FENCE ADJACENT TO TEMPORARY ACCESS DRIVE TO BE INSTALLED DURING CONSTRUCTION AND REMOVED/RELOCATED AFTER COMPLETION OF PERMANENT ACCESS DRIVE

1. THE MURPHY STATION WILL NOT DROP THE WAL-MART GREEN SPACE BELOW CITY REQUIREMENTS.
2. ALL PERMANENT TURF AREAS MUST BE SODDED.
3. GC TO ENSURE THAT TRAFFIC THROUGH MAIN WAL-MART DRIVES IS NOT INTERRUPTED AT ANY TIME DUE TO CONSTRUCTION ACTIVITIES. ENSURE A MINIMUM TEMPORARY LANE WIDTH OF 10' (EACH DIRECTION) IS AVAILABLE AT ALL TIMES, FREE OF OBSTRUCTIONS TO VEHICLES. AT NO TIME SHALL THE CONSTRUCTION FENCE EXTEND INTO THE DRIVE MORE THAN 2' FROM THE FACE OF THE CURB OR DRIVE.
4. IF DEMOLITION OR CONSTRUCTION ON SITE WILL INTERFERE WITH THE WAL-MART TRAFFIC FLOW OR ADJACENT PROPERTY OWNER'S TRAFFIC FLOW, THE CONTRACTOR SHALL COORDINATE WITH THE WAL-MART CONSTRUCTION/STORE MANAGER AND/OR ADJACENT PROPERTY OWNER, TO MINIMIZE THE IMPACT ON TRAFFIC FLOW. TEMPORARY RE-ROUTING OF TRAFFIC IS TO BE ACCOMPLISHED BY USING DOT APPROVED TRAFFIC BARRICADES, BARRELS, AND/OR CONES. TEMPORARY SIGNAGE AND FLAGMEN MAY BE ALSO NECESSARY.
5. ALL WAL-MART PROPERTY DAMAGED DUE TO CONSTRUCTION ACTIVITIES MUST BE REPLACED/RESTORED TO MATCH THE EXISTING TYPE AND QUALITY OF WORK AND MATERIALS, AND IS SUBJECT TO WAL-MART APPROVAL.
6. UTILITY WORK DONE ON WAL-MART PARCEL, WHETHER BY THE GC, CITY OR THE UTILITY COMPANIES, SHALL BE REPAIRED BACK TO EXISTING CONDITIONS.
7. EROSION CONTROL MEASURES IMPLEMENTED INSIDE THE WAL-MART DRIVE ISLES AND PARKING LOT SHALL INCLUDE ONLY SILT BAGS (OR WAL-MART PRE-APPROVED EQUAL) TO ENSURE TRAFFIC CIRCULATION IS NOT IMPEDED. GRAVEL INLET PROTECTION DEVICES SHALL NOT BE ALLOWED INSIDE THE WAL-MART DRIVE ISLES OR PARKING LOT.
8. GC SHALL UTILIZE DIRECTIONAL BORING OR JACK AND BORE METHODS TO INSTALL ALL UTILITIES THROUGH THE WAL-MART PARKING LOT, ANY PAVED AREAS OR DRIVE ISLES.

GENERAL SITE NOTES

A. ALL DIMENSIONS SHOWN ARE TO THE FACE OF CURB UNLESS OTHERWISE NOTED.

B. ALL CURB RETURN RADII SHALL BE 5', AS SHOWN TYPICAL ON THIS PLAN, UNLESS OTHERWISE NOTED.

C. UNLESS OTHERWISE SHOWN, CALLED OUT OR SPECIFIED HEREON:

ALL CURB AND GUTTER ADJACENT TO CONCRETE PAVING SHALL BE INSTALLED PER DETAIL 1B.

PAVEMENT SHALL BE INSTALLED IN ACCORDANCE WITH THE PAVING PLAN OVER THE ENTIRE PARKING LOT AREA AND ALL APPROACH DRIVES.

SEE ASSOCIATED PLANS FOR CANOPY, COLUMN, PUMP ISLAND DETAILS AND LAYOUT.

D. CONTRACTOR SHALL BEGIN CONSTRUCTION OF ANY LIGHT POLE BASES FOR RELOCATED LIGHT FIXTURES AND RELOCATION OF ELECTRICAL SYSTEM AS SOON AS DEMOLITION BEGINS. CONTRACTOR SHALL BE AWARE THAT INTERRUPTION OF POWER TO ANY LIGHT POLES OR SIGNS SHALL NOT EXCEED 24 HOURS.

E. IF DEMOLITION OR CONSTRUCTION ON SITE WILL INTERFERE WITH THE WAL-MART TRAFFIC FLOW OR ADJACENT PROPERTY OWNER'S TRAFFIC FLOW, THE CONTRACTOR SHALL COORDINATE WITH THE WAL-MART CONSTRUCTION/STORE MANAGER AND/OR ADJACENT PROPERTY OWNER, TO MINIMIZE THE IMPACT ON TRAFFIC FLOW. TEMPORARY RE-ROUTING OF TRAFFIC IS TO BE ACCOMPLISHED BY USING DOT APPROVED TRAFFIC BARRICADES, BARRELS, AND/OR CONES. TEMPORARY SIGNAGE AND FLAGMEN MAY BE ALSO NECESSARY.

F. ALL WAL-MART PROPERTY DAMAGED DUE TO CONSTRUCTION ACTIVITIES MUST BE REPLACED/RESTORED TO MATCH THE EXISTING TYPE AND QUALITY OF WORK AND MATERIALS, AND IS SUBJECT TO WAL-MART APPROVAL.

G. CONTRACTOR TO PROTECT EXISTING LANDSCAPE/IRRIGATION MATERIAL.

H. ALL SLOPES AND AREAS DISTURBED BY CONSTRUCTION SHALL BE GRADED SMOOTH AND FOUR INCHES OF TOPSOIL APPLIED. IF ADEQUATE TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL, APPROVED BY THE OWNER, AS NEEDED. THE AREA SHALL THEN BE SEEDED/SODDED, FERTILIZED, MULCHED, WATERED AND MAINTAINED UNTIL HARDY GRASS GROWTH IS ESTABLISHED IN ALL AREAS. ANY AREAS DISTURBED FOR ANY REASON PRIOR TO FINAL ACCEPTANCE OF THE PROJECT SHALL BE CORRECTED BY THE CONTRACTOR AT NO ADDITIONAL COST TO THE OWNER.

I. THE MURPHY STATION WILL NOT DROP THE WAL-MART GREEN SPACE BELOW CITY REQUIREMENTS.

J. CONTRACTOR IS TO VERIFY LOCATION OF WAL-MART IRRIGATION SYSTEM, VALVE BOXES, CONTROL BOXES, BACKFLOW PREVENTION DEVICES AND OTHER ITEMS WHICH ARE PART OF THE SYSTEM. IF DAMAGES THEY MUST BE REPAIRED AT CONTRACTOR'S COST.

K. THE LOCATION OF THE CONSTRUCTION FENCE ON THE DRAWINGS IS FOR GRAPHICAL REPRESENTATION ONLY. THE CONTRACTOR IS TO ENSURE THAT THE CONSTRUCTION FENCE ENCOMPASSES THE ENTIRE WORK AREA.

L. CONTRACTOR SHALL PURCHASE AND INSTALL A MAILBOX, AND SHALL COORDINATE LOCATION OF MAILBOX WITH MURPHY CONSTRUCTION MANAGER AND/OR ON-SITE REPRESENTATIVE AND LOCAL POSTMASTER.

M. ALL PROPOSED PAVEMENT STRIPING OR MARKINGS SHALL FOLLOW THE SPECIFICATIONS FOR PAINT INCLUDED IN DETAIL 10A.

GENERAL LANDSCAPE NOTES

A. LOCATE ALL UTILITIES AND SITE LIGHTING CONDUITS BEFORE LANDSCAPE CONSTRUCTION BEGINS.

B. NOTIFY LANDSCAPE ARCHITECT OR DESIGNATED REPRESENTATIVE OF ANY LAYOUT DISCREPANCIES PRIOR TO ANY PLANTING.

C. ALL LANDSCAPE MATERIALS SHALL BE IN COMPLIANCE WITH THE AMERICAN STANDARD FOR NURSERY STOCK. (ANSI–Z60.1–1986)

D. ALL WAL–MART PROPERTY DAMAGED DUE TO CONSTRUCTION ACTIVITIES MUST BE REPLACED/RESTORED TO MATCH THE EXISTING TYPE AND QUALITY OF WORK AND MATERIALS, AND IS SUBJECT TO WAL–MART APPROVAL.

E. ALL SLOPES AND AREAS DISTURBED BY CONSTRUCTION SHALL BE GRADED SMOOTH AND FOUR INCHES OF TOPSOIL APPLIED. IF ADEQUATE TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL APPROVED BY THE OWNER, AS NEEDED. THE AREA SHALL THEN BE SODDED, FERTILIZED, MULCHED, WATERED AND MAINTAINED UNTIL HARDY GRASS GROWTH IS ESTABLISHED IN ALL AREAS. ANY RELOCATED TREES SHALL BE MAINTAINED UNTIL SUCH POINT AS TREE IS RE–ESTABLISHED. ANY AREAS DISTURBED SHALL ANY REASON PRIOR TO FINAL ACCEPTANCE OF THE PROJECT SHALL BE CORRECTED BY THE CONTRACTOR AT NO ADDITIONAL COST TO THE OWNER.

F. THE MURPHY STATION WILL NOT DROP WAL–MART'S GREEN SPACE BELOW CITY'S REQUIREMENTS.

G. CONTRACTOR IS TO VERIFY LOCATION OF WAL–MART IRRIGATION SYSTEM, VALVE BOXES, CONTROL BOXES, BACKFLOW PREVENTION DEVICES AND OTHER ITEMS WHICH ARE PART OF THE SYSTEM. IF DAMAGED THEY MUST BE REPAIRED AT CONTRACTOR'S COST.

H. CONTRACTOR IS TO PROTECT EXISTING LANDSCAPING/IRRIGATION MATERIALS.

I. ACCEPTANCE OF GRADING AND SEEDING SHALL BE BY LANDSCAPE ARCHITECT AND/OR OWNER. THE CONTRACTOR SHALL ASSUME MAINTENANCE RESPONSIBILITIES FOR A MINIMUM OF ONE (1) YEAR OR UNTIL SECOND CUTTING, WHICHEVER IS LONGER. MAINTENANCE SHALL INCLUDE WATERING, WEEDING, RESEEDING, AND OTHER OPERATIONS NECESSARY TO KEEP ALL LAWN AREAS IN A THRIVING CONDITIONS. UPON FINAL ACCEPTANCE, OWNER SHALL ASSUME ALL MAINTENANCE RESPONSIBILITIES. AFTER LAWN AREA HAVE GERMINATED, AREAS WHICH FAIL TO SHOW A UNIFORM STAND OF GRASS FOR ANY REASON WHATSOEVER SHALL BE RE–SEEDED REPEATEDLY UNTIL ALL AREAS ARE COVERED WITH A SATISFACTORY STAND OF GRASS. MINIMUM ACCEPTANCE OF SEEDED LAWN AREAS MAY INCLUDE SCATTERED BARE SPOTS, NONE OF WHICH ARE LARGER THAN 1 SQUARE FOOT, AND WHEN COMBINED DO NOT EXCEED 2% OF TOTAL SEEDED LAWN AREA.

J. THE LANDSCAPE CONTRACTOR SHALL VERIFY ALL QUANTITIES SHOWN ON THESE PLANS, BEFORE PRICING THE WORK.

K. QUANTITIES ON THE PLANT SCHEDULE ARE PROVIDED FOR CONVENIENCE. THE CONTRACTOR SHALL BE RESPONSIBLE FOR HIS/HER OWN QUANTITY CALCULATIONS. IN THE EVENT OF A DISCREPANCY BETWEEN THE LANDSCAPE PLANS AND THE PLANT SCHEDULE, THE LANDSCAPE PLAN WILL TAKE PRECEDENCE. THE CONTRACTOR SHALL INFORM THE LANDSCAPE ARCHITECT IMMEDIATELY UPON DISCOVERING ANY QUANTITY DISCREPANCIES.

L. METAL LANDSCAPE EDGING IS TO BE INSTALLED BETWEEN SOD AND LANDSCAPE PLANTING BED.

D180		1	24'-0"	5SQB3-S11G-24-S-BRZ-5BC	LSI LIGHTING, STEEL SQUARE POLE, BOLT-ON ARM MOUNT, BRONZE

NOTES: ALL AREA SITE LIGHT FIXTURES AND POLES TO BE MOUNTED ON CONCRETE BASE PER DETAIL, THIS SHEET

NOTES:

PLAN WAS BASED ON THE INFORMATION PROVIDED, ALL DIMENSIONS, LUMINAIRE LOCATIONS SHOWN REPRESENT RECOMMENDED POSITIONS. THE ENGINEER AND/OR ARCHITECT MUST DETERMINE APPLICABILITY OF THE LAYOUT TO EXISTING OR FUTURE FIELD CONDITIONS.

THE CALCULATED PHOTOMETRIC LEVELS MAY OR MAY NOT MEET CERTAIN STANDARDS OR RECOMMENDED PRACTICES OF IESNA.

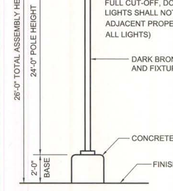
THE PHOTOMETRIC PLAN REPRESENTS ILLUMINATION LEVELS CALCULATED FROM LABORATORY DATA TAKEN UNDER CONTROLLED CONDITIONS UTILIZING CURRENT INDUSTRY STANDARD LAMP RATINGS IN ACCORDANCE WITH ILLUMINATING ENGINEERING SOCIETY (IES) APPROVED METHODS. LABORATORY TESTS ARE MADE UNDER OPTIMUM CONDITION, WITH LAMP OUTPUT AT RATED VALUE, AND IN ACCORDANCE WITH ILLUMINATING ENGINEERING SOCIETY APPROVED METHODS.

ACTUAL ILLUMINANCE LEVELS MAY DIFFER DUE TO VARIABLE FIELD CONDITIONS SUCH AS (BUT NOT LIMITED TO): VARIANCE IN LAMP LUMEN OUTPUT; LAMP TILT FACTOR; BALLAST WATTAGE OUTPUT; LINE VOLTAGE AT BALLAST; REFLECTOR SPECULARITY; LAMP LUMEN DEPRECIATION; AND LUMINAIRE DIRT DEPRECIATION.

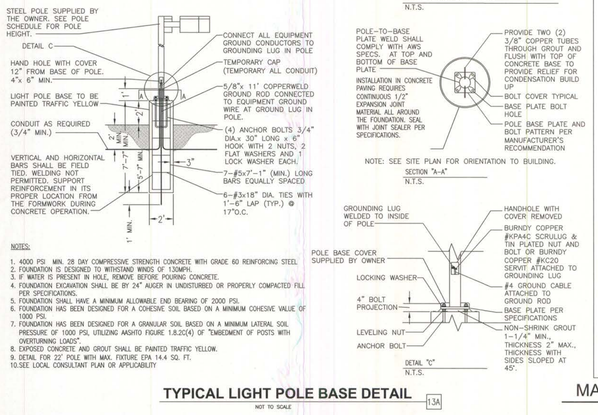
THE 26'-0" MOUNTING HEIGHT IS THE ACTUAL ASSEMBLY (POLE, BASE, AND FIXTURE) AND MAY DIFFER FROM THE FROM THE LUMINAIRE'S LUMINOUS APERTURE.

THIS PLAN IS FOR RELATIVE LAYOUT AND SCOPE OF WORK PURPOSES ONLY. REFER TO SITE PLAN PREPARED BY LOCAL CONSULTANT FOR RELATIONSHIP OF THESE LUMINAIRES AND THEIR LOCATIONS TO EXISTING STRUCTURES AND REFERENCE.

CONTRACTOR TO ENSURE THE LIGHT POLE AND HANDICAP PARKING SIGN ARE AT LEAST 2' FROM THE BACK OF CURB TO PREVENT VEHICLES FROM STRIKING THE LIGHT POLE OR HANDICAP PARKING SIGN. PROPOSED LIGHT POLE BASES SHOWN AT A MINIMUM OF 2'-6" FROM BACK OF CURB TO CENTER OF POLE/BASE. ENGINEER TO VERIFY PROPOSED LOCATIONS FOR ANY CONFLICTS OR MISPLACEMENTS. REPORT TO LIGHTING DESIGNER ANY DISCREPANCIES OR CONFLICTS



2 AREA LIGHT DETAIL
SCALE: NOT TO SCALE



TYPICAL LIGHT POLE BASE DETAIL
NOT TO SCALE 13A

LED AREA LIGHTS - LSI SLICE MEDIUM (XLCM)

US & Int'l. patents pending.

SMARTTEC™ - LSI drivers feature integral sensor which reduces drive current, when ambient temperatures exceed rated temperature, providing typical operation for 100,000 hours (contact factory for TM-21 life estimate for specific configuration).

ENERGY SAVING CONTROL OPTION - DIM - 0-10 volt dimming enabled with controls by others.

LEDS - Select high-brightness LEDs in 5000K, or 4000K color temperature, 70 CRI.

DISTRIBUTION/PERFORMANCE - Types 3, FT, FT-L, FT-R, S, and enhanced SE and FTE. FT-L and FT-R allow for D180 mounting configurations with factory set optics for applications such as automotive front row. Exceptional uniformity creates bright environment at lower light levels. Internal Louver (IL) option available for improved backlight control without sacrificing street side performance for FT distribution. Consult factory for internal louver for FT-L and FT-R applications.

HOUSING - One-piece, die-formed aluminum housing contains factory prewired driver. Wiring access door (with safety lanyard) located underneath.

OPTICAL UNIT - Clear tempered flat glass lens permanently sealed to weather-tight aluminum optic frame creates an IP65 rated optical unit (includes pressure-stabilizing breather).

MOUNTING - Tapered rear design allows fixtures to be mounted in 90° and 120° configurations without the need for extension arms. Use with 3" reduced drilling pattern. A round pole plate is required for mounting to round poles. Wall mount available by ordering wall mounting bracket (BKS-XBO-WM-* CLR). Proprietary pole quick mount accessories available with horizontal mounting or fixed 15° angled mounting (PQMH-KIT-CLR and PQM15-KIT-CLR) for mounting to square poles. Top mounted reinforcement bracket for high wind or vibration (up to 3G) applications available as installed option or field-mount accessory.

ELECTRICAL - Two-stage surge protection (including separate surge protection built into electronic driver) meets IEEE C62.41.2-2002, Location Category C. Available with universal voltage power supply 120-277 VAC (50/60Hz input), and 347 VAC. Optional button-type photocells (PCI) are available in 120, 208, 240, 277 or 347 volt (supply voltage must be specified).

DRIVER - Available in SS (Super Saver) and HO (High Output) drive currents. Components are fully encased in potting material for moisture resistance. Driver complies with FCC standards. Driver and key electronic components can easily be accessed.

OPERATING TEMPERATURE - -40°C to +50°C (-40°F to +122°F)

FINISH - Fixtures are finished with LSI's DuraGrip® polyester powder coat finishing process. The DuraGrip finish withstands extreme weather changes without cracking or peeling. Available in black, bronze and white. Other standard LSI finishes available. Consult factory.

WARRANTY - LSI LED fixtures carry a limited 5-year warranty.

PHOTOMETRICS - Please visit our web site at www.lsi-industries.com for detailed photometric data.

SHIPPING WEIGHT (in carton) - One fixture: 25.25 lbs. (11.5 kg). Packed two per carton: 43.5 lbs. (19.7 kg).

LISTING - UL listed to U.S. and international safety standards. Suitable for wet locations. For a list of the specific products in this series that are DLC listed, please consult the LED Lighting section of our website or the Design Lights website at www.designlights.org.

DOE LIGHTING FACTS
Department of Energy has verified representative product test data and results in accordance with its Lighting Facts Program. Visit www.lightingfacts.com for specific catalog strings.

MANUFACTURER SPECIFICATION SHEET FOR SITE FIXTURES

LED CANOPY LIGHT - LEGACY™ (CRUS)

AC distribution utilizes a reflector which alters the look from a standard S distribution

US & Int'l. patents pending.

HOUSING - Low profile, durable die-cast, aluminum construction, providing a reliable weather-tight seal.

LEDS - Features an array of select, mid-power, high brightness, high efficiency LED chips; 5000K color temperature, 70 CRI (nominal).

DRIVE CURRENT - Choice of Very Low Wattage (VLW), Low Wattage (LW), Super Saver (SS), High Output (HO) or Very High Output (VHO).

OPTICS / DISTRIBUTION - Choice of Symmetrical or Asymmetrical, which directs light through a clear tempered glass lens, to provide a uniform distribution of light to vertical and horizontal surfaces.

OPTICAL UNIT - Features an ultra-slim 7/8" profile die-cast housing, with a flat glass lens. Unit is water-resistant, sealed to an IP67 rating. Integral designed heat sink does not trap dirt and grime, ensuring cool running performance over the life of the fixture.

PRESSURE STABILIZING VENT - Luminaire assembly incorporates a pressure stabilizing vent breather to prevent seal fatigue and failure.

HAZARDOUS LOCATION - Designed for lighter than air fuel applications. Product is suitable for Class 1 Division 2 only when properly installed per LSI installation instructions (consult factory).

DRIVER - State-of-the-art driver technology superior energy efficiency and optimum light output. Driver components are fully encased in potting for moisture resistance. Complies with IEC and FCC standards. 0-10 V dimming supplied standard with all drive currents.

DRIVER HOUSING - Die-cast aluminum, wet location rated driver/electrical enclosure is elevated above canopy deck to prevent water entry, provide easy "knock-out" connection of primary wiring and contributes to attaining the lowest operating temperatures available. Seals to optical housing via one-piece molded silicone gasket.

OPERATING TEMPERATURE - -40°C to 50°C (-40°F to +122°F)

ELECTRICAL - Universal voltage power supply, 120-277 VAC, 50/60 HZ input. Drivers feature two-stage surge protection (including separate surge protection built into electronic driver) meets IEEE C62.41.2-2002, Scenario 1, Location Category C.

FINISH - Standard color is white and is finished with LSI's DuraGrip® polyester powder coat process. DuraGrip withstands extreme weather changes without cracking or peeling.

INSTALLATION - One person installation. No additional sealant required. Installs in a 12" or 16" deck pan. Deck penetration consists of a 4" hole, simplifying installation and water sealing. Unit is designed to quickly retrofit into existing Scottsdale (4") hole as well as openings for Encore and Encore Top Access and to reconnect wiring for the SCECTA without having to relocate the conduit. Retro panels are available for existing Encores (see back page) as well as kits for recessed and 2x2 installations (see separate spec sheets). Support brackets are provided standard, to prevent sagging of deck.

SHIPPING WEIGHT - 27 pounds (single pack), 48 pounds (double pack).

EXPECTED LIFE - Minimum 60,000 to 100,000 hours depending upon the ambient temperature of the installation location. See LSI web site for specific guidance.

WARRANTY - Limited 5-year warranty.

LISTING - UL and ETL listed to UL 1598, UL 8750 and other U.S. and international safety standards. Suitable for wet locations.

PHOTOMETRICS - Please visit our web site at www.lsi-industries.com for detailed photometric data.

DOE LIGHTING FACTS
Department of Energy has verified representative product test data and results in accordance with its Lighting Facts Program. Visit www.lightingfacts.com for specific catalog strings.

Consult Factory
Class 1, Division 2 – Standard on SS & LW.
T5 Temperature Classification – The surface temperature of this product will not rise above 100˚C., within a 40˚C ambient.
Gas Groups A,B,C, and D – Group A: Acetylene / Group B: Hydrogen / Group C: Propane and Ethylene / Group D: Benzene, Butane, Methane & Propane.

This product, or selected versions of this product, meet the standards listed below. Please consult factory for your specific requirements.

SP2017-017 Presbyterian Hospital: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [Presbyterian Hospital] on a 18.871-acre portion of a larger 8.867-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com

M.3 For reference, include the case number (SP2017-017) in the lower right hand corner of all pages on future submittals.

M.4. Please provide dimensions for all walls on the expansion.

I.5 The Architectural Review Board (ARB) meeting for this case will be held on May 30, 2017 at 5:00 pm.

I.6 The Planning and Zoning Worksession for this case is May 30, 2017 at 6:00 pm. The Planning and Zoning Meeting is June 13, 2017.

I.7 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested as soon as possible to give staff ample time to review the case prior to the May 30, 2017 Planning & Zoning Meeting.

CYNDON SPP.	BERMUDA GRASS - SOLID SOD		

B | TREE PRESERVATION NOTES

CONTRACTOR SHALL ADHERE TO THE FOLLOWING TREE PROTECTION MEASURES:

1. THE CONTRACTOR SHALL ERECT A PLASTIC MESH FENCE A MINIMUM OF FOUR (4') FEET IN HEIGHT AROUND EACH TREE OR GROUP OF TREES TO PREVENT THE PLACEMENT OF DEBRIS OR FILL WITHIN THE DRIP LINE.
2. DURING THE CONSTRUCTION PHASE OF DEVELOPMENT, THE CONTRACTOR SHALL PROHIBIT CLEANING, PARKING OR STORAGE OF EQUIPMENT OR MATERIALS UNDER THE CANOPY OF ANY TREE OR GROUP OF TREES BEING PRESERVED. THE CONTRACTOR SHALL NOT ALLOW THE DISPOSAL OF ANY WASTE MATERIAL SUCH AS, BUT NOT LIMITED TO, PAINT, OIL, SOLVENTS, ASPHALT, CONCRETE, MORTAR, ETC. IN THE CANOPY AREA.
3. NO ATTACHMENTS OR WIRES OF ANY KIND, OTHER THAT THOSE OF A PROTECTIVE NATURE, SHALL BE ATTACHED TO ANY TREE.
4. NO FILL OR EXCAVATION MAY OCCUR WITHIN THE DRIP LINE OF A TREE TO BE PRESERVED.

Notes: Hold a public hearing to discuss and consider a City initiated request for the purpose of rescinding the Local Landmark Designation (i.e. Ordinance No. 08-15) for the Spafford House being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

PLANNING DEPARTMENT GENERAL COMMENTS REGARDING LANDMARK PROPERTY - DAVID GONZALES - 05.23.2017

Since its designation as a Landmark Property, the property has had modifications to the exterior that do not meet the intent of the Historic Preservation Guidelines. These modifications involve the homes windows, siding, and trim, all of which were modified without obtaining a COA from the HPAB. The recent historic resource survey conducted by the City's consultant Hardy, Heck, Moore, Inc. (HHM) -- adopted by the HPAB in April of this year -- identified changes to the exterior that include replacement of the doors, windows, exterior wall materials, and alterations to the porch. Due to these changes, HHM recommended revising the historic designation of the property from a High Contributing to a Medium Contributing property.

On May 18, 2017, the Historic Preservation Advisory Board's motion to recommend approval of the City initiated request to Rescind Ord. No. 08-15 for the Landmark Property at 902 N. Golaid Street (a.k.a. the Spafford Home) by a vote of 5 to 1 with Board Member Odom dissenting and Board Member Maurice Thompson absent.

The following are scheduled meeting dates regarding the required public hearings and addtional meetings for rescinding Ord. No. 08-15.

Public Hearing and Additional Meeting Dates:

Planning - Work Session: May 30, 2017 (6:00p.m.) [City to present case to P&Z for discussion].

Planning - Public Hearing: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. recommend approval, deny, etc.)

City Council- Pulblic Hearing: June 19, 2017(6:00 p.m.) [1st Reading to Rescind Ordinance No. 08-15]

City Council - Concent/Action Item: July 3, 2017 (6:00 p.m.) [2nd Reading to Rescind Ordinance No. 08-15]

Subject: Neighborhood Notification Program: Notice of zoning request
Attachments: PUBLIC NOTICE.pdf

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that will also be published in the Rockwall Herald Banner on ***May 12, 2017***. The Historic Preservation Advisory Board will hold a public hearing on ***Thursday 5/18/2017 at 6:00 p.m***., the Planning and Zoning Commission will hold a public hearing on ***Tuesday 6/13/2017at 6:00 p.m.***, and the City Council will hold a public hearing on ***Monday, 6/19/2017 at 6:00 p.m***. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at https://sites.google.com/site/rockwallplanning/development-cases

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. H2017-007: Rescind Landmark Designation

Hold a public hearing to discuss and consider a City initiated request for the purpose of rescinding the Local Landmark Designation (i.e. Ordinance No. 08-15) for the Spafford House being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Historic Preservation Advisory Board will hold a public hearing on **Thursday 5/18/2017 at 6:00 p.m.,** the Planning and Zoning Commission will hold a public hearing on **Tuesday 6/13/2017at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/19/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/19/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. O4-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO RESCIND *ORDINANCE NO. 08-15,* WHICH RECOGNIZED THE PROPERTY AT 902 N. GOLIAD STREET (THE SPAFFORD HOUSE) AS A LANDMARKED PROPERTY, BEING A 0.24-ACRE PARCEL OF LAND IDENTIFIED AS A PORTION OF LOT 1, AUSTIN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND LOCATED AT 902 N. GOLIAD STREET, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has initiated the *Repeal* of *Ordinance No. 08-15* (*i.e. the Landmark Designation of the Spafford House)* on a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 902 N. Goliad Street and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the City of Rockwall Historic Preservation Advisory Board, Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) and *Ordinance No. 08-15* of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the adoption of this ordinance shall supersede *Ordinance No. 08-15* and the property at 902 N. Goliad Street shall no longer be considered a *Landmark Property*.

Section 2. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 3. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 4. If any section paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason

DRAFT ORDINANCE 05-2017

judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code No. 04-38 of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 5. That this ordinance shall take effect immediately from and after its passage of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3RD DAY OF JULY, 2017.

DRAFT ORDINANCE 05.26.2017

902 N. Goliad Street

BEING a 0.24-acre tract of land situated in the Austin Addition, Lot 1, (902 N. Goliad St.) in the City of Rockwall, County of Rockwall, Texas and being more particularly described as follows:

BEGINNING at a point in the east right of way of State Highway 205, and the southwest corner of said Lot 1 for a corner;

THENCE N 00° 26' 58" E following along said State Highway 205 right of way line for a distance of 67.04-feet to a point;

THENCE N 89° 12' 27" E following along Lot 1 north property line for a distance of 77.40-feet to a point;

THENCE N 02° 29' 26" E following along Lot 1 property line for a distance of 3.90-feet to a point;

THENCE S 88° 59' 35" E following along Lot 1 north property line for a distance of 75.15-feet to a point;

THENCE S 02° 05' 05" E following along Lot 1 east property line for a distance of 66.74-feet to a point;

THENCE S 88° 31' 56" W following along Lot 1 south property line for a distance of 155.71 feet to the *Point of Beginning* and containing approximately 0.24-acres of land (*10,400.11 square feet*) more or less.

DRAFT ORDINANCE 05.26.2017

AGENDA
PLANNING AND ZONING COMMISSION PUBLIC HEARING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
June 13, 2017
6:00 P.M.

CALL TO ORDER

CONSENT AGENDA

1. **Approval of Minutes** for the *May 9, 2017* Planning and Zoning Commission meeting.

2. **Approval of Minutes** for the *May 30, 2017* Planning and Zoning Commission meeting.

3. **SP2017-017** **(Korey)**
   Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [*Presbyterian Hospital*] on a 18.871-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

APPOINTMENTS

4. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

PUBLIC HEARING ITEMS

5. **Z2017-019** **(David)**
   Hold a public hearing to discuss and consider a request by Clarence L. Jorif of *The Compound at Rockwall* on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

6. **Z2017-020** **(David)**
   Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

7. **Z2017-021** **(Korey)**
   Hold a public hearing to discuss and consider a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a zoning change from Residential-Office (RO) District to General Retail (GR) District for a 2.35-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, addressed as 4031 N. Goliad Street, and take any action necessary.

8. **Z2017-022** **(Ryan)**
   Hold a public hearing to discuss and consider a City initiated request for the approval of a text amendment to Section 6.8, *205 By-Pass Corridor Overlay (205 BY-OV) District*, of Article V, *District Development Standards*, and Section F.3, *District Landscaping Requirements*, of *Appendix 'F'*, *Landscaping Requirements and Guidelines*, of the Unified Development Code for the purpose of amending the residential frontage requirements and clarifying certain sections of the code, and take any action necessary.

9. **H2017-007** **(David)**
   Hold a public hearing to discuss and consider a City initiated request for the purpose of *rescinding* the *Local Landmark Designation* (*i.e. Ordinance No. 08-15*) for the *Spafford House* being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

ACTION ITEMS

10. **SP2017-016** **(David)**
    Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

DISCUSSION ITEMS

11. Director's Report of post Council meeting outcomes of Planning & Zoning cases **(Ryan)**.

    ✓ MIS2017-006: Masonry Exception for Lot 2, Block A, Cox Addition [*Approved*]

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator of the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 9th day of June, 2017 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

AGENDA
ARCHITECTURAL REVIEW BOARD MEETING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers Conference Room
June 13, 2017
5:00 PM

ACTION ITEMS

MINUTES
PLANNING AND ZONING COMMISSION PUBLIC HEARING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
May 9, 2017
6:00 P.M.

I. CALL TO ORDER

Chairman Lyons called the meeting to order at 6:00 p.m. The Commissioners present at the meeting were, Patrick Trowbridge, Tracey Logan, Eric Chodun, Annie Fishman, Mark Moeller and one vacant seat. Staff members present were Planning Director, Ryan Miller, Senior Planner David Gonzales, Planner, Korey Brooks, and Assistant Engineer Amy Williams.

II. CONSENT AGENDA

1. Approval of Minutes for the *April 25, 2017* Planning and Zoning Commission meeting.

2. P2017-017
Consider a request by Jason Lentz of Atticus Harbor Village for the approval of a replat for Lot 1, Block A and Lot 1, Block B, Harbor Village Addition being a 6.904-acre tract of land identified as Lots 3A, 4A & 5A, Isaac Brown Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Scenic Overlay (SOV) District, located adjacent to Summer Lee Drive southwest of the intersection of Horizon Road [*FM-3097*] and Summer Lee Drive, and take any action necessary.

3. P2017-020
Consider a request by William and Sandie Wood for the approval of a final plat of Lot 1, Block A, Wood Estates Addition being a 3.58-acre tract of land identified as Tract 60-01 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, generally located east of the intersection of S. Clark Street and Washington Street, and take any action necessary.

4. P2017-021
Consider a request by Cameron Slown of F. C. Cuny Corporation on behalf of Robert S. Whittle for the approval of a preliminary plat for the Highlands Subdivision containing 53 single-family residential lots on a 13.376-acre tract of land identified as Tract 2 of the M. B. Jones Survey, Abstract No. 122, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for Zero Lot Line (ZL-5) District land uses, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located at the northwest corner of the intersection of SH-66 and FM-1141, and take any action necessary.

5. P2017-022
Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH Phase VI SF, LTD. for the approval of a final plat for Breezy Hill, Phase VI containing 79 single-family residential lots on a 32.022-acre portion of a larger 61.528-acre tract of land identified as Tract 7 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, generally located northeast of the intersection of N. John King Boulevard and Life Springs Drive, and take any action necessary.

6. P2017-023
Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of Stone Creek Phase 8, LTD. for the approval of a final plat for Stone Creek, Phase VIII containing 102 single-family residential lots on a 28.655-acre tract of land identified as Tract 3 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 70 (PD-70) for Single Family-10 (SF-10) District land uses, generally located at the northwest corner of the intersection of Hay Road and E. Quail Run Road, and take any action necessary.

7. MIS2017-005
Consider a request by Maria Bonilla of Winklemann & Associates on behalf of Jim Ziegler of PegasusAblon for the approval of an amended *Treescape Plan* for a 12.6747-acre tract of land identified as Lot 5, Block A, The Harbor-Rockwall Addition, City of Rockwall, Rockwall County, Texas,

zoned Planned Development District 7 (PD-7), located at the southwest corner of the intersection of Summer Lee Drive and Lakefront Trail, and take any action necessary.

Commissioner Trowbridge made a motion to approve the consent agenda. Commissioner Fishman seconded the motion which passed by a vote of 6-0, with one vacant seat.

III. PUBLIC HEARING ITEMS

8. Z2017-013

Hold a public hearing to discuss and consider a request by Andrew Spearman for the approval of a Specific Use Permit (SUP) to allow for an accessory building that does not meet the minimum requirements as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code for a 3.128-acre tract of land identified as Tract 25 of the E. M. Elliott Survey, Abstract No. 77, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 1.5 (SFE-1.5) District, situated within the FM-549 Overlay (FM-549 OV) District, addressed as 2180 Airport Road, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating that the applicant Andrew Spearman is requesting the approval of a Specific Use Permit to allow for an accessory building that does not meet the minimum requirements stipulated Article VI, Permissible Uses, of the Unified Development Code. The subject property is a 3.128-acre tract of land located at the northwest corner of Airport Road and FM-3549, and is zoned Single-Family Estate 1.5 District. Currently there is an existing 460 square foot metal pole barn on the subject property. This structure will be demolished as a result of TXDOT's acquisition of additional right-of-way for the widening of FM-3549. Additionally, there is a 2,400 SF barn located to the rear of the existing pole barn that will remain on the subject property. The applicant is proposing to construct a metal building that will be approximately 30' x 60', or 1,800 SF. The proposed accessory building will be located behind the main structure. According to the UDC, properties within a Single-Family Estate District are permitted one accessory building that is a maximum of 1,250 SF. In addition, the UDC states that an accessory building shall be clad with the same materials that are found on the primary structure. In this case, the proposed accessory building will be 550 SF larger than what is permitted by the ordinance, constructed out of metal, and will be the second accessory building on the property. As a result, the applicant is required to apply for a SUP; however, the subject property currently has two metal accessory buildings currently situated on it. The approval of this SUP is discretionary to the Planning and Zoning Commission and City Council.

Mr. Brooks further noted that north of the subject property is Airport Road which is identified as a major collector on the City's Master Thoroughfare Plan and beyond that are several single-family homes and this area is zoned as Agriculture District and that area is designated as Low Density Residential on the City's Future Land Use Map. Directly south of the subject property are the train tracks and beyond that is vacant land and is zoned Agriculture District. That area is designated as Technology/Light Industrial on the City's Future Land Use Map and beyond that is the extension of Justin Road as indicated on the City's Master Thoroughfare Plan. Directly east of the subject property is FM-3549 which is identified as a TXDOT Highway and beyond that is Fate city limits. Directly west of the subject property are several single-family homes and that area is zoned as Agriculture District and the Future Land Use Map designates that area as Low Density Residential.

Mr. Brooks went on to state that on April 26, 2017, staff mailed 19 notices to property owners and occupants within 500-feet of the subject property and also notified the Rolling Meadows Homeowner's Association which is the only HOA and/or Neighborhood Organizations within 1,500-feet of the subject property and participating in the notification program. Staff has received two notices in favor of the request.

Mr. Brooks advised the Commission staff as well as the applicant were available for questions.

Chairman Lyons opened up the public hearing and asked the applicant to come forward and add any additional comments.

Andrew Spearman
2180 Airport Road
Rockwall, TX

Mr. Spearman came forward and did not have any additional information

Commissioner Fishman asked if the shed would match the existing barn and what it would be used for. Mr. Spearman stated it would match the color and it would be for cows.

Commissioner Trowbridge asked if there would be a business being operated out of it. Mr. Spearman stated there would not.

Chairman Lyons asked if anyone in the audience wished to come forward to speak to do so, there being no one indicating such, Chairman Lyons closed the public hearing and asked brought the item back to the Commission for discussion or action.

Commissioner Fishman made a motion to approve Z2017-013 with staff recommendations. Commissioner Trowbridge seconded the motion, which passed by a vote of 6-0 with one vacant seat.

9. Z2017-014

Hold a public hearing to discuss and consider a request by Dr. Josh Cope of Premiere Vet Care Animal Clinic on behalf of David Falls for the approval of a Specific Use Permit (SUP) for an *Animal Clinic for Small Animals* in Planned Development District 50 (PD-50) for a one (1) acre parcel of land identified as Block 26 of the Gardner Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 901 N. Goliad Street [*SH-205*], and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the request stating that the subject property is located at the northwest corner of Goliad Street and Heath Street and is zoned Planned Development 50 for residential office uses and is situated within the North Goliad Corridor Overlay District. The property is currently vacant and the applicant is requesting the approval of an SUP for an animal clinic for small animals. Planned Development 50 was recently amended to incorporate the animal clinic for small animals land use into the District thru the SUP process. The applicant was the one who requested that change which was approved by City Council on April 17, 2017 and now the applicant is returning to request the SUP. Mr. Miller went on to explain that Ordinance No. 17-19 defines these facilities as, "a place where animals or pets are given medical or surgical treatments and care." In accordance with this amendment, the applicant has submitted a request for a Specific Use Permit for an Animal Clinic for Small Animals on the subject property at 901 N. Goliad Street. With the request, the applicant has submitted a letter stating that the facility would only serve small animals, will not have any outside kennels, and will not provide boarding facilities except in cases where extended medical care is required. Also, Ordinance No. 17-19 does allow for short-term boarding as an incidental land use to the Animal Clinic for Small Animals land use, and that the applicant would be permitted to add this as an accessory land use in the future.

Mr. Miller went on to state that the applicant has submitted a concept plan that shows the establishment to be a 4,000 SF building that will face onto N. Goliad Street. In addition, the exhibit lays out the general parking and circulation for the subject property, which will have access drives off N. Alamo Street and Heath Street. If the SUP request is approved, the proposed building elevations and site plan will be subject to review by the City's Historic Preservation Advisory Board and Architectural Review Board to ensure that the exterior will be aesthetically similar to existing structures within the PD-50 and the North Goliad Corridor Overlay District, and that the development will not have a negative impact on adjacent residential properties. The submitted concept plan does appear to conform to all requirements stipulated by Ordinance No. 17-19; however, the approval of a SUP request is a discretionary decision for the Planning and Zoning Commission and City Council.

Mr. Miller added that on April 26, 2017, staff mailed 102 notices to property owners and residents within 500-feet of the subject property and also emailed the Caruth Lakes and Lakeview Summit Homeowner's Associations which are the only HOA and/or Neighborhood Organizations within 1,500 feet of the subject property. Staff received two notices opposed from the same address and one notice in favor of the request.

Mr. Miller advised the Commission staff as well as the applicant were available for questions.

Chairman Lyons asked for questions from the Commission for staff.

Commissioner Chodun asked if the hours of operation were regulated by the PD or would they be at the discretion of the owner. Mr. Miller stated it would be at the discretion of the owner, in certain cases such as restaurants and when there are issues with the adjacent properties the hours of operation have been limited, however in this case a Veterinary Clinic rarely stays open later than normal business hours, staff did not feel it was necessary to regulate the hours of operation.

Chairman Lyons opened up the public hearing and asked the applicant to come forward.

Josh Cope
513 Fenwick Drive
Sunnyvale, TX

Mr. Cope came forward and asked the Commission for any further questions he may be able to answer.

Commissioner Trowbridge asked where they were anticipating the traffic flow to come in from, which entry would be the primary entrance Heath or Alamo Street. Mr. Cope stated they anticipate the flow to come thru Alamo Street.

Commissioner Fishman asked if there were any plans to do boarding in the future. Mr. Cope stated they will not do any long time boarding and have no intention of doing so in the future.

Commissioner Moeller asked if there would be screening along the Alamo side with either a fence or shrubbery. Mr. Miller stated that is one of the operational conditions that they either provide a 6 foot fence wood fence to match the adjacent residential properties or that they provide landscape screening with rod iron fencing and that will be addressed at site plan.

Kristen Cope
513 Fenwick Drive
Sunnyvale, TX

Ms. Cope added that after having discussed some concern over the fence with an adjacent neighbor concerning the screening, they would like to screen with landscape only and no fence. Ms. Cope spoke of the language of the operational conditions that state the six foot fence is required however within the requirements is headlight screening adjacent to all parking spaces and they would like to discuss using landscape only. Mr. Miller clarified that the screening along the north is for the existing residential structure and typically what is required for properties in that District is a six foot wood fence, but in this case staff has given the applicant the option of potentially using landscaping by asking the Planning and Zoning Commission to change that operational condition or recommend a change to that operational condition. Concerning the headlight screening there are parking spaces that will face Alamo Street and therefor what is being asked of the applicant is to put a shrub row that would block any headlights shining onto the residential properties.

Chairman Lyons asked if anyone wished to speak to come forward and do so.

Bob Wacker
806 Mira Mar Drive
Rockwall, TX

Mr. Wacker came forward and stated he is in favor of the request. He also expressed his desire for Mr. Cope to consider at some point to do emergency on call service in the future and therefor would not like for there to be hours of operation limited should Mr. Cope at some point in the future wish to add emergency care to the practice.

Chairman Lyons asked if as the request sits currently they are not allowed to have 24 hour emergency service.

Mr. Miller stated that that is somewhat out of the scope of a small animal clinic although technically there is nothing restricting it, but once a 24 hour service would start to be provided it would become more of an emergency type care facility.

Jim Cooper
901 N. Alamo
Rockwall, TX

Mr. Cooper came forward and stated he lives across the track on Alamo Road in a house they built approximately four years ago and is generally in favor of the request. However he has spoken to Mr. Cope about a few things he is concerned about mainly having to do with the fencing. He would prefer not to have stocky fencing or a wall, but rather see the project be open and friendly to the neighborhood by providing landscaping and shrubbery instead.

Chairman Lyons asked if there was anyone else wishing to speak to come forward and do so, there being no one indicating such Chairman Lyons asked the applicant to come forward for any additional comments.

Chairman Lyons asked staff for clarification of how the motion would read should the Commission choose to go with a landscaping buffer instead of a fence.

Mr. Miller stated that the way it is written currently there are two options one being the stock aid fence and the other is the rod iron fence with landscaping. Chairman Lyons asked if it could instead also be an option for only landscaping. Mr. Miller stated only landscaping was another option as well but the current language on the Ordinance would have to be amended.

Chairman Lyons asked if there was anyone else who wished to speak to come forward there being no one indicating such Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion and/or motion.

Commissioner Trowbridge expressed liking the landscape as a better transitional buffer to the use.

Commissioner Chodun expressed liking the rod iron fence with a combination of landscaping.

Commissioner Logan asked for clarification of minimum standards should a motion is made to approve only landscaping as the buffer. Mr. Miller provided the language that should be read should that change be one the Commission choses to approve and that would come back at time of site plan.

Commissioner Trowbridge to approve the applicant's request per staff's recommendations and changing the wording of Operational Condition #3 to read: "all parking shall be screened from the residential properties along Alamo Street utilizing landscaping to satisfy the screening requirements. Commissioner Fishman seconded the motion which passed by a vote of 6-0 with one vacant seat.

10. Z2017-015
Hold a public hearing to discuss and consider a request by Matt King on behalf of Archie Underwood for the approval of a Specific Use Permit (SUP) for a *Hotel* in a Commercial (C) District for a 1.345-acre parcel of land identified as Lakeside Batting Park Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 801B E. IH-30, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating the applicant is requesting a Specific Use Permit for a three story Hotel which will be a Motel 6 and will have 75 rooms available for overnight stay. The applicant has indicated to staff that the subject property will not be used as a residence hotel which is one that includes long-term stays and has kitchen facilities available in the room. Additionally, the hotel rooms will be accessed via an interior hallway and not from the exterior of the building, which is indicative of a 'motel' which has direct access to the outside. Mr. Gonzales indicated that although the subject property has an IH-30 address, it does not have direct frontage along IH-30. A concrete paved roadway connecting the subject property to the northern property (Lakeside Veterinary Clinic) exists; however, there is

not an instrument dedicating the use of the drive as a public access easement. In order to use the IH-30 access drive from the adjacent property, an instrument dedicating the drive as a public access easement will need to be filed such as a plat, separate instrument. The entrance to the site will be accessed from Ralph Hall Court. Since this is new development, the address for the subject property will be re-assigned based on the adjacency to Ralph Hall Court; therefore, the current address of 801B IH-30 will no longer be used. Also, since the property does not have directed access on IH-30, it will not be permitted to have a pole sign.

Mr. Gonzales further noted that on April 26, 2017, staff mailed 24 notices to property owners and residents within 500-feet of the subject property and also emailed a notice to the Lynden Park Homeowner's Association. Staff received one email against the request.

Mr. Gonzales advised the Commission the applicant was present and would be providing a power point giving further explanation of their request and staff would be available for questions as well.

Chairman Lyons asked the Commission for any questions for staff.

Commissioner Trowbridge asked how many hotels including residence hotels both existing and possibly entitled are in Rockwall. Mr. Gonzales stated there are currently nine hotels in the City 2-3 which recently received an SUP therefor if the request is approved it would make the 10th hotel within the City of Rockwall. Commissioner Trowbridge asked if staff had available the total amount of rooms total from the existing hotels. Mr. Gonzales stated the applicant would be able to answer that question.

Chairman Lyons opened up the public hearing and asked the applicant to come forward.

Matt King
King Architects

Mr. King came forward and stated he is the applicant for the franchisee that will be operating the proposed Motel 6 as well as the project architect. He indicated he has worked on five ground up projects with numerous tenant finish outs in the City and therefore is familiar with staff as well as the process of the City of Rockwall. Mr. King further noted that that in reference that staff showed of the building renderings they will be meeting the 80% masonry requirements that the City has in place. Also, in regards to the question Commissioner Trowbridge had concerning the total amount of rooms within the existing hotels in the City, Mr. King stated there are 1,055 rooms and they are proposing 75 rooms for their hotel which would only be a small percentage.

Mr. King advised the Commission that representatives from Motel 6 were present that would be providing a presentation of the proposal and would be available for any additional questions.

Commissioner Trowbridge asked the representatives for Motel 6 to come forward.

Bhavik Mohanlal
(No address given)

Mr. Mohanlal came forward and provided a power point and read a letter from G6 Hospitality LLC that supported the request and spoke of the work on other hotel investments that the future franchisees of the proposed request have been involved in. The letter also spoke of surrounding and upcoming hotels and what the request entails.

Chairman Lyons asked the applicant the reason for choosing this location and expressed concern of it not being the ideal location for a hotel. Mr. Mohanlal stated one of the other representatives could better answer that question.

Steve Johnson
504 Audubon Park
McKinney, TX

Mr. Johnson came forward and stated he is a developer with the franchise group with G6 Hospitality. Mr. Johnson stated the location is situated in such a way that it is affordable supporting the construction for the particular project and still has the visibility that it needs.

Chairman Lyons asked if there was concern of visibility since there will not be a pole sign allowed. Mr. Johnson stated the main portion of the visibility will come from the building itself since the logo is on top of the building and with that the building is about 41 feet in height. Mr. Johnson added that they feel hotel occupancy on a property such as this is built from community interaction more so than anything else and therefore they are not solely relying on walk business or traffic from the highway. The franchisee will be establishing relationships within the community and will be building a business based on working with contractors and a variety of people that need lodging at an affordable rate.

Commissioner Trowbridge asked if the franchisee had other hotels that they currently operate. Mr. Mohanlal stated that they recently operated a hotel in Denton, TX but were acquired by the State for the I-35 expansion and were displaced by that and are now currently looking to build a future in Rockwall by establishing the proposed Motel 6.

Commissioner Trowbridge asked concerning the applicant's mention of the City's need of an economy hotel asked if that is driven by price point, or what drives the community need for an economy hotel. Mr. Mohanlal stated they feel it is important for the community to fit the needs of everyone looking to come to Rockwall and people look for brand awareness and therefore when they see Motel 6 which is a nationally recognized brand and as they showed in the power point presentation the only hotels that are branded in Rockwall are mid and upper scale properties that have rates that are much higher than what Motel 6 will be offering. This would allow people to come to Rockwall stimulate the economy but stay within affordable lodging.

Commissioner Logan asked concerning the applicants' mention of hotels becoming obsolete over time; however she feels she has observed that the more economy the hotel is the faster it becomes obsolete and that is cause for concern. She asked the applicant how they plan on preventing that from happening. Mr. Mohanlal stated that they feel the economy segment deals with amenities offered and although the Motel 6 may not offer the amenities that mid to upper scale properties provide, in looking at the economy they are built to be efficient and durable and the proposed is a new prototype for Motel 6.

Mr. Johnson added that in reference to Commissioner Logan's question and concern, he went back to the power point and showed the room and spoke of how it will be designed to last without a huge cost to maintain and therefore allowing the franchisee will maintain the upkeep. He spoke of the Motel 6 home office being in Carrolton and they have a very stringent property improvement process that requires the franchisee's commitment to follow those plans. Mr. Mohanlal added that in reference to the type of clientele that Motel 6 attracts is mostly college educated individuals 50% having incomes over $50k and 20% over $75k yearly. They feel they will attract a clientele that will stimulate the Rockwall economy. Mr. Johnson went on to show the power point that spoke of price points of existing hotels as well as occupancy levels which they feel shows the demand of economy lodging.

Chairman Lyons asked if there will be a pool. Mr. Mohanlal stated there will not be a pool.

Chairman Lyons asked what would happen if the franchisee is not successful, would Motel 6 then come in and revive that location would there be something like that in place. Mr. Johnson stated they would not directly assume control of the location but there would be a transfer process that would transfer it to another qualified individual. Mr. King added to Commissioner Logan's concern of the hotel deteriorating, they feel there are a couple of things that will be helping alleviate that concern, one being that they do not have a pitched shingled roof as well as them putting 80% masonry brick and stone and that will add longevity to the building. Mr. King added that he felt this type of hotel is needed to invite more people to come into Rockwall to enjoy the City.

General discussion took place between the Commission concerning the need for an economy hotel.

Chairman Lyons asked if anyone wished to speak to come forward and do so.

Teresa Ferraro
115 Southampton Drive
Rockwall, TX

Ms. Ferraro came forward and expressed her opposition to the request. She believes it is too close to an elementary school and also expressed her concern in the notification process because she feels the parents that have kids attending that elementary school should be aware of the request for a hotel so near to the school. Ms. Ferraro also expressed concern of traffic congestion it will create.

Mr. Miller clarified on the notification process and explained that according to state law it is required to notify all properties within 200 feet of the subject property however staff actually notifies properties within 500 feet of the subject property because City Council wanted to make sure that that area was increased. In addition there is a Home Owner's Association in which HOA's can participate in and that would notify HOA's within 1,500 square feet of the subject property, as well as posting notice of the request in the Harold Banner and staff also placed a 4x4 yellow sign on the property.

Archie Underwood
1804 Kentwood Circle
Rockwall, TX

Mr. Underwood came forward and stated he has owned the subject property since 1980 and stated there is a clause in his contract with the applicants that allows for an easement as well as signage. Mr. Underwood expressed his desire for economical lodging in Rockwall and feels it will be a good fit would like to see it approved.

Chairman Lyons asked if there was anyone else wishing to speak to come forward and do so, there being no one indicating such Chairman Lyons closed the public hearing and asked the applicants to come forward for any rebuttal or additional comments.

Mike Saarty
(No address given)

Mr. Saarty came forward and stated he is the architect for G6 Hospitality and welcomed questions from the Commission in reference to the building since he is who designed it. He stated that the proposed hotel will be fairly modern in appearance and they spent a lot of time to articulate the building to provide a modern product for people who seek to experience economy lodging. He feels the addition of the masonry will also add to the look of the building. He feels this type of hotel prototype will fit well within the Rockwall community.

Chairman Lyons asked for questions from the Commission for the applicant. Chairman Lyons expressed concern with the location of the proposal.

Commissioner Chodun expressed concern with the "economy" product and feels the residents of Rockwall don't want a budget hotel and feels it's within the Commissions position to act on what is believed to be what the residents in the community of Rockwall would want.

Commissioner Trowbridge expressed concern with the amount of hotel rooms currently available and feels it is not the time for adding an additional hotel generally expressed not being in support of the proposal for it not being the right timing for such.

Commissioner Fishman expressed concern with the proposal being the right use for the land and generally expressed not being in support.

Commissioner Chodun made a motion to deny Z2016-015. Commissioner Fishman seconded the motion, which passed by a vote of 6-0, with one vacant seat.

11. Z2017-016
Hold a public hearing to discuss and consider a request by Dan Claassen of Business Parks of America II, LLC on behalf of the owner Randall Noe of Rockwall Rental Properties, LP for the approval of a zoning change from a Commercial (C) District to a Light Industrial (LI) District for 3.287-acre tract of land identified as Tract 3-01 [*2.182-acres*] & Tract 3-2 [*1.087-acres*] of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the northwest corner of the intersection of Enterprise Drive and the IH-30 Frontage Road, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating that the applicant is requesting approval of a zoning change from a Commercial District to a Light Industrial District for 3.287-acre tract of land that is located on the north side of IH-30 just west of John King Blvd. The property to the north is zoned Light Industrial and has a metal building that sits on it as well as to the west there is a development of assortment of metal buildings, the property to the east is vacant and the property to the south is Rockwall Honda. The subject property was annexed into the City on September 16, 1974 and is within the IH-30 Overlay District therefore if approved and moves into site plan it is subject to the development standards of the IH-30 Overlay District.

Mr. Gonzales further noted that the Future Land Use Map, adopted with the Comprehensive Plan designates the subject property as a Special Commercial Corridor, which is intended to provide for regional commercial activity centers that include shopping, services, recreation, employment, and institutional facilities supported by and serving an entire region. The applicants request would change the Future Land Use designation to Technology/Light Industrial land uses, which is intended to include research and development, office, light industrial uses such as light manufacturing and/or light assembly. It should be noted that all properties surrounding the subject property are scheduled to be designated as Special Commercial Corridor. If the City Council approves the applicant's request, staff would include a condition of approval that would amend the Future Land Use Map to reflect the proposed change in land use from a Special Commercial Corridor designation to a Technology/Light Industrial designation.

Mr. Gonzales went on to state that on April 26, 2017, staff mailed 13 notices to property owners and residents within 500-feet of the subject property and not notice wen to the HOA as there is no HOA/Neighborhood Organization within 1500 feet participating in the notification program. Staff did not receive any notices regarding the zoning change request.

Mr. Gonzales advised the Commission the applicant was present and available for questions as well as staff.

Chairman Lyons asked for any questions from the Commission for staff.

Commissioner Chodun asked concerning SUP's for the five parcels with improvements to the west and south of the subject property. Mr. Miller added that the majority of those surrounding properties were annexed into the City with improvements on them and therefore not subject to the SUP requirement.

Commissioner Moeller asked if the request for zoning change was only for the one parcel. Mr. Gonzales stated there are two parcels that are associated with the subject property and combines to a total of 3.287 acres.

Chairman Lyons opened up the public hearing and asked the applicant to come forward.

Dan Claassen
Business Parks of America
(No address given)

Mr. Claassen came forward and stated he is proposing to develop a high end multi-use flex space office development where the typical tenant is the kind of person that cares about what their facility looks like and where it is located. The reason for the request to change to Light Industrial is because in the type of space they're looking at it is very typical for a tenant to want to do light assembly of their product, whether it be sheet rocking, plumbing along that line of work where they would need that ability. However because of the makeup of the facility there will not be any outside storage.

Chairman Lyons asked the Commission for questions for the applicant.

Commissioner Trowbridge asked what the clear heights were. Mr. Claassen stated they are 25 feet in height.
Commissioner Chodun asked if the IH-30 frontage was critical to the operation he's proposing. Mr. Claassen stated it was absolutely critical because he feels the high end tenant he is looking for will be looking for that IH-30 address for visibility.

Chairman Lyons opened up the public hearing and asked if anyone who wished to speak to come forward and do so, there being no one indicating such, Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or a motion.

Chairman Lyons expressed concern with the location, although he feels there is a need for that type of product the location is not ideal.

General discussion took place between the Commission and staff concerning the Future Land Use designation and the Special Commercial Corridor as it pertains to the subject property and the request.

Chairman Lyons made a motion to deny Z2017-016. Commissioner Chodun seconded the motion which passed by a vote of 4-2, with Commissioners Logan and Trowbridge dissenting and one vacant seat.

12. Z2017-017

Hold a public hearing to discuss and consider the *Revocation* of *Ordinance No. 15-05* (*i.e. SUP No. S-131*) under Section 4.4 of Article IV, *Permissible Uses*, of the Unified Development Code for failing to meet the terms of *S-131*, which would have allowed outside storage and a new motor vehicle dealership on a ten (10) acre tract of land identified as Tract 4-02 and Tract 4 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Corridor Overlay (IH-30 OV) District, addressed as 1530 E. IH-30, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the agenda item stating that the subject property is located at the southwest corner of Commerce Street and the IH-30 Frontage Road and is zoned Light Industrial District and is within the IH-30 Overlay District and also has a Specific Use Permit which allows for a new motor vehicle dealership and/or outside storage. The SUP was approved on March 2, 2015 and was designed to allow the then owner, Young Hyundai, the flexibility to pursue other brands for the purpose of establishing a new car dealership while at the same time allowing them to continue to use the property as an inventory lot, it didn't allow for sales but they were allowed to outside storage on the property. The SUP was structured around a letter provided by the applicant that laid out planned improvements over a three year period and the improvements were broken down into three phases with each phase given a time period documented within the applicant's letter. The first phase was that all civil drawings would be submitted and that they would complete all storm water, drainage and detention pond improvements. The second phase was that all concrete paving improvements would be completed and the third phase was to remodel the existing building's façade. Mr. Miller went on to state that as part of the SUP process staff set a review period of three years; however staff also included in operational conditions stating that the redevelopment of the subject property should generally be in conformance with the letter as well as with the timelines contained in the letter. In looking at the timeline they were out of compliance after the first twelve months of the SUP when the civil drawings and the storm water drainage and detention pond improvements were not installed. However, taking into consideration looking at the timeline, they have continued to perform improvements on the property bringing them closer to completion of those phases.

Mr. Miller went on to explain that what brought this to staff's attention was that a Certificate of Occupancy was received for the property on March 20th and then on March 27th RCAD posted that the property had changed ownership. Staff mailed notice as would be done for a regular SUP on April 26, 2017 to all property owners and residents within 500-feet of the subject property and notified all Homeowner Associations and neighborhood groups within 1,500-feet of the subject property in accordance with the requirements of the UDC and also posted a notice of the public hearings in the Rockwall Herald Banner and also sent a certified letter to the dealership at 1540 E. IH-30, which is the current ownership of the subject property according to RCAD. Staff received one notice back in favor of the revocation.

Mr. Miller further explained that that if the City Council chooses to revoke the ordinance it will not prevent the applicant from resubmitting a SUP request for the subject property for a car dealership in the future. Mr. Miller went on to explain to the Commission the three options they have when making a recommendation. The first would be for the Commission to recommend to the City Council that the applicant's SUP be revoked; second the Commission could recommend

changes to the SUP Ordinance based on the Commissions conversations with the applicant during the meeting, and third the Commission could recommend that the SUP be allowed to continue as is; however the SUP has a three year expiration where all improvements as laid out in the SUP have to be completed by March 2, 2018 or it would automatically expire.

Mr. Miller advised the Commission the applicant was present and available for questions and staff as well was available for questions.

Chairman Lyons asked the Commission for questions for staff.

Commissioner Chodun asked if it is decided to revoke, that would put them immediately out of compliance what would happen after that. Mr. Miller stated that currently they have not paved the site, although they do have an approved permit, if it is revoked it would become a Light Industrial property without an SUP for a car dealership, or outside storage which means they would not be able to store or sell vehicles on the property.

Chairman Lyons opened up the public hearing and asked the applicant to come forward.

Zack Amick
(No address given)

Mr. Amick came forward and stated he was the original applicant who represented Keith Young Jr. who bought the property from Mr. Randall Noe. Mr. Amick spoke of how the SUP they applied for originally came to play and the reasons behind why they requested it. He spoke of being somewhat naive when writing the letter with the timeline of the phases as he wasn't aware how long the process would in fact take to get completion done within the phases with the many departments including engineering and TXDOT that are involved in the process.

General discussion took place between the Commission and the applicant concerning the timeline where the applicant spoke of what is currently completed and his plan on when the rest will be done.

Chairman Lyons asked for questions from the Commission for the applicant.

Commissioner Trowbridge asked if they believed they could get the remaining work complete within the 36 month. Mr. Amick stated he believes they can. Commissioner Logan suggested they make a plan and provide a schedule to ensure it can be done.

Commissioner Trowbridge made a motion to approve Z2017-017 to allow the SUP to continue as written, with the allowance for the Phase 2 improvements to be completed by September 2, 2017. Commissioner Chodun seconded the motion which passed by a vote of 6-0, with one vacant seat.

Chairman Lyons called a five minute recess at 8:49 p.m.

Chairman Lyons called the meeting back to order at 9:00 p.m.

13. Z2017-018
Hold a public hearing to discuss and consider a request by Cesar Sagovia of Rogue Architects on behalf of Starbucks Coffee Company for the approval of a Specific Use Permit (SUP) amending *Ordinance No. 12-29* (*S-099*) to allow for an expansion to the existing restaurant on a 0.182-acre portion of a larger 25.927-acre parcel of land identified as Lot 6, Block A, Wal-Mart Supercenter Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District and within the IH-30 (IH-30 OV) Overlay District, addressed as 778 E. IH-30, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating that the applicant is requesting the approval of an amendment to Ordinance No. 12-29 S-099 to allow for the expansion of an existing Starbucks restaurant. The subject property is zoned Commercial District and is situated adjacent to IH-30 on 0.185-acre portion of the Wal-Mart Supercenter property, the property is also situated within the IH-30 Overlay District. On November 11, 2012, the City Council approved a Specific Use Permit to allow a restaurant less than 2,000 sq. ft. with a drive-through in a Commercial District. At that time, the restaurant was Seattle's Best Coffee, and the SUP stipulated that the restaurant not exceed 550 sq. ft. On December 11, 2012, the

Planning and Zoning Commission approved a site plan for the subject property. Since the approval of the site plan, the restaurant has changed to a Starbucks. According to the approved site plan, the existing restaurant is 519 sq. ft. The applicant is proposing to expand the existing restaurant by 201 sq. ft. for a total sq. footage of 720 sq. ft. The site plan submitted by the applicant for the proposed expansion will be on the north elevation, which will cause the restaurant to lose one parking space; however, the restaurant and adjacent Wal-Mart Supercenter will continue to have adequate parking. Additionally, the expansion with utilize materials that match the current restaurant. The applicant's request is in conformance with the UDC; however, granting a Specific Use Permit SUP is a discretionary decision for the Planning and Zoning Commission and City Council. If approved, this SUP shall supersede all requirements stipulated in the existing SUP ordinance.

Mr. Brooks went on to state that on April 26, 2017, staff sent 17 notices to property owners and residents within 500-feet of the subject property and notified the Lynden Park Homeowners Association, which is the only HOA and/or Neighborhood Organization within 1,500-feet participating in the Neighborhood Notification Program. Staff did not receive any notices returned in favor or in opposition.

Mr. Brooks advised the Commission staff was available for questions and the applicant was present and available for questions as well.

Chairman Lyons opened the public hearing and asked the applicant to come forward.

Leslie Ford
513 Main Street
Fort Worth, TX

Ms. Ford came forward and stated that Starbucks originally did this store as a Seattle's Best but it was a concept that did not work out therefore they did not originally plan for the cooler freezer because it was not in the scope of work that Seattle's Best usually serves.

Chairman Lyons asked if anyone wished to speak to come forward and do so, there being no one indicating such, Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or a motion.

Chairman Lyons made a motion to approve Z2017-018 with staff recommendations. Commissioner Trowbridge seconded the motion, which passed by a vote of 6-0, with one vacant seat.

IV. ACTION ITEMS

14. SP2017-010
Discuss and consider a request by Rick Dirkse on behalf of Rockwall Trinity Real Estate, LLC for the approval of a downtown development plan and site plan for an office building on a 0.63-acre tract of land identified as Lots 1-6, Block B, Rockwall Old Towne Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, situated within the SH-66 Overlay (SH-66 OV) District, addressed as 301 & 303 N. Goliad Street [*SH-205*], and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating that On February 17, 2017, the applicant, Rick Dirkse, submitted a site plan/downtown development plan requesting to construct a 4,999 SF single-story office building on a 0.63-acre tract of land, which is situated in between N. Goliad Street and N. Alamo Street, just south of the SH-205 split/couplet. The subject property is zoned Downtown (DT) District and has two (2) existing single-family homes situated on it. The original plan submitted by the applicant did not conform to the standards of the Downtown (DT) District, and as a result the applicant approached the City Council on March 6, 2017 requesting they consider changing the ordinance to accommodate his project. At this meeting staff was directed to change the process for what could be requested as a major waiver/minor waiver under the ordinance. This text amendment was brought back to the City Council, after recommendation from the Planning and Zoning Commission, on April 17, 2017 and ultimately approved by the City Council on May 1, 2017. With the ordinance having been changed to allow the applicant the ability to request relief to the standards of the Downtown District, staff is able to bring the site plan/downtown development plan forward for

consideration of the Planning and Zoning Commission. The submitted plan shows how the applicant proposes to layout the office building, which due to the shape and position of the lot will be visible from public right-of-way on all four sides. The proposed building will be constructed to a residential scale in the style of a bungalow and will utilize a majority HardiBoard or HardiPlank with a brick wainscot, and be oriented so that it faces onto N. Goliad Street. Staff is still waiting on the applicant to address many of the comments for this case; however, the majority of the documents submitted are complete enough to move forward with conditional approval of the site plan and overall approval of all major and minor waivers. Staff has made conformance to the City's landscaping, photometric, and site plan requirements a condition of approval of this case. Mr. Gonzales went on to explain the major and minor waivers including the tree mitigation that will be required for the approval of this project.

Mr. Gonzales went on to explain that the applicant did meet with the Architectural Review Board on March 28, 2017, to discuss changes to the proposed building elevations with regard to the ARB's recommendations from the February 28, 2017 meeting. The ARB recommended Mr. Dirkse revise the building elevations to reflect the historical characteristics associated with PD-50 or the building form that is consistent with the downtown core. The modified elevations submitted to the ARB were more in line with the historical characteristic of the properties located within PD-50. The ARB made a motion to recommend the applicant switch or mirror the elevations from the south to the north, providing for a variation to roofline that is indicative of the souths' articulated roof line elements. The motion was approved by a vote of 5-1 with Board Member Chizzonite dissenting and Board Member Strohmeyer absent. Following the vote the ARB held a general discussion with Mr. Dirkse concerning the north elevations insufficiency to provide articulation, and the property's proximity to the SH 205 couplet. From these discussions the ARB requested the applicant consider reversing the north and south elevations. On April 25, 2017, Architectural Review Board reviewed the applicants' revisions to the building elevations. The applicant had added dormers to both the north and south facing elevations, providing relief to the building's roofline. Additionally, the dormers provide additional articulation to the structure when being viewed from the east or west elevations and after discussion with staff, the Architectural Review Board's motion to recommend approval of the building elevations.

Mr. Gonzales advised the Commission that there would need to be three motions that would need to be taken, one for the site plan, one the minor waivers and one for the recommendation for the major waivers. He added that both the applicant and staff were available for questions.

Chairman Lyons asked the applicant to come forward.

Rick Dirkse
301 N. Goliad
Rockwall, TX

Mr. Dirkse came forward and generally stated that he has worked hard to work with all the recommendations given to him to provide the best quality product he can and is looking for the Commission's approval.

Chairman Lyons asked for any question from the Commission.

Commissioner Logan asked concerning some of the major waivers, would they not waiving that regardless of the style that is chosen. Mr. Gonzales stated that the waivers that the Commission is looking at that are not common to any other area other than the Downtown District.

Commissioner Chodun asked if the intent is to be for a single tenant. Mr. Dirkse stated it would be single tenant.

Commissioner Trowbridge made a motion to approve the site plan, minor waivers, and major waivers with staff recommendations. Chairman Lyons seconded the motion which passed by a vote of 6-0, with one vacant seat.

15. SP2017-012
Discuss and consider a request by Curtis Behrens of Greenberg Farrow on behalf of Doug Druen of Texas Roadhouse Holdings, LLC for the approval of a site plan for a restaurant [*Texas Roadhouse*] on a 2.07-acre portion of a larger 8.613-acre tract of land identified as Tract 4 of the J. D. McFarland

Survey, Abstract No. 145, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, IH-30 Overlay (IH-30 OV) District, generally located east of the intersection of Greencrest Boulevard and the IH-30 Frontage Road, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating that the applicant is requesting to construct a 7,420 square foot Texas Roadhouse. The subject property is zoned Commercial and is located along the IH-30 Frontage Road next to the Rooms to Go and retail will probably come to the west side and an SUP for a Hotel was approved for the back side of the subject property. The proposed restaurant is a use permitted by right and will seat approximately 281 patrons and will incorporate a total of 162 parking spaces. The site will have a total of three points of entry via 24-ft Fire lane, Public Access and Utility Easements with the adjacent developments. Two access points will be available from the property to the east and one from the property to the west.

Mr. Gonzales went on to state that during the work session there were a few comments that were listed out and the applicant essentially covered all of the comments as far as the photometric plan, landscape plan, building elevations and the site plan however, after meeting with the Architectural Review Board two weeks ago at the Work Session, they asked the applicant to come back for additional information concerning the cultured stone that they are proposing to have on the building. After discussion with the applicant, the ARB's motion to recommend approval for the use of natural stone and the variances to the corporate identity and parking passed.

Mr. Gonzales advised the Commission both the applicant and staff were available for questions.

Chairman Lyons asked the applicant to come forward.

Paula Hubert
(No address given)

Ms. Hubert came forward and stated she is with Greenberg Farrow on behalf of her client Texas Roadhouse. Ms. Hubert stated that since the Work Session they have addressed the comments concerning the cultured stone and provided the Commission a sample board. They have also submitted to staff revisions on minor comments that needed to be addressed.

Chairman Lyons asked the Commission for any questions.

Commissioner Fishman asked if the color on the sample board would be the actual color of the stone that they will be using. Ms. Hubert stated it would be the color that is on the sample board although the actual stone will be a better depiction of the color.

Chairman Lyons made a motion to approve SP2017-012 with staff conditions, and the ARB's recommendation for use of natural stone rather than cultured stone. Commissioner Moeller seconded the motion, which passed by a vote of 6-0, with one vacant seat.

16. SP2017-014
Discuss and consider a request by Kevin Patel, P. E. on behalf of William Shaddock of Master Developers-SNB, LLC for the approval of an amended site plan for a daycare facility on a 2.960-acre tract of land identified as Lot 1, Block S, Preserve, Phase 3 Addition and Tract 12 [*1.4376-acres*], A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 41 (PD-41) and Single Family 10 (SF-10) District, addressed as 1450 East Fork Drive, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating the case came before the Commission last year for the approval of a site plan. In 2008, the City Council approved a Specific Use Permit to allow for a Daycare on the subject property. On October 11, 2016, the Planning and Zoning Commission approved the site plan for a daycare facility on the subject property. Since that time the applicant has made revisions to the site that necessitate amending the site plan. Specifically, the applicant originally proposed underground detention; however, due to issues encountered through the civil process, the applicant had to provide above ground detention. The changes in the detention system required revisions to the layout of the site, as well as, a reduction in size of the daycare facility. The proposed daycare facility has been reduced to 13,142 SF or 300 square feet smaller than the original building. Additionally, to

accommodate the smaller building footprint, the applicant made minor revisions to the building elevations, but has kept the same architectural elements. The submitted site plan, photometric plan, landscape plan, and building elevations all conform to the technical requirements as stipulated within the approved site plan, the UDC and Planned Development District 41. Mr. Brooks added that on April 25, 2017, the Architectural Review Board reviewed the revised building elevations and agreed that the revised elevations maintained the spirit of the original building elevations approved on October 11, 2016 and made a motion to recommend approval of the revised building elevations.

Mr. Brooks advised the Commission that both staff and the applicant were available for questions.

Chairman Lyons asked the applicant to come forward.

Doug Galloway
3508 Edgewater
Dallas, TX

Mr. Galloway came forward and stated that originally they proposed underground detention; however, due to issues that they encountered through the civil process, they will have to provide above ground detention and with doing that they had to re-orient the building and the parking. Basically with the articulation of the building they moved a few of the elevations; however it will remain all the same materials.

Commissioner Logan asked if the SUP was since 2008 why it has not expired. Mr. Miller explained that the way the Ordinance is written it would expire after a year of inactivity and they currently have an active project therefore they would not be subject to the current Ordinance to expire. Commissioner Logan asked if there was a change in the land use in the area. Mr. Brooks stated it would only be for the subject property that has the SUP for the daycare.

Chairman Lyons noted that by having the detention out by the street and pushing the building back it would allow for more landscaping and expressed liking that better. Mr. Galloway stated they feel that it will look better and be a good fit with the surrounding neighborhood.

Commissioner Chodun made a motion to approve SP2017-014 with staff recommendations. Commissioner Fishman seconded the motion, which passed by a vote of 6-0, with one vacant seat.

V. DISCUSSION ITEMS

17. Director's Report of post Council meeting outcomes of Planning & Zoning cases.

- ✓ P2017-019: Lots 3 & 4, Block A, Woods at Rockwall Addition [*Approved*]
- ✓ P2017-024: Lots 26 & 27, Block E, The Preserve, Phase I Addition [*Approved*]
- ✓ Z2017-007: Zoning Change for the Gideon Property (AG to PD) (*2nd Reading*) [*Approved*]
- ✓ Z2017-009: SUP for 1415 & 1501 E. IH-30 (*1st Reading*) [*Approved*]
- ✓ Z2017-010: Amendment to PD-32 (*2nd Reading*) [*Approved*]
- ✓ Z2017-011: Text Amendment for Section 4.8, *Downtown (DT) District* (*2nd Reading*) [*Approved*]

MINTUES

PLANNING AND ZONING COMMISSION WORK SESSION

City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
May 30, 2017
6:00 P.M.

I. CALL TO ORDER

Chairman Lyons called the meeting to order at 6:00 p.m. The Commissioners present at the meeting were Tracey Logan, Eric Chodun, Annie Fishman and new Commissioner Jerry Welch. Absent were Commissioner Patrick Trowbridge and Mark Moeller. Staff members present were Planning Director, Ryan Miller, Senior Planner David Gonzales, Planner, Korey Brooks, Planning Coordinator, Laura Morales, Civil Engineer, Jeremy White, and City Engineer Tim Tumulty.

II. CONSENT AGENDA

1. P2017-016

Discuss and consider a request by Glen and Rosie Cox for the approval of a final plat of Lots 1 & 2, Block A, Cox Acres Addition being a 29.97-acre tract of land identified as Tract 7 of the J. M. Gass Survey, Abstract No. 88, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (205 BY-OV) District, located on the south side of Quail Run Road east of the intersection of Quail Run and John King Boulevard, and take any action necessary.

2. P2017-025

Discuss and consider a request by Stephen Coslik of Rockwall Crossing, LTD for the approval of a replat for Lots 12 & 13, Block A, Rockwall Crossing Addition being a 22.246-acre parcel of land currently identified as Lot 9, Block A, Rockwall Crossing Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at the south side of the IH-30 Frontage Road east Mims Road, and take any action necessary.

3. P2017-026

Discuss and consider a request by Jerry Monk of Monk Consulting on behalf of Dr. Steve Arze of Zaph & Ath Properties, LLC for the approval of a final plat for Lots 1-3, Block A, Landing Point Addition being a 4.88-acre tract of land identified as Tract 4-01 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located north of the intersection of Industrial Boulevard and Airport Road, and take any action necessary.

4. P2017-027

Discuss and consider a request by Randal Currington of Fontanna Ranch Phase II, LP for the approval of an amending plat for Phase II of the Fontanna Ranch Subdivision containing 49 single-family residential lots on a 19.167-acre tract of land identified as Tract 5 of the J. A. Ramsey Survey, Abstract No. 186, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 64 (PD-64) for Single Family 16 (SF-16) land uses, generally located east of FM-549 and south of SH-276, and take any action necessary.

5. P2017-028

Discuss and consider a request by Mushtak Khatri of T. Rockwall Phase 2, LLC for the approval of a replat for Lot 5, Block A, Rockwall Commons Addition being a 3.802-acre parcel of land currently identified as Lot 6, Block A, Rockwall Commons Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 1 (PD-1) for mixed use development, generally located on Ridge Road [*FM-740*] south of Summit Ridge Drive, and take any action necessary.

Commissioner Logan made a motion to approve the consent agenda. Commissioner Fishman seconded the motion which passed by a vote of 5-0, with Commissioners Moeller and Trowbridge absent.

III. APPOINTMENTS

6. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

Architectural Review Board representative, Ashlei Neill, gave a brief explanation of agenda items that were discussed at the ARB meeting.

IV. ACTION ITEMS

7. MIS2017-006

Discuss and consider a request by Lance Tyler for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, *General Residential District Standards*, of Article V, *District Development Standards*, of the Unified Development Code, for a 12.0-acre portion of a larger 29.97-acre tract of land identified as Tract 7 of the J. M. Glass Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located east of the intersection of John King Boulevard and E. Quail Run Road, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating that the applicant is requesting a masonry exception for the purpose of constructing a single-family home on a vacant 12-acre tract of land currently identified as Tract 7 of the J. M. Glass Addition. Currently, a final plat for this property was approved. The subject property is located east of the intersection of John King Boulevard and E. Quail Run Road and is zoned Agriculture District. The applicant is proposing to construct the single-family home of approximately 69% Hardy Board, 4% stone and 4% IPE/Stained Wood. According to the Unified Development Code, the minimum masonry, brick, stone natural, cast or cultured glass block, tile and/or CMU requirement for exterior walls on structures that are 120 square feet or greater is 80%; with a maximum of 50% of this masonry requirement being permitted to be Hardy Plank, stucco or a similar cementaceous material. Additionally, the code states that exceptions to these requirements may be permitted on a case-by-case basis by the City Council upon submission and approval of elevation drawings of the subject structure, and materials samples. Since the proposed exterior building materials do not meet the minimum masonry requirements as stipulated in the UDC, the applicant is requesting a masonry exception. The applicant has submitted a letter along with a rendering. Also, the property to the west of the subject property is constructed of 100% vinyl/ Hardy Plank. Additionally the home will have no visibility from John King Boulevard or E. Quail Run Road due to the location existing trees.

Mr. Brooks advised the Commission that both the applicant and staff were available for questions.

Chairman Lyons asked the Commission for questions for staff.

Commissioner Logan asked for clarification concerning the 100% vinyl/ hardy plank that was mentioned. Mr. Brooks stated that if it is 100% of either it would require some type of exception.

Chairman Lyons asked the applicant to come forward.

Lance Tyler
(No address given)

Mr. Tyler came forward and advised the Commission he was available for any questions they may have.

Commissioner Chodun asked if it would be only the one single family home. Mr. Tyler stated it will be not be near any other residential area and he is proposing to build a modern farm house.

Chairman Lyons brought the item back to the Commission for discussion or motion.

Chairman Lyons made a motion to approve MIS 2017-006 with staff recommendations. Commissioner Welch seconded the motion which passed by a vote of 5-0, with Commissioners Moeller and Trowbridge absent.

V. DISCUSSION ITEMS

8. Z2017-019

Hold a public hearing to discuss and consider a request by Clarence L. Jorif of *The Compound at Rockwall* on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating that the subject property is along Hwy 276 towards the end of the City limits and is currently zoned Agricultural District as well as the surrounding properties; also the properties north of Hwy 276 are not within the City limits. Mr. Gonzales added that the applicant was present and would be providing a presentation of the request.

Chairman Lyons asked the applicant to come forward.

Clarence Jorif
738 Justin Road
Rockwall, TX

Mr. Jorif came forward and stated he has served as military, law enforcement and as a secret service agent with 34 years of experience and his plan for the tract of land is to provide a training facility for civilian and law enforcement personnel. From the civilian point of view it will give the ability to safe guard yourself, family and those around you by utilizing the training facility, however it is not a gun range. On the other side of it would provide the needed skills by law enforcement to augment their skills. Mr. Jorif provided a presentation which described the facility to be approximately 58,000 square feet that will be split into two areas. One of which he referred to as the "civilian" area which will have a restaurant, a retail area, conference rooms, VIP areas, management area and one set of classrooms and four tactical simulation rooms. The other part of the building will be locked off and accessed thru a separate entrance to be used by law enforcement.

Mr. Jorif further stated that the purpose of the facility is to bring much needed skills to avid firearm enthusiasts. He expressed his desire to be in the Rockwall community and making a positive impact on the community.

Chairman Lyons asked for questions from the Commission.

Commissioner Fishman asked if it would be specifically for Rockwall local law enforcement or would it be expanded to surrounding agencies. Mr. Jorif stated he has already reached out to the local law enforcement as well as surrounding agencies.

Chairman Lyons asked if there would be any firearms and would there be target practice or shooting ranges within the facility. Mr. Jorif stated there would be three one of which will be a 101 yard line ideally for rifleman or hunters; it will be climate controlled and noise abated. There will also be two 25 yard lanes.

Commissioner Logan asked if it would be a gun range. Mr. Jorif stated it will be a tactical training facility that needs a gun range contingent to it.

Commissioner Logan asked staff for clarification about the standards for a gun range within the City limits. Mr. Gonzales stated that from the zoning change what the applicant is requesting for the Light Industrial District would allow, because it is a permitted use by right to have an indoor target range. There are several uses within the facility and that being the most intense use; it would be classed as an indoor target range although it may not be that but just for zoning purposes because it is an allowed use by right.

Commissioner Fishman asked if classes would be offered to civilians or would it be just a drop in type facility. Mr. Jorif stated it would be a combination of both.

Commissioner Fishman asked in regards to the retail what would that consist of. Mr. Jorif stated it would be firearms sales, ammunition sales, clothing basically anything that is needed to support a shooting sport.

Mr. Miller added that the public hearing for the case will be June 13th.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

9. Z2017-020

Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating that the property is located on the southwest corner of Justin Road and TL Townsend and currently has two zonings which are Commercial and Agricultural. Mr. Gonzales advised the Commission the applicant was present and would be presenting further detail on the request and would be available for questions.

Chairman Lyons asked the applicant to come forward.

Tim Ohanlen
(No address given)

Mr. Ohanlen came forward and stated he is one of the developers on the project and they are requesting to build a senior resort community to serve a segment of the senior community that they feel is underserved. There are a lot of the high end full amenity type product, as well as low income subsidized product but there is a lack of senior communities for the common man or woman. Also, in looking at the type of product that is currently in Rockwall the majority is filled up therefore they believe there is a significant need for the type of product they are proposing. The site that they are looking at is ideal due to the proximity to hospitals, entertainment and downtown as well as the greenbelt that sits behind the property that will provide a park but in order to do that and they will request a variance to the multi-family density. They will be mirroring the project to an existing development they have in Allen and he welcomed the Commission to feel free to visit that facility to get a better idea of what they are proposing. He feels it will be a great fit to the Rockwall community.

Commissioner Logan asked what designates it a senior citizen center. Mr. Ohanlen stated it would be age restricted to age 55 and older and would be deed restricted. Commissioner Logan asked if it would be designated by the City as a senior citizen community. Mr. Ohanlen stated it would be. Commissioner Logan asked concerning the lot mix. Mr. Ohanlen stated it would be 60% two bedroom and 40% one bedroom.

Chairman Lyons asked if it is strictly age 55 and older would anyone with kids be allowed to move in.

Bart Tinsley
1625 Heart Springs Drive
Allen, TX

Mr. Tinsley came forward and stated no senior facility can keep anyone underage out due to the federal law however; they would restrict the deed to only allow a certain amount of tenants and also would structure the facility in such a way to accommodate and cater to seniors.

Commissioner Chodun asked what the Future Land use for the subject property is. Mr. Gonzales stated the Future Land Use Map indicated the property to be Commercial use and what the applicant is requesting is for a Residential use.

Commissioner Chodun asked how many other senior communities are in the City currently. Mr. Gonzales stated that how the land use chart lays out it looks at these as multi-family apartment complexes and there are nine and one that was just approved. However there is one on Hwy 205 that is age restricted but is still considered multi-family.

Commissioner Chodun asked what the price per square foot would be and would it be gated. Mr. Tinsley stated it will not be gated and they will be roughly at about $1.85 per square foot and the rent will start around $1,300 to $1,400 their goal is to make it affordable with high end finishes.

Commissioner Welch asked for clarification if they would be leased and not sold. Mr. stated they would be leased. Commissioner Welch also asked concerning a note in staff's memo of not having "adequate utilities" for the area. City Engineer, Tim Tumulty, stated that the applicant would need and need to work with the Engineering staff to look at the existing model to determine what the capacity is. Mr. Miller added that when those areas are calculated they are based on the future land use map and since this area was considered to be Commercial and High Density is considered to be a more intense use that causes issues with the Cities utilities and that was the reason that comment was included in staff's memo.

Joseph Reue
10701 Corporate Drive
Dallas, TX

Mr. Reue came forward and stated they submitted to the Engineering staff a sewer and water study that would also include what the anticipated flows will be.

Commissioner Logan asked if there would need to be a variance for the height as it is proposed to be a four story structure. Mr. Gonzales stated no variance would be required.

Chairman Lyons asked if there was any concern from the applicant with the proximity of the middle school being across the street. Mr. Reue stated they do not believe that would pose a problem. Chairman Lyons asked concerning the middle school activities that may interfere with the proximity of the development. Mr. stated with the materials used on windows and material there should not be a problem.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

10. Z2017-021
Hold a public hearing to discuss and consider a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a zoning change from Residential-Office (RO) District to General Retail (GR) District for a 2.35-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, addressed as 4031 N. Goliad Street, and take any action necessary.

Planner, Korey Brooks, gave a brief explanation of the request stating that in 2011 City Council approved the a zoning change from Agricultural to Residential Office. Residential Office is meant to be a low intensity district that allows aging homes that can be repurposed into offices. The applicant is requesting to rezone the subject property from a Residential Office District to a General Retail District. Currently there is a single-family home on the subject property and the applicant is requesting to construct an 10,970 SF Montessori school and a 7,500 retail building. The Future Land Use Map designates the subject property for Medium Density Residential land uses. Mr. Brooks added that with the current zoning as Residential Office the applicant has the ability to request an SUP for the Montessori School and the general retail store, however the applicant decided against that due to the limited uses with the General Retail.

Mr. Brooks advised the Commission staff was available for questions and that the applicant was present and was available for questions as well.

Chairman Lyons asked the Commission for any questions for staff.

Commissioner Chodun asked for further clarification of the SUP that could be requested instead of what the applicant is currently requesting. Mr. Brooks stated that in Residential Office a Montessori School and a General Retail store can be requested with an SUP without changing the Zoning.

Brad Williams
2728 NW Harvard Street
Dallas, TX

Mr. Williams came forward and stated they are requesting the zoning change from RO to GR they feel the retail aspect that would be in place would be designed to be compatible with uses that would fit children's needs. He spoke of the concern that may be with traffic. They believe with the concept of the Montessori. They will be conducting a traffic analysis to the site. Mr. Williams added that concerning the adjacency to neighboring homes they will be building a retaining wall underneath the masonry wall that would allow enough screening from the neighborhoods. They feel their proposal would be a good fit to the area.

Mr. Brooks added that currently the concept plan the applicant has submitted is only conceptual and they would be required to submit a site plan should this request be approved.

Commissioner Chodun asked concerning the retail use. Mr. Williams stated the concept they are looking for is to have the afterschool activity element within reach to facilitate parents wishing to have kids do after school activities.

General discussion took place concerning the uses that would be allowed and what restrictions could be put in place and how a Specific Use Permit could also be an option.

Alex Freeman
18740 Amesbury Lane
Dallas, TX

Mr. Freeman came forward and spoke of what their reasoning behind having retail uses next to the Montessori School, they don't have teachers to teach the afterschool programs such as dance or karate and by adding the retail aspect those uses could be brought in.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

11. Z2017-022
Hold a public hearing to discuss and consider a City initiated request for the approval of a text amendment to Section 6.8, *205 By-Pass Corridor Overlay (205 BY-OV) District*, of Article V, *District Development Standards*, and Section F.3, *District Landscaping Requirements*, of *Appendix 'F'*, *Landscaping Requirements and Guidelines*, of the Unified Development Code for the purpose of amending the residential frontage requirements and clarifying certain sections of the code, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the request stating that on May 15th City Council directed staff to bring forward changes to Article V specifically what they are looking to achieve with the changes is to provide increased buffering of single family lots along John King specifically the lots that back to John King. This would only affect unentitled residential properties currently along that thoroughfare, which there are three or four vacant tracts of land left along that city roadway. The draft ordinance lays out four options for residential subdivisions along John King that have properties that will be fronting on or backing up to John King. These options are:1) increased landscape buffer of 100-feet, 2) increased rear yard building setback of 50-feet for properties backing to John King Boulevard, 3) the incorporation of a slip street with minimum of 50-feet of right-of-way, and4) the incorporation of an eyebrow street with a 30-foot landscape buffer and 25-foot front yard building setback. In addition, staff has added language that lays out the purpose of the required berm, and creates a stipulation that requires additional screening in the landscape buffer if the berm is deemed insufficient to screen traffic along John King Boulevard. The Planning and Zoning Commission will be required to make a determination if the screening is sufficient at the time of site plan. Finally, staff has made miscellaneous changes to the document for the purpose of clarifying

certain sections, and carried the changes over to Appendix 'F', Landscaping Requirements and Guidelines, of the UDC for continuity purposes. Also, staff will send out a 15-day notice to the Rockwall Harold Banner in accordance with all applicable state laws it will be brought back to the Commission for public hearing at the June 13th meeting.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

12. SP2017-016

Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

Planner, David Gonzales, gave a brief explanation of the case stating it is for the Murphy Oil that is located in front of the Walmart along the IH-30 and advised the applicant was present and would be presenting the case.

Bassam Ziada
3100 Drana Lane
Fayetteville, AR

Mr. Ziada came forward and stated they are proposing to come in and replace the existing building which was built in 2004 as well as the tanks and canopy. The existing building is approximately 270 square feet with four pumps. The proposed new development will be a 1,200 square foot building which would allow customers to access from either side of where the pumps are located and they are also looking to add four additional pumps for a total of eight dispensers. When they come in to do the project they will barricade the entire site and remove the existing tanks and will have an environmental firm on site to make sure there is no soil contamination and will follow all of TCQ guidelines and will follow their guidelines for tank closure and they will work closely with staff and with the fire marshal.

Mr. Ziada went on to state that they met with the Architectural Review Board and they will address the comments they received from them and send revisions to staff for their review.

Chairman Lyons asked the Commission for any questions.

Commissioner Chodun asked if it would be a complete rebuild. Mr. Ziada stated it would be the concrete will be removed demolished and rebuilt.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

13. SP2017-017

Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [*Presbyterian Hospital*] on a 18.871-acre portion of a larger 8.867-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

Planner, Korey Brooks, stated that as was mentioned by the Architectural Review Board member earlier in the evening, the site plan was reviewed and the Board did recommend approval based upon the matching of the existing buildings and materials. Mr. Brooks advised the Commission the applicant was present and available for questions.

Drew Donosky
1903 Central Drive
Bedford, TX

Mr. Donosky came forward and stated they are proposing a 5,600 foot addition on the Presbyterian Hospital site and he is available for questions.

There being no questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

14. H2017-007

Hold a public hearing to discuss and consider a City initiated request for the purpose of *rescinding* the *Local Landmark Designation* (*i.e. Ordinance No. 08-15*) for the *Spafford House* being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating this property is commonly known as the Historic Spafford Home. The home was built in 1894 with a Folk Victorian influence. At the time of designation, staff felt the home provided positive characteristics for the North Goliad streetscape and that designating the property would allow for proper restoration/redevelopment of the home. Since its designation as a Landmark Property, the property has had modifications to the exterior that do not meet the intent of the Historic Preservation Guidelines. These modifications involve the homes windows, siding, and trim, all of which were modified without obtaining a COA from the HPAB. The recent historic resource survey conducted by the City's consultant Hardy, Heck, Moore, Inc. adopted by the HPAB in April of this year they identified changes to the exterior that include replacement of the doors, windows, exterior wall materials, and alterations to the porch. Due to these changes, HHM recommended revising the historic designation of the property from a High Contributing to a Medium Contributing property. Based on these findings, the HPAB directed staff to move forward with rescinding the Landmark Designation of the property. Mr. Gonzales added that rescinding the ordinance will not affect the current designation status as a Medium Contributing Property nor would it affect the property owner from restoring the home to a condition that is worthy of re-adopting it as a Landmark Property in the future.

Mr. Gonzales advised the Commission he was available for questions.

Commissioner Logan expressed concern for those changes having made since they were not supposed to be made. Mr. Gonzales explained that the changes that were made were done without a Certificate of Appropriateness and without anyone being aware the changes were done. Currently they do have a site plan for changes that are being done to the parking and for a remodel to the inside of the home. Mr. Miller added that before it changed over to a commercial property it was being uses a residential property and as best as staff can figure those changes happened at some point during the residential tenure and then sold to the current owner.

Commissioner Fishman asked what resending the property would essentially be doing if it will still be a contributing property that would require approval for any changes. Mr. Gonzales stated because the characteristics to the exterior of the home were changed, it makes it not as significant as it was when it was first looked at as a historic property.

Mr. Miller added that staff will provide the designations that the Board used in making their determination of high, medium, low and landmark and that may help with clarification.

There being no further questions Chairman Lyons indicated the case will return to the Commission for action at the next scheduled meeting.

15. Director's Report of post Council meeting outcomes of Planning & Zoning cases.

- ✓ P2017-017: Lot 1, Block B, Harbor Village Addition [*Approved*]
- ✓ P2017-020: Lot 1, Block A, Wood Estates Addition [*Approved*]
- ✓ P2017-021: Preliminary Plat for the Highlands Subdivision [*Approved*]

- ✓ SP2017-010: Variances for Texas Road House [*Approved*]

Planning Director, Ryan Miller, **provided a brief update about the outcome of the above referenced case at the City Council meeting.**

VI. ADJOURNMENT

Chairman Lyons adjourned the meeting at 7:45 p.m.

PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF ROCKWALL, Texas, this _____ day of _____, 2017.

_____
Johnny Lyons, Chairman

Attest:

_____
Laura Morales, Planning Coordinator

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 06/13/2017

APPLICANT: Matt Moore; *Claymoore Engineering, Inc.*

AGENDA ITEM: **SP2017-017;** Rockwall Regional Hospital, LLC

SUMMARY:

Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [Presbyterian Hospital] on a 18.871-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

PURPOSE AND BACKGROUND:

On June 13, 2006, the Planning and Zoning Commission approved a site plan [SP2006-004] for a hospital [i.e. Presbyterian Hospital of Rockwall]. At that time, the applicant expressed their intention to expand the hospital and also construct two (2) medical office buildings on the site. On June 19, 2006, the City Council approved a variance to allow less than 20% [i.e. 15%] stone on the west elevation that is visible from Summer Lee Dr.

The applicant is requesting approval of an *amended site plan* for the purpose of constructing a 5,600 SF expansion on the existing hospital. This expansion is the first step to a larger expansion of the hospital, which is planned for the future. The project scope involves the emergency department patient walk-in entrance and vestibule, the drop-off canopy, and a renovated waiting area. The proposed expansion doesn't appear to increase the variance to the stone requirement on the west façade and will utilize the same exterior building materials as the existing hospital. Additionally this expansion will have limited visibility from Rockwall Parkway [i.e. east elevation] due to the medical office building (MOB) that is currently in the process of being constructed. Additionally, the expansion will have limited to no visibility from the north and south due to the layout of the existing hospital.

The submitted site plan, landscape plan, photometric plan, and building elevations conform to the technical requirements contained within the Unified Development Code (UDC) for properties located in Planned Development District 9 (PD-9) and zoned for General Retail (GR) District land uses.

ARCHITECTURAL REVIEW BOARD RECOMMENDATION:

On May 30, 2017, the Architectural Review Board's motion to recommend approval of the site plan and building elevations passed by a vote of 5-0 with Board Member Craddock absent and one vacant position.

RECOMMENDATIONS:

If the Planning & Zoning Commission chooses to approve the applicant's request then staff would recommend the following conditions of approval:

1) All technical comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

2) Any construction or building necessary to complete this Site Plan request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

SP2017-017 Presbyterian Hospital: Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [Presbyterian Hospital] on a 18.871-acre portion of a larger 8.867-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com

M.3 For reference, include the case number (SP2017-017) in the lower right hand corner of all pages on future submittals.

M.4. Please provide dimensions for all walls on the expansion.

I.5 The Architectural Review Board (ARB) meeting for this case will be held on May 30, 2017 at 5:00 pm.

I.6 The Planning and Zoning Worksession for this case is May 30, 2017 at 6:00 pm. The Planning and Zoning Meeting is June 13, 2017.

I.7 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested as soon as possible to give staff ample time to review the case prior to the May 30, 2017 Planning & Zoning Meeting.

CITY OF ROCKWALL
PLANNING AND ZONING MEMO

AGENDA DATE: 06/13/2017

APPLICANT: Clarence L. Jorif of *The Compound at Rockwall*

AGENDA ITEM: **Z2017-019**; Zoning Change from *AG to LI*

SUMMARY:

Hold a public hearing to discuss and consider a request by Clarence L. Jorif of *The Compound at Rockwall* on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

BACKGROUND INFORMATION AND PURPOSE:

The subject property is a 20.0-acre tract of land generally located along the southern portion of SH-276, situated between Gumbo Drive and FM 551, and is situated within the SH-276 Overlay (SH-276 OV) District. The *subject property* was annexed into the City on December 22, 2008 (*Ordinance No. 08-65*) and zoned Agricultural (AG) District. The applicant is requesting to change the zoning of the *subject property* from an Agricultural (AG) District to a Light Industrial (LI) District.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the *subject property* is an unincorporated area of the City that is north of SH-276 and contains a mix of uses, both residential and non-residential. The area is within the City's extraterritorial jurisdiction.

South: Directly south of the *subject property* is Planned Development District 76 (PD-76), which is designated for Single Family 1 (SF-1) District land uses. PD-76 is an approximately 138-acre vacant tract of land that will accommodate 107 single family homes situated on a minimum of one (1) acre lots. According to the Master Thorough Plan, a minor collector street will separate the proposed zoning request with this SF-1 development.

East: Directly east of the *subject property* are a 1.0-acre, 5.0-acre, 9.041-acre, and 34.39-acre tract of land that contains a mix of uses -- *both residential and non-residential* -- and that were annexed at the same time as the *subject property*. These tracts of land are zoned Agricultural (AG) District.

West: Directly west of the *subject property* is the 10.0-acre tract of land containing a single family home that was annexed at the same time as the *subject property* and is zoned Agricultural (AG) District.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map, adopted with the Comprehensive Plan bi-sects the property and designates portions of the *subject property* as *Technology/Light Industrial* and *Low Density Residential* Districts. The northern portion of the *subject property* is designated as *Technology/Light Industrial* which is intended to provide for research and development, office, light industrial uses (e.g. light manufacturing and/or light assembly). It should be noted that the northern portion of the *subject property* conforms to the Future Land Use Maps' designation. Furthermore, the zoning exhibit (*i.e. conceptual site plan*) contained in the draft ordinance does not vest the development and is only representative of the boundary of the *subject property* which is described in the legal description. The southern portion of the *subject property* is designated as *Low Density Residential*. The applicants request would change the Future Land Use Map designation for the southern portion of the *subject property* to a *Technology/Light Industrial* designation (*see attached maps*). This designation may be considered an appropriate use for the *subject property* given that several of the properties located east and west of the *subject property* adjacent to Hwy 276 have dual Future Land Use designations (*i.e. Technology/Light Industrial* and *Low Density Residential*). The Master Thoroughfare Plan indicates that a minor collector -- *60-ft right-of-way, 2-lane undivided with 2-on street parking lane* – will be placed along the southern of the subject property and extend from Dowell Road to FM-551. This may warrant the change to the Future Land Use Map; however, this remains a discretionary decision for the Planning and Zoning Commission and City Council. Should the City Council approve the applicant's request, staff has included a condition of approval that would amend the Future Land Use Map to reflect the proposed change in land use for the southern portion of the subject property from a *Low Density Residential* designation to a *Technology/Light Industrial* designation.

NOTIFICATION:

On May 17, 2017, staff mailed 11 notices to property owners and residents within 500-feet of the subject property. There is no HOA/Neighborhood Organizations within 1500 feet participating in the notification program. Additionally, staff posted a sign along SH-276, adjacent to the *subject property* as required by the Unified Development Code (UDC). At the time this case memo was drafted staff has received one (1) notice opposed to the zoning change request.

RECOMMENDATIONS:

If the Planning and Zoning Commission and City Council choose to approve the applicant's request to change the zoning of the *subject property* from an Agricultural (AG) District to a Light Industrial (LI) District then staff would propose the following conditions of approval:

1) By approving this zoning change, the City Council will effectively be approving changes to the Comprehensive Plan and Future Land Use Map. Specifically, this will change the designation of the southern portion of the *subject property* from a *Low Density Residential* designation to a *Technology/Light Industrial* designation; and,

2) Any construction resulting from the approval of this *zoning change* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Hold a public hearing to discuss and consider a request by Clarence L. Jorif of The Compound at Rockwall on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 05.17.2017

1. The Future Land Use Map contained within the Comprehensive Plan currently identifies this property as being designated for Technology/Light Industrial land uses which may include technology, research and development, office, and LI uses (e.g. light manufacturing & light assembly).
2. If approved, future site plan submittal and approval shall be required.
3. Any variance(s) to the SH-276 Overlay (SH-276 OV) District or any other section of the Unified Development Code (UDC) shall be considered at the time of site plan approval.
4. If approved, submittal and approval of engineering plans and a final plat shall be completed prior to the issuance of a building permit.
5. If approved, a final Plat shall be filed with Rockwall County prior to issuance of a Certificate of Occupancy (CO).
6. If approved, the development shall generally conform the the Concept Plan as depicted in the SUP ordinance.
7. Relabel "Preliminary Site Plan" to "Conceptual Site Plan."
8. Can you provide a larger scaled depiction of the site (i.e. buildings, parking area, etc.) that does not include that vacant portion of the property?
9. Provide a label on the lower right corner indicating "Case No. Z2017-019"
10. Once a draft ordinance has been provided to you, please red line any changes you feel may be necessary and return to me for review/updates as required.
11. Please remove the label "CMU Blockwith Brick Veneer" from the conceptual site plan.

The following are scheduled meetingdates that you and/or your representative(s) should attend regarding the zoning change request. All meeting will be held in the City's Council Chambers and begin at 6:00 p.m. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: May 30, 2017 (6:00p.m.) [Applicant to present case to P&Z for discussion].

Planning - Public Hearing: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, ordeny)

City Council - Pulblic Hearing: June 19, 2017 (6:00 p.m.) [1st Reading of SUP Ordinance]

City Council - Consent/Action Item: July 3, 2017 (6:00 p.m.) [2nd Reading of SUP Ordinance (if approved at 1st reading)]

THE COMPOUND AT ROCKWALL

May 12, 2017

City of Rockwall
Planning and Zoning Department
385 S. Goliad Street
Rockwall, Texas 75087

To Whom It May Concern:

Respectfully request that the tract located at 4827 SH 276, Rockwall, TX, further identified by the legal description as being located at A0034, JH Bailey, Tract 5 be rezoned for Commercial / Light Industrial usage.

The intended use of the tract is to build "The Compound at Rockwall", which will be an elite tactical training facility utilized to conduct trainings for civilians that empower them to take control of their personal safety and the safety of their families. The facility is also designed to provide developmental training for law enforcement agencies at the local, state, federal and military levels to enhance their skill set in order to better protect themselves, their colleagues, and most importantly the people that they are entrusted to serve and protect - us.

The estimated size of the facility is 60,000 square feet and is designed as an indoor, climate controlled, noise abated venue that utilizes next generation technology to provide tactical training skills that are in high demand by the general public, firearms enthusiasts, surrounding law enforcement agencies and other agencies nationwide.

This elite tactical training facility will feature a 4,000 square foot retail area, café, an Executive conference room, six (6) advanced immersive firearms training simulator (TACSIM) theaters, next technology training classrooms, tactical indoor climate controlled next generation ranges (25 yd and 101 yd), and a specialized gym for self defense and martial arts training.

Please feel free to contact me at (469) 608-0431 if you have any questions regarding this project.

Thank you in advance for your consideration regarding this matter.

Sincerely,

Clarence L. Jorif
President / CEO

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2017-019: The Compound at Rockwall

Hold a public hearing to discuss and consider a request by Clarence L. Jorif of The Compound at Rockwall on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/13/2017 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/19/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/19/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT ON A 20.00-ACRE TRACT OF LAND IDENTIFIED AS TRACT 5 OF THE J. H. BAILEY SURVEY, ABSTRACT NO. 34, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by Clarence L. Jorif of *The Compound at Rockwall* on behalf of the owner Tom Szoboszlay for the approval a change in zoning from an Agricultural (AG) District to a Light Industrial (LI) District for a 20.00-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, more fully described in *Exhibit 'A'* and as depicted in *Exhibit 'B'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same, are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agricultural (AG) District to a Light Industrial (LI) District; and

Section 2. That the *Subject Property* shall be developed and used only in the manner and for the purposes provided for in *Section 5.1* of *Article V*, *General Industrial District Standards*, *Section 5.3, of Article V*, *Light Industrial (LI*) *District Standards, and Section 6.14, SH-276 Overlay (SH-276 OV) District Standards,* of *Article V, District Development Standards;* of the *Unified Development Code* (*UDC*) of the City of Rockwall [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall

be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3rd DAY OF JULY, 2017.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 06/13/2017

APPLICANT: *Rockwall SIL, LLC*

AGENDA ITEM: **Z2017-020**; *Rockwall SIL (AG & C to PD)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

PURPOSE AND BACKGROUND:

On May 12, 2017, the applicant submitted an application requesting to rezone a 12.40-acre tract of land from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age restricted multi-family apartment complex that will consist of 174 units. The subject property, which was annexed into the City on June 20, 1959 and February 6, 1961 by *Ordinance No.'s 59-02 & 60-01*, is located north of the intersection of E. Yellow Jacket Lane and T. L. Townsend Drive, and is currently a vacant tract of land. In addition, the subject property is currently unplatted.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is eight (8) parcels of land zoned Commercial (C) District. Situated on these parcels are several multi-tenant office buildings and the Rockwall Central Appraisal District's (RCAD) office building. Beyond this is Justin Road, which is identified as a M4D (*i.e. major arterial, four [4] lane, divided roadway*) on the City's *Master Thoroughfare Plan*. Beyond this is a mini-warehouse facility (*i.e. Advantage Self Storage*), which is zoned Commercial (C) District.

South: Directly south of the subject property are two (2) parcels of land (*i.e. 9.7804-acres and 8.2983-acres*), which are occupied with a church and community garden (*i.e. First United Methodist Church*). Both of these parcels are zoned Commercial (C) District. Beyond this quasi-public use is E. Yellow Jacket Lane, which is identified as a M4D (*i.e. major arterial, four [4] lane, divided roadway*) on the City's *Master Thoroughfare Plan*.

East: Directly east of the subject property is T. L. Townsend Road, which is identified as a M4U (*i.e. major arterial, four [4] lane, divided roadway*) on the City's *Master Thoroughfare Plan.* Beyond this are a vacant 12.484-acre parcel of land -- *zoned Light Industrial (LI) District* -- and, a 41.649-acre parcel of land -- *zoned Agricultural (AG) District*. Situated on the 41.649-acre parcel of land is Herman E. Utley Middle School.

West: Directly west of the subject property are three (3) parcels of land *(i.e. AutoZone, Cole Mountain BBQ, and Rustic Warehouse*). All of these properties are zoned Commercial (C)

District and are situated within the SH-205 Overlay (SH-205 OV) District. Beyond these uses is SH-205 [*S. Goliad Street*], which is identified as a P6D (*i.e. principal arterial, six [6] lane, divided roadway*) on the City's *Master Thoroughfare Plan.*

CHARACTERISTICS OF THE REQUEST:

Along with the application, the applicant has submitted a concept plan, building elevations, and development standards for the proposed age restricted multi-family apartment complex. The concept plan shows that the proposed 174-unit age restricted apartment complex will consist of a four (4) story building composed of a total ~196,957 gross square footage. The proposed building design will incorporate a wrap-around architectural style with a courtyard and pool amenity in the center. The development will also include a five (5)-ft meandering walking trail, pavilion, putting green, and an indoor recreation area. Additional accessory uses listed in the ordinance (*i.e. barber and beauty shop, chapel, drug store, health studio, etc.*) will be available to the residents and not by the general public. The proposed multi-family complex will be highly articulated (*see the rendering contained within the attached packet*) and will meet the City's standards for building design and materials as outlined in the draft ordinance. A summary of the proposed product type and unit composition is as follows:

Unit Name	***Unit Type***	***Minimum Net Unit Area (SF)*** [1]	***Number of Units (#)***	***Total Area (SF)***	***Units as Percentage (%)***
A2	*1 Bedroom/1 Bathroom*	731 SF	60	43,860 SF	34.48%
A3	*1 Bedroom/1 Bathroom*	802 SF	32	25,664 SF	18.39%
A4	*1 Bedroom/1 Bathroom*	819 SF	14	11,466 SF	8.04%
A5	*1 Bedroom/1 Bathroom/1D*	963 SF	8	7,704 SF	4.60%
B1	*2 Bedroom/2 Bathroom*	1,284 SF	16	20,544 SF	9.20%
B3b-alt	*2 Bedroom/2 Bathroom*	973 SF	28	27,244 SF	16.09%
B4	*2 Bedroom/1 Bathroom*	923 SF	16	14,768 SF	9.20%
		Average Net Unit Area:		***~869 SF***	
		Maximum Permitted Units:	***174***		***100.00%***

The above unit composition equals a minimum unit size of ~869 SF. Based on the size of the *subject property* and the number of units proposed, the requested density will be 14 units per acre, meeting the standards established for a Multi-Family 14 (MF-14) District. However, the Future Land Use Map indicates the *subject property* to be zoned for commercial land uses. Based on the request for a high density development (*i.e. MF-14*) the Engineering Department has contacted the City's engineering consultant, Birkhoff, Hendricks & Carter, LLP to review the City's 2014 Wastewater Collection System Master Plan and determine the capacity necessary for the existing sanitary sewer system regarding the proposed planned development. Any zoning change proposing a more intense land use than what is depicted on the City's Future Land Use Plan could have implications for the City's existing infrastructure (*i.e. streets, water, and wastewater*) capacities. This development conforms to all other requirements of the Multi-Family 14 (MF-14) District.

Article VI, *Parking and Loading*, of the Unified Development Code (UDC) stipulates that multi-family apartment complexes be parked as follows: *[1]* one (1) bedroom or efficiency units require 1½ parking spaces per unit, *[2]* two (2) bedroom units require two (2) parking spaces per unit, and *[3]* three (3) bedroom units require 2½ parking spaces per unit. The applicant has indicated that the age restricted multi-family apartment complex will have one (1) and two (2) bedroom units only. This equates to 291 required parking spaces for the proposed development; however, the applicant is proposing a 1.25 spaces/unit for a total of 218 parking spaces. This will require approval of the Planning and Zoning Commission and City Council for the reduced number of parking spaces. It should be noted that the reduced parking total has been included in the draft ordinance and is considered to be condition of approval. The PD Concept Plan indicates that a mixture of 22 attached garages, 32 detached garages, 34 covered surface spaces, and 130 surface parking spaces will be utilized. The ratio of garages to parking units equals 54:218 or 24.77% of all parking spaces.

The building elevations submitted by the applicant show that the building will utilize a mixture of natural stone, brick, and HardiePlank lap siding on the exterior façades, and a composition shingled roof. In addition, the elevations conform to the four (4) sided architecture requirements stipulated by the SH-205 Overlay (SH-205 OV) District as required by the UDC. Staff has incorporated these elevations into the Planned Development District Ordinance, and general conformance to these elevations -- *pending a recommendation by the Architectural Review Board (ARB) at the time of site plan* -- is a requirement of the proposed zoning district.

With all this being said, staff has prepared a *Draft Ordinance* that includes all pertinent development standards and design guidelines based on the applicant's request. The *Draft Ordinance* is attached to this case memo for the City Council's review.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

Conformance with Policies and Guidelines

In reviewing the concept plan for conformance to the policies and guidelines of the Comprehensive Plan, staff made the following recommendations to the applicant:

1) *Retail areas should be pedestrian-oriented and easily accessible to adjacent residential neighborhoods [Land Use; Page 13; Policy #4].*

Currently, the applicant's PD Concept Plan shows a 5-ft meandering walking trail connected from the courtyard and leading to the western portion of the property. The applicant has stated that his intent is to create a private park within the community and that the development will include a six (6)-ft fence along the north, south and west property boundaries. With this being said, the applicant is not proposing a sidewalk or tail extension to the west or southwest portions of the property connecting to the retail areas.

Conformance with the Future Land Use Map

The Future Land Use Map, contained within the Comprehensive Plan, designates the subject property for *Commercial* land uses. Staff has verified that this designation has existed since at least 1995 (*the subject property was designated as Commercial/Office on the 1986 Future Land Use Map*). The proposed development would require this designation to be changed to a *High Density Residential* designation, which the Comprehensive Plan defines as any use that exceeds three (3) units per acre. In addition, the Comprehensive Plan states that "(h)igh density residential should be used as a transitional use from commercial (or existing retail) use, or where it will serve as a logical extension of an existing high density development." (*Land Use; Page 17; Policy #9.e*) In this case, the proposed subject property and zoning change does appear to conform to the majority of the Comprehensive Plan's policies and guidelines with regard to the *High Density Residential* designation. With this being said, the density being proposed and any change to the *Future Land Use Map* is a discretionary decision for the City Council. Should the City Council approve the applicant's request, staff has included a condition of approval that would amend the Future Land Use Map to reflect the proposed change in land use from a *Commercial* designation to a *High Density Residential* designation.

NOTIFICATION:

On May 17, 2016, staff mailed 34 notices to property owners and residents within 500-feet of the subject property. There is no HOA/Neighborhood Organizations within 1500-feet participating in the notification program. Additionally, staff posted a zoning sign along T. L. Townsend Drive, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted, staff has received four (4) notices in favor, one (1) notice opposed, and one (1) email opposed to the applicant's request.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to recommend approval of the applicant's request to rezone the subject property from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age restricted apartment complex, then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance;

2) By approving this zoning change, the City Council will effectively be approving changes to the Comprehensive Plan and Future Land Use Map. Specifically, this will change the designation of the subject property from a *Commercial* designation to a *High Density Residential* designation; and,

3) Any construction resulting from the approval of this *zoning change* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

(6/7/2017 10:12 AM AW) - The existing sewer system that flows to Squabble Creek Treatment Plant was not designed for this increase in land use. The existing sanitary sewer doesn't have capacity for this increased density. - The runoff coefficient for the proposed site is to be .75 for the entire site. Runoff coefficients are by zoning not land type.

PLANNING COMMENTS - DAVID GONZALES - 06.07.2017 ** Planning Staff general comments to be included as conditions of approval: ** 1. The Future Land Use Map contained within the Comprehensive Plan currently identifes this property as being designed for Commercial land uses. The proposec use requries the City Council to amend the Future LandUse Map to relect a High Density Residential land use designation. This will be listed as a condition of approval. ** 2. The following is a Comprehensive Plan (plan) policy that has not been satisfied or could benefit from clarification: (a) The Comprehensive Plan stipulates that "(r)etail areas should be pedestrian-oriented and easily accessible to adjacent residential and commercial neighborhoods." In this case, trials and sidewalks could be used to allow pedestrian trafic to circulate to the adjacent restaurants west/southwest of the subject property. A request to waive this requirement by the City Council may be approved through the PD Ordinance. *** REQUEST BY APPLICANT TO WAIVE *** **3. The property is within Park District No. 32. Parks fees for cash in lieu land and pro-rata equipement fees will be due at the time of final plat (fees are subject to change). The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD request. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with thePlanning Department at 972-771-7745. Meeting Dates to Attend: Planning - Public Hearing: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.) City Council - Pulblic Hearing: June 19, 2017(6:00 p.m.) [1st Reading of PD Ordinance] City Council - Concent/Action Item: July 3, 2017 (6:00 p.m.) [2nd Reading of PD Ordinance (if approved at 1st reading)]

Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 05.22.2017

All staff comments are to be addressed and resubmitted by Tuesday, June 6, 2017. Please provide two large copies [FOLDED] and one PDF version for a subsequent review by staff:

Planning Department General Comments to be addressed are as follows:

• On all future submittals please include the Case Number (Z2017-020) in the lower right hand corner.

• All exterior signage requires submittal and approval of a separate building permit and does not confer approval based on the submitted plan or statements.

• Any detached garage or carport beyeond the front facade of the building and/or visible from T.L. Townsend Drive must be screened (with landscaping).

• When provided, please review the Draft Ordinance prior to the Planning & Zoning public hearing scheduled for June 13, 2017 and return to staff with red lined corrections and/or additions you feel may be necessary.

• Regarding the proposed PD Development Standards: Additional Engineering comments to be addressed:
a) No. 11 - Trash receptacles and recycling receptacles - Required to drain to an oil/water separator.
b) No. 13(b) - Post-Development (i) 0.75 - Required for the entire lot.

• Architectural Standards - the proposed written standards do not meet the City's minimum standards.

Please make the following corrections/additions to the Concept Plan:

(1) Provide a legend indicating the following at a minimum:
a. Total Acres – #
b. Total Open Space - %
c. Total Number of Dwelling Units (per gross acre)
d. Maximum Density - # d.u/acre (gross)
e. Number of Bedrooms (# of 1 bedroom; # of 2 bedrooms, etc.)
f. Average Unit Size = XXX sq. ft. (include break-out of each unit type's square footage)

(2) Provide % of open space and label for each separate area on the concept plan (i.e. detention areas, landscape buffers, park area, etc.).
(3) Provide labels for all landscaped buffer area's (TL Townsend, North & West Property lines).
(4) Re-label access drive as "24-ft Firelane, Public Access, Drainage & Utility Easement" as appropriate.
(5) Remove the zoning labels from theConcept Plan [e.g. commercial, agricultural, light industrial, etc.] for all properties.
(6) Remove the labels indentifyingeach tree on the western portion of the property. These will be identified during the treescape plan process.

(7) Are the "Permitted Uses" under B. Land Uses Allowed, 2. Permitted accessory uses, of the proposed PD Development Standards within the facility? Will these be open to the general public? or are these the significant facilities and services identified in B, 1, iv?
(8) If masonry is defined as 60%, what are the other materials are being used on the structure? Provide exterior material calculations for each facade on building elevations. City standards require a minimum of 90% masonry materials. Provide a materials sample board for review.
(9) Parking Required:
a) Revise Handicap parking to be a minimum of 7 spaces (not 2%) per Art. VI, Sec. 5.4.A.
b) Provide % of total parking for attached garages, detached garages, and carports.

** Planning Staff additional comments:

** 1. The Future Land Use Map contained within the Comprehensive Plan currently identifes this property as being designed for Commercial land uses. The proposec use requries the City Council to amend the Future LandUse Map to relect a High Density Residential land use designation. This will be listed as a condition of approval.

** 2. The following is a Comprehensive Plan (plan) policy that has not been satisfied or could benefit from clarification:

(a) The Comprehensive Plan stipulates that "(r)etail areas should be pedestrian-oriented and easily accessible to adjacent residential and commercial neighborhoods." In this case, trials and sidewalks could be used to allow pedestrian trafic to circulate to the adjacent restaurants west/southwest of the subject property. A request to waive this requirement by the City Council may be approved through the PD Ordinance.

**3. The property is within Park District No. 32. Parks fees for cash in lieu land and pro-rata equipement fees will be due at the time of final plat (fees are subject to change).

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD request. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with thePlanning Department at 972-771-7745.

Meeting Dates to Attend:

Planning - Work Session: May 30, 2017 (6:00p.m.) [applicant to present case to P&Z for discussion].

Planning - Public Hearing: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)

City Council - Pulblic Hearing: June 19, 2017(6:00 p.m.) [1st Reading of PD Ordinance]

City Council - Concent/Action Item: July 3, 2017 (6:00 p.m.) [2nd Reading of PD Ordinance (if approved at 1st reading)]

Re: Letter of Intent – Planned Development for Rockwall SIL on North T. L. Townsend Drive
(4-story Senior Independent Living Community containing 212 units)

To Planning and Zoning Department:

Our Client, Rockwall SIL, LLC, would like to submit a zoning change application for a 12.4 acre planned development (PD) that would allow development of a 4-story senior independent living community with 212 units in the City of Rockwall. The subject property is bounded by North T.L. Townsend Drive to the northeast, office/commercial uses to the northwest, an Auto Zone and commercial uses to the southwest, and vacant land to the southeast owned by the First United Methodist Church.

The southwest portion of the site is currently zoned Commercial (C). The remainder is zoned Agricultural (AG). We are requesting that the site be re-zoned as a Planned Development for use as a senior independent living community (age restricted to 55 years of age or older). The proposed PD will be developed in one (1) phase and consist of 4-story building(s) with 212 total units. There will also be some attached garages and detached garages and covered parking available for the residents. The west portion of the site will be maintained as a private open space area to preserve existing quality trees, provide onsite storm water detention and provide the residents' an active functional recreational area. The private open space shall include 5' meandering walking trails around the detention pond areas and through the existing stand of native trees. Other amenities within the site will include, but not limited to, a swimming pool, a pavilion, putting green and indoor recreation area.

Attached with this letter are the following: (1) Completed Development Application for zoning change, (2) Check for $386 for zoning change application fee, (3) PD Concept Plan, (4) PD Development Standards, (5) Property Description of PD area, (6) Location Map with aerial photograph and PD Boundary Overlay, and (7) Typical Building Elevations for city review and comment. Should you have any questions, please feel free to contact me at 281.980.7705, extension 6301.

Respectfully submitted,
Burgess & Niple, Inc.

Does Rockwall really need or want any more Apartments of any kind? I sure don't. Why can we not be more restrictive like Heath?

This will be a wonderful addition to the city as it is not simply an apartment complex, but an age restricted luxury living resort for our senior citizens with fabulous amenities. The outdoor amenities include acres of walking trails and an environmentally friendly wildflower garden designed with the assistance of the Lady Bird Johnson Wildflower Center. The resort is perfectly located within easy walking distance to a church, an aquatic center, and a public library.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2017-020: Rockwall SIL (AG to PD)

Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.59-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/13/2017 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/19/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/19/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CASE NUMBER: (Z2017-020)

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-XX) TO ALLOW AN AGE RESTRICTED MULTI-FAMILY APARTMENT COMPLEX ON THE SUBJECT PROPERTY, BEING A 12.40-ACRE TRACT OF LAND IDENTIFIED AS TRACT 8 OF THE B. J. T. LEWIS SURVEY, ABSTRACT NO. 255, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Rockwall SIL, LLC on behalf of Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for an age restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of

approval of the amended zoning classification for the *Subject Property*;

Section 4. That development of the *Subject Property* shall generally be in accordance with the *Concept Building Elevations*, contained in *Exhibit 'D'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'D'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 5. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City Council, as amended by this ordinance (*including Subsections 5(b) through 5(e) below*), shall be the exclusive procedures applicable to the subdivision and platting of the *Subject Property*.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) PD Site Plan
(2) Open Space/Amenity Plan
(3) Final Plat

(c) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall include a *Site Plan*, *Building Elevations*, *Treescape Plan*, *Landscape Plan* and a *Photometric Plan*. A *PD Site Plan* application may be processed by the City concurrently with an *Open Space/Amenity Plan* for the development.

(d) *Open Space/Amenity Plan.* An *Open Space/Amenity Plan* covering all of the *Subject Property* shall be submitted and shall include a detailed depiction of all proposed public and private amenities. An *Open Space/Amenity Plan* may be processed by the City concurrently with a *PD Site Plan Application* for the development.

(e) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat* for the *Subject Property* shall be submitted for approval.

Section 6. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 7. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 8. The standards in this ordinance shall control in the event of a conflict between

this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 9. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3RD DAY OF JULY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

DRAFT

Exhibit 'A':
Legal Description

LEGAL DESCRIPTION: Being a tract of land out of the B. J. Lewis Survey, Abstract No. 225 and situated in the City of Rockwall, Rockwall County, Texas, and surveyed by Miller Surveying, Inc. of Hurst, Texas, in March 2017, said tract being the same tract of land described in the deed to BCR Family Land Trust recorded in Document No. 2012-00480248, of the Official Public Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a ½ inch capped steel rod found for the most easterly corner of said Cameron tract, said rod being in the southwesterly right-of-way line of North T. L. Townsend Drive, and being the most northerly corner of Lot 8, Block 1, First United Methodist Church Addition, an addition to the City of Rockwall, Rockwall County, Texas, recorded in Cabinet I, Slide 107, of the Plat Records of Rockwall County, Texas;

THENCE South 44 degrees 10 minutes 16 seconds West with the northwesterly boundary line of said Lot 8, a distance of 1098.41 feet to a ½ inch capped "MILLER 5665" steel rod set for the most westerly corner thereof, and also being in the northeasterly boundary line of the same tract of land described in the deed to Teasdale Investments, LLC., recorded in Volume 2015, Page 10884, of the Deed Records of Rockwall County, Texas;

THENCE North 43 degrees 14 minutes 26 seconds West with the northeasterly boundary line of said Teasdale tract a distance of 181.41 feet to a ½ inch capped steel rod found for the most northerly corner of the said Teasdale tract;

THENCE South 44 degrees 07 minutes 44 seconds West a distance of 59.65 feet to a ½ inch capped steel rod found;

THENCE North 44 degrees 03 minutes 31 seconds West a distance of 99.90 feet to a cross in concrete set;

THENCE North 44 degrees 52 minutes 20 seconds East a distance of 103.71 feet to a ½ inch capped steel rod found;

THENCE North 20 degrees 26 minutes 34 seconds West a distance of 126.60 feet to a ½ inch capped steel rod found for the most southerly corner of Lot 5-R, Block A, Justin Drive Professional Park, LTD, an addition to the City of Rockwall, Rockwall County, Texas recorded in Cabinet E, Slide 228 of the Plat Records of Rockwall County, Texas;

THENCE North 28 degrees 27 minutes 41 seconds East with the southeasterly boundary line of said Block A a distance of 594.16 feet to a cross in concrete found for an angle point therein;

THENCE North 46 degrees 06 minutes 22 seconds East continuing with said southeasterly boundary line a distance of 430.00 feet to a ½ inch capped "MILLER 5665" steel rod set for the most easterly corner of Lot 1A-R, Block A, Lofton Industrial Park Addition, an addition to the City of Rockwall, Rockwall County, Texas recorded in Cabinet E, Slide 318 of the Plat Records of Rockwall County, Texas, said rod being in the said southwesterly right-of-way line of North T. L. Townsend Drive;

THENCE South 43 degrees 33 minutes 08 seconds East with said southwesterly right-of-way line a distance of 288.96 feet to a ½ inch capped "MILLER 5665" steel rod set;

THENCE South 45 degrees 30 minutes 06 seconds East continuing with said southwesterly right-of-way line a distance of 251.77 feet to the point of beginning and containing 12.400 acres of land more or less.

Exhibit 'B':
Concept Plan

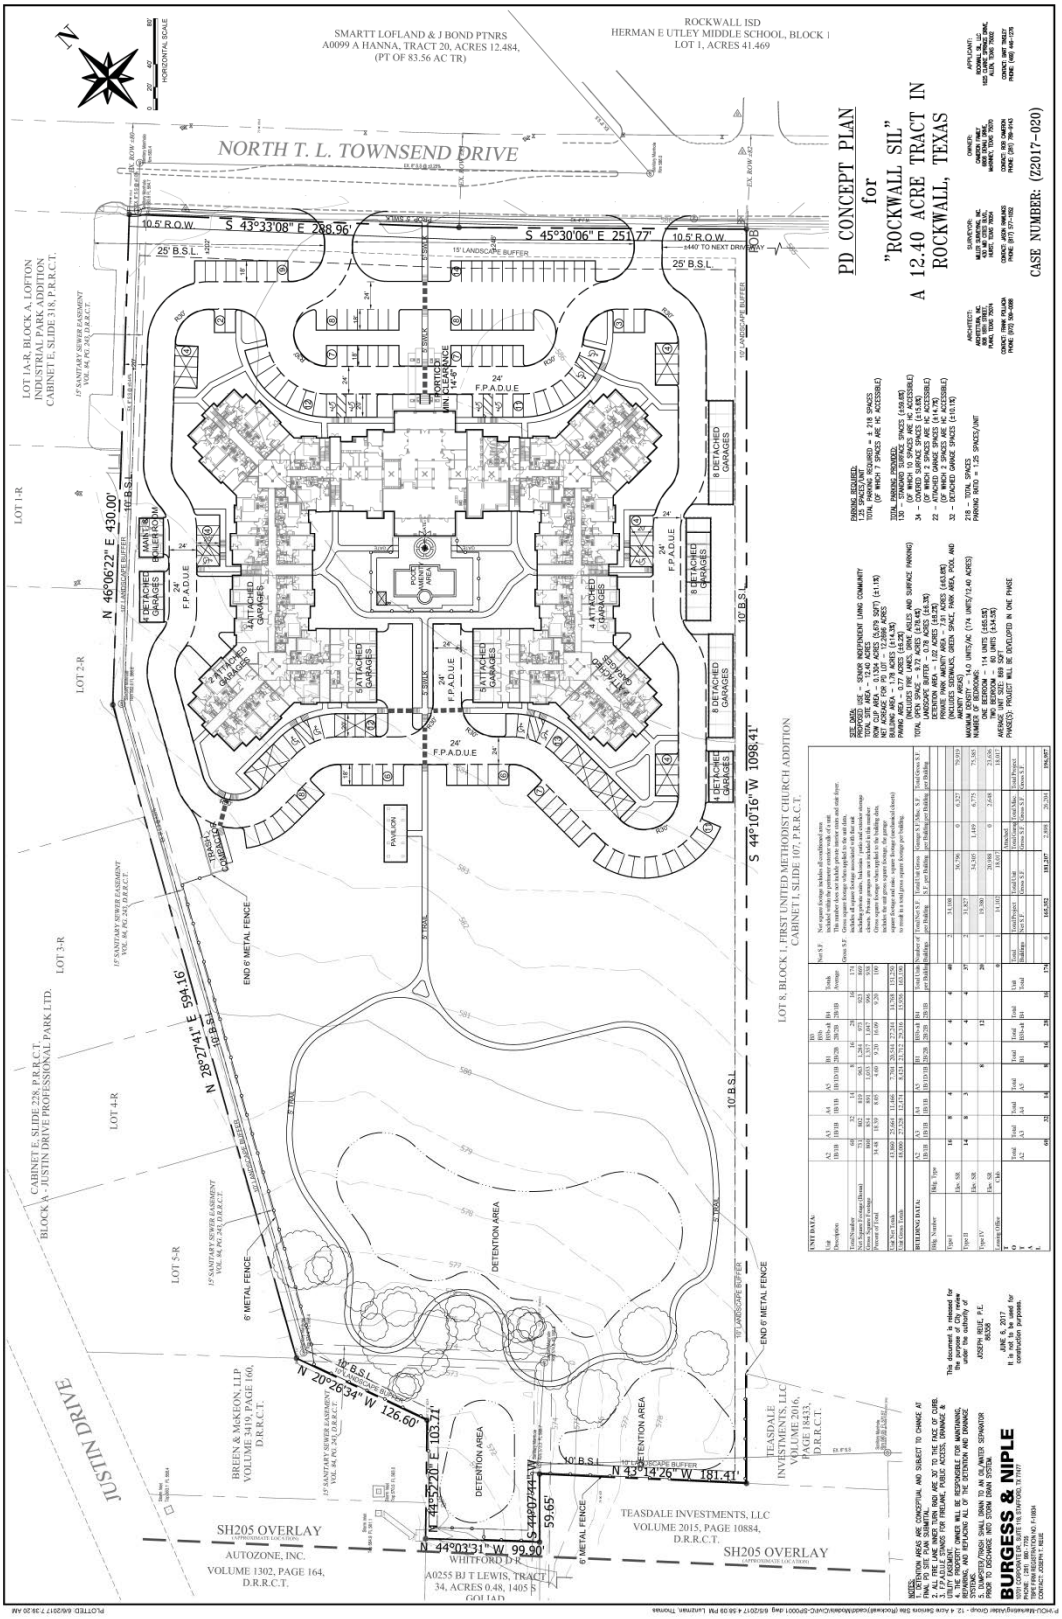

Exhibit 'C':
Development Standards

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Multi-Family 14 (MF-14) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*; however, the subject property shall only be used as an *Age Restricted, Independent Senior Housing Facility* allowing for the units being occupied by at least one (1) person who is fifty-five (55) years of age or older, or handicapped and with the following permitted accessory uses:

    - ☑ Barber and Beauty Shop
    - ☑ Cafeteria/Common dining facilities
    - ☑ Chapel
    - ☑ Community Center
    - ☑ Drug Store / Pharmacy
    - ☑ Exercise Room
    - ☑ Game Court / Gaming Room
    - ☑ Greenhouse
    - ☑ Handcrafted art work studio
    - ☑ Health Studio
    - ☑ Instructional Art Studio
    - ☑ Medical Treatment Services (such as a medical clinic, physical therapy services, inhalation therapy, and other related uses)
    - ☑ Office
    - ☑ Private recreation club or area
    - ☑ Retail Store (food and other goods)
    - ☑ Snack Bar
    - ☑ Swimming pool

    NOTE: Accessory uses are intended to be used by the residents of the proposed Age Restricted, Independent Senior Housing Facility and shall not be utilized by the general public.

2. *Unit Composition.* The unit composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1* below; however, in no case should the minimum size unit be less than 700 square feet and the average net unit area decrease below 800 square feet.

    Table 1: Unit Composition

Unit Name	*Unit Type*	*Minimum Net Unit Area (SF)* [1]	*Number of Units (#)*	*Total Area (SF)*	*Units as Percentage (%)*
A2	*1 Bedroom/1 Bathroom*	731 SF	60	43,860 SF	34.48%
A3	*1 Bedroom/1 Bathroom*	802 SF	32	25,664 SF	18.39%
A4	*1 Bedroom/1 Bathroom*	819 SF	14	11,466 SF	8.04%
A5	*1 Bedroom/1 Bathroom/1D*	963 SF	8	7,704 SF	4.60%
B1	*2 Bedroom/2 Bathroom*	1,284 SF	16	20,544 SF	9.20%
B3b-alt	*2 Bedroom/2 Bathroom*	973 SF	28	27,244 SF	16.09%
B4	*2 Bedroom/1 Bathroom*	923 SF	16	14,768 SF	9.20%
		Average Net Unit Area:		*~869 SF*	
		Maximum Permitted Units:	*174*		*100.00%*

    General Notes:
    [1]: The net square footage includes only air-condition space and is exclusive of patios, balconies and exterior storage areas.

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Multi-Family 14 (MF-14) District and the SH-205 Overlay (Sh-205 OV) District, as specified by Article V, *District Development Standards*, of the Unified Development Code are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed 14.0 dwelling units per gross acre of land; however, in no case

should the proposed development exceed 174 dwelling units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Minimum Lot Width	60'
Minimum Lot Depth	100'
Minimum Lot Area	10,000 SF
Minimum Lot Area/Unit	2,000 SF
Minimum Front Yard Building Setback	25'
Minimum Side Yard Building Setback	10'
Minimum Rear Yard Building Setback	10'
Minimum Front Yard Carport/Parking Setback	15'
Minimum Side Yard Carport/Parking Setback	10'
Minimum Rear Yard Carport/Parking Setback	10'
Minimum Separation Between Main Buildings [1]	20'
Minimum Separation Between a Main Structure to an Accessory Structure	10'
Maximum Height [2]	62'
Maximum Lot Coverage	45%
Minimum Landscape	20%
Minimum Open Space [3]	20%

General Notes:

[1]: The minimum separation between two (2) buildings without doors or windows on facing walls shall be a minimum of 15-feet.

[2]: The height of the building shall be measured from the average elevation of the finished grade along the front of the building to the highest point of the roof, roof element, or parapet of the building if it is a flat, mansard or shed roof; or to the midpoint of the roof if it is gable, hip or gambrel roof. Maximum height shall not exceed *4-stories* or *62-feet* overall height.

[3]: The minimum open space area will be calculated based on the gross area of the lot, and will include both active and passive recreational areas.

4. *Parking and Loading Standards.* The parking and loading requirements shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'*, and equal a minimum of 1.25 parking spaces per residential unit.

Table 3: Parking Provided

Parking Type	*Number of Units (#)*	*Units as Percentage (%)*
Surface Parking Spaces	130	59.6%
Covered Parking Spaces	34	15.6%
Attached Garages	22	14.7%
Detached Garages	32	10.1%

Total Number of Parking Spaces: *218*

5. *Building Standards.* The building elevations shall generally conform to the *Concept Building Elevations* depicted in *Exhibit* 'D'; however, all development shall adhere to the following building standards:

(a) *Masonry Requirements.* The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*) may be used for up to 50% of the exterior of the building; however, stucco may not be used within the first four (4) feet above grade on a façade visible from a public street or open space. A minimum of 20% natural stone is required on all building façades.

(b) *Roof Design Requirements.* All buildings shall be designed such that no roof mounted mechanical equipment (*i.e. HVAC, satellite, vents, etc.*) shall be visible from any

direction. *Note: Screening of mechanical equipment is necessary for all equipment regardless of location (i.e. roof mounted, ground mounted, or otherwise attached to the building and/or located on the site).*

Screening of roof mounted mechanical equipment and/or other rooftop appurtenances shall be accomplished through the construction of an architectural feature, which is integral to the building's design and ensures that such equipment is not visible from adjacent public rights-of-way.

(c) *Architectural Requirements.* All buildings shall be architecturally finished on all four (4) sides with the same materials, detailing and features. In addition, all buildings shall be subject to the architectural requirements of the SH-205 Overlay (SH-205 OV) District contained in Section 6, *Overlay Districts*, of Article V, *District Development Standards*, of the Unified Development Code.

6. *Landscaping and Hardscaping Standards*.

(a) *Landscape Requirements.* Landscaping shall be reviewed and approved with the *PD Site Plan*. All *Canopy/Shade Trees* planted within this development shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in height at the time of planting. The following tree species are approved for planting within this development:

i) *Canopy/Shade Trees*. Afghan Pine, Bald Cypress, Bur Oak, Cedar Elm, Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia, Live Oak, October Glory Maple, Red Oak, Texas Ash, Texas Red Oak.

ii) *Accent/Ornamental/Under-Story Trees*. Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.

(b) *Landscape Buffers.* A minimum of a fifteen (15) foot landscape buffer shall be provided along the frontage of T. L. Townsend Drive and a minimum of a ten (10) foot landscape buffer along the perimeter of the north, south, and west property boundaries. Each landscape buffer shall incorporate a minimum of one (1) canopy tree per 50-feet linear feet of buffer area. The buffer trees along the north property line shall be located a minimum of 15-feet south of the north property line to avoid conflict with existing 15-feet sanitary sewer easement. The developer shall also be responsible for the construction of sidewalks and trails required along T. L. Townsend Drive.

(c) *Parking Lot Landscaping.* All parking lot landscaping shall conform to the requirements of Article VII, *Landscape Standards*, of the Unified Development Code with the exception of the following:

i) One (1) canopy tree per ten (10) parking spaces shall be provided. Trees shall be planted within the required parking islands or within 20-feet of a parking space.

ii) Parking island shall be provided at a spacing not exceed a maximum distance of 20 parking spaces.

iii) No tree may be planted closer than 2½ feet to the pavement.

(d) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect.

(e) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the *PD Site Plan* and/or *Opens Space/Amenity Plan*.

7. *Trash Receptacles.* Trash and recycling receptacles shall be four (4) sided, with eight (8) foot walls constructed and cladded with materials matching the primary structures, and have a self-latching gate. All trash and recycling receptacles shall be internal to the site and not be situated within any established building setbacks or landscape buffers.

8. *Fence Standards*. Fences located along the north, south, and west property boundaries as shown on the Planned Development Concept Plan depicted in *Exhibit 'B'* of this ordinance shall be required to be wrought iron or a tubular steel fence. Wrought iron/tubular steel fences can be a minimum of six (6) feet, but shall not exceed a maximum of eight (8) feet in height.

9. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Korey Brooks, *Planner*

CC: Ryan Miller, *Director of Planning and Zoning*

DATE: June 13, 2017

SUBJECT: Z2017-021; *Pinnacle Montessori of Rockwall-(Zoning Change-RO to GR)*

The applicant Alex Freeman of Pinnacle Montessori Franchise Co. has requested to withdraw Case No. Z2017-021 (see Exhibit '*A*'). According to Section 5, Application Withdrawal, of the Article II, Authority and Administrative Procedures, of the Unified Development Code (UDC), any case that has been published in the paper and notifications of a public hearing sent out must be placed on the public hearing agenda and acted upon by the applicable body.

Brooks, Korey

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: June 13, 2016

SUBJECT: Changes to 205 By-Pass Overlay (205 BY-OV) District

On May 15, 2017, the City Council directed staff to bring forward changes to Section 6.10, *205 By-Pass Corridor Overlay (205 BY-OV) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) for the purpose of changing the residential lot layouts for properties that have direct frontage on John King Boulevard. This direction was the result of a work session that was held on May 1, 2017. At this work session, the City Council directed staff to prepare several options intended to mitigate the visibility and sound of traffic along John King Boulevard for future residential properties fronting onto the thoroughfare. As a result of this direction, staff has prepared the attached text amendment, which creates four (4) options -- *that can be combined with the already required 50-foot landscape buffer* -- that will increase the separation between John King Boulevard and any residential structure to a minimum of 100-feet. These options are: [*1*] increased landscape buffer of 100-feet, [*2*] increased rear yard building setback of 50-feet for properties backing to John King Boulevard, [*3*] the incorporation of a slip street with minimum of 50-feet of right-of-way, and [*4*] the incorporation of an eyebrow street with a 30-foot landscape buffer and 25-foot front yard building setback. In addition, staff has added language that lays out the purpose of the required berm, and creates a stipulation that requires additional screening in the landscape buffer if the berm is deemed insufficient to screen traffic along John King Boulevard. Since the work session on May 30, 2017, staff has incorporated images depicting these two (2) requirements into the draft ordinance in conformance with the City Council's direction. The Planning and Zoning Commission will be required to make a determination if the screening is sufficient at the time of site plan. Finally, staff has made miscellaneous changes to the document for the purpose of clarifying certain sections, and carried the changes over to Appendix 'F', *Landscaping Requirements and Guidelines*, of the UDC for continuity purposes. A copy of the code with revisions depicted in *RED* and a draft ordinance has been included with this memorandum.

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff is bringing the proposed amendments forward to the Planning and Zoning Commission for a recommendation to the City Council. The schedule for this text amendment is as follows:

Planning and Zoning Commission [Public Hearing]: June 13, 2017
City Council [Public Hearing/1st Reading of the Ordinance]: June 19, 2017
City Council [2nd Reading of the Ordinance]: July 3, 2017

Staff sent out a 15-day notice to the Rockwall Harold Banner which was posted on *June 19, 2017* in accordance with all applicable state laws and Section 6.1 of Article II, *Authority and Administrative Procedures*, of the UDC. If the Planning and Zoning Commission has any questions, staff will be available at the work session to discuss.

Sec. 6.10. 205 By-Pass Corridor Overlay (205 BY-OV) District.

A. *Purpose.* The intent of the 205 Bypass Corridor Overlay District is to provide for consistent development of office, retail and commercial areas in concert with the most efficient and aesthetically pleasing appearance of the frontage which serves as the initial impression to those visiting, as well as to those passing through, the City of Rockwall area. In order to ensure that the visual impact of development does not detrimentally affect the area in which it is proposed, landscaping plans, building elevations and site plans are required. Architectural compatibility and plan review shall be conducted through an architectural review committee. These development requirements shall apply to nonresidential and multi-family uses only. All other residential uses shall be excluded from these standards except has otherwise stated.

B. *Application and boundaries.* The 205 Bypass Corridor Overlay District includes the entirety of all properties which adjoin or are located within 500 feet of the current and future right-of-way of John King Blvd. The 205 Bypass Corridor Overlay Zone extends along the current and future right-of-way of John King Blvd. to the existing city limits. The standards and regulations set forth in the 205 Bypass Corridor Overlay District are superimposed and shall supersede the standards and regulations of any underlying zoning district which are in conflict.

C. *Architectural standards.*

1. Masonry requirements. Each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, as defined in article XIII, Definitions, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, including a minimum of 20 percent natural or quarried stone.

   (a) Primary exterior materials shall include natural or quarried stone, brick, glass block or glass, tile, cast metal and custom concrete masonry units. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the building's exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality and durability. However, stucco may not be located in the first four feet above grade on a facade visible from a street or public area. Each elevation's masonry requirement shall incorporate accent bricks or stones. As the term is used, an "accent brick or stone" is one that provides a contrast by color, shape, size, and/or texture to the field of primary bricks or stones in an elevation. Additionally, the Planning and Zoning Commission may consider the use of high quality manufactured or cultured stone if the following standards of manufacturing and warranty apply to the product;

      - ☑ That the manufacturing molds should be made from actual stones and each piece should complement each other having the right shape, texture, size and detail of natural stone;
      - ☑ That the overtones of color should be integrated into the stone during the molding process, while the base color of the stone is blended entirely throughout;
      - ☑ That highly skilled artisans should be utilized to hand paint each piece in order to give each stone depth and variation of color;
      - ☑ That the use of the highest quality synthetic mineral oxides should be used to infuse the surface with rich, authentic tones; and
      - ☑ That the manufactured stone product shall have a minimum warranty of 75 years.

   (b) Secondary materials used on the facade of a building are those that comprise less than ten percent of an elevation area. Permitted secondary materials are all primary materials, aluminum or other metal, EIFS, cast stone, cultured stone or other materials as approved by the director of planning or his designee.

2. Roof design standards. Rooftop mechanical equipment and other appurtenances must be properly screened. All structures having a footprint of 6,000 square feet or less shall be constructed with a pitched roof system. Those structures having a footprint greater than 6,000 square feet shall be constructed with either a pitched, parapet, or mansard roof system (enclosed

on all sides). Standing seam metal roofs shall be constructed of a factory-finish. Metal roofs with lapped seam construction, bituminous built-up roofs, and flat, membrane-type roofs which are visible from adjacent public right-of-way shall be prohibited.

3. Mechanical equipment screening. All buildings must be designed such that no mechanical equipment, HVAC, or satellite dishes shall be visible from any direction. This shall include equipment located on the roof, on the ground, or otherwise attached to the building or located on the site.

   Screening of rooftop mechanical equipment and/or other rooftop appurtenances screening shall be accomplished by either:

   (a) The construction of the roof systems described in subsection C.2 above; or
   (b) An architectural feature which is integral to the building's design and ensures that such equipment is not visible from adjacent public right-of-way.

   The fencing or enclosing of individual mechanical units shall not be permitted except as described above.

   All rooftop mechanical equipment or architectural features described herein shall be shown on the required building elevations and submitted along with the site plan for approval.

4. All buildings shall be designed to incorporate no less than four of the architectural elements listed below. Buildings over 50,000 square feet must include a minimum of six of the referenced architectural elements. Buildings over 100,000 square feet must include a minimum of seven of the referenced architectural elements:

   ☑ Canopies, awnings, or porticos;
   ☑ Recesses/projections;
   ☑ Arcades;
   ☑ Peaked roof forms;
   ☑ Arches;
   ☑ Outdoor patios;
   ☑ Display windows;
   ☑ Architectural details (such as tile work and moldings) integrated into the building facade;
   ☑ Articulated ground floor levels or base;
   ☑ Articulated cornice line;
   ☑ Integrated planters or wing walls that incorporate landscape and sitting areas;
   ☑ Offsets, reveals or projecting rib used to express architectural or structural bays;
   ☑ Varied roof heights; or
   ☑ Other architectural features approved by the director of planning or his designee.

5. All retail/commercial buildings shall be architecturally finished on all four sides with the same materials, detailing, and features with one row of trees planted on the perimeter behind the building.

6. Windows shall have a maximum exterior visible reflectivity of 20 percent. Color of glass shall be reviewed and approved by the director of planning or his designee.

7. All buildings within a common retail/commercial development, as shown on a concept plan or site plan, shall have similar architectural styles, materials, and colors.

   (a) Conceptual facade plans and sample boards shall be submitted with the site plan application for all nonresidential uses. The purpose of the conceptual facade plan is to ensure consistency and compatibility for all buildings within a single development. Facade plans will be used only to ensure minimum standards are met.

8. Corporate identities that conflict with the building design criteria shall be reviewed as a variance as defined in this section and reviewed on a case-by-case basis by the planning and zoning commission and approved by the city council.

D. Site design standards.

1. *Building setback.* All lots within the 205 Bypass Corridor Overlay District shall maintain the following minimum front yard building setbacks:

~~Residential.~~
~~SH 205 (South) to SH 276: 25 feet.~~
~~SH 276 to I-30: 25 feet.~~
~~I-30 to Quail Run Road: 25 feet.~~
~~Quail Run Road to SH 205 (North): 30 feet.~~

Retail/Commercial~~.~~: 15-Feet
~~SH 205 (South) to SH 276: 15 feet.~~
~~SH 276 to I-30: 15 feet.~~
~~I-30 to Quail Run Road: 15 feet.~~
~~Quail Run Road to SH 205 (North): 15 feet.~~

Industrial/Office/Technology~~.~~: 50-Feet
~~SH 205 (South) to SH 276: 50 feet.~~
~~SH 276 to I-30: 50 feet.~~
~~I-30 to Quail Run Road: 50 feet.~~
~~Quail Run Road to SH 205 (North): 50 feet.~~

All other building setback regulations shall be the same as set forth in the underlying zoning district except as otherwise noted herein.

2. *Parking area restrictions.* No more than two rows of parking, approximately 60 feet in width, shall be allowed between the primary building and the John King Blvd. right-of-way.

3. *Access/ingress/egress.* To minimize potential vehicular and pedestrian conflicts particular attention must be given to the location of median breaks along major thoroughfares, number and location of entry/exit drives, design of entry/exit drives in relationship to the parking areas, and sight distances. In addition:

(a) Driveways should typically be spaced a minimum of 100 feet from the intersection of a major thoroughfare or as per the Texas Department of Transportation on state maintained roads;
(b) The ingress and egress drives shall have a minimum radius of 30 feet;
(c) Driveways should maintain an appropriate sight distance triangle at all perimeter entrances and exits;
(d) Main entrance drives should generally be located at median breaks providing left turn access to and from the site;
(e) Main entrance drives should connect to a "straightaway" aisle that does not dead end or require an immediate turn to approach the main building;
(f) Aisles intersecting with entrance drives should be spaced at a minimum of 20 feet from the property line to provide for smooth turning movements.

4. *Cross access.* Cross access easements may be required by the city council at the time of the site plan approval to ensure access to future median breaks and to reduce the number of needed curb cuts.

5. *Shared parking.* In master planned retail centers, cross access and shared parking agreements are required for final platting.

6. *Loading and service areas.* Loading and service areas shall be located on the rear and side of buildings whenever possible. In the event that a loading or service area faces John King Blvd., additional screening of the area may be required. A minimum ten-foot solid screening wall shall

be required to screen views of loading docks and loading spaces intended for tractor/semitrailer delivery from any public right-of-way. This ten-foot wall must screen the entire loading dock or space. Screening materials shall utilize similar masonry materials to the front facade. The accommodation of adequate access for service delivery trucks may be evaluated to determine the extent of screening required.

7. *Trash receptacles and recycling receptacles.* Trash and recycling receptacles shall be four-sided with a gate and located outside buffer-strips, and to the side or rear of the primary building. The receptacles shall be screened by a minimum eight-foot solid masonry screen and shall utilize similar masonry materials to the principal structure. Every effort shall be made in order to screen trash/recycling receptacles from John King Blvd.

8. *Play structures.* Play structures shall not be placed between the primary building and any adjacent public right-of-way.

9. *Plan review.* In addition to other factors set out in this Unified Development Code, any concept plans, development plans, and site plans shall be reviewed for:

   (a) Meeting the intent of the landscape ordinance: article VIII, Landscape Standards, as amended, and the screening provisions herein.
   (b) Achieving the intent of the architectural standards and site design standards.
   (c) Proper site entry identification and cross access circulation to avoid congestion at ingress and egress points.

E. Landscape standards. All sites shall, as a minimum, meet the following standards and the standards set out in the landscape ordinance: article VIII, Landscape Standards. Where the following standards conflict with the landscape ordinance, these requirements shall prevail:

1. *Landscape Buffer.* ~~[Required width and height.]~~ The buffer-strip shall be a minimum of ~~15~~ 25 ~~-~~feet wide for retail/commercial uses; ~~25~~ 50 ~~-~~feet wide for residential uses ~~with the exception of a 30-foot-wide buffer from Quail Run Road to SH 205 North~~; and 50 feet wide for office, research-technology and industrial uses, and include a ~~"~~*built-up*~~"~~ berm and~~/or~~ shrubbery ~~or a combination of both~~ along the entire length of the subject property's frontage along the John King Boulvard~~.~~ right-of-way. The minimum required height of the aforementioned berm ~~and/or shrubbery or a combination thereof~~ is ~~30 inches and shall not exceed a maximum height of~~ 48 ~~-~~inches.

2. *Buffer-strip plantings*. Two (2) canopy trees, along with four (4) accent trees shall be required per 100-feet of the John King Boulvard~~.~~ right-of-way. Canopy tree~~s~~, accent tree~~s~~, and shrub~~s as defined, along with~~ sizes and types are included in ~~subsections E(3) and (4)~~*Appendix 'F', Landscaping Requirements and Guidelines*, of the Unified Development Code. ~~The area of John King Blvd. from Quail Run Road to SH 205 North shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.~~In addition, all shrubs shall be a minimum of two (2) gallons in size and 15-inches in height (*i.e. deciduous or evergreen*).

~~3. Plant material sizes. The following size requirements shall be required:~~

~~Canopy trees: four-inch caliper.~~
~~Accent trees: four-foot height.~~
~~Shrubs:~~
~~Deciduous: 15 inches; two-gallon minimum.~~
~~Evergreen: 12 inches; two-gallon minimum.~~

~~4. Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:~~

~~Canopy trees: Afghan Pine, Bald Cypress, Bur Oak, Cedar Elm, Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia, Live Oak, October Glory Maple, Red Oak, Texas Ash, Texas Red Oak.~~

~~Accent trees: Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.~~

3. *Erosion control/retaining walls.* Any slope embankments or retaining walls within the public right-of-way or within the required buffer-strip must be terraced every four feet in height (maximum) with a minimum of a two-foot planting area provided between each vertical plane. Materials used for the vertical elements shall be natural stone or any masonry material, which matches the masonry material used on the front facade of the primary building. The planting area must contain plant materials other than grass.

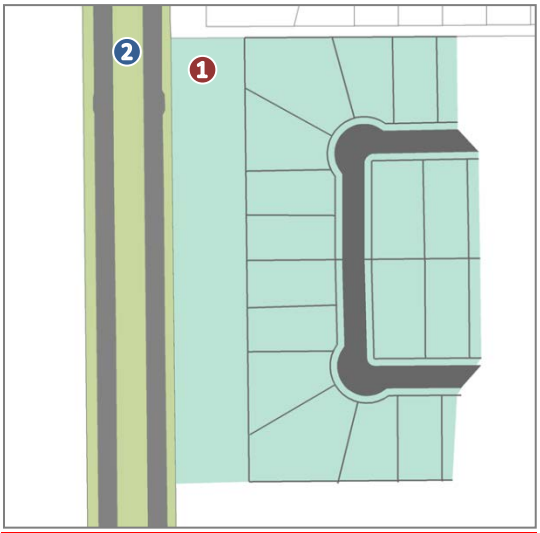
F. Sign standards. All permanent freestanding signs located in the 205 Bypass Corridor Overlay District shall be monument signs (except at the intersection with Interstate 30) adhering to the City of Rockwall sign ordinance as heretofore amended and as may be amended in future. Building materials and colors utilized for construction of the monument base shall be the same as the primary building materials and colors found on the main building, unless otherwise approved by the city council. Approval of any variance to the sign ordinance for property included in the 205 By-Pass Corridor Overlay District shall require city council approval by a three-quarter majority vote.

G. Lighting standards. In addition to the requirements of the outdoor lighting requirements no light pole, pole base or combination thereof shall exceed 20 feet in the 205 Bypass Overlay District. All lighting fixtures shall focus light downward and be contained on the site.

H. Utility placement. All overhead utilities within the 205 Bypass Corridor Overlay District shall be placed underground.

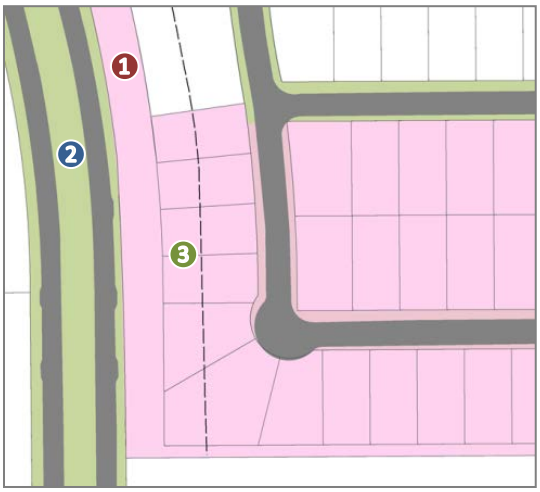
I. *Residential Frontage Requirements.* To ensure proper separation of residential land uses from John King Boulevard all residential developments that have direct frontage on John King Boulevard shall utilize one (1) or a combination of the following design alternatives along the entire frontage of John King Boulevard:

(1) *Increased Landscape Buffer.* A minimum of 100-foot landscape buffer maybe substituted for the required landscape buffer.



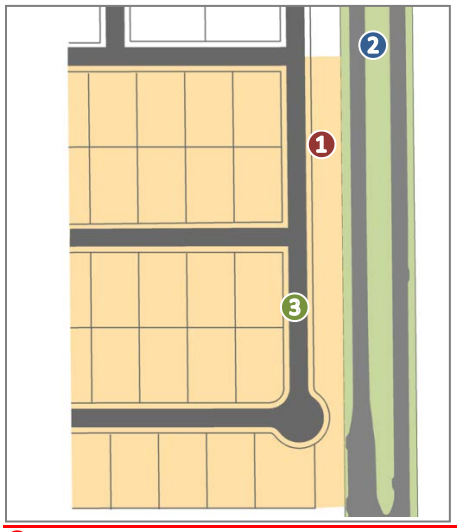
❶: 100-Foot Landscape Buffer
❷: John King Boulevard

(2) *Increased Rear Yard Building Setback.* A minimum of 50-foot rear yard building setback may be incorporated adjacent to the required landscape buffer.

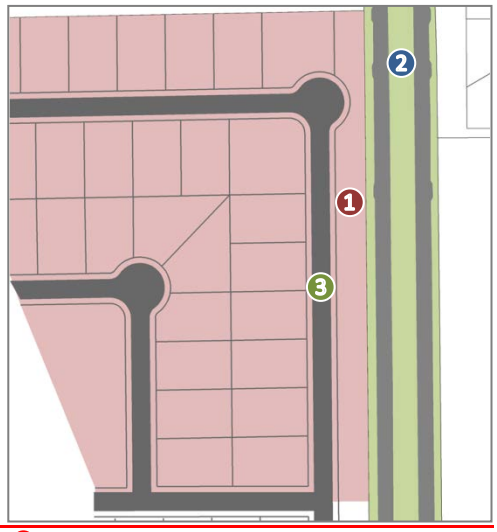


❶: 50-Foot Landscape Buffer
❷: John King Boulevard
❸: 50-Foot Rear Yard Building Setback

(3) *Incorporation of a Slip Street.* A slip street meeting the Engineering Department's requirements for right-of-way and design may be incorporated adjacent to and running parallel with the required landscape buffer. Homes are permitted to front or side to the slip street.



❶: 50-Foot Landscape Buffer
❷: John King Boulevard
❸: Slip Street



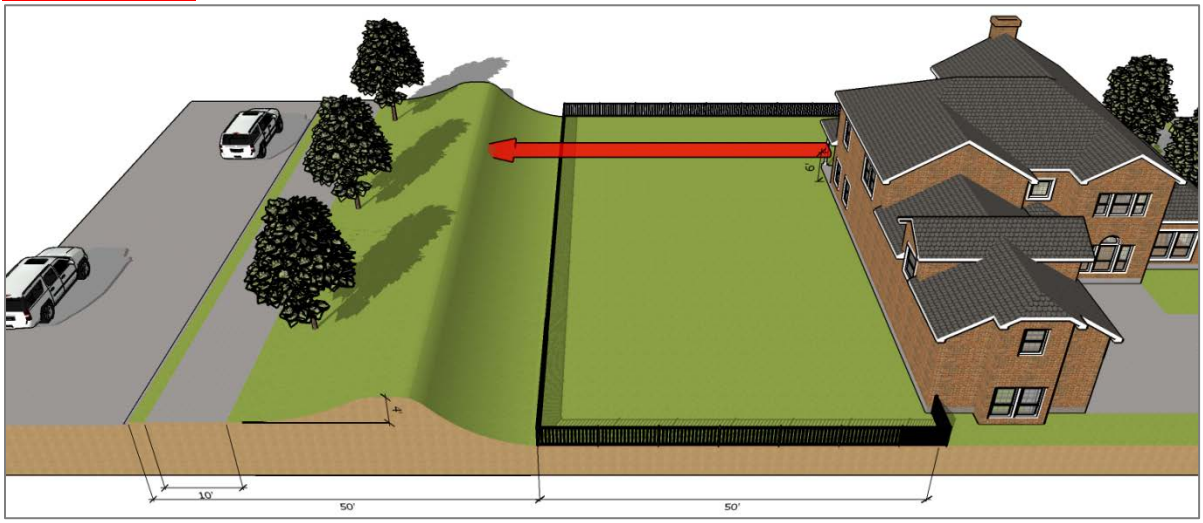
❶: 50-Foot Landscape Buffer
❷: John King Boulevard
❸: Slip Street

(4) *Incorporation of an Eyebrow.* An eyebrow street meeting the -- *Engineering Department's requirements for right-of-way and design* -- with a minimum cluster of five (5) homes and a maximum cluster of 12 homes can be incorporated with a 30-foot landscape buffer. All homes should front onto the eyebrow street and have a minimum of a 25-foot front yard building setback.

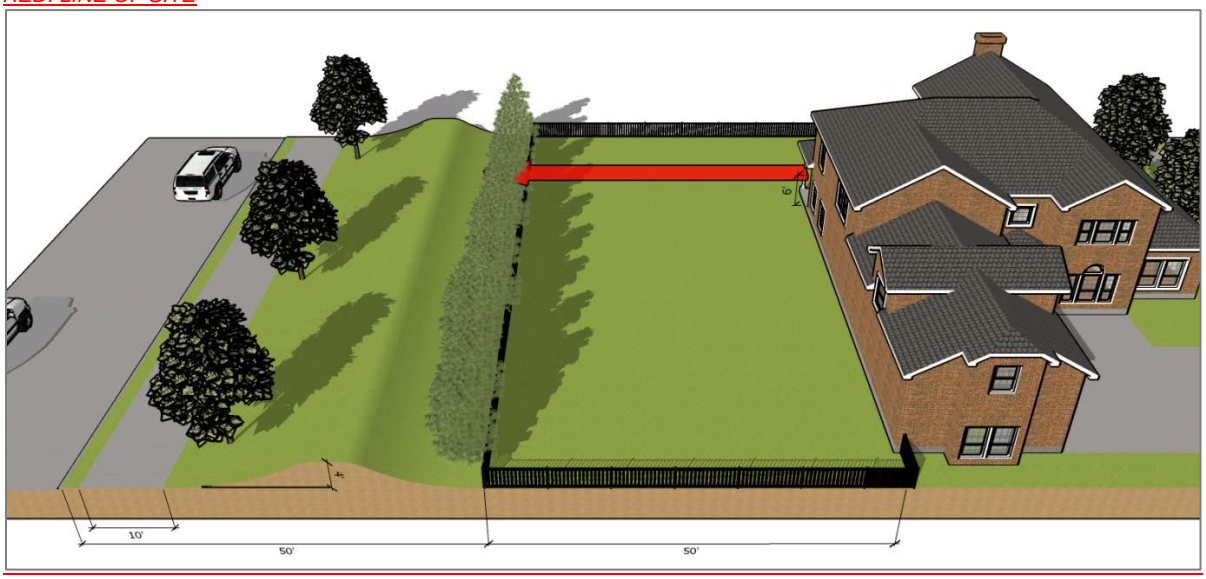
❶: 30-Foot Landscape Buffer
❷: John King Boulevard
❸: Eyebrow Street
❹: 25-Foot Front Yard Building Setback

Homes that back to a required landscape buffer should be built in such a manner where the required berm visually impairs visibility to John King Boulevard (*see Example 1 below*). In cases where a berm proves to be ineffective at screening traffic from John King Boulevard (*due to topography, height, etc.*) the developer shall be responsible for incorporating additional landscaping to provide sufficient screening in the required landscape buffer (*see Example 2 below*). This will be reviewed by the Planning and Zoning Commission at the time of site plan.

Example 1:
RED: LINE OF SITE



Example 2: Additional Landscaping Required
RED: LINE OF SITE



~~I.~~*J. Residential Subdivision Fence Standards.* No screening walls shall be erected adjacent to the John King Blvd. right-of-way in conjunction with any residential development. ~~Eyebrow drives with clusters of lots (5—12 homes) shall be utilized along the John King Blvd. right-of-way for residential development or a 50-foot landscape buffer can be used as an alternative to the eyebrow drive design.~~ Farm fencing, including wood rail type and metal pipe and cable fencing, is allowed within the 50-foot landscape buffer.

~~J.~~*K. Variance.* The city council may, upon request from the applicant, grant a variance to any provision of this section where unique or extraordinary conditions exist or where strict adherence to the provisions of this section would create a hardship. Approval of any variance to any provision of this section shall require city council approval by a three-quarter majority vote of those city council members present with a minimum of four affirmative votes.

(Ord. No. 05-49, 9-19-2005; Ord. No. 06-14, 4-17-2006; Ord. No. 10-14, §§ 40—44, 7-6-2010; Ord. No. 15-23, § 2, 8-3-2015; Ord. No. 15-32, § 1, 12-7-2015)

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 6.10, *205 BY-PASS CORRIDOR OVERLAY (205 BY-OV) DISTRICT*, OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS AND SECTION F.3, DISTRICT LANDSCAPING REQUIREMENTS, OF APPENDIX 'F', LANDSCAPING REQUIREMENTS AND GUIDELINES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 6.10, *205 By-Pass Corridor Overlay (205 BY-OV) District,* of Article V, *District Development Standards*, and Section F.3, *District Landscaping Requirements,* of *Appendix 'F'*, *Landscaping Requirements and Guidelines,* of the Unified Development Code [*Ordinance No. 04-38*] and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That Section 6.10, *205 By-Pass Corridor Overlay (205 BY-OV) District,* of Article V, *District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance.

Section 2. That Section F.3, *District Landscaping Requirements,* of *Appendix 'F'*, *Landscaping Requirements and Guidelines,* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'B'* of this ordinance.

Section 3. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

DRAFT ORDINANCE 06.13.2017

Section 4. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 5. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3RD DAY OF JULY, 2017.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Cole, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

1st Reading: June 19, 2017

2nd Reading: July 3, 2017

DRAFT ORDINANCE 06.13.2017

A. *Purpose.* The intent of the 205 Bypass Corridor Overlay District is to provide for consistent development of office, retail and commercial areas in concert with the most efficient and aesthetically pleasing appearance of the frontage which serves as the initial impression to those visiting, as well as to those passing through, the City of Rockwall area. In order to ensure that the visual impact of development does not detrimentally affect the area in which it is proposed, landscaping plans, building elevations and site plans are required. Architectural compatibility and plan review shall be conducted through an architectural review committee. These development requirements shall apply to nonresidential and multi-family uses only. All other residential uses shall be excluded from these standards except has otherwise stated.

B. *Application and boundaries.* The 205 Bypass Corridor Overlay District includes the entirety of all properties which adjoin or are located within 500 feet of the current and future right-of-way of John King Blvd. The 205 Bypass Corridor Overlay Zone extends along the current and future right-of-way of John King Blvd. to the existing city limits. The standards and regulations set forth in the 205 Bypass Corridor Overlay District are superimposed and shall supersede the standards and regulations of any underlying zoning district which are in conflict.

C. *Architectural standards.*

1. Masonry requirements. Each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, as defined in article XIII, Definitions, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, including a minimum of 20 percent natural or quarried stone.

   (a) Primary exterior materials shall include natural or quarried stone, brick, glass block or glass, tile, cast metal and custom concrete masonry units. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the building's exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality and durability. However, stucco may not be located in the first four feet above grade on a facade visible from a street or public area. Each elevation's masonry requirement shall incorporate accent bricks or stones. As the term is used, an "accent brick or stone" is one that provides a contrast by color, shape, size, and/or texture to the field of primary bricks or stones in an elevation. Additionally, the Planning and Zoning Commission may consider the use of high quality manufactured or cultured stone if the following standards of manufacturing and warranty apply to the product;

   - ☑ That the manufacturing molds should be made from actual stones and each piece should complement each other having the right shape, texture, size and detail of natural stone;
   - ☑ That the overtones of color should be integrated into the stone during the molding process, while the base color of the stone is blended entirely throughout;
   - ☑ That highly skilled artisans should be utilized to hand paint each piece in order to give each stone depth and variation of color;
   - ☑ That the use of the highest quality synthetic mineral oxides should be used to infuse the surface with rich, authentic tones; and
   - ☑ That the manufactured stone product shall have a minimum warranty of 75 years.

   (b) Secondary materials used on the facade of a building are those that comprise less than ten percent of an elevation area. Permitted secondary materials are all primary materials, aluminum or other metal, EIFS, cast stone, cultured stone or other materials as approved by the director of planning or his designee.

2. Roof design standards. Rooftop mechanical equipment and other appurtenances must be properly screened. All structures having a footprint of 6,000 square feet or less shall be constructed with a pitched roof system. Those structures having a footprint greater than 6,000 square feet shall be constructed with either a pitched, parapet, or mansard roof system (enclosed on all sides). Standing seam metal roofs shall be constructed of a factory-finish. Metal roofs with lapped seam construction, bituminous built-up roofs, and flat, membrane-type roofs which are visible from adjacent public right-of-way shall be prohibited.

3. Mechanical equipment screening. All buildings must be designed such that no mechanical equipment, HVAC, or satellite dishes shall be visible from any direction. This shall include equipment located on the roof, on the ground, or otherwise attached to the building or located on the site.

DRAFT ORDINANCE 05.15.17

Screening of rooftop mechanical equipment and/or other rooftop appurtenances screening shall be accomplished by either:

(a) The construction of the roof systems described in subsection C.2 above; or
(b) An architectural feature which is integral to the building's design and ensures that such equipment is not visible from adjacent public right-of-way.

The fencing or enclosing of individual mechanical units shall not be permitted except as described above.

All rooftop mechanical equipment or architectural features described herein shall be shown on the required building elevations and submitted along with the site plan for approval.

4. All buildings shall be designed to incorporate no less than four of the architectural elements listed below. Buildings over 50,000 square feet must include a minimum of six of the referenced architectural elements. Buildings over 100,000 square feet must include a minimum of seven of the referenced architectural elements:

☑ Canopies, awnings, or porticos;
☑ Recesses/projections;
☑ Arcades;
☑ Peaked roof forms;
☑ Arches;
☑ Outdoor patios;
☑ Display windows;
☑ Architectural details (such as tile work and moldings) integrated into the building facade;
☑ Articulated ground floor levels or base;
☑ Articulated cornice line;
☑ Integrated planters or wing walls that incorporate landscape and sitting areas;
☑ Offsets, reveals or projecting rib used to express architectural or structural bays;
☑ Varied roof heights; or
☑ Other architectural features approved by the director of planning or his designee.

5. All retail/commercial buildings shall be architecturally finished on all four sides with the same materials, detailing, and features with one row of trees planted on the perimeter behind the building.

6. Windows shall have a maximum exterior visible reflectivity of 20 percent. Color of glass shall be reviewed and approved by the director of planning or his designee.

7. All buildings within a common retail/commercial development, as shown on a concept plan or site plan, shall have similar architectural styles, materials, and colors.

   (a) Conceptual facade plans and sample boards shall be submitted with the site plan application for all nonresidential uses. The purpose of the conceptual facade plan is to ensure consistency and compatibility for all buildings within a single development. Facade plans will be used only to ensure minimum standards are met.

8. Corporate identities that conflict with the building design criteria shall be reviewed as a variance as defined in this section and reviewed on a case-by-case basis by the planning and zoning commission and approved by the city council.

D. Site design standards.

1. *Building setback.* All lots within the 205 Bypass Corridor Overlay District shall maintain the following minimum front yard building setbacks:

DRAFT ORDINANCE 06.13.2017

Retail/Commercial: 15-Feet
Industrial/Office/Technology: 50-Feet

All other building setback regulations shall be the same as set forth in the underlying zoning district except as otherwise noted herein.

2. *Parking area restrictions.* No more than two rows of parking, approximately 60 feet in width, shall be allowed between the primary building and the John King Blvd. right-of-way.

3. *Access/ingress/egress.* To minimize potential vehicular and pedestrian conflicts particular attention must be given to the location of median breaks along major thoroughfares, number and location of entry/exit drives, design of entry/exit drives in relationship to the parking areas, and sight distances. In addition:

   (a) Driveways should typically be spaced a minimum of 100 feet from the intersection of a major thoroughfare or as per the Texas Department of Transportation on state maintained roads;
   (b) The ingress and egress drives shall have a minimum radius of 30 feet;
   (c) Driveways should maintain an appropriate sight distance triangle at all perimeter entrances and exits;
   (d) Main entrance drives should generally be located at median breaks providing left turn access to and from the site;
   (e) Main entrance drives should connect to a "straightaway" aisle that does not dead end or require an immediate turn to approach the main building;
   (f) Aisles intersecting with entrance drives should be spaced at a minimum of 20 feet from the property line to provide for smooth turning movements.

4. *Cross access.* Cross access easements may be required by the city council at the time of the site plan approval to ensure access to future median breaks and to reduce the number of needed curb cuts.

5. *Shared parking.* In master planned retail centers, cross access and shared parking agreements are required for final platting.

6. *Loading and service areas.* Loading and service areas shall be located on the rear and side of buildings whenever possible. In the event that a loading or service area faces John King Blvd., additional screening of the area may be required. A minimum ten-foot solid screening wall shall be required to screen views of loading docks and loading spaces intended for tractor/semitrailer delivery from any public right-of-way. This ten-foot wall must screen the entire loading dock or space. Screening materials shall utilize similar masonry materials to the front facade. The accommodation of adequate access for service delivery trucks may be evaluated to determine the extent of screening required.

7. *Trash receptacles and recycling receptacles.* Trash and recycling receptacles shall be four-sided with a gate and located outside buffer-strips, and to the side or rear of the primary building. The receptacles shall be screened by a minimum eight-foot solid masonry screen and shall utilize similar masonry materials to the principal structure. Every effort shall be made in order to screen trash/recycling receptacles from John King Blvd.

8. *Play structures.* Play structures shall not be placed between the primary building and any adjacent public right-of-way.

9. *Plan review.* In addition to other factors set out in this Unified Development Code, any concept plans, development plans, and site plans shall be reviewed for:

   (a) Meeting the intent of the landscape ordinance: article VIII, Landscape Standards, as amended, and the screening provisions herein.
   (b) Achieving the intent of the architectural standards and site design standards.
   (c) Proper site entry identification and cross access circulation to avoid congestion at ingress and egress points.

DRAFT ORDINANCE 06.19.2017

E. Landscape standards. All sites shall, as a minimum, meet the following standards and the standards set out in the landscape ordinance: article VIII, Landscape Standards. Where the following standards conflict with the landscape ordinance, these requirements shall prevail:

1. *Landscape Buffer.* The buffer-strip shall be a minimum of 25-feet wide for retail/commercial uses; 50-feet wide for residential uses; and 50 feet wide for office, research-technology and industrial uses, and include a *built-up* berm and shrubbery along the entire length of the subject property's frontage along the John King Boulevard right-of-way. The minimum required height of the aforementioned berm is 48-inches.

2. *Buffer-Strip Plantings*. Two (2) canopy trees, along with four (4) accent trees shall be required per 100-feet of the John King Boulevard right-of-way. Canopy tree, accent tree, and shrub sizes and types are included in *Appendix 'F'*, *Landscaping Requirements and Guidelines*, of the Unified Development Code. In addition, all shrubs shall be a minimum of two (2) gallons in size and 15-inches in height (*i.e. deciduous or evergreen*).

3. *Erosion Control/Retaining Walls.* Any slope embankments or retaining walls within the public right-of-way or within the required buffer-strip must be terraced every four feet in height (maximum) with a minimum of a two-foot planting area provided between each vertical plane. Materials used for the vertical elements shall be natural stone or any masonry material, which matches the masonry material used on the front facade of the primary building. The planting area must contain plant materials other than grass.

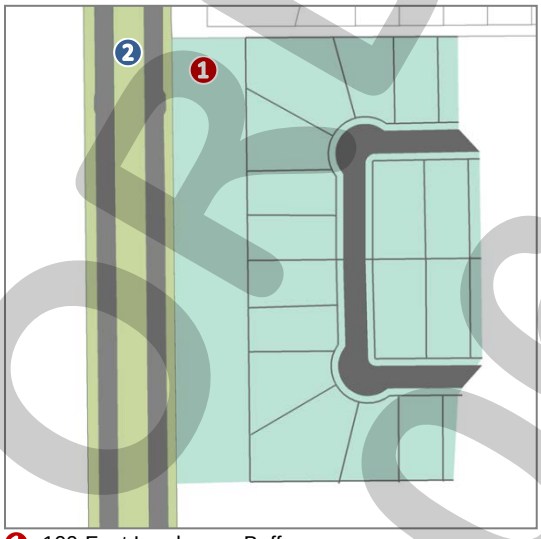
F. Sign standards. All permanent freestanding signs located in the 205 Bypass Corridor Overlay District shall be monument signs (except at the intersection with Interstate 30) adhering to the City of Rockwall sign ordinance as heretofore amended and as may be amended in future. Building materials and colors utilized for construction of the monument base shall be the same as the primary building materials and colors found on the main building, unless otherwise approved by the city council. Approval of any variance to the sign ordinance for property included in the 205 By-Pass Corridor Overlay District shall require city council approval by a three-quarter majority vote.

G. Lighting standards. In addition to the requirements of the outdoor lighting requirements no light pole, pole base or combination thereof shall exceed 20 feet in the 205 Bypass Overlay District. All lighting fixtures shall focus light downward and be contained on the site.

H. Utility placement. All overhead utilities within the 205 Bypass Corridor Overlay District shall be placed underground.

I. *Residential Frontage Requirements.* To ensure proper separation of residential land uses from John King Boulevard all residential developments that have direct frontage on John King Boulevard shall utilize one (1) or a combination of the following design alternatives along the entire frontage of John King Boulevard:

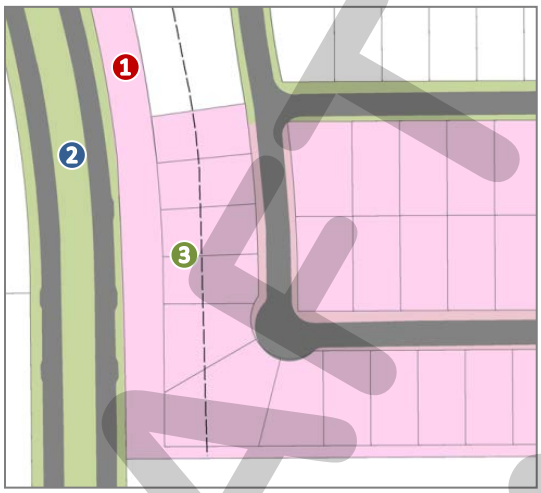
(1) *Increased Landscape Buffer.* A minimum of 100-foot landscape buffer maybe substituted for the required landscape buffer.



1: 100-Foot Landscape Buffer
2: John King Boulevard

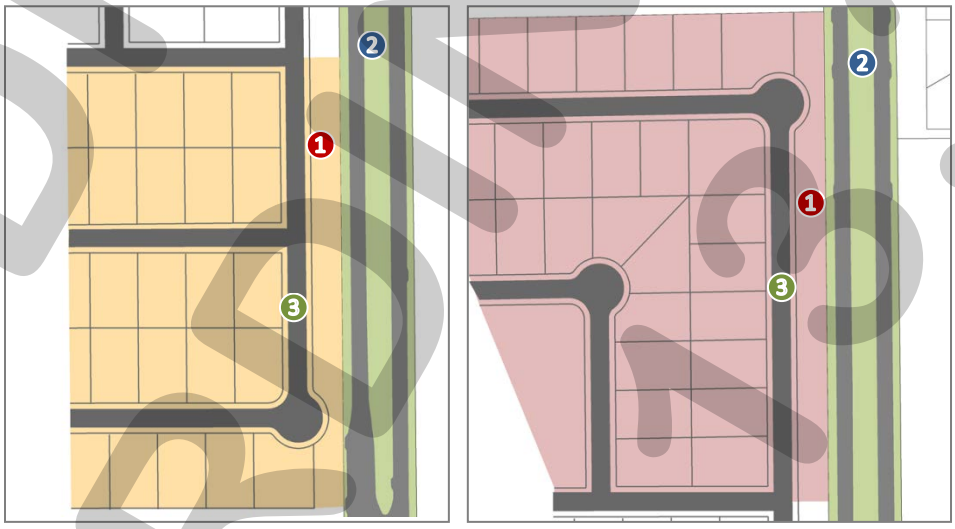
DRAFT
06.13.2017

(2) *Increased Rear Yard Building Setback.* A minimum of 50-foot rear yard building setback may be incorporated adjacent to the required landscape buffer.



1: 50-Foot Landscape Buffer
2: John King Boulevard
3: 50-Foot Rear Yard Building Setback

(3) *Incorporation of a Slip Street.* A slip street meeting the Engineering Department's requirements for right-of-way and design may be incorporated adjacent to and running parallel with the required landscape buffer. Homes are permitted to front or side to the slip street.



1: 50-Foot Landscape Buffer
2: John King Boulevard
3: Slip Street

1: 50-Foot Landscape Buffer
2: John King Boulevard
3: Slip Street

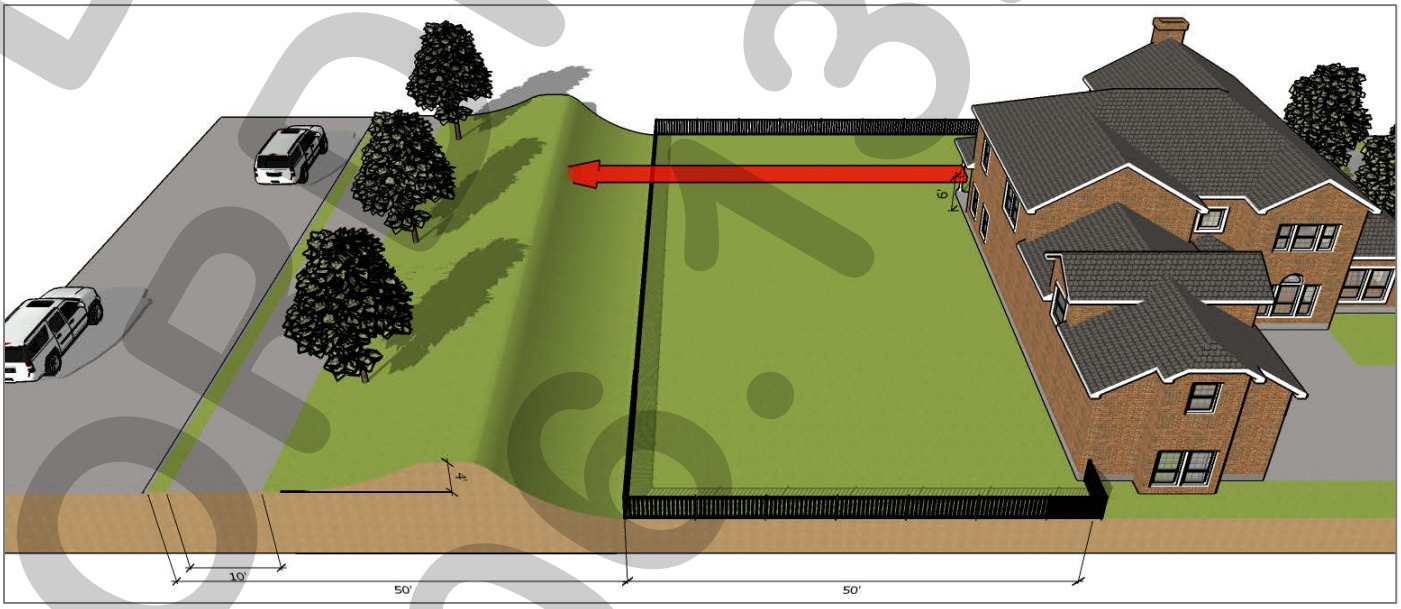
DRAFT ORDINANCE 06.15.2017

(4) *Incorporation of an Eyebrow.* An eyebrow street meeting the -- *Engineering Department's requirements for right-of-way and design* -- with a minimum cluster of five (5) homes and a maximum cluster of 12 homes can be incorporated with a 30-foot landscape buffer. All homes should front onto the eyebrow street and have a minimum of a 25-foot front yard building setback.

1: 30-Foot Landscape Buffer
2: John King Boulevard
3: Eyebrow Street
4: 25-Foot Front Yard Building Setback

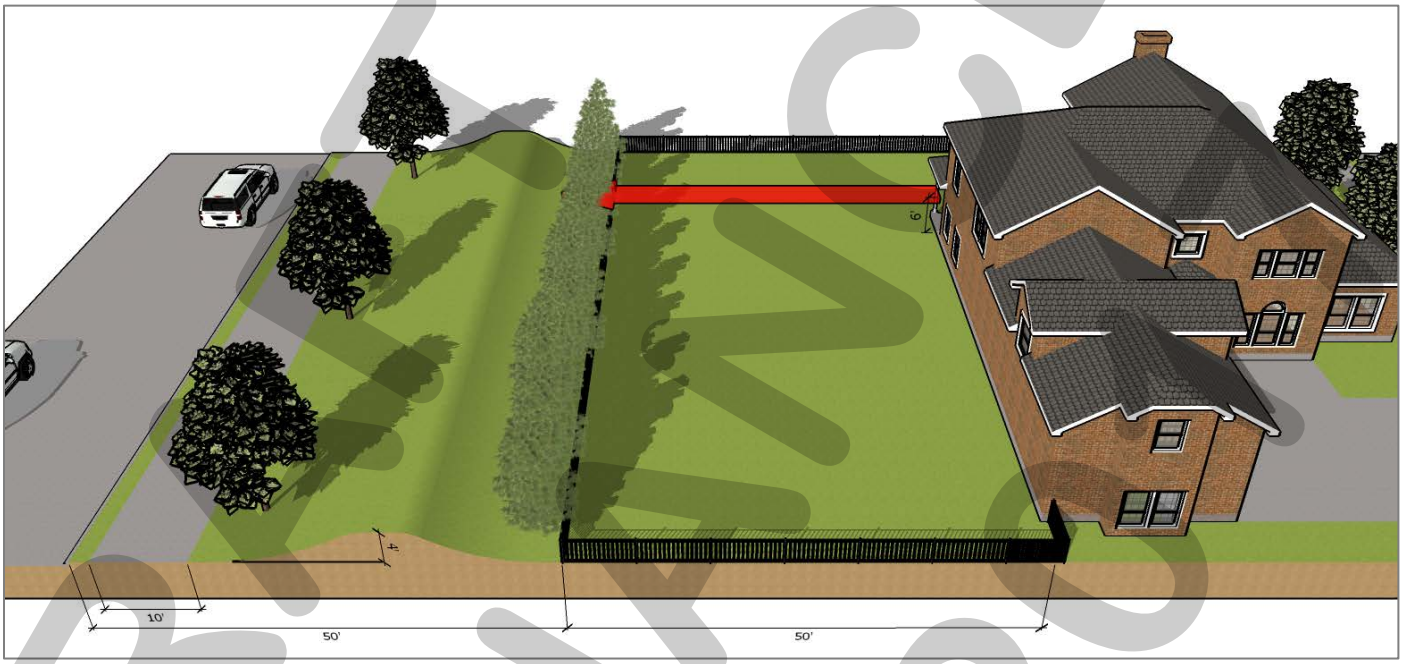
Homes that back to a required landscape buffer should be built in such a manner where the required berm visually impairs visibility to John King Boulevard (*see Example 1 below*). In cases where a berm proves to be ineffective at screening traffic from John King Boulevard (*due to topography, height, etc.*) the developer shall be responsible for incorporating additional landscaping to provide sufficient screening in the required landscape buffer (*see Example 2 below*). This will be reviewed by the Planning and Zoning Commission at the time of site plan.

Example 1:
RED: LINE OF SITE



DRAFT ORDINANCE 06.13.2017

Example 2: Additional Landscaping Required
RED: LINE OF SITE



J. *Residential Subdivision Fence Standards.* No screening walls shall be erected adjacent to the John King Blvd. right-of-way in conjunction with any residential development. Farm fencing, including wood rail type and metal pipe and cable fencing, is allowed within the 50-foot landscape buffer.

K. *Variance.* The city council may, upon request from the applicant, grant a variance to any provision of this section where unique or extraordinary conditions exist or where strict adherence to the provisions of this section would create a hardship. Approval of any variance to any provision of this section shall require city council approval by a three-quarter majority vote of those city council members present with a minimum of four affirmative votes.

DRAFT
ORDINANCE
06.13.2017

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 06/13/2017

APPLICANT: City of Rockwall

AGENDA ITEM: **H2017-007**; Rescind Landmark Designation for *902 N. Goliad Street*

SUMMARY:

Hold a public hearing to discuss and consider a City initiated request for the purpose of *rescinding* the *Local Landmark Designation* (*i.e. Ordinance No. 08-15*) for the *Spafford House* being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

PURPOSE AND BACKGROUND:

On March 3, 2008, after receiving recommendations from the Historic Preservation Advisory Board (*HPAB*) and the Planning and Zoning Commission, the City Council passed *Ordinance No. 08-15* designating 902 N. Goliad Street as a *Landmark Property.* This property is known as the Historic *Spafford Home.* The home was built in 1894 with a Folk Victorian influence. At the time of designation, staff felt the home provided positive characteristics for the North Goliad streetscape and that designating the property would allow for proper restoration/redevelopment of the home.

According to Section 6.2, Historic Overlay (*HO*) District, of Article V, of the Unified Development Code (*UDC*), a *Landmark Property* deemed worthy of preserving is also considered to be a contributing property which may add to the historical architectural qualities, associations, or archaeological value for the property being considered for this designation. Additionally, to be designated a *Landmark Property* must meet one of the following criteria:

a. Possesses significance in history, architecture, archeology, and/or culture;
b. Is associated with events that made a significant contribution to the broad patterns of local, regional, state and/or national history;
c. Is associated with the lives of persons significant in the city's past;
d. Embodies the distinctive characteristics of a type, period, and/or method of construction;
e. Represents the work of a master designer, builder, and/or craftsman; or
f. Represents an established and familiar visual historical feature of the city.

Furthermore, the Historic Overlay (*HO*) District requires a Certificate of Appropriateness (COA) for any exterior work performed on a contributing property. The COA must be approved by the Historic Preservation Advisory Board (*HPAB*) prior to the commencement of the project. The HPAB is tasked with determining if the scope of work will have an adverse effect to the characteristics of the property, and if the work is consistent with *Appendix D*, Historic Preservation Guidelines of the UDC.

Since its designation as a *Landmark Property*, the property has had modifications to the exterior that do not meet the intent of the Historic Preservation Guidelines. These modifications involve the homes windows, siding, and trim, all of which were modified without obtaining a COA from the HPAB. The recent historic resource survey conducted by the City's consultant Hardy, Heck, Moore, Inc. (*HHM*) -- *adopted by the HPAB in April of this year* -- identified changes to the exterior that include replacement of the doors, windows, exterior wall materials, and alterations to the porch. Due to these changes, HHM recommended revising the historic designation of the property from a *High Contributing* to a *Medium Contributing* property.

Based on these findings, the HPAB directed staff on May 18, 2017, after the Board's motion to recommend approval of the City initiated request to *Rescind Ord. No. 08-15* for the Landmark Property at 902 N. Golaid Street (*a.k.a. the Spafford Home*) passed by a vote of 5 to 1 with Board Member Odom dissenting and Board Member Thompson absent, to move forward with rescinding the Landmark Designation [*Ordinance No. 08-15*] of the property. It should be noted that rescinding the ordinance will not affect the current designation status as a *Medium Contributing Property* nor would it affect the property owner from restoring the home to a condition that is worthy of re-adopting it as a *Landmark Property* in the future. Rescinding *Ordinance No. 08-15* is a discretionary for the Planning and Zoning Commission and City Council. It should be noted that staff did contact the property owner to notify her of the change, and the property owner did not raise any objections to the change in designation.

NOTIFICATION:

Since the designation of a property as a Landmark Property requires the same notification process as a zoning case, staff mailed 96 notices to property owners and residents within 500-feet of the *subject property* on May 12, 2017. Staff also emailed notices to the Lakeview Summit and Caruth Lakes Homeowner's Associations (HOA), which are the only HOA's located within 1,500-feet of the subject property participating in the notification program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Harold Banner as required by the UDC. At the time this case memo was drafted staff has received one (1) notice in favor of rescinding Ordinance No. 08-15 regarding this case.

Subject: Neighborhood Notification Program: Notice of zoning request
Attachments: PUBLIC NOTICE.pdf

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that will also be published in the Rockwall Herald Banner on ***May 12, 2017***. The Historic Preservation Advisory Board will hold a public hearing on ***Thursday 5/18/2017 at 6:00 p.m***., the Planning and Zoning Commission will hold a public hearing on ***Tuesday 6/13/2017at 6:00 p.m.***, and the City Council will hold a public hearing on ***Monday, 6/19/2017 at 6:00 p.m***. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at https://sites.google.com/site/rockwallplanning/development-cases

> **H2017-007- Hold a public hearing to discuss and consider a City initiated request for the purpose of rescinding the Local Landmark Designation (*i.e. Ordinance No. 08-15*) for the Spafford House being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. H2017-007: Rescind Landmark Designation

Hold a public hearing to discuss and consider a City initiated request for the purpose of rescinding the Local Landmark Designation (i.e. Ordinance No. 08-15) for the Spafford House being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Historic Preservation Advisory Board will hold a public hearing on **Thursday 5/18/2017 at 6:00 p.m.,** the Planning and Zoning Commission will hold a public hearing on **Tuesday 6/13/2017at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/19/2017 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/19/2017** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. O4-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO RESCIND *ORDINANCE NO. 08-15,* WHICH RECOGNIZED THE PROPERTY AT 902 N. GOLIAD STREET (THE SPAFFORD HOUSE) AS A LANDMARKED PROPERTY, BEING A 0.24-ACRE PARCEL OF LAND IDENTIFIED AS A PORTION OF LOT 1, AUSTIN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND LOCATED AT 902 N. GOLIAD STREET, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has initiated the *Repeal* of *Ordinance No. 08-15* (*i.e. the Landmark Designation of the Spafford House)* on a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 902 N. Goliad Street and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the City of Rockwall Historic Preservation Advisory Board, Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code (UDC) and *Ordinance No. 08-15* of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the adoption of this ordinance shall supersede *Ordinance No. 08-15* and the property at 902 N. Goliad Street shall no longer be considered a *Landmark Property*.

Section 2. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 3. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 4. If any section paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason

judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code No. 04-38 of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 5. That this ordinance shall take effect immediately from and after its passage of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 3RD DAY OF JULY, 2017.

_____

Jim Pruitt*, Mayor*

ATTEST:

_____

Kristy Ashberry, *City Secretary*

APPROVED AS TO FORM:

_____

Frank J. Garza, *City Attorney*

1st Reading: *June 19, 2017*

2nd Reading: *July 3, 2017*

DRAFT

902 N. Goliad Street

BEING a 0.24-acre tract of land situated in the Austin Addition, Lot 1, (902 N. Goliad St.) in the City of Rockwall, County of Rockwall, Texas and being more particularly described as follows:

BEGINNING at a point in the east right of way of State Highway 205, and the southwest corner of said Lot 1 for a corner;

THENCE N 00° 26' 58" E following along said State Highway 205 right of way line for a distance of 67.04-feet to a point;

THENCE N 89° 12' 27" E following along Lot 1 north property line for a distance of 77.40-feet to a point;

THENCE N 02° 29' 26" E following along Lot 1 property line for a distance of 3.90-feet to a point;

THENCE S 88° 59' 35" E following along Lot 1 north property line for a distance of 75.15-feet to a point;

THENCE S 02° 05' 05" E following along Lot 1 east property line for a distance of 66.74-feet to a point;

THENCE S 88° 31' 56" W following along Lot 1 south property line for a distance of 155.71 feet to the *Point of Beginning* and containing approximately 0.24-acres of land (*10,400.11 square feet*) more or less.

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 06/13/2017

APPLICANT: Bassam Ziada of *Murphy Oil USA, Inc.*

AGENDA ITEM: **SP2017-016**; *Site Plan for Murphy Oil USA, Inc.*

SUMMARY:

Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

BACKGROUND AND PURPOSE:

The applicant is requesting the approval of a site plan for the purpose of demolishing the existing Murphy Oil site (i.e. *building, canopy, pumps, relocating fuel tanks, etc*.), and constructing an approximately 1,200 SF building for a proposed convenience store with gasoline sales. The new building be larger than the existing, incorporating four (4) additional gasoline pumps for a total of eight (8) gasoline pumps with sixteen dispensers (*i.e. 16 vehicles*).

DENSITY AND DIMENSIONAL REQUIREMENTS:

The proposed convenience store with gasoline sales (*i.e. Murphy Oil USA*) is a use permitted by right. The site will incorporate a total of eleven (11) parking spaces and can be accessed via several entrances available to the Walmart shopping center.

Other than the exceptions requested as stated in staff's report (*i.e. outside display, photometric intensity, cultured stone*) and the items listed in the *Recommendation* section of this case memo, the submitted site plan, building elevations, photometric, and landscape plans conform to the technical requirements contained within the Unified Development Code (UDC) and the IH-30 Overlay (IH-30) District. A summary of the density and dimensional requirements are as follows:

Ordinance Provisions	*Zoning District Standards*	*Conformance to the Standards*
Minimum Lot Area	*One (1) Acre*	*1.013-Acres; In Conformance*
Minimum Lot frontage	*200-Feet*[1]	*x=170.17-ft; Lot of Record In Conformance*
Minimum Lot Depth	*100-Feet*	*x>100-Feet; In Conformance*
Minimum Front Yard Setback	*25-Feet*	*x>25-Feet; In Conformance*
Minimum Rear Yard Setback	*10-Feet*[2]	*x>10-Feet; In Conformance*
Minimum Side Yard Setback	*10-Feet*[3]	*x>10-Feet; In Conformance*
Maximum Building Height	*60-Ft w/o SUP*	*25-ft; Top of Mansard Roof In Conformance*
Max Building/Lot Coverage	*60%*	*<60%; In Conformance*
Minimum Masonry Requirement	*90%*	*x>90%; In Conformance*
Floor Area Ratio	*4:1*	*x<4:1; In Conformance*
Minimum Number of Parking Spaces	*5*	*11 Provided; In Conformance*

Ordinance Provisions	*Zoning District Standards*	*Conformance to the Standards*
Minimum Stone Requirement (IH-30 OV)	*20% ea facade*	*x>20%; Cultured Stone*[4]
Minimum Landscaping Percentage	*15%*	*x>15%; In Conformance*
Maximum Impervious Coverage	*85 to 90%*	*<85%; In Conformance*

NOTES:
1. Minimum site frontage when adjacent to IH-30 .
2. Without fire retardant wall, or alley: ten feet, or as required by building and/or fire codes.
3. Without fire retardant wall: ten (10) feet, or as required by building and/or fire codes, or With fire retardant wall: zero feet.
4. The use of a cultured stone product within an Overlay District requires P&Z approval.

A site plan was approved on December 6, 2004 under *Case No. SP2004-011* for Murphy Oil USA. This case included as a condition of approval that no outside sales or display would be allowed for the site. The applicant is requesting an ice machine to be located adjacent to the west side of the building that will occupy approximately 35 S.F. This meets the code requirements for outside sales and display under Sec. 2.1.7 of Article IV, Permissible Uses of the Unified Development Code, which states that when the area is designated on the site plan and does not exceed 5% of the building floor area (*i.e. 1,200 S.F. x 5% = 70 S.F. maximum*) outside display is permitted.

The applicant's photometric plan indicates spillover lighting adjacent to all property lines within the Walmart Addition; however, the spillover lighting adjacent ot IH-30 will not exceed 0.2-FC. Under Sec. 3.3.c of Article VII, Environmental Performance, of the Unified Development Code (UDC), all lighting shall be contained on site at a maximum intensity of 0.2-FC (*canopy lighting not to exceed 35-FC*), with the exception of commercial developments that contain more than one lot, where spillover lighting may occur. The Murphy Oil site is within the Walmart Addition and does have spillover lighting onto the adjacent Walmart property. While the UDC does allow for spillover lighting onto commercial developments containing more than one lot, it also requires the Planning and Zoning Commission to approve the lights intensity at the affected property lines (*i.e. north, east and west property lines*). This will be added as a condition of approval.

In addition, based on the applicant's submittal, staff has identified the following exception for the Planning and Zoning Commission to consider:

1) Architectural Standards:

A) *Masonry Requirements.* According to *Section 6.6, C.1.a, IH-30 Overlay (IH-30 OV)* District, of Article V, *District Development Standards*, of the Unified Development Code (UDC) each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, including a minimum of 20 percent natural or quarried stone. The applicant is requesting to use cultured stone instead of natural/quarried stone. Staff has been provided a material sample and specifications that will be presented to the Architectural Review Board (ARB) for their recommendation; however, at their last meeting the ARB did state to the applicant they were not in favor of cultured stone on this property.

According to the UDC, the Planning and Zoning Commission may consider the use of high quality manufactured or cultured stone if the following standards of manufacturing and warranty apply to the product:

i. That the manufacturing molds should be made from actual stones and each piece should complement each other having the right shape, texture, size, and detail of natural stone;

ii. That the overtones of color should be integrated into the stone during the molding process, while the base color of the stone is blended entirely throughout;

iii. That highly skilled artisans should be utilized to hand paint each piece in order to give each stone depth and variation of color;

iv. That the use of the highest quality synthetic minerals oxides should be used to infuse the surface with rich, authentic tones; and

v. That the manufactured stone product shall have a minimum warranty of 75 years.

The cultured stone the applicant is proposing (*i.e. Eldorado Stone*) does not meet the minimum warranty requirement; however, the stone provided by the applicant does carry a 50-year warranty. Additionally, this brand of stone (not the style) has been utilized in other parts of the city. With this being said, the approval of an exception to use cultured stone is a discretionary decision for the Planning and Zoning Commission. Staff will provide a sample at the meeting for the Planning and Zoning Commission to review. Furthermore, the applicant will require approval of an exception to the vertical articulation standards of the Unified Development code for the east and west elevations as outlined below.

EXCEPTION REQUEST:

The applicant is requesting variances to the *Unified Development Code* (UDC) for the sections outlined below. As a note, an exception request to the UDC requires passage by a simple majority vote of those City Council members present. The requests are as follows:

a) *Article V, Section 4.1.C.b General Commercial District Standards* – An exception to allow for not meeting the vertical articulation standards for the east and west elevations as depicted on the color rendering. ***[Simple Majority Vote]***

ARCHITECTURAL REVIEW BOARD (ARB):

On May 30, 2017, the Architectural Review Board (ARB) reviewed the proposed building elevations for the site. General discussion concerning the agenda item took place between the board members and city staff. The board did not support the applicant's proposed use of cultured stone in lieu of a natural stone product due to the building being highly visible from IH-30. The ARB requested the applicant provide decorative elements such as faux window treatments to the buildings' south façade, which faces IH-30. Finally, the ARB requested the applicant relocate the dumpster to the rear and the propane cage underneath the canopy. The ARB will review the changes made to the building elevations and site plan at their next meeting scheduled for June 13, 2017.

The applicant has revised the site plan and building elevations that address the ARB's concerns regarding articulation, window treatments, and placement of the dumpster and propane cage. The applicant has relocated the dumpster to its original location and has removed the propane cage from the site plan. The applicant is providing three (3) options for the ARB to consider regarding the south elevation that faces IH-30. The ARB will forward a recommendation for one (1) option to the Planning and Zoning Commission at the June 13, 2017 meeting.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council chooses to approve the applicant's request then staff would recommend the following conditions of approval:

1) All comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

2) Approval of an ice merchandiser to be located on the west side of and adjacent to the building as depicted on the site plan for a maximum area of 35 square feet;

3) Approval by the Planning and Zoning Commission of the photometric plan for spillover lighting levels as indicated in staff's report and as depicted on the plan for the north, east and west property lines.

4) Any construction or building necessary to complete this *Site Plan* request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING COMMENTS - DAVID GONZALES - 05.16.2017

All staff comments are to be addressed and resubmitted by Tuesday, June 20, 2017. Please provide two large copies [24" X 36" FOLDED] and one PDF version for a subsequent/final review by staff:

Planning Department General Comments to be addressed are as follows:

1. Adherence to Engineering and Fire Department standards shall be required.
2. All exterior signage requires submittal and approval of a separate building permit through the building inspections department. Approval of this site plan does not confer approval of the signage depicted on the plans.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION & CITY COUNCIL TO CONSIDER"

1. Vertical articulation required for the east and west elevations.
2. Outside sales and display area's (ice machine & propane tanks) approval by the Planning and Zoning Commission.
3. The Planning Commission may considerthe use of high quality manufactured or cultered stone meeting the standards as listed in Sec. 6.6, C. 1. a. of the UDC. (Eldorado Stone)
4. Submittal and approval of a final plat prior to the release of building permits. Mylars copies for plat filing purposes are to be received prior release of C.O.

Please address the following Planning Comments for each plan submitted:

Photometric Plan:
1. Maximum lighting intensity at the property line is not to exceed 0.2-FC. Resubmit photometric plan and indicate readings at all property lines (excluding IH-30) in compliance with UDC (i.e. > or = to 0.2-FC). SEC. 3.3.c of Art. VII REQUIRES P&Z APPROVAL

Building Elevations:
1. Cultured stone depicted on the elevations(ie. Eldorado Stone) -- the Planning Commission may consider the use of this material when meeting the standards established in Section 6.6.C.1.a, Architectural Standards, of Article V, District Development Standards, of the UDC. If P&Z does not approve the use of cultured stone, a natural or quarried stone will be required based on the IH-30 OV standards.
2. Provide calculations for all exterior building materials - broken out for each facade.
3. Exception to the vertical articulation standards as requried by the General Commercial standards of the UDC.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD Site Plan. If you have any quesitons regarding this case, please feel free to contact DavidGonzales, AICP with thePlanning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board: June 13, 2017 (5:00 p.m.) [Applicant to receive recommendations from ARB]

Planning - Action: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)]

City Council - Action: June 19, 2017 (6:00 p.m.) [FOR EXCEPTION REQUEST ONLY]

PLANNING	David Gonzales	5/15/2017	5/22/2017	5/17/2017	2	COMMENTS	See comments

Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 05.16.2017

All staff comments are to be addressed and resubmitted by Tuesday, June 6, 2017. Please provide three large copies [24" X 36" FOLDED] and one PDF version for a subsequent review by staff:

Planning Department General Comments to be addressed are as follows:

1. Adherence to Engineering and Fire Department standards shall be required.
2. Re-label revised site plan documents with "Case No. SP2017-016" at the lower right corner of each plan.
3. All exterior signage requires submittal and approval of a separate building permit through the building inspections department. Approval of this site plan does not confer approval of the signage depicted on the plans.

VARIANCE FOR THE CITY COUNCIL TO CONSIDER:

1. The IH-30 OV district requires each exterior wall to be constructed of 90% masonry materials (i.e. brick, stone, etc.) including a minimum of 20% natural or quarried stone when visible from a public street or open space -- provide calculation for each facade, excluding doors and windows to determine compliance. (See exceptions below for use of cultured stone)

If the Planning and Zoning Commission does not approve the use of cultured stone and in accordance with Section 6.6.C.1.a, Architectural Standards, of Article V, District Development Standards, of the UDC, a variance to allow for not meeting the minimum masonry standards requires a ¾ majority vote by the City Council for approval.

EXCEPTIONS FOR THE PLANNING AND ZONING COMMISSION & CITY COUNCIL TO CONSIDER"

1. Horizontal and vertical articulation required for the east and west elevations.
2. Outside sales and display area's (ice machine & propane tanks) require a recommendation from the Planning and Zoning Commission and approval of the City Council.
3. The Planning Commission may considerthe use of high quality manufactured or cultered stone meeting the standards as listed in Sec. 6.6, C. 1. a. of the UDC. (Eldorado Stone)

Please address the following Planning Comments for each plan submitted:

Site Plan:
1. Provide a darker shade of gray for existing access drive (label accordingly) and parking spaces on site.
2. Remove construction notation from this site plan. These notes are appropriate for separate building permit:
a) General Site Notes - table
b) Temporary Traffic barrels
c) Remove statement above the temporary traffic barrels stating "all existing curb/gutter striping and pavement damagaed...original state."

d) Temporary Access Drive Notes table.
e) Remove construction fence from site plan (e.g. CFP & CF) and related items in legend.
f) Change language in Site Notes for No.'s 16A & 21K by removing "per approved elevation" and insert "requires submittal and approval of a separate permit prior to installation."
g) Remove No. 14J - required at building permit.
h) Remove No. 70A - required at building permit.
i) Site Details - See Detail Sheets: remove No. 2F Construction Safety Fence - building permit item.
3. What exterior material are you using for the propane enclosure wall? This should match the primary building materials.
4. Provide adjacent property owner information for the north, south, and west boundaries.
5. Delineate and label 20-ft landscape buffer.

Landscape Plan:
1. Delineate and label 20-ft landscape buffer.
2. Remove from Legend all labels that do not apply for a landscape plan.
3. Provide labels for "STM" and "DOM".

Photometric Plan:
1. All exterior lighting sources are to be directed down and sheilded with a full cut-off or partial cut-off source and a maximum 1 inch reveal in order to control glare.
2. Maximum lighting intensity at the property line is not to exceed 0.2-FC. Resubmit photometric plan and indicate readings at all property lines (excluding IH-30) in compliance with UDC (i.e. > or = to 0.2-FC).
3. ATM machine requires a 50-ft radius meeting the lighting standards estalblished by the State of Texas. Indicate and label as required.

Building Elevations:
1. Approval of the variance/exception for the use of a cultured stone as requested above for the IH-30 OV district.
2. Is the stone depicted on the elevations a cultured stone (i.e. Eldorado Stone)? If so, the Planning Commission can consider the use of this material when meeting the standards established in Section 6.6.C.1.a, Architectural Standards, of Article V, District Development Standards, of the UDC. Please provide a manufacturers cut sheet and sample of the stone material for consideration.
3. Label and provide a self latching gate mechanism for the dumpster enclosure.
4. Remove Sign information table at lower right corner - All exterior signage requries submittal and approval of a separate sign permit from the building inspections department. Approval of this site plan does not confer approval of a sign permit.
5. Provide calculations for all exterior building materials - broken out for each facade.
6. Variance to the horizontal and vertical articulation standards requried for the IH-30 OV as indicated above under variances.

The following are scheduled meeting dates that you and/or your representative(s) should attend regarding the PD Site Plan. If you have any quesitons regarding this case, please feel free to contact DavidGonzales, AICP with thePlanning Department at 972-771-7745.

Meeting Dates to Attend:

Architectural Review Board: May 30, 2017 (5:00 p.m.) [Applicant to receive recommendations from ARB]

Planning - Work Session: May 30, 2017 (6:00p.m.) [Applicant to present/discuss project to P&Z]

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks
Planning - Action: June 13, 2017 (6:00p.m.) [P&Z to take action (i.e. approve, approve with conditions, etc.)]							
City Council - Action: June 19, 2017 (6:00 p.m.) [FOR VARIANCE REQUEST ONLY]

GENERAL LANDSCAPE NOTES

A. LOCATE ALL UTILITIES AND SITE LIGHTING CONDUITS BEFORE LANDSCAPE CONSTRUCTION BEGINS.

B. NOTIFY LANDSCAPE ARCHITECT OR DESIGNATED REPRESENTATIVE OF ANY LAYOUT DISCREPANCIES PRIOR TO ANY PLANTING.

C. ALL LANDSCAPE MATERIALS SHALL BE IN COMPLIANCE WITH THE AMERICAN STANDARD FOR NURSERY STOCK. (ANSI-Z60.1-1986)

D. ALL WAL-MART PROPERTY DAMAGED DUE TO CONSTRUCTION ACTIVITIES MUST BE REPLACED/RESTORED TO MATCH THE EXISTING TYPE AND QUALITY OF WORK AND MATERIALS, AND IS SUBJECT TO WAL-MART APPROVAL.

E. ALL SLOPES AND AREAS DISTURBED BY CONSTRUCTION SHALL BE GRADED SMOOTH AND FOUR INCHES OF TOPSOIL APPLIED. IF ADEQUATE TOPSOIL IS NOT AVAILABLE ON SITE, THE CONTRACTOR SHALL PROVIDE TOPSOIL APPROVED BY THE OWNER, AS NEEDED. THE AREA SHALL THEN BE SODDED, FERTILIZED, MULCHED, WATERED AND MAINTAINED UNTIL HARDY GRASS GROWTH IS ESTABLISHED IN ALL AREAS. ANY RELOCATED TREES SHALL BE MAINTAINED UNTIL SUCH POINT AS TREE IS RE-ESTABLISHED. ANY AREAS DISTURBED SHALL ANY REASON PRIOR TO FINAL ACCEPTANCE OF THE PROJECT SHALL BE CORRECTED BY THE CONTRACTOR AT NO ADDITIONAL COST TO THE OWNER.

F. THE MURPHY STATION WILL NOT DROP WAL-MART'S GREEN SPACE BELOW CITY'S REQUIREMENTS.

G. CONTRACTOR IS TO VERIFY LOCATION OF WAL-MART IRRIGATION SYSTEM, VALVE BOXES, CONTROL BOXES, BACKFLOW PREVENTION DEVICES AND OTHER ITEMS WHICH ARE PART OF THE SYSTEM. IF DAMAGED THEY MUST BE REPAIRED AT CONTRACTOR'S COST.

H. CONTRACTOR IS TO PROTECT EXISTING LANDSCAPING/IRRIGATION MATERIALS.

I. ACCEPTANCE OF GRADING AND SEEDING SHALL BE BY LANDSCAPE ARCHITECT AND/OR OWNER. THE CONTRACTOR SHALL ASSUME MAINTENANCE RESPONSIBILITIES FOR A MINIMUM OF ONE (1) YEAR OR UNTIL SECOND CUTTING, WHICHEVER IS LONGER. MAINTENANCE SHALL INCLUDE WATERING, WEEDING, RESEEDING, AND OTHER OPERATIONS NECESSARY TO KEEP ALL LAWN AREAS IN A THRIVING CONDITIONS. UPON FINAL ACCEPTANCE, OWNER SHALL ASSUME ALL MAINTENANCE RESPONSIBILITIES. AFTER LAWN AREA HAVE GERMINATED, AREAS WHICH FAIL TO SHOW A UNIFORM STAND OF GRASS FOR ANY REASON WHATSOEVER SHALL BE RE-SEEDED REPEATEDLY UNTIL ALL AREAS ARE COVERED WITH A SATISFACTORY STAND OF GRASS. MINIMUM ACCEPTANCE OF SEEDED LAWN AREAS MAY INCLUDE SCATTERED BARE SPOTS, NONE OF WHICH ARE LARGER THAN 1 SQUARE FOOT, AND WHEN COMBINED DO NOT EXCEED 2% OF TOTAL SEEDED LAWN AREA.

J. THE LANDSCAPE CONTRACTOR SHALL VERIFY ALL QUANTITIES SHOWN ON THESE PLANS, BEFORE PRICING THE WORK.

K. QUANTITIES ON THE PLANT SCHEDULE ARE PROVIDED FOR CONVENIENCE. THE CONTRACTOR SHALL BE RESPONSIBLE FOR HIS/HER OWN QUANTITY CALCULATIONS. IN THE EVENT OF A DISCREPANCY BETWEEN THE LANDSCAPE PLANS AND THE PLANT SCHEDULE, THE LANDSCAPE PLAN WILL TAKE PRECEDENCE. THE CONTRACTOR SHALL INFORM THE LANDSCAPE ARCHITECT IMMEDIATELY UPON DISCOVERING ANY QUANTITY DISCREPANCIES.

L. METAL LANDSCAPE EDGING IS TO BE INSTALLED BETWEEN SOD AND LANDSCAPE PLANTING BED.

NOTES: ALL AREA SITE LIGHT FIXTURES AND POLES TO BE MOUNTED ON CONCRETE BASE PER DETAIL, THIS SHEET

NOTES:

PLAN WAS BASED ON THE INFORMATION PROVIDED. ALL DIMENSIONS, LUMINAIRE LOCATIONS SHOWN REPRESENT RECOMMENDED POSITIONS. THE ENGINEER AND/OR ARCHITECT MUST DETERMINE APPLICABILITY OF THE LAYOUT TO EXISTING OR FUTURE FIELD CONDITIONS.

THE CALCULATED PHOTOMETRIC LEVELS MAY OR MAY NOT MEET CERTAIN STANDARDS OR RECOMMENDED PRACTICES OF IESNA.

THE PHOTOMETRIC PLAN REPRESENTS ILLUMINATION LEVELS CALCULATED FROM LABORATORY DATA TAKEN UNDER CONTROLLED CONDITIONS UTILIZING CURRENT INDUSTRY STANDARD LAMP RATINGS IN ACCORDANCE WITH ILLUMINATING ENGINEERING SOCIETY (IES) APPROVED METHODS. LABORATORY TESTS ARE MADE UNDER OPTIMUM CONDITION, WITH LAMP OUTPUT AT RATED VALUE, AND IN ACCORDANCE WITH ILLUMINATING ENGINEERING SOCIETY APPROVED METHODS.

ACTUAL ILLUMINANCE LEVELS MAY DIFFER DUE TO VARIABLE FIELD CONDITIONS SUCH AS (BUT NOT LIMITED TO): VARIANCE IN LAMP LUMEN OUTPUT; LAMP TILT FACTOR; BALLAST WATTAGE OUTPUT; LINE VOLTAGE AT BALLAST; REFLECTOR SPECULARITY; LAMP LUMEN DEPRECIATION; AND LUMINAIRE DIRT DEPRECIATION.

THE 26'-0" MOUNTING HEIGHT IS THE ACTUAL ASSEMBLY (POLE, BASE, AND FIXTURE) AND MAY DIFFER FROM THE FROM THE LUMINAIRE'S LUMINOUS APERTURE.

THIS PLAN IS FOR RELATIVE LAYOUT AND SCOPE OF WORK PURPOSES ONLY. REFER TO SITE PLAN PREPARED BY LOCAL CONSULTANT FOR RELATIONSHIP OF THESE LUMINAIRES AND THEIR LOCATIONS TO EXISTING STRUCTURES AND REFERENCE.

CONTRACTOR TO ENSURE THE LIGHT POLE AND HANDICAP PARKING SIGN ARE AT LEAST 2' FROM THE BACK OF CURB TO PREVENT VEHICLES FROM STRIKING THE LIGHT POLE OR HANDICAP PARKING SIGN. PROPOSED LIGHT POLE BASES SHOWN AT A MINIMUM OF 2'-6" FROM BACK OF CURB TO CENTER OF POLE/BASE. ENGINEER TO VERIFY PROPOSED LOCATIONS FOR ANY CONFLICTS OR MISPLACEMENTS. REPORT TO LIGHTING DESIGNER ANY DISCREPANCIES OR CONFLICTS

Technical Data

Adhered Veneers & Wall Mounted Accessories

Eldorado Stone is designed to meet or exceed building code requirements. Independent testing confirms compliance with ICC-ES Acceptance Criteria 51 and ASTM C1670, standard specification for Adhered Stone Veneer.

Supporting test data is available upon request.

Local building codes may vary by area. Always check with your local building authorities before installing stone.

For additional technical information please visit: www.eldoradostone.com

Ingredients

Light weight aggregate ASTM C33, C330 & C331

Portland cement ASTM C150, ACI 318

Mineral oxide pigments ASTM C979

Code Acceptability & Certification

UL Registered
Mineral composition units

Surface burning characteristics
Flame Spread 0
Smoke Developed 0

ICC-ES ESR 1215

California Building Code

Florida Building Code

Los Angeles Research Report #25589

HUD Materials Release #910

ASTM C1670

CE Declaration of Conformity
NR #290905-5

Freeze-thaw Durability

Tested in accordance with ASTM C666 & C1364
Less than 1.5 percent weight loss at 50 cycles; passed
Less than 5 percent weight loss at 300 cycles; passed

Shear Bond (Adhesion)

Tested in accordance with ASTM C482

Greater than 50 psi shear bond strength

Absorption

Tested in accordance with ASTM C1670, ICC-ES Acceptance Criteria 51 & ASTM C140

Saturated Density

Tested in accordance with ASTM C1670

Weight less than 15 lbs. per sq. ft., saturated

Thermal Resistance

Tested in accordance with ASTM C177

R value: 0.528 (ft^2-F-hr)/BTU at 1.48" thickness

Compressive Strength

Testing in accordance with C192 & C39

Compressive strength is greater than 2100 psi

Tensile Strength

Exceeds requirement of ASTM C190

Flexural Strength

Exceeds requirement of ASTM C348

Weight Per Square Foot

All adhered veneer profiles weigh less than 15 lbs. per square foot

Wind Load Testing

Tested in accordance with ASTM E330 at 150 mph wind speed; passed

SECTION 04 73 00
MANUFACTURED MASONRY VENEER

GENERAL NOTES TO SPECIFIER:

THIS SPECIFICATION SECTION HAS BEEN PREPARED TO ASSIST DESIGN PROFESSIONALS IN THE PREPARATION OF PROJECT OR OFFICE MASTER SPECIFICATIONS. IT FOLLOWS GUIDELINES ESTABLISHED BY THE CONSTRUCTION SPECIFICATIONS INSTITUTE (CSI), AND THEREFORE MAY BE USED WITH MOST MASTER SPECIFICATION SYSTEMS WITH MINOR EDITING.

EDIT CAREFULLY TO SUIT PROJECT REQUIREMENTS. MODIFY AS NECESSARY AND DELETE ITEMS THAT ARE NOT APPLICABLE. VERIFY THAT REFERENCED SECTION NUMBERS AND TITLES ARE CORRECT. (NUMBERS AND TITLES REFERENCED ARE BASED ON *MASTERFORMAT*, 2004 EDITION).

THIS SECTION ASSUMES THE PROJECT MANUAL WILL CONTAIN COMPLETE DIVISION 1 DOCUMENTS INCLUDING SECTIONS 01 25 13–PRODUCT SUBSTITUTION PROCEDURES, 01 33 00–SUBMITTAL PROCEDURES, 01 62 00–PRODUCT OPTIONS, 01 66 00–PRODUCT STORAGE AND HANDLING REQUIREMENTS, 01 74 00–CLEANING AND WASTE MANAGEMENT, 01 77 00–CLOSEOUT PROCEDURES, AND 01 78 00–CLOSEOUT SUBMITTALS. CLOSE COORDINATION WITH DIVISION 1 SECTIONS IS REQUIRED. IF THE PROJECT MANUAL DOES NOT CONTAIN THESE SECTIONS, ADDITIONAL INFORMATION SHOULD BE INCLUDED UNDER THE APPROPRIATE ARTICLES.

THIS IS A CLOSED PROPRIETARY SPECIFICATION.

NOTES TO THE SPECIFIER ARE CONTAINED IN BOXES AND SHOULD BE DELETED FROM FINAL COPY.

HIGHLIGHTED TEXT AND NOTES RELATE TO LEED® PROJECTS AND CAN BE DELETED IF THE PROJECT IS NOT INTENDED TO ATTAIN LEED® CERTIFICATION. CREDIT REFERENCES REFER TO LEED® FOR NEW CONSTRUCTION, V2.2.

OPTIONAL ITEMS REQUIRING SELECTION BY THE SPECIFIER ARE ENCLOSED WITHIN BRACKETS, E.G. [35] [40] [45]. MAKE APPROPRIATE SELECTIONS AND DELETE OTHERS.

ITEMS REQUIRING ADDITIONAL INFORMATION ARE UNDERLINED BLANK SPACES, E.G. _____ .

OPTIONAL PARAGRAPHS REQUIRING SELECTION OF ONE OF THE OPTIONS ARE SEPARATED BY "OR" WITHIN A BOX, E.G.

OR

BOLD FACE TEXT IDENTIFIES OPTIONAL PARAGRAPHS AND FEATURES THAT MAY BE INCLUDED OR DELETED DEPENDING ON PROJECT REQUIREMENTS. CONVERT THE BOLD FACE TEXT TO REGULAR TEXT WHEN INCLUDING THESE PARAGRAPHS OR FEATURES. WHEN DELETING A PARAGRAPH, BE CERTAIN THAT ALL SUBPARAGRAPHS ARE ALSO DELETED.

REVISE FOOTER TO SUIT PROJECT/OFFICE REQUIREMENTS.

ELECTRONIC VERSIONS OF THIS SPECIFICATION UTILIZE AUTOMATIC PARAGRAPH NUMBERING.

PART 1 - GENERAL

1.01 SUMMARY

A. Section Includes: Portland cement based manufactured [stone] [and] [brick] veneer and trim.

B. Related Sections:

INCLUDE ALL DIVISION 01 SECTIONS CONTAINING LEED® REQUIREMENTS.

1. **__ __ __-_____. Wall Framing.**
2. **__ __ __-_____. Wall Sheathing.**
3. **07 60 00–Flashing and Sheet Metal.**
4. **07 92 00–Joint Sealants.**
5. **09 24 00–Portland Cement Plastering.**
6. **10 30 00–Fireplaces and Stoves.**

INCLUDE APPROPRIATE LANGUAGE BELOW IF PRODUCTS SPECIFIED IN THIS SECTION ARE TO BE BID AS ALTERNATES. OTHERWISE DELETE FOLLOWING PARAGRAPH.

C. Alternates:

1. Reference Section 01 23 00–Alternates.

1.03 SUBMITTALS

A. Reference Section 01 33 00–Submittal Procedures; submit following items:
1. Product Data.
2. Samples:
a. Standard sample board consisting of small-scale pieces of veneer units showing full range of textures and colors.
b. Full range of mortar colors.
3. Verification Samples: Following initial sample selection submit "laid-up" sample board using the selected stone and mortar materials and showing the full range of colors expected in the finished Work; minimum sample size: 3 by 3 feet (1 by 1 m).
4. Quality Assurance/Control Submittals:
a. Qualifications:
1) Proof of manufacturer qualifications.
2) Proof of installer qualifications.
b. Regulatory Requirements: Evaluation reports.
c. Veneer manufacturer's installation instructions.
d. Installation instructions for other materials.
5. LEED® Submittals:
a. Credit MR 4.1, 4.2 Recycled Content: Provide percentage of recycled content (post-consumer and pre-consumer).
b. Credit MR 5.1, 5.2 Regional Materials:
1) Provide distance between Project site and extraction site.
2) Provide distance between Project site and final manufacturing location.

MANUFACTURED MASONRY CAN ALSO CONTRIBUTE TO CREDIT EA 1 FOR OPTIMIZING ENERGY PERFORMANCE AND CREDITS ID 1.1-1.4 FOR INNOVATION IN DESIGN, HOWEVER, NO SPECIFIC SUBMITTALS ARE REQUIRED IN THIS SECTION.

B. Closeout Submittals: Reference Section 01 78 00-Closeout Submittals; submit following items:

1. Maintenance Instructions.
2. Special Warranties.

1.04 QUALITY ASSURANCE

A. Qualifications:

1. Manufacturer Qualifications: Eldorado Stone, LLC.
2. Installer Qualifications: Experienced mason familiar with installation procedures and related local, state and federal codes masonry.

B. Certifications:

1. **ICC Evaluation Service - Evaluation Report ESR-1215**
2. **ICC ESR-1215, Florida Building Code Supplement**
3. **ASTM C1670**
4. **LARR – Research Report RR25589**
5. **HUD - Material Release Number 910F**
6. **UL - Classification listing in Building Materials Directory: UL 546T (F8002)**

C. Field Sample:

COMPLETE FOLLOWING SUBPARAGRAPH TO INCLUDE DESIRED DETAILS SUCH AS CORNERS, TRIM, MORTAR JOINTS AND JOINT DETAILS ABUTTING OTHER MATERIALS.

1. Prepare [4 by 4 foot (1200 by 1200 mm)] [___ by ___ foot (_____ by _____ mm)] sample at a location on the structure as selected by the Architect. Use approved selection sample materials and colors. Include _____ .
2. Obtain Architect's approval.
3. Protect and retain sample as a basis for approval of completed manufactured stone work. Approved sample may be incorporated into completed work.

1.05 DELIVERY, STORAGE, AND HANDLING

A. Reference Section 01 66 00-Product Storage and Handling Requirements.

B. Follow manufacturer's instructions.

1.06 PROJECT/SITE CONDITIONS

A. Environmental Requirements: When air temperature is 40 degrees F (4.5 degrees C) or below, consult local building code for Cold-Weather Construction requirements.

1.07 WARRANTY

A. Special Warranty: Manufacturer's standard warranty coverage against defects in materials when installed in accordance with manufacturer's installation instructions.

PART 2 - PRODUCTS

2.01 MANUFACTURER

A. Eldorado Stone, LLC
1370 Grand Ave., Bldg. B
San Marcos, CA 92069

Tel: (800) 925-1491
Fax: (760) 736-3840
E-Mail: customerservice@eldoradostone.com
Website: www.eldoradostone.com

INSERT NAME, ADDRESS AND CONTACT INFORMATION OF LOCAL DISTRIBUTOR BELOW.

1. Manufacturer's Distributor:

IF PROJECT UTILIZES ONLY ONE TYPE OF STONE, INSERT THE NAME OF THE PRODUCT IN THE BLANK SPACE BELOW AND DELETE THE SECOND SELECTION. IF MORE THAN ONE TYPE OF STONE IS REQUIRED, DELETE THE FIRST SELECTION AND VERIFY THAT STONE TYPES ARE NOTED ON DRAWINGS.

B. Product: [_____ veneer] [Veneer types as shown on Drawings].

C. Substitutions: None Allowed.

2.02 MATERIALS

A. Stone Veneer:

SELECT DESIRED PROFILE FROM THE ELDORADO STONE WEBSITE PRODUCTS DROP DOWN MENU; CLICK ON "STONE VENEER" THEN CLICK ON THE APPROPRIATE REGION. INSERT PROFILE BELOW.

1. Profile: _____ . Include matching corner pieces.

SELECT DESIRED STONE ACCENTS FROM THE ELDORADO STONE WEBSITE PRODUCTS DROP DOWN MENU; CLICK ON "STONE ACCENTS." INSERT DESIRED ACCENTS BELOW AND INSERT TEXTURE IF REQUIRED. VERIFY THAT DIMENSIONS, IF REQUIRED, ARE SHOWN ON THE DRAWINGS.

2. Stone Accents: _____ .

a. Color: [Buckskin] [Earth] [Smoke] [Taupe] [As shown on Drawings].

b. Texture: _____ .

B. Brick Veneer:

SELECT DESIRED PROFILE AND COLOR FROM THE ELDORADO STONE WEBSITE ELDORADO BRICK; CLICK ON "BRICK," THEN CLICK ON "VIEW ALL BRICK PROFILES." INSERT PROFILE AND COLOR BELOW..

1. Profile: _____ . Include matching corner pieces.

a. Color: _____ .

SELECT DESIRED BRICK ACCENTS FROM THE ELDORADO STONE WEBSITE DROP ELDORADO BRICK; CLICK ON "ACCENTS." INSERT DESIRED ACCENTS BELOW. CLICK ON "CHOOSE ACCENTS' COLORS" TO SELECT COLOR. VERIFY THAT DIMENSIONS, IF REQUIRED, ARE SHOWN ON THE DRAWINGS.

2. Brick Accents: _____ .

a. Color: [Match brick] [_____] [As shown on Drawings].

C. Veneer Unit properties: Precast veneer units consisting of portland cement, lightweight aggregates, and mineral oxide pigments.

1. Compressive Strength: ASTM C 192 and ASTM C 39, 5 sample average: greater than 1,800 psi (12.4MPa).
2. Shear Bond: ASTM C 482: 50 psi (345kPa), minimum.
3. Freeze-Thaw Test: ASTM C 67: Less than 3 percent weight loss and no disintegration.
4. Thermal Resistance: ASTM C 177: 0.473 at 1.387 inches thick
5. Weight per square foot: 2012 IBC and 2012 IRC, ASTM C1670, 15 pounds, saturated.

EDIT MATERIALS PER BUILDING CODE REQUIREMENTS. DELETE FROM THIS SECTION IF SPECIFIED IN OTHER SECTIONS.

D. Weather Barrier: [ASTM D 226, Type I, No. 15, non-perforated asphalt-saturated felt paper] [UBC Standard 14-1, kraft waterproof building paper] or [UBC Standard No. 14-1, Kraft Waterproof Building Paper] or [ICC AC-38, synthetic house wrap]

E. Reinforcing: [ASTM C 847, 2.5lb/yd2 (1.4kg/m2) galvanized expanded metal lath] [ASTM C 847, 3.4lb (1.8 kg/m2) galvanized 3/8" rib lath] [ASTM C 1032, 17 gauge (1.3 mm) woven wire mesh] [ASTM C933 Welded Wire Lath] complying with code agency requirements for the type of substrate over which stone veneer is installed.

F. Mortar:

1. Cement: Portland cement complying with ASTM C 1329.
2. Lime: ASTM C 207.
3. Sand: ASTM C 144, natural or manufactured sand.
4. **Color Pigment: ASTM C 979, mineral oxide pigments.**
5. Water: Potable.
6. Pre-Packaged Latex-Portland Cement Mortar: ANSI A118.4.

G. Bonding Agent: Exterior integral bonding agent meeting [ASTM C 932] [ASTM C 1059 Type II]

H. Water Repellent: Water based silane or siloxane masonry water repellent

2.03 MORTAR MIXES

A. Standard Installation (Grouted Joints):

1. Mix mortar in accordance with ASTM C 270,
2. Polymer modified mortar complying with ANSI A118.4
   a. **Add color pigment in grout joint mortar in accordance with pigment manufacturer's instructions not to exceed 10% by weight of cement.**

OR

A. Jointless/Dry-Stacked Installation:

1. Polymer modified mortar complying with ANSI A118.4
2. Mortar prepared to comply with ASTM C270, Type S mortar.
   a. **Add color pigment in accordance with pigment manufacturer's instructions.**

PART 3 - EXECUTION

3.01 EXAMINATION

A. Examine substrates upon which work will be installed.

B. Coordinate with responsible entity to perform corrective work on unsatisfactory substrates.

C. Commencement of work by installer is acceptance of substrate.

3.02 PREPARATION

A. Protection: Protect adjacent work from contact with mortar.

B. Surface Preparation: Prepare substrate in accordance with manufacturer's installation instructions for the type of substrate being covered.

3.03 INSTALLATION

A. Install and clean stone in accordance with manufacturer's installation instructions for Standard Installation (Grouted Joint) or Jointless/Dry-Stacked installation as specified above.

B. Apply repellent in accordance with repellent manufacturer's application instructions.

3.04 FIELD QUALITY CONTROL

A. Manufacturer's Field Services: Manufacturer's Field Service Representative shall make [one] [two] [_____] periodic site visits review of on-going installation process but is not responsible for any errors or omissions that are not observed or are previously completed.

3.05 CLEANING

A. Reference Section 01 74 00–Cleaning and Waste Management.

B. Remove protective coverings from adjacent work.

C. Cleaning Veneer Units:

1. Wash with soft bristle brush and water/granulated detergent solution
2. Rinse immediately with clean water

D. Removing Effloresence:

1. Allow veneer to dry thoroughly
2. Scrub with soft bristle brush and clean water
3. Rinse immediately with clean water; allow to dry
4. If efflorescence is still visible, contact ES Customer Service for assistance

END OF SECTION[1]

[1] THIS SPECIFICATION WAS PREPARED SPECIFICALLY FOR ELDORADO STONE CORPORATION BY ASC SPECIFICATION CONSULTANTS. COMMENTS OR SUGGESTIONS FOR IMPROVEMENT SHOULD BE ADDRESSED TO ELDORADO STONE VIA THE CONTACT INFORMATION ON PAGE ONE.

AGENDA
PLANNING AND ZONING COMMISSION WORK SESSION
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
June 27, 2017
6:00 P.M.

CALL TO ORDER

CONSENT AGENDA

1. **Approval of Minutes** for the *June 13, 2017* Planning and Zoning Commission meeting.

2. **P2017-029** **(Korey)**
   Discuss and consider a request by Joe Wimpee for the approval of a final plat of Lot 1, Block A, Wimpee Acres Addition being an 8.1232-acre tract of land identified as Tract 2 of the C. W. Jones Survey, Abstract No. 127, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located north of the intersection of Dalton Road and Promenade Place, and take any action necessary.

3. **P2017-031** **(David)**
   Discuss and consider a request by Rick Dirkse for the approval of a replat for Lot 1, Block A, Dirkse Addition being 2.29-acres of land currently identified as Lots 1-6, Block B, Rockwall OT Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, situated within the SH-66 Overlay (SH-66 OV) District, addressed as 301 N. Goliad Street, and take any action necessary.

APPOINTMENTS

4. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

DISCUSSION ITEMS

5. **Z2017-023** **(Korey)**
   Hold a public hearing to discuss and consider a request by Joe Wimpee for the approval of a zoning change from an Agricultural (AG) District to a Single-Family Estate 4.0 (SFE-4.0) District for an 8.1232-acre tract of land identified as Tract 2 of the C. W. Jones Survey, Abstract No. 127, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located north of the intersection of Dalton Road and Promenade Place, and take any action necessary.

6. **Z2017-024** **(Korey)**
   Hold a public hearing to discuss and consider a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a Specific Use Permit (SUP) for a daycare facility for a 2.38-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the North SH 205 Overlay (N-SH 205 OV) District, addressed as 4031 N. Goliad Street, and take any action necessary.

7. **Z2017-025** **(Korey)**
   Hold a public hearing to discuss and consider a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a Specific Use Permit (SUP) for a general retail store for a 2.38-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the North SH 205 Overlay (N-SH 205 OV) District, addressed as 4031 N. Goliad Street, and take any action necessary.

8. **Z2017-026** **(David)**
   Hold a public hearing to discuss and consider a city initiated request for the approval of a text amendment amending Section 4.1, Lots Less Than Five (5) Acres, of Article VI, Parking and Loading, of the Unified Development Code and Chapter 26, Motor Vehicles and Traffic, of the Municipal Code of Ordinances for the purpose of consolidating language relating to the storage of recreation vehicles and adding provisions to allow extended parking, and take any action necessary.

9. **Z2017-027** **(David)**
   Hold a public hearing to discuss and consider a request by Mahbub Dewan of D1 Architect on behalf of Deepak Gandhi for the approval of a Specific Use Permit (SUP) for the purpose of allowing a residence hotel in a Commercial (C) District that exceeds 36-feet in the Scenic Overlay (SOV) District on a 5.217-acre parcel of land identified as a portion of Lot 8 and all of Lots 9 & 11, Block A, La Jolla Pointe, Phase 2 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) and IH-30 Overlay (IH-30 OV) Districts, generally located along La Jolla Pointe Drive, east of the intersection of La Jolla Pointe Drive and Laguna Drive, and take any action necessary.

10. **Z2017-028** **(David)**
    Hold a public hearing to discuss and consider a request by Mahbub Dewan of D1 Architect on behalf of Deepak Gandhi for the approval of a Specific Use Permit (SUP) for the purpose of allowing a hotel in a Commercial (C) District that exceeds 36-feet in the Scenic Overlay (SOV) District on a 5.217-acre parcel of land identified as a portion of Lot 8 and all of Lots 9 & 11, Block A, La Jolla Pointe, Phase 2 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) and IH-30 Overlay (IH-30 OV) Districts, generally located along La Jolla Pointe Drive, east of the intersection of La Jolla Pointe Drive and Laguna Drive, and take any action necessary.

11. **Z2017-029** **(David)**
    Hold a public hearing to discuss and consider a request by Juan J. Vasquez of Vasquez Engineering, LLC on behalf of the owner Don Silverman of Rockwall 205-552, LLC for the approval of a Specific Use Permit (SUP) for an ~3,000 SF restaurant with drive-through on a 0.857-acre parcel of land identified as Lot 4, Block A, Dalton-Goliad Addition, City of Rockwall, Rockwall County, Texas, zoned General Retail (GR) District, situated within the North SH-205 Overlay (N-SH-205 OV) District, addressed as 3611 N. Goliad Street, and take any action necessary.

12. **Z2017-030** **(Korey)**
    Hold a public hearing to discuss and consider a request by Calise Barraque of The Mint Julep on behalf of the owner Caprice Michelle of Rockwall Rustic Ranch, LLC for the approval of a Specific Use Permit (SUP) for a general retail store on a 0.183-acre tract of land identified as Lot 1, Block A, Rockwall Rustic Ranch Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50), addressed as 406 N. Goliad Street, and take any action necessary.

13. **P2017-032** **(David)**
    Discuss and consider a request by Cody Brooks, PE of Bannister Engineering on behalf of John Arnold of the Skorburg Co. for the approval of a preliminary plat for the Gideon Grove Subdivision consisting of 72 single-family residential lots on a 29.185-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 77 (PD-77), situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

14. **SP2017-018** **(Korey)**
    Discuss and consider a request by Annalyse Olson on behalf of Ron Valk for the approval of a site plan for a multi-tenant office/warehouse facility on a 2.21-acre parcel of land identified as Lot 6, Block A, Bodin Industrial Tract Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located east of the intersection of T. L. Townsend Drive and Trowbridge Drive, and take any action necessary.

15. **SP2017-019** **(Korey)**
    Discuss and consider a request by Juan J. Vasquez of Vasquez Engineering, LLC on behalf of Himmat Chauhan of JAGH Hospitality for the approval of a site plan for a hotel a 1.74-acre parcel of land identified as Lot 1, Block A, Comfort Inn & Suites, Rockwall Towne Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within IH-30 Overlay (IH-30 OV) and Scenic Overlay (SOV) Districts, addressed as 700 E. IH-30, and take any action necessary.

16. **SP2017-020** **(David)**
    Discuss and consider a request by Cody Brooks, PE of Bannister Engineering on behalf of John Arnold of the Skorburg Co. for the approval of a site plan/master open space plan for the Gideon Grove Subdivision consisting of 72 single-family residential lots on a 29.185-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 77 (PD-77), situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District,

located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

17. Director's Report of post Council meeting outcomes of Planning & Zoning cases **(Ryan)**.

- ✓ SP2017-016: Variance for Murphy Oil USA, Inc. [*Approved*]
- ✓ Z2017-019: Zoning Change (AG to LI) (*1st Reading*) [*Withdrawn*]
- ✓ Z2017-020: Rockwall SIL (AG & C to PD) (*1st Reading*) [*Tabled*]
- ✓ Z2017-022: 205 By-Pass Corridor Overlay (205 BY-OV) District Amendments (*1st Reading*) [*Approved*]
- ✓ H2017-007: Rescind Landmark Designation for 902 N. Goliad Street (*1st Reading*) [*Approved*]

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator of the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 23rd day of May, 2017 at 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

AGENDA
ARCHITECTURAL REVIEW BOARD MEETING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers Conference Room
June 27, 2017
5:00 PM

ACTION ITEMS

1. **SP2017-018** **(Korey)**
   Discuss and consider a request by Annalyse Olson on behalf of Ron Valk for the approval of a site plan for a multi-tenant office/warehouse facility on a 2.21-acre parcel of land identified as Lot 6, Block A, Bodin Industrial Tract Addition, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located east of the intersection of T. L. Townsend Drive and Trowbridge Drive, and take any action necessary.

2. **SP2017-019** **(Korey)**
   Discuss and consider a request by Juan J. Vasquez of Vasquez Engineering, LLC on behalf of Himmat Chauhan of JAGH Hospitality for the approval of a site plan for a hotel a 1.74-acre parcel of land identified as Lot 1, Block A, Comfort Inn & Suites, Rockwall Towne Centre Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within IH-30 Overlay (IH-30 OV) and Scenic Overlay (SOV) Districts, addressed as 700 E. IH-30, and take any action necessary.

3. **SP2017-020** **(David)**
   Discuss and consider a request by Cody Brooks, PE of Bannister Engineering on behalf of John Arnold of the Skorburg Co. for the approval of a site plan/master open space plan for the Gideon Grove Subdivision consisting of 72 single-family residential lots on a 29.185-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 772-6406 for further information.

I, Laura Morales, Planning & Zoning Coordinator for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 23rd day of June, 2017, by 5:00 p.m., and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MINUTES

PLANNING AND ZONING COMMISSION PUBLIC HEARING
City Hall, 385 South Goliad, Rockwall, Texas
Council Chambers
June 13, 2017
6:00 P.M.

I. CALL TO ORDER

Chairman Lyons called the meeting to order at 6:02 p.m. The Commissioners present at the meeting were, Patrick Trowbridge, Tracey Logan, Eric Chodun, Annie Fishman, and Mark Moeller. Absent was Commissioner Jerry Welch. Staff members present were Planning Director, Ryan Miller, Senior Planner David Gonzales, Planner, Korey Brooks, Planning Coordinator, Laura Morales and Assistant Engineer, Amy Williams.

II. CONSENT AGENDA

1. Approval of Minutes for the May 9, 2017 Planning and Zoning Commission meeting.

2. Approval of Minutes for the May 30, 2017 Planning and Zoning Commission meeting.

3. SP2017-017

Discuss and consider a request by Matt Moore of Claymoore Engineering, Inc. on behalf of Rockwall Regional Hospital, LLP for the approval of an amended site plan for a hospital [*Presbyterian Hospital*] on a 18.871-acre parcel of land identified as Lot 22, Block A, Presbyterian Hospital of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, addressed as 3150 Horizon Road, and take any action necessary.

Commissioner Fishman made a motion to approve the consent agenda. Commissioner Trowbridge seconded the motion which passed by a vote of 6-0, Commissioner Welch absent.

III. APPOINTMENTS

4. Appointment with Architectural Review Board representative to receive the Board's recommendations and comments for items on the agenda requiring architectural review.

Architectural Review Board representative, Phillip Cradock, gave a brief explanation of the agenda item that was discussed at the ARB meeting.

IV. PUBLIC HEARING ITEMS

5. Z2017-019

Hold a public hearing to discuss and consider a request by Clarence L. Jorif of *The Compound at Rockwall* on behalf of Tom Szoboszlay for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for 20.0-acre tract of land identified as Tract 5 of the J. H. Bailey Survey, Abstract No. 34, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-276 Overlay (SH-276 OV) District, addressed as 4821, 4827 & 4849 SH-276, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the case stating that the subject property is a 20.0-acre tract of land generally located along the southern portion of SH-276, situated between Gumbo Drive and FM 551, and is situated within the SH-276 Overlay and was annexed into the City on December 22, 2008 and is zoned Agricultural District. The applicant is requesting to change the zoning of the subject property from an Agricultural District to a Light Industrial District. Directly north of the subject property is an unincorporated area of the City that is north of SH-276 and contains a mix of uses, both residential and non-residential. The area is within the City's extraterritorial jurisdiction. Directly south of the subject property is Planned Development District 76, which is designated for Single Family 1 District land uses. PD-76 is an approximately 138-acre vacant tract of land that will accommodate 107 single family homes situated on a minimum of one acre lots. According to the Master Thorough Plan, a minor collector street will separate the proposed zoning request with this SF-1 development. Directly

east of the subject property are a 1.0-acre, 5.0-acre, 9.041-acre, and 34.39-acre tract of land that contains a mix of uses that are both residential and non-residential and were annexed at the same time as the subject property. These tracts of land are zoned Agricultural District. And lastly, directly west of the subject property is the 10.0-acre tract of land containing a single family home that was annexed at the same time as the subject property and is zoned Agricultural District.

Mr. Gonzales further stated that the Future Land Use Map designates portions of the subject property as Technology/Light Industrial and Low Density Residential Districts. The northern portion of the subject property is designated as Technology/Light Industrial which is intended to provide for research and development, office, light industrial uses. Also, that the northern portion of the subject property conforms to the Future Land Use Maps' designation. The z conceptual site plan contained in the draft ordinance does not vest the development and is only representative of the boundary of the subject property which is described in the legal description. The southern portion of the subject property is designated as Low Density Residential. The applicants request would change the Future Land Use Map designation for the southern portion of the subject property to a Technology/Light Industrial designation. This designation may be considered an appropriate use for the subject property given that several of the properties located east and west of the subject property adjacent to Hwy 276 have dual Future Land Use designations. The Master Thoroughfare Plan indicates that a minor collector a 60-ft right-of-way, 2-lane undivided with 2-on street parking lane will be placed along the southern of the subject property and extend from Dowell Road to FM-551. This may warrant the change to the Future Land Use Map; however, this remains a discretionary decision for the Planning and Zoning Commission and City Council and should the City Council approve the applicant's request, a condition of approval would be to amend the Future Land Use Map to reflect the proposed change in land use for the southern portion of the subject property from a Low Density Residential designation to a Technology/Light Industrial designation.

Mr. Gonzales went on to state that on May 17, 2017, staff mailed 11 notices to property owners and residents within 500-feet of the subject property and posted a sign along SH-276, adjacent to the subject property. One notice opposed to the zoning change request was received.

Mr. Gonzales advised the Commission that the applicant was present and both staff and the applicant were available for questions.

Chairman Lyons opened up the public hearing and asked the applicant to come forward.

Clarence Jorif
738 Justin Road
Rockwall, TX

Mr. Jorif came forward and stated that the the purpose for the facility is to enable the citizens of Rockwall and surrounding areas to take care of themselves and those around them as well as to allow law enforcement the opportunity to enhance their training. Mr. Jorif spoke of his background in the area of law enforcement and the military and his desire to give back to the community by providing this type of facility that will help augment to the existing training facilities that are provided to the local and neighboring law enforcement communities. He respectfully asked the Commission to consider and approve the request.

Chairman Lyons asked the Commission for questions for the applicant.

Commissioner Trowbridge asked if the zoning change request is for the lot but won't be utilizing the entire depth of the lot, can what the applicant have be proposed be within the boundaries that change from Light Industrial to Low Density Residential as depicted in map that staff provided which showed current zoning and what the Future Land Use designates. Mr. Gonzales explained that the zoning request is for the entire 20 acre property and therefore would be appropriate to move forward with the zoning that was requested. Commissioner Trowbridge asked if the use was only for the front or the back. Mr. Jorif explained that it will be done in phases, phase 1 is currently being operated out of 738 Justin Road it's an office and classroom environment where training license to carry takes place, since there is no range available there the clients are taken to the gun range in Garland. Phase 2 is the 58,000 square foot facility which he provided a picture of where within that he plans on building. Phase 3 will consist of a modular armored tactical combat house, which basically is a shoot house which will be self- contained,

covered and currently local and surrounding law enforcement agencies do not have anything similar to which they could use in the area. Phase 4 will be another building on the property that will be used for archery. The back area of the property will be turned into a land navigation area. The only place where any live fire will take place will in the actual facility itself. That is the reason for the request to zone the entire site to Light Industrial. Commissioner Trowbridge asked what the back area will be used for. Mr. Jorif continued to explain that the back part of the area is currently overgrown with trees and that is where he plans on using it as a land navigation course.

Commissioner Logan asked what the need for this type of facility is when training facilities are already available to law enforcement. Mr. Jorif explained that the current training facility on John King and Airport Road is one dimensional, what he is proposing will be 101 yard range indoors for long gun training, tactical training from a 25 yard line where a person can start at the 3foot yard line and work their way to the 25 yard line. There will also be a mat room which will allow for hands on tactical training and also a tactical simulations room. It is not meant to take the place of training facilities that are available to law enforcement but rather augments to those.

Commissioner Logan asked if the back portion is changed to Light Industrial would it then leave it open to allow for an outdoor range. Mr. Gonzales stated that an outdoor range would require a Specific Use Permit which would be another zoning change, however an indoor range is allowed in the Light Industrial and a Commercial use and no outdoor gun ranges are allowed within the City.

Commissioner Chodun asked if there were any additional requirements for an indoor range as well as the retail aspect. Mr. Gonzales stated it is a use permitted by right.

Chairman Lyons generally expressed being in favor of the request which would allow to augment the already existing facilities available to the law enforcement community.

Commissioner Trowbridge expressed concern over the back part of the lot penetrating into the Low Density Residential area to the south.

General discussion took place detailing what the five phases of the project will encompass.

Chairman Lyons opened up the public hearing and asked if anyone wished to speak to come forward, there being no one indicating such Chairman Lyons closed the public hearing and brought the item back to Commission for discussion or a motion.

Commissioner Fishman generally expressed being in favor of the request feels there is a need for this type of facility and it could bring a lot of value to Rockwall, however she expressed concern with the property to the south and how it will combine with the Low Density Residential that is designated in the Future Land Use Map.

Commissioner Moeller generally expressed being in favor of the request and stated that there is a need for this type of facility and feels that the proposal is well thought out and will augment the already existing police training facilities.

Commissioner Chodun generally agreed with Commissioner Fishman's concerns. He feels the need does exist for a facility such as this however he feels the facility itself is too big.

Commissioner Logan expressed concern of the south end of the property and also generally not in favor of bringing in a gun range to the City.

Commissioner Trowbridge expressed concern over what the Future Land Use Map designates the area to be.

Commissioner Lyons expressed being in favor of the request and expressed the need for such facilities.

Commissioner Logan asked for clarification of what the Future Land Use map is designating and general discussion took place between the Commission concerning the designation of the subject property within the Future Land Use Map.

Commissioner Trowbridge made a motion to recommend approval of the zoning change request for the portion of the subject property that lies within the Future Land Use Map designated as Technology/Light Industrial District from an Agricultural District to a Light Industrial District. Commissioner Chodun seconded the motion which passed by a vote of 5-1 with Commissioner Logan dissenting and Commissioner Welch absent.

6. Z2017-020

Hold a public hearing to discuss and consider a request by Rockwall SIL, LLC on behalf of the owner Cameron & Cameron for the approval of a zoning change from an Agricultural (AG) and Commercial (C) District to a Planned Development District for an age-restricted multi-family apartment complex on a 12.40-acre tract of land identified as Tract 8 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) and Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the west side of T. L. Townsend Drive south of Justin Road, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the case stating that the applicant requesting to rezone a 12.40-acre tract of land from an Agricultural and Commercial District to a Planned Development District for an age restricted multi-family apartment complex that will consist of 174 units. The subject property, which was annexed into the City on June 20, 1959 and February 6, 1961 by Ordinance No.'s 59-02 & 60-01, is located north of the intersection of E. Yellow Jacket Lane and T. L. Townsend Drive, and is currently a vacant tract of land. In addition, the subject property is currently unplatted. Directly north of the subject property is eight parcels of land zoned Commercial District and situated on these parcels are several multi-tenant office buildings and the Rockwall Central Appraisal District's office building. Beyond that is Justin Road, which is identified as a major arterial, four lane divided roadway on the City's Master Thoroughfare Plan. Beyond this is a mini-warehouse facility which is zoned Commercial District. Directly south of the subject property are two parcels of land which are occupied with a church and community garden. Both of these parcels are zoned Commercial District. Beyond this quasi-public use is E. Yellow Jacket Lane, which is identified as a major arterial, four lane, divided roadway on the City's Master Thoroughfare Plan. Directly east of the subject property is T. L. Townsend Road, which is identified as. major arterial, four lane, divided roadway on the City's Master Thoroughfare Plan. Beyond this are a vacant 12.484-acre parcel of land that is zoned Light Industrial District and, a 41.649-acre parcel of land that is zoned Agricultural District. Situated on the 41.649-acre parcel of land is Herman E. Utley Middle School. And directly west of the subject property are three parcels of land and all of those properties are zoned Commercial District and are situated within the SH-205 Overlay District.

Mr. Gonzales went on to explain that based on the size of the subject property and the number of units proposed, the requested density will be 14 units per acre, meeting the standards established for a Multi-Family 14 District. However, the Future Land Use Map indicates the subject property to be zoned for commercial land uses. Based on the request for a high density development the Engineering Department has contacted the City's engineering consultant, Birkhoff, Hendricks & Carter, LLP to review the City's 2014 Wastewater Collection System Master Plan and determine the capacity necessary for the existing sanitary sewer system regarding the proposed planned development. Any zoning change proposing a more intense land use than what is depicted on the City's Future Land Use Plan could have implications for the City's existing infrastructure capacities. This development conforms to all other requirements of the Multi-Family 14 District. Also, Article VI, Parking and Loading, of the Unified Development Code stipulates that multi-family apartment complexes be parked as follows: one bedroom or efficiency units require 1½ parking spaces per unit, two) bedroom units require two parking spaces per unit, and three bedroom units require 2½ parking spaces per unit. The applicant has indicated that the age restricted multi-family apartment complex will have one and two bedroom units only. This equates to 291 required parking spaces for the proposed development; however, the applicant is proposing a 1.25 spaces/unit for a total of 218 parking spaces. This will require approval of the Planning and Zoning Commission and City Council for the reduced number of parking spaces. The PD Concept Plan indicates that a mixture of 22 attached garages, 32 detached garages, and 34 covered surface spaces, and 130 surface parking spaces will be utilized. The ratio of garages to parking units equals 54:218 or 24.77% of all parking spaces.

Mr. Gonzales further explained that the applicant has submitted a concept plan, building elevations, and development standards for the proposed age restricted multi-family apartment complex. The concept plan shows that the proposed 174-unit age restricted apartment complex will consist of a four story building composed of a total 196,957 gross square footage and the

proposed building design will incorporate a wrap-around architectural style with a courtyard and pool amenity in the center. The development will also include a five foot meandering walking trail, pavilion, putting green, and an indoor recreation area. Additionally a barber and beauty shop, chapel, drug store, and a health studio will be available to the residents and not by the general public. The proposed multi-family complex will be highly articulated and will meet the City's standards for building design and materials.

Mr. Gonzales went on to state that the building elevations submitted by the applicant show that the building will utilize a mixture of natural stone, brick, and HardiePlank lap siding on the exterior façades, and a composition shingled roof. In addition, the elevations conform to the four sided architecture requirements stipulated by the SH-205 Overlay District as required by the UDC. Staff has incorporated these elevations into the Planned Development District Ordinance, and general conformance to these elevations pending a recommendation by the Architectural Review Board at the time of site plan is a requirement of the proposed zoning district. The Future Land Use Map, contained within the Comprehensive Plan, designates the subject property for Commercial land uses. Staff has verified that this designation has existed since at least 1995 and the subject property was designated as Commercial/Office on the 1986 Future Land Use Map. The proposed development would require this designation to be changed to a High Density Residential designation, which the Comprehensive Plan defines as any use that exceeds three units per acre. In addition, the Comprehensive Plan states that high density residential should be used as a transitional use from commercial or existing retail use, or where it will serve as a logical extension of an existing high density development. The proposed subject property and zoning change does appear to conform to the majority of the Comprehensive Plan's policies and guidelines with regard to the High Density Residential designation. With this being said, the density being proposed and any change to the Future Land Use Map is a discretionary decision for the City Council. Should the City Council approve the applicant's request, staff has included a condition of approval that would amend the Future Land Use Map to reflect the proposed change in land use from a Commercial designation to a High Density Residential designation.

Mr. Gonzales further stated that on May 17, 2016, staff mailed 34 notices to property owners and residents within 500-feet of the subject property and posted a zoning sign along T. L. Townsend Drive. Four notices were received in favor and one notice in opposition, and one email opposed to the request.

Mr. Gonzales advised the Commission the applicants were present and they, as well as staff, were available for questions.

Chairman Lyons opened up the public hearing and asked the Commission for any questions.

Commissioner Chodun asked for the reason the Future Land Use Map designated the area as Commercial, what was envisioned for the reason behind it. Mr. Gonzales stated that the Future Land Use Map has had that designation since 1986 and the thought process back then was probably for what the surrounding land uses.

Commissioner Logan asked concerning the 73 parking spaces that they will be missing and will those be made up with the garages. Mr. Gonzales stated that the garage count is included in that number and the total number of spaces will be 218. She expressed concern with being roughly 25% short on the required parking.

Commissioner Moeller asked concerning the increase in the sewer flow and the runoff. Assistant City Engineer, Amy Williams, stated that the City received information from their consultants that looked at the sewer lines and there is capacity for the development to come into the sewer system. However, on the detention system they will have to follow the City criteria.

Chairman Lyons asked the applicant to come forward.

Tim O'hanlon
825 Market Street
Suite 250
Allen, TX

Mr. O'hanlon came forward and stated he is one of the developers on the project and provided a power pointe presentation of the request that provided an overview of the project. He stated their focus is in senior living housing for active adults and their objective is to develop high end distinctive, amenity filled developments that will add to the community. They currently are working on a development in Allen which is the same product type that they are proposing.

Rob Cameron
6808 Denali Drive
McKinney, TX

Mr. Cameron came forward and spoke of the history they the "Cameron's" have with the City of Rockwall and how invested the family has been for over six generations to the City of Rockwall and they feel this is a project that will fit well in the community and respectfully asked for the Commission's approval.

Mr. O'hanlen again came forward and went on to state that they will adhere to all the architectural standards. They are proposing a four story building that will be 174 units to adhere to the MF-14 standards which leaves a lot of footprint in the back which the plan on putting a park there where they will keep the existing tree line. They want to incorporate within the park a historic trail with placards with information about the City and they will offer tours to the community to enjoy and have partnered with Lady Bird Johnson Wildlife Center. Mr. O'Hanlon went on to speak of the different amenities that will be provided that will allow the residents to enjoy. After having looked at several properties in Rockwall, they feel the subject property is ideal for this type of development because of the surrounding community amenities. Mr. O'Hanlon went on to talk of the City of Rockwall's need for this type of development as most of the apartments in the City that provide similar housing needs for seniors are at full capacity. They have met with owners of surrounding properties in the goal of being good neighbors. He thanked the Commission for their consideration and stated he was available for any questions they may have.

Chairman Lyons asked the Commission for any questions.

Commissioner Logan expressed concern over the amount of parking the applicant is proposing and asked for clarification for not meeting the parking requirements. Mr. O'hanlen stated they feel that senior housing typically don't have as large of a parking need and therefore feel what they are proposing would be an adequate fit, but if the Commission feels more need to be added they have the room. He stated his a member of the project management company could speak more concerning Commissioner Logan's question.

Clint Thomas
144 Randall Wood
Coppell, TX

Mr. Thomas came forward and stated he has been in property management for 32 years, an in his experience he has seen that about 80% of the residents that live in Senior housing are women, single or widowed, and they feel parking is usually standard 1.25 for senior communities.

Commissioner Trowbridge asked concerning the height of the building and would it be seen from Goliad Street or would it be blocked by the tree line. Mr. Gonzales stated the overall height is 57 feet and therefore would probably be seen from Goliad and added if the Commission needed a sightline analysis the applicant could provide one.

Commissioner Chodun asked the applicant if a traffic study had been conducted for the area.

Joseph Reue
10701 Corporate Drive
Stafford, TX

Mr. Reue came forward and stated he is one of the civil engineers on the project and has worked with many other projects such as this one. He stated a traffic study has not been done but feels senior housing is typically a very low traffic generator.

Commissioner Chodun asked if there was a way of regulating the age restriction. Mr. Reue stated they will deed restrict the property to the senior age group. Mr. Thomas added that it will be in the rental criteria and application process and lease agreement.

Chairman Lyons asked if anyone wished to come forward to speak to come forward and do so.

Ronnie Weigant
3714 Huntcliff Drive
Rockwall, TX

Mr. Weigant came forward and stated he was in favor of the request feels it is an excellent idea and will be good for the community.

Dr. David McKeen
4104 Village Drive
Rockwall, TX

Mr. McKeen came forward and stated his office is adjacent to the subject property and he, as well as his partner Dr. Brean are both in favor of the request. He doesn't feel the development would cause any traffic issues and are happy to see that they are keeping the tree line because that is the view they have outside of their office.

Chairman Lyons asked if anyone else wished to speak to come forward, there being no one indicating such, Chairman Lyons closed the public hearing and brought the item back to the Commission for discussion or action.

Chairman Lyons stated that although at first had some concerns with adding high density, after reviewing what the applicant has brought forward since the work session he generally expressed being in favor of the request.

Commissioner Fishman expressed generally being in favor of the request and feels it is a good fit for the community.

General discussion took place concerning the overall benefits or negative impacts the proposal would have.

Commissioner Trowbridge expressed concern of the amount of apartments the City currently has and those that have been approved to go online, although there is a demand for such it needs to be thought over if the timing is right for this request to be approved.

General discussion took place concerning flooding the market by bringing in more apartments and what impact it would have on the City.

Commissioner Fishman made a motion to approve to approve Z2017-020 with staff recommendations. Commissioner Logan seconded the motion, which passed by a vote of 4-2, with Commissioners Trowbridge and Chodun dissenting and Commissioner Welch absent.

Chairman Lyons called a 10 minute recess at 7:48 p.m.

Chairman Lyons called the meeting back to order at 8:00 p.m.

7. Z2017-021
Hold a public hearing to discuss and consider a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a zoning change from Residential-Office (RO) District to General Retail (GR) District for a 2.35-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, addressed as 4031 N. Goliad Street, and take any action necessary.

Planner, Korey Brooks, advised the Commission that the applicant has requested to withdraw the case and according to the UDC anytime a case has been advertised and notifications sent out, the Planning and Zoning Commission or the applicable body must take action to accept or deny the withdrawal.

Commissioner Trowbridge made a motion to accept the withdrawal. Commissioner Fishman seconded the motion which passed by a vote of 6-0, with Commissioner Welch absent.

8. Z2017-022

Hold a public hearing to discuss and consider a City initiated request for the approval of a text amendment to Section 6.8, *205 By-Pass Corridor Overlay (205 BY-OV) District*, of Article V, *District Development Standards*, and Section F.3, *District Landscaping Requirements*, of *Appendix 'F'*, *Landscaping Requirements and Guidelines*, of the Unified Development Code for the purpose of amending the residential frontage requirements and clarifying certain sections of the code, and take any action necessary.

Planning Director, Ryan Miller, gave a brief explanation of the case stating that the City Council directed staff to look at amending the requirements for the Overlay District along John King Blvd. which is the SH205 Bypass Overlay District. Staff put together an amendment which creates an increase separation between residential properties and John King Blvd. The purpose of it is to further push properties that back to John King Blvd. away from that roadway with the hopes of creating more separation, more of a sound mitigation and there are also several other options in the Ordinance that a developer can use as opposed to backing up property to John King. It is somewhat tied to the Texas Department of Transportation coming out and stating that John King is their preferred technical route for SH205. The options that the Ordinance would create would be to increase the landscape buffer which currently requires 50 feet to 100 feet or increase the rear yard building setback to 50 feet which creates that same 100 foot separation, or the option of creating a slip street with a 50 foot right of way in between the buffer and the property. The fourth option would be to incorporate an eyebrow street with a 30-foot landscape buffer and 25-foot front yard building setback. In all cases it would be creating a separation of 100 feet off the roadway, where previously it was 50 feet off the roadway.

Mr. Miller went on to state that the Ordinance is to create a berm that properly screens the house from the roadway. Also, when the berm doesn't screen the visibility from the house to the roadway, it will be required to have additional trees planted in the back yards of those properties to allow for the same screening without having to put a metal masonry wall.

Mr. Miller added that June 19th a fifteen day notice was sent in accordance to State law.

Chairman Lyons asked for any questions for staff from the Commission.

Commissioner Chodun asked if it would affect any existing developments. Mr. Miller stated it would strictly be for new entitlements along the corridor.

Chairman Lyons opened up the public hearing and asked if anyone wished to speak to come forward, there being no one indicating such, Chairman Lyons closed the public hearing and brought the item back to the Commission.

Chairman Lyons made a motion to approve Commissioner Moeller seconded the motion which passed by a vote of 6-0 with Commissioner Welch absent.

9. H2017-007

Hold a public hearing to discuss and consider a City initiated request for the purpose of *rescinding* the *Local Landmark Designation* (*i.e. Ordinance No. 08-15*) for the *Spafford House* being a 0.24-acre parcel of land identified as a portion of Lot 1, Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) District, addressed as 902 N. Goliad Street, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating that the home which is located at 902 N. Goliad in 2008 received recommendations from the Historic Preservation Advisory Board and the Planning and Zoning Commission, designated it as a Landmark Property. This property is known as the Historic Spafford Home. The home was built in 1894 with a Folk Victorian influence. At the time of designation, staff felt the home provided positive characteristics for the North Goliad streetscape and that designating the property would allow for proper restoration/redevelopment of the home.

Mr. Gonzales went on to state that Since its designation as a Landmark Property, the property has had modifications to the exterior that do not meet the intent of the Historic Preservation Guidelines. These modifications involve the homes windows, siding, and trim, all of which were modified without obtaining a COA from the HPAB. The recent historic resource survey conducted by the City's consultant Hardy, Heck, Moore, adopted by the HPAB in April of this year identified changes to the exterior that include replacement of the doors, windows, exterior wall materials, and alterations to the porch. Due to these changes, HHM recommended revising the historic designation of the property from a High Contributing to a Medium Contributing property. Based on these findings, the HPAB directed staff on May 18, 2017, after the Board's motion to recommend approval of the City initiated request to Rescind Ord. No. 08-15 for the Landmark Property at 902 N. Goliad Street passed by a vote of 5 to 1 with Board Member Odom dissenting and Board Member Thompson absent, to move forward with rescinding the Landmark Designation of the property. Rescinding the ordinance will not affect the current designation status as a Medium Contributing Property nor would it affect the property owner from restoring the home to a condition that is worthy of re-adopting it as a Landmark Property in the future. Rescinding Ordinance No. 08-15 is a discretionary for the Planning and Zoning Commission and City Council. It should be noted that staff did contact the property owner to notify her of the change, and the property owner did not raise any objections to the change in designation.

Mr. Gonzales further noted that since the designation of a property as a Landmark Property requires the same notification process as a zoning case, staff mailed 96 notices to property owners and residents within 500-feet of the subject property on May 12, 2017. Staff also emailed notices to the Lakeview Summit and Caruth Lakes Homeowner's Associations, which are the only HOA's located within 1,500-feet of the subject property participating in the notification program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Harold Banner as required by the UDC. At the time this case memo was drafted staff has received one notice in favor of rescinding Ordinance No. 08-15 regarding this case.
Mr. Gonzales advised the Commission staff was available for questions.

Chairman Lyons opened up the public hearing and asked if anyone wished to speak to come forward, there being no one indicating such, Chairman Lyons closed the public hearing and brought the item back to the Commission.

Commissioner Moeller made a motion to rescind the Landmark Property status. Commissioner Logan seconded the motion which passed by a vote of 6-0, with Commissioner Welch absent.

V. ACTION ITEMS

10. SP2017-016
Discuss and consider a request by Bassam Ziada of Murphy Oil USA, Inc. for the approval of a site plan for a convenience store with gasoline sales on a 1.013-acre parcel of land identified as Lot 5, Block A, Walmart Super Center Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 776 E. IH-30, and take any action necessary.

Senior Planner, David Gonzales, gave a brief explanation of the request stating that the applicant is requesting the approval of a site plan for the purpose of demolishing the existing Murphy Oil site and constructing an approximately 1,200 SF building for a proposed convenience store with gasoline sales. The new building be larger than the existing, incorporating four additional gasoline pumps for a total of eight pumps with sixteen dispensers. The site plan, landscape plan, photometric plan are generally in compliance with the UDC. Mr. Gonzales provided pictures of three different elevations the applicant proposed and the Architectural Review Board recommended approval for the first option. The applicant's photometric plan indicates spillover lighting adjacent to all property lines within the Walmart Addition; however, the spillover lighting adjacent to IH-30 will not exceed 0.2-FC with the exception of commercial developments that contain more than one lot, where spillover lighting may occur. The Murphy Oil site is within the Walmart Addition and does have spillover lighting onto the adjacent Walmart property. While the UDC does allow for spillover lighting onto commercial developments containing more than one lot, it also requires the Planning and Zoning Commission to approve the lights intensity at the affected property lines. The applicant is also proposing to use a cultured stone and provided a sample board for the Commissions review. The Architectural Review Board recommended they use a natural stone for the building however the Planning and Zoning Commission can consider

the cultured stone if it meets the criteria within the Overlay District then the applicant can move forward with that.

Mr. Gonzales advised the Commission the applicant was present and he as well as staff were available for questions.

Chairman Lyons asked the applicant to come forward and speak.

Bassim Ziada
3100 N. Varana
Fayatteville, AR

Mr. Ziada came forward and stated they addressed the concerns the ARB had at the work session and he was available for any questions the Commission had.

Chairman Lyons asked the Commission for questions for the applicant.

Commissioner Chodun asked concerning the outside sales. Mr. Ziada stated they have removed the propane canisters based on comments they received from the Architectural Review Board and moved the ice machine to the west side of the building.

Chairman Lyons made a motion Commissioner Trowbridge seconded the motion which passed by a vote of 6-0, with Commissioner Welch absent.

VI. DISCUSSION ITEMS

11. Director's Report of post Council meeting outcomes of Planning & Zoning cases.

✓ MIS2017-006: Masonry Exception for Lot 2, Block A, Cox Addition [*Approved*]

Planning Director, Ryan Miller, **provided a brief update about the outcome of the above referenced case at the City Council meeting.**

VII. ADJOURNMENT

Chairman Lyons adjourned the meeting at 8:31 p.m.

PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF ROCKWALL, Texas, this _____ day of _____, 2017.

_____
Johnny Lyons, Chairman

Attest:

_____
Laura Morales, Planning Coordinator

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 06/27/2017

APPLICANT: John Wimpee

AGENDA ITEM: **P2017-029;** *Lots 1, Block A, Wimpee Acres Addition*

SUMMARY:

Discuss and consider a request by Joe Wimpee for the approval of a final plat of Lot 1, Block A, Wimpee Acres Addition being an 8.1232-acre tract of land identified as Tract 2 of the C. W. Jones Survey, Abstract No. 127, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located north of the intersection of Dalton Road and Promenade Place, and take any action necessary.

PLAT INFORMATION:

- ☑ The objective of this request is to final plat one (1) parcel of land [*Lot 1, Block A, Wimpee Acres Addition*] for the purpose of constructing a single-family home and provide for the required 20-foot right-of-way dedication adjacent to Dalton Road.

- ☑ The application has also submitted a request [Case No. Z2017-023] to rezone the subject property from an Agriculture (AG)District to a Single-Family Estates 4.0 (SFE-4.0) for the purpose of constructing a single-family home.

- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

- ☑ With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to approve the *final plat* for *Lots 1, Block A, Wimpee Acres Addition,* staff would recommend the following conditions:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

CITY CASE P2017-

OWNER'S CERTIFICATE
(Public Dedication)

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS JOE WIMPEE, BEING THE OWNER OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

All that certain lot, tract or parcel of land situated in the C.W. JONES SURVEY, ABSTRACT NO. 127, City of Rockwall, Rockwall County, Texas, and being that tract of land as described in a Warranty Deed to Joe Wimpee, as recorded in Document No. 2017000000346 of the Official Public Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 60d nail found for corner in the center of Dalton Road, at the southwest corner of Lot 1, Block A, of WILLIS ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet C, Slide 262, of the Plat Records of Rockwall County, Texas, and at the southeast corner of said Wimpee tract;

THENCE S. 88 deg. 32 min. 17 sec. W. along the south line of said Wimpee tract and the center of Dalton Road a distance of 371.40 feet to a 1/2" iron rod found for corner in the take line of the City of Dallas for Lake Ray Hubbard;

THENCE N. 30 deg. 07 min. 09 sec. E. along said take line, a distance of 323.60 feet to a City of Dallas concrete monument found for corner;

THENCE N. 18 deg. 07 min. 25 sec. W. along said take line, a distance of 212.56 feet to a City of Dallas concrete monument found for corner;

THENCE N. 26 deg. 41 min. 56 sec. W. along said take line, a distance of 176.11 feet to a City of Dallas concrete monument found for corner;

THENCE N. 14 deg. 47 min. 00 sec. E. along said take line, a distance of 823.41 feet to a City of Dallas concrete monument found for corner;

THENCE N. 20 deg. 15 min. 11 sec. E. along said take line, a distance of 231.77 feet to a City of Dallas concrete monument found for corner;

THENCE N. 40 deg. 25 min. 41 sec. W. along said take line, a distance of 9.87 feet to a City of Dallas concrete monument found for corner;

THENCE N. 87 deg. 40 min. 26 sec. E. along said take line, a distance of 29.28 feet to a City of Dallas concrete monument found for corner and being in the west boundary line of Willis Addition;

THENCE S. 00 deg. 45 min. 08 sec. E. along the west line of said Addition, a distance of 1260.39 feet to a point in a pond for corner;

THENCE S. 03 deg. 34 min. 29 sec. E. along the west line of said Addition, a distance of 392.76 feet to the POINT OF BEGINNING and containing 353,847 square feet or 8.12 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as WIMPEE ACRES, LOT 1, BLOCK A, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I , my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

CITY CASE P2017-

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 06/27/2017

APPLICANT: Rick Dirkse

AGENDA ITEM: **P2017-031;** *Lot 1, Block A, Dirkse Addition*

SUMMARY:

Discuss and consider a request by Rick Dirkse for the approval of a replat for Lot 1, Block A, Dirkse Addition being 2.29-acres of land currently identified as Lots 1-6, Block B, Rockwall OT Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, situated within the SH-66 Overlay (SH-66 OV) District, addressed as 301 N. Goliad Street, and take any action necessary.

COMMENTS:

☑ The applicant is requesting approval of a replat for the purpose of constructing a 4,999 sq. ft. single story office building. As part of the request the applicant will be dedicating public access and utility easements in order to provide the necessary services and access for the development. A site plan/downtown development plan (*i.e. SP2017-010*) for the office building was approved in May of this year.

☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the *Recommendations* section below.

☑ With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the replat for *Lot 1, Block A, Dirkse Addition*, staff would recommend the following conditions of approval:

1) All staff comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit; and,

2) Any construction resulting from the approval of this replat shall conform to the requirements set forth by the Unified Development Code, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Discuss and consider a request by Rick Dirkse for the approval of a replat for Lot 1, Block A, Dirkse Addition being 2.29-acres of land currently identified as Lots 1-6, Block B, Rockwall OT Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, situated within the SH-66 Overlay (SH-66 OV) District, addressed as 301 N. Goliad Street, and take any action necessary.

PLANNING COMMENTS - DAVID GONZALES - 06.22.2017

The following staff comments are to be addressed and resubmitted no later than Tuesday, June 6, 2017. Please provide two FOLDED large copies [18" X 24"] and one PDF version for a subsequent review by staff:

1. Adherence to all Engineering and Fire Department standards shall be required.
2. Provide a label indicating "Case No. P2017-031" on the lower right corner on all pages of the revised submittal.
3. When submitting correction, be sure to adjust and provide plat submittal on 18" x 24" bonded paper. As a note, this will also be required when staff files the plat with the County.
4. Does not appear to be 30 scale, verify and correct as needed.
5. On plat area, remove the two (2) labels with instrument numbers referring to ownership and the dotted line separating property.
6. Hatch area indicated as Right of Way Dedication.
7. Provide a slightly darker gray scaled line indicating old lot lines and information.
8. Provide a blank area measuring at a minimum of 2" x 2" on the right side of the plat for County filing information.
9. Use standard plat wording for Owners Dedication (see attached for wording).
10. Use standard City Signature Block (see attached example)
11. Plat mylars are to be submitted to the City for filing purposes prior to issuance of a building permit.
12. Indicate, dimension, and label all utility easements.
13. Provide a label for ingress/egress as Public Access Easement.
14. Change Title Block to read:

Final Plat
Dirkse Additon
Lot 1, Block A
99,668 S.F. / 2.29 Acres
Being a Replat of
Lots 1-6, Block B
Old Town Addition
in the W.T. DeWeese Survey, Abstract No. 71
City of Rockwall, Rockwall County, Texas

** As a note and once the plat has been approved by the Planning and Zoning Commission and City Council, all staff comments are to be addressed and all revisions resubmitted and approved (by staff) prior to plat submittal on mylar for filing purposes. **

Meeting Dates to Attend - Due to the plat being on Consent Agenda, it is not necessary for you to attend; however, staff would recommend that someone be present for the meetings. If you have any quesitons regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

Meeting Dates to Attend:

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks
Planning - Consent Agenda: June 27, 2017 (6:00p.m.)							
City Council - Consent : July 3, 2017 (6:00 p.m.)							

STANDARD PLAT WORDING FOR FINAL PLATS AND REPLATS

City of Rockwall
Planning and Zoning Department
385 S. Goliad Street
Rockwall, Texas 75087

GENERAL REFERENCE: CHAPTER 38, *SUBDIVISIONS*, OF THE MUNICIPAL CODE OF ORDINANCES

OWNER'S CERTIFICATION [PUBLIC DEDICATION]

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS [OWNER'S NAME]**, BEING THE OWNER OF A TRACT OF* land in the County of Rockwall, State of Texas, said tract being described as follows: ***[LEGAL DESCRIPTION]

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I *(we)* the undersigned owner(s) of the land shown on this plat, and designated herein as the ***[SUBDIVISION NAME]*** subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I (we) further certify that all other parties who have a mortgage or lien interest in the ***[SUBDIVISION NAME]*** subdivision have been notified and signed this plat. I *(we)* understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I (we) also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I (we) further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I (we), my (our) successors and assigns hereby waive any claim, damage, or cause of action that I (we) may have as a result of the dedication of exactions made herein.

GENERAL NOTES

General Notes:

1) It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54.

APPROVED:
I hereby certify that the above and foregoing plat of an addition to the City of Rockwall, Texas, was approved by the City Planning Director of the City of Rockwall on the ***[DAY]*** day of ***[MONTH]***, ***[YEAR]***.

This approval shall be invalid unless the approved plat for such addition is recorded in the office of the County Clerk of Rockwall, County, Texas, within one hundred eighty (180) days from said date of final approval.

Said addition shall be subject to all the requirements of the Subdivision Regulations of the City of Rockwall.

Director of Planning & Zoning *City Engineer*

PLAT FILING REQUIREMENTS [AFTER APPROVAL OF THE PLAT]

Final plats and replats must be filed with the County Clerk within 180 days of the City Council approval date or the plat will be considered void. If the plat is voided, it must be re-approved by the Planning & Zoning Commission and City Council.

All plats will be filed by City of Rockwall staff; however, the applicant is responsible for providing City staff with the appropriate plat information necessary to file the plat with the County Clerk. This includes three signed mylar sets (18" x 24") with current Tax Certificates and a check for the filing fees made payable to the *Rockwall County Clerk*. Tax Certificates can be obtained from the Rockwall County Appraisal District located at 841 Justin Road, Rockwall, Texas 75087.

FILING FEES:
Mylars: $50.00 per page for the 1st set only (*No charge for additional sets*).
Tax Certificates: $26.00 for the 1st certificate and $4.00 for each additional certificate.

OWNER'S DEDICATION:

STATE OF TEXAS
COUNTY OF ROCKWALL

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

THAT, Rockwall Trinity Real Estate, L.L.C., does hereby adopt this plat, designating the herein described property as **DIRKSE ADDITION**, an addition to the City of Rockwall, Rockwall County, Texas, and does hereby dedicate, in fee simple, to the public use forever any streets, parks, alleys, and easements shown thereon. The easements shown thereon are hereby reserved for the purposes indicated. The utility and fire lane easements shall be open to the public, fire and police units, garbage and rubbish collection agencies, and all public and private utilities for each particular use. The maintenance of paving on the utility and fire lane easements is the responsibility of the property owner. No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed, reconstructed or placed upon, over or across the easements as shown. Said easements being hereby reserved for the mutual use and accommodation of all public utilities using or desiring to use same. All, and any public utility shall have the right to remove and keep removed all or parts of any building, fences, trees, shrubs, or other improvements or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective system on the easements, and all public utilities shall at all times have the full right of ingress or egress to or from and upon the said easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining and adding to or removing all of or parts of its respective systems without the necessity at any time of procuring the permission of anyone. (Any public utility shall have the right of ingress or egress to private property for the purpose of reading meters and any maintenance or service required or ordinarily performed by that utility).

Water main and wastewater easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is also conveyed for installation and maintenance of manholes, cleanouts, fire hydrants, water services and wastewater services from the main to the curb or pavement line, and description of such additional easements herein granted shall be determined by their location as installed.

This plat approved subject to all platting ordinances, rules, regulations, and resolutions of the City of Rockwall, Texas.

WHEREAS, Rockwall Trinity Real Estate, L.L.C., is the sole owner of a tract of land situated in the B.F. Boydstun Survey, Abstract No. 14 in the City of Rockwall, Rockwall County, Texas, and being known as Lots 1 and 2 and the North 15 feet of Lots 3 and 4, Block B, Original Town of Rockwall, an Addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Volume F, Page 510, Plat Records, Rockwall County, Texas, and being the same tracts of land conveyed to Rockwall Trinity Real Estate, L.L.C., by Deed recorded in Instrument No. 20160000014264, Official Public Records, Rockwall County, Texas, and also being the South 35 feet of Lots 3 and 4 and all of Lots 5 and 6 in Block B of said Original Town of Rockwall, and being conveyed to Rockwall Rental Properties, LP, by Deed recorded in Instrument No. 20160000014265, Official Public Records, Rockwall County, Texas, less that portion of aforementioned Lots 1 thru 6, Block B of Original Town of Rockwall, conveyed to the State of Texas, by Deed recorded in Instrument No. 2007-00369757, Deed Records, Rockwall County, Texas, and being more particularly described by metes and bounds as follows:

BEGINNING at a Mag nail set for corner at the intersection of the West right-of-way line of N. Goliad Street (variable width right-of-way) and the North right-of-way line of Interurban Street (called 20 foot right-of-way), said corner also being the Southeast corner of said Lot 5, Block B;

Thence South 89 degrees 22 minutes 12 seconds West, along said North right-of-way line of Interurban Street, a distance of 180.36 feet to a Mag nail set;

Thence North 01 degrees 00 minutes 50 seconds West, a distance of 5.40 feet to a Mag nail set at the Southeasterly end of a corner clip for corner;

Thence North 40 degrees 03 minutes 57 seconds West, along corner clip, a distance of 30.00 feet to a 1/2 inch iron rod set with yellow plastic cap stamped "TXHS" at the Northwesterly end of said corner clip and lying in the Southeast right-of-way line of N. Alamo Street (variable width right-of-way) and being the beginning of a curve to the right with a radius of 261.34 feet;

Thence along said curve to the right having a delta angle of 31 degrees 11 minutes 56 seconds, with a chord that bears North 25 degrees 30 minutes 55 seconds East, a chord distance of 140.55 feet and an arc length of 142.31 feet to a 1/2 inch iron rod set with yellow plastic cap stamped "TXHS" for the Northwesterly corner of the herein described tract;

Thence South 89 degrees 20 minutes 13 seconds East, a distance of 141.71 feet to a 5/8 inch iron rod found for corner lying in said West right-of-way line of said N. Goliad Street, for the Northeasterly corner of the herein described tract;

Thence South 00 degrees 57 minutes 55 seconds West, along said West right-of-way line of N. Goliad Street, a distance of 14.78 feet to a 1/2 inch iron rod set with yellow plastic cap stamped "TXHS";

Thence South 00 degrees 56 minutes 18 seconds West, along said West right-of-way line of N. Goliad Street, a distance of 136.82 feet to the POINT OF BEGINNING and containing 27,639 square feet or 0.63 acre of land.

SURVEYORS CERTIFICATE:

I, Raul D. Reyes, do hereby certify that I prepared this plat from an actual and accurate survey of the land, and that the corner monuments shown thereon were properly placed under my personal supervision.

Z2017-23 Zoning Change (AG to SEF-4.0) Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request by Joe Wimpee for the approval of a zoning change from an Agricultural (AG) District to a Single-Family Estate 4.0 (SFE-4.0) District for an 8.1232-acre tract of land identified as Tract 2 of the C. W. Jones Survey, Abstract No. 127, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, generally located north of the intersection of Dalton Road and Promenade Place.
I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.
M.3 For reference, include the case number (Z2017-023) in the lower right hand corner of all pages on future submittals.
I.4 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by July 5, 2017. The Planning & Zoning Worksession for this case is June 17th. The Planning and Zoning Meeting date for this case is July 11, 2017.
I.4 The projected City Council meeting dates for this are July 17, 2017 and August 7, 2017.

The following Easements do affect the Property shown hereon.

Mt. Zion Water Supply Corporation 12' wide water line blanket easement recorded in Volume 83, Page 198, D.R.R.C.T.

STATE OF TEXAS
COUNTY OF ROCKWALL

FIELD NOTES:

BEING a 8.1232 acre tract of land situated in the Charles W. Jones Survey, Abstract No. 127, also being that certain tract of land conveyed to Thomas E. Jones according to the deed recorded in Volume 02, Page 513 of the Deed Records of Rockwall County, Texas and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found in a public roadway, said corner being the Southeast corner of the above mentioned Jones tract, said point also being located North 88°37'57" West a distance of 743.38' from a 1/2" iron rod found at the most Northerly Northeast corner of a 57.296 acre tract conveyed to Copper Hill Corp. as recorded in Volume 878, Page 248 of the Deed Records of Rockwall County, Texas and said point also being the Southwest corner of the Willis Addition, an addition to the City of Rockwall as recorded in Cabinet C, Slide 292 of the Plat Records of Rockwall County, Texas;
said 8.1232 acre tract being being more particularly described as follows:
THENCE South 88°53'34" West along said roadway and the North line of said Copper Hill Corp. 57.296 acres, a distance of 369.63' to a 1/2" iron rod found for corner;
THENCE North 36°37'55" East, leaving said roadway and said North Line and along the Easterly Take Line of Lake Ray Hubbard, a distance of 323.00' to a concrete monument found marked EE12-3;
THENCE continuing along said East Take Line the following courses:
North 17°36'38" West a distance of 210.56' to a concrete monument found marked EE12-4;
North 26°11'09" West a distance of 176.11' to a concrete monument found in the centerline of a creek marked EE13-4;
North 15°17'47" East a distance of 823.41' to a concrete monument found marked EE13-5;
North 29°45'54" East a distance of 231.97' to a 1/2" iron rod set for corner;
North 42°55'41" West a distance of 9.87' to a buried & leaning concrete monument found marked EE13-7 & EE8-1;
THENCE leaving said Take Line, North 40°40'26" East a distance of 29.28' along the North line of said Jones Tract to a 1/2" iron rod found for a corner being the Northeast corner of said Jones Tract;
THENCE South 00°14'21" East along the East line of said Jones Tract, a distance of 1260.39' to a concrete monument found marked EE8-11;
THENCE South 05°46'50" East along the East line of said Jones Tract, a distance of 396.19' to the Point of Beginning containing 353,847 square feet or 8.1232 gross acres of land with approximately 3.25 acres lying within the 100 year flood zone and approximately 0.76 acre lying within Dalton Road leaving approximately 4.7132 net acres of land.

FLOOD ZONE CERTIFICATION:
A portion of the hereon platted property lies within the 100 year flood zone (Zone A) as indicated on the Federal Emergency Management Agency Flood Insurance Rate Map Community-Panel No. 480287 0005 C with an effective date of June 15, 1992.

Note:
The property shown hereon was surveyed under my supervision and direction on September 22, 1999 and reinspected on December 21, 2000.

I hereby certify to:
DRH, Inc., a Delaware Corp. (Seller);
Lawyers Title Insurance Corporation;
D.R. Norton – Texas, Ltd. (Buyer)

The plat hereon is a true, correct and accurate representation of the property as determined by survey, the line and dimensions of said property being as indicated by the plat; the size, location and type of buildings and improvements are as shown, all improvements being within the boundaries of the property, set back from property lines the distances indicated. There are no encroachments, conflicts or protrusions except as shown. The survey shown hereon meets the requirements for a Category 1A, Condition II as set by the Texas Surveyors Association Standards for Surveyors.
All visible easements and easements that I have been provided are as shown on the survey hereon.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 4.0 (SFE-4.0) DISTRICT FOR AN 8.1232-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2 OF THE C. W. JONES SURVEY, ABSTRACT NO. 127, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT *'A'* AND DEPICTED IN EXHIBIT '*B*' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Joe Wimpee for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agricultural (AG) District to a Single-Family Estate 4.0 (SFE-4.0) District for a 8.1232-acre tract of land identified as Tract 2 of the C. W. Jones Survey, Abstract No. 127, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* and depicted in Exhibit 'B' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family Estate 4.0 (SFE-4.0) District; and

SECTION 2. That the *Subject Property* shall be used and developed only in the manner and for the purposes provided for a *Single-Family Estate 4.0 (SFE-4.0) District* in *Section 2.1.1, Residential Lodging Conditions,* of *Article IV, Permissible Uses,* and *Section 3.2, Single-Family Estate 4.0 (SFE-4.0) District,* of *Article V, District Development Standards,* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future;

DRAFT 06.16.17

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

SECTION 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

SECTION 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 7TH DAY OF AUGUST, 2017.

Z2017-024 SUP for Montessori School Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a Specific Use Permit (SUP) for a daycare facility for a 2.38-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the North SH 205 Overlay (N-SH 205 OV) District, addressed as 4031 N. Goliad Stree.t

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (Z2017-024) in the lower right hand corner of all pages on future submittals.

M.4 Please review the draft ordinance ahead of the worksession.

M.5. Will be required to provide a 10-foot landscape buffer on the north, west, and south property lines.

M.6 Please plant accent trees in the landscape buffer at 20-feet on center.

M.7 A shrub row will be required as headlight screening in front of any parking spaces that face a residential property.

M.8 The dumpster shall not face any residential property and is to be located away from any residential property.

I.9 The Planning & Zoning Worksession date for this case will be June 27, 2017. The Planning and Zoning Meeting will be July 11, 2017

I.10 The projected City Council meeting date and subsequent approval for this SUP is July 17, 2017 [First Reading] and August 7, [Second Reading]

Rockwall, TX 75087

Re: Request for specific use permits ("SUP") for Day Care and General Retail Store uses located at 4031 N. Goliad Street (the "Property").

Mr. Miller,

Please accept this Letter of Intent on behalf of Pinnacle Montessori Franchise ("Pinnacle") to request SUPs for Day Care and General Retail Store uses on the Property, which are allowed by SUP under the current R-O zoning on the Property. Please not that Pinnacle is **not** seeking to change the current R-O zoning on the Property.

Pinnacle seeks to develop the Property with an approximately 11,000 square foot Montessori educational day care, with a maximum enrollment of 180 children. The anticipated age range for the children is infant to third-grade. In addition to the day care facility, Pinnacle intends to develop a second building (approximately 7,000 square feet or less) on the property that will generally house child-oriented uses complementary to the day care use, e.g., karate academy, dance academy, music school, math/educational classes, computer classes, STEM classes, etc. Many uses commonly associated with a "general retail" building (e.g., donut or sandwich shop, dry cleaners, etc.) are not anticipated for this Property because they would not fit the programming and intent behind the overall development.

On June 8, 2017, Representatives for Pinnacle met with several adjacent residents to the Property to discuss the Project. Pinnacle appreciates the input received at that time and looks forward to continuing to work with interested residents as the process continues.

Respectfully submitted,

Roland Foerster, PE

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A DAYCARE FACILITY IN A RESIDENTIAL OFFICE (RO) DISTRICT WITHIN THE NORTH SH-205 OVERLAY (N-SH 205 OV) DISTRICT, ON A 2.38-ACRE TRACT OF LAND BEING IDENTIFIED AS TRACT 6 OF THE J. STRICKLAND SURVEY, ABSTRACT NO. 187, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City has received a request from Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a Specific Use Permit (SUP) to allow for a *Daycare Facility* in a Residential Office (RO) District on a 2.38-acre tract of land being described as Tract 6 of the J. Strickland Survey Abstract No. 187, City of Rockwall, Rockwall County, Texas, and zoned Residential Office (RO) District, situated within the North SH-205 Overlay (N-SH 205 OV) District being more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas;

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing a *daycare facility* within a Residential Office (RO) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the Specific Use Permit (SUP) shall be subject to the conditions set forth in *Section 4.2, Residential Office (RO) District* of *Article V, District Development Standards, and; Section 6.11, North SH 205 Corridor Overlay N-SH 205 OV) District, of Article V, District Development Standards,* of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended and as may be amended in the future, and shall be subject to the Operational Conditions:

2.1 OPERATIONAL CONDITIONS

1) The daycare facility shall generally conform to the concept plan and building elevations depicted in *Exhibit* '*B*' and *Exhibit* '*C*' of this ordinance.

DRAFT ORDINANCE 08.01.17

2) The site shall have a ten (10)-foot landscape buffer and shall include accent trees a minimum of four (4)-feet in height at 20-feet on center adjacent to all residential properties (i.e. north, south, and west property lines).

3) A shrub row shall be provided as headlight screening for any parking adjacent to SH-205.

4) All parking areas shall be screened from all residential properties.

5) The dumpster shall not face any residential property and should be located away from the residential properties to the west.

6) Cross-access shall be provided as depicted in *Exhibit 'B'*.

7) Incidental display and outside storage shall be strictly prohibited.

8) If the property is subdivided, a parking agreement between the two properties will be required.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

Z2017-025 SUP for General Retail Store Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request by Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a Specific Use Permit (SUP) for a general retail store for a 2.38-acre parcel of land identified as Tract 6 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Residential-Office (RO) District, situated within the North SH 205 Overlay (N-SH 205 OV) District, addressed as 4031 N. Goliad Street.

I.2 For questions or comments concerning this case, please contact Korey Brooks in the Planning Department at (972) 772-6434 or email kbrooks@rockwall.com.

M.3 For reference, include the case number (Z2017-025) in the lower right hand corner of all pages on future submittals.

M.4 Please review the draft ordinance ahead of the worksession.

M.5. Will be required to provide a 10-foot landscape buffer on the north, west, and south property lines.

M.6 Please plant accent trees in the landscape buffer at 20-feet on center.

M.7 A shrub row will be required as headlight screening in front of any parking spaces that face a residential property.

M.8 The dumpster shall not face any residential property and is to be located away from any residential property.

I.9 The Planning & Zoning Worksession date for this case will be June 27, 2017. The Planning and Zoning Meeting will be July 11, 2017

I.10 The projected City Council meeting date and subsequent approval for this SUP is July 17, 2017 [First Reading] and August 7, [Second Reading]

Rockwall, TX 75087

Re: Request for specific use permits ("SUP") for Day Care and General Retail Store uses located at 4031 N. Goliad Street (the "Property").

Mr. Miller,

Please accept this Letter of Intent on behalf of Pinnacle Montessori Franchise ("Pinnacle") to request SUPs for Day Care and General Retail Store uses on the Property, which are allowed by SUP under the current R-O zoning on the Property. Please not that Pinnacle is **not** seeking to change the current R-O zoning on the Property.

Pinnacle seeks to develop the Property with an approximately 11,000 square foot Montessori educational day care, with a maximum enrollment of 180 children. The anticipated age range for the children is infant to third-grade. In addition to the day care facility, Pinnacle intends to develop a second building (approximately 7,000 square feet or less) on the property that will generally house child-oriented uses complementary to the day care use, e.g., karate academy, dance academy, music school, math/educational classes, computer classes, STEM classes, etc. Many uses commonly associated with a "general retail" building (e.g., donut or sandwich shop, dry cleaners, etc.) are not anticipated for this Property because they would not fit the programming and intent behind the overall development.

On June 8, 2017, Representatives for Pinnacle met with several adjacent residents to the Property to discuss the Project. Pinnacle appreciates the input received at that time and looks forward to continuing to work with interested residents as the process continues.

Respectfully submitted,

Roland Foerster, PE

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A GENERAL RETAIL STORE IN A RESIDENTIAL OFFICE (RO) DISTRICT WITHIN THE NORTH SH-205 OVERLAY (N-SH 205 OV) DISTRICT, ON A 2.38-ACRE PARCEL OF LAND BEING IDENTIFIED AS TRACT 6 OF THE J. STRICKLAND SURVEY, ABSTRACT NO. 187, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City has received a request from Alex Freeman of Pinnacle Montessori Franchise Co. on behalf of George R. Weatherford for the approval of a Specific Use Permit (SUP) to allow for a *General Retail Store* in a Residential Office (RO) District on a 2.38-acre parcel of land being described as Tract 6 of the J. Strickland Survey Abstract No. 187, City of Rockwall, Rockwall County, Texas, and zoned Residential Office (RO) District, situated within the North SH-205 Overlay (N-SH 205 OV) District being more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas;

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing a *General Retail Store* within a Residential Office (RO) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the Specific Use Permit (SUP) shall be subject to the conditions set forth in *Section 4.2, Residential Office (RO) District; and Section 6.11, North SH 205 Corridor Overlay (N-SH 205 OV) District, of Article V, District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended and as may be amended in the future, and shall be subject to the Operational Conditions:

DRAFT ORDINANCE 08.01.17

2.1 OPERATINAL CONDITIONS

1) The general retail store shall generally conform to the concept plan depicted in *Exhibit* '*C*' of this ordinance.

2) The site shall have a ten (10)-foot landscape buffer and shall include accent trees a minimum of four (4)-feet in height at 20-feet on center adjacent to all residential properties (i.e. north, south, and west property lines).

3) A shrub row shall be provided as headlight screening for any parking adjacent to SH-205.

4) All parking areas shall be screened from all residential properties.

5) The dumpster shall not face any residential property and should be located away from the residential properties to the west.

6) Cross-access shall be provided as depicted in *Exhibit 'B'*.

7) Canopy trees shall be provided behind the general retail store.

8) Incidental display and outside storage shall be strictly prohibited.

9) If the property is subdivided, a parking agreement between the two properties will be required.

10) The general retail store shall be limited to 7,000 SF.

2.2 COMPLIANCE

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following:

1) Upon obtaining a Certificate of Occupancy (CO), should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may (*after proper notice*) initiate proceedings to revoke the Specific Use Permit (SUP) in accordance with Section 4.4.(3) of Article IV, *Permissible Uses*, of the Unified Development Code (UDC).

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid,

DRAFT ORDINANCE 08.07.2017

the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF AUGUST, 2017.

DRAFT
ORDINANCE
09/05/2017

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

FROM: David Gonzales, Senior Planner

CC: Ryan Miller, *Director of Planning and Zoning*
Jeffrey Widmer, *Building Official*

DATE: June 27, 2017

SUBJECT: *Proposed Amendments* to Article VI, Parking and Loading, Sec. 4.1 of the UDC and Chapter 26, Motor Vehicles and Traffic of the Code of Ordinances

On June 5, 2017, the City Council directed staff to bring forward changes to *Section 4.1, Lots Less Than Five Acres of Article VI, Parking and Loading*, of the *Unified Development Code* (UDC) and *Chapter 26, Section 26-507, Parking Oversized and Recreational Vehicles in Residential Areas* of *Article VII*, *Stopping, Standing or Parking* of the Municipal Code of Ordinances for the purpose of merging certain language within these sections (*see attached Draft Text Amendment*) by deleting Section 4.1.C, D, and E from the *UDC* and incorporating this portion of the code with Chapter 26, Section 26-507 of the Municipal Code of Ordinances. The amendment would allow for extended parking of recreational vehicles for a maximum of five (5) days by registration. In addition, the amendment would clarify and define the terms for "*boats*" and "*recreational vehicles.*" By removing that portion of Section 4.1 (*see Exhibit 'A'*) from the UDC this will prevent duplication of the code. As a result of this direction, staff has prepared the attached *Draft Text Amendment*. A copy of the code with revisions depicted in *RED* and additions in ***BLUE*** are attached with this memorandum, including a draft ordinance for your review.

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff is bringing the proposed amendments forward to the Planning and Zoning Commission for a recommendation to the City Council. The schedule for this text amendment is as follows:

Planning and Zoning Commission [Work Session]: June 27, 2017
Planning and Zoning Commission [Public Hearing]: July 11, 2017
City Council [Public Hearing/1st Reading of the Ordinance]: July 17, 2017
City Council [2nd Reading of the Ordinance]: August 5, 2017

Staff will send out a 15-day notice to the Rockwall Harold Banner in accordance with all applicable state laws and Section 6.1 of Article II, *Authority and Administrative Procedures*, of the UDC. If the Planning and Zoning Commission have any questions, staff will be available at the work session to discuss.

CURRENT UDC ARTICLE VI PARKING AND LOADING - SECTION 4. - RESIDENTIAL PARKING

PROPOSED AMENDMENTS DELETE LANGUAGE THAT WOULD BE MORE APPROPRIATE WITHIN THE CODE OF ORDINANCE CHAPTER 26 – MOTOR VEHICLES AND TRAFFIC

Sec. 4.1. - Lots less than five acres.

A. *Location.* All required residential parking shall be located onsite except in the Downtown District.

B. *Garages.* In single-family or duplex districts, parking garages must be located at least 20 feet behind the front building facade for front entry garages, unless it is a "J-Swing" garage where the garage door is perpendicular to the street.

~~C. *Storage of vehicles.* On lots less than five acres, motor homes, camper cabins, non-street legal motorcycles (including all-terrain vehicles, dirt or motocross bikes, or similar type vehicles) boats, farm machinery, or similar equipment, excluding golf carts, shall not be parked or stored on any residential or agricultural lot or the adjacent street except when in conformance with the following provisions:~~

~~1. Such equipment shall be located beside or behind the primary structure and back from the nearest corner of the front facade of the house a minimum of ten feet, (if such equipment is six feet or less in height, the ten-foot minimum setback shall not apply); and~~

~~2. On lots less than 1.5 acres, such equipment shall be screened from view of public street rights-of-way with a minimum six-foot solid fence or equivalent landscaping; and~~

~~3. On lots less than 1.5 acres, equipment taller than eight feet above grade shall respect a three-foot setback from all side and rear property lines; and~~

~~4. If located on a lot which is less than 1.5 acres, it shall be parked on an approved surface of concrete, asphalt or stabilized gravel.~~

~~5. Property owners with recreational vehicles over eight feet in height who were in compliance with the City of Rockwall zoning ordinance (Ord. No. 83-23) prior to the adoption of this Unified Development Code (Ord. No. 04-38) on June 7, 2004, and who file an affidavit with the building official no later than April 1, 2005, shall register their property for "exception status" to the storage requirements for recreational vehicles over eight feet in height. However, no recreational vehicle of any height shall be allowed to be stored in front of any portion of the facade of the primary residential structure, including lots with two frontages, and shall not encroach into the minimum three-foot setback from all side and rear property lines, as required in this section.~~

~~D. *Loading and unloading.* Notwithstanding other requirements of this section, such equipment may be parked anywhere on a residential, agricultural or commercial premises not to exceed 48 hours for the purpose of loading and unloading only.~~

~~E. *Living or sleeping.* No such equipment shall be used for living, sleeping or housekeeping purposes when parked or stored on any lot not approved for such purposes.~~

~~F.~~ **C.** *Carports.* In single-family or duplex districts, carports must be located at least 20 feet behind the front building facade and be architecturally integrated with the main residential structure.

Code of Ordinances of the City of Rockwall

DRAFT AMENDMENT

CODE OF ORDINANCES - CHAPTER 26 MOTOR VEHICLES AND TRAFFIC

Merges UDC and Code of Ordinance content, includes general cleanup of the ordinance, adds provision for an extended parking registration, excludes boats from RV definition and adds definition for boat.

Sec. 26-507. – Parking ***utility trailers,*** oversized ***vehicles, boats*** and recreational vehicles in residential ***zones.*** ~~areas~~.

(a) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Boat means a vessel propelled on water by oars, sails, or an engine and/or a trailer designed and intended to transport the vessel. A boat is not considered a vehicle, for the purposes of this ordinance.

Oversized vehicle ~~(1) The term "oversized vehicle"~~ means a tow truck (wrecker), truck tractor, road tractor, semitrailer (whether or not attached to a truck tractor or a road tractor), dump truck, bus, and passenger motor vehicle designed to carry more than 16 persons (including the driver), any vehicle greater than 23 feet in length, or any truck with a rated capacity ***over*** ~~in excess of~~ 1½ tons, according to the manufacturer's classification. ***The term "oversized vehicle" does not include any motor vehicle owned or operated by a governmental entity.***

~~(2) The term "oversized vehicle" does not include any motor vehicle owned or operated by a governmental entity.~~

Residential zone means any property zoned single-family, duplex, multifamily or planned development for single-family, duplex or multifamily uses***, or used for such purposes.*** The term "residential zone" includes both private and public property within such zoning districts.

Utility trailer means an enclosed or open cargo trailer designed for the transportation of a variety of products, goods, equipment, livestock or vehicles.

~~*Vehicle for*~~ ***r*** ***Recreational vehicle*** ~~*use*~~ means a motor vehicle designed as temporary living quarters for recreational travel or vacation use, ~~a boat or personal watercraft,~~ and a motorcycle or all-terrain vehicle designed or equipped only for off-road use. The term "vehicle for recreational use" includes a travel trailer, camping trailer, truck camper, motor home, ~~trailers used to carry boats, personal watercraft,~~ motorcycles and all-terrain vehicles.

(b) *Penalty.* Any person violating the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction be subject to a fine in accordance with general provision section 1-13.

(c) *Parking ~~oversized~~ **recreational** vehicles**, boats** and utility trailers in residential zones.*

~~(1) A person commits an offense if the person parks or stands or allows the parking or standing of an oversized vehicle at any place within a residential zone.~~

(~~2~~***1***) A person commits an offense if the person parks or stands or allows the parking or standing of a ***recreational vehicle, boat or*** utility trailer at any place within a residential zone, unless it meets the following screening requirements ***(recreational vehicles, boats and utility trailers parked on the street are required to comply with 1.e. and 2 only)***:

a. Such equipment shall be located beside or behind the primary structure and back from the nearest corner of the front facade of the house a minimum of ten feet (if such equipment is six feet or less in height, the ten-foot minimum setback shall not apply);

b. On lots less than ***1.5*** ~~1½~~ acres; it shall be screened from view of public street rights-of-way with a minimum six-foot solid fence or equivalent landscaping; and

c. ~~If located on a lot which is~~ ***On lots*** less than ***1.5*** ~~1½~~ acres, it shall be parked on an approved surface of concrete, asphalt ~~or~~ ***,*** stabilized gravel ***or pave stones; and***

d. On lots less than 1.5 acres, equipment taller than eight feet above grade shall respect a three-foot setback from all side and rear property lines; and

e. Loading and unloading. Notwithstanding other requirements of this section, such equipment may be parked anywhere in a residential zone for a period not to exceed 48 hours for the purpose of loading and unloading only.

(2) Living or sleeping. No such equipment shall be used for living or sleeping when parked or stored on any lot not approved for such purposes. Exception: in conjunction with an extended parking registration.

~~(3) It shall be an affirmative defense to prosecution under this section that, at the time of the offense:~~

~~a. The oversized vehicle or utility trailer is being used in the loading or delivery of passengers or goods within a residential zone and only for such period of time as is actually necessary to accomplish such loading or delivery;~~

~~b. The oversized vehicle or utility trailer is being used in the repair or construction of a public utility or for construction activities; or~~

~~c. The oversized vehicle is associated with a service person performing work at a residence, other than the service person's residence.~~

(d) Extended parking registration for recreational vehicles and boats in residential zones.

(1) A person who has registered their recreational vehicle or boat with the Neighborhood Improvement Services Department shall be allowed to park a recreational vehicle or boat on private property within a residential zone in accordance with the following:

a. An extended parking registration may be issued for a period not to exceed 5 consecutive days.

b. The five day period is in addition to the 48 hour allowance for loading and unloading.

c. Registrations must be a minimum of 14 days apart and will be allowed four (4) times per year.

d. Screening requirements listed in section (1) (b) shall be waived for the duration of an extended vehicle parking registration.

~~*(d)*~~ ***(e)*** Parking oversized vehicles in residential zones.

(1) A person commits an offense if the person parks or stands or allows the parking or standing of an oversized vehicle at any place within a residential zone.

(2) It shall be an affirmative defense to prosecution under this section that, at the time of the offense:

a. The oversized vehicle or utility trailer is being used in the loading or delivery of passengers or goods within a residential zone and only for such period of time as is actually necessary to accomplish such loading or delivery;

b. The oversized vehicle or utility trailer is being used in the repair or construction of a public utility or for construction activities; or

c. The oversized vehicle is associated with a service person performing work at a residence, other than the service person's residence.

~~(d) *Parking recreational vehicles on public property in residential zones.* A person commits an offense if the person parks or stands or allows the parking or standing of a recreational vehicle on public property within a residential zone.~~

(f) Property owners with recreational vehicles over eight feet in height who were in compliance with the City of Rockwall zoning ordinance (Ord. No. 83-23) prior to the adoption of this Unified Development Code (Ord. No. 04-38) on June 7, 2004, and who file an affidavit with the building official no later than April 1, 2005, shall register their property for "exception status" to the storage requirements for recreational vehicles over eight feet in height. However, no recreational

Exhibit 'B'

Code of Ordinances of the City of Rockwall

vehicle of any height shall be allowed to be stored in front of any portion of the facade of the primary residential structure, including lots with two frontages, and shall not encroach into the minimum three-foot setback from all side and rear property lines, as required in this section.

CITY OF ROCKWALL

ORDINANCE NO. 17-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] AND THE CODE OF ORDINANCES OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 4.1., *LOTS LESS THAN FIVE ACRES*, OF ARTICLE VI, *PARKING AND LOADING* OF THE UNIFIED DEVELOPMENT CODE AND SECTION 26-507, *PARKING OVERSIZED AND RECREATIONAL VEHICLES IN RESIDENTIAL AREAS,* OF ARTICLE VII, *STOPPING, STANDING, OR PARKING*, CHAPTER 26, *MOTOR VEHICLES AND TRAFFIC*, OF THE CODE OF ORDINANCES OF THE CITY OF ROCKWALL INCORPORATING LANGUAGE RELATING TO THE STORAGE OF RECREATIONAL VEHICLES; PROVIDING EXTENDED PARKING; PROVIDING DEFINITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] and the Code of Ordinance of the City of Rockwall has been initiated by the City Council of the City of Rockwall to amend Section 4.1.C., D., and E, *Lots Less Than Five Acres* of Article VI, *Parking and Loading*, of the Unified Development Code [*Ordinance No. 04-38*] and Chapter 26, Section 26-507, *Parking Oversized and Recreational Vehicles in Residential Areas* of Article VII, *Stopping, Standing or Parking* of the Code of Ordinances of the City of Rockwall, and incorporating language relating to the storage of recreational vehicles, adding provisions to allow extended parking, and to establish definitions, and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That Section 4.1.C., D., and E, *Lots Less Than Five Acres* of Article VI, *Parking and Loading*, of the Unified Development Code [*Ordinance No. 04-38*] and Chapter 26, Section 26-507, *Parking Oversized and Recreational Vehicles in Residential Areas* of Article VII, *Stopping, Standing or Parking* of the Code of Ordinances of the City of Rockwall, and incorporating language relating to the storage of recreational vehicles, adding provisions to allow extended parking, and to establish definitions, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibit 'A' and Exhibit 'B'* of this ordinance.

Section 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine

not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 3. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 4. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF AUGUST, 2017.

DRAFT

Section 4.1. *Lots less than five acres*.

A. *Location.* All required residential parking shall be located onsite except in the Downtown District.

B. *Garages.* In single-family or duplex districts, parking garages must be located at least 20 feet behind the front building facade for front entry garages, unless it is a "J-Swing" garage where the garage door is perpendicular to the street.

C. *Carports.* In single-family or duplex districts, carports must be located at least 20 feet behind the front building facade and be architecturally integrated with the main residential structure.

Exhibit 'B'
Chapter 26, Sec. 26-507, of the
Code of Ordinances of the City of Rockwall

Sec. 26-507. *Parking utility trailers, oversized vehicles, boats and recreational vehicles in residential zones*.

(a) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Boat means a vessel propelled on water by oars, sails, or an engine and/or a trailer designed and intended to transport the vessel. A boat is not considered a vehicle, for the purposes of this ordinance.

Oversized vehicle means a tow truck (wrecker), truck tractor, road tractor, semitrailer (whether or not attached to a truck tractor or a road tractor), dump truck, bus, and passenger motor vehicle designed to carry more than 16 persons (including the driver), any vehicle greater than 23 feet in length, or any truck with a rated capacity over 1½ tons, according to the manufacturer's classification. The term "oversized vehicle" does not include any motor vehicle owned or operated by a governmental entity.

Residential zone means any property zoned single-family, duplex, multifamily or planned development for single-family, duplex or multifamily uses, or used for such purposes. The term "residential zone" includes both private and public property within such zoning districts.

Utility trailer means an enclosed or open cargo trailer designed for the transportation of a variety of products, goods, equipment, livestock or vehicles.

Recreational vehicle means a motor vehicle designed as temporary living quarters for recreational travel or vacation use, and a motorcycle or all-terrain vehicle designed or equipped only for off-road use. The term "vehicle for recreational use" includes a travel trailer, camping trailer, truck camper, motor home, motorcycles and all-terrain vehicles.

(b) *Penalty.* Any person violating the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction be subject to a fine in accordance with general provision *Section 1-13*.

(c) Parking recreational vehicles, boats and utility trailers in residential zones.

(1) A person commits an offense if the person parks or stands or allows the parking or standing of a recreational vehicle, boat or utility trailer at any place within a residential zone, unless it meets the following screening requirements (recreational vehicles, boats and utility trailers parked on the street are required to comply with 1.e. and 2 only):

a. Such equipment shall be located beside or behind the primary structure and back from the nearest corner of the front facade of the house a minimum of ten feet (*if such equipment is six feet or less in height, the ten-foot minimum setback shall not apply*);
b. On lots less than 1.5 acres; it shall be screened from view of public street rights-of-way with a minimum six-foot solid fence or equivalent landscaping; and
c. On lots less than 1.5 acres, it shall be parked on an approved surface of concrete, asphalt ,stabilized gravel or pave stones; and
d. On lots less than 1.5 acres, equipment taller than eight feet above grade shall respect a three-foot setback from all side and rear property lines; and
e. Loading and unloading. Notwithstanding other requirements of this section, such equipment may be parked anywhere in a residential zone for a period not to exceed 48 hours for the purpose of loading and unloading only.

(2) Living or sleeping. No such equipment shall be used for living or sleeping when parked or stored on any lot not approved for such purposes. Exception: in conjunction with an extended parking registration.

(d) Extended parking registration for recreational vehicles and boats in residential zones.

Exhibit 'B'
Chapter 26, Sec. 26-507, of the
Code of Ordinances of the City of Rockwall

(1) A person who has registered their recreational vehicle or boat with the Neighborhood Improvement Services Department shall be allowed to park a recreational vehicle or boat on private property within a residential zone in accordance with the following:

a. An extended parking registration may be issued for a period not to exceed 5 consecutive days.
b. The five day period is in addition to the 48 hour allowance for loading and unloading.
c. Registrations must be a minimum of 14 days apart and will be allowed four (4) times per year.
d. Screening requirements listed in section (1) (b) shall be waived for the duration of an extended vehicle parking registration.

(e) Parking oversized vehicles in residential zones.

(1) A person commits an offense if the person parks or stands or allows the parking or standing of an oversized vehicle at any place within a residential zone.
(2) It shall be an affirmative defense to prosecution under this section that, at the time of the offense:

a. The oversized vehicle or utility trailer is being used in the loading or delivery of passengers or goods within a residential zone and only for such period of time as is actually necessary to accomplish such loading or delivery;
b. The oversized vehicle or utility trailer is being used in the repair or construction of a public utility or for construction activities; or
c. The oversized vehicle is associated with a service person performing work at a residence, other than the service person's residence.

(f) Property owners with recreational vehicles over eight feet in height who were in compliance with the City of Rockwall zoning ordinance (Ord. No. 83-23) prior to the adoption of this Unified Development Code (Ord. No. 04-38) on June 7, 2004, and who file an affidavit with the building official no later than April 1, 2005, shall register their property for "exception status" to the storage requirements for recreational vehicles over eight feet in height. However, no recreational vehicle of any height shall be allowed to be stored in front of any portion of the facade of the primary residential structure, including lots with two frontages, and shall not encroach into the minimum three-foot setback from all side and rear property lines, as required in this section.
